DIVISION 1 REVIEWS AND PREVIEWS

Broadview vs St Peter's:

A valiant St. Peters OC produced a spirited comeback after a first quarter blitz from Broadview. A 29-8 quarter time break scoreline detailed looming doom for the visitors, as a blowout began to appear possible. A fantastic second quarter from Broadview extended their lead to 28 at half time. Immense tackling pressure and commitment from the Broadview team kept St Peters to only 3 goals in the first half. From there, St Peter's came out swinging, booting an impressive 3 goal quarter while more importantly keeping their opponents goalless. Smelling blood in the water, the margin was reduced to just 2 straight kicks at the final break. Before a composed Broadview lineup kicked truly to extend their lead to 18 points and hold it there until the final siren. Broadview now sits 1 win outside of the top 5 and remains in the hunt for September.

Port Districts vs Glenunga:

A win for the optimists! Last week I said that Port Districts had something cooking, and decided to let the optimist in me take the wheel as I backed Port Districts to end Glenunga's reign. In one of the best defensively played games of the year, Glenunga are proven to be vincible. For Port Districts, this win cements their place in the top 5, sitting 1 win away from top spot. Furthermore, the room for improvement will also serve as even more of a confidence boost, as their wayward kicking almost allowed Glenunga back in the game. For Glenunga, they remain atop the ladder, however only by a miniscule 0.65% at the moment. A necessary reality check will keep them in the hunt for more wins as the season progresses.

Goodwood Saints vs Old Ignatians:

Goodwood hosted the lackluster Old Ignatians as they sought to earn a long awaited win. For them, a win was just about the only acceptable result this week, and frankly it was just getting the job done territory. Which they did, however not without a solid 3 quarter competition from the bottom of the ladder sitting Old Ignatians. Jade Cleeland led the scoring shots with 7, unfortunately only kicking 3 goals 4 in an otherwise very impressive display. The visitors managed to trim the margin from 26 points to a measly 15 at 3 quarter time as we were set for a grandstand finish. But it was Goodwood to pile on the pain in the last, as they slammed home 5 final quarter goals to Old Ignatians zero to run away 43 point victors.

Sacred Heart OC vs Tea Tree Gully:

Sacred Heart have made an absolute statement victory, taking the in - contention Tea Tree gully and dished up the equal third biggest winning margin of the 2023 season. The high scoring Tea Tree Gully lineup were dealt a defensive masterclass, being kept to only 3 goals, and a total of 25 points - by far their lowest score of the season. The straight shooting Sacred Heart OC converted 30 scoring shots to 18 goals and 12 behinds, and in this tipsters mind, earn the new title of most dominant team in division 1 football division at the moment. As they sit in second place by nearly the absolute barest of margins.

Prince Alfred OC vs Brighton Bombers:

Brighton provided half of a very competitive performance, as Prince Alfred ended up becoming convincing winners after a second half blitz. A pretty high scoring affair in the first half saw each team earn 5 and 4 goals respectively. The 7 point margin at half time would be the closest it would remain for the rest of the game, as a 10 goal second half saw Prince Alfred OC run away with a 54 point victory and keep Brighton further away from finals contention. The top 5 seems solidified at this point in the season, Prince Alfred will look to earn a top 3 finish to ensure a double chance come September.

Nick Cosmai gives his match previews for this weeks matches

DIVISION 2 **REVIEWS AND PREVIEWS**

PAYNEHAM NU 8.14-62 def SALISBURY NORTH 8.12-60

Last week's preview: Payneham will this week host Salisbury North who are continuing to climb back up the ladder in this division. They've won five of their last six games and remain firmly in a top two position, they've had a fantastic season to date being able to hold teams up defensively, they rank first in defense. Salisbury North find themselves well and truly behind the eight ball after the points deduction, they have regained their form to collect some wins. The Hawks will desperately be needing to collect wins to get back towards the top. It has been very hard to look past the Falcons this year in any game they've played but Salisbury North can certainly give them some trouble. At home they should be ok. Payneham by 13 points.

GOLDEN GROVE 14.12-96 def NORTH HAVEN 5.6-36

Last week's preview: If there's any match to have the potential of a real brutal smashing so far this season, it is this matchup here. Golden Grove have been scorching through their last five games, not just in margins but by the teams they have beaten. In those five games some of the teams they have beaten are Athelstone, PHOS and Adelaide Uni who all sit inside the top five. The Burra's score more than anyone else and defend very well as well. North Haven, while should be desperate to record wins, have been unsuccessful at every turn. They did keep Payneham at bay last week but never took advantage of the match, they will have to be even better if they want to compete in this matchup. This could almost be one nail in the coffin for North Haven's chances of staying up if they're not in this match. Golden Grove at home to win very comfortably. Golden Grove by 79 points.

PHOS CAMDEN 11.10-76 def EDWARDSTOWN 7.15-57

Last week's preview: Another team that has found their feet in this division in the last month of football has been PHOS Camden who travel to Edwardstown this Saturday. The Camden's are currently in a patch of playing some weaker teams in this division which they have taken advantage of. This week presents another chance before they take on the tougher teams of this division and potentially move into the top three or maybe two if results fall their way. Although they had to work for their win last week against Rostrevor, they will need to work even harder to get up at Edwardstown. Before losing to the force that is Golden Grove, the Towns have recorded wins against Athelstone and a big win against North Haven. This is their chance to move into the top five. PHOS Camden's scoring has been quite good so far, they rank second and they may put pressure on the towns early. In this one I am going for the hosts to record a victory in an upset. Edwardstown by 7 points.

