SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA

The SA Footballer have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

What an amazing group of women we have in 2023 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.

The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.

SAWFL DIVISION 1 - ROUND 11 REVIEW

SMOSH West Lakes v Adelaide University 4.11.35 v 2.6.18

SMOSH were able to find some of their old fire power this week as they were able to take down Adelaide University by 17 points. They were inaccurate in front of goal but the onslaught was more than enough to break their 5 game losing streak. The first quarter started as a modest affair with both sides kicking a goal to open their accounts. With SMOSH kicking one behind and Adelaide Uni kicking two the margin was only one point in favour of Uni when the first break came. But in the second something finally clicked for SMOSH and they took hold of the game. They had an amazing 9 scoring shots for the quarter, but unfortunately only two went through for goals. But the offensive pressure meant that Uni were unable to score at all and the margin leapt out to 18 points at half time.

SMOSH couldn't quite keep up their intensity in the third, but still held momentum. They kicked another goal and another point while also being able to restrict Uni to only three points. At the last break the margin was 22 points, and it proved to be too much for Uni to come back from. They were able to restrict SMOSH to only two further behinds in the last quarter, but their single goal and extra point was not enough and SMOSH ran out with the victory. SMOSH still have a chance of making finals, though will need to work on their accuracy. Uni also have still have a faint chance this season but can not lose another game.

For SMOSH it was Bridie Dolan, Nicole Lane, Danielle Higgs, Nicole Carey, and Rhiannan Murphy who all stood up to get the win. Kate O'Dea was best up forward with two, while Nicole Carey and Grace Martin both kicked one. No best players were selected for Adelaide Uni, but all the girls should be proud of their efforts this week, especially in the horrible weather.

Old Ignatians v Payneham NU 2.6.18 v 4.5.29

Payneham have returned to the winners list though perhaps not in the spectacular fashion we expected. They have narrowly defeated Old Ignatians by 11 points but the win still sees them regaining second spot on the ladder. In their usual style Payneham jumped ahead quickly and kicked two goals straight in the first quarter. They also kept Ignatians to only two points and had a 10 point lead at the quarter time break. But then in the second the Ignatians started to fire up. They kicked one goal and three points while Payneham added on one goal and one point to see the margin creep back slightly to 8 points by half time.

REVIEWS AND PREVIEWS

Old Ignatians v Payneham NU (cont'd)

Then in the third the Ignatians took control of the game. They held Payneham to only one point, while kicking another goal and point for themselves. Amazingly, the margin was only two points at the last break and Ignatians looked like they might pull off the impossible. But then, as all good teams do, Payneham dug deep. They prevented the Ignatians from any further score, while kicking another goal and three points themselves to get the win. It is unfortunate for the Ignatians that despite this valiant effort this is officially season over for them. It has been a half step back for the girls this year, but there is still plenty that they can take out of the remaining three games to help them build towards another charge next year.

For the Ignatians it was Ashlee Hearnden, Alice Winter, Caitlin McCarron, Alexandra Hinton, and Niamg Leahy who all played great games. Both of the team's goals were kicked by Ashlee Hearnden. For Payneham it was the efforts of Adrienne Davies, Sally Arnold, Grace Whittaker, Letisha Ackland, and Chloe Samuel that got them over the line. Adrienne Davies kicked two goals, with Letisha Ackland and Sally Arnold helping out with one each.

Broadview v Henley 3.2.20 v 1.5.11

It was another potential finals preview this week when Broadview and Henley meet. The clash was a tight low scoring dogfight but in the end Broadview proved too strong and defeated Henley by a slim 9 points. Henley had the better of Broadview in the first quarter, and were able to keep them completely scoreless for the term, becoming only the second team after Payneham to achieve this. They kicked one goal and two points themselves and got out to an early 8 point lead. The second quarter saw the game come to a grinding halt through incredible defensive efforts from both sides. Henley were unable to score at all while Broadview snuck through only a single behind and at half time the margin was only 7 points and neither team had yet hit double digits.

