SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA

The SA Footballer have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

What an amazing group of women we have in 2023 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.

The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.

SAWFL DIVISION 1 - ROUND 9

Henley v Morphettville Park
7.14.56 v 1.5.11

In a big upset Henley have put the competition on notice after a huge 45 point win over Morphettville Park. Only a week after their biggest victory yet this season they have been defeated for the second time in a month while Henley are now on a four game winning streak.

Right from the start Henley put their stamp on this game with a two goal and two point opening quarter. They also kept the usually fast starting Morphettville to only two points and held a 12 point lead at the first break. It was more Henley dominance in the second as they added on another two goals and three more points, while holding Morphettville to one lone point. At half time the lead was already over four goals at 26 points.

It's hard to keep good teams down and in the third Morphettville started to fight back. They kicked their first goal of the game along with two points but Henley still maintained control. They kicked a goal of their own and could have had more if not for five more misses but they held a commanding 29 point lead at the last break. Then in the fourth Henley put on the finishing touches. Through incredible defence they prevented Morphettville from adding any further scoring while getting a final two goals themselves. They also kicked another four points, making their inaccuracy the only thing preventing an even larger victory. The result doesn't change either team's position on the ladder, but the two teams suddenly feel very close in terms of premierships potential.

Henley had plenty of great players but it was Chloe Whittington-Charity, Lauren Hoffmann, Lara Chehade, Kayleigh May, and Klaudia O'Neill who stood out most. Lara Chehade was the game's only multiple goal scorer with two, with Teagan Cordes, Lauren Hoffmann, Zara Kemp, Madi McLeod, and Avah Topp all sharing in the goals with one each. For Morphettville it was Nicolette Dunn, Ella Longbottom, Natasha Christophers, Grace Smallacombe, and Tess Maple who all tried hard. Stephanie Simmonds kicked the lone goal.

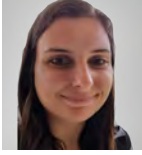

Broadview v Old Ignatians
9.10.64 v 1.0.6

Broadview are building nicely towards finals with a big win over Old Ignatians by 58 points. Broadview had an opportunity to get a break from Payneham while on the bye and they seized it with both hands.

Broadview kept the Ignatians scoreless until the final term while continuing to pile on the scores throughout the game themselves. They kicked an incredible four goals in the first quarter with only one miss to get the lead out to 25 points quickly. Then in the second their accuracy declined but their opportunities did not as they kicked one goal and three misses to further increase their lead to 34 points by the main break.

Things continued much the same way in the second half, with another goal and two points being added to Broadview's tally. The 42 point margin at three quarter time was already commanding but Broadview still weren't done. They had plenty more shots with three converting for goals while another four missed.

REVIEWS AND PREVIEWS

SAWFL DIVISION 1 - ROUND 9

Old Ignatians hit the scoreboard with their lone goal but it did little to soften the dominance of Broadview. The win is Broadview's sixth in a row, and next week they will have a chance to equal Payneham's record this season with seven.

Broadview is proving to be full of great players but it was Rachel Valenti, Alana Dolling, Amy Jones, Sarcha Taylor, and Zara Molloy making the best players list this week. The forwards were on their game with Liana Antonioli and Remy Grant both kicking three. Georgia Robertson was also strong with two while Sarcha Taylor chipped in with one. The Old Ignatians had some positives with Erini Gikas, Alice Winter, Claudia Edmonds, Isabel Redemski, and Teresa Parnis having good games. The single goal was kicked by Gabrielle Salt.

Happy Valley v Adelaide University 3.7.25 v 5.5.35

Adelaide University got the win they desperately needed by 10 points over Happy Valley under the Saturday night lights. The game was a hard fought scrap with both teams bringing their best but Adelaide Uni had an extra gear when it mattered most.

Both teams got off to a good start but had misses in front of goal. Happy Valley kicked one goal and three points while Uni kicked two goals and three points to get an early slim 6 point lead. But then in the second the game became a stalemate. Both sides fought hard but neither could break through the other's defences. The only point scored for the term went to Adelaide Uni to increase the margin ever so slightly to 7 points at half time.

