# SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

**THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA**

**The SA Footballer** have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

**So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.**

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

**What an amazing group of women we have in 2021 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.**

**The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.**

**SAWFL - Division 1 with Samantha Field**

**Payneham NU v Adelaide University**  
**11.13.79 v 0.0.0**

Payneham have continued their great start to the season with another dominating display. The Adelaide Uni girls were nowhere to be seen in this weekends game and were unable to even register a score as they went down by 79 points. It was a consistent four quarter effort from Payneham, and their win could have been much larger if it weren't from some errant goal kicking in the first quarter. The girls only converted two major scores from their seven shots to start the game with a 17 point lead. In the second they were able to tidy this up and added on three more goals in the term. Along with a further three points the margin was already a commanding 38 points by half time. In the third the girls continued on their merry way by kicking a further two goals and another three points. The margin at three quarter time was 53 points but the girls were determined to keep going. They surpassed their score from last round in fine fashion by having their best quarter for the game with four goals. For Adelaide Uni girls this would have been a tough match to ride out, but we have seen what they are capable of and they will be sure to bounce back. From Payneham it was a full team effort to get such a strong win and all the girls did their side proud. Kaitey Whittaker was the star up forward with four goals, while Adrienne Davies and Jamie Lockwood also had great days out with three. Abby Klabe also put in a cameo with one goal. For Adelaide Uni there were still some positives with Bonnie Sanderson, Stephanie Walker, Shona Health, Morgan Knight, and Chelsea Manger giving the game their all.

**Old Ignatians v Morphettville Park**  
**1.4.10 v 7.7.49**

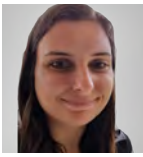

The scoreline was to be expected in this game, with Morphettville showing no signs of dropping off from last season as they took down the Old Ignatians by 39 points. The Old Ignatians were unable to score until the final quarter as Morphettville continued building on their own tally quarter by quarter. In the first they kicked two goals and one point to get the ball rolling and took a modest 13 point lead at the first break. Then in the second the Ignatians were able to reel the Roos in just a little with the girls only getting one further goal for the half and keeping the lead under four goals at 20 points. But you just can't keep a good team down and in the third Morphettville took command of the game. They kicked four goals four and in a flash the margin had jumped out to an insurmountable 48 points. The Old Ignatians can take some positives from this game however as they were able to dig deep and won the final term. They kicked their lone goal for the game, but could have made a real dent in the margin if more of their five chances had of been on target. They also kept the Roos to a single point and do have a starting point to build upon for the next match. It was some old reliables who stood out for the Ignatians, with Alexandra Hinton, Erini Gikas, Lily McDonald, Alice Winter and Eirini Vrodos all making the best players list. Molly Ingram was best up forward and kicked the single goal. There were familiar names in the Morphettville's best players list as well, with Olivia Evans, Erika Sporn, Emily Newton, Cammie Williams, and Minerva Bailey all starring. Elizabeth Probyn-Shingles was the game's only multiple scorer with three, while Olivia Evans, Melanie Hinge, Tess Maple, and Mykaela Walker all kicked one.

**Broadview v Happy Valley**  
**11.14.80 v 1.0.6**

Broadview have had an impressive start to the season with another big win, this time over Happy Valley who are struggling to get themselves going after success last year. The final margin was a mighty impressive 74 points, but could have been much higher. Broadview started the game off on the right foot with a two goal opening quarter, but missed another four of their chances to have a 16 point lead at the first break. In the second Happy Valley were able to get a goal of their own on the board but this unfortunately was their only score for the game. The second term truly still belonged to the Tigers, who kicked five goals and two points to still push out the margin to a huge 42 points at half time. The Tiger Train continued in the third as the girls added on more scores. With another three goals and four points, the margin ballooned out by the end

### SAWFL - Division 1 with Samantha Field

of the quarter to 64 points. With the damage done the Broadview girls pulled on the break just a bit, and only kicked one further goal from five chances, but still took out the win in style. For the victors it was Kate Gerguson, Liana Antonioli, Zara Molloy, Tayla James, and Rachel Valenti who showed a little something extra special. Liana Antonioli had a field day in front of goal with a bag of five, and Natasha Richards was also dominate with three. Kailie Healey, Ella Molloy, and Rachel Valenti all chipped in with one. For the Vikings it was Brooke Turner, Sandi Groth, Rylee Jozwa, Rayne Rivalland, and Bessie Barrett who fought hard as they always do. Kat Vlachos was the team's lone goal scorer.

