SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA

The SA Footballer have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

What an amazing group of women we have in 2021 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.

The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.

SAWFL - Division 1 with Samantha Field

Adelaide University v SMOSH West Lakes

3.2.20 v 12.14.86

SMOSH have bounced back after their loss last week with a fantastic win over Adelaide University by 66 points. SMOSH had a dominate first quarter to set them up for the rest of the game. They kicked five goals, but could have had more if it weren't for another four shots going wayward. They also held strong in defence, only allowing Adelaide Uni to have a single point in the term. The margin at the first break was already a commanding 33 points. In the second the Lions scoring chances slowed but they still had control over the game. They added on only one more goal, but also kicked a further three points to get further ahead. They also once again held Adelaide Uni to a single point, making the margin 41 points by half time. After the break the Adelaide Uni girls came out firing, and were able get their first goal on the board, followed shortly by their second. However, SMOSH weren't about to let their opponents get too much on a roll, and kicked two goals of their own. But again let themselves down with poor accuracy, though their 6 additional points saw them push the margin out to 47 points at the final break. Then in the last, SMOSH finished off the job. Adelaide Uni added on one final goal but it did little to help them save face, as SMOSH added on another four themselves and got back on the winners list in style. For Adelaide Uni it was Natalie McMahon, Isla Health, Madeleine Fitzgerald, Shenae Hosking, and Chelsea Manger who had strong performances. The three goals were shared between Shona Health, Bella Hunyadi, and Macy Kotro. For the Lions, Kiana Lee had a fantastic game and dominated up forward with 6 goals, the most for any forward so far this season. Nekia Wilson, Meg Phillips, Matilda Johnson, and Bridie Dolan also were stand outs for the winners. Nekia Wilson kicked two goals, while Nicole Carey, Stella Santos, and Julia Watson all kicked one.

Payneham NU v Old Ignatians

8.15.63 v 3.5.23

Payneham NU are still sitting comfortably on top of the Division 1 ladder, after taking care of their opponent this week Old Ignatians by a big 40 points. The first quarter was closer than may have been expected. Payneham kicked three goals and two points, while the Ignatians kicked one goal and two points. The Falcons took a modest 12 point margin heading into quarter time. They made their move in the second but unfortunately poor accuracy let them down. From eight shots only one made it through the big sticks, to see the margin only slightly increase. But their assault on the goals meant that the Ignatians struggled to find the scoreboard and only kicked one point for the term, and the margin was out to 24 points. In the third term Payneham again had more shots, but couldn't capitalise on them. They added two more goals along with four points but this time the Ignatians stayed with them. They kicked two goals themselves, and also another point so that at the last break the margin was only slightly larger at 27 points. But this proved to be all the Ignatians had, as they only kicked one more point in the final quarter. Payneham finished off the game with another two goals and two more points to remain undefeated, but the Ignatians certainly have some positives they can take from this game. The ones who starred this week for Payneham were Kaitey Whittaker, Djimila Totham, Tamsyn Nation, Jessica Todman, and Imogen Pertini. Kaitey Whittaker was strongest up forward with three goals, while Letisha Ackland and Abby Klæbe also kicked multiples with two each. The remaining goal was kicked by Chloe Samuel. For Old Ignatians it was the usual players who starred, with Erini Gikas, Alice Winter, Lily McDonald, Tahlia Cua, and Ashlee Hearnden making the list. The team's goals were shared between Jessica Rice, Sophie Wagner, and Alice Winter.

Morphettville Park v Happy Valley

10.11.71 v 3.4.22

As expected Morphettville Park have successfully taken on Happy Valley and given their percentage a nice boost thanks to a margin of 49 points. Right from the start Morphettville grabbed hold of this one and didn't let go. They kicked a commanding six goals in the first, which could have been even more if it weren't for four misses. Happy Valley on the other hand struggled, and could only kick one goal and one point. Already at the quarter time break the margin was 33 points. The

SAWFL - Division 1 with Samantha Field

scoring slowed in the second, but Morphettville still had control over the match. They kicked one more goal along with two points, while also being able to keep the Viking's to only one further point. By half time the game was already blow open to a 40 point margin. In the third Happy Valley had their best term and were able to get a further two goals on the board. But this wasn't enough to impact the Roos, as they added on three more goals themselves and two more points to get the margin out to 48 points by the last break. With the job done the game slowed right down and no more goals were scored. Three more points to the Roos, and two more to the Vikings finished the game off as Morphettville stays undefeated, and Happy Valley are still looking for that first win. The best players for Morphettville this week were Demi McCarthy, Natasha Christophers, Mykaela Walker, Olivia Evans, and Elizabeth Probyn-Shingles. Mykaela Walker was incredible up forward with four goals, while Elizabeth Probyn-Shingles was also strong with three. Charlotte Dawe, Celestina Dona, and Tess Maple chipped in with one. For the Vikings it was Jessica Bailey, Brooke Turner, Rachel Aistrope, Bessie Barrett, and Sandi Groth who fought hard all day. Sandi Groth kicked multiple with two goals, and Kat Vlachos kicked the team's other goal.