Then the third quarter belonged to the Vikings. The girls were able to keep Uni completely scoreless, but unfortunately could not make the most of their chances. They only converted one kick through for a goal, while missing another four. Nevertheless, they snatched the lead at the final break by a slim 3 points but their misses would come back to haunt them. In the last quarter it was Adelaide Uni who had the chances and they did not miss. Happy Valley kicked one more goal but they couldn't match Uni's three, and along with another point they stole back the lead to get victory in this tight encounter. The win means Adelaide Uni are still in the fight for the finals, whereas Happy Valley are now out of the running.

Happy Valley have plenty of positives to take out of the game with Zoe Clarke, Sandi Groth, Abbie Paay, Ellen Keightley, and Airlie Schirmer all having great games. The three goals were shared between Jade Davies, Maya Jakubiszyn, and Seraphina Moon. For Adelaide Uni it was Madelyn Zacher, Shenae Hosking, Ruth Wallace, Jordin Steinbeck, and Ellid Fixter who made the difference. Ruth Wallace was best up forward with two, while Lilla Berry, Isla Heath, and Annika Lutze each kicked one.

WOMEN'S DIVISION 1 - ROUND 10 PREVIEW

Round 10 for Division 1 will be split across two weekends, with four teams having a bye on the second weekend. On July 8th all eight teams will play, starting with Morphetville Park playing Old Ignatians in what should unfortunately be another big loss for the Ignatians. The Roos will be wanting to bounce back quickly after their loss to Henley, and should repeat their round two performance with another 20-40 point win. Adelaide University will play Payneham who are coming off the bye and will have been stewing for two weeks after their loss to Broadview. Adelaide Uni have had glimpses of great performances, but this should be a big win to Payneham by 30-50 points. SMOSH West Lakes will also be back off the bye and will come up against this week's big winners, Henley. The last time the two sides met it was a solid win for SMOSH, but Henley have come a long way since then and will be favourites this time although the margin is likely to be low at 10-25 points. Lastly Happy Valley will play the red hot Broadview in a match that could turn ugly for Happy Valley. There is a huge gap between the first and eighth placed teams, and Broadview could be looking to set a new winning margin record, with a win of 80-100 points definitely on the cards.

Then on July 15th there will be only two games, with Adelaide University, Broadview, Old Ignatians, and Henley all having a weekend off. Payneham and Morphetville will clash in the early game, while Happy Valley and SMOSH West Lakes will play a night game.

WOMEN'S D1 RESERVES - ROUND 10 PREVIEW

In the reserves Broadview had a massive win over the Old Ignatians. They kept the Ignatians completely scoreless while taking the victory just shy of triple digits at 98 points. Morphetville Park was also convincing over Henley, taking advantage of Payneham's bye to draw level with them on points. The Roos took the win by 21 points, leaving Henley very much needing to fight for a finals spot. The team they are battling is Happy Valley who chalked up another good win. The Vikings beat Adelaide University by 33 points and now sit a game clear in fourth.

Next round will be the same as the main league, and be played across two weekends. Morphetville will play the Old Ignatians, in what is expected to be another big loss for the Ignatians. Happy Valley and Broadview will be an interesting game, but Broadview should get the win convincingly. Adelaide University will play Payneham NU coming back off the bye, and the Falcons are expected to pick up right where they left off and get a big win. SMOSH will also be back off the bye to play Henley in a crucial match, and will be slight favourites. Then in the second weekend Payneham will play Morphetville while Happy Valley will play SMOSH, giving Henley, Adelaide Uni, Broadview, and Old Ignatians a week off.

SAWFL DIVISION 2 - ROUND 10

Goodwood Saints v Westminster OS 3.11.29 v 1.2.8

Goodwood have made it three in a row after a solid win over Westminster OS by 21 points. This one was set up to be an interesting one, with both teams on the up over the past few rounds. Both teams are typically high scoring but this week they both seemed to have their focus on defence. The game started as a tight arm wrestle, with no goals scored in the first quarter. Goodwood were only able to get through two points, while Westminster could not score at all, to make the margin only those two behinds at the first break. In the second, the game was able to open up and it was Goodwood who took advantage with two goals and two more points in the term. Westminster were able to get one goal on the board to keep themselves in touch with only a 10 point margin at half time.