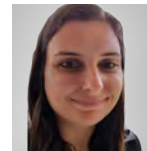

The third quarter saw Broadview start to find their feet as they kicked two goals while holding Henley to only three points to snatch the lead away by a tiny 2 points. But they now had momentum and ran out the game on their terms. They held Henley scoreless again in the last while adding on a final goal and point to get the win in the hard fought battle. Henley will be disappointed but should be proud of how far they pressed the ladder leaders. They are looking like they will hold onto fourth spot after a sluggish start to the season and will be eager to get another shot at Broadview in the finals.

Broadview v Henley (cont'd)

For the winners it was Hannah DeVito, Zara Molloy, Ella Summers, Chloe Short, and Bella Materne who made all the difference to get the win. It was all single goal kickers with Liana Antonioli, Remy Grant, and Sarcha Taylor all hitting the scoreboard. For Henley the best players were Teagan Cordes, Tiana Fernandez, Alexandra Smyth, Annalese Dunbar, and Zani Bates. Tayla Coles kicked the single team goal.

WOMEN'S D1 and D1R - ROUND 12 PREVIEW

With all byes now completed we turn towards the finals with plenty of enthusiasm. Broadview and SMOSH will play again with SMOSH hoping for a much happier result this time. However, Broadview are top of the ladder for a reason and should get another win by 20-40 points. Payneham will play Happy Valley who come back from the bye after their first victory. It's unlikely they will get a second though, with Payneham sure to prove too strong and win by 20-40 points. Morphettville will also be back when they take on Adelaide University. They will be full of confidence after taking out Payneham in their last game, and should get a big win against Adelaide Uni by 20-40 points. Henley and Old Ignatians finish off the round. The Ignatians fought hard this week but it's not enough to take the title of favourites from Henley who should win by 15-30 points.

In the reserves SMOSH had a big victory over Adelaide University by 57 points to get a nice percentage boost and get back into fourth spot. As expected Payneham had a huge win over the Old Ignatians, keeping them scoreless and winning by 72 points. The Broadview and Henley game was just as exciting as the league one, with Broadview only narrowly getting the victory by 3 points.

With the race for fourth spot on, both Happy Valley and SMOSH will have to prove themselves next week. SMOSH will take on Broadview and while SMOSH are playing well Broadview are expected to get the win. Happy Valley will have an even harder time when they play Payneham, who won't be wanting to drop a game now and should get another victory. This leaves Henley with a chance to close the gap when they play the bottom placed Old Ignatians as they should get the win. The final game will be Morphettville and Adelaide University, and with Morphettville fresh off the bye they should be raring to go and should get the points.

Westminster OS vs Brighton Bombers

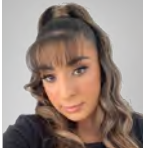

Due to Brighton Bombers forfeit, Westminster OS had an easy victory this week. It's sad that Brighton Bombers wasn't able to come out this week and get a win after last week being their first win of the season. I'm not sure what the team's conditions were, but I'm hoping that the following week they will be able to play. Westminster OS earned an automatic 60-point win this week, giving them another victory for the season. This win makes Westminster OS only a game behind Golden Grove,. With this simple success, Westminster OS now has a better chance of finishing third or second on the league ladder.

Golden Grove vs Angle Vale

Both teams lost their games last week, therefore this week they would like to relive that winning sensation after being disappointed and saddened by a defeat. Golden Grove came out of the gate firing this week, and their performance throughout the entire game clearly demonstrated that. They scored an incredible 5 goals and 3 behinds, already holding a lead in the match. On the other hand, Angle Vale's game began very slowly and poorly. They only managed to score one point during the entire first quarter, either because they were unable to move the ball down to their side of the field or because they just had bad luck with it. Golden Grove remained fired up and committed in the second quarter to securing the victory this week. They finished the first half of the game with 60 points after scoring another goal and three more behinds.

Unfortunately, Angle Vale only managed to score a point in the first quarter of the game, remaining scoreless for the entire second quarter. This week's Angle Vale first half wasn't terrific, but Golden Grove just wasn't willing to give up. Golden Grove added another goal with two behinds in the third quarter, whilst Angle Vale started to make a comeback scoring 2 goals and 4 behinds. Golden Grove scored 4 more goals and 5 more behinds in the fourth and final quarter to end with an astounding total of 97 points (14.13), giving them a 79-point lead. Angle Vale finished the game with 18 points (2.6), however, they were only able to score one point in the fourth quarter. Despite the fact that Golden Grove won this week and by a significant margin, their kicking was highly inaccurate and off target, they failed to get most of their scoring shots on target, and if Angle Vale had been able to score, the behinds would have impacted them more during the game.

