# SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

**THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA**

The SA Footballer have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show.**

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine.** Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer.**

So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the **FIRST** football magazine **JUST** for women's football across South Australia, titled the **South Australian Women's Footballer Magazine.**

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season.

**A magazine for women and discussing the women's game in South Australia.**

What an amazing group of women we have in 2021 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.

The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.

Festival City Photography offers team, individual and action photography to all sporting clubs covering sports from Football to Soccer, Volleyball, Tennis, Cricket, Basketball, Netball, Rugby and Baseball.

## Who Will Be The Sixth 400-Gamer?

In what has been a difficult time for the game in the previous two weeks, with COVID-19 once again causing havoc on the AFL Season, it was a weekend of celebration for the great Shaun Burgoyne. On Saturday night, 'Silk' became the fifth player in the game's 163-year history to reach the 400-game milestone, and the first Indigenous player to notch the quadruple century.

by  
Daniel Emilio Amato

For just five players to reach this incredible achievement in almost two centuries goes to show what is required; a strong work ethic, dedication, resilience and a hint of good luck with health and injury along the way.

There are many players currently in the league who are somewhat within striking distance of the 400 game mark. However, with form issues, injury concerns and the possibilities of game-time and/or positions on lists being compromised in the future due to rebuilding and money-saving, some are more likely than others.

I have identified three players who are the most likely to reach that elusive 400 game milestone;

### 1. David Mundy

Current Games Played: 347

Games Required: 53

For so long many out of Perth would barely give David Mundy a mention, but now the Victorian-born midfielder is certainly up there as one of the finest footballers to ever come out of a Western Australian club. From his first season in 2005, Mundy has held an unquestionable position in Fremantle's best 22 and has rarely disappointed. A best and fairest in 2010 and All Australian in 2015, and a selection in Fremantle's 2013 Grand Final are among his greatest achievements on field. At the age of 35, the former captain is playing as well as ever, averaging 25 possessions, five clearances and four tackles, all of which are considered above average for AFL standard. For David Mundy to reach 400 games, he would need to play majority of this season's remaining games at least two more full seasons, a final or two would help boost those games up. It seems far-fetched, but if he continues at the rate he is now... why couldn't he?

Only seven games away from over taking Matthew Pavlich's club record for most games played.

### 2. Joel Selwood

Current Games Played: 325

Games Remaining: 75

The captain of the Geelong Football Club has been the epitome of hard work, dedication, and an unbelievable success rate. Since debuting in 2007, where he won the NAB Rising Star award, he has played in five Grand

## Who Will Be The Sixth 400-Gamer?

Finals, won four Premierships, three best and fairest awards, six All Australians and four times the most courageous player, he has also only ever missed the finals on one occasion in 2015. Only once in his fifteen seasons has he played less than 20 games a year, he has been able to escape serious injury for so much of his career and has never been dropped.

by  
Daniel Emilio Amato

However, Selwood's courage to go back with the flight of the ball and unflinchingly dive into packs has resulted in concussions and head injuries. His biggest strength is also his biggest weakness, and this is the only concern in not reaching 400. With Geelong's premiership window wide-open for the next few seasons and with Selwood form still certainly apt to remain in the side, he would certainly be expected to at least get very close.

For Joel Selwood to reach 400 games, he would need to play until at least another three seasons, playing at least 20 games every campaign. By that stage he would be 36 years old, if he stays injury free and avoids anymore concussion issues, there is absolutely no reason it cannot happen.

### 3. Dustin Martin

Games Played: 258

Games Remaining: 142

This one may, but should not, come as a surprise. While Dustin Martin still has at least six seasons plus a few finals required to reach 400, he has proven to be one of the most consistent and durable players we have seen... possibly ever.

Since debuting for the Tigers in 2010, Martin has never played less than 20 games in a season. From round one 2010, he has always been one of Richmond's most important players and a main stay in the midfield. He has avoided injury through most of his career and become one of the greatest players in the game's history. Three premierships, three Norm Smith Medals and a Brownlow Medal put him in the elite category in every sense. Football is his life, he loves the game of there does not seem to be any obvious reason why he would give the game up until he exhausts everything he has, and he still has many years to come with a lengthy contract not expiring until 2024, which would be expected to be extended.