But the second half completely belonged to Goodwood. They missed more shots to only kick one goal from their four chances but along with a strong defensive effort to keep Westminster to one point, they increased the margin to 18 by the final break. They once again kept Westminster to only one point in the fourth, and the Dragons will be thankful the margin wasn't higher. Goodwood missed all four of their shots in the last term but had been strong enough to get the win. The loss is disappointing for Westminster but thanks to other results they are still comfortably in fourth place on the ladder.

For Goodwood it was Madelyn Griffiths, Patricia Kottaridis, Briella Egberts, Sammy Gilchrist, and Natasha Dinan who were the standouts. Emma Whyte was strong again up forward with two, while Lucy Waye kicked the other. For Westminster it was Emily Woods, Kiera Ross, Julie Gerber, Tiarne Saunders, and Emmie Hawkes who fought hard all day. Emily Woods kicked the team's only goal.

Angle Vale v Tea Tree Gully 2.7.19 v 4.7.31

Angle Vale were able to push Tea Tree Gully but unfortunately fell short as Tea Tree Gully took the win by 12 points. TTG would have been eager to give a show of force after their first loss last week, but Angle Vale fresh off an unexpected break gave them a real fight. In the first term TTG had plenty of shots but were unable to convert many of them. They kicked only one goal along with another four misses. Angle Vale kicked a goal of their own and for all their work, TTG were only ahead by 4 points at quarter time. The second term was a more even affair, and this time it was Angle Vale who was hurt by inaccuracy. They missed all three of their shots, while TTG were able to kick one goal and one point to edge out the margin to 8 points at the main break.

In the third quarter TTG got hold of the momentum and were able to kick two goals and one point. Through strong defence they also held Angle Vale to only one point and the margin was a comfortable 20 points at three quarter time. But Angle Vale turned it on for the final quarter and would have had hearts racing. They held TTG to only one point but unfortunately for them weren't able to make the most of their opportunities. They kicked only one goal, with another three misses that saw them fall short, but the girls should still be proud of their performance against the ladder leaders.

REVIEWS AND PREVIEWS

For Angle Vale it was Bonnie Dodds, Olivia Blacker, Neave Delaney, Zoe Perry, and Vicki Farrelly who made the best players list. Bonnie Dodds was dominate up forward with both of the team's goals. For TTG it was Chloe Donovan, Shakira Jarvis, Tara Maschotta, Kayla Freebairn, and Emma Clark who were crucial in the win. Charli Hazelhurst kicked multiples with two, while Emma Clark and Isabella Logue both kicked one.

Brighton Bombers v Golden Grove 1.0.6 v 7.5.47

Golden Grove have kept themselves right in talks for premiership contention with another big win over Brighton by 41 points. Both teams had the week off last round, Golden Grove with the scheduled bye and Brighton unfortunately needing to forfeit. They both would have been fresh and ready to go and it showed in the first quarter. Golden Grove kicked two goals and three points, while Brighton kicked a goal themselves to see the margin at 9 points at quarter time. But unfortunately for Brighton, their first quarter goal was their only score for the game. Golden Grove on the other hand kept their momentum going and with dead eye accuracy kicked another three goals to balloon the margin to 27 points at half time.

Golden Grove slowed down in the second half but still maintained control over the game. They kicked another goal and two points in the third, to make the margin an insurmountable 35 points at the final break. And then they finished off the game with one final goal to run out with the victory. The win keeps Golden Grove comfortable in third, while for the Bombers the season has been disappointing, but they are continuing to develop and the win will come eventually.

For Brighton Hannah Wurfel, Georgia Bedding, Emily Bert, Ellen Morey, and Charli Houghton all tried hard. Bridget Cain kicked the team's lone goal. For Golden Grove it was Kiarra Leopold, Jordan Woodards, Sara Belkner, Jessie Lim, and Millie Yardley who were the standouts. Emily Godin was the only multiple goal kicker with three, while Kiarra Leopold, Liana Wesselingh, Jordan Woodards, and Millie Yardley all contributed with one each.

