# DIVISION 1 REVIEWS AND PREVIEWS

## MENS DIVISION 1 - ROUND 10 REVIEWS

### Port Districts vs. Broadview

Largs reserve was treated to an absolute skill fest between the in-form Port Districts, and perpetually competitive Broadview. Both teams made the most of the glorious Saturday conditions, each team having moments of relative domination of the play. Broadview shot out of the blocks to leave the hosts a little shell shocked, taking an impressive 14 point lead into the first change, from there it was a dead heat most of the way. Port trimmed the margin to just 1 point at half time, which stayed the case at 3 quarter time. From there, the class and poise from Port Districts enabled them to pile on a 5 goal 5 quarter and run away 21 point winners. Each team kicked accurately and played exceptional football. Although a win would have been nice for Broadview, to enter hostile territory and produce a performance in the manner that they did is an enormous tick. I'd love to see them in September, and if they can string a few wins together, I am positive they will do just that.

### Sacred Heart OC vs Goodwood Saints

Sacred Heart OC have chalked up a satisfying victory on the weekend to get them back on the winners list for the season. Their first half was a stark reminder of how dangerous a team they can be, keeping their opponents to a mere 1 goal at half time, compared to their 7, holding a 40 point lead a the half. From their however, one of the best quarters in Goodwood's season so far had them keeping Sacred Heart scoreless, and slamming home 4 exhilarating goals of their own to make the margin just 14 points. Unfortunately, this inspiring comeback proved to be mildly in vain, a they followed it up with a goalless quarter of their own, leading to a 32 point victory for Sacred Heart. Goodwood have again shown encouraging glimpses of football, but aren't quite yet able to string together a full game.

### Brighton Bombers vs Glenunga

It was always going to be an uphill battle for the Brighton Bombers who played host to Glenunga on Saturday afternoon. The first quarter was a display of spirited, defensive minded football, with Glenunga holding a slim, 7-point lead at the first break. The Rams would continue this charge into the second quarter, but inaccurate kicking prevented them from breaking away in the contest, kicking 1 goals 5 to 1 goal 1 in the quarter. Credit to the Bombers for staying in the fight, and with the margin at 11 points at the main change, it was all to play for in the third quarter. Brighton were held scoreless in the third, Glenunga's structure behind the ball once again proving impenetrable, a large part in what's made them so successful this season. The Rams, however, once again weren't able to put the game away, leading by 21 at three quarter time. The last quarter ebbed and flowed, with Brighton kicking 3 goals to 2, but ultimately not doing enough to erase the deficit. Glenunga proved once again that they are a hard-nosed, determined team who will be difficult to beat at the back-end of the season, and the result could've been even better for them, had they kicked straighter. Ultimately, despite a resilient showing from Brighton, Glenunga came out winners by 20 points.

**Prince Alfred OC vs St Peter's OC**

There was a sense of foreboding as St Peter's OC arrived at PAC, knowing it would take their best footy to create a contest against the top-of-the table Prince Alfred. We saw glimpses of this in the first quarter, with St Peter's creating plenty of chances, but Prince Alfred were able to grab the important moments and lead at the break 4 goals 2 to 2 goals 4. They were then able to continue building on this lead, blitzing St Peter's in a 6 goal second quarter, taking a 37 point lead into half time. In what was threatening to turn into a rout, St. Peter's came out of the huddle determined, and with a new intensity, but not capitalizing on their chances, kicking 2 goals 6 to their opponent's 4 goals 1, and trailing by 44 with a quarter left. There was a sense of finality in the result heading into the final term, which came into fruition. As Prince Alfred ran away 80 point victors. The visitors can take solace from some good patches of footy, but ultimately seemed well off the pace, now slumping to 1-8. As for PAC, their train just keeps rolling, sitting pretty at 9-1 with a healthy percentage, and looking the goods for a premiership push.

**Old Ignatians vs Tea Tree Gully**

After 4 consecutive losses and a lot of pain for Tea Tree Gully, it disappears for the moment as they remember what it's like to win. Their fast flowing, high octane and high scoring football style was back as they managed a fantastic 141 points including 21 goals in their return to form. 6 goals apiece for dynamite forward Peter Persinos and Luke Brown had Tea Tree gully sitting pretty early in the piece, having an already game winning margin of 38 at half time. From there, the Gullians only accelerated which saw the final score balloon out to a monumental 90 points. Again for the Old Ignatians, they have sadly seen this movie before, a positive comes in form of Will Ferrari, who moved like his namesake on Saturday and put together a very solid performance. Otherwise, they still eagerly hunt for their first on - field win.

**MENS DIVISION 1 - ROUND 11 PREVIEWS**

**Goodwood vs Prince Alfred OC**

Goodwood will be hoping to erase some of the disappointment of their 80-point drubbing at the hands of PAC in round 2, as the two come head to head again in round 11. They'll have their work cut out for them, however, as Prince Alfred OC have been largely untroubled in any match since their last loss in round 3. For me, I wouldn't bet against Prince Alfred for anyone right now, and I think they'll win by 65 on the road.

# DIVISION 1 **REVIEWS AND PREVIEWS**

## Glenunga vs Tea Tree Gully

This is a really interesting matchup, which could potentially be decisive when looking at the table come the end of the season. It's the in-form Glenunga playing host to 5th placed Tea Tree Gully, who will be buoyed on by a 90 point demolition of Old Ignatians last week. Glenunga took the choccies by 52 points in the two teams' last contest, and the hosts have proven themselves to be a defensively sound and consistent unit in the weeks since, recently taking care of two finals contenders and even giving PAC a real scare. Though I'm expecting a fight by Tea Tree Gully, I've got Glenunga winning this one by 31.

## Broadview vs Sacred Heart OC

On paper, this should be a pretty simple tip for myself. The much higher placed Sacred heart not only took care of business last week where Broadview didn't, but they also convincingly did the job last time these two met. Something about Broadview really impressed me last week, I'm going to put my faith in them to bring it again this week. I'm going Broadview by 13 points in what will be the game of the round.

## St. Peter's OC vs Brighton Bombers

So far this season, I've really enjoyed watching Brighton become a more and more competitive team as the weeks have gone on, while I don't suspect it will mean finals for them, I can feel them building to something impressive. Although St. Peters has also shown a fair bit, I'm going to be backing in Brighton by 40 this game.

## Port Districts vs Old Ignatians

Gee. Whiz. This isn't going to be a fun match to review this week. The way I see it, this is the highest seeded team hosting the lowest seeded team and are just worlds above them at the moment. I enjoy the plucky nature of the Old Ignatians, and am as much of a sucker for an underdog as anyone, but this is going to be a rough weekend. I'm backing Port to chalk up the biggest winning margin of the year, for now i'll leave it at 100+ .