#### SMOSH West Lakes v Henley 8.7.55 v 3.3.21

The reigning premiers have got their season started with a solid win under Saturday night lights. They faced up against Henley and got the win by 34 points. SMOSH jumped out of the gates and kicked three goals and a point in the first. They were also able to keep Henley scoreless for the term, seeing themselves to a 19 point first break lead. Henley were able to get things moving in the second but could not gain any ground on the Lions. Both teams scored one goal and one point so that nothing had changed come the main break. In the third SMOSH were able to move themselves further forward with another two goals, and two more points. Henley kicked another goal of their own to negate some of the damage but the margin at three quarter time was still out to 25 points. In the final term SMOSH finished off the job with another two goals, which could have been more if not for three misses. Henley added one further goal but it did little to help the final margin. Katie Clarke, Kate Walsh, Kiana Lee, Stella Santos, and Tashara Wilson were all among the stand outs for the winning SMOSH. Tashara Wilson had the most goals for the game with three, while Katie Clark and Kiana Lee were also good with two each. Tayla Autio also kicked one for the team. For Henley it was Chanel Rugari, Kayla Roe, Kernia Del Borrello, Charlee McDonald, and Annalese Dunbar who all made the best players list. The three goals were shared between Tasmyn Fiegert, Stephanie Rayner, and Kayla Robran. Next week is the Grand Final rematch, and with both teams coming off wins this week it's sure to be a cracker. With home ground advantage SMOSH will be favourites to do it again, but an upset by Morphettville is definitely not out of the question. Henley have their best chance yet of getting their first win on the board, but the Adelaide Uni girls will not be easy. With their up and down form, it's hard to get a read on the Uni girls, but they will be favourites at home. Old Ignatians and Happy Valley are also both still looking for that first win, and based on results Happy Valley will be slim favourites. Payneham and Broadview will fight it out in a top of the table clash that all are sure to have their eye on. Who will win is anyone's guess but the team that does will surely get the early premiership favourite rights. In the reserves it was a week of dominators and the dominated, with all teams getting big wins. Payneham were able to keep Adelaide University completely scoreless as they took victory by a huge 114 points. Morphettville also kept their opponents, Old Ignatians, scoreless while winning their game by 55 points. Broadview had another great win, this week by 59 points over Happy Valley. SMOSH also had a nice first win of the season over Henley to the tune of 61 points. SMOSH will be challenged when they come up against Morphettville, with the Roos looking likely to continue their winning start to the season. Adelaide Uni and Henley will be searching for their first wins, and it's hard to pick a favourite for who will getting those desired first points. Happy Valley should be able to get the win over bottom place Old Ignatians, while Payneham and Broadview will be just as interesting and the league game, with the two sides very similar in their performances thus far for 2023.

**Golden Grove vs Blackfriars OS**

Women's football is back for another week, and Golden Grove had an easy victory when Blackfriars OS once again forfeited. With the first two games of the season already lost and no opportunity to play, it has not been a fantastic start. They should definitely come out next week and compete; else, they might have to play catch up to the other teams and fall behind. Due to Blackfriars OS's forfeit of this week's contest, Golden Grove was automatically awarded a 60-point win, moving them to the top of the league ladder. Since no game was played, neither team's best players nor goal scorers were identified.