REVIEWS AND PREVIEWS

Golden Grove vs Angle Vale (cont'd)

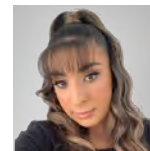

The game this week was dominated by Golden Grove, and they gave it their all-out effort to win, as evidenced by their 27 scoring shots compared to Angle Vales 8 shots. Angle Vale may have been affected by the weather, but maybe they can bounce back from this the following week and play much better. quarter. The goal scorers for Golden Grove this week were E. Godin, who scored an amazing 5 goals, followed by L. Wesselingh who scored 3 goals, S. Wilkey and J. Woodards scored 2 goals each, and K. Leopold and G. Jobson who both scored a goal each. Angle Vale's 2 goal scorers for this week were B. Dodds and J. Walker-Smith. The best players selected for this week for Golden Grove included J. Woodards, E. Godin, K. Leopold, T. Uncle and S. Wilkey. Angle Vale's best players selected for this week were Z. Perry, B. Dodds, E. Hite, C. Joseph and J. Walker-Smith.

Gaza vs Tea Tree Gully

Gaza lost another game this week after losing their game the previous week due to bad luck. On the other hand, Tea Tree Gully continues to astound and maintains their lead as the top team in the league ladder after winning yet another game. Unfortunately for Gaza, Tea Tree Gully won this game easily. Gaza struggled to get the ball to their goals at the beginning of the game and went the entire first quarter without scoring. However, Tea Tree Gully has had better starts to their games, scoring a goal and 8 behinds. Tea Tree Gully added another goal in the second quarter and finished the first half of the game with 26 points, while Gaza went the entire second quarter without scoring and finished the first half of the game with no points. Gaza's performance remained unchanged in the third quarter as they remained scoreless. Tea Tree Gully scored another goal while also adding two more behinds. Gaza scored a goal and a behind in the fourth and final quarter to get back into the game, but they did it too late as they ended the game with only 7 points (1.1).

However, Tea Tree Gully added 5 more goals and 2 behinds to finish with 66 points (8.18) and a 59-point lead. These behinds are not looking good as they managed to score more behinds than actual goals throughout the game. Tea Tree Gully was fortunate that Gaza had a bad game this week since Gaza might have penalised them for their missed goals. They recorded a total of 18 behinds despite scoring 8 goals. That's not fantastic because their shooting was off-target and incredibly inaccurate; if more of their shots had resulted in goals rather than points, they would have easily defeated Gaza even more. The goal scorer for Gaza this week was S. West. Tea Tree Gully's goal scorers this week included K. Hillier who scored 3 goals, followed by B. Payne, G. Mee, E. Gale, N. Heffernan and A. Veprek who all scored a goal each. The best players selected for this week for Gaza was Z. Thomas, M. Haniford, C. Damen, S. West and P. Grigg. Tea Tree Gully's best players for this week were K. Hillier, A. Dorre, S. Jarvis, I. Logue and A. Veprek.

WOMEN'S DIVISION 2 - ROUND 13 PREVIEW

Gaza vs Golden Grove Klemzig Reserve
Westminster OS vs Angle Vale Glandore Oval
Goodwood Saints vs Brighton Bombers Goodwood Oval
Tea Tree Gully B E

Given that Gaza has dropped two straight contests while Golden Grove has won their game this week and is only two points behind the Goodwood Saints in second place, I predict that Golden Grove will win again and gain two points the following week. Golden Grove can then either tie for second place with the Goodwood Saints or remain in third place if the Goodwood Saints win the following week.

With that said, I believe Golden Grove will defeat Gaza by a score of 13 to 24. Given that Angle Vale lost this week and Westminster OS won by forfeit this week, it might be a challenging game for both sides. I predict that it will either be a very close game or that one team will win by a big margin. Given that Westminster OS is now ranked fourth in the league with five wins and five losses, while Angle Vale is slightly below them in fifth with three wins and seven losses, I predict that Westminster OS will win next week's game by a margin of 1 to 12 points.

