# DIVISION 1 REVIEWS AND PREVIEWS

## MENS DIVISION 1 - ROUND 16 REVIEWS

### St Peter's OC vs Broadview:

The finals series for the 2023 Division 1 football season has been completely flipped on its head as St. Peters chalked up their 3rd win in as many weeks, taking down Broadview and giving their finals credentials a massive hit. This match was tight on the scoreboard just about all day long, St. Peters' straight kicking continuously edging out Broadview.

After trailing by as many as 4 goals at half time, Broadview flipped the switch in the second half. A herculean effort in the fourth quarter seeing them lead by 8 points with 5 minutes to go, before a pearlier of a goal from John Vrodos, followed by a clutch set shot from Brett Russell gave St Peter's the lead, and eventually sealed the match for the home side. For Broadview, this means the last 2 matches of the year need to go their way, we are going to be treated to a riveting final fortnight in this footy season!

### Old Ignatians vs Goodwood Saints:

Goodwood have shown their spectacular improvement in the last few months, dispatching the Old Ignatians on their home turf, taking away a very convincing 99-point win to put them in a position for mathematical chance at September footy. For the Old Ignatians, a decent start in comparison to previous weeks would have given them a bit of hope. But it has unfortunately become a long-lasting trend where they are eventually completely out of the match relatively early on. This week, it was the second quarter, where Goodwood put the foot down and led by 52 at half time. For Goodwood, there is a world where if they can pull of 2 wins and numerous results fall their way, there is a chance that their season may not yet be over in the next 2 weeks.

### Brighton Bombers vs Prince Alfred OC:

A blistering first half by Prince Alfred OC have all but solidified a top 2 position for their season, and left Brighton in limbo as their finals' chances take a hit. Coming up against such strong opposition always spelled a difficult day for the hosts, and a goalless first half sealed their fate as Prince Alfred galloped away to a 58-point lead at the half. Brighton will be encouraged by a highly competitive second half, outsourcing Prince Alfred in the 3rd quarter to remind them that their best footy is good enough. With a tough couple of matchups on the pine for the rest of the season, Brighton will need to harness a lot of inspiration from their third quarter to keep their September dream alive.

**Glenunga vs Port Districts:**

Speechless. An unbelievable performance from the ladder leading Glenunga reminds the competition just why they sit where they do on the ladder, as they dismantled the 4th placed Port Districts and in a grim affair. It was always going to be an uphill battle for Port Districts, but I don't think anyone could have predicted this 132-point drubbing.

This absolutely solidifies Glenunga as the top Seeded team in the competition at this point of the season, which considering the point of the season we find ourselves in, Glenunga are in fantastic stead to go deep in finals and contest for a flag.

For Port Districts, a loss like this can take the wind well and truly out of a team's sails, it's incredibly important that they bounce back next week in order to keep their season on track.

**Tea Tree Gully vs Sacred Heart OC:**

Tea Tree Gully have got the exact win to announce themselves as a danger at this point in the season, and restored the faith of this tipster! In previous weeks, I said that the Gullians needed to get a win against a team that sits above them, and to take a flying Sacred Heart lineup in good form and put together such a strong match, what a finals series we are in for!

There would have been some nervous bodies, as a 2 goal second half could have spelt potential doom, however a superb defensive performance kept Sacred Heart to just 7 goals for the match. Well done Tea Tree Gully.

# DIVISION 1 REVIEWS AND PREVIEWS

## MENS DIVISION 1 - ROUND 17 PREVIEWS

### Tea Tree Gully vs Brighton:

After an immeasurably impressive performance by the Gullians last week - especially on their home deck - it would be very unwise to tip against them. This game is so exciting, whoever loses, is done for the year. The winner lives on for at least another week. I'm backing **Tea Tree Gully in a ripper by 22 points.**

### St. Peter's OC vs Sacred Heart OC:

Just about the only matchup of the week that doesn't have indescribable finals repercussions, despite St. Peter's very impressive performance last week, and Sacred Hearts very lackluster one. I still simply have to back Sacred Heart, however I would very much enjoy being wrong. It's **Sacred Heart by 41.**

### Old Ignatians vs Broadview:

Simply put, Broadview need to get the job done. If they don't, they won't play finals and wouldn't deserve to. For the Old Ignatians, a fuller match performance simply needs to come from these next two weeks, this is their chance. **Broadview by 50+**