# DIVISION 2 REVIEWS AND PREVIEWS

## MENS DIVISION 2 - ROUND 10 REVIEWS

### Golden Grove v Payneham NU

Golden Grove have cemented their spot at the top of the Adelaide Footy League ladder with a dominant win over the second placed Payneham. Both teams came out looking to take a victory in what is likely to be a prefinals matchup between the two sides. Golden Grove led from the start finishing the first quarter with a point lead and the momentum going into the second. Golden Grove looked to gain a sizeable lead in the second quarter kicking 3 goals 2 to Payneham's 1 goal 2. The first half came to a conclusion with Golden Grove sitting firmly in the driver's seat leading 34-17. It was all Golden Grove in the second half kicking 7 goals in throughout the remainder of the game while Payneham struggled to keep up kicking 3 goals 4. Lewis Johnston, Connor Hillcoat, Jake Pitman, Dylan Wall and Nick Preston rose to the occasion in the crucial win. Tom Wagner and Jack O'Leary did their best however came up short. Golden Grove will be feeling very confident after a convincing win against their main competition this season, while Payneham will need to focus on this matchup in order to prepare for finals.

### Henley v Edwardstown

Henley have taken the win in what proved to be a fairly one-sided matchup against Edwardstown in round 10. Edwardstown came out strong kicking 2 goals in the first quarter while keeping their opponents without a major score in the first term. Edwardstown held onto their lead going into the major break adding an additional 2 goals and 4 behinds, while Henley showed signs of a comeback adding 3 goals to their score before the conclusion of the first half. Henley continued their momentum coming out the half time break kicking 3 goals in the third quarter while Edwardstown looked tired and were unable to add a major score. It was more of the same in the final quarter as Henley saw 9 scoring opportunities with 3 goals. Edwardstown's struggles continued in the fourth seeing them only able to add 1 goal and a behind to their final score. Tom Pillion led the way on the scoreboard for Henley kicking 3 goals while James Lean, Jack Pillion, Corey Gray, Jack Enright and Michael Gaudesen did their part in the win. For Edwardstown, Mitch Neumann, Josh Schiller, Aaron Anderson, Oliver Ebert and Logan Hill did their best in the loss. Edwardstown should focus on stringing together four quarters of good footy as they failed to hold on to an early lead while Henley should celebrate what was a hard-earned victory.

### Adelaide University v North Haven

North Haven have once again come through with the upset victory over Adelaide Uni this week achieving their second win of the season thus far. The final quarter finished with signs of a close contest, Adelaide Uni led the way kicking 4 goals 1 to North's 3 goals 2. Adelaide Uni did their best to hold on to the early lead throughout the second quarter and went into the main break with a 1-point lead after another strong 3 goal quarter from North.

**Adelaide University v North Haven (cont'd)**

Coming out of the half however North looked like a different team, they went on to kick 4 goals in the third while keeping Adelaide Uni to only 1 major for the quarter. North were then able to match every Adelaide Uni attempt at a comeback kicking 3 goals in the final quarter to Adelaide Uni's 2 goals 3. Both Lindsay Thomas and Tom Sandercock kicked 3 goals for the winning North Side accompanied by a strong performance from Oliver Wood. Matthew Nielsen kicked a couple and led the way for Adelaide Uni however it wasn't enough in the upset loss. North will be looking to continue their recent good performances in a tough matchup against Athelstone next round while Adelaide Uni will need to string together a few good wins in order to climb up the ladder prior to finals.

**Rostrevor OC v Salisbury North**

Salisbury have dominated their ladder rivals Rostrevor in what proved to be a very on sided outing and a disappointing result for Rostrevor. Rostrevor's struggles began in the first quarter failing to record a major score in the first quarter while Salisbury made the most of their chances with a strong 5 goals in the first. Salisbury were able to match every attempt at a Rostrevor comeback matching Rostrevor's 2 goals with a pair of their own. The first half concluded with Salisbury holding a 44 - 18-point lead. Salisbury proved to be simply too good for the remainder of the match, adding another 8 goals to their total by the final siren while Rostrevor were only able to kick another 4. Rostrevor should look to make the most of their chances at goal in future games as had they converted on a few more of their 11 behinds the outcome of this match may have been different. Ferghus Kernahan chipped in with 2 goals in the loss while, Charles Kemp, James Butterworth, Ryan Lymn and Dylan Reinbrecht performed well for Rostrevor. Jake Johansen carried the load offensively for the winning side kicking a whopping 6 goals while, Jordan O'Brien, Travis McIntyre, James Loneragan and Callum Hay had strong performances to get their team over the line. Salisbury should see this win as a sign they can compete with the top of the table teams while Rostrevor need to put this game behind them and focus on coming back strong next week.

# DIVISION 2 **REVIEWS AND PREVIEWS**

## PHOS Camden v Athelstone

PHOS Camden have come out on top in a matchup to decide who takes the number 3 position on the ladder in a convincing yet tightly fought contest against Athelstone. PHOS looked to come out and put the game to bed early kicking 3 goals and 6 behinds in the first quarter while allowing only one major from the visiting team. Athelstone woke up for the second quarter of play adding 3 goals to their total before the half time siren rang, PHOS had an answer to their efforts however, kicking 3 of their own. The first half of play concluded with PHOS holding a comfortable 16-point lead. PHOS came out looking to finish off the Athelstone squad in the third quarter with 7 scoring opportunities and converting on 4 of them. Athelstone looked all but defeated managing just a couple of goals as well as a behind finding themselves on the wrong end of a 30-point deficit at the end of the third quarter of play. Athelstone weren't going down without a fight however, kicking 4 goals 5 in the final quarter and keeping PHOS to just a couple Athelstone made the most of a complacent PHOS team. Despite the late surge from Athelstone PHOS were able to hold onto the lead finishing the game 12 goals 13 – 85 to Athelstone's 10 goals 11- 71. PHOS were led by 4 goals from Declan grant as well as 3 from Will Papatolis, while Athelstone were led by Captain Luke Rander and Vice-Captain, Mitchell Grigg with 2 goals each. Both teams still remain very much in finals contention and should be looking to add on to what have been successful seasons for both sides so far.

## MENS DIVISION 2 - ROUND 11 PREVIEWS

### Edwardstown v Rostrevor

Both teams are coming off disappointing losses and should be looking for a bounce back win in order to keep their seasons on track. Rostrevor find themselves around the middle of the table and only a few wins on the trot away from moving into the top 4 or maybe even 3 if things go their way. Edwardstown on the other hand find themselves just a loss or two away from the bottom of the ladder and with North finding their feet late in the season, they need a win or two to regain some confidence and keep themselves away from the bottom. Despite Edwardstown's need for a win this week Rostrevor will simply prove too tough to beat. Expect a one-sided outing with Rostrevor winning comfortably. **Rostrevor by 46**

### North Haven v Athelstone

North Haven appeared to have regained some confidence after their lack luster start to the season coming off the back of 2 hard fought wins and they will undoubtedly be looking for a third. Athelstone on the other hand will be coming into this matchup hoping to regain their momentum after a tough loss to ladder rival PHOS Camden last week. With Athelstone just a win or two out of the top 3 they will be looking to capitalize on what should be a good chance to bounce back. North should look to take advantage of what could be a slow out the gates Athelstone squad expecting an easy win. Despite North's recent string of good performances, expect Athelstone to prove the difference between the number 4 and 10 position on the ladder. **Athelstone by 39**