Due to the Brighton Bombers' forfeit this week and the Goodwood Saints' bye this week, the Goodwood Saints will be eager to play the Brighton Bombers next week after a week off. I am confident that the Goodwood Saints will easily win next week and maintain their position as the second-place team in the league because the Brighton Bombers have not had a great season thus far and have only won one game. I think the Goodwood Saints will triumph by a score between 13 and 24.

SAWFL DIVISION 3 - ROUND 11 REVIEW

Gepps Cross v Pembroke OS

Well, what an amazing game this one must have been under lights on a Friday night at Gepps Cross with our first draw of the year. The visitors got off to a flyer with 2 goals to zip by the first break. And there was no addition to the score up until half time with a 12-point lead to Pembroke. The second half was all Gepps Cross who kept Pembroke scoreless, in fact Pembroke's score of 2.2 was all they scored for the entire game.

Pembroke will compete in this year's finals as they continue to progress through the divisions after joining the competition 3 yrs. ago. They will again be strong competitors in this year's finals and are now 1 point clear at the top of this division. Gepps Cross can hold their heads high and will likely finish just out of the top four. But with a bit more consistency they will not be far away from competing in finals again.

Salisbury v Kenilworth-Flinders Uni

It's been a season that both clubs would like to forget but they have kept at it and aside from some forfeited games they have had a crack. It was the home team in Salisbury that had a day out and kicked a massive 9 goals in terrible conditions. Unfortunately, the goals did not come for the Kenilworth-Flinders Uni team, and they were held scoreless for the game. After a slow start it was all Salisbury who had 15 shots to nil and that was the tale of the game. Both clubs will finish off the season and I'm sure will be planning for 2024!

The season is drawing near, and Salisbury have a bye in round 14 so they have 2 games left and then its Mad Monday time! For Kenilworth-Flinders Uni they have 3 tough games so hopefully they can get a win before the end of the year and then re-start in 2024.

SAWFL DIVISION 3 - ROUND 11 REVIEW

Hope Valley v Flinders Park

And in the game of the round, it was a one-point thriller with the visitors Flinders Park getting the 2 points. This like the first game would have been an exciting game given the conditions. Hope Valley were first to put one through the big sticks and was 9 points to nil at time. The second quarter was more competitive, and Flinders Park came back at Hope Valley, 8 points to the home team at the main break. The visitors came out after half time and got back into the game kicking 1.1 to nil and at time it was a one-point ball game.

The last quarter was a struggle in the conditions but while both teams just couldn't kick goals it was the points that mattered and 3 points to 2 was enough to see Flinders Park the winners by a solitary point. Both clubs will compete in this year's finals and will be very competitive.

Pulteney had the bye

WOMEN'S DIVISION 3 - ROUND 12 PREVIEW

With the season ending in a couple of weeks for a few teams there are 4 that will play finals and from what they have shown all year, it will certainly be an exciting finals series. Next week's game of the round will be Pulteney and Pembroke at Pulteney and this will be a great game, Pulteney need the win to progress a bit higher on the ladder and have a good percentage which will help them. Pembroke win and they cement them selves on top and will likely finish the season in that position and will be the premiership favourites.

Flinders Park is at home to the struggling magpies who are coming off a big win but will find this opposition a bit more of a challenge and will have to be at their very best to beat Flinders Park at home. Flinders Park should be talking finals and have the best run home so watch them come August! Kenilworth-Flinders-Uni have had a difficult season and mergers take time. They are at home and will take on Gepps Cross who have not had the best season result wise but both teams although playing for pride only will bounce back in 2024.

Hope Valley will have a rest.

Good luck to all teams.

SAWFL DIVISION 4 - ROUND 12 REVIEW

Fitzroy 2.0 12 vs Scotch OC 4.7 31

The round started off at Sam Johnson Sportsground on Saturday morning with Fitzroy taking on Scotch OC. Fitzroy still sitting on just the two wins were looking to get back on the winners list while Scotch OC looked to secure their spot in the top 4. Scotch OC proved too strong for the Fitzroy Lions bringing home the 19-point win, pushing them up to third on the ladder. It was a close first half, finishing the second quarter with a 2-point difference. Scotch OC had their opportunities to take the game away but struggling to find the goals.