WOMEN'S DIVISION 2 - ROUND 11 PREVIEW

Next week will be an interesting one with a couple of positions up for grabs. Tea Tree Gully will face off against Golden Grove in an interesting rematch. Last time there were major momentum swings throughout the match, but TTG came out on top convincingly, and they should get the win again 15-30 points. Angle Vale and Goodwood Saints will also be interesting, with Angle Vale fighting for a finals place and having a disrupted few weeks. Goodwood got a big win last time, but with Angle Vale pushing TTG this week, Goodwood can expect more of a fight. The Saints should still win but by a more modest 15-30 point margin. Brighton Bombers and Gaza will finish off the weekend, with Gaza returning from the bye. It's been a while since Gaza's last win which came against Brighton, and they will be eager to get another one on the board which they should get by 15-30 points. Westminster OS will take the weekend off and no doubt will be watching the results to see where they will be when they return to the fray.

SAWFL DIVISION 3 - ROUND 9

Pulteney v Kenilworth-Flinders Uni

Pulteney were at home against Kenilworth-Flinders Uni and were comfortable winners by 65 points. The blues got off to a flyer with 3 goals to a solitary point for the Kenilworth-Flinders Uni team and that was all they could manage for the game unfortunately. Pulteney continued to pepper the goals and by half time had 11 scoring opportunities for 6.5 and went into the main break 40 points up. The second half Pulteney added another 25 points to their score and were big winners. Imogen Loftes kicked 4 goals and 2 from the captain Georja Osborne. As I said last week the final 4 is pretty much set in this division and for Pulteney they are building to finals which are only 6 weeks away. Although they are sitting 3rd they are a very strong team and will be there at the pointy end of the season.

Hope Valley v Gepps Cross

Hope Valley hosted Gepps Cross and this game's result was also as expected with Hope Valley getting the 'W' by 46 points. Hope Valley hit the scoreboard hard in the first quarter and were very accurate kicking 4.1 while the visitors could only manage the solitary point. The home team's accuracy went out the window slightly during the 2nd quarter only managing 1.4 the complete opposite to the first quarter, that's a bit spooky! While the visitors did get a major the margin was 28 points at half time. The second half was all Hope Valley and they added 3.6 to their score and without seeing the game was this pressure from Gepps Cross or inaccuracy? They had a variety of goal kickers which will also stand them in good stead in the finals, Cara Tricker was the only multiple goal scorer with 3. And for Gepps cross well-done Brooke Williams & Nikki Thompson with your single goals. Hope Valley are well cemented in the top 4 and will play finals, it's great to see this club build up over the last couple of years and I hope they get the success they deserve.

Salisbury v Pembroke OS

Salisbury were at home to a tough opponent in Pembroke and the score line reflected how tough this game was for the magpies, Pembroke too strong and winners by 49 points. Pembroke like the other winning teams this week had more points than goals but was this inaccuracy or opposition pressure. However, they outscored Salisbury 9 shots to 1 by half time with Pembroke leading by 23 points. Pembroke went from strength to strength in the second half and added a further 4.3 to their score betting kicking, while the visitors only added the solitary point. They shared the scoring around and India Wadlow was great with the 3 goals. Pembroke are now one game clear on top of the table, Pembroke have also grown as a great footy team over the last couple of years and are getting rewarded for their competitiveness and team culture, they will be hard to beat in the finals.

SAWFL DIVISION 4 - ROUND 10

Fitzroy 1.3 8 vs Hectorville 7.7 49

The weekend kicked off Saturday morning down at Sam Johnson Sportsground where Hectorville were taking on the home ground team, Fitzroy. It proved to be a difficult game for Fitzroy with Hectorville taking home the 41-point win. Fitzroy just had the one goal kicked by Marni Farrugia while Kayla Muscara backed up her great game last week with another strong performance. Holly McCoy had one of her best games of season earning her best on ground for her team. Hunter Strudwick got a mention in Fitzroy's best players list for the first time this year. Hectorville continue to edge their way closer to that number 1 spot with a 7-goal game. There were six individual goalkickers for Hectorville with Zina Hunt leading the way kicking two majors for her team. It was the usual in Hectorville's best players with Tess McCormack getting best on ground while Taylah Roberts, Sarah Hart, Jazmine Egan and Elle Lineage closely followed. It's going to be a tough call at the end of the season for Hectorville coaches to pick their best and fairest, with a talent packed team. With only the two wins this season Fitzroy would be disappointed to get another loss and will have another tough game next week against Eastern Park. Another big win from Hectorville next round might just give the percentage to jump into that top spot on the ladder.

