SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA

The SA Footballer have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

What an amazing group of women we have in 2021 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.

The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.

SAWFL - Division 1 with Samantha Field

**Broadview v Morphettville Park
5.5.35 v 2.3-15**

It was going to take their best and that's exactly what Broadview brought this weekend. They won against the previously undefeated Morphettville by 20 points and have stolen second place on the ladder in the process.

In a phenomenal defensive effort, Broadview were able to keep the usually high scoring Morphettville to a single point in the first quarter. They also went on to kick two goals and a point of their own to get the early lead by 12 points. Then in the second they kept up their relentless pressure to once again only allow a lone point through for the Roos. They also doubled their score with another two goals and a point to get themselves out to a strong 24 point lead by half time.

But of course, Morphettville are too good of a team to keep down forever and they made their run in the third quarter. They kicked two goals and a point while restricting Broadview to only a further two points, and at the last break it was game on with only a 13 point margin. Then in the fourth Broadview dug deep and showed why they are very much in premiership contention this year. They kept Morphettville completely scoreless for the term, holding the Roos to their lowest score so far this year. They also kicked another goal for themselves for good measure to get the big win. For the winners the stand outs were Astrid-Marie Powell, Kate Ferguson, Chloe Short, Ashlea James, and Natasha Richards. The goals were shared around with five individual goal scorers; Liana Antonoli, Remy Grant, Hanni Howe, Astrid-Marie Powell, and Sarcha Taylor. For Morphettville Brydie Mannion, Celestina Dona, Mykaela Walker, Minerva Bailey, and Olivia Evans all tried hard but couldn't get their team over the line.

**Old Ignatians v Adelaide University
2.3.15 v 8.3.51**

Old Ignatians and Adelaide University have had sluggish starts to the season and this game was an important chance for both sides to get a much needed win. It was Adelaide Uni though who took hold of the opportunity and got the win by 36 points. It was a slow start to the game, with only one goal kicked for the first term. That goal belonged to Adelaide Uni who also kicked another point. Old Ignatians were able to get two points on the board and the margin at quarter time was a slim 5 points. Then in the second Adelaide Uni started to get a hold of some momentum. They held the Ignatians scoreless while adding on another goal and two points to push themselves out to a 13 point lead by half time.

The third term opened up into a more free-flowing game but Adelaide Uni still held the upper hand. The Ignatians kicked two goals and a point, while Adelaide kicked three goals straight to further extend the margin out to 18 points by the last break. The final term was all Adelaide Uni, as they kept the Ignatians scoreless once again. They finished off with three more goals for themselves as they got themselves back on the winners list for the first time since round 1.

For the Old Ignatians it was Annabelle McKean, Phoebe Edwards, Erini Gikas, Alice Winter, and Caitlin McCarron who were the standouts, with Eleanor Meegan getting both of the team's goals. For Adelaide University the best players were Niamh Davis, Kendell Saffin, Tash Callary, Madeleine Fitzgerald, and Isla Health. Tiara Hatchard, and Ruth Wallace were both strong up forward with two goals. The remaining four goals were shared between Megan Andresen, Amelia Comley, Ellid Fixter, and Stephanie Walker.

Henley v Happy Valley 7.9.51 v 6.3.39

Henley have been making good progress in the past few weeks and this round they finally gotreward for their efforts. They were able to come from behind to defeat Happy Valley by 12 points and keep their finals hopes alive. Happy Valley took the early lead in this one, thanks to three straight first term goals. Henley kept in touch with a goal and a point, and the margin at quarter time was 11 points. Then in the second term it was Henley’s turn to have the momentum. They kicked two goals and two points while Happy Valley managed to get two points themselves. At half time Henley held the lead by the narrowest of margins.

In the third term it was an arm wrestle, with both teams trying to get the upper hand. Henley kicked two goals along with two points, while Happy Valley kicked three goals and a point to get back the lead by 4 points. But the fourth term well and truly belonged to the Sharks. They were able to keep the Vikings scoreless while adding on the points themselves. They kicked two goals along with four points to secure their second win of the season.

For Henley the best players were Brooklyn Kraft, Avah Topp, Lauren Hoffmann, Kayleigh May, and Alexandra Smyth. There was no shortage of players firing up forward, with Kayla Robran, and Avah Topp both kicking two goals, and Lara Chehade, TasmynFiegert, and Kayleigh May each kicking one. For Happy Valley it was Jade Davies, Lucy Earl, Brooke Clark, Abbie Paay, and Ellen Keightley who played great games. Jade Davies, and Maya Jakubiszyn both kicked two goals each, while Chelsea Kennedy, and Kat Vlachos both kicked one.