**Samuel Cannadine**

gives his match previews for this weeks matches

**Payneham v Henley**

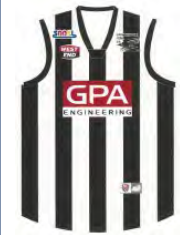

Both teams are coming off very different performances one being an upset victory and the other being a thrashing against a ladder rival. Payneham need to bounce back this week after an extremely disappointing loss against what could very much be their finals competition in Golden Grove, they will be looking to use this matchup as a chance to bounce back and regain some confidence. Henley on the other hand should look to take advantage of not only their momentum after a good win vs Edwardstown but also what is a team looking to bounce back from a disheartening loss in the previous week. Despite Henley's win last week Payneham is number 2 on the ladder and expect them to bounce back in a major way against the weaker Henley side. **Payneham by 64**

**Salisbury North v Adelaide University**

Adelaide University desperately need a win this week in order to bounce back from a loss to the bottom of the ladder North side last weekend, and being only a win or two behind Salisbury they need to come into this game with their foot on the accelerator if they want to bring it home. Salisbury will be looking to ride their momentum after a big win against ladder rivals Rostrevor last week and should look to take advantage of a favorable matchup against a lower on the ladder Adelaide Uni side. Adelaide Uni dominated their matchup last matchup preventing Salisbury from scoring a single point. Expect a tighter matchup than last time between these two but Adelaide Uni taking the win. **Adelaide University by 14**

**Golden Grove v PHOS Camden**

PHOS will be looking to put up more of a fight than the number 2 on the ladder last week however Golden Grove will be looking to prove why they are the consensus best team in the comp, looking to put away the number 2 and 3 sides in consecutive weeks. Both teams are coming off good wins however, Golden Grove's smashing of Payneham last round can't go unnoticed. Golden Grove dominated their last matchup in round 2 and despite both teams playing a lot of footy since, expect a similar result with Golden Grove proving too strong for the rest of the competition. **Golden Grove by 68**

## MENS DIVISION 3 - ROUND 10 REVIEWS

### GAZA v Seaton Ramblers 14.5 vs 11.9

Seaton were playing their first away game for the season and last time the two teams met it was just a kick in it. It was the Eagles that started well in the first going inside fifty and Ben Beioley goaled. The play came from the halfback to set up the goal. It was a centre clearance to the Eagles, and they went back into their fifty and it was a mark and goal to Bradley Tudorovic playing his first A Grade game. The Eagles had the first two goals. It was another centre clearance to the Eagles and that went in for a minor score. The tackling pressure from both sides was fierce.

The Eagles continued to play in their fifty and it was Ridding who goaled again and the margin was fifteen in favour of the home side. The ball was up and down the ground and eventually the Rams scored the next two and with 3 minutes to play with Warren figuring in the play. Gill goaled for Gaza and at the break it was the home side by fourteen points. In the second it was a similar start, but it was the visitors with the quick start and goal in the first minute. The Rams got the next clearance but could not penetrate the half forward line. On the rebound the Eagles went inside fifty through Tudorovic for his second goal to the home side from the re start it was Seaton who got the clearance and went into their forward zone to goal again. The margin was back to nine.

The Rams continued to push, and it was Zocchi who goaled and the margin the Eagles had was evaporating. The Rams continued to win the clearances but could not capitalise. The tackling pressure was immense, but it was the visitors doing all the attacking. The Eagles went in with a mark and shot but it pulled up short. The Rams went forward, and it was Kasianowicz who marked and goaled. The visitors were in front for the first time in the game. Gaza got the clearance for no result and the Rams continued to attack and finished with another two majors. The margin at halftime was fifteen points to the visitors. Gaza started the third the same as the first with a centre clearance and Bieoley marked but his kicked pulled up short. Corey Jones then marked from a stoppage and goaled for Gaza and the margin was nine points. The Eagles continued to push into their fifty with no luck. Seaton pushed back into their forward zone, and it was a goal to Studham, and it looked like the visitors were getting on top. Kasianowicz marked again and goaled and the margin was a game high twenty-two points to Seaton. The home side needed some divine intervention, and it came from Blake Thomas who goaled. Then Bieoley marked fifteen meters out and goaled and the margin was fifteen points.

Both sides battled the quarter out, but it was a 15-point margin to the visitors at the last break. The start of the last had both team entering into their forward fifty with not much happening. It was then Thomas from the Eagles snapping a point. Then it was the Rams turn to go forward and kick a behind. Then it was Rugari who goaled for the Visitors. It was a matter of by how much the way the game was panning out. Gaza then went inside fifty and Jones received a free and goaled. The margin was then twenty.

**GAZA v Seaton Ramblers 14.5 vs 11.9 (cont'd)**

Gaza went again and Ridding marked and kicked true. It was then a goal from Matt Beadle and the margin suddenly was eight points and it was game on. The pressure was building, and Gaza had another lease of life, and they were doing all the attacking. Unfortunately, they could not put it on the board. It seemed like the ball was parked inside the Gaza forward line for an eternity, but the Seaton defence was holding up strongly. They eventually got some space and moved the ball down the ground pushed into their fifty and Kerruish marked and goaled. Gaza went forward and James snapped and could only manage a behind, and the final margin was fourteen points in a good game of Footy. Best for The Rams were Leahy, Kasianowicz, Kerruish, Vasey and Gatt and for Gaza C Jones, Papachristos, Fulton, Karr and Wanganeen. Goal kickers for Seaton Kasianowicz 4, Warren 3, Buchanan 2 and singles to Rugari, Zocchi, Paddock, Studham and Kerruish. For Gaza Ben Bieoley 2, Tudorovic 2, Ridding 2, C Jones 2 and singles to Gill, Beadle and Thomas.

**Unley Mercedes Jets v Hope Valley 13.15 vs 8.13**

Two of the heavy weights went head-to-head at Kingswood and was the home side that started as favourites. It was the Jets that scored five goals to the visitors four and had a 7-point lead at the first break. In the second it was all the Jets again with a four goal to two quarter and a 17-point lead at the long break. The third was bit of a slog with only goal scored was to the home team and lead at the last break was sixteen points. In the last Unley did enough to close out the game with another three goals to the Demons 2. The final margin was thirty-two points to the Jets. Best for the Jets were Pedler, Cheesman, Duval, Faehrmann and Armiento and Hope Valley Garang, Riddle, Schilling, Grieger and Hunt. Goal kickers for the Jets Murphy 3, Miller 2, B Ianniello 2, Miller 2, and singles to J Khabbaz, Cheesman, Pedler, J Ianniello, Tidswell, Armiento and Heaslip. And Hope Valley Nobes 3, Carabott 2 and singles to Hellmanns, Min and Brunoli.