### Glenunga vs Prince Alfred:

It's difficult to put into words just how incredibly exciting this game is. 1 vs 2, each team all but at the absolute peak of their powers, winner takes the minor premiership. This is in my mind a lock for a grand final preview. Given how impressed I am by **Glenunga** recently, I'm backing them in an absolute all timer, **by 5 points.**

### Goodwood Vs Port Districts:

Last week's loss means that Port Districts can finish no higher or lower than 4th place this season at an absolute guarantee. For Goodwood, make or break. An impressive series of performances, and glimmers of brilliance means that maybe, just maybe September is on the cards. I'm backing **Port by 6 goals.**

## MENS DIVISION 2 - ROUND 15 REVIEWS

### Edwardstown v Salisbury North

Salisbury came out on top in a much needed win over Edwardstown to put them tied with 2 other teams for 4th on the ladder. Both sides got on the scoreboard early with Salisbury kicking 4 goals in the first quarter while Edwardstown kicked 3 of their own.

Both sides then looked to want to take the lead going into the half time break with each team bringing their goal count to 6 and just 1 additional point from Salisbury giving them the slight advantage. With a tight game on their hands and finals just a couple weeks away Salisbury were up for the challenge and kicked 5 goals in the third and keeping Edwardstown to just 1. Salisbury held a 20 point lead going into the fourth and weren't looking to give Edwardstown any chance of coming back as they poured in another 6 goals before the final siren rang.

The match finishes with Salisbury winning 17 goals 5 - 107 to Edwardstown 8 goals 14 - 62. Domenico Costanzo and Jacob Russo shined for the winning side to get their team over the line while Ben Homburg did his best in the loss for Edwardstown.

### Payneham v North Haven

Despite a scare throughout the first 3 quarters of the game from North, Payneham have been able to come through with the win over the weekend. North came out strong in the first taking the early lead after kicking 4 goals 2 and limiting Payneham to just 2 goals 4. Payneham then worked their way back in the second ensuring that no more than a point separate the two sides going into the major break.

The half time siren rang with North just holding on to a 45-44 point lead. It was more tightly contested footy up until the fourth quarter with each team fighting for different reasons, Payneham hoping to inch closer to the top of the table and North attempting to put some respect on their name after a less than stellar start to the season. The fourth quarter started with North still holding onto the lead however by just 4 points.

## Payneham v North Haven (cont'd)

Unfortunately for North, Payneham proved why they were second on the ladder kicking 4 goals in the final quarter while North weren't able to kick any. The game concluded with Payneham winning 83-59. Jed Spence kicked 3 goals and found himself in best on ground as well as Theo Theodorakopoulos, Max Wagner, Patrick Sanzo and Matt Di Virgilio. For North Lindsay Thomas did his best kicking 4 goals as well as a strong around the ball performance from Mark Rowe.

## Rostrevor v PHOS Camden

Rostrevor have come out on top in an absolute thriller between the two sides over the weekend with 4 extremely tightly contested quarters of footy being decided by just 7 points. The game started with Rostrevor finding themselves unprepared for the way PHOS were ready to come out the gates firing on all cylinders. PHOS kicked 4 goals in the first and limited their opponent to just 1. Despite the strong first quarter Rostrevor found their footing in the second kicking 5 before the half time siren rang and bringing it to just a 1 point game in PHOS' favour.

Both teams continued to find many scoring opportunities with PHOS struggling with accuracy. Despite their struggles kicking for goal, PHOS' 3 goals 6 for the quarter was enough to keep them within a goal of Rostrevor's 4 goals 1 for the quarter. It was an extremely tight game all the way through and the final quarter didn't disappoint with Rostrevor kicking 2 goals 1 in the final quarter of play to PHOS 1 goals 2 and giving Rostrevor the hard earned 79-72 victory. Stefan Lanzoni kicked 3 in the crucial win which has Brough their team to tied fourth on the ladder while Jock Van Kempen put in his best effort in the crushing loss for PHOS.