Nick Cosmai gives his match previews for this weeks matches

HENLEY 10.14-74 def ATHELSTONE 10.13-73

Last week's preview: Henley this weekend will be hosting Athelstone at home as they will be looking to record consecutive wins. After five long hard weeks of not being able to gain a result, they are on the board but need to continue playing at a solid level to try and climb out of the bottom two. Athelstone have now dropped to third and have lost two of their last three matches, last week they fell to Golden Grove harshly. The Raggies have been the best defensive team in the division and will be looking to put Henley right back into scoring troubles. This should be the case in this matchup as Athelstone will be looking to regain some form and head back towards the top two. Athelstone by 49 points

ROSTREVOR OC 15.11-101 def ADELAIDE UNIVERSITY 9.6-60

Last week's preview: Rostrevor this week host Adelaide University in this week's match of the round. Two teams who have had rollercoaster seasons who both need a win to move into a firm position into the top five. Rostrevor has fallen in three of their last four matches and needs to regain some results to get back into form. Adelaide University have lost their last three matches including handing Henley their first victory of the season. Whilst this matchup doesn't seem that great from these beforementioned facts, this matchup builds to be a tight a tough affair. No team wants to be left behind and potentially fall to 7th and both teams with a win could end the round in 3rd. It's a very hard game to pick both teams will be needing the two points at this point in the season. I will be picking Adelaide Uni to pick up a victory away from home in a close one. Adelaide University by 12 points

PEMBROKE OS 11.4-70 v GAZA 7.11-53

Pembroke have been around the mark and certainly came into the game with a strong win last week. On the other hand, Gaza would have thought they would be a chance today. The Kings started off at a quick pace kicking the first goal within a minute. Gaza then cleared out the centre and went in fifty but could only manage a minor score. The Kings went in again and a soccer goal was the result. The ball went back into the Eagles 50 and a goal was scored from a clearance. The ball went back into the fifty of the Kings and Thring marked and goaled and the margin was eleven points. The Eagles were looking ominous across the half forward line with Ben Beioley marking everything but unfortunately, he could not convert. Allocca then scored Gaza's second goal and the margin was back to four points.

Both teams went inside their fifty a few more times with no further score and the margin remained at 4 points to the Home team. The Kings started the second quarter the same as the first going inside fifty in the first minute and scoring a major and margin was ten points. Both teams continued to push forward with no reward. Gaza went into their 50 and Beioley marked forty-five out but could not convert. Pembroke on the turnover went forward and it was a goal to Foster. That was the fifth to the Kings and the margin was fifteen. Gaza went inside fifty again and Beioley mark a sharp pass from Stevens but once again could not convert. Another turnover at half back and the Eagles went into attack and a goal was scored by Stevens and the margin was eight. The tackling pressure from both sides was excellent causing many turnovers. Both sides continued into their 50. The Kings went inside but could not convert on the rebound the Eagles went back inside their fifty and a minor score was the result. The ball came out then went back in and the Eagles with a mark from Beioley and a goal was the result. The margin was back to a solitary point. Allocca then scored again, the Eagles were in front for the first time in the match. After the restart, the Kings got a free followed by a dubious 25-meter penalty to goal just before the long break. The margin at halftime was a solitary point.

Pembroke came out in the third going forward repeatedly and the Eagles were under pressure. The Kings got the first goal in the third and then Foster goaled again and the margin was thirteen. Pembroke had their running game going and continued to push forward. Gaza went forward and Eatts marked but the result was a minor score. The game was stopped for a period when Ley from Gaza was taken from the ground with what looked like a knee injury. The Kings continued to attack and another goal to Foster and the game was slipping away from the Eagles. The margin was nineteen points at three quarter time and the Eagles had a lot of work to do in the last. Gaza started well in the last pushing forward with no luck Beioley eventually marked and put it through for a minor score. The Kings responded and went forward and goaled again and the lead was twenty-three points. It was then Gaza's turn and Allocca kicked his third and it was game on. It was then Matt Beadles turn to mark and goal and the Eagles had a sniff. It then became a seesawing battle with both teams. Richardson from the Kings then goaled, and the Kings had settled. The margin was seventeen points, and the game was then pretty much over with.

The Eagles had plenty of opportunities with more scoring shots which eventually let them down. Final margin to the Kings was seventeen points in a good game of footy. Best for Pembroke were Carruthers, Polyak, Hopkins, Forster and Mc Rostiefor Gaza C Jones, B Thomas, Skinner, Gill and Likouresis. Goal kickers for Pembroke Forster 4,Evans 2, and singles to Dinham, G Thring, George, Richardson, and Mc Rostie. And for Gaza Allocca 3, Beadle 2 one each to Stevens and Beioley.

SEATON RAMBLERS 9.11-65 v FLINDERS PARK 10.14-74

Flinders Park is travelling along nicely but would have been fully aware that they would have a battle on their hands with Seaton at home. In a close first quarter it was three goals to 2 in favour of the visitors, The home team bounced back in the second scoring three goals to Flinders Park 1, and it was a 5-point lead to the home side at the halftime break. It was a similar story in the third with Seaton kicking three to the visitors two and the home side would have been confident going into the last with 11-point lead. In the last it was all Flinders Park scoring four goals to Seaton's 1. Flinders Park ran out winners by nine points Best for Flinders Park were Webber, J Schwarz, Gericke, Moschou and Abbott. Best for Seaton Vasey, Gum, Leahy, Scott and Kasianowicz. Goals for Flinders Park Teague, Laudato and Blythe 2, and one each for Seccafien, Abbott Baker and Hinter and for Seaton Ramblers Kasianowicz 4, Warren 2 and one each to Buchanan, Studham and Mead.

UNLEY MERCEDES JETS 22.11-143 v WESTMINSTER OS 8.7-55

The Jets have been in good form of late and they started favourites in this game. In the first it was four goals to three in favour of the home side holding a slender lead of five points at the break. It was a more dominating quarter by the Jets in the second and they were all over the Dragons with a six goal to three quarter and 23point lead at the main break. The third was once again all the Jets scoring six more majors to the visitors one the margin going into the last was now fifty-six points. It was the same in the last with another six goals to the Jets and one only to the Dragons. Best for Jets were Heaslip, Starr, Armiento, Pedler and Duval. For the Dragons it was Byrne, Rees, Craig, Harms and Drum. Goals for the Jets unfortunately not supplied and for the Dragons it was C Drum 2 and singles to Harms, R Drum, Cotsaris, Grosser Johncock and Alder.

SMOSH WEST LAKES 2.6-18 v SCOTCH OC 14.10-94

Scotch travelled to West Lakes and would have fancied themselves. In a low scoring first quarter it was the visitors kicking just the two goals to the home side one point. In the second the visitors kicked a further two goals to the home sides one and the margin at halftime was twenty points. Scotch came out in the third and dominated with a huge quarter kicking seven goals to the home sides one. The lead at three quarter time was fifty-eight points and Scotch were dominating. The last quarter was once again all he visitors with another three goals scored to zero and a win by seventy-six points. Best for Scotch were Winter – Irving, King, Marslen, Kelly and Foord Spriggs and the home side it was Moore, Critchley, Beaton, Cocks, and Gates. Goals for Scotch OC Marslen 6, S King 5, Fuss, J King, and Hutchinson one each. And the Home side singles to Moore and Cocks.