Henley v Broadview 4.5.29 v 9.7.61

Broadview are continuing to be the quiet achievers so far this season as they have taken down another opponent in Henley by a comfortable 32 points. Henley started this one well, and held the lead after the first quarter. The Sharks kicked two goals along with four points, narrowly beating the Tigers' two goals and one point to be ahead by 3 points come the break. But in the second Broadview were able to gain control of the momentum. The Tigers kicked two goals and three points, while holding Henley to only one goal, and at half time they now had the lead by 7 points. In the third Broadview were able to take full advantage of their dominance and pushed themselves further ahead. They kicked three more goals, along with two more points, while also being able to hold Henley to only one further point. Suddenly by three quarter time the margin had gotten out of reach at 26 points. Henley were able to get one last goal in the final term, but thanks to two of their own Broadview ran away with the victory to stay hot on the heels of the division's leaders. For the Sharks it was Kayla Roe, Klaudia O'Neill, Lara Chehade, Kayla Robran, and Annalese Dunbar who were the stand outs. It was all individual goal scorers, with Tayla Coles, Taylah Dobner, Klaudia O'Neill, and Kayla Robran all getting one. For the Tigers it was Kate Ferguson, Kelsi Ley, Remy Grant, Jasmine Dallimore, and Amy Jones who got the job done. Remy Grant was the strongest up forward with four, while Hanni Howe was also great with three. Liana Antonioli and Ashlea James also both contributed with one each. Henley will be coming up against the division's heavyweights next week in Payneham and it is unlikely that the home ground advantage will do much to stop the red hot Falcons taking another scalp. Broadview will face off with Adelaide University, and giving their great start to the season they will go in as the clear favourites. SMOSH have had a very up and down season so far, and their form suggests they are due for a loss, but they still are the favourites to get another win when they play Old Ignatians. Morphettville have not put a foot wrong so far and are likely to deliver more pain to the winless Happy Valley next weekend. It was another weekend of big wins in the reserves. For the second time this season Payneham were able to keep their opponent scoreless as they smashed Old Ignatians by 122 points. Morphettville have also kept their streak going with 54 point win over Happy Valley. SMOSH made a big statement against Adelaide University with a huge win by 79 points. Broadview kept Henley winless after they were able to defeat the sharks by 62 points. Payneham will likely have another big win next week when they come up against the still winless Henley. SMOSH have had a win-loss pattern so far this season, but should get back to back wins when they come up against Old Ignatians next week. Morphettville will need to put in a good fight against Happy Valley, but should get another win. Broadview have been also been playing very well and will be the favourites against Adelaide University.

Brighton Bombers vs Westminster OS

It was interesting to see which team would be strong enough to push through and take away their first win of the season this week because Westminster OS did just that after having a bye last week. The Brighton Bombers, who have yet to win this season, were very unlucky this week. The Brighton Bombers was down early in the first quarter, scoring just one point. Brighton Bombers' game didn't get off to the best of starts. On the other hand, Westminster OS had a fantastic quarter, scoring 2 goals and 2 behinds and leading by 13 points. The Brighton Bombers was only able to maintain their score of 1 point after the first quarter and were unable to advance the ball towards their goals in the second. They only had one point at the end of the first half of the game. Westminster OS, on the other hand, came out fighting and determined to win, adding another goal and two more behinds giving them 22 points and a 21-point lead at halftime. The Brighton Bombers continued to struggle in the third quarter, and it was disappointing that they were unable to add another point, leaving them with no points for the entire quarter. Westminster OS maintained their lead in the third quarter with 3 goals and 2 behinds. The Brighton Bombers made a little comeback in the fourth and final quarter, but it wasn't enough to earn the win. They succeeded in gaining an additional 2 points, and they ended the game with just 3 points (0.3). They simply haven't had the best of luck this season; maybe, as the season progresses, they'll get better and start winning games soon as they're now at the bottom of the ladder. As they failed to score in the fourth quarter, Westminster OS took a turn. Unsure of what transpired there because they were playing such a great game. They were fortunate to hold such a sizable advantage that allowed them to afford a quarter in which they weren't able to perform as well. They scored 42 points overall to complete the game (6.6), and a victory was the cherry on top. This week, there were no goal scorers for the Brighton Bombers. This week, there were 5 different goal scorers for Westminster OS, including M. Elsegood with 2 goals and C. Quinn, C. Lena, K. Wittmann, and L. Niejalke with 1. The best players selected for the Brighton Bombers this week were E. Morey, S. Fox, M. Forrest, G. Mitton and H. Wurfel. Westminster OS's best players this week were L. Niejalke, H. Doyle, K. Wittmann, J. Hocking and S. Howell.