For Dustin Martin to reach 400 games, he would need to play until at least 2027. At this stage he would be 36 years of age and I cannot see any reason why this is an unrealistic prospect. He is arguable in career best form, tearing up the midfield with his strength, ability to shake players of and that powerful, penetrating kick.

# TEAM TALK with JORDAN

## The Cattery

2007 was the year that Geelong became the powerhouse that they are known as today. After years of underachieving failing to become that powerful team that they always threatened to be they finally turned it around by not only having developed an ominous high attacking game style that wielded three premierships in five years, but they made their home ground Kardinia Park (it has had many different names over the years) the unbreakable fortress that many a team have now come to fear when they play there. In modern day football, every little bit counts, and the Cats have known that better than most teams. We all talk about fortresses when dominant teams seem even more powerful and even invincible on their home decks, but no team has ever had as pronounced a home ground advantage as Geelong has had at Kardinia Park. Footy pundits and critics have long since given up quoting the numbers, they've just accepted the fact that it's near on impossible to win there.

by  
Jordan Sennett Perez

Before Geelong turned their fortunes around some 14 years ago, they famously lost a match to North Melbourne at Kardinia Park in what became the "line in the sand" moment for them. Not only was the playing group called into question but the club as a whole, culture administration, coaches all of it. They then destroyed an abysmal Richmond by 157 points at the Telstra Dome (now called Marvel Stadium) and from then have never ever looked back. As mentioned above, since then Geelong entered a golden era yielding three flags, playing in 5 grand finals and further 10 preliminary finals which is incredibly impressive. None of those games have been played at their home ground which is affectionately called "The Cattery" but it sure has played a major part in the club's consistent dominance over the competition. Since that loss to the Kangaroos in 2007 and as of the 2021 season, Geelong has played a total of 108 games at Kardinia Park. They've won an astonishing 97 of those, 97! Only 11 losses which is incredible, and their winning strike rate is 89.9%. The sheer key factors in the dominance that Geelong has there are teams that have relative unfamiliarity in which no visiting team ever playing there more than once per season and some of the bigger drawing Victorian clubs such as Hawthorn, Carlton and Richmond only playing there very occasionally, like once or twice in 12 years. The unique dimensions of the ground in my opinion play the biggest part.

Kardinia Park is only just the longest ground of any of the current AFL stadiums at 167 metres only a metre longer than Adelaide Oval, two metres more than Optus Stadium in Perth and five metres more than the MCG. It is significantly narrower than any of the other grounds however which is the most unique aspect of the grounds landscape. At just a measly 112 metres wing-to-wing, it is 27 metres skinnier than the MCG and that near 30 metres difference to the MCG is as good as one less kick for sides trying to switch the play side to side and make the ground bigger. It's no wonder teams have struggled and often have found themselves kicking the ball out on the full more than usual when they play at the cat's home ground. It's also Geelong's incredible defensive qualities that really shine through effectively smothering the opposition into turning it over and having all defensive lines covered effectively roadblocking half the ground. Considering how many teams have struggled there over the years, there are a few sides that boast somewhat of a half decent record there in recent times. Sydney has taken the cat scalp there 4 times in the last few years and had a 3-game winning streak there and Fremantle famously beat the cats in the first and only to date final played at the ground, the 2013 qualifying final, the dockers also beat them there again in 2015. For every other team it is the dreaded travel across there to face impending death. Of the 97 wins, 31 of those has been by a minimum of 10 goals and a further 8 has been by 100 points or more. Now that is some sort of dominance and it doesn't look like diminishing any time soon.

## SAWFL - Division 1 with Kayla Voss

### Grand Final: Morphettville Park vs Payneham Norwood Union

Morphettville Park have been crowned the 2021 Women's Division 1 Premiers. The minor premiers added a major title to their team's impressive record after downing Payneham NU by 34 points.

by  
Kayla Voss

The celebrations begun early Saturday night as the final siren echoed around Simonds Park. It was a nerve-wracking lead up for both teams, with each team proving they are capable to beat the best. Payneham NU got the job done two weeks ago in the semi-final, but Morphettville Park used last week's momentum to give them a boost.