HOPE VALLEY 8.12-60 v MODBURY 17.10-112

In a match that was billed as the game of the round we had two top of the table teams playing each other for bragging rights and top spot. The Hope Valley boys were undefeated and knew that Modbury were in good form coming into this match. The Hawks jumped out to an 18-point lead with a 6-goal quarter giving them a huge confidence boast. The visitors came out and it was much like the first with a four goal to three quarter and a 27-point lead at the main break. The Demons fought back in the third, but it was still the Hawks with a five goal to two quarter and a commanding 49-point lead going into the last. The fizz had gone out of the game and the Hawks kicked a couple to one in the last to run out 52-point victors. Best for the Hawks were D Pisani, Llewellyn, Verity, Stewart, and Coles and for Hope Valley it was Puopolo, Brunoli, Carabott, Riddle and Nobes. Goals for the Hawks Verity 6, Watson 4, Hearing 2, Fogden, Helyar, Stewart and Wood one each and the Demons Nobes 4, Brunoli 2 and singles to Sandery and Min.

DIVISION 3 REVIEWS AND PREVIEWS

The round ahead: Round 8

Gaza v Unley Mercedes Jets at Klemzig Reserve

Gaza are playing at home for the third time for the season which should give them a slight advantage. The Jets are one of the form sides of the comp and had a huge win against Westminster last week. On the other hand, Gaza took it up to the Kings but could not get the biscuits. The Jets should win this one easy.

Unley Mercedes Jets by Forty points

Scotch OS v Modbury at Scotch College

Modbury are travelling up to Scotch after coming off a huge win against the Valley of Hope. Scotch on the other hand Scotch is coming off a comfortable win against SMOSH. This may be a close game between two quality sides It might be tough for the home side to stop the likes of Verity and Kaipara who was goalless last week. I think it will be the Hawks with too much class in the end. **To**

Win Hawks by Twenty-Six points

Seaton Ramblers v Westminster at Seaton

This game will be a close one with both sides evenly matched. This is a game that could determine who gets out of the relegation zone. The Dragons would be keen to get back on the winners list, but it will be hard to knock off Seaton on their home deck. I think it will be Seaton in a close one.

To Win Seaton by Five points

SMOSH West Lakes v Pembroke at West Lakes

The Kings are travelling to West Lakes and will go in as favourites for this one. Pembroke ground out a good win last week against the Eagles whilst SMOSH copped a hiding from Scotch. I think SMOSH will fancy themselves at home but with Forster up front the Kings will have too much fire power.

To Win the Kings by Fifteen points

Hope Valley v Flinders Park at Hope Valley

Hope Valley will be keen to bounce back after a loss to new ladder leaders in Modbury. Flinders Park have been around the mark with some goods wins thus far. This will be a cracker of a game, but I feel that Hope Valley will be just a little too strong in this one.

To Win Hope Valley by Twelve points

Round 7 Review

Mitcham v Hectorville

Mitcham were able to control the game from the start of their round 7 clash against Hectorville at Price Memorial oval. If not for some wayward kicking they would have been further than 11 points in front at quarter time. They converted their ascendancy more effectively in the second quarter and by half time had control of the game and a 22 point lead. Hectorville found Mitcham's tall forwards difficult to deal with. Lochie Hall and Max Smyth kicked 4 each while powerful forward Lucas Spiniello kicked 3. Hall and Spiniello were also adjudged Mitcham's two best players. Running half back Luke Broadbent was awarded Hectorville's best continuing his good run of form. This could prove to be an important win for Mitcham as they strive to move up the ladder and away from the "danger zone". After the long weekend bye, they will have the opportunity to gain momentum with a table shaping contest against Walkerville while the challenges keep coming for Hectorville as they take on the powerful if not slightly inconsistent Plympton.

Morphettville Park v Pooraka

Pooraka showed why they are the most prolific scoring team in division 4 with a 126 point demolition of Morphettville Park at Kellett Reserve. Pooraka have kicked 87 points more than any other team and they have many forward line options as well as hard running midfielders who consistently hit the score board. This bodes well for them come finals time as they strive for "Preliminary Final Integrity". Morphettville Park were without influential midfielder Nick Hankin and this certainly did not help their cause. Half forward Brody Trembath was one of Morphy Parks few winners kicking 5 goals and gaining best player honors. For Pooraka midfielder Michael Baker kicked 8 while tall forward Luke Buckby continued his high scoring form kicking 5. Places 4 to 7 on the ladder are tight (as happens most years) and this makes the Kangas clash with CBCOC in round 8 critical. Pooraka will host Portland in what may well be another percentage booster for the flying Bulls.

CBCOC v Walkerville

This game promised to be a battle between two of the front runners in the leading goal kicker race. Playing coach Brett Simpson for CBCOC and Adam Proud for Walkerville. Both players did not let their team down kicking 4 and 5 respectively, but it was the other forward line options that proved decisive for the Dolphins. Half forward Aaron Marchioro has been a consistent contributor for CBCOC and he continued this good form kicking 5 goals and being awarded best player. For Walkerville wingman Daniel Callary received best player honours while Walkervilles prolific captain Sean Kuerschner was once again a ball magnet. This win keeps CBCOC in touch with the pace-setting top two as they strive for the double chance come September and prepare for a visit to Kellett Reserve after the bye. A crucial clash for Walkerville against Mitcham awaits them after the King's birthday.

Plympton v Kenilworth

Plympton were once again without their high profile recruits Peter Hoban and Curtley Hampton but this did not prevent them from giving an impressive performance on Saturday at Plympton Oval. After an even first quarter Plympton gained the ascendancy and by half time were 45 points in front. Tall forward Lachie Stoddard was proving a hand full playing closer to goal and ended up with 5 goals. Small forward Brett Connor also contributed strongly with 4 goals. For Kenilworth Giuseppe Nirta continued to be a target for the Kookas and has averaged nearly 3 goals in the 5 games he has played. Stuart Taverner showed why he could stake a claim for the title of best ruck man in the league and midfielder Darcy Rankin-Hooper gave considerable drive through the middle also. Fraser Goodes showed good form in the Kenilworth midfield while wingman Charlie Wick also performed well. Plympton's performances must be keeping coach Mark Shutz up nights. Their best form is impressive but their season has been littered with poor form also. No doubt they are looking for more consistency as they move toward the second half of the season.