**Angle Vale vs Brighton Bombers**

Saturday morning had Angle Vale and the Brighton Bombers come out wanting a win. With their victory this week, Angle Vale is now drawing with Golden Grove with 4 points and is second on the ladder due to their slightly lower percentage. They needed that victory to either go first or draw in second. Angle Vale scored four great goals in the first quarter to take the lead early in the contest. The Brighton Bombers earned a point and scored two goals. Angle Vale was once again on fire in the second quarter, scoring 2 more goals and a point to reach 37 points at the halftime break and take a 23-point advantage. The Brighton Bombers only managed to score one point in the second quarter, leaving them with a score of 14 points going into halftime. The Brighton Bombers played much better than they did last week, and they are able to move the ball and score some goals. Angle Vale continued to maintain their lead in the third quarter by scoring two additional goals and a behind. The Brighton Bombers managed to score another goal and 2 more behinds. The decisive quarter is the fourth and final one. The fourth quarter demonstrates which team is more physically prepared and stronger to compete to the end. Angle Vale added an additional goal and two behinds to their total. As a result, they won by 28 points and completed the game with 58 points (9.4). The Brighton Bombers added a goal and two behinds to their final score, finishing the contest with 30 points (4.6). Although the Brighton Bombers lost, they should be proud of how much they improved from last week, going from scoring just a point to having 4 goals and 6 behinds. Hopefully, as the weeks go by, they continue to get better and better, and they might even start winning some games in the competition. Angle Vale's best players selected for this week include: N. Biagi, J. Walker-Smith, N. Delaney, S. Fernandez and CA. Mewett. The Brighton Bombers best players selected for this week were: C. Houghton, G. Mitton, E. Morey, P. Parsons, G. Bedding. Angle Vale had 5 different goal scorers this week, these included: N. Biagi who scored 3 goals followed by A. Killeen and N. Delaney who scored 2 goals and K. Creeney and B. Dodds who all scored a goal each. Unfortunately, no goals scorers for the Brighton Bombers were recorded.

**Gaza vs Westminster OS**

Given that both clubs lost both of their matches last week, one team will undoubtedly strive for victory this week. Gaza had a very unfortunate week last week when they failed to even score a goal or earn a point, but this week they made a return and won their first game of the year despite the fact that the game was close throughout. The game started off with Gaza scoring 3 goals and Westminster scoring 2 goals and 3 behinds, leaving only a 3 point margin between the two teams. What a fantastic first quarter to the game. Gaza added two more goals and a behind in the second quarter, giving them 31 points overall and a 15-point lead at halftime. Westminster OS, who finished the first half with 16 points, did not, however, have a particularly strong second quarter as they only managed to gain one point. The third quarter saw a shift in the game; Gaza was unable to score a goal or even win a point, and the quarter ended without a goal. Westminster, on the other hand, fought hard and scored 2 more goals and 2 behinds to only be behind Gaza by 1 point. Westminster OS had a terrific quarter, and it was fortunate for them that Gaza failed to score any points since it gave them time to come up to them and prevent Gaza from having it easy. The fourth quarter had Gaza able to make it down to their goals, awarding them with a goal and 3 behinds. They finished the game off with 40 points (6.4) and having won the game by a 10 point lead. Westminster OS's luck ran out and they unfortunately were not able to earn a point and were left scoreless in the final quarter. This left them finishing the game with 30 points (4.6). The best players selected for Gaza this week were B. Felsbourg, A. Herriman, C. Newton and P. Grigg, S. West. Westminster OS's best players for this week were K. Howell, K. Wittmann, J. Hocking, MN.

Grigg and E. Hartung. Gaza had only had two goal scorers this week, including C. Newton who scored an amazing 4 goals and J. Rock who scored 2 goals. No goal scorers for Westminster OS were recorded for the week.

### Goodwood Saints vs Tea Tree Gully

It was intriguing to see what would have transpired this week between both Goodwood Saints and Tea Tree Gully after both sides easily won both of their games the previous week. It wasn't easy for either team, and the game remained close for most of the game. Tea Tree Gully opened the game with a goal and three behinds, giving them an early lead of three points while the Goodwood Saints managed just one goal. The Goodwood Saints were able to score two more goals in the second quarter, bringing their total to 18 points at the halftime break. However, Tea Tree Gully continued to maintain their lead and ended the first half of the game with 23 points after scoring an additional 2 goals and 2 behinds. Tea Tree Gully scored two goals and three behinds in the third quarter, giving them a 12-point lead, which the Goodwood Saints could easily overturn if they pushed hard enough. The Goodwood Saints scored one more goal and two behinds. The Goodwood Saints kept playing in the fourth quarter in an effort to win this game; they added two more goals and finished with 38 points (6.2), but sadly, it wasn't enough for them to take the lead. They fell short by nine points. With another goal scored and three behinds, Tea Tree Gully earned a total of 47 points to win the match. Tea Tree Gully did win, but if most of their scoring shots had been on target, they would have won by a much larger margin. Instead, they were just unlucky with the accuracy of a few of their shots. The best players selected for the Goodwood Saints were S. Gilchrist, A. Agar, A. Fox, A. Size, and E. Siegert. Tea Tree Gully's best players for this week's game were A. Wood, E. Clark, J. Lewis, T. Maschotta and T. Anderson. The Goodwood Saints had 3 goals scorers throughout the game with E. Siegert scoring 3 goals, followed by E. Fenton scoring 2 and G. Bridge scoring 1. Tea Tree Gully also had 3 different goal scorers throughout the game. This included K. Hillier who scored 3 goals, A. Wood who scored 2 goals and I. Logue who scored a goal.