Payneham NU got the jump on the minor premiers in the first quarter with plenty of forward-50 entries. However, Payneham's conversion in front of goal cost them a comfortable lead at the first break. Morphettville Park were forced into a defensive structure in the first quarter as Payneham bullied their way into their forward-50. Morphettville Park held on in the first quarter and kept the margin down to ten at the first break.

Payneham NU delivered a consistent second quarter, but Morphettville Park seemed to shake of their nerves at the first break to produce a dominant second term. Four goals in the second quarter lifted Morphettville Park over the top of Payneham. A nine point lead at half time settled Morphettville Park, while Payneham needed a strong third quarter to challenge the minor premiers.

Payneham NU applied some good defensive pressure in the third quarter and only conceded one goal for the quarter. However, Payneham's defensive work took away from their offensive ball movement. Despite only the one goal in the third, Morphettville Park set themselves up in good stead to take home the premiership in the fourth quarter. Morphettville Park pushed the margin out to 17 points at the third break.

Payneham NU needed a massive fourth quarter effort to challenge for the premiership, but it all went Morphettville Park's way. Morphettville Park slotted three goals in the final term to claim their premiership title. Payneham NU ended up second best on the day, but the club should be proud of their efforts. Morphettville Park and Payneham NU were the clear competitors all season, but Morphettville Park came out on top.

The Women's Division One competition is officially over, as all the players take some well-deserved time off after a great season.

# Division 2 - SAWFL NEWS

## SAWFL - Division 2 with Poppy Dutton-Waterford

### The Grand Final

LeBron James once said, "Don't be afraid of failure. This is the way to succeed." Twice this year, Happy Valley have confidently defeated Old Ignatians, but on Saturday the 21st of August Old Ignatians proved the impossible, possible. The Wolves played as a powerful pack to systemically take apart the undefeated Happy Valley Vikings and convincingly won the Division 2 Premiership Cup. It seems the phrase "no win or lose – only win or learn" has rung true for Old Ignatians. They put the many lessons learnt throughout the home and away season to work on Saturday and got to take home the most important chocolates of the year.

by Poppy  
Dutton-Waterford

With plenty of footy fans sticking around from the Division Five grand final where Black Friars triumphed over Tea Tree Gully, the stage was set at Kenilworth Football Club. Cars were parked around the perimeter and hundreds of people packed into St Mary's oval, donning either yellow and black or red, yellow and blue stripes. Andie Zbierski for Iggy's and Chloe Jacobs for Happy Valley lined up in the ruck for the first bounce. Happy Valley were the first to get an inside fifty, but their accuracy let them down. This season, their accuracy has been under 50% and up until this point it hasn't been a costly issue as they've had more of the ball and many more scoring opportunities than they were allowed this weekend. With the highly charged Old Ignatians applying the pressure all day, the Vikings inability to capitalise on their chances in front of the goals came back to bite them. After two points were pinged off by Happy Valley, it was the Wolves who pounced first with the first goal of the Division 2 grand final. Unsurprisingly, queen of the goal-kicking game Gabrielle Salt was the one who converted the opening major of the match. It proved to set Iggy's up with all the belief, inspiration, and courage they needed to step on the throat of the mighty minor premiers and keep their foot there all day.

The last play of the first half saw tough-nut Ellen Keightley of Happy Valley give away a dangerous tackle free kick (not one I would have paid if the whistle was in my hand). She was hard at the ball all day and one of the weapons I saw working hard for Happy Valley until the final siren blasted. Another Viking, Lauren Bungey, had the best leg on the field on the day in my opinion. Great technique gives her a beautiful back-spin punt with great penetration. While their set shot skills appeared less than elite, Happy Valley's kicking on-the-run was remarkable. Their transition work from defence to the midfield was impressive. Despite failing to convert many goal-scoring opportunities, they accomplished many repeat entries thanks to their midfield positioning around the arc and having plenty of girls with safe hands. Old Ignatians couldn't capitalise on some of their quick entries, but their supreme defensive pressure and repeat efforts to transition effectively saw them continually pummel the ball forward which got them well over the line in the end. When looking to enter their attacking fifty, Old Ignatians played it smart. They trusted each other and chipped the ball around effectively to take optimum field position and make each shot as sure as possible.