Portland v Lockleys

There appears to be very little light at the end of the tunnel for a Portland outfit struggling for competitiveness and lacking in depth to call upon at the selection table. With the Portland defense undersized and with Dale Laslett playing forward Ben Haren loomed as a huge threat, and it proved to be so with the competition leading goal kicker finishing with 10 as well as best player honours. Small forward Adam Fazzlari was also a strong contributor kicking 4 goals. For Portland midfielder Terry Milera drifted forward to kick three while the sharp shooting ex ruckman Corey Evans kicked 2. Key defender Buchanan Bates provided some resistance for the Thunder and not surprisingly Ben Haren was awarded best afield for Lockleys. Josh Fazzalari completed a good day for the Fazzalari boys by also being in the best while once again Bowen Hosking also made the "BP's". The bye comes at just the right time for the struggling Portland boys although they will have two weeks to consider their clash with a rampant Pooraka side while Lockleys will go back home to await Kenilworth.

DIVISION 4 REVIEWS AND PREVIEWS

Div 4 at the bye...

It isn't quite the midpoint of the season...but it is pretty close! The bye seems a pretty good time to reflect on what the data from the first part of the season may tell us about what will happen for the remainder of the season. Generally, the premiership table only tells part of the story, and this season is no different. In fact, this author would hypothesises that there is more than one "ladder" that the coaches would be looking at when deciding their training strategies in the next two months. It has been proven over time that being in the right part of the reserves, points for and points against ladders as well as having a good spread of goal kickers is imperative for September success. So, here is some observations of how Division 4 looks after 7 games.

Lockleys and Pooraka sit atop the ladder with 6 wins from 7 games. The Bulls have proven to be the most potent forward line with a good spread of goal kicking options inside 50. They have kicked the most points in division 4 by quite some distance. In fact, they have kicked 87 points more than any other team in the competition and have averaged 123 points per game so far. What would be stressing coach Shane Hickey is the "points against" ladder. Pooraka sit 6th on that ladder, and this is not, historically the profile of a premiership team. The good news is they still have 11 minor round games to improve in this area and knowing the hard work and footballing smarts that Shane brings they will no doubt improve in this space.

Lockleys rely heavily on leading goal kicker Ben Haren (34 goals) for scoring. He is a full 10 goals in front of the rest of the competition and Lockleys next highest goal kicker is Adam Fazzalari on 13 goals. But this does not tell the full story. Lockleys are in fact the best defensive team in the competition and have averaged only 64 points against so far. A profile of second-best offense and best defense maps well for finals success.

CBCOC are also mapping well with a strong forward line that is led well by playing coach Brett Simpson, who is third on the goal kicking with a total of 23 and a strong defense who are second on the point against ladder. Worryingly for CBCOC their reserves are third to bottom and they will be hoping that depth doesn't become an issue as the run into the finals begins. The other teams at the pointy end of the table all have reserves squads that are competing well and this bodes well for them when depth is tested in the challenging, winter months.

Div 4 at the bye... (cont'd)

At the other end of the table, it is difficult to see how Portland can work their way out of the difficult predicament they find themselves in. With out a win in the A grade and a reserves team that has a percentage of 3.7%, they will be needing an unprecedented turn around after the bye to get out of the relegation zone. The other two teams in the relegation zone (at the moment) are Mitcham and Walkerville. Interestingly both of their B grade teams are currently in the top 5. This suggests a good depth of talent, but they haven't gotten the results they would have liked so far in the A grade.

Its not really going out on a limb to suggest that Lockleys and Pooraka are currently the favourites to fight it out in the big dance in September. Plympton are the sleeping giant (for mine) and it wouldn't surprise if they made a charge in the second half of the year if they can get some continuity and consistency from their group.

Of course, injuries and form fluctuations play a huge part. For most teams it is the "who" of injuries as well as the "how many" that can dictate a team's September fate. Ben Haren is unquestionably favourite to win the leading goal kicking with a 10 goal gap to Walkersville's Adam Proud. Injuries could also play a part here. If both players remain fit they will undoubtedly continue to kick bags for their respective teams. In terms of the medal Bowen Hosking of Lockleys is the early favourite with club captains Daniel Fairbrother and Sean Kuerschner both performing exceptionally for their respective teams. It is also expected that Frank Timpano of Pooraka will poll well as he is an exceptional, eye catching player.

All in all, it will be an interesting watch now that the bye is in the rear-view mirror. Some wintery weather is generally accompanied by upsets in this middle part of the year. The jockeying for position will continue and it promises to be an exciting second half of the Division 4 year.

Round 7 Review

Elizabeth vs West Croydon / 9.14 - 68 vs 15.12 - 102

In a must win clash for West Croydon, they delivered and have put themselves only one game out of the top 5. Coming out the blocks hard they led the Eagles by 9 points at quarter time before Elizabeth piled on 6 goals during the second term to regain the lead before the main break and set the game up for one hell of a finish. The hawks were feeling the squeeze but did everything in their power to keep themselves in the game, out scoring the young eagles side and bringing the margin back to a single point at the final change. Elizabeth would have been extremely confident knowing that West Croydon have struggled to run out games, but that meant nothing as they only managed another 4 behinds to finish off the match while the hawks saved their best quarter for last booting 6 goals and running out the game 34 point winners. Credit to West Croydon for digging deep, well deserved win. Best players for Elizabeth included Bradley Kersten who snagged himself a 5 goal haul in his BOG performance. Stephen James was also good, using his size and power through the middle of ground all day. West Croydon captain Luke Francis was phenomenal in his best on ground performance while Tyrone Milera played another stellar for the hawks, he's come into some serious form when they've needed him most.

Pulteney vs Colonel Light Gardens / 8.10 - 58 vs 12.16 - 88

Another dark day for Pulteney and they now find themselves in the bottom 2 trying to fight their way out of that relegation zone. The game was in the balance for majority of the first half, at the main break there was only a single goal in it. CLG started to flex their muscle after half time but the score could have blown out to much more if they could finish in front of goal, 3 goals and 5 behinds during the 3rd quarter seen them lead by 20 points heading into the final change. Pulteney would have been seriously disappointed with their output after half time, kicking 6 goals in the first half but only managing to kick another 2 for the rest of the game which seen them going down by 30 points in the end. The blues wouldn't have pictured themselves in this position after being relegated down to division 5 at the end of last year, now they face an uphill battle trying to climb out of the bottom 2 which won't be an easy task given some of their results to date. Scott Barabas and Dylan uinn were the best players for Pulteney but they had little help after that. Harrison Lang was Colonel Light Gardens best player by far, putting together a strong season. Their skipper, Nicholas Patterson, also chipped in with 4 goals and was among their best.