**Scotch OC v Pembroke OS 14.8 vs 9.15**

The Kings ventured to Scotch College for their hit out knowing they were coming up against a quality side. Pembroke had a massive win against Hope Valley last Friday night and had the eight-day break. Scotch on the other hand have been one of the form sides. It was the Kings that came out fast and four goals to the home sides one and it looked like they had come to play. They took an 18-point lead into the first break. In the second it was a similar situation with three goals apiece and if it were not for their bad kicking the Kings would have had a bigger lead than their twenty-two points at halftime. In the third the home side bounced back kicking three goals to the visitors one and they were taking control. The margin was back to twelve points at the final break. In the last Scotch took full control kicking seven goals to the Kings one to run away with a 23-point win. Best for Scotch OC Morgan, Marslen, Vandenberg, Foord-Spriggs and McLeod. For the Kings Duffy, Green, Polyak, Slade and M Thring. Goals for Scotch Marslen 6, Rose and Freeman 2 and singles to Foord-Spriggs, McLeod, Bastian, Eagleton. Goals for Pembroke Evans 4 and singles to Forster, Dinham, M Thring, Evans and Green.

# DIVISION 3 **REVIEWS AND PREVIEWS**

## **SMOSH West Lakes v Flinders Park 9.20 vs 11.6**

It was always going to be tough for the home side coming up against a side that was in good form. The Reds kicked three goals in the first to the Rams 2 and it was an 8-point difference at the first break. In the second the home side outscored the Reds by a goal but the wayward kicking by the visitors kept the margin at the long break to eight points in the third the Reds kicked three goals and the Rams could only manage the one major. At the last break it was the Reds by twenty-six points. In the last quarter the home side started to claw their way back into the game and kicked six majors to Flinders Park 2. Whilst the SMOSH had kicked more goals it was the Reds that prevailed with their twenty behinds with a margin of two points. The best for Flinders Park were Stearne, T Schwarz, Teague, Macro and J Schwarz. For SMOSH it was Bennett, Dalidowicz, Murphy, Moore and Dorian. Goals for Flinders Park Teague 5, and singles to Stearne, Muirhead, Nixon and N Schwarz. SMOSH - Cocks 4 and singles to Lovering, Brown, Spark, Mahney, Ginever and Other.

## **Westminster OS v Modbury 19.11 vs 6.11**

The Dragons knew they would have been up against a side that has been in rather good form. In the first it was Westminster kicking four goals to the Hawks 3 and they held a 7-point lead at the first break. In the second the Hawks dominated kicking six goals to the Dragons 1 and suddenly, the lead to the visitors was twenty-five points at the long break. In the third the Hawks put through another four goals and held the home side goalless. The lead at three quarter time was then out to forty-five points. The last was pretty much the same with six goals to the Hawks and only the one to the Dragons. Best for The Hawks D Pisani, Llewellyn, Buccini, Kightley and Verity for the Dragons it was Tape, Harms, Blackwell, Gibson, and Johncock. Goals for Modbury Hearing and Verity 3, Kaipara, D Pisani, Murphy and Watson 2 each and singles to Buccini, Maunder, Cluse, Phillips, and Stewart. For the Dragons Blackwell 3 and singles to Harms, Grosser and Weckert.

## **MENS DIVISION 3 - ROUND 11 PREVIEWS**

### **Gaza v Westminster OS at Klemzig Reserve**

A game that on form should be close as the Eagles are still searching for their first win and the Dragons are looking for their second. The Eagles may have a slight advantage playing at home but playing three quarters of footy each week makes it difficult. Whilst in might be close the Dragons should be able to do enough to get the points.

**Pembroke v Modbury at Haslam Oval**

The Kings are always good at home albeit they are coming off a loss to Scotch last round. On the hand the Hawks had a big win against The Dragons at Glandore which was impressive. If the Modbury come out firing, they are a chance to win this one with the Pisani boys playing good footy along with Ryan Llewellyn who is on fire. The Kings are also stacked with talent with Forster and the Thring brothers in top form. In an upset The Hawks to win another game away.

To Win Modbury by Nine points

**Unley Mercedes Jets v SMOSH West Lakes at Kingswood Oval**

The Jets are in exceptionally good form now and will need to be terrible to lose this one. SMOSH like Gaza has found the season tough this year and coming up against a team that is playing home and has only dropped one game it will be tough. The Jets will get up comfortably.

To Win Unley Mercedes Jets by Thirty-Nine points

**Flinders Park v Scotch OC at Flinders Park Oval**

The Reds are hard to beat at home, but Scotch are in good form now. If Scotch can negate the Schwarz boys and Dakota Nixon it might make life easier. Scotch coming off a great win against Pembroke makes them start favourites. The boys from the foothills should win in another close one.

To Win the Scotch by thirteen points

**Hope Valley v Seaton Ramblers at Hope Valley Oval**

The Rams are coming off a gutsy win against the Eagles last week and are keen to take down another big scalp. Hope Valley on the other hand had a loss to the ladder leaders Unley. The difference is that Demons are playing at home and have a great record at Hope Valley. In front of their home crowd the Valley of Hope get up.

To Win Hope Valley by Twelve Points

# DIVISION 4 REVIEWS AND PREVIEWS

## MENS DIVISION 4 - ROUND 10 REVIEWS

### Morphettville Park v Mitcham

Morphettville Park continued their steady push for a top 5 spot with an (eventually) comfortable win against relegation candidate Mitcham at Kellett Reserve that was in excellent condition despite the midweek rain. The victory was all the more meritorious considering the Roos were without key big man Alex Barns and elusive forward David Hankin. Mitcham jumped out of the blocks and lead at quarter time by 2 goals having kept Morphy Parks goalless. It was, however, all one-way traffic from them on with Morphettville Park outscoring the Hawks by 6 goals in the last three quarters. Brody Trembath has been a consistent avenue to goal for the Roos with three bags of over 4 goals now. He was also amongst their best. Tall defender Sam Walker was awarded B.O.G. Max Smyth kicked 3 and ruckman Stewart Lawson took advantage of Barns' absence to be influential for Mitcham. Round 11 could prove to be a critical game for Morphettville Park as they take on a Walkerville team also looking to move up the ladder while Mitcham take on the show bag of the competition Plympton.

### CBCOC v Plympton

The Dolphins flexed their muscles in a contest that on paper promised to be a tight affair. It was a goal the difference at quarter time before CBCOC took control of the game. Plympton were only able to kick 2 goals after quarter time while CBCOC kicked 8. Josh Hoffman is gaining some continuity in his football and has provided CBCOC with a significant avenue to goal since coming in, in round 7. This has made CBCOC less one dimensional going inside 50 and means they are not relying quite so heavily on coach Brett Simpson who continues to be a good forward line option. Matt Raymond is an excellent user off half back and his run is invaluable for CBCOC. Curtley Hampton was awarded best player honours for Plympton but was fighting a losing battle. Declan Bayly contributed 3 goals when swung forward. Both teams will be looking for percentage boosts next week. CBCOC are at home again and host the improving Portland Thunder while Plympton will be looking to solve the inconsistency puzzle against ninth placed Mitcham.