Payneham NU v SMOSH West Lakes 14.17.101 v 0.0.0

While many would have expected that Payneham would get the win in this one, few would have seen them doing it in such a dominate fashion. They won this week by an astounding 101 points while also keeping SMOSH completely scoreless. It was clear from the outset that Payneham weren’t going to mess around. They kicked four goals in the first which could have been more if not for their six misses. At quarter time they already had the game firmly in their grasp with a 30 point lead. Then in the second they added on another three goals, and another four points while still not giving SMOSH any chance of scoring themselves. At half time the game was already over with the lead being 52 points.

It wasn’t enough to satisfy the Falcons though as they continued pilling on the goals. They kicked four more in the third term alongside another point to push the margin out to 77 points, and were well on the way to setting some new records. SMOSH can be glad the final margin wasn’t even higher with some wayward kicks letting Payneham down. They kicked three goals and six points in the final term but it was still enough to see them set new records for the highest score and highest winning margin this season.

Payneham had no shortage of great players but it was Adrienne Davies, Letisha Ackland, Kayoree Jeffries, Kate Rasheed, and Djimila Totham who stood out most. Incredibly there were three players who kicked three goals each; Letisha Ackland, Abby Klaebe, and Kate Rasheed. Adrienne Davies also kicked multiple goals with two, and Kayoree Jeffries, LeyaKhelifa, and Djimila Totham also all contributed with one each. For SMOSH there were some positives, with Indi Buckskin-James, Julia Watson, Katie Clark, Meg Phillips, and Rhiannan Murphy fighting hard all day.

REVIEWS AND PREVIEWS

SAWFL - Division 1 with Samantha Field

Old Ignatians will play against Henley when the season resumes after the long weekend break. Henley are starting to find their way and should get another win in this one. Adelaide University will come up against Morphettville, who are highly likely to redeem themselves after this week's loss and get back on track. Things aren't much easier next round for SMOSH as they come up against Broadview. The Tigers should get another win but SMOSH will surely come out firing after this week's lost. Happy Valley finally get their first home game of the season, but unfortunately it's against the unbeaten Payneham who should make it seven wins in a row.

In the reserves it was another weekend of double wins for the teams with the same four sides getting the points. Broadview handed Morphettville their first loss for the year by a commanding 48 points, and are now second on the ladder on the reserves table as well. Adelaide Uni got the much needed win against Old Ignatians by 24 points, leaving the Ignatians still looking for their first win of the season. Henley and Happy Valley was the game of the round, with the Sharks taking their first win of the season by a narrow 8 points. The Payneham reserves also had a big win over SMOSH by 46 points.

Next round Old Ignatians will come up against Henley at home, and while this is their best chance for a win yet, the favourites will have to be Henley after their victory this week. Adelaide University will come up against a wounded Morphettville side who will be expected to bounce right back onto the winners list after their stumble this weekend. SMOSH will play Broadview in game of the round, but it should be the Tigers who get this win. Happy Valley will play the unbeaten Payneham, who are showing no signs of letting up and should keep their streak running.

Goodwood Saints vs Golden Grove

This week's matchup with the Goodwood Saints and Golden Grove was played at 6:30 pm on Friday night rather than Saturday afternoon. This game between the two teams was unique because it took place at night under lights and would have been fantastic to watch if there had been a large crowd of fans showing up to support their teams. Given that they are tied for second and third place on the ladder, this game was challenging for both teams. In the battle for the top spot, the outcome of this game will determine which team advances up the ladder and which team maintains its position. For the Goodwood Saints, the game got off to a poor start as they only managed one point in the opening quarter. Golden Grove, on the other hand, got off to a strong start, scoring 2 goals in the first quarter. The Goodwood Saints finished the first half of the game with 8 points after scoring a goal and another behind in the second quarter. Despite holding 15 points and a 6-point advantage at the end of the first half, Golden Grove experienced a slight turnback and only managed to score 3 behinds in the second quarter.