Mitcham 2.1 13 vs Eastern Park 2.3 15

Heading to Price Memorial Oval where it was an edge of the seat game with Mitcham losing to Eastern Park by a heart breaking two points. It was a slow start for Eastern Park who went into the second without a major while Mitcham were sitting on two goals one behind. Unfortunately for Mitcham they were unable to score any more after half time, with Eastern Park keeping them scoreless and kicking two goals two in the second half themselves. Although they'd rather the two points to be goals the two extra behinds got them the win too keep them on top of the ladder. Jessie Keech kicked one of the goals for her team, also finishing second best on ground for the Hawks. Grace Powell finished top of Mitcham's best players list for the fourth time this year, while Eva Falzon, Louisa White and Olivia Compare also got a mention. It was Eastern Parks closest win of the season; their captain played a big influence on the win, finishing close to best on ground and kicking one of crucial goals for her team. Victoria Bach was picked best player for Eastern Park playing an important role in the win; kicking the other goal for the Demons. The loss has led to Mitcham dropping from third to fifth on the ladder and will be looking to get back in the top four next round. Although the demons got the win, Hectorville are sneaking up on them and they'll need a bigger score next week to keep that top spot on the ladder.

West Croydon 1.9 vs Lockleys 4.8 32

Accuracy was a struggle this round for West Croydon and Lockleys, however despite eight behinds Lockleys took home a 17-point win. The demons kept West Croydon goalless in the first half, while they kicked four goals five themselves. West Croydon came into the second half still in the game after they kicked their first goal in the third term. West Croydon had their opportunities in front of goal but unfortunately couldn't convert, finishing the game with nine behinds. It was Kyekye James who kicked the Hawks only major as she continues her strong..

REVIEWS AND PREVIEWS

West Croydon 1.9 vs Lockleys 4.8 32 (cont'd)

form in front of goals. West Croydon would be disappointed to lose this must win game, but Kailie Healey has been a positive insight from the Hawks in the back half of the season. Kailie finished top of her team's best players for the second week in a row as she finds her best form of the season. The win has kept Lockleys in the top four for another round, despite some inaccuracy they still managed to get four goals. Tehlara Lovett was the leading goalkicker of the game with two goals and Isabel Spooner played an influential role earning her a best on ground mention. Alanna Badenhorst and Alex Thorne kicked the other two goals for the Demons also finding their name amongst the best on ground. Lockleys are right in the race for finals, but unfortunately for West Croydon it's just out of reach but they will still be hoping for another win before the end of the season.

Greenacres 1.0 6 vs Scotch OC 13.10 88

To finish off the weekend Greenacres continued their search for their first win of the season against Scotch OC. Scoreless in the first half, Greenacres managed to get a goal in the third, but it would take a lot more with Scotch OC sitting on 10 goals. Unfortunately for Greenacres that was the only goal they managed to kick all day with Scotch OC taking home an 82-point win. Jamie Rapana-Burnett was Greenacres sole goalkicker, while Debra Goldsmith continues to try her best to influence the game, finishing top of Greenacres best players list once again. It was a goal frenzy for Scotch OC with six individual goalkickers. Shae McQuillan led that tally with four goals to her name, closely following was Hannah Tavian with three goals. Vice-Captain Amy Kaesler and Captain Jessica Bushell played an important part in the win with Amy earning herself best on ground. The big win has put Scotch OC right in the mix for final now sitting third on the ladder.