### Lockleys v Pooraka

There is always a vibe of excitement around a battle between first v second on the ladder and no doubt there was significant anticipation from the crowd at Lockleys oval. It's the time of the year where coaches want to confiscate players passports and no doubt Matt McDonough wished he had done just that with Ben Haren's. The competitions leading goal kicker is being sorely missed, but on the flip side Pooraka were also once again without one of their key spearheads Luke Buckby. Pooraka jumped out of the blocks strongly and kicked 7 unanswered goals to none in the first quarter and the contest was pretty much over. Lockleys outscored the Bulls by 5 goals after quarter time but the damage had been well and truly done! As they have done most of the year Pooraka shared the goals around with midsized forward Michael Baker kicking 2. The Timpano brothers are in excellent form and they were once again amongst the..

## Lockleys v Pooraka (cont'd)

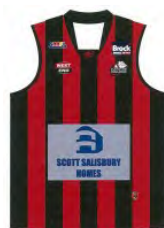

best for Pooraka. Ryan Langcake is a good avenue for the "Harenless" Lockleys forward line and he kicked 3. Tall defender Aaron Rainey is having an excellent season for Lockleys and he was awarded best. Running half back Nathan Batley and the ever-consistent Bowen Hosking were good also. Pooraka are at home next week to Kenilworth in a game they should win while Lockleys travel to Daly oval to take on the Hectorville hounds.

## Portland v Hectorville

Hectorville made the trip down Port Road to visit the Thunderdome to take on an improving Portland in a game that Portland coach Brian Leys would have thought was an opportunity to pinch their first win. At quarter time the Thunder boys must have thought they were a chance when they were only a point down. It was one way traffic in the next two quarters with the Hounds outscoring Portland by 7 goals. Pleasingly for the Thunder they outscored Heccies 5.2 to 1.6 in the last quarter to have a rare "quarter win". No one really knows how old Dale Laslett is, but he continues to perform at an amazingly high level which sets an impressive example to his peers in terms of work ethic and preparation. He kicked 3 goals playing in an unfamiliar role in the forward line and was also awarded best player honours. He has won an astonishing 7 best and fairest for Portland and an 8th isn't out of the question this year. Burly tall forward Jarryd Jackson was also a solid contributor. For the Hounds it was the usual suspects. Jak Goudman-Glasson kicked 4 goals and now has 29 for the year while captain Daniel Fairbrother once again led from the front. He has been among the best players in 8 of the 10 games he has played and must be one of the favourites for the division 4 "Brownlow". Portland faces a huge challenge next week as they travel into the city to face a CBCOC team hunting a top 3 finish while Hectorville return home to face a smarting Lockleys.

## Walkerville v Kenilworth

On paper this looked to be a game between two teams trying to build momentum toward a top 5 finish at the end of the minor round. Unfortunately for the spectators, the reality of the game never really lived up to that billing. Walkerville were on top from the first bounce and had 11 scoring shots to 4 in the first quarter. Only errant kicking kept the Kookas in the game. After quarter time Walkerville found their radar somewhat and kicked 12.10 to 5.5 to run out comfortable and impressive winners. What would have pleased Walkerville coach Ryan Madden is that the scoring was not just left to their ever-reliable spear heads James Boston and Adam Proud. They had 10 different goal kickers in a dominant performance at home. Without key goal kicker Giuseppe Nirta Miles Crump proved to be the Kookas only genuine target inside 50. Crump kicked 3 goals on the day. He is an ever-present target for Kenilworth and his efforts are invaluable to their cause. For Walkerville the hard tackling Tate Manning was awarded best player while outside runner Tai Duong was best for Kenilworth. Walkerville will be looking to continue building momentum by winning 4 in a row as they travel to Kellett Reserve to take on Morphettville Park. This is unquestionably one of those cliché "4 point games" as both teams look to push for a finals spot. Kenilworth will be taking on the most challenging road trip in Division 4 as they head to Lindblom Park to take on the running of the Bulls.

### Elizabeth vs Gepps Cross / 7.12 - 54 vs 15.10 - 100

In a clash than seen the top of the table Gepps across heading out to Agarna park to take on one of the lower end teams in Elizabeth, I said this game was going to only go one way and in the end that's exactly what happened. But for anyone watching the first quarter, it looked like we were in for a very good game of football. The eagles managed to kick 3 goals and 4 behinds compared to the 4 straight from the rams, which seen them trailing by only 2 points at the first change and would have been leading if they could kick straight with a few more scoring shots. After quarter time though it would have felt like it was only Gepps out there, with Elizabeth not managing to kick another major until the very last quarter. The damage was done at that stage and Gepps across were in cruise mode making sure they come out of the game unscathed and with another big victory under their belts. In the end it was a 46 point victory and another big tick on their way to a double chance and quite possibly the minor premiership. Elizabeth's best players included John Page and Stephen James, with one of their star forwards in Jarad Clinton also managing 4 goals out of the teams 7. For Gepps Cross it was once again star recruit Dom Barry who stole the show with 4 goals and another best on ground performance. Graham Hampton was also among the best with 5 goals of his own.

### Blackfriars OS vs Pulteney / 15.12 - 102 vs 17.11 - 113

Probably the game of the round between a couple of teams fighting for the 5th position but to also avoid the relegation zone come the end of the season. With a massive log jam in the middle of the ladder, a win for either team gave them a little separation from the chasing pack which made it even more crucial for both Blackfriars and Pulteney to get a win here. With so much on the line, both clubs come out with the same intent which made for an interesting watch and had all the makings for a belter. Both teams registering 4 goals in the first quarter but it was the hounds leading by just 3 points heading into the first change. Second quarter was much like the first with both teams kicking 3 goals each but Blackfriars having a few more scoring shots which gave them a 6 point lead heading into half time. It was the blues that come our firing after half time knowing what was on the line, they were not going to leave out there and tried their hardest to get a grip on this game. Going back and forth throughout the 3rd quarter with plenty of lead changes again, but Pulteney definitely looked the better team after kicking 4 goals and 5 behinds they gained themselves a handy little 4 point lead heading into the final quarter. Both teams saving their best quarter for last in a serious shoot out but it was Pulteney who come out on top booting another 6 goals to run out the game 11 point winners in a thriller. Andrew Mcwhirter and Dylan Richardson were both outstanding for the home side in Blackfriars so no surprise seeing them named in the best. Pulteney had a nice even spread but it was Lachlan Kennewell and star recruit Nick Worrall named best as the team hopes to continue this form coming into the back end of the year.