The Goodwood Saints continued to have trouble settling into the game in the third quarter; sadly, they were only able to gain a point. Golden Grove managed to score another goal while preserving their advantage in the game. They were still fighting and earned the victory they received. The Goodwood Saints scored one more point in the fourth and final quarter to end the game with just 10 points (1.4). The Goodwood Saints played a very sluggish game, and I did expect them to play better given how significant this game was to them. However, they lacked the sense of urgency. Golden Grove, on the other hand, was able to score another goal in the final quarter, winning by a score of 27 (4.3) and a 16-point lead. Golden Grove put on a strong performance and sought the victory and battle to contend for the top spot. They are now only two points behind Tea Tree Gully, who are now in first place on the ladder, and one game ahead of the Goodwood Saints. No goal scorers for the Goodwood Saints were recorded. Golden Grove had four different goal scorers, including, L. Wesselingh, C. Rossi, M. Yardley and K. Leopold who all scored a goal each. The best players selected for the Goodwood Saints were S. Gilchrist, A. Lodge, M. Griffiths, A. Size. Golden Grove's best players selected for this week are E. Strudwick, J. Woodards, L. Gambranis, K. Leopold and C. Rossi.

Westminster OS vs Tea Tree Gully

It was a difficult game for both teams this week after both teams won their games the week before because they both put up a fight and challenged each other for that win, and it showed in their performances. Westminster OS had a decent start to the game, scoring a goal and two behinds. On the other hand, Tea Tree Gully began the game quite differently than they had throughout the season; their opening quarter of games has typically been very strong, and they retain their lead right away.

Unfortunately, they were scoreless for the entire quarter this week, which was uncharacteristic of them and a drastic change. Westminster OS took a turnback in the second quarter as they only managed to score one point, while Tea Tree Gully started to wake up and play their game; they went out to play and showed them what they are made of. To take the lead and end the first half of the game with 14 points, they managed to score two goals and two behinds. Westminster OS did not give up on winning this week's game in the third quarter. They weren't going down without a fight or letting Tea Tree Gully win easy. They added another goal, cutting their deficit to just five points. Additionally, Tea Tree Gully was able to score a goal to extend their lead. In the fourth quarter, Westminster OS came out strong, scoring two goals and two behinds to win with 29 points (4.5). Westminster OS should be really pleased of how each player played, despite the fact that they lost the game.

DIVISION 2 REVIEWS AND PREVIEWS

SAWFL - Division 2 with Sabrina Scuteri

Westminster OS vs Tea Tree Gully (cont'd)

Given that Tea Tree Gully is now leading the competition and is unbeatable, it was fantastic to see that Westminster OS did not allow them to walk all over them and completely dominate them in the game. Tea Tree Gully had to work hard to get that victory and keep up their winning streak since they came out ready to compete. Tea Tree Gully was able to score two more goals in the last period, giving them 32 points (5.2) and a slim lead of three points. Westminster OS had two goal scorers of M. Elsegood and K. Wittmann who both scored 2 goals each. Tea Tree Gully scored five goals throughout the course of the game, with five different players contributing one each: S. Reeves, S. Nelson, C. Donovan, S. Jarvis, and K. Hillier. The best players selected for Westminster OS were S. Howell, J. Hocking, H. Doyle, E. Hartung and C. Quinn. Tea Tree Gully's best player selected for this week's game included C. Donovan, E. Gale, L. Mitchell, S. Nelson and B. Payne.

Angle Vale vs Gaza

Both teams lost last week, therefore either one would want to win this week to make up for it, especially because Gaza had to forfeit their game last week. Angle Vale got the game underway quickly, scoring two goals and a behind to take the lead and hold it. Gaza, on the other hand, got off to a not great, but still respectable, start with a goal and a behind.

Angle Vale started out the second quarter on fire, scoring 3 goals and 2 behinds, finishing the first half of the game with a fantastic 33 points and leading by 25 points. Gaza, on the other hand, was still battling to keep up with Angle Vale and was out of the game. To finish the first half of the game with 8 points, they only managed to score one more point. Angle Vale added two more goals in the third quarter to extend their lead and take control of the game. Gaza managed to score 2 more points in the third quarter, but their performance was not as powerful as Angle Vales' and they lacked some energy throughout the entire contest.

Given that they had a week off and the forfeit last week didn't go in their favour, perhaps that limited their performance this week. Angle Vale continued to score goals and increase the size of their lead into the fourth quarter. They were able to add two more goals and eight behinds, finishing the game with an incredible 65 points (9.11) and a 55-point margin. For the majority of the game, Angle Vale's scoring shots were fairly accurate; however, for some reason, in the last quarter, they weren't quite as precise. Even though they won the game, they could have dominated even more and won by a wider margin had more of their shots in the last quarter been on target. Gaza, who went scoreless in the fourth quarter and finished with just 10 points (1.4), sadly did not have as much luck as Angle Vale did.