WOMEN'S DIVISION 4 - ROUND 11 PREVIEW

After a tough win last week Eastern Park will kick off round 11 Saturday morning by taking on Fitzroy. Fitzroy suffering a big loss last round will be hoping to bounce back but will take a lot to bring down the top team. Eastern Park to win 35-10. Moving onto the twilight games, Lockleys will be up against Greenacres. Greenacres are still searching for their first win while Lockleys are fighting to keep their top four spot. Lockleys to win 55-10. Hectorville will be looking to get on top of West Croydon to give them a shot at sitting on top of the ladder. Will take West Croydon's absolute best to bring down the firing Hectorville side. Hectorville to win 20-50. Round 11 will finish off with what could be game of the round Scotch OC taking on Mitcham. Mitcham got knocked out of the top four after their loss and Scotch OCs big win. Both teams need a win to give them the best shot at playing finals. Tough to pick a winner for this game but I'm tipping Mitcham to get on top, 25-30.

SAWFL DIVISION 5 - ROUND 9

Kilburn 6.0.0 vs Elizabeth 0.0.0 (forfeit)

Unfortunately, there is not much to report on for our first game this week as Elizabeth had to forfeit once again. As reported by the club on Facebook on Monday the 3rd of July, the club has made the decision to forfeit all remaining women's games for the season. In a statement put out by Club President Caleb Hearn the decision "did not come quickly and was not planned". The club are now putting their efforts into rebuilding for 2024.

Salisbury North 1.1.7 vs Woodville South 5.9.39

Woodville South have continued their dominant display of football, regrouping from last week's loss in a spectacular fashion. Despite their rough goings though, Salisbury North continue to go out week after week and put their best foot forward. Chloe McEvoy Furner was able to keep the dream alive a bit for Salisbury North, but unfortunately the top of the ladder team was not going to let this win slip away. Ella Vitucci, Gabriella Ward, Ailis Nola, Amber Elvin and Tiana McCulloch were named best on ground for the Cats, with both Nola and Elvin kicking two goals. Lily Melville also joined the goal scorers list, adding a single to the total. At the time of printing, no players for Salisbury North were named best on ground.

Edwardstown 1.3.9 vs Modbury 5.8.38

After a spectacular win last week, unfortunately Edwardstown were unable to back up against the Modbury Hawks. These two teams have been tussling to climb the ladder, and it was Modbury that walked away victorious this outing. Despite the scores, the game was very much a competitive affair till the final quarter. While the Towns did not add much to their score past the first, they were able to thwart on onslaught from the Eagles throughout the second and third quarters. Unfortunately for Edwardstown, Modbury was able to rally, scoring three in the final and putting them out of reach. Hayley Reid, Jordan Horne, Madison Saunders, Kerri-Anne Hughes and Debra May kept the dream alive for Edwardstown, being named best on ground. Horne also contributed their only goal. Best on ground and leading the charge for Modbury was Mia Ebert, Emily Page, Bailey Murray, Abbey Swanbury and Meagan Johnson with Ebert and Sophie Aldridge kicking two. Murray also got a goal on the board.

Loreto OS 2.6.18 vs North Haven 0.2.2

Campbelltown Oval is starting to become a hunting ground for the old scholars and unfortunately for North Haven, they were the prey. Another two teams who have been tussling to get the top of the ladder, this low scoring affair shows just how competitive the two teams are. Loreto was out the gate early, with Emilie Hasler scoring two in the first. They also kept North Haven scoreless for the first half. After the first though, they were not able to add much more to their score and other than a few behinds, there was not a lot of scoring from both teams. Amelia Rosella, Sophie Haines, Bella Simpson, Hannah Osborn and Stephanie Principe were named best on ground for Loreto OS. Best on ground for North Haven were Tanya Maczkowiack, Zoe Saunders, Natasha Bates and Megan Kent.

WOMEN'S DIVISION 5 - ROUND 10 PREVIEW

Loreto OS will be having a week off due to Elizabeth forfeiting in advance, so will check back next week to see if a win is automatically added to their total. North Haven will be playing host to Edwardstown, and it is one of those games that will be worth keeping your eye on. There are not a lot of points separating the teams at the top of the ladder, so every week there is a chance for movement. North Haven are dangerous at home and coming off a disappointing loss, it is not wrong to expect them to come out all guns blazing. Kilburn will be heading down to Salisbury North in a match that has both teams going in with something to prove. Kilburn are the safe bet in this match-up, but never underestimate a team like Salisbury North that have been gritting their teeth and playing through the storms. Woodville South will head to Modbury Oval, looking to solidify their spot at the top. Both teams though have proven dangerous but also shown the chinks in their armour, so expect a competitive affair.