Tea Tree Gully vs Gaza

The team to beat this season is still Tea Tree Gully, who has had an incredible season thus far, keeping their position top of the ladder and going another week undefeated. They scored an amazing 122 points this week, which was an incredible victory. Unbelievable performance by Tea Tree Gully, and not so good for Gaza because they didn't play with the same ferocity I expected. Tea Tree Gully got things rolling quickly and strongly, scoring 6 goals and 8 behinds, and leading by a sizable margin after the first quarter. Gaza, however, was extremely unlucky since they were scoreless to begin the game. Tea Tree Gully dominated the game, making it exceedingly difficult for Gaza to respond. Tea Tree Gully maintained their lead in the second quarter, scoring another goal and seven behinds in the first half of the game with 57 points. Gaza continued to struggle in the second quarter, failing to score and ending the game's first half with no points. Tea Tree Gully added more goals to their total in the third quarter. To add to their incredible total, they scored 6 goals and 3 behinds. This week, Tea Tree Gully could not be stopped because they were simply on fire. Gaza gained a bit of luck as they managed to score a goal in the third quarter. Tea Tree Gully scored 5 more goals and 3 behinds in the fourth quarter to finish the game with an astounding 129 points (18.21). This score advantage is the largest one in the league so far. Tea Tree Gully earned this week's victory and continues to impress every week. They had an incredible number of scoring chances; they had 39 shots on goal, 21 of which were behinds, and although they won by a significant margin, they would have won by even more if half of those attempts had been successful; they would have reached 200 points. Gaza, on the other hand, made a small comeback, but it came a little too late in the game and wasn't sufficient for the effort Tea Tree Gully made this week; they concluded the game with only 7 points (1.1), scoring just one point in the fourth. Tea Tree Gully scored 18 goals overall, including 6 goals each from S. Reeves and L. Mitchell. E. Clark scored three goals, K. Hillier scored two, and A. Wood scored one. What an incredible effort these girls put in this week. A. Herriman scored Gaza's only goal this week. The best players selected for this week for Tea Tree Gully were K. Doyle, A. Veprek, E. Clark. S. Reeves and L. Mitchell. Gaza's best players selected for this week were B. Felsbourg, A. Herriman, P. Grigg, K. Blake and P. Russell.

Angle Vale vs Golden Grove

Golden Grove came out this week hoping to turn around the results from last week, when both teams lost their games. They are only 4 points behind Tea Tree Gully for first place on the ladder. Angle Vale, on the other hand, was less fortunate this week and lost by 35 points. Angle Vale's performance in the opening period of the game was a little slow as they only managed one goal. Golden Grove, on the other hand, entered the match determined to win and opened the scoring with four goals and a behind. Angle Vale managed to score 2 more points in the second quarter, bringing their total for the first half of the game to 8. A second goal and four more behinds by Golden Grove gave them 35 points overall and a 27-point lead at the break. Angle Vale continued to play rather slowly in the third quarter because they were simply having trouble getting their attempts on goal. Golden Grove had a poor third quarter as they only managed to get 2 behinds, adding another point to their score. Both teams' third quarters were a little slow. Angle Vale added a point in the last quarter, giving them 10 points (1.4) overall. Golden Grove resurfaced in the fourth quarter, scoring another goal and two behinds to finish with 45 points (6.9) overall. Angle Vales' only goal scorer this week was S. Ellis. The goal scorers for Golden Grove were M. Yardley scoring 2 goals, and K. Leopold, M. Steele, J. Woodards and A. Bull scoring a goal each. The best players selected for this week for Angle Vale included E. Raschella, R. Allan, E. Hite, N. Biagi and S. Ellis. Golden Grove's best players selected for this week were L. Gambranis, J. Woodards, J. Lim, S. Wilkey and T. Uncle.