The goal scorers for Angle Vale this week included, N. Biagi who scored 3 goals, C. Castle and E. Raschella who both scored 2 goals each and A. Farrelly and A. Killeen who both scored a goal each. The one and only goal scorer for Gaza this week was J. Rock who scored the only goal for them. Angle Vale's best players selected for this week were B. Dodds, N. Biagi, C. Castle, E. Raschella and S. Fernandez. Gaza's best players selected for this were S. Foran, K. Morris, A. Herriman, A. Ried and C. Newton.

ROUND 8 PREVIEWS

Golden Grove vs Westminster OS @Harpers Field

Goodwood Saints vs Gaza @ Goodwood Oval

Tea Tree Gully vs Brighton Bombers @Pertaringa Oval

Angle Vale BYE

Due to there being a long weekend next week, being the Kings Birthday, no games are to being played until the following week. Westminster OS and Golden Grove will play each other in the opening game of the following week. Given that Westminster OS narrowly lost to the league leaders while Golden Grove won their game last week, I anticipate that this game will be difficult for both teams to win. Considering where each team is on the ladder, I also think Golden Grove has a chance to pick up another victory and hold onto their second-place position. I believe they will triumph by a score of 1 to 12. Due to Gaza not performing as well as they did to start the season and having slowed down a bit in the last few weeks with their game plan and style of play, the Goodwood Saints may easily win the match against Gaza.

With the exception of last week, when they did not put up as much of a fight as anticipated, the Goodwood Saints have been performing decently over the prior few weeks. I believe the Goodwood Saints will triumph by a score of roughly 13 to 24. With Tea Tree Gully at the top of the league ladder and the Brighton Bombers at the bottom without a victory, I predict that Tea Tree Gully will win the upcoming game with ease and by a significant margin. Due to how they have been performing over the past few weeks and their mediocre season debut, the Brighton Bombers will, unfortunately, not have a nice game next week. I think Tea Tree Gully will triumph by between 37 and 48 pints.

Hope all the Division 2 teams have a great long weekend off relaxed and rested, ready to be back to continue playing the following week for Round 8.

ROUND 6**

Kenilworth-Flinders Uni v Flinders Park

This was the first game home game at Flinders University Oval for the newly merged Kooka Blues but unfortunately, they could not get the win against a much stronger Flinders Park who were the winners by a massive 83 points. Flinders Park got off to a great start hitting the scoreboard early and at quarter time there was only 9 points in this game. But the gap between these two teams only got greater and Kenilworth-Flinders Uni could not keep in touch with the visitors. Flinders Park's skill and fitness was the key between these two teams, they executed their skills well and made the most of their opportunities in front of goal. Gooley and Batafuccio were their leading goalkickers with 4 and 3 respectively both led well all day and were very accurate in front of goals. Unfortunately for Kenilworth-Flinders Uni Liv Stampe was their only goal kicker and was also their best on ground. Mergers take time for everyone to gel as a team and this is the case for the Kooka Blues keep your heads-up ladies and a win will come. For Flinders Park it is onwards and upwards and as we approach the halfway mark of this season, they will be right up there at the end of the year.

Salisbury v Pulteney

Salisbury had the home ground advantage in a must win game for the magpies, but Pulteney were too good and were the eventual winners by 32 points. This game looked like it was fairly close until the main break and the second half belong to Pulteney who kicked away 3 goals to nil. They shared the goalkicking around and are a fit hard running team. Salisbury like the first game, only managed a solitary goal for the game but they are also a new team who are also finding their way as a team. Pulteney will play finals this year and will be very competitive.

Hope Valley v Pembroke

This was the game of the round and in a bit of an upset the home team got the 'W' by 37 points. Hope Valley are an emerging threat in this division and to keep Pembroke scoreless for the entire game was a great effort. They are the most consistent team in this division even though they had a loss against Flinders Park they are continuing to win. Pembroke must have had an off day to be kept goalless for the game. They are a competitive team, and they will bounce back, good luck to Kenilworth-Flinders Uni who will play them next and at Pembroke. Could there be two massive upsets in a row, probably not but footy is a funny game and anything can happen.