Blackfriars OS vs Woodville South / 16.8 - 104 vs 15.10 - 100

What a battle this was, game of the round by far. Crucial game for both clubs and they delivered to every one lucky enough to witness it live. Woody South got out to a fast start kicking 5 goals in the first time and leading by 13 points at the first break. The second quarter was an arm wrestle, going back and forth goal for goal with both teams kicking 4 goals 2 behinds to see the lead for the cats remain at 13 points. After half time things started to swing in favour of BOS and they started pegging back the lead to only be trailing by 2 points at 3qtr time. We were in for a beauty of a finish if things kept going the way they were. Blackfriars finishing the game in strong fashion booting another 5 goals compared to Woody Souths 4 and finishing the game as 4 point winners. What a turn around and what a win by the hounds. This is the one that got away from the cats, especially considering their ladder position and how tight this division is. Giuseppe Vellotti yet again putting in another strong performance to be awarded best on ground for the hounds. Matthew Brincat, skipper of Blackfriars, was instrumental in helping secure the win. Nicolas Salandra and Dylan Gaylard were the 2 best players for Woodville South, hoping they can build on that form after the bye to help the cats advance up the ladder.

Eastern Park vs Trinity OS / 11.7 - 73 vs 25.16 - 166

An absolute drumming out at Dwight Reserve leaves the demons in unfamiliar territory for the first time in a long time. What a performance from Trinity as they put the division on notice and keep themselves in touch with the top teams. Straight from the get go the TOSers showed the demons they were not going to take a backwards step and they were there to play. Taking a commanding 22 point lead into quarter time which could have been more if they were to kick straight, but this was just the beginning of the onslaught. Trinity come out all guns blazing in the second quarter and kicked a massive 12 goals to take their tally to 16 goals 7 behinds and a huge lead of 87 points at half time. The demons were kept to just 2 goals in the first half and looked completely done for, losing so many of their star players at the end of last season was starting to show and its looking like a long season ahead for the boys out at Dwight Reserve. Fortunately for the demons they managed to somewhat stop the bleeding in the second half and started kicking a few goals themselves. Both teams kicking 9 goals in the second half made it much better viewing for the home teams supporters but the end margin was still a whopping 93 points. This leaves Eastern Park dead last at the bottom of the ladder, the bye couldn't come quick enough for the boys who have been decimated with injuries to date but there's some work to be done if they want to avoid playing division 6 footy next season. Trinity have hit their straps and see themselves sitting outright 4th in a tight division, very good position to be in before the bye. Peter Diedrichsen standing up once again for the demons, the skipper earning himself another best on ground and looks to be one of the only ones leaving it all out there when he chucks on that guernsey. Luke Morris was also a shining light, banging home 4 goals after not training once this season, what an effort! Ryan Roberts and Bradley Matters were the two best players for the TOSers, but after a win like that I think 21 blokes deserve to be in there.

DIVISION 5 REVIEWS AND PREVIEWS

Gepps Cross vs Kilburn / 17.17 - 119 vs 7.15 - 57

This is the game everyone was waiting for, but the result was one not many expected. I thought this was going to be a tight contest and in fact tipped Kilburn to get the points, but Gepps Cross prevailed in outstanding fashion on their home deck. The chics started this game the way they've finished their last few, right from the get go they were all over the rams. Keeping Gepps Cross goal less in the first quarter and heading into the first break 16 points up. Gepps started gaining some momentum through the second quarter but Kilburn were still doing enough to hold them off and went into half time 9 points up. I'm not sure exactly what went on in both teams change rooms at half times but as soon as that siren sounded to start the 3rd quarter it was like 2 completely different teams took the field. The chics only managed to kick 5 behinds for the quarter while the rams piled on 6 goals and got themselves 25 points up heading into the final change.

It didn't stop there though, Gepps Cross booting another 7 goals in the last quarter and keeping Kilburn to just one goal seen them run out the game 62 point winners. Huge statement made as the rams remain undefeated and put the second best team in the division to the sword. After starting so well, Kilburn will be scratching their heads considering they only kicked 1 goal after half time and couldn't stop the the powerful forward line Gepps have put together. Star recruit Dom Barry showed the league exactly why he's considered one of the best in the league with 2 goals and a best on ground performance. Brayden White was also good for the rams and will be happy to see his name in the best players for the first time this season. The experience of Kyle Parks and Ryan Wielechowski shone through for the chics, but unfortunately wasn't enough on the day. Looking forward to the second time these teams meet.

Round 8 Predictions

Elizabeth vs Pulteney

Both of these teams are still in serious danger of relegation this year, although Elizabeth have put together a few solid performances and managed to win a few games, they are still looked at as one of the weaker teams in the division which won't be sitting well with them. Pulteney have been every bit of disappointing to date but maybe a week off and adding some key personnel after the bye can change things around for the blues. Every win is important in this division as the ladder after the top 3 is very tight, so expect both of these teams to leave it all out there Saturday and do whatever it takes to get the points. Stopping Elizabeth's run will be crucial to winning this game, but the experience of the Pulteney boys should shine through and help secure this win.

Pulteney - 20 points

Trinity OS vs Woodville South

Trinity have really showed their class over the last month of football and are starting to prove to everyone else in the division exactly why they expect to be there come finals time. Woody South, another team that come down from division 4 but have struggled finding any sort of decent form and currently sit in the bottom 3. I can only see this game going one way and that's the TOSers posting another big win to push themselves deeper into a top 5 finish. They've been building every week and being close to full strength on their home deck, there's no reason for them to lose this game. If Woodville South can't manage to jag a win here, it won't be long before they are playing to save themselves from another relegation as every week passes.