ROUND 6 PREVIEWS

Angle Vale vs Westminster OS @ Angle Vale Oval

Golden Grove vs Gaza @ Harpers Field

Brighton Bombers vs Goodwood Saints @ Brighton Oval

Tea Tree Gully BYE

Angle Vale and Westminster OS are tied for points on the ladder with 2 points each and 1 win and 3 losses for each team, with Westminster OS being one game behind due to their bye a few weeks ago. I think Westminster will win next week, and if the team above them loses, Westminster OS might move up a spot on the ladder, moving from fifth to fourth. Westminster OS will triumph, in my opinion, by 13 to 24 points. I predict that Golden Grove will have either an easy game or they may struggle when they play Gaza next week because Golden Grove is now second on the ladder and has only lost one game so far this year. Gaza's poor week this week was a result of their significant loss. Next week, Golden Grove will likely win by a score between 37 and 48. Given that the Brighton Bombers have yet to win a game this season and the Goodwood Saints are third on the ladder and have been playing well over the past few weeks, I predict that the game between the two teams will be simple for the Goodwood Saints. Given that they had a bye this week, they will have had time to prepare and will be more motivated to win. Depending on the outcome Goodwood Saints may move up to second. The Goodwood Saints will win by a score between 13 and 24.

SAWFL - Division 3 with Annette Alvey

Pembroke OC v Gepps Cross

Gepps Cross hosted Pembroke and the visitors were the winners to the tune of 29 points. The first quarter saw the away team hit the scoreboard early and were in front by 15 points. The Rams hit back in the second quarter and outscored Pembroke 2 goals to 1. The second half belonged to the visitors who kicked away and outscored the Rams in the 3rd quarter. In the last quarter the home team could only managed 1.1 to Pembroke who kicked 2.2 and that was the game. This result sees Pembroke go to the top of this division and will be one of the teams to beat. A very even effort across the ground by the Queens, with the captain Tierney kicking 4 goals great captains game. The Rams also Had multiple goal kickers with Bahuis kicking 2 goals. Next week Gepps Cross will take on Kenilworth-Flinders Uni at home and is a must win game. Pembroke will take on Pulteney at home and this will be a very interesting contest with both teams in the top 4.

Kenilworth-Flinders Uni v Salisbury

Unfortunately, Salisbury forfeited, Kenilworth get the 2 points. Next Week sees the Kooka Blues

Flinders Park v Hope Valley

Flinders Park were at home to Hope Valley who are just off a massive win against Kenilworth-Flinders Uni and Flinders Park had a good win against Pulteney. But there wasn't much in this game however the home team came away with the 2 points to the tune of 10 points. In a low scoring affair it was the visitors who had scored first albeit 2 points and the home team failed to score. The home team found their rhythm and had 3 goals to one by the main break. The 3rd quarter appeared to be fairly even with not a lot of scoring and Flinders Park were up by 3 points at the last change. The home team kicked 2 goals to 1 in the last and that was the game. Both of these teams will be there at the pointy end of this season. Next week Hope Valley will be at home against the struggling Greenacres who need a win!! Flinders Park are away to Salisbury who unfortunately had to forfeit last week, hopefully the Magpies will get up this week they also need a win!

Greenacres v Pulteney

The poor Dragons are struggling this year and again had to endure a scoreless game. Although they had the home ground advantage Pulteney were just too strong on the day and won by a massive 162 points! With a scoreline like that there were bound to be some multiple goal scorers, Price kicked 8, Clancey 5, Tabuteau 4 and a few single goal kickers. Pulteney have a number of goal scoring options and really share the ball around a very even team across the ground. Greenacres are away to Hope Valley which will be a massive challenge for the Dragons. And Pulteney will have to be at their very best who will be away to Pembroke, and this will be the game of the round.

As we approach the halfway mark of the season this division has some standouts but the top 4 is not set in concrete yet, so still a lot to play out. The next few weeks will set the season up for a couple of teams.