Gepps Cross - Bye

Next week Round 7(after the bye):

Pembroke V Kenilworth-Flinders Uni @ Pembroke – both need a win, but Pembroke will be too strong.

Pulteney V Hope Valley @ Park 20 – Game of the round, Pulteney win because it's at home.

Flinders Park V Gepps Cross @ Flinders Park – Flinders Park will win this one and be top at the halfway mark of the season??

Salisbury have the bye – hope the two weeks off give them a chance to re-group.

Fitzroy 3.1 19 vs Lockleys 3.9 27

Round 7 kicked off down at Sam Johnson Sportsground with Lockleys taking on Fitzroy. With both teams coming off big losses it was an important game to win. It was a slow start to the game, both teams unable to score in the first quarter, it wasn't until the second quarter when Fitzroy managed to put two goals on the board. It was a day of inaccuracy for Lockleys who went into the second half with four behinds. Despite the inaccuracy woes continuing for Demons, they managed to finish the day on top defeating the Lions by 8 points. Fitzroy finished the day with three goals, it was Kate Harding who led the way for Fitzroy kicking two goals and earning her a spot on top of Fitzroy's best players list. Felicia Mihelios played her best game of season for the Lions while Shantelle Wise continues her strong season. Lockleys finishing the game with 9 behinds had their opportunities to really get on top of the Lions, however they'll still be happy with win pushing them into the top four. Isabella Spooner had a standout game earning her best on ground, kicking one goal for her team while Alex Thorne kicked the other two. Reni Schlink and Rene Ferguson also had a big impact on the win, finding themselves amongst the Demons best. Fitzroy with only the one win so far put up a good fight and will be disappointed they weren't able to create more scoring opportunities. Although Lockleys got the win they will be looking to improve in front of goals.

Eastern Park 7.10 52 vs Scotch OC 1.2 8

The games continue Saturday morning with Scotch OC taking on the very hard to beat Eastern Park. It was always going to be a tough game for Scotch OC with Eastern Park playing so dominantly, which again was on display this round with a 44-point win over Scotch OC. Eastern Park kept their opposition scoreless until the final quarter where they kicked just the one goal. The demons themselves finished the game with 7 goals with 5 individual goalkickers. Tamara Clapton led the scoreboard with three goals next to her name. Sara Smith played her best game so far earning her best on ground, the regulars Erin Grainger and Samantha Saunders found themselves amongst the best once again with the vice-captain Samantha kicking a goal for her team. Kelli Terrel found herself on the best players list for the first time this year also contributing to the score with a goal to her name. Scotch OC have been a competitive team this year sitting third on the ladder coming into the game but were unable to compete against the best on Saturday. Despite only finishing with one goal two there were still positives for Scotch OC, with good performances from Caylee Battistuzzi and Shae-Lea Fischer while captain Jessica Bushell also put on a strong effort for her team. Unfortunately, the loss for Scotch OC has dropped them down to fifth on the ladder while Eastern Park sit comfortably on top.

Hectorville 23.15 150 vs Greenacres 0.0 0

It was a score fest down at Daly Oval for Hectorville as they take on the underperforming Greenacres. Hectorville were too strong for Greenacres keeping them scoreless with a massive 150-point win. It was an incredible 23 goal effort to get the win with 9 individual goalkickers. Leading the tally was Taylah Roberts who kicked 7 majors for her team but closely followed was Jazmine Egan kicking 6, putting on a best on ground performance. Tess McCormack once again finds herself amongst the best as she continues to put on a dominant display this season. Captain Lauren Kahl found herself amongst the goal scorers with two goals to her name. Greenacres will be once again disappointed to finish a game without a score after kicking their first goal the season last round. With their biggest score of the season Hectorville have boosted their percentage closing in on the number one spot.