SAWFL DIVISION 6 - ROUND 10

Flinders Park (3.2.20) defeated Mitchell Park (0.0.0)

Round 10 featured a telling weekend of football for the division 6 women. The early game of the day was played at the home of Flinders Park, who hosted Mitchell Park in a comfortably one-sided contest. Such was the trend of this round; Flinders were undoubtedly the favourites heading into the clash and delivered emphatically. In incredible circumstances, with four games to go they sit just two points behind Golden Grove and their ambitious hopes of a finals feature is still alive. Every week I write them off and declare the top four as sealed, however, this brilliant sport delivers us surprises every week. Realistically, it's a stretch to suggest that a fairy tale finish to their season is likely, but there are plenty of good things brewing over at Flinders Park. They haven't been able to take a huge scalp and defeat one of the league's giants as of yet, nonetheless, they are consistently knocking off the teams below them to remain in touching distance. We will look ahead to round 11 later, but if Golden Grove drop points again to Tea Tree Gully, then things will certainly remain interesting. They will need a big percentage boost to get close and their twenty-point triumph over Mitchell Park is an excellent start. With goals in all terms but the third, Flinders asserted their authority from the first bounce and rewarded themselves through controlled and composed goal kicking. In her twenty-eighth career game, Nicole Faiello was outstanding and continued her great form for the home team, converting her scoring opportunity into a major. In 2022, she obtained invaluable experience through her time in the division 3 side, playing in their round 1 finals loss to Hope Valley. Another defeat for Mitchell Park means that they fall further behind the rest of the competition, as they continue to look destined for a last place finish.

Marion (4.5.29) defeated Golden Grove (2.4.16)

In what was the most anticipated match up of the round, Golden Grove squared off against Marion at Harpers Field. Incredibly, it was the best attacking team in the competition who were rapidly put onto the back foot, capitulating in the first quarter as Marion piled on the pressure. The travelling team were tremendous going forward, trapping the ball in their forward half and restricting Golden Grove's transition out of defence. With six scoring shots to one in the opening quarter, Marion strolled into the first break as twenty-point leaders, before registering their fourth unanswered goal in the second term. Golden Grove were a complete mess at half time, with their extensive list of attacking options all unable to find the footy and make effective contributions. Marion are a notoriously difficult team to score against and their defenders were a compelling force in the first half. However, Golden Grove were never going to accept defeat and remain anonymous in the contest. Goals from Kelly Ransom and the in-form Rhiannon Utton inspired the beginning of what looked destined to be an impressive comeback. It was almost a completely different ball game in the premiership quarter, with the home team displaying the exciting playstyle that we have come accustomed to thus far in 2023. Despite Grove looking poised to overcome the twenty-five-point deficit, Marion were able to re-establish control over the contest, with their bodies behind the ball nullifying opposing forward entries. Emily Pelling was instrumental in her team's triumph, with her two goals being the difference; she was supported effectively with single goal contributions from Isabelle Dawson and Paige Ridgway. Kate Mclean was crucial for Marion, delivering a cultivating performance in one of the biggest games of the year. The travelling unit's ability to remain resilient and withstand an empowered late surge from Golden Grove, means that the two sides swap places on the ladder with Marion regaining their spot in third place. For Golden Grove, it's a fourth loss for the season as they continue to struggle to leave Flinders Park behind in the quest for a position in the finals.