Scotch OC 4.2 26 vs Fitzroy 1.2 8

It was Scotch OC with an 18-point win against Fitzroy to kick off round 5 Saturday afternoon. After coming off a close five-point loss, Scotch OC were always going to come into this game fighting to get back on the winners list. They started strong kicking 2 goals in the first quarter and keeping Fitzroy to just the one goal for the whole game. Scotch OC finished the game with four goals which were kicked by four individual players. Issy Tucker was a standout for Scotch OC finding her name on top of the best players, with Jessica Bushell continuing her good form she displayed last round. Fitzroy will be disappointed with only the one goal kicked after not being able to score a major last week. It was the vice captain, Lauren De Bono who kicked the only goal for the Lions in the second quarter. With only the one win for the season so far, it's hard to find the positives. However, its Holly McCoy and Shantelle Wise who continue to show positive signs for the Lions after consistent and strong start to the season. The win from Scotch OC has moved them into second on the ladder not far behind Eastern Park, however they have a tough game next week against Hectorville who sit just underneath in third. For Fitzroy it's getting to crunch time to start winning games to give themselves a chance for finals.

Eastern Park 4.3 27 vs Hectorville 5.5 35

It was the game of the round down at Dwight Reserve with a top of the table clash between Eastern Park and Hectorville. Going in undefeated Eastern Park were favourites to win but it was always going to be a challenge going up against a very strong Hectorville side. Hectorville proved too strong for Eastern Park handing them there first loss of the season, Hectorville taking home an 8-point win. With a four goal first half Hectorville started strong keeping Eastern Park to just two goals. Finishing the game with five goals five Hectorville had their chances to get away from Eastern Park but didn't convert as well as they would have wanted in front of goals. Eastern Park had their chances in the last term to steal the win off Hectorville, but just couldn't get the ball through the big sticks. It was captain Alicia Cotton leading scoreboard for Eastern Park with two goals, Victoria Bach and Kayla McConnel also contributing with a goal each. The usual Alicia Butler and Samantha Saunders once again prove to be key players for Eastern Park, but it was Erin Grainger who earned herself a best on ground from her team. She may not have kicked three goals like last round, but Hannah Bentley found other ways to influence her teams win, probably playing her best game yet leading Hectorville's best players. It was Taylah Roberts who kicked three majors for Hectorville this round, while Jazmine Egan and Elle Lineage seem to never fail to find the goals this season, kicking one each. Despite being handed their first loss of the season Eastern Park remain top of the ladder, and still prove to be a hard team to beat. Hectorville will be brimming with confidence after beating the undefeated side and should be tough competition in the coming rounds.

West Croydon 11.20 86 vs Greenacres 0.1 1

West Croydon will be over the moon getting their first win of the season, and it was a huge 85-point win against Greenacres. In what was scheduled to be a game against Ingle Farm some divisional changes meant Greenacres were their opponent for the round. Greenacres starting the season playing in division 3 and were yet to get a win have now moved into division 4. After a very disappointing start to the season this was the Hawks chance to get their first win, and it's safe to say they took the opportunity. Despite ending the game with 20 behinds there was a never a moment where West Croydon didn't have control of the game, keeping Greenacres to just the one point. The Hawks had five individual goalkickers, but it was a Kyekye James show at Fawk Reserve with a massive 6 goal performance. Rebecca Cock was the other multiple goal scorer of the day with two goals and very influential performance all round. Tequilia LeBois and Janaye Grose continue to find themselves amongst West Croydon's best with all their hard efforts finally rewarded with a win. Greenacres will be disappointed again not to get a goal but will pleased with good performances from their leaders Sharmaine Williams and Jamie Rapana-Burnett. Dakota Collins, Debra Goldsmith and Leasa Mulloy also showed some positive signs for Greenacres. After their first win West Croydon will hope to continue this type of dominant display as the season progresses to give them a shot at finals. Greenacres will be looking to improve and prove themselves as a good team in their new division.

Lockleys 7.7 49 vs Mitcham 1.3 9

To finish off round 5 Lockleys took on Mitcham at home. Both teams won their game last round and have had a similar start to the season it was hard to pick a winner. But it was Lockleys who dominated all game with 40-point win over the Hawks. Lockleys kept Mitcham goalless until the last quarter but would have taken a massive comeback from Mitcham with Lockleys having kicked 7 majors. The ball was shared around in the forward 50 with 7 individual goalkickers from Lockleys. Demons captain Jessica Searle led her team well, playing a very influential role in the win, earning her best on ground. Tayla Pearse and Annabelle Harris closely followed with strong performances, with Annabelle contributing to the scoreboard with a goal. Mitcham will be disappointed after a 5 point win last week; they would have been hoping for a better performance. Jessie Keech continues to show her importance in the team kicking Mitcham's only goal, leading the list of Mitcham's best players on the day. The dominant display pushed Lockleys into the top four knocking Mitcham down to fifth on the ladder. Lockleys will need to put on strong performance again next round when they come up again top of the ladder Eastern Park. After their lowest score of the season Mitcham will hope to bounce back to get back on the winners list.