### Trinity OS vs West Croydon / 10.7 - 67 vs 15.9 - 99

The division 6 grand final rematch from last season did not disappoint at all. Both teams coming up a division have managed to put themselves in strong positions to play finals again this season, which is never easy after a promotion. The last few times these clubs have met, Trinity have had their way with the hawks. Both clubs have found consistent form over the last month which meant this game was going to be a good one whichever way it fell. Plenty of lead changes throughout the day with some back and forth football, neither team wanted to give an inch. Trinity would have been extremely confident but internally West Croydon knew that they've come into form at the right time and were every chance of breaking the streak the TOSers had building against them. With a double chance still in sight for both of these clubs, they did not leave anything out there but unfortunately for Trinity, the hawks were the better team on the day and ran out the game 32 point winners. Massive win for West Croydon and a serious threat to the rest of the competition with the football they have played over the last 4-5 weeks. Best players for Trinity included Cameron Hankinson and Jack Henneker for his first time this season. For the hawks it was the ever reliable star in Tyrone Milera named best on ground yet again. Dion Doolan booted 7 goals and was among the best once again, his last fortnight has been huge for the hawks kicking 13 goals across the 2 games

### Eastern Park vs Kilburn / 6.7 - 43 vs 23.14 - 152

Another dark day for the demons but it was to be expected and I hope they can bounce back quickly from a tough loss like this. Kilburn have been cruising since their loss to Gepps Cross and have demolished any team put in front of them, Saturday was no different! Back to back 100+ point wins, these chics are leaving nothing to chance in the second half of this year and know they are right in the mix for the minor premiership. The game was played on Kilburns terms right from the get go, kicking 7 majors in the first quarter and taking a 40 point lead into quarter time. The rest of the game was very similar and not at any stage did the demons stop the bleeding or put up any sort of fight. Eastern Park would be extremely disappointed with their output Saturday but will look forward to the game against Pulteney this weekend, being the only team they've registered a win against this season. Peter Diedrichsen standing up once again as the skipper and being named best on ground for the demons, un-retired veteran Ashley Clifton played one of his better games this season being named among the best also. Would have been extremely hard for Kilburn picking best players after a near 20 goal win but superstar Ray Hedland was named best on ground after a crucial role through the middle of the ground while also kicking 2 goals. Corey Solly once again to strong up forward booting another 6 goals to be leading the divisions goal kicking.

## Colonel Light Gardens vs Woodville South / 7.10 - 52 vs 3.11 - 29

After a tough loss last week with a kick after the siren, the CLG boys would have been eager to rectify that and keep pushing towards that double chance. Woodville South went in full of confidence after a solid win last week but was always a tough ask coming up against CLG out at Mortlock Park who play their ground very well. The cats were kept goal less in the first quarter which made the task at hand an even tougher one, heading into quarter time 17 points down. The second quarter was a much better effort almost breaking even but still trailing by 18 points at half time. Tough conditions had this game very low scoring and CLG holding the cats goal less in the first quarter was looking like it was playing a big part in holding on to the victory. Woodville South had no answers in the 3rd quarter and were once again kept goal less which gave Colonel Light a 25 point lead at the last change. The last quarter was very even again which just wasn't going to cut it for the cats and ended up handing them a 23 point loss. CLG looked in control for majority of the game and deserved the win, after the tough loss last week there was no chance they were going to let another one slip. Jack Tape was named best on ground for the home team while Sam Bruinewoud was also among the best with a couple goals to his name. Woodville South's best players included the ever reliable Dylan Gaylard and their vice captain Liam Wood.

## MENS DIVISION 5 - ROUND 11 PREVIEWS

### Pulteney vs Eastern Park

The last time these clubs met it was the demons with a huge win out at Dwight Reserve. This was the last time Eastern Park managed to win a game and I think it will be different this time round. Pulteney have been up and down all season but look to be a lot stronger since the break. The blues will be looking to rectify their loss against the under manned demons and have plenty to play for this week with the 5th spot still within reach. Eastern Park have struggled this year and still have an injury list that is having a huge impact as the weeks go on. As much as I'd love to see the demons notch up another win, I don't think that will be this week travelling out to Pulteney. **Pulteney - 20 points**

### West Croydon vs Woodville South

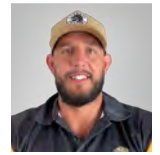

Woodville South knocked off the hawks the first time these clubs met but the tides have definitely turned since then. West Croydon have come into form at the right time and almost have their full list available, I think they are a serious dark horse in this division and will look to continue on their winning ways this weekend. Woodville South going down to CLG on the weekend still has them in danger of that relegation zone. The hawks playing at home with plenty riding on this game will have a big advantage here and if it's going to be another rainy day, Woodville south won't be able to match their toughness or class around the football. With a top 3 spot still in reach, the hawks will be doing everything in their power to continue to push for that double chance. **West Croydon - 30 points**

**Gepps Cross vs Blackfriars OS**

Still the only undefeated team in the division, Gepps Cross will be looking forward to getting back on their home deck after they demolished Elizabeth on the road last week. Blackfriars suffered a tough loss at the hands of Pulteney and have put themselves in a tough position with the division so close and only percentage separating 9th and 7th positions. I can only see this game going one way and unfortunately for the hounds, Gepps Cross first loss of the season won't be at the hands of them. The rams will continue to build on their unreal form this season and post another big win this week. **Gepps Cross - 40 points**

**Kilburn vs Trinity OS**

Kilburn coming off the back of another massive win on the weekend, seemed to be playing their best football at the right time. Can they continue this right through until finals is the question? Their list is easily one of the strongest in the competition and although Gepps Cross beat them a few weeks back, at full strength it's hard to see them losing another game. Trinity on the other hand are coming off a tough loss against their West Croydon rivals but until that point looked in the box seat for a double chance. I definitely think they are still good enough to push for it but I can't see them getting over the line against the chics this Saturday. Back to back losses is never good but their list is good enough to bounce back from that and finish off the year in strong form leading into finals. **Kilburn - 40 points**

**Elizabeth vs Colonel Light Gardens**

Elizabeth claimed a few victories earlier in the year not many would have penciled them in for but their last month has been one to forget with some huge losses coming in that time. Colonel Light were another team I had right in the mix for the double chance but have been a bit of a roller coaster as of late. They are still right in contention but will need to pull it together and finish the back end of the year in strong fashion if they want to finish in the top 3. These are the games they need to win by a significant amount to keep their percentage rising as the division is so close and there are 2 other teams right in the mix for the double chance. CLG will know this is the case so I expect them to come out and post a huge win this Saturday to show the rest of the division they are definitely up for it. **CLG - 60 points**

## MENS DIVISION 6 - ROUND 10 REVIEWS

### Central United Vs Brahma Lodge

Brahma Lodge hit the road to take on rivals in Central United this week, The Units looked to get a good solid win on the board at home and gain some form heading into the back end of the year. Central United showed no mercy for Brahma Lodge right from the first bounce this week, booting 8 opening quarter goals and keeping The Tigers goal less. Brahma Lodge started the second quarter strong and defended well despite the onslaught of attack from Central United, Brahma Lodge were able to get a goal on the board in the second term but Central United were not stopped, going into halftime with an enormous 118 point lead.

The third quarter came with Central United unleashing an avalanche of 12 unanswered goals on Brahma Lodge and proving way too good with still a whole quarter yet to play. Nine more goals would be added to Central United's score in the last term, putting the game away in a big way. Brahma Lodge were able to get some good passages throughout the last term but were no match for Central United who displayed pure dominance finishing with a massive 252 point victory.

An array of players played excellently for Central United, the whole side worthy of a mention when it comes to best players. Adrian Mark and Ben Russell were the absolute standouts for The Units, dominating all day, both players capping off with a goal. Brayden Abbott, James Bain and Jarrod Upton also contributed a lot in their sides win. Arron Frith starred up forward with a bag of 7 goals. A tough outing for Brahma Lodge, who have struggled all year, despite the result they had many players stand up and play well, Brandon Plannegger, Jack Cook and Kane Ford were all amongst the best for Brahma, Tyson Holmes kicking their only goal of the game.