By half time, Old Ignatians' pressure had reached new heights and despite Happy Valley having more shots on goals the favourites were trailing by four points. The score board read Happy Valley 1.5 (11) to Old Ignatians 2.3 (15) at the main break. Chelsea Kennedy was the Happy Valley Viking who managed to convert a major, which she did early in the second quarter. While sipping a half time cider, I scrawled a thought in my notebook: *kicking technique and set shot accuracy proving to be an issue for Happy Valley, will this lead to their eventual demise?* As it turned out, yes...

In the premiership quarter, Old Ignatians were kicking towards the goal behind which their men's teams had set up camp. The support for the up-and-coming underdogs were vocal and vehement. Sophie Bociulis of Happy Valley was a key defender and pulled off some extraordinary intercept marks. She denied her opponents many an opportunity. Lili Gambranis of Old Ignatians looked to me the quickest cat on the field, and with her magnificent kick she worked tirelessly all day to drive her team forward. Iggy's pressure was phenomenal, and they were rewarded for their hard work at critical moments. Both teams put on a show and the crowd loved it. The game was hard fought and played at a high intensity. Both teams effected countless powerful tackles and were rewarded with many holding the ball free kicks. Niahm Leahy nabbed her second goal of the day for the Wolves with an absolute clutch goal scored in the third term to push them three straight kicks in front. There was a contentious call from the Umpire late in the third quarter to disallow a goal that was well set-up by the Ignatians forwards. The Ump called the assisting handball a throw, and Iggy's were further punished with a 25m penalty awarded thereafter for abuse. However, the Vikings were unable to capitalise on the lucky call and failed to get the ball past the centre circle as the pressure from the Wolves proved too intense to penetrate. The Happy Valley forwards failed to work cohesively, there were a few unfortunate same-team spoils; combined with Iggy's ability to plug the holes effectively to minimise ball movement and the Vikings' set-shot inaccuracy, the damage was done. The fat lady was starting to sing. Old Ignatians' ball movement was brave. They switched lanes efficiently and moved the ball up the field

field with valour. Their rucking was inspirational, their defensive work was clutch, their midfield outworked their opponents and their forwards had nerves of steel and provided good offensive pressure to lock the ball in. Old Ignatians tackled, they smothered, they ran. They communicated and played smart. They dug deep to provide second and third efforts. The most impressive facet of their game on the day was their teamwork.

At three-quarter-time I listened in to what Old Ignatians' coach Tom Sexton had to say. He kept it short and to the point: "Do not take your foot of the pedal girls! It's there if you want it," he emphasised. After an emphatic "GO WOLVES!" one player was heard roaring "LET'S BURY THEM!" And bury them they did. The first ball up of the fourth quarter saw Happy Valley caught holding the ball. The Wolves had their tails up, and it took them less than a minute into the term to strike the final blow with an inspiring team-goal that sailed right through the middle of the big sticks. Happy Valley had four more opportunities to score but managed only three minors. In the end, unfortunately Happy Valley's lowest score of the year 1.9 (15) was saved for the most important game of the year. Old Ignatians' Laura Magliaro was a tackling machine in the backline, she caught a key-forward holding the ball at a pivotal moment deep in the fourth quarter. Magliaro was awarded the coveted Best on Ground award and boy did she pick a ripper day to make her debut appearance on the Best Players list. As mentioned, Chelsea Kennedy scored Happy Valley's only major and Old Ignatians' goal-scorers were Gabrielle Salt and Niahm Leahy (2) as said, as well as Amelia Rosella, and Millie McCarthy who put in an unbelievable effort all day as a critical ruck/forward. When the final siren sounded, I looked up to read to the scoreboard: 1.9 (15) to 5.6 (36). The buzzer was conclusive: the minor premiers, Happy Valley had been defeated by heart-fuelled darkhorse, Old Ignatians. A memorable and convincing upset was met with raucous cheers from the crowd and screams from the Wolves. The whopping group hug, the lifting of the cup, the handing out of the medals, the many teary-eyed coaches and fans – Saturday's match had everything you could ask of a grand final. The ecstatic run onto the field from the Old Ignatians interchange players and staff was beautiful to witness, and the hands-on-head dejection from the Valley Vikings who knew they had fallen at the last hurdle was equally heartbreaking.