Trinity OS - 40 points

Eastern Park vs West Croydon

Eastern Park dished up their most underwhelming performance in years last weekend, something that won't sit well with anyone involved at the club. West Croydon are coming off the back of a seriously strong win and should take massive confidence heading into this game. Another interesting part about this game is the fact West Croydons current coach Thommo, used to coach out at Eastern Park and coached majority of these boys only a few years back. He should have plenty of knowledge about the way they play and who their key players are that need to be shut down if they want to win this game. Makes it a very interesting affair and it's absolutely do or die for the demons, they lose this and they can almost kiss the year good bye. That will be in the back of the players minds, it will be a driving force this week on the track and on Saturday when they take the field. Dwight Reserve isn't the same fortress it was only a short time ago, unless they get a ton of players back from injury I can't see them getting the job done here. West Croydon are building every week and can smell a top 5 finish on the horizon, huge game for both teams!

West Croydon - 10 points

Gepps Cross vs Colonel Light Gardens

Gepps Cross remain the only undefeated team in the division and have every right to be rocking up to this game knowing they are currently a class above. Colonel Light have been playing good football for majority of the year and I think if they have everyone on the park they are the biggest threat to the grand final prediction every one in this division has pencilled in. A seriously good outfit on their day and will take it right up to the ladder leaders if they are at their best. I still think the team Gepps Cross have put together will be a little superior across every line but stranger things have happened. Will the rams come into this game over confident and let it slip? Only time will tell.

Gepps Cross - 25 points

Round 7 Reviews

Brahma Lodge Vs Rosewater

Rosewater had a chance to get a solid win this week, as they went on the road and took on Brahma Lodge. Rosewater started well, from the very first bounce hitting hard and making sure they got a jump on Brahma Lodge and giving them no chance to get close, The Doggies took a 5 goal lead by the first break. No signs showed of stopping, Rosewater piled on the goals and kicked another 6 goals, also defending well and keeping Brahma Lodge goal less for the quarter, with a lead of 71 at half time Rosewater held their heads and prepared for a big last quarter. Brahma Lode defended well through periods of the second half, but couldn't stop the wrath of Rosewater who showed no mercy, kicking another 5 goals in the third term. The Doggies didn't stop there, kicking yet another 5 goals in the last term and keeping Brahma Lodge goal less for the entire second half, eventually running away 144 point winners.

A range of excellent performances today for Rosewater, Nick Hollitt, Patrick Hure and Jesse Newman were all amongst the best, but it was Jackson Morrish who earned best afield, also kicking a bag of 7 goals, close behind him was Brock Honson who kicked a bag of his own with 6 goals. Another tough loss for Brahma Lodge, but some gold signs for some players who came in and played well, Dene Steele and Zacquari Graham were the best on the day, Brodie Norman, Andrew Curyer and Brandon Plannegger were also amongst their best. Only 2 goalscorers for Brahma Lodge, Matthew Broadbent and Jack Cook kicked a goal a piece. Both sides have tough games coming up after the bye, Brahma Lodge taking on top of the table Greenacres, Rosewater have a solid side in Fitzroy.

Central United Vs Smithfield

After a tough loss last week, Central United came back home and took on Smithfield after they got their first win against Brahma Lodge. Central United started out strong, trying to make amends after going down last week, and booted 5 goals to 1 in the first quarter, while Smithfield defended well they couldn't hold back the Units. Central United held Smithfield to just 4 behinds in the second term, and went on to add 8 goals onto their score, both sides fighting hard with The Units taking all their chances in front of goal and taking a 77 point lead into halftime. Central United didn't slow down, kicking 10 goals in the third term, while Smithfield fought hard they were able to add another goal on the board but couldn't slow down the strength of Central United. The final term saw Smithfield put up one last fight, keeping Central United to 5 goals and booting 4 of their own, they gave their all to finish off the match, Central United finishing the game 150 point winners.

An array of stars for Central United with many players stepping up, Benjamin Russell was the best afield for Central United also kicking a goal, while Dean Steele was a very close second, kicking a bag of 11 goals for the day. Brayden Abbott, Mark Garner and Adam Hann were also amongst the best, Abbott also booted 6 goals, Hann kicking 5 of his own. For Smithfield Adam Varcoe and Issac Keightley were the best for the day, Anthony Thompson, Leigh McCormack and Nashawn Ferguson all amongst the best also, Damien Boxer was the only multiple goalscorer for the day with 2. A good win for Central United with a week off coming up, they take on St Paul's next and will be looking for another win. While Smithfield have another away game after their week off, taking on Salisbury.

St Paul's Vs Greenacres

Greenacres were on the road this week taking on St Paul's both sides looking for a good win and what a matchup it turned out to be. St Paul's started off well, dominating the undefeated Greenacres in the first term, kicking 3 goals and keeping them to just 1, they took a 13 point lead into quarter time and were ready to keep up their good performance. Greenacres fought back during the second term, booting 4 goals, but St Paul's continued to play well and kicked another 3, keeping their noses in front and taking a 5 point lead into halftime. Greenacres fixed their form after halftime, not letting St Paul's get off easily and hit the front. They took a 9 point lead into the last quarter and set up for a tough finish. St Paul's defended The Dragons well in the last term and didn't let anything through, kicking 3 goals. Both sides gave every little bit they had, but it wasn't enough, at the final siren it was all tied up, finishing with the second draw of this season.

Both sides fought until the very end, giving absolutely everything to try and get over the line, for St Paul's, William Keynes was the best afield with Luke Pitman a very close second. Nikolas Papaioannou, Jordan Wurfeln and Jake Winters were all amongst the best for St Paul's, Riley Henriks kicked a bag with 5 goals for his side. Jamie Howcroft and Lachlan Price were both outstanding for The Dragons, Josh Adey, Kostandinos Georgiadis, James Brennan all contributed as well, Jamie Howcroft kicking 5 goals of his own also. A tough result for both sides, a draw is never the favored result for either side. St Paul's have a tough matchup against Central United next round, while Greenacres will look to get a big win against Brahma Lodge.

Fitzroy Vs Marion

Two sides coming off wins last week, Fitzroy hosted Marion as two dominant forces in the competition faced off. Marion came out firing, getting an early start against Fitzroy and getting 4 goals to 2 on the board and getting a slight edge in this matchup. Fitzroy fought back slightly in the second term, not letting the game slip through their fingers, they were able to keep Marion to just a couple goals and kicked 3 of their own, Marion lead by just a straight kick at the main break, setting up for a massive second half. Both sides played well again in the third quarter, defending and attacking well, Marion getting a slight edge to add to their lead with one quarter to play. The Lions once again gave all they have in the last term, trying to bring the game back onto their terms but couldn't get past Marion, the game went right down to the wire, but ultimately Marion held on, running away with a 4 point victory.