The three-goal last quarter from Scotch OC is what sealed the win and possibly their spot in finals. It was a strong effort from Fitzroy to keep in the game for nearly all four quarters. Abbie Player followed up last week's effort with another terrific game finishing top of Fitzroy's best players list with one goal to her name. Imani Austib was best on ground, making it into Fitzroy's best players for the first time this year.

Its positive signs all round for Scotch OC with Sophie Sampson also playing her best game of the season with a Best Players mention for the first time. Scotch OC had three goalkickers with Jo Peterson leading the scoreboard with two goals. Captain Jessica Bushell also got in on the action with one goal Katherine Lea kicking the other goal for her team. Fitzroy will be disappointed with result but will still take out some positives from the game. Scotch OC are getting into their best form just in time for finals, with more players standing up they are a good chance in finals.

Greenacres 0.0 0 vs West Croydon 13.17 95

It was a goal frenzy down on EJ Smith Oval with the bottom of the table clash. Greenacres still looking for their first win West Croydon were going in as favourites, and they proved why with a smashing 95-point win. Greenacres once again ended a game without a score, credit to West Croydon. Debra Goldsmith continues to give it her all for her team and would be putting her name up for best and fairest at the end of the season for Greenacres. Captain vette Guatta tried her best to get her team going while Tashara Coad played her best game of the season. Unfortunately, for Greenacres nothing could stop West Croydon who kicked a massive 13 goals.

SAWFL DIVISION 4 - ROUND 12 REVIEW

Greenacres vs West Croydon (cont'd)

The Hawks were sharing the glory around with eight goalkickers, Vicki Bruce leading the way with three goals and an overall best on ground performance. Captain and Vice-captain Donna Hill and Nicky Sampson got in on the action with a combined three goals.

Last time these two teams met West Croydon's leading goal scorer Kyekye James had a six-goal haul but just had the one this time around. Another disappointing for Greenacres as they still search for their first win. The big win has pushed West Croydon up to sixth on the ladder and will be riddled with confidence going into next week's game against Fitzroy.

Hectorville 4.2 26 vs Eastern Park 2.2 14

The most anticipated game of the round was the battle of the top two, the result determining who gets the top spot on the ladder. In what was expected to be a high scoring game ended up being low scoring affair for these two teams. Despite sitting on top of the ladder going in Hectorville were in a better form and were picked to win.

Eastern Park now sits second on the ladder after being on top all season. In front the whole game Hectorville had control of the game the whole time proving they deserve that top spot. It was the usual on the best players list for Hectorville with Jazmine Egan, Tess McCormack and Elle Lineage finishing on top for the second round in a row. It will be hard for Hectorville to pick a best and fairest when those three have been dominating all season. It was Bianca White leading the scoreboard on the day kicking two goals, with Jazmine Egan and Taylah Roberts kicking the other two for Hectorville. Samantha Saunders and captain Alicia Cotton did their best to get Eastern Park the win with Alicia Cotton kicking one of the Demons goals. Tamara Clapton kicked the other goal for her team continuing her incredible season in front of goals.

Although not sitting on top anymore Eastern Park remain a dominant team in the draw this season and sit comfortably in second. Hectorville finally become the new ladder leading team after knocking on the door of Eastern Park for a while.

Mitcham 6.2 38 vs Lockleys 1.6 12

To close of the round, it was Lockleys taking on Mitcham in a twilight game Saturday evening. Mitcham playing to get into the top four and Lockleys playing to stay in there. It was a hard game to pick a favourite. Lockleys had a day of missed opportunities finishing the game with 6 behinds and just the one goal. But it was Mitcham who capitalised on their opportunities to get the 26-point win.

Lockleys were without a goal going into the second half but had managed to conjure up 6 points. However, on the other side of the ground Mitcham were sitting on four goals and it would take a lot for Lockleys to fight their way back. Mitcham’s captain Sarah Kirsanovas was leading goal scorer of the game kicking three of Mitcham’s six goals. Jessie Keech and Sienna Shields continue their strong season in front of goal with one major each. There’s no surprise seeing Grace Powell on top of Mitcham’s best players list as she continues to be a key player or her team.

It was tough day for Lockleys with making the most of their opportunities in front of goal denying them an important win. Zoe Dowsett was the only player able to convert in front of goals for Lockleys. There were no strangers on the Demons best players list with Jessica Searle finishing on top once again. The win has kept Mitcham just sitting out the top four with just percentage keeping them out. Lockleys spot in the top four is now at risk with Mitcham desperate to play finals.