Round 6 will kick off with possibly the game of the round as Scotch OC takes on Hectorville, with the two teams sitting second and third on the ladder it should be a good game. Despite Scotch OC's strong team, it's hard to look past Hectorville who have just ended Eastern Parks undefeated run. Hectorville to win 25-40. It will be a tough game for Greenacres as they take on Mitcham who although have just come off a big loss should get on top here 6-20. It will be another big game for Eastern Park as they head to Lockleys Oval to take on a very strong Demons side. Although getting their first loss of the season Eastern Park will go in as favourites, but Lockleys coming off a good win and playing at home might just cause an upset. Lockleys to win 45-35. It will be West Croydon and Fitzroy to close off the round, hard to pick a favourite for this game with both teams having rocky starts to the season. But West Croydon should get the win coming in hot after their first win of the season 20-15.

SAWFL - Division 5 with Kayla Hamilton

Elizabeth 2.4.16 vs Edwardstown 11.8.74 at Argana Park

After a rocky start to the season, Edwardstown was able to join the winner's circle. With a thundering start, the Towns were able to keep Elizabeth scoreless in the first. Making it a nightmare for the Eagles to even get numbers on the scoreboard, Edwardstown stayed dominant the entire match. Amy Born and Amanda Tennant were able to kick two goals in the final for Elizabeth, but there was not enough time to rally. Remaining strong throughout, Jess Patching was able to bag four for Edwardstown, along with Felicity Newton and Darwyn Walker scoring two each. Grace Hurley, Kaitlyn Reidl and Gillian Hood also added to the demolition. Hurley, Newton, Patching and Hood were named best on ground along with Kaila Neddermeyer. Standing out for Elizabeth, along with Born, were Johanna Kite, Jessica Anderson, Kimberlee Kite and Alannah Verco-Jones.

Salisbury North 2.0.12 vs Modbury 8.9.57 at Salisbury North Oval

Home ground advantage did not help many teams this round, with Salisbury North suffering a similar fate to Elizabeth down at Salisbury North Oval. Modbury was a force from the first bounce, not allowing Salisbury North in while bagging three of their own. The Hawks managed to get on the board in the second but couldn't score another till the final. Remaining consistent and piling on the goals, Modbury went back home with their hands raised high. Erin Stewart and Bianca Stolpe were responsible for the two goals Salisbury North scored and Georgina Evans, Charlotte Ta and Chloe McEvoy Furner stood strong for The Hawks. Sophie Aldridge proved to be an asset, scoring two goals along with Tyla Pearce, Mia Ebert, Justine Fielding, Sharna Tye, Jaimee Banning and Megan Smart kicking a goal each. Ebert and Pearce were named in the best players, along with Shania Politis, Abbey Swanbury and Charlotte Churcher.

North Haven 4.2.26 vs Woodville South 6.4.40 at Largs North Reserve

In this top-of-the-table clash, Woodville South came down to Largs to show why they deserve the top spot. After a tight first quarter, it looked like we had a barn burner on our hands. In the second though, the Cats got away from the Pies and were able to head into the second half with a solid lead. North Haven played catch-up for the rest of the game, but were unable to make much ground, breaking their win streak. Amber Elvin did significant damage, scoring two goals for Woodville South. Carly Rehbein, Carmen Joubert, Evelyn Holt and Jakirah Telfer also made their presence felt with a goal each. Best on-ground chocolates went to Memphis Woolmington, Telfer, Liana Paparella, Tiana McCulloch and Elvin. Fighting hard to keep North Haven in the game, Megan Kent, Mikaela Faulkner, Taylah Botten and Illanya O'Loughlin all got a goal next to their name. Cathryn Wojcik, O'Loughlin, Madyson Woods, Amber Boots and Delaney Shannon were named best players for North Haven.

Loreto OS 9.5.59 vs Kilburn 5.0.30 at Campbelltown Oval

Loreto OS has well and truly put their round two stumble, getting themselves another win against Kilburn. Coming off last week's dominant display, Loreto OS was strong from the start. Kilburn looked like staging a comeback with a solid second quarter, but it was not enough to topple the Old Scholars. In the second half, Loreto was able to squash Kilburn's rally, kicking three goals each quarter. Olivia Herde and Emilie Hasler both scored two goals, with Issy Burdon, Poppy Scaife, Sophie Haines, Bella Simpson and Olivia Law all adding a goal to the bag each. Scaife, Simpson and Law also earned a spot on the best players list, along with Amelia Rosella and Sarah Catterwell. Brooke Louder stood up tall for Kilburn, scoring three goals and being named best on ground. Talana Knaggs also got a goal and a best players mention. Joining them on the best players list were Eileen Collins-Cole, Kylie Wielechowski and Brooke Faulds. Jacinda Roy also snuck one goal, keeping her at the top of the most goals scored list this season.