Mitcham 5.9 39 vs West Croydon 2.4 16

To finish off the round it was the battle of the Hawks with Mitcham taking on West Croydon on Price Memorial Oval. Both teams winning their last game there was a lot of momentum on both sides. Despite looking like they were starting to play their best footy West Croydon went home with a 23-point loss. They finished the game with two goals kicked by Rebecca Cock and Kyekye James, with Rebecca finishing top of West Croydon's best players. Stacey Clavell and Alysha Sloan played their best game of season yet, while Janaye Grose continues to be a key player for West Croydon. Mitcham got the game started quickly with two goals in the first quarter. Accuracy wasn't Mitcham's best skill of the day finishing with nine behinds, but it didn't matter as they were too strong for West Croydon. There are no surprises seeing Jessie Keech on top of Mitcham's best players list with the phenomenal season she is having. Gemma Monaghan led the scoreboard once again with two goals following on from her three-goal performance last round. Sienna Shields was amongst the best on ground with one goal next to her name. Grace Henderson, Caitlin Duncan-Tiver and Eden Berger also showed their skills this round earning their name amongst the best on ground. West Croydon will be disappointed with the performance after two great games and will have to lift if they want a chance for finals. After a poor performance a couple weeks ago, Mitcham look to have got their season back on track with two wins in a row and sitting comfortably in the top four.

The women's division 4 will head into a bye over the long weekend before heading into round 8, which will kick off on the 17th of June with Greenacres taking on Fitzroy. It's been a tough season for Greenacres as they continue the search for their first win. It will be Greenacres best shot at a win against Fitzroy who struggle to get their second win, however Fitzroy should get the win 6-30. Then heading to Daly Oval where it will be a battle of second and third with Hectorville coming up against Mitcham. Although Mitcham will be filled with confidence after their last two wins, Hectorville look too strong to beat, 50-35. After a tough loss against Mitcham West Croydon head into an even tougher game against Eastern Park who continue to sit on top of the ladder. West Croydon will hope to improve after last rounds performance but will take a massive effort to bring down the ladder leading team. Eastern Park to win 45-20. To close of the round 8, it should be another tight game between Lockleys and Scotch OC. The last time they met in round 1 Scotch OC got on top, however Lockleys might just be heading into this game in slightly better form than Scotch OC and should get the win, 30-25.

Loreto OS 2.5.17 vs Woodville South 2.2.14

This game was always going to be a close one, with Loreto OS looking to try and snipe the top spot from Woodville South. In this low-scoring barn burner, only a behind was scored in the first. Going into half-time, the competition was very even, but Loreto was able to keep just two points ahead. Finishing off the third, Woodville South looked in the position to win, but a goal in the final brought Loreto OS the victory once the final siren sounded. Woodville South kept their top spot on the ladder, only by percentage though. Olivia Herde and Sophie Haines got the scores on the board for Loreto OS, with the best players being named as Emilie Hasler, Olivia Law, Hannah Sexton, Minnie Turner and Hilary Campbell. While Woodville South did not list their goal scorers, it was Taylah Pedersen, Gabriella Ward, Kelly O'Donnell, Amber Elvin and Evelyn Holt that stood tall for the Cats.

North Haven 8.7.55 vs Elizabeth 1.0.6

On the other side of town, a more one-sided affair was going down in the same town. Determined to redeem themselves, North Haven came out strong against Elizabeth and was unrelenting. After letting an early go-through in the first, the Pies made sure that the Eagles were done for the night by piling on another five throughout the game. Elizabeth kept scoreless after the first quarter, it was a rough time for them down at Largs North. Jessica Anderson scored their only goal and got best on ground, with Kimberlee Kite, Johanna Kite, Laurie Partridge and Alannah Verco-Jones also named best players. For North Haven, Aaliyah Osborne and Viviana Petyarre both kicked three goals and Mikaela Faulkner added another two. Along with Illara O'Loughlin, Amber Boots, Taylah Botten and Madyson Woods, Faulkner was also named one of the best on ground.

Edwardstown 9.16.70 vs Salisbury North 1.1.7

The massacres continued into the next day, this time down at Edwardstown. The Towns, even with a bit of inaccuracy in front of goal, were still able to put together a sixty-three-point win over Salisbury North. In a similar vein, both teams kicked goals in the first, but Edwardstown were able to keep Salisbury North from scoring no more than a point throughout the rest of the game. Finishing the game solidly, Edwardstown are proving they are not to be taken lightly. Neither team named best players for this round at the time of writing and Salisbury North failed to name their goal scorer. Giving them the spotlight they deserve though, Jess Patching booted a whopping five goals for Edwardstown, with Kaila Neddermeyer, Kaitlyn Reidl, Danielle Mousley and Ashlee Fitzhardy all adding one of their own to the bundle,

Modbury 2.0.12 vs Kilburn 2.6.18

Down at Modbury Oval, the game was a little bit tighter, with Kilburn able to take the two points away against the home side. Kilburn did leave it till late to rally, with both of their goals being kicked in the final term but a win is a win, no matter how long it takes to get it together. Megan Smart, Mia Ebert, Shania Politis, Sharna Tye and Jayla Wood were named best on ground for Modbury, with Smart and Sophie Aldridge responsible for the team's two goals. Talana Knaggs, Brooke Faulds, Alyssa Holmes, Eileen Collins – Cole and Carly Knaggs were named best on ground for Kilburn, with Carly Knaggs also kicking the two winning goals in the final.