A great win for Central United although against a struggling side, they'll take all the confidence going into next week's matchup against Greenacres. Brahma Lodge go back home next week, taking on Fitzroy.

### Fitzroy Vs St Paul's

Fitzroy take on St Paul's this week, hoping to keep a roll going and keep high on the ladder going into the later stages of the year. Both sides came out strong in the first quarter, but St Paul's were able to gain the momentum early and get a jump on Fitzroy, taking an eleven point win into the first break.

The second quarter was much the same, both sides fighting it out but St Paul's still performed well to keep their noses in front. Going into the main break they had a three goal lead. The second half Fitzroy came out ready to fight and gained some ground, they defended well in the third term and gained the lead back before the last break, leading by a goal.

**Fitzroy Vs St Paul's (cont'd)**

The final quarter showed both sides fight hard for the match, St Paul's continued to give their all but couldn't defend the strength of Fitzroy who stormed home to secure an eleven point win. A classic hard fought match as St Paul's stood up and gave Fitzroy a hard match. For Fitzroy, Harvey Gardner was the best afield, Heath Rusby and Joshua Rosenthal also up there with the best. An equal effort around goal kicking for Fitzroy with 5 multiple goal scorers all kicking 2 a piece. Unlucky for St Paul's who had one of their best matches of the year, taking on a tough opponent. Anthony Alesiani, Jordan Wurfel and Luke Pitman were the best for St Paul's, Ben Lennon was the best in front of goal with four and currently sitting top of the competition for goals with 35.

A good match for St Paul's despite the loss, they take on Salisbury next week in another tough game, while Fitzroy are on the road to take on Brahma Lodge.

**Adelaide Lutheran Vs Smithfield**

Smithfield head down to The City to take on Adelaide Lutheran who have had a tough month and are looking to gain some form back. Adelaide Lutheran came out strong early, attacking well and getting a decent early lead on Smithfield. They defended well and kept The Panthers scoreless, booting seven goals of their own and taking a 49 point lead into quarter time. They kept fighting in the second term and kicked another seven goals but not without a fight back from Smithfield, who were able to get going and score a couple goals of their own and gain some confidence going into the second half.

Smithfield were able to soften the blow in the second half, they started well and kept Adelaide Lutheran to six goals in the third term, while Adelaide Lutheran still continued to play well, they took a 113 point lead into the final term.

The Panthers had nothing to lose and left their all on the field in the last quarter, keeping Lutheran to a single goal they defended incredibly well and kicked two of their own goals to finish off well and give themselves some confidence. Adelaide Lutheran ended the game with a 109 point win. Tom Gehling was the standout for Adelaide Lutheran, Jericho John and Matt Whitford also up there with the best, Jericho John booting a bag of nine goals for the day.

Hard fought by Smithfield, despite the result they had many players play well and fight until the end. Isaac Keightley was the best for The Panthers also booting a couple goals, Nashawn Ferguson, Tyler Davis, Adam Varcoe and Ronald Kite all playing exceptionally also.

A good win for Adelaide Lutheran to hopefully get going and get some wins back on the board to finish the year strong, the take on Rosewater on the road next week. A tough loss for Smithfield who fought right until the end, they take on a tough Marion side next week at home.

## Salisbury Vs Rosewater

Rosewater took on Salisbury on the road this week after their best win of the season against a tough Central United team last week. Salisbury started well, getting an early break on Rosewater and gaining a solid lead in the first quarter, making it difficult for Rosewater to catch up, at quarter time The Magpies led by 34 points. Rosewater gained some momentum back in the second term, and got a couple goals on the board while Salisbury continued to dominate and play well across the field, taking a 44 point lead into the main break. A goal less third term to Rosewater hurt their chances for a win as Salisbury looked eager to run home with a big win, they kicked 5 goals in the third term with a lead of 74 going into three quarter time. A big last quarter from both sides, Rosewater were able to come back and kick 5 goals in the final term, but not without Salisbury fighting back and kicking six goals of their own to secure the game by 86 points.

Great game from both sides, Salisbury the far dominant side for most of the game, with Mitchell Slater being their best afield, followed by Nathan Duncan and Tyson Hee, while Jackson Thompson, and Tyson Helmers were also very good. Hard fight from Rosewater but not good enough in the end, Daniel Clarke, Ty Geertsen and Aaron Holloway were the best for Rosewater, Ty Geertsen also kicking two goals. Rosewater showed some good signs throughout the match, but couldn't get the job done with Salisbury running away with it. They take on Adelaide Lutheran next week, while Salisbury take on St Paul's.

## Greenacres Vs Marion

Marion were off to Greenacres this week as they went head to head in a top of the table clash. Marion came out strong and looked to get a handle on this matchup from the very start, as they showed Greenacres they can play great footy, they dominated The Dragons in the opening term and had a handy thirty point lead at the first break.

Greenacres were quick to fight back in the second quarter, with Marion still fighting to keep their lead, The Rams still keeping strong and at the main break, Greenacres were down by just 20 points. After a quick break they broke back out in the second half which saw Marion show another display of pure dominance, keeping Greenacres goalless and Marion getting out to a 43 point lead and giving Greenacres a big fight for the last quarter. Greenacres defended well in the last term, but couldn't capitalize on the scoreboard going goalless for the rest of the whole second half, and ending with their first loss in 2 seasons, Marion running away with a convincing 64 point win. A massive win for Marion, a credit to all their players that played well and got them over the line. Patrick O'Dea, Zac Angel and Bailey Stanborough were the standout players in their win, Patrick O'Dea booting four goals.

A tough loss for Greenacres who would be heartbroken with this loss, despite this they had some great players for the match, Matthew Taylor, Scott Burnett and Josh Adey all standing up and giving their side something all day. A massive win for Marion to take down the only undefeated side in the competition and set up for a big second half of the season and officially knock Greenacres off the top of the ladder. Greenacres will be looking to get redemption next week when they take on Central United.

## MENS DIVISION 6 - ROUND 11 PREVIEWS

### St Paul's Vs Salisbury

St Paul's host Salisbury this week, after Salisbury had a good win against Rosewater last week, and St Paul's playing well despite the loss to Fitzroy. This could be a tough match if St Paul's turn up to play, they have proved their best is good enough when they bring it. Salisbury are also a great side and have many great players in their side, they are up there with the best in the competition, and despite being on the road this week, I think will dominate and get a good win.

**Tip: Salisbury by 40-50**

### Smithfield Vs Marion

Smithfield have had a rough year, after coming back into the league they've been thrown in with sides that have been playing together for years and have shown good form. Despite this they have proven they will never give up and leave everything on the field every week. Marion will be buzzing after knocking off Greenacres and taking top spot on the ladder, and will look to get another good win against Smithfield this week on their run home. Both sides have their strengths but there's no denying Marion are a far dominant side, although they should get the win it won't come without Smithfield making them earn it.