## ROUND 3 PREVIEWS

**Blackfriars OS vs Gaza @ Park 2 St Dominic's Oval**

**Tea Tree Gully vs Angle Vale @ Pertaringa Oval**

**Golden Grove vs Brighton Bombers @ Harpers Field**

**Westminster OS vs Goodwood Saints @ Glandore Oval**

Blackfriars have forfeited both of their games thus far, and I have a feeling that next week will be no different. Hopefully not, but they haven't played a real game at all this season, and with some of the other teams already participating in the competition, it might be difficult for them to catch up with them. With that stated, I think Gaza might succeed again next week. They could either win by an automatic 60 points or by a margin of 37 to 38 points. Both Tea Tree Gully and Angle Vale are tied in the league ladder and have won both of their games thus far, so I anticipate a very close game between the two teams. Given how determined they have been in both of their games, I anticipate it won't be an easy game to win. Both teams will play their best game as they strive for the top or second spot on the ladder and the chance to remain unbeaten. In light of the foregoing, I believe Angle Vale will prevail, but only by a narrow margin of 1 to 12 points. I have a good feeling and am convinced that Golden Grove will win again next week given that they are undefeated and now in the top position on the league ladder. The Brighton Bombers have lost both of their games and as a result, they are currently in second to last place in the league ladder. I believe Golden Grove will triumph with a respectable margin of between 37 and 48 points. Westminster OS may have trouble against the Goodwood Saints next week because they haven't yet won a game and have been unfortunate. Given that the Goodwood Saints have won a game by such a large margin and that they only narrowly lost this week by a few points, I predict that they are going to win next week with a margin of between 13 and 24 points.

### Gepps Cross v Hope Valley

Gepps Cross were at home and up against a strong opponent in Hope Valley who were victors by 41 points. A strong start by Hope Valley who were big winners in round 1. There wasn't much in this at quarter time but by half time Hope valley had very handy lead. The second half was all Hope Valleys as they added 3.4 to be the eventual winners. Gepps Cross did manage a goal after half time and least scored for the match, better than no score at all! Hope Valley will clearly be there at the pointy end of the year from what they have shown so far.

#### Final Scores

Gepps Cross                    2.2 14  
Hope Valley                    8.7 55

**Best Gepps Cross** - Jade Glenn, Kaitlyn Wright, Shannen Solly, Vanessa Pearce, Mahkyah Goldsmith

### Flinders Park v Greenacres

Flinders Park hosted Greenacres and were massive winners against the dragons who for the second week in a row could not put a score on the board. However for Flinders park 27 scoring shots by half time and hit the 100 points is massive. Hopefully the Greenacres ladies can get that elusive win soon. And for Flinders Park that keeps them in touch of the top 4 early in 2030.

### Pembroke OS v Salisbury

#### Final Scores

Pembroke                    17.9 111  
Salisbury                    5.5 35

Pembroke were on their home deck and with some pretty straight kicking, were convincing winners over the Magpies 76 points. Last years Div 4 grand finalists got off to a great a start with 8 unanswered goals to half time. The Queens kept hitting the scoreboard but were outscored in the last quarter by 4 goals to Salisbury so great work putting some respectability on the score sheet.