Round 7 Preview

With another bye on the horizon, it will be interesting to see the effects of the break, especially on the two sides who played Friday night. All games will be played on Saturday, the week after the long weekend. Starting us off at Argana Park will be Elizabeth taking on Modbury. Licking their wounds after a thrashing, Elizabeth will hopefully take the break to really gather as Modbury will also be wanting to get a win back after missing out on such a tight margin. Will Elizabeth though be able to get their first win? Kilburn will be taking on Woodville South at home. Their work will be cut out for them, taking on the top side but as long as they show a lot of heart, Kilburn has the capacity to pull it off. North Haven has been playing some great football this season, so it will be up to Salisbury North to really pull it together. In the final match, Edwardstown will be heading over to Campbelltown to take on Loreto OS in what is sure to be the match of the round. Loreto OS have been playing some great football and Edwardstown has been showing a lot of heart, so expect this one to be a close affair.

SAWFL - Division 6 with Aidan Oliver

Marion (12.4.76) defeated Mitchell Park (0.1.1)

The weather Gods turned it on for South Australian footballers this weekend as the division 6 women enjoyed a fantastic Saturday of footy in near-perfect conditions. Mitchell Park battled hopelessly against a dominant Marion unit, succumbing to a devastating 75-point loss in the first game of the round. It was a familiar story for the home side who, yet again, failed to register a single major score. With their only behind coming during the second quarter, Mitchell Park's woes going forward continue to worsen as Marion's defence remained unbothered and untouched all game. In a momentous individual performance, Paige Ridgway fully capitalised on Marion's compelling display with an exhilarating seven goals. Unsurprisingly, the forward was named as the game's best player with no opposition number able to get close to her across all four quarters. To further emphasise how impressive Ridgway's day out actually was, her seven goals are the most kicked by an individual in a game so far this season and she now moves to second place in the scoring charts. Impressively, Marion converted 75% of their scoring shots in what was a comprehensive reward for their efforts in front of goal throughout the last month. Sienna McPherson joined in on the act in the forward half contributing to the scorecard with two of her own, with one goal for each of Isabelle Dawson, Majella Fleet-Ellis, and Emily Pelling. Achol Agany was once again a standout performer for Mitchell Park despite the humiliating loss, making it her fourth best on ground recognition for the season. Unfortunately, there isn't much to smile about for the Mitchell Park women. For perspective, their opponent Paige Ridgway's seven goals doubles their total points tally for the entire season.

Flinders Park (2.3.15) defeated Ingle Farm (1.2.8)

Perhaps it wasn't the convincing whitewash Flinders Park would've hoped for, nonetheless, a win is a win and that is exactly what the struggling home team needed. It was a tight, cagey affair that saw all three goals scored in the first half. Flinders Park haven't produced many adequate defensive displays this season, however, they were able to remain solid and resolute as they withstood an unwavering late charge from Ingle Farm who registered the only scoring shots for the second half. Nicole Faiello was instrumental in her side's victory, hitting the scoreboard and driving the girls home impressively. In her first best on ground display for the season, Faiello continues to catch the eye of Flinders Park's division 3 squad as she strides towards a third appearance at the higher level this year. For Ingle Farm, Portia Graham was acknowledged as their best player, making it the fourth game in a row that she has featured among the top performers. Flinders Park have fairly earned themselves the title 'best of the rest,' with their win firmly cementing themselves in fifth place, just behind Golden Grove. Despite their disappointing first half of the season, the Park girls have been victorious in three out of seven outings and remain just 2 points outside the top four. Albeit heavily optimistic, there remains hope for a finals birth for Flinders Park. With no games this weekend and a chance for each club to refresh and recompose, Ingle Farm will turn their attention to their most important game of the year. A clash against Mitchell Park after the break provides the perfect opportunity for this Farm side to register their first victory of the season. It'll be a huge test for both squads with the loser plummeting to the bottom of the table and remaining primed for the competition's Wooden Spoon.