SAWFL DIVISION 6 - ROUND 10

Tea Tree Gully (5.10.40) defeated Ingle Farm (0.0.0)

Tea Tree Gully travelled to Rowe Park on Saturday to face off against Ingle Farm and as expected, it was a typically dominant display by the league leaders. The Gully girls' inaccuracy prevented the scoreline from reaching damaging heights, as the home side struggled to gain any control throughout the contest. In her second appearance for the division 6 side, Shae Moss was influential, with her two major scores enough to earn a spot among the best players for just the second time this season. Rachael Thomas was also on target during Tea Tree Gully's victory, scoring her first two goals of the season as she enjoyed a comfortable spell in the forward line. It was familiar territory for Ingle Farm who failed to score a point across four quarters of footy for the sixth time this year. Despite her team's demolishing, Saphira Thompson can hold her head high. She recorded her first best on ground performance for Ingle Farm and the current Hope Valley SANFL junior representative was a cut above the rest of her teammates. For Tea Tree Gully, their sensational win continues their tenure atop of the table, despite being one of the clubs who had the bye before Ingle Farm joined the competition. Impressively, they have won eight out of their nine matches and have an appealing percentage of 80.1, having only conceded 79 points for the entire season - the fewest of any side in the division. Furthermore, Ingle Farm still find themselves above Mitchell Park, with their victory over them enough to keep them away from the 'Wooden Spoon,' for now.

Athelstone (5.8.38) defeated Goodwood Saints (0.3.3)

Once again, the last game of the round was another resounding thumping for a bottom half side at the hands of a division 6 powerhouse. Athelstone spared no mercy on their travels to Goodwood Oval, with the Saints standing no chance throughout the entirety of the contest. As predicted, four unanswered goals in the first half rendered the job effectively done by the major break. In the absence of Natalie Lomman, it was Chloe Wright who converted efficiently with a brace against a weakened backline. Nicole Hall, Samantha Newman, and Georgia Smales were also offensively productive, scoring one each for Athelstone to secure a comfortable result. Hall was an integral contributor all day in her second game, with her goal the cherry on top of a sensational individual display. Grace Bridge competed hard to record her first feature among the best players for the year, as she pushes diligently to return to Goodwood's division 2 team after missing the last month of action. Another former SANFL junior, Bridge featured in ten games for the Saints Under 17.5 side in division 1, before sitting out the entirety of the 2022 season. Athelstone remain second behind Tea Tree Gully, tied on points, but separated by percentage; perhaps they will regret their inaccuracy throughout the contest on Saturday. Their eight behinds from thirteen scoring shots, hindered the scoreline from reaching an outrageous figure. Throughout the first half of the season, Athelstone were a ruthless unit and there was one standout figure who perfectly encapsulated their dominance. Brittany Spooner received recognition for being among the best players an enormous six times, only failing to do so during her side's pummeling of Ingle Farm. She has now failed to be a standout performer since round seven, which is almost unheard of when you consider how important she is for this Athelstone setup. Heading into the closing stages of the season, I'd love to see the return of Spooner's best footy, as Athelstone are at their unwavering best when she's up and firing.

WOMEN'S DIVISION 6 - ROUND 11 PREVIEW

The Week Ahead!

With a predictable round 10 done and dusted, we set our sights upon a delicious weekend of football that will dictate the fate of many. The tension is beginning to rise within division 6, as the excitement and anticipation of finals continues to grow amongst those in contention. The early game on Saturday morning will see Mitchell Park challenge Athelstone in what could be an ugly contest for the home side. Athelstone will hopefully be welcoming back competition top goal scorer Natalie Lomman following her week off and the girls will be eager to make the most of their opportunity to return to the top of the table. This is because the second game of the round is a colossal match up between the best attacking team in the competition, and the league's strongest defence. Pertaringa Oval will host Tea Tree Gully and Golden Grove in what I suspect to be an enthralling battle between two heavyweights. It's a tough one to call, with Golden Grove coming off the back of a disappointing loss to Marion in round 10. They will be determined to overcome the defeat in the reverse fixture of round 4, however, I can't see Tea Tree Gully losing at home and back their elite players to get them over the line.

Goodwood Saints will be hoping to record a rare victory when they face off against Ingle Farm. Despite the fact they've only won a single game out of a possible eight, they should not have any difficulties with overcoming a lacklustre Ingle Farm team.

The final match of round 11 will see Marion square off against an inspired Flinders Park whose finals hopes depend heavily on how well they play this weekend. If results go their way, they could find themselves level on points with Golden Grove who are currently in fourth place. Unfortunately, however, Marion will almost certainly prove too strong for Flinders Park, and I expect them to be comfortably victorious.