## SAWFL - Division 3 with Jessica Phipps

### Blackfriars OS v Tea Tree Gully

After working tirelessly all-season, Tea Tree Gully had worked their way into the 2021 division 3 SAWFL grand final. Against the ultimate competitor in the undefeated Blackfriars OS, it was bound to be a tough match. Everyone loves the story of the underdog, but the girls at Blackfriars OS are not ones familiar with losing. Blackfriars OS's winning streak saw them earn a home ground grand final at Simonds Park. Kicking off at 1 pm, it was prime conditions for the top team and after the week off, the girls' legs were well rested. As for their opposition, Tea Tree Gully were riding a wave of momentum after consecutive wins. Tea Tree Gully had yet to beat Blackfriars OS, but their fans cheering from the sidelines had full hopes that their team could deliver when it mattered most. With the first ball-up of the day, the game was underway. Blackfriars OS looked strong early, smashing their opponent in most areas of the field. The girls were quick to work the ball into their forward-fifty where their usual goal-scorers converted. With a handful of opportunities, the Blackfriars OS girls kept their opposition scoreless as they built a strong lead. Their demolition dulled slightly in the second when inaccuracy prevented them from increasing their score. Tea Tree Gully, now with fire in their bellies, won the quarter with a strong goal from A. Cleary. Although Blackfriars OS had the lead, Tea Tree Gully were able to lift the spirits of their fans with an impressive performance. Their momentum continued into the third, but the girls struggled to convert accurately. Blackfriars OS managed to score another major, and the game was starting to drift their way. At the start of the fourth, it was going to take Tea Tree Gully's best football to win that premiership title. However, in true Blackfriars OS style, the girls won contested ball after contested ball. Smashing their opposition in multiple areas of the ground, the girls piled on the goals to grow their total. When the final siren sounded, tired Gullies bodies dropped to the ground after finishing on 8 points. Blackfriars OS rejoiced, claiming the ultimate title for the year 2021 on an impressive 69 points. Their scorecard read a colourful display of names, reading G. Mee 3, L. Ackland 2, J. Rose 2, R. Wallace 2, and A. Burns. As for the best players for the victorious team, L. Ackland, M. Ney, L. Griffith, M. Turner-Collins, C. Tolson, and R. Wilson performed when it counted the most.

And that was it. Our SAWFL division 3 grand final winners were crowned and celebrated in true style. To wrap up the season that was; the top team, who so rightfully deserved the premiership cup, did exactly what they sought out to do when the season started back in April. Kudos, girls.

## SAWFL - Division 4 with Eli Barilla

by  
Eli Barilla

With lockdowns, restrictions, forfeits and crazy Adelaide weather, the 2021 season of Football has been an interesting bumpy road to the finals across all divisions. However, the wait is now finally over. Players, spectators, and football fanatics alike; it's what you've been waiting for. Goodwood Saints kicking off against Henley for the 2021 Women's Division 4 Grand Final! Throughout the season, both Goodwood Saints and Henley have shown an incredible amount of skill, strength, and passion with each game. Week after week both teams showed their determination to get to the Grand Final and now, they're finally here. Getting right into it, it was Goodwood Saints who was left standing on the ladder as they slowly shook Henley off quarter by quarter to claim the title as the winners! Goodwood Saints had kicked a whopping 40 points, while Henley had still kicked 7 points. Right from the first quarter, the Goodwood Saints were leading by a few points while Henley by the second quarter slowly tried to catch up. Goodwood Saints by the 3rd quarter however, had kicked their way in front to the point where Henley could no longer play catch up. Even still though, both teams played fantastically. As Goodwood Saints had landed on quite a big score, there were a few goal kickers which included leading goal kicker P. Francis booting 2 goals while C. Payne, E. Whyte and J. Andrae kicked 1 goal each for their last goals for the season. Best players for Goodwood Saints included S. Gilchrist, A. Lodge, M. Griffiths, B. Pullan and M. Potter. While Henley on the other side of field had solo goal kicker G. Harvey booting 1 goal and best players included T. Fry, T. Marks, Z. Bates, A. Thorne, C. Smyth and A. Smyth. Overall, it was a fantastic game from all players and both teams. Goodwood Saints have ultimately conquered and claimed title as 2021 season winners! Henley had held on for as long as they could, and even though they fell off the ladder they still made it this far and into the Grand Final.