SAWFL - Division 5 with Kayla Hamilton

Round 5 Preview

With a week off, division five returns on a Friday night with North Haven taking on Modbury down at Largs Reserve. Coming off a stumble, it will be interesting to see how North Haven recuperates after some time off. Modbury has had a good run, with a draw, going down to the top of the ladder Woodville South by only a point and a win in round four. Expect a good tussle. Kicking us off on Saturday is the top versus the bottom of the ladder clash. Unfortunately, Elizabeth has not had a good run so far and they will be playing Woodville South at their home ground. Still, an upset is always on the cards, and we are still early in the season, so don't count out The Eagles yet. Down at Edwardstown, the Towns take on Kilburn. Both teams show a lot of grit and determination, so it isn't farfetched to expect a very competitive game if both teams come out with their best. Finishing off the round will be Salisbury North hosting Loreto OS. Loreto OS has been on an absolute tear, showing they can bounce back after initial setbacks. Salisbury North also haven't been laying down. While their position on their ladder doesn't reflect that, The Hawks are due for a win soon.

SAWFL - Division 6 with Aiden Oliver

Tea Tree Gully (7.6.48) defeated Flinders Park (2.2.14)

Round 5 of the Adelaide Footy League Division 6 Women's competition was a fascinating weekend of mixed results. Unsurprisingly, Tea Tree Gully were able to hold off Flinders Park in the first game of the round, coming away eventual winners by 34 points. The home side showed promising signs and had more scoring shots than Gully in the first quarter. Unfortunately for Flinders Park though, they were unable to withstand relentless opposing forward pressure and struggled to transition out of their defensive half. Amanda Donetzkow was important for Tea Tree Gully as she led the way with two goals, which were her first for the season. Keita and Piper Aplin were in control of the contest from the outset and were both named among the travelling team's best performers along side Marissa Penno, Kate Haigh, and Tanisha Cox. This victory is yet another stellar performance that extends a fine run of sparkling form which leaves the undefeated Tea Tree Gully hot on the tail of league leaders Athelstone. Flinders Park displayed several good signs early in the game, registering 8 points in the first quarter. Goals to Yasmine Cook and Meagan Fowler were glimpses of promise amid a tough loss, whilst Lucy Martinson rose to the contest and earned herself a best on ground recognition for Flinders Park. Following round 5, Tea Tree Gully still sit second on percentage, and with a game in hand over Athelstone, the Gully Girls could find themselves on top of the ladder very soon. Flinders Park find themselves dead-middle of the road in 5th place, just outside a final's position.

Golden Grove (13.15.93) defeated Ingle Farm (1.1.7)

In surprising circumstances, Ingle Farm have dropped two grades from Division 4 and have been with the brute force of a resurgent Golden Grove. The home team seemed to have returned to their best during their fantastic display, as Ingle Farm were unable to score a goal until the game's closing stages. Their one major score was in fact their first of the season as a team, following a tough run of humiliating results in their previous competition. Ashleigh Thomas was instrumental for the Grove Girls, booting a monstrous five goals which is career high for the captain. Although Thomas terrorised opposing defenders all day, she was not alone, however. Impressively, Katie Bell and Rachael Thompson combined for five goals between them in an emphatic showing of goal scoring prowess. Vice captain Chelsea Duval and Kelly Ransom were also on song, adding insult to injury and capping off an impressive team performance. However, best player honours were given to Kasia Culhane who was impeccable for Golden Grove, contributing to the scoring herself as she played an enormous role in their dominance. It's hard to be hopeful for Ingle Farm this year following their descent from division 4. They came into this contest off the back of losing four straight and there is hardly a glimpse of a side that won seven games in 2022 as they continue to struggle across all areas. Tamartha Brown gave the Farm coaching staff half a reason to smile with her admirable efforts against an onslaught of Golden Grove forward pressure. Their entry into division 6 certainly throws a spanner in the works for the rest of the clubs in the competition, as four teams have already had a bye round this year. With league leaders up next for Ingle Farm, I can only see their season getting a lot uglier.