**Tip: Marion by 40-50**

### Brahma Lodge Vs Fitzroy

A rough year for Brahma Lodge, coming up against quality sides in a tough competition they can't catch a break and despite the results every week they keep coming out and fighting for their pride. Fitzroy have had a good year and even though they have dropped off slightly throughout the year have proven to be one of the better sides in the competition. This should prove to be an easy win for Fitzroy, and will give them some confidence heading into the later games in the year.

**Tip: Fitzroy by 100+**

### Rosewater Vs Adelaide Lutheran

Possibly one of the matchups of the round, both these sides have had an on and off season. Rosewater started poorly but have been able to work their way back in the last month or so, and get a couple good wins to get a roll going. While Adelaide Lutheran have been the opposite, starting the year off well looking like a top side in the competition, but dropping off in recent rounds and dropping some form. I think this will be an incredibly close game, but Rosewater love playing at home and I think will be eager for another good win.

**Tip: Rosewater by 10-20**

### Central United Vs Greenacres

Central United are coming off a massive 250 point win against Brahma Lodge last week, and will be full of confidence taking on a tough Greenacres side. They have had a decent year winning some good games but also dropping some. Greenacres are coming off their first loss in two years, and will be absolutely eager to get back on the winners list by taking down Central United. I think this will be a tough game, both sides needing this win in the middle of the season to get the ball rolling for the back end of the year, but I think Greenacres will be too strong and get home.

**Tip: Greenacres by 30-40**

# DIVISION 7 REVIEWS AND PREVIEWS

## MENS DIVISION 7 - ROUND 10 REVIEWS

### Mitchell Park v Ingle Farm

Ingle Farm have overcome a spirited Mitchell Park, eventually running out winners by 19 points. It was an even game for the most part, Mitchell Park started as well as they could have hoped and went into the first break with an 18-point lead. As to be expected Ingle Farm regrouped and shifted momentum back in their favour going into halftime with a 7-point advantage. It was a 5 goal to 3 third term that gave the Bulldogs some much needed breathing space, from there they were able to hold firm in the last quarter and hang on for a win that sees them remain on the same points as main rival Para Hills. Luke Cooper (1) and Jacob Doherty were the standouts for Mitchell Park. For Ingle Farm Terrell Rigney (4) and Bradley Sanderson (4) led the goal kicking with Brandon Rigney and Daniel Tanczos continuing their fine form this season as the best players on the field.

### O'Sullivan Beach Lonsdale v Para Hills

O'Sullivan Beach Lonsdale have had victory stolen away from them in the last moments of the game, as Lachlan Sullivan's clutch goal gave Para Hills a 'get out of jail free card' and a 5-point win. In a see-sawing game that favoured the side going down wind (and downhill), the leads changed at each break with both sides taking full advantage of the conditions. OSBL went into the final term with a 17-point lead and looked like upsetting the league leaders before Sullivan's goal. Harrison Kaesler and Captain Trent Grosser the top picks for OSBL, Austinn Wurst kicked 5, taking his tally to 33 goals for the season thus far. For the Big Reds, Connor Reid, and Lachlan Sullivan (5) were among the best as was Paul Cree who was lively up forward kicking 6 goals.

### Hackham v Flinders University

Hackham's stay on the bottom of the ladder only lasted a week as they took care of an inaccurate Flinders University, winning by 29 points. Hackham were in control from the get-go helped by a great first quarter effort that saw them take a 37-point lead into the first break. From there the Hawks were able to keep Uni at arm's length for the rest of the game. Flinders managed to keep Hackham goalless in the third term but could only manage one goal themselves leaving the door open for their opponents to snatch an upset victory. Wasted opportunities by Flinders (1.7) in the last quarter didn't help as the Hawks closed with 3 goals and a much-deserved win. Greg Pinder was the best for Flinders Uni, whilst Luke Allan (4), Wade Francis and Skipper Jeremy Cross (3) led the way for Hackham.

### Houghton v Mawson Lakes

A seven goal to nothing final quarter has saved Houghton from an upset loss as they defeated Mawson Lakes by 51 points. After squandering opportunities for the better part of the day, matched with Mawson's appetite to compete, the Raiders were able to refocus at the last break and run over their opponents securing victory but still leaving questions to be answered. Mason Brock and Alex Pearce (1) toiled hard for Mawson Lakes. Cameron Schutz, Dylan Tippet and a six goal haul from captain Jake Martin were the standout performances for Houghton, who now turn their attention to Flinders University.

## MENS DIVISION 7 - ROUND 11 PREVIEWS

### Flinders University v Houghton

Both sides sitting 3rd and 4th respectively equal on points. Both have lost 4 of their last 5 and both teams only win coming against Mawson Lakes in that time. You could flip a coin to decide who to pick in this one. Needed some thinking music to help me, The Artist - Kendrick Lamar, The Album – DAMN. Track 8. **Flinders University by 16 points.**

### Para Hills v Ingle Farm

Archivals face off as Para Hills take on Ingle Farm in what is set to be a huge encounter at EXP Realty Oval. Bragging rights are not the only thing on the line as the winner will also go a game clear on top of the ladder. This game is extremely important to both sides. Para Hills will want to even the ledger and atone for their 28 point Round 4 loss, whereas Ingle Farm will be looking to hold their ascendancy over their rivals leading into a possible final's showdown. Daniel Tanczos, The Rigney Brothers and Thomas Nobury in the ruck loom as the ones to watch for the Bulldogs while all eyes will be on goal scoring machine Daniel Weetra for the Big Reds, but only a fool would sleep on Paul Cree and Malcolm Grossman up forward.

**Para Hills by 29 Points.**

### Hackham v Mitchell Park

As the season progresses things become more interesting regarding ladder movements and this game has the potential to really shake things up, such is the evenness of the division, a win for Hackham (7th on 4 points) can put them right in the mix mathematically for a finals tilt. Mitchell Park (6th on 7 points) on the other hand could find themselves half a game out of 5th position should they win and a couple other results go their way, which sets up a great run home at the business end of the season. Hackham will be asking for another big effort from their star Luke Allan who is averaging just under a couple goals a game and has been the most consistent performer for the Hawks. I think it will be a close one but the class of Luke Cooper, Brandon Walczak and Ben Weekley might just give the Lions the edge.

**Mitchell Park in a tight one by 7 points.**

### O'Sullivan Beach Lonsdale v Mawson Lakes

After a terrible loss against Ingle Farm in Round 9, OSBL showed real fight taking it up to Para Hills last week right to the dying moments. I'd imagine they'd be keen to keep that momentum going, they are going to be hurt and the victim in all this may just be Mawson Lakes. Last time these two sides met OSBL won comfortably by 68 points, a lot has changed since then, Mawson Lakes have picked up a win in that time and one could say they have improved but OSBL are a totally different side since that last encounter also and have established themselves as a real threat to the competition. Austinn Wurst continues to relieve Trevor Rigney the burden of being the lone focal point. Their partnership up forward is working a treat and the fact they are both scoring goals freely must have coincided with the sides form, Trevor Rigney with 5 goals. **OSBL by 60 points**