And that's it from me! This concludes the final article for the Women's Division for this season and what a ride it's been! Not only a fantastic effort from Goodwood Saints and Henley, but all teams across the Women's Division. Week after week the girls did not disappoint. With some truly fantastic games, close call games and of course; stomping boots in the mud games! A truly fantastic effort to every single player and team. Writing for the Women's division has been an absolute pleasure, and it is fantastic to see and hear more women kicking on the field and getting coverage (it's about time!). It genuinely has been a great journey to write about your favourite players and your teams. Whether you're just a casual spectator, you're playing in the games or you're just catching up on SA Football (ahem, we are the only magazine in SA that'll give you your weekly football bible week after week across all different divisions!). Thank you for reading my articles, thank you for reading the women's division but most importantly thank you, for reading this magazine and keeping up with all things Football, and keeping the passion going among this crazy season we've had. Don't forget to follow on Facebook, Instagram, and YouTube as well if you fancy.

**Until next time, stay safe and keep that fiery SA Football passion alive! – Eli**

## SAWFL - Division 5 with Samantha Field

### Gepps Cross v Old Ignatians

4.8.32 – 3.1.19

Congratulations Gepps Cross, the division 5 2021 Premiers!

The premiership was theirs from the beginning, and the Rams did not let it slip. Even with the Old Ignatians defeating them twice in the regular season, the Gepps Cross girls were just too good and have well and truly earned the title.

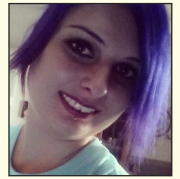

The first quarter was tight as was expected. Both teams put a goal on the board, and it was only the Rams three misses that separated the teams early. In the second the Ram tightened up the screws, and only allowed the Ignatians to get one point for the term. They kicked another goal for themselves and pushed out the margin to 9 points at half time.

They don't call the third term the premiership quarter for nothing. The Rams pushed on to add two more goals to their tally, while the Ignatians were able to add only one more of their own. Going into the final quarter the margin was just shy of three goals. There would have been many nerves running through the Gepps Cross team, with the Old Ignatians coming from behind in both of their previous victories. The Rams were only able to register two more points in the final term but their defence was more than up to the challenge. The Old Ignatians scored only one more goal to see the Rams run out the victors by 13 points.

The goals were spreading around for both teams, with no multiple goal kickers in the game. For the Ignatians it was K. Tsui, L. Cook, and E. Sargeant who scored. T. Cua, E. Wilkins and M. Black were best for the Ignatians and can all be proud of their performances.

For the Rams it was their old reliables who once more shined. S. Solly was best on ground and also scored a goal. Div 5 leading goal scorer J. Maloney also kicked one, with K. Allen and E. Brown scoring the other two majors. J. Glenn, Z. Rice, and B. Spooner were also fantastic in the win.

Well done to all players in 2021 on a fantastic season and all the best for an exciting 2022 to come!

## SAWFL - Division 6 with Annette Alvey

### Lockleys v Brighton

Well, the 2021 Division 6 Grand Final was played and won by the Lockleys Football Club, congratulations ladies you had a great year only losing one game for the season a stat you are all very proud of, I'm sure. You were the team to beat all year, high scoring and highly skilled and accordingly you are very deserving of your win and being crowned the Division 6 Premiers, hope you all partied long and hard into the night. However, you did have opposition in Brighton who were also very deserving of being there on the last Saturday in August!

by  
Annette Alvey

What a fantastic effort from the Brighton Football Club in your first year back in the competition so congratulations in making the grand final, losing a grand final hurts but you can all hold your heads high you gave it your all. Hope you also celebrated your year long and hard into the night. The game was very competitive all day and played in great spirit, it meant a lot to both teams, and it showed. There were some great skills on display, and it was a pressure final.

The Bombers hit the scoreboard early and were in front by 4 points at quarter time, they got their running game going and attacked their goals which would have given them great confidence. Courtney Lier and Alice Bright were fantastic in the first quarter. The second quarter saw Lockleys fight back and won the midfield, they hit their main targets up forward, and Emmie Kulcsar and Courtney Hutton didn't let them down. Millie Gentle, Harriet Rowe along with Millie Cordy, Courtney Hutton, Georgia Dimasi and Jessica Searle were instrumental and by half time there was only one point in it Demon's way.