**Best Pembroke OS** - Amber Hopkins, Ashlea Carter, Anna White, Georgia Garrels, Emma Chappill

**Goal Kickers** - Amber Hopkins (5), Ashlea Carter, Maggie Cole, Lucy White (2), singles to Andersen, Hammond, Burton, Lee, Harvey, Waltham

**Best Salisbury** – none selected

### Kenilworth- Flinders Uni v Pulteney

Well, this game was the complete opposite for Kenilworth-Flinders who were held scoreless on their home ground by a very fast and skilful Pulteney. They showed why they are a reigning premiership team, they moved ball very well by both hand and foot and just mauled the opposition in contested footy and were the fitter team.

### Ingle Farm 0.0 vs Eastern Park 10.0 60

With Eastern Park's dominant performance last week, it was always going to be a tough game for Ingle Farm. Fortunately for Eastern Park, they will get an extra week of rest, taking home an automatic 60-point win, with Ingle Farm unfortunately forfeiting the match. Eastern Park will go into next week refreshed and eager for another win. With the extra rest Ingle Farm should be able to improve on their disappointment of round 1.

### West Croydon 3.2 20 vs Scotch OC 34

West Croydon and Scotch OC kicked off the round with a tough contest. Riding the win from last week Scotch OC came in with confidence to get a 14-point win over the Hawks. Scotch OC got ahead of West Croydon straight away with a brilliant three-goal quarter, with five goals for the whole game. West Croydon kept fighting as they were searching for their first win of the season, unfortunately for the Hawks even after their fight back in the third quarter Scotch OC proved to be the better team on the day. Janaye Grose and Natalie Watkins were again amongst the Hawk's best for the second week in a row with Janaye kicking a goal. However, it was all Scotch OC once again, Sarah Davies and Issy Tucker showing what they were capable of and Amy Kaesler featuring in Scotch OCs best again. It was Gabby Gormile who led the scoreboard with two goals to her name, along with Jessica Bushell, Louise Firth and Roisin Gleeson all kicking a goal each. Scotch OC will gain more confidence out of this win and look to be a tough team to beat this season. Although West Croydon showed signs of improvement from the last round, they will be fighting to get that first win next week.

### Mitcham 5.7 37 vs Fitzroy 4.3 27

It was always going to be a good game down at Price Memorial Oval between Mitcham and Fitzroy with both teams coming off a win last week. Fitzroy were favourites to win after their dominant 120-point win in the first round, but it was Mitcham that got away with the 10-point win. It was a slow start for Fitzroy, goalless in the first half but wasn't much better for Mitcham with only one goal and five behinds. Fitzroy managed to get on the board with two goals in the third quarter, however, Mitcham kept ahead with a big three-goal quarter. Was going to be a challenge for Fitzroy to fight back in the last quarter, but they got close with another two goals kicked. In the end, it was Mitcham kicking a major in the final quarter to secure the win. Sienna Shields proved herself in front of goals kicking three goals for Mitcham, Jessie Keech and captain Aisha Scott also contributed with a goal each. Captain Narelle Henderson tried her best to lead her team to a win with a goal to her name and being amongst Fitzroy's best. Abbie Player found herself in the best players list again, also putting a major on the scoreboard for a second week in a row for Fitzroy. After that upset Mitcham will be looking to continue their good start to the season next week but will be hoping to fix their inaccuracy finishing the day with seven behinds. Fitzroy will be disappointed with their slow start and will look to come back with a firing start next game.

### Lockleys 2.3 15 vs Hectorville 5.10 40

To finish off the round it was Lockleys and Hectorville, it was tough to pick a favourite for this game with both teams searching for their first win. However, it will be Lockleys that will head into next week without a win this season with Hectorville taking home a 25-point win. Could have been a bigger win for Hectorville as accuracy wasn't their strongest strength this week -, finishing the game with 10 behinds. However, five goals were enough to get the win with the Lockleys unable to get a major until the second half where they kicked two. It was Annabelle Harris and Tehlara Lovett who scored for the Lockleys, with Jessica Searle and Katie Dancer adding to their strong start to the season by being amongst the Demon's best players two weeks in a row. Unfortunately for them, it wasn't enough with Elle Lineage, Jazmin Egan, and Chloe Kahl leading Hectorville's best players. Hectorville had four goalkickers with Jemha Dimas being the only multiple-goal scorer of the day, kicking two goals. Hectorville will be pleased to get their first win and will use the confidence in the next game. On the other hand, Lockleys will be disappointed with the game and will work to improve to get their first win of the season.