Goodwood Saints (8.9.57) defeated Mitchell Park (0)

Finally! At long last the Goodwood Saints have been able to build on the competent signs they showed early in the season and have registered their first win in emphatic fashion. Mitchell Park were passengers for most of the contest as they failed to score a single point for the second week running. Zali Turner returned to the line up for the away side following her brief stint in their division 2 team, making an instant impact as she hit the scoreboard and was named among the best performers. Goodwood were in complete control of the contest, impressively scoring a goal in every quarter and shut Mitchell Park out of the game comprehensively. Captain Caitlin Moyle was instrumental in their dominance as she registered an impressive two goals, alongside an extensive list of individual goal scorers. Among those was Fleur Marais, who continued her consistent start to the season as she was named best on ground for the second time in three games; she could play a massive role for the Saints throughout the remainder of the season. For Mitchell Park, positives were hard to come by. Emily Armstrong tried hard and executed well despite the heavy defeat and was one of very few Mitchell Park players who can be content with their individual performance on Saturday. The loss on the weekend confirms the concerns from round 4 as they remain second-bottom, saved only by the

DIVISION 6 REVIEWS AND PREVIEWS

SAWFL - Division 6 with Aiden Oliver

introduction of Ingle Farm to the competition. There was plenty to get excited about for the Mitchell Park women in their first pre-season, however, the challenges and uphill battles are becoming increasingly difficult to navigate.

Marion (5.6.36) defeated Athelstone (2.3.15)

If you were looking for a match of the round, and maybe the most important of the year, look no further than this tremendous clash of titans at the Marion Sports & Community Club. Unbelievably, Marion were able to do the unthinkable and got over the line against Athelstone. It was a closely matched contest separated by desire and intensity as the Marion women stood up immensely to the team currently top of the ladder. Their victory makes it three on the trot as they outclassed and outscored Athelstone in every quarter. Jasmin Fettke was an unstoppable force and drove home the win for her side as the away team struggled to limit her outlet and impact on the game. Isabelle Dawson scored her first of the season, making her one of five separate goal kickers for Marion on the weekend. To have five individual scoring contributors is an incredible sign of a unit who is back firing as effectively as ever. For Athelstone, nothing quite went their way as they were unable to play to their usual standard. Kayla Lambert was a lone ranger in front of goal for the travelling squad as she registered her side's only two majors. Other than Lambert, vice captain Kristina Barone was Athelstone's best performer for the second time this season despite the disappointing loss. They remain top, however, which is a positive outcome of this weekend. Ingle Farm's introduction to the competition, has worked in Athelstone's favour as Tea Tree Gully sit behind them just on percentage and missed a game due to the bye. Although their momentum is halted, they will certainly be eager to face the Farm girls who are in dire straits at the moment.

The week ahead!

This round of Women's Division 6 football for the Adelaide Footy League association proposes plenty of interesting prospects. With no bye rounds for the foreseeable future, there are a few teams who will be looking to take advantage of the extra chances at points they have had. Those who have already sat a week out this season will feel hard done by, none more so than the powerful Tea Tree Gully. The Gully girls are the only team to remain undefeated so far, but still find themselves second despite Athelstone's loss to Marion. The points should continue to come this weekend as they face a distorted Mitchell Park who are winless in their first four games. Pertaringa Oval will host the clash and I can only see the contest going one way and that is in favour of Tea Tree Gully by a comfortable margin.

The next match up is intriguing as Golden Grove will face Flinders Park at home following their commanding display in a bounce back win against Ingle Farm. It won't be an easy contest and is a battle for fourth place as the two sides will be challenging all season for that last spot in finals. It's a tough one to call because Flinders Park showed promising signs in their loss to Tea Tree Gully, however, I think Golden Grove's ability to post huge scores will be too much for the Flinders Park defence to handle.

Undoubtedly, Athelstone are the clear favourites for their tie with Ingle Farm, who have kicked one goal in their last five appearances. Natalie Lomman was goalless for the first time this season against Marion in round 5, so she'll be looking to rebound emphatically this weekend. I see her having a field day against a depleted backline having already shown her ability to kick large hauls against poor defences.

The last game of the weekend sees Marion play Goodwood Saints in a twilight clash in what should be a fourth straight win for the home team. The Saints were convincingly victorious against Mitchell Park; however, I can't see them being able to withstand the dominance of Marion who are looking unstoppable after wiping the floor with Athelstone. Goodwood will be looking to build on their positives from the weekend and should back themselves against one of the best teams in the division despite the challenge.