Marion's side fought hard throughout the whole game to keep themselves in front and constantly have the edge over Fitzroy, Charlton Manning was the best for The Rams and kicked a goal, Hudson Elkins a close second. Brodie McHugh, Benjamin Miller and William Cavallo were all up with the best for Marion also. Mark Cripps was the best up forward with 3 goals. Unlucky loss for Fitzroy who just fell short despite fighting hard, Joshua Rosenthal was the best afield and continued his goal kicking form with 5 goals, Dylan Darley was a close second. Patrick Meaney, James Smart and Wyatt Mackinnon all played well also and were amongst the best players. A hard fought win for Marion, who will be happy with a win before the bye, they take on Adelaide Lutheran after the break. Fitzroy take on Rosewater after the break and will be eager to get a win back.

Salisbury Vs Adelaide Lutheran

Salisbury took on Adelaide Lutheran at home this week, looking to get a win back after going down to Greenacres last week. Salisbury came out firing right from the start of the game, dominating Adelaide Lutheran all over the ground booting 6 goals for the quarter, Lutheran only kicking 1. They didn't slow down, showing no mercy and kicking another 5 goals in the second term and keeping Adelaide Lutheran goal less for the quarter. With a 10 goal lead at halftime Salisbury were looking towards a massive win. Adelaide Lutheran got a couple goals back on the board in the third term, but Salisbury fired back with 6 more goals of their own and set themselves up for a last quarter to finish off a massive match. Lutheran once again played well during the quarter, but couldn't hold off Salisbury who went on to win by 10 points and get back on the winners list.

Stars all around the ground helped Salisbury get over the line, Jackson Thompson leading from the front and earning best afield, Brodie Brooks a close second. Harry Wheeler, Mitchell Slater and Luke Puddy were all amongst the best also, Luke Luddy along with Nick Mann booted 5 goals a piece. Alex Lillecrapp and James Zubrinich were the best for Adelaide Lutheran, while Andrew Wilson, Markus Mader and Jack Robinson were also good for their side. Markus Mader and Ashley Goodall both kicked 2 goals each in front of goal. A tough loss for Adelaide Lutheran who have been playing well so far this season, they have another tough match against Marion next round while Salisbury have another chance of a win against Smithfield at home.

Round 8 Preview

Central United Vs St Paul's

Central United have another home game next week against St Paul's. After a solid confidence boosting win against Smithfield, Central United will come out of the week off well rested and ready to get another good win at home. St Paul's however are coming off arguably their best performance of the season so far. Although not able to get the win against Greenacres, they were able to force them to a draw, after Greenacres have been a dominant side for a while, St Paul's players would be full of hope and ready to put up another good performance. At home Central United play well and usually would dominate in a game like this, but with last week's win against Greenacres St Paul's have shown some heart and could have a chance at taking down The Units. Despite this, I think Central United will still be too strong at at home and get a narrow win. **Tip: Central United By 15-25**

Adelaide Lutheran Vs Marion

Adelaide Lutheran went down in a big loss to Salisbury last week, back on their home deck next week they come up against another tough outfit in Marion. A couple tough losses now have dropped Adelaide Lutheran to a point where they wouldn't want to be, they have shown they can play good footy when they're on but need to show up to prove it. Marion however have been flying, currently sitting second with only 1 loss they show no signs of slowing down and will fight for another win to get as high as they can and try to overtake the dominance of Greenacres. Marion have been strong in nearly every game they have played this year and proved they are a strong force. Despite not being at home they can still get the job done, while I think Adelaide Lutheran will put up a fight and try to get some form back, I can't see them taking down Marion. **Tip: Marion by 30-50**

Salisbury Vs Smithfield

Salisbury with back to back home games this week, taking on Smithfield after demolishing Adelaide Lutheran last week. After a close loss to Greenacres a couple weeks ago, Salisbury have bounced back in some way, taking down Adelaide Lutheran by 100 points last week who have shown to be a good side. They currently sit third on the ladder and show no signs of stopping. They take on Smithfield, who have had some tough matchups but have given fight in every side they have come up against and got a massive win over Brahma Lodge proving they have the skill. The Panthers never give up in any game regardless of the opposition, they go on the road to take on Salisbury but will prove to them it won't be a walk in the park. Salisbury have been a strong side this season, bouncing back majorly after a tough last season, and they know the position Smithfield are in and the desperation they will put out on the field. Despite Smithfield's fight, I think Salisbury will be too strong at home and get a tough, hard fought win. **Tip: Salisbury by 20-30**

Brahma Lodge Vs Greenacres

Greenacres hit the road this week, taking on Brahma Lodge in a Top-Vs-Bottom clash. Greenacres have been the best side all season so far, not losing a game but taking a draw last week against St Paul's. They will be hungry to make amends in a big way, taking on struggling Brahma Lodge and looking for a massive percentage booster to make up for their slip up. I don't see Brahma Lodge having a chance in this matchup, they will go out and give their all as they do every week, but a monstrous effort would be needed to get close to the powerhouse that is Greenacres. I think Greenacres will have nothing but their draw in the back of their minds throughout this game, and will show no mercy in getting a win back to keep their spot at the top of the ladder. **Tip: Greenacres by 100+**

Fitzroy Vs Rosewater

Fitzroy with another home game next week take on Rosewater who are coming off a magnificent win against Brahma Lodge on the road. Fitzroy went down to Marion last week, two solid sides that have proven their form. Fitzroy just fell short after fighting hard all match and won't let off lightly coming into this one. Rosewater are coming off a massive win against Brahma Lodge, it may not have come against a decent side but Rosewater would be absolutely buzzing after that win, and with a rest the week before taking on The Lions will be rested and ready to try and take them down. Both sides are highly skilled and if both teams are in the best game, this can turn out to be one of the matchups of the round. However I think Fitzroy are a side that will be hungry to get a win back after a tough loss to a good side in Marion last week. **Tip: Fitzroy by 40-50**

DIVISION 7 REVIEWS AND PREVIEWS

Round 7 Review

Ingle Farm v Flinders University

Flinders University squandered their opportunities with a 1.8 first quarter, leaving the door open for Ingle Farm to regain control and cruise to an easy 49-point victory at Rowe Park. With 2 losses from their last 3 games, Flinders Park were keen to prove to the comp, and themselves that they have the ability to match it with the big boys. The Bulldogs comfortable win, without question, put some doubt in their minds.