SAWFL DIVISION 4 - ROUND 13 PREVIEW

Round 13 starts with the battle of the demons, Eastern Park taking on Lockleys. Both coming off a loss will be looking for that win, especially Lockleys who are playing to keep their top four spot. Its hard to see Eastern Park losing this game, 40-25. Heading to Sam Johnson Sportsground where it’s Fitzroy and West Croydon. Both teams unable to make finals from here but are still looking to win, after West Croydon’s dominant performance last round they’ll be heading in as favourites. West Croydon to win 15-30.

Sitting on top of the ladder filled with confidence Hectorville now take on Scotch OC who are finding their best form in the latter part of the season. Although Scotch OC are in good form Hectorville are too strong to stop, Hectorville to win 50-35. To close off the second to last round of the season it’s Mitcham and Greenacres. Greenacres yet to win and coming off a scoreless game will be looking to respond but will come up against a determined Mitcham side trying to make finals. Mitcham to win 65-6.

SAWFL DIVISION 5 - ROUND 11 REVIEW

Woodville South 0.8.8 vs North Haven 2.2.14

It was a rough day at home for Woodville South, with the previous ladder leaders falling to the always competitive North Haven. It was always going to be a close one, but an uncharacteristic loss for North Haven last made sure it was a very hungry team of Magpies looking to knock the Cats down a few pegs.

Despite the efforts of Carly Rehbein, Melissa Chard, Tiana McCulloch, Liana Paparella and Kelly O'Donnell, who were named best on ground for Woodville South, and their team of skilled players today was just a bit of a miss. Aaliyah Osborne and Jenna Ellis gave North Haven the two goals they needed to take home the two points. Ellis also earned herself named amongst the best on ground, along with Cathryn Wojcik, Mandy Pickert, Jasmine Russell and Delaney Shannon.

Modbury 4.10.34 vs Salisbury North 0.0.0

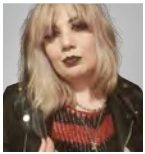

Modbury on the other hand turned their home ground into the thunder dome, outclassing and outplaying Salisbury North. While a lack of accuracy did manage to keep the margin a little less, Modbury were here to play and were able to not just take the win, but also earn themselves a spot on the top of the ladder. Scoring early and pushing out the margin further and further throughout the game, a comeback seemed impossible for the Hawks.

Despite this, they kept fighting and were able to minimise the damage in the fourth. Sophie Aldridge bagged herself two goals, along with Charlotte Churcher and Megan Smart who scored on each. Danielle Menadue, Churcher, Megan Smart, Jaimee Banning and Mia Ebert were named best on ground for Modbury. No players were named amongst the best for Salisbury North.

SAWFL DIVISION 5 - ROUND 11 REVIEW

Kilburn 3.3.21 vs Loreto OS 2.3.15

Unfortunately the two weeks off seemed to have an impact on Loreto OS, with Kilburn able to really tap into that home ground advantage. Despite both teams getting on the board in the first, Kilburn were able to capitalise and get an early lead.

The middle two quarters were a tussle, and the game was competitive till the end. In the final though, that early second goal in the first proved to be difference maker and Kilburn were able to walk away winners from this evenly matched battle. Teresa Mccallum, Brooke Faulds, Carly Knaggs, Annette Viska and Eileen Collins Cole were named best on ground for Kilburn, with Knaggs kicking two goals. Alyssa Holmes also found herself on the score board, providing a goal for Kilburn's total.

Best on ground players for Loreto OS Sarah Catterwell, Amelia Rosella, Jacinta Beltrame, Stephanie Principe and Hannah Ellis led the charge for the Old Scholars. Rosella and Amie Westling kicked a goal each.

WOMEN'S DIVISION 5 - ROUND 12 PREVIEW

As we head into the business end of the season, Woodville South have a week off, perhaps at an inopportune time as they have just been knocked off the top. Perhaps it will be good for them to regroup and watch the dust settle as the rest of the team's tussle for those top spots on the ladder. Loreto OS will be hosting Salisbury North and they will be looking to get back in their winner's grove. Unfortunately, it may come at the expense of Salisbury North who are struggling with their form this season.