At half time, I don't think the Lockley's coach would have had to say too much, the girls would have known what was required in the second half. However, the Brighton Coach, I'm sure would have been emphasising the need to not let Lockleys have it all their own way and to just play as a team and get that running game going like they did in the first half. And attack at all costs. The third quarter saw Lockleys jump straight out of the blocks and hit the scoreboard hard kicking 1.3 and keeping the Bombers scoreless in the premiership quarter, Lockleys lead by 10 points at the last change! The last quarter was tight, and Brighton gave it everything but could only manage 2 points. The Dee's were better skilled and although they only added a goal to their score in the final quarter the game was over.

Lockleys the victors by 14 points and 2021 Division 6 Premiers.

Final score Lockleys 3.5 23 to Brighton 1.3 9

Goal kickers for Lockleys E. Kulcsar 2, C. Hutton.

Best players H. Rowe, M. Cordy, C. Hutton, G. Dimasi, J. Searle, M. Gentle

I normally sign off with a summary of next week however there is no next week as we close off the 2021 season so here's a short wrap of this year. What a fantastic season it has been for the Division 6 teams. We saw a couple of clubs come in for the first time, Unley Mercedes Jets, Pembroke OS and Brighton and were all very competitive. And some second-year clubs in Edwardstown, Kilburn and Lockleys.

by  
Annette Alvey

Some highlights of the year, Lockleys nearly going through undefeated and being the eventual premiers, Kilburn being the team to beat the eventual premiers, the celebration of the Anzac round, Indigenous round and Brighton playing off in the Grand Final. We had joint winners of the best and fairest in Division 6 congratulations Kate Johnstone and Jessica Searle from Lockleys. The leading goal kicker was Jessica Patching from Edwardstown with a massive 29 goals congratulation Pickles!

I think we have unleashed some future AFLW and SANFLW stars, I was lucky to see and play against all these clubs and the standard of the games in the second half of the year was very impressive. Hopefully we see more of the same in 2022, I can't wait to see what next year brings to Division 6.

Enjoy the off season and stay safe.

## SAWFL - Division 7 with Eli Barilla

### Goodwood Saints v Modbury - no stats for Goodwood Saints best players

Footballer lovers, fanatics, spectators, newcomers- It's here! *Finally*, the Grand Final for Women's Division 7 is here after an *incredibly* long bouncy road. With both teams having an extraordinary season among lockdowns and rainy, muddy weather, both Goodwood Saints and Modbury have proven their perseverance to take the title as winners for the 2021 season.

The ladies, as always, did not disappoint in this close call-could have gone either way- match. With just *8 points* a difference, it's no wonder these two teams had made it into the Grand Final. With boots stomping on the field getting ready for the first centre bounce, a sense of excitement was in the air for both players and spectators alike. Goodwood Saints had remained on top of the ladder standing on two feet the entire season, that was until Modbury climbed, conquered, and shook them off by surprise! It was Modbury who ended up taking the title as winners for the 2021 season! Kicking and ending up with 30 points, while the Goodwood Saints ended up with 22 points. The goal kickers for victorious Modbury included leading goal kicker L. Noto booting a whopping 2 goals, K. Tucker and J. Banning each kicking 1 goal. The best players included leading goal kicker L. Noto, S. Tye, B. Farmer, E. Page and A. Swanbury. Goodwood Saints goal kickers on the other hand included leading goal kicker E. Bender booting 2 goals and C. Matthews following up with 1 goal. A congratulations are in order for both teams. Glorious winners Modbury, and also to Goodwood Saints. Both teams didn't make it into the Grand Final for no reason; they have played an extraordinary season and fought the muddy battles to get here, and this season will certainly be one to remember!

### Conclusion

And that concludes the season! It has been a great journey to write about Modbury, Goodwood Saints and the entire of Women's Division 7 teams. Every team has showed a great passion for Football, and no matter where anyone ended up on the ladder, there have been a lot of fantastic games and an incredible amount of skill. I want to say, thank you for reading my articles each week about your favourite teams and players this season. Whether you're in the games, just watching the games or just catching up on SA Football (the *only* Football bible in SA that'll get you caught up with all teams and things Football!) reading these articles and this magazine means a lot, so *thank you*.

Once again, a massive congratulations to Modbury for taking the victorious title, you've earned it! - Eli