Oliver Miles was Flinders best, whilst Peter Rhodes (3) was the leading goal scorer for the defeated. For Ingle Farm Jie Martin (3) was best on ground, Ryan Coccetti and Tyson Rigney not far behind. Tyrell Rigney (3) and Bradley Sanderson (3) amongst the goals as per usual. Business as usual for Ingle Farm. Flinders Uni have now lost 3 out of their last 4 games.

Mitchell Park v Houghton

Big upset at Mitchell Park with the Lions beating the inconsistent Houghton by 31 points. From the get-go Mitchell Park were on song, going into the first break with a handy 2 goal lead. Houghton were around the mark all day, going into the last quarter with only a 7 point deficit. Little did they know Mitchell Park were only in 3rd gear and stepped it all the way up in the last quarter kicking 5 goals to Houghton's 1.

For Houghton, Skipper Jake Martin lead from the front, Dylan Holliday (4) the leading goal scorer. Matthew Tassell, Jacob Doherty and Ben Weekley all starred for the victors, Jacob Doherty (6), Dylan Dales (2) and country recruit Patrick Kluth (2) the best of the goal scorers. A valuable win for Mitchell Park keeping them in touch (only a game and a half) out of fifth position.

Para Hills v Mawson Lakes

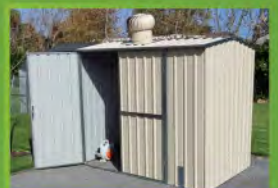

Mawson Lakes could not get away from E P Reality Oval quick enough and thankfully it's only a 6 minute drive as Para Hills handed the Saints a hiding to the tune of 160 points. The only highlights for disappointing Mawson Lakes were holding the Big Reds to a mere 5 goals in the 2nd term and kicking their only goal of the match in the final quarter. Darren King the sole goal scorer for the Saints.

The Big Reds Buffet was open and even with the hungry Daniel Weetra feasting on 12, there was still enough goals for Lachlan Sullivan (3), Grossmann, Binks and Hart 2 each respectively to feed on. Big Bad Lachlan Bowie continued his great form as did partner in crime Karim Hrynkiw. A wonderful result for Para Hills as they head into the bye bruise free and ready for a contest. Mawson Lakes with some real soul searching to do after than spirited draw the round prior.

O'Sullivan Beach Lonsdale v Hackham

OSBL come on down! You're the next contestant on 'The Legitimate Contender'. 3 wins from their last 4 has solidified the Lions as a side to watch in the reverse fixtures with a 55 point victory against Hackham. After trailing Hackham by 5 points at the first break, OSBL were able to regroup putting on 7, 6 and 6 goals in their next 3 quarters. Hackham as always put up a fight but it's a tale as old as time, if you can score 100 points, you're more than likely to win the match.

Jarred Shaw (3) and Luke Allan were the best for Hackham, whilst Andrew Davies got himself back on the score sheet after a few quiet weeks in front of goals. Andrew Terry, Ryan Fitzpatrick (2) and Shaun Morris (3) starred for OSBL, with the dangerous combo of Austinn Wurst (3), Malik O'Loughlin (3), Damon Graham (2) and Super-boot Trevor Rigney (2) sharing the love up forward. Backlines around the division – you're on notice! OSBL now sit equal on points with Flinders Uni and Houghton in 4th position and looking the better of the 3 sides at the moment.

Round 8 Preview

Hackham v Para Hills

The last time these two played in Round 1, although the end result was an 82-point thumping, I saw patches from Hackham that earned my respect, they showed some real fight in the 3rd quarter that day, in the heat and it was clear they had some fight in them, the problem they had in that game was sustaining that effort for the whole 4 quarters. If anything, Para Hills are an even better side than they were at the start of the season which should be a cause of concern for the Hawks. I don't see Hackham getting close in this one, Weetra with 10.

Para Hills by 90 points

Houghton v Ingle Farm

Ingle Farm will be heading up North East Road full of confidence as they face an out of sorts Houghton this week. I can't quite put my finger on Houghton's inconsistency, from the outside they have the names on paper, Kye and Wade Vandermoer, Aiden Pitt, Jake Martin, and Kodi Sparks to name but a few. It's hard to judge when you're not in the inner sanctum of a club, but I have to say as a keen observer I expect more from Houghton. Maybe the bye is the perfect circuit breaker for the Raiders? An opportunity to get things back on track and finish the second half of the year charging towards the finals. Houghton are nowhere near their best but are still in the mix for the top 5, which should concern their contemporaries if they start to click and get that momentum back. I believe Houghton will bounce back they are too good not to, but it won't be this week as much as I'd love to see them knock off the Bulldogs, Ingle Farm will be too strong. Terrel Rigney to kick 5. **Ingle Farm by 8 points**

DIVISION 7 **REVIEWS AND PREVIEWS**

Mawson Lakes v Flinders University

This will be a cake walk for Flinders, but we won't learn anything new about them. Weather permitting, they'll kick a swag of goals and decimate a Mawson Lakes side that is a shell of its old self. I'm not even being funny, but this might be a great opportunity for Flinders to test a few potential A Graders from the Ressies and even give stars Luke Warland and Bayley Pink an extended rest if required. Maybe even tinker with the team a little and try some new things that might help them in future games, like you would in an internal trial. I sincerely wish the best for Mawson Lakes, hopefully they return from the bye a changed side but when these seasons happen for a club, and they do happen it tends to get worse as the season rolls on.

Flinders Uni by 99 points

Mitchell Park v O'Sullivan Beach Lonsdale

A battle of the Lions but only one can be King of the jungle! Last time these two played there was less than a kick in it. Mitchell Park will go into this game confident after their impressive win against Houghton before the bye. Cooper, Weekley and Tassell will need to be at their very best and Jacob Doherty will need to kick another bag for Mitchell Park to have any chance of keeping up with OSBL who are playing some of the best football in the Division at the moment.

The Austinn Wurst / Trevor Rigney forward combination is working an absolute treat, concentrate on that too much though and you ignore the plethora of options they have around the ground to hit the scoreboard. Shaun Morris and Ryan Fitzpatrick are on fire, O'Sullivan Beach Lonsdale is buzzing at the moment and I expect that to continue. **OSBL by 45 points**