## SAWFL - Division 4 with Kira Aswegen

The first game next round will be between Eastern Park and Mitcham, hard to pick a favourite for this game with Mitcham coming off a great win and Eastern Park not playing this week. I think Eastern Park might just get ahead in this game, 35-25 with fresh legs and based on their terrific game in round 1. It'll be another tough one between Lockleys and West Croydon both teams searching for their first win. Won't be an easy win but I am tipping that playing at home might just give the Lockleys the advantage to get their first win of the season 20-15. Ingle Farm are still without a win after forfeiting this round, but they'll get a chance against a strong Scotch OC. Will be a huge upset if Ingle Farm can get the win but might just be out of reach. Scotch OC the strong favourites for round 3. I tip Scotch OC for the win by 20, 30-10. It'll be a great game to finish off the round with Hectorville taking on Fitzroy at home. Hectorville coming off a strong win will be full of confidence and playing at home, might be too hard of a task for a talented Fitzroy side. Tipping Hectorville to take the win 40-25.

**North Haven 6.6.42 vs Loreto OS 2.2.14 at Largs Reserve**

The rainy morning cleared up at Largs Reserve, making for a bit of a wet ground but otherwise decent conditions. With the home-ground advantage, it seemed to once again be North Haven's day. Continuing their strong presence this round by keeping Loreto running and playing catch-up. It was not a complete outclassing, with Loreto at least staying competitive. Unfortunately, they just could not overpower the on-fire Pies, who were just able to utilise the ball better. Keeping them in the game, Loreto players Poppy Scaife and Sophie Haines were able to convert those 6 points, but North Haven's goal-kickers took away a few bags themselves. Aaliyah Osbourne made a huge difference on the scoreboard, scoring three goals for the Pies. Taylah Botten also walked away with two and Mikaela Faulkner added one to the score. The best players for North Haven were Madyson Woods, Taylah Botten, Amber Miller, Jaymie Hammond and Cathryn Wojcik. Loreto OS named Poppy Scaife, Olivia Law, Hilary Campbell, Stephanie Principe and Abbie Deegan as their best.

**Elizabeth 3.1.19 vs Kilburn 7.15.57 at Argana Park**

Over at Argana Park, a similar score story was unfolding. Kilburn was able to recoup after a horror week last week, getting their two points on the board this round. Elizabeth struggled to get on the board at the start, with Kilburn taking control early. The Eagles were able to add a little more in the second, but after only being able to score one more goal in the third, Kilburn was able to stay consistent and pile on the score. A little more behinds than Kilburn probably would have liked but a win is a win and a consistent game is definitely worth celebrating. Jacinda Roy really got the job done for Kilburn, walking away with six goals herself. Donna Andrews also added a goal to that significant total. For Elizabeth, Erika Abdulla had a good game scoring two as well as being named one of the best players. Cassandra Greenwood was the other goal scorer. Joining Abdulla the best players were Courtney Kirkbright, Jessica Pridham, Kimberlee Kite and Johanna Kite. Best on the field for Kilburn were Carly Knaggs, Jacinda Roy, Renee McCallum, Annette Viska and Crystal Sumner.

**Modbury 3.4.22 vs Edwardstown 3.4.22 at Modbury Oval**

Down at Modbury Oval, the scores were closer. In fact, they were the same. Toe-toe at the end of each quarter, the two sides were tenacious in fighting for their first win. With no score added after three-quarter time, the wet ground must have played havoc as neither side could get up at the end. Resulting in a draw, at least it keeps both teams off the bottom. Kicking two goals for Modbury was Justine Fielding, with Danielle Katie adding to the bag with their best players being Meagan Johnson, Mia Ebert, Justine Fielding, Sharna Tye and Danielle Menadue. For the Towns, Sammy Jones was able to kick two and Felicity Newton also got one on the board. Newton also found herself named one of the best players, along with Lainey Hills, Grace Sim, Hayley Reid and Mischa Walton.