Still, expect a gutsy display of footy from both teams as both will want to go down swinging. Kilburn will take on the refreshed Edwardstown, with the Towns surely wanting to walk away with a win so they can pull themselves above Kilburn on the ladder. It won't be an easy feat though with the inform Kilburn, but this game will give us a closer look to where our teams will find themselves before heading into finals in a few weeks' time. In a crucial match for both Modbury and North Haven, the Pies will be looking to jump ahead to the top of the ladder with a win over Modbury. It won't be easy though, as Modbury are in fine form but if there is any team tenacious enough to get up there, it will be North Haven.

SAWFL DIVISION 6 - ROUND 12 REVIEW

Golden Grove (2.6.18) defeated Ingle Farm (1.3.9)

Saturday 22nd July featured an adequate supply of intriguing spectacles within the Adelaide Footy League's Division 6 women's competition. The initial game of the round saw Golden Grove travel to Rowe Park to battle against Ingle Farm. In what made for tough viewing, the often-high scoring and dominant Golden Grove were restricted to just eighteen points in a match up that favoured their forward prospects. It was a goalless first quarter with neither team successfully able to navigate the tricky overcast conditions.

In the second and third terms, Sarah Hewitson and Jo Potter managed to convert the only two majors for the game. With team leading goal kicker Ashleigh Thomas absent, the Grove girls struggled to convert chances consistently and were left searching for a reliable option when entering forward 50. In a moment of rarity, rising-star Rhiannon Utton was largely ineffective throughout the contest, having had a quiet day by her lofty standards. For the victors, Emily Goff was named as the top performer with her showing enough to earn a call-up for the division 2 side during their clash with Angle Vale in the afternoon. It's Goff's first piece of recognition in her eleven-game career and with three appearances for the higher grade already under her belt, I suspect she will grow into a valuable asset for Golden Grove.

Ingle farm fought hard against a defiant opposition and were rewarded with a goal from Tamantha Brown in the last quarter. To get within nine-points of a quality team is certainly something to feel optimistic about as most people expected this to be a resounding loss for the team currently sitting second-to-last. With another best on ground display, Meagan Plummer-Bahr continues to have a respectable season. The defender is yet to score a goal for Ingle Farm and with a couple of tough games remaining, it's unlikely she'll get the opportunity to float forward and snag one before the season is done.

Athelstone (8.12.60) defeated Marion (0.0)

The highly anticipated matchup between Athelstone and Marion certainly delivered an entertaining afternoon of football. In what was predicted to be a tightly matched contest, Athelstone were comprehensively victorious. It was four quarters of pure domination. The home side managed to register a goal in each of the first three quarters, before doubling their tally in the last and sailing home comfortably with a sixty-point lead. They were ferocious when attacking contests and explosive when breaking away into their forward half, proving too strong for a typically commanding defensive unit. Marion's zonal structure behind the ball is usually an integral part of their game as it provides a platform for them to launch attacks and counteract opposition movements.

REVIEWS AND PREVIEWS

Athelstone defeated Marion (cont'd)

However, the overflow of runners from midfield left them dismantled and unable to transition out of the backline; as a result, the Marion defenders succumbed to Athelstone's immense forward pressure.

Natalie Lomman was restricted to being one of six individual goal kickers, demonstrating her side's flexibility when generating scoring opportunities. For the entire season, if you're an Athelstone midfielder breaking through the lines and looking for an option in the forward half, Lomman is undoubtedly the preferred target. Her dominance and feared presence in the offensive 50 have been enough for her teammate Kayla Lambert to fly under the radar as one of the competition's best quiet achievers. In a renewed attacking role, Lambert has scored eight majors thus far this season and her current goal-a-game ratio is her best return since she played for Salisbury in 2015. Samantha Newman was also on-song this weekend, with her goal the cherry-on-top of a fantastic individual display. Newman has played every game since joining Athelstone in round 8, featuring among the best players in four out of five games. Having spent the previous few years plying her trade for competition rivals Tea Tree Gully, this refreshing restart and change of scenery has welcomed a timely patch of career-best form, cementing her position in their best squad before finals.