DIVISION 6 REVIEWS AND PREVIEWS

SAWFL - Division 6 with Aiden Oliver

Athelstone (4.2.26) defeated Tea Tree Gully (3.5.23)

As expected, Max Amber Sportsfield hosted a genuine clash of titans between the two division heavyweights. A closely matched contest between the top sides saw Athelstone come from behind dramatically in the final term to record their sixth victory of the season, returning to first place and confirming their reputation as the team to beat in 2023. Tea Tree Gully came into the round undefeated following a convincing run of form that had extended to six consecutive triumphs. Gully led at every stage of the game other than when it mattered most, as they let the most dangerous team in the competition back into the contest through their own inaccuracy. Natalie Lomman, however, continued to have no issues in front of goals. Her two major scores were instrumental in her side's victory, proving that she is undoubtedly the best forward in Division 6. Lomman's performance in their attacking half was not even enough to earn a spot amongst the game's best players for Athelstone, with top honours going to Ashleigh Mackay. The number 18 was integral in her sides late push for victory, as she combined compellingly with Brittny Spooner, whose return to form proved to be vitally well-timed. Spooner's relentless consistency has earned her a position within the best players for a competition high six times. Remarkably, the tenacious footballer is yet to register a single goal in her seven appearances, as she continues to get the job done for her side in an unselfish manner. In typical Tea Tree Gully fashion, the girls battled hard all day. The travelling side were extremely gallant in defeat and were in control of the contest for three quarters, which will no doubt give their coaching staff plenty of positives to build upon in the second half of the year. It can be a cruel world in the realm of sport sometimes. Tea Tre Gully have been just shy of impeccable throughout their first six games, yet, they have descended to third place following Marion's comfortable victory against Mitchell Park. With a chance to reset this weekend, both clubs will be narrowing their sights towards a premiership charge, as the next time these sides meet in round 14, the stakes will be even greater than ever.

Golden Grove (2.6.18) defeated Goodwood Saints (0.3.3)

The final game of the round saw Goodwood Saints host Golden Grove under lights at Glandore Reserve in an expectedly one-sided affair. It was all one-way traffic as Golden Grove stormed to victory comfortably without conceding a goal. A major score in the opening and closing terms of the contest were enough for the travelling side, restricting their opposition to a mere three scoring shots through their forceful defensive efforts. The Saints were unable to build on the progress they had made recently and their loss on home soil marks the end of a disastrous opening half of the season. With just the one victory from six attempts, Goodwood's terrible run of form spells the end of their final's chances for 2023, leaving their pride the only thing to play for throughout the remainder of the year. For Golden Grove, it was a disappointing display for them in front of goal. The competition top scorers were unable to hit the target consistently, with their inaccuracy spoiling an opportunity for yet another emphatic scoreline. Despite goals from vice-captain Chelsea Duval and recent sharpshooter Tamsyn Murdoch, the Grove's unflattering six behinds were not an appropriate reward for their dominating endeavours. For the home side, their troubles continue to grow without a commanding presence within their forward 50. If you take a glance at the top four, only Tea Tree Gully don't have a main source of goals in their side. Natalie Lomman, the competition leading scorer, has won multiple games for Athelstone off her own boot with thirteen major scores from her six appearances this year. Paige Ridgway announced herself for Marion this weekend with seven goals, while Ashleigh Thomas and Katie Bell remain Golden Grove's dynamic duo with thirteen between them this year. For Goodwood Saints, their top scorer is Zali Turner who has only played three games for them all year. Her impressive displays have earned her regular chances in the Saints' higher team and the division 6 unit continues to struggle to fill the void she's left in the side.

SAWFL - Division 6 with Aidan Oliver

The week ahead!

The June long weekend brings a warmly welcomed break for all cubs across amateur sport in the state. For the division 6 women in the Adelaide Footy League association, Athelstone currently lead the pack at the end of the first half of the season. With Marion and Tea Tree Gully snapping at their heels, I am beyond excited for what the remainder of the season holds for the competition front runners. Rounding out the top four is Golden Grove who continue to battle with Flinders Park for the last spot in finals. Both sides have shown plenty of promise, however, the Grove's ability to hit the scoreboard more consistently than any other side in the league, will prove too much for Flinders Park to keep up with.

Unfortunately, for every big winner, there is an even bigger loser in division 6. The struggles and hardships persist to mount for the bottom three sides with Goodwood Saints' one win enough to keep Mitchell Park and Ingle Farm out of reach for the time being.