**Woodville South 12.13.85 vs Salisbury North 0.2.2 at Ledger Oval**

Woodville South took Salisbury North to Ledger Oval and sent out a strong warning to the rest of the competition. Absolutely drowning the Hawks, Woodville South put on an absolute clinic. Keeping Salisbury North goalless to the final siren, the high they had from getting up last week was brought crashing down. Absolutely dangerous across the ground were Carmen Joubert and Carly Rehbein, both scoring three goals. Ella Vitucci was not far behind. Tiana McCulloch, Amber Elvin, Boio Behrndt and Kelly O'Donnell also got themselves on the scorers' list. Clearly, the team had some great players, the ones that stood out were Tiana McCulloch, Carly Rehbein, Amber Elvin, Carmen Joubert and Kelly O'Donnell. It was not all doom and gloom for Salisbury North, with Charlotte Ta, Renee Thomas and Hayley Nisbet showing strength in the face of adversity and getting those best player points.

# REVIEWS AND PREVIEWS

### SAWFL - Division 5 with Kayla Hamilton

#### Round 3 Preview

As predicted last week, round 2 was able to spread the wins out a little more evenly. Woodville South and North Haven stand out from the pack, but can they continue? North Haven will face a hungry Edwardstown down on their home ground. This will prove to be a bit of a battle for the Towns, but they have shown that they can keep up the movement, despite difficult circumstances. Loreto OS plays host to Elizabeth. Both teams are coming off a loss, but if Elizabeth wants to get up off the bottom, they need to have a solid showing. Signs of promise are there, but it will be which team can rally when it comes down to it. Over at Blair Athol Reserve, Kilburn host Salisbury North. Licking their wounds after a crushing defeat, Salisbury North will want to go back to the tenacity they showed in round one. Kilburn is riding the high off their first win, so hopefully they can continue the momentum. Modbury will be travelling down to the house pain Ledger Park, hoping to have a change of luck. They have a tough battle in front of them but anything can happen on a cold, rainy day.

**Tea Tree Gully (2.3.15) defeated Goodwood Saints (1.8.14)**

Round 2 of the Adelaide Footy League Division 6 Women saw the return of wet weather footy, as all three games gave us plenty of talking points. Tea Tree Gully vs Goodwood Saints was definitely the game of weekend, with both teams battling out a closely matched contest, ultimately decided by composure in front of goal. Tea Tree Gully continued their impressive start to the year, registering their second win of the season. In typical Gully fashion they were explosive starters, scoring both of their goals for the game in the first half. Early scoreboard pressure seems to be a key strength of the travelling side who effectively get on top of the opposition throughout the opening stages of the game. A goal in each of the first two quarters for Tea Tree Gully made it difficult for the Saints to get themselves into the contest until its dying stages, which caused the home side to eventually fall a point short in their comeback attempt. Erin Anderson was the difference on the day. A fantastic performance and a timely goal earned Erin a career first best on ground award in her 44th game. For all of Tea Tree Gully's brilliance however, there is plenty of frustration to be felt by the coaching staff of Goodwood Saints. A disappointing start to the game left them with too much to do in the last quarter as Zali Turner scored their only goal yet again. The Saints finished with 1 goal and an astonishing 8 behinds, with 6 of them coming before their first major score, certainly costing them the game. There was plenty of hope for the Saints heading into round 2 following their performance against Flinders Park, but their continued dependence on Turner in front of goal is not fair on the competition's top goal scorer. If anything, this contest has given the rest of the division an insight on what to expect from both teams. The Saints are a dangerous side with plenty of potential, but their inaccuracy in front of goal has to be seen as the main reason that they are 0-2 and not 2-0. Unlike Goodwood, Tea Tree Gully are in fact now 2-0 and cruising into a week off with their bye round. However, it's not all positives for the Gully. Their narrow 1 point victory has shown that although they are strong starters, they leave themselves vulnerable to throwing away leads. In their first two games they have only registered 3 points during the second half and if the Saints could kick straight, Gully would be 1-1.