For Marion, there were almost no positives to take away from the contest and with nothing to hang their hat on, I'm sure they have already turned their attention to round 13. Jasmin Fettke may consider herself an 'Athelstone specialist,' picking up her second best on ground recognition for the season and her first since the two team's last met in round 6. The travelling team were outplayed throughout every stage, conceding eighteen scoring shots across four quarters without being able to generate one for themselves. It's the second time this season where they haven't been able to score a goal, following their abysmal display against Tea Tree Gully in round 1. What is the silver lining you may ask? Well, after round 1, Marion went on to win eight out of their next nine games. With Goodwood Saints and Mitchell Park to finish off their season, I suspect there could be a similar trend in form during the lead up to finals.

Goodwood Saints (7.6.48) defeated Mitchell Park (1.1.7)

For the first time this season, Goodwood Saints have recorded back-to-back victories with a compelling display against projected wooden-spooners Mitchell Park. The one-sided affair was essentially decided at half time, with an unanswered twenty-four points being the foundation the Saints needed to coast home during the last quarter. The premiership term was an emphatic one for the home side, doubling their goal tally and demonstrating what they are capable of when they are firing on all cylinders. Miraculously, Mitchell Park's score is their second-highest total for the season, excluding their disqualification earlier this year. The travelling team did not identify who their goal scorer was, so, I am unable to provide much context in that regard. Individually, Shannon Gaskell can continue to hold her head high despite her club's disastrous season, with a third best player recognition in ten games for her efforts this weekend. Rebekah Barry has starred in the first seven games of her career, only failing to be a standout player in two appearances and will certainly poll well in Mitchell Park's best and fairest vote.

With finals out of the question for both teams, pride was the only thing on the line, particularly for Goodwood Saints who were the unwavering favourites heading into the clash. With braces from both Jazi Andrae and Louise Ayling, the Saints forwards were productive and enjoyed rare freedom in their attacking half. Ayling's two majors were enough to see her climb into the top ten goal scorers for the competition, whilst simultaneously becoming her club's outright leader, surpassing Zali Turner's four. Surprisingly, she has not featured among the best players once so far this season. Speaking of, Fleur Marais's best on ground performance is her third in six games, leaving her just one outstanding afternoon away from featuring in the votes for the joint-highest number of games for Goodwood. Marais is growing into a serious player, becoming a serial top competitor who attacks every contest as if it's her last. As I have mentioned before, I expect her to be an important part of this side for many years to come.

Tea Tree Gully defeated Flinders Park (forfeit)

Unfortunately, Flinders Park forfeited against Tea Tree Gully, giving away an invaluable two points and making it impossible for them to feature in this year's finals.

WOMEN'S DIVISION 6 - ROUND 13 PREVIEW

The week ahead!!

With round 12 done and dusted, we are left with just two games remaining before the finals campaign kicks off. The top four teams are officially set in stone with their arrangement the only thing that could change across the next two weekends. Unfortunately, round 13 is not one that proposes much excitement. The finalists will each be playing a team that sit in the bottom half of the table, meaning percentage is the only thing at stake.

The first clash of the weekend will be between Mitchell Park and Tea Tree Gully. The away side had a week off following Flinders Park's forfeit, which spells bad news for their opposition who are eagerly awaiting the season's conclusion. I expect the Gully girls to thrash Mitchell Park with their fresh legs and emphatic skill gap enough to render the game over before it has even begun.

Next up, Goodwood Saints will challenge Marion on home soil. After recording two consecutive wins, I'd love for the Saints to come out all guns blazing and seriously back themselves in against Marion. They can't achieve anything substantial across the next two weeks, however, they can still destroy Marion's momentum before they enter finals.

Forfeiting on the weekend meant Flinders Park kissed goodbye their hopes to play past round 14 and I expect Golden Grove's forwards to feast this weekend. The scoreline should be an ugly read for the home team, with Grove eager to extend their tenure above Marion through an enormous opportunity to increase the gap in percentage.

Lastly, Max Amber Sportsfield will host yet another twilight affair as Athelstone faces off against Ingle Farm. In what is a certain victory for the league leaders, there is the potential that some of their most important players will be rested and rotated accordingly to avoid any injuries or mishaps before finals. However, if Natalie Lomman was given a full game isolated in the forward 50 she would seriously be a chance to match Charlie Curnow's endeavours against West Coast recently.