**Golden Grove (11.9.75) defeated Mitchell Park (0.2.2)**

Wow.... is the only word that comes to mind when trying to describe Golden Grove's emphatic dominance over competition debutants Mitchell Park. A 73 point loss was certainly not the performance the away side were hoping to put out in their inaugural game of Women's Footy. Those who were at Harper Fields witnessed what could be a landmark game for Golden Grove as they truly announce themselves as a threat to the rest of the league. The home team's last quarter showing in round 1, gave them a mass of momentum that they carried into the opening quarter, registering 6 match defining goals. With 3 goals, Sarah Hewitson was outstanding! She was a persistent headache for the Mitchell Park defence alongside Katie Bell and Kelly Ransom who piled on the misery with two goals a piece. Despite the Grove's imposing presence in their forward 50, it was actually Leyneaka Maigler who was rewarded for her efforts all game with her very first best on ground award. An impressive and encouraging aspect of this season so far is actually those who are giving out the votes as it is clear that everyone is paying attention to more than just who is kicking the goals! There weren't too many positives to take away for Mitchell Park this weekend. As expected, key signings Shannon Gaskell and Achol Agany were among their best players, which I'm sure will be said many times again before the end of the season. Overall, this game was much more a case of Golden Grove being that good, rather than Mitchell Park playing poorly. Moving forward, Golden Grove could be an unstoppable force as their commanding performance, particularly in attack, has set them apart from the rest of the division. The Grove girls converted 11 out of their 20 scoring shots, meaning they are the only side in the competition who have registered more goals than behinds this season.

**Athelstone (6.8.44) defeated Flinders Park (0.1.1)**

In what was easily the biggest shock of the weekend, Athelstone completely dominated Flinders Park as they eased their way to a 43 point win. Flinders Park have gone from being the most impressive side of round 1, recording the biggest

score of the week, to getting outplayed and being the lowest scorers of round 2. Athelstone managed to capitalise on their forward pressure, scoring a goal in every quarter of the game, which is a complete turn around from last week. Flinders Park were unable to gain any control of the contest as Natalie Lomman proved to be a tricky customer, finishing the game with 2 goals. The only criticism against the away side last weekend was their inaccuracy in front of goal and their inability to punish Golden Grove and keep them out of reach. They certainly improved on that against Flinders Park. Their 6 unanswered goals provided the final product that their immense effort and determination deserved. Athelstone also finished the game with 8 behinds which stopped the scoreline being even uglier for the Flinders Park girls. Perhaps the most unsurprising part of the afternoon was Brittany Spooner being best on ground for the second game running. Her consistency and quality throughout the early stages of her career is beyond impressive; it's hard to say whether there is a better player in the entire division at the moment. After their performance against Goodwood Saints, Flinders Park will be hoping this display against Athelstone is an anomaly for them this season as they looked to reinstate themselves as a competitive force in the division next weekend.

### Round 3 Preview:

If the first two rounds are anything to go by, predicting the results of the upcoming weekend is not an easy task. Tea Tree Gully have the bye this weekend which means that they will be the only team who is guaranteed to enter round 4 as undefeated. Although the bye round does make the stat a slight novelty this early into the year, its certainly a psychological edge that they have on the rest of the competition. Speaking of undefeated, the ever-impressive Athelstone look to make it three wins on the bounce as they host Goodwood Saints. I might sound like a broken record, but with their upcoming opponents being the most inform side in the league, the Saints really need to iron out their troubles in front of goals. Goodwood bolster an impressive side who are capable of massive achievements this season, however, my only fear is that another lack lustre display of goal kicking could see them plummet to 0-3. Moreover, I have no doubt that the Saints will continue to put out impressive high-effort performances; all that is missing is the final product, particularly late on in games. Flinders Park and Mitchell Park will both be looking to put round 2 behind them as the two lowest scoring sides of the round go head-to-head in the first competitive Women's Division game to be held at the Mitchell Park Oval. Despite their heavy defeat to Athelstone, there's still a strong sense that Flinders Park will be a commanding force this year and they would have to be favourites heading into this one.

The last game sees Marion return to the scene following their weekend off and there are definitely reasons to be concerned. The Grove girls are coming off the back of an awesome display of goal kicking and defensive solidity after their resounding 73 point victory against Mitchel Park in round 2. Marion, who also failed to score a single goal in their first game, will have to improve drastically against one of the best teams in the competition to get their first win. This is a challenge that I see too tall for Marion and Golden Grove should be able to get home comfortably.