## Golden Grove v Athelstone

Unfortunately for the rest of the league, Golden Grove has continued to prove why this seasons flag is theirs for the taking with a dominant win over Athelstone over the weekend. Athelstone remained without a goal at the conclusion of the first quarter while Golden Grove didn't look back after kicking 4 goals of their own. They then piled on the scoreboard with an additional 7 goals before halftime and just in time for Athelstone to kick their first goal of the game. Both sides went into halftime knowing this game was over as Golden Grove enjoyed a 63 point lead. Throughout the second half it was more of the same from Golden Grove as they kicked 11 more goals before the final siren rang.

# DIVISION 2 REVIEWS AND PREVIEWS

For Athelstone they did manage another 3 majors before the end of the match however it wasn't enough to recover from what was a crushing loss. Charles Ashcroft kicked 6 goals for the winning side while Cameron Shenton shined with the ball for the winning Golden Grove side. Mitchell Grigg attempted to keep his team in the game however was outdone by a much stronger squad.

## Henley v Adelaide University

In the battle to see who would break their streak of poor performances first Adelaide Uni have broken their large losing streak with a win over Henley. Adelaide took the win kicking 11 goals 10 - 76 for the match while Henley kicked 9 goals 7 - 61. A captains effort from Mitchell Marini saw him kick 3 goals and find himself in best on ground alongside teammates, stefan jankewicz, Lucas Di Sotto, Oliver Reilly and Ben Adams. For the losing side, Patrick Hillard, Josh James, Lachlan Sheffield, Tom Pillion and Cody Egel did their best but came up short.

## MENS DIVISION 2 - ROUND 16 PREVIEWS

### Salisbury v Payneham

Both sides are looking to prove they have what it takes to be serious contenders come finals time. Payneham are sitting fairly comfortably at second while Salisbury sit in an interesting position tied with two other sides for fourth. In their last matchup Payneham was able to win by just 2 points. Im predicting an upset this week with Salisbury fighting for their spot in the finals and simply wanting this win more. Salisbury by 14

## PHOS Camden v Edwardstown

Edwardstown are in a bit of an uncomfortable situation sitting at 7 and some very strong teams above them. PHOS on the other hand have proven they are contenders and will be looking to cement their spot in final and their spot in the top 3 on the ladder. Expect PHOS to win this one fairly comfortably as they take advantage of a struggling to stay afloat Edwardstown side.

**PHOS by 28**

## Adelaide University v Rostrevor

Despite getting their first win in over 10 weeks last round Adelaide Uni have yet to show they can win against the stronger teams this season. With Rostrevor being one of the sides tied for fourth they will be looking to take advantage of this matchup and move into a more comfortable position on the ladder. Expect a one sided outing much like their last matchup. with the stronger side coming out on top.

**Rostrevor by 50**

## North Haven v Golden Grove

North have showed some fight in recent weeks as they look to fight to not finish at the bottom of the ladder. Unfortunately for them they come up against the undeniable strongest team in the league coming off a good win against another competing Athelstone side. Expect Golden Grove to dominate this game and cement their spot as the number 1 side in the comp.

**Golden Grove by 80**

## Athelstone v Henley

Despite Athelstone's string of poor performances as of late they can use this week as a way to bounce back coming up against a very much struggling Henley side. Henley helped break Adelaide Uni's 10+ losing streak last week likely cementing them as the weakest team in the comp at the moment with North finding their feet. Expect Athelstone to take advantage of the weaker matchup and take that number four position on the ladder.

**Athelstone by 68**

## MENS DIVISION 3 - ROUND 16 REVIEWS

### Gaza v Pembroke 13.8 vs 6.7

The Kings had not played at Klemzig for 5 years back in the Day Jars was coach at the Eagles and Jimmy Allan was at the Reigns of the Kings. The Eagles had their 20-year Premiership reunion also happening with all the players in attendance along with Wayne the Weed Weideman celebrating their Div 1 premiership from 2003. The game started with the Kings having a long shot for goal resulting in a major score. It was then Gaza took the ball into their fifty and Thomas goaled. The Eagles went in a few times with no luck but eventually it was Tahana who had a shot for a minor score. The home team had a 1-point lead at the 13 minutes mark. The ball was moving up and down the ground to no team's advantage. It was then Jarret who marked and goaled. The Eagles appeared to be up and about.

At the restart, the Kings went inside fifty and Forster marked and goaled. There was a lot of movement and stoppages for little reward. Forster then received a free and a 25-meter penalty and he converted. It was at that time appeared the tide had turned, and the Kings were getting on top. The Kings went in again for no result. It was then Evans for Pembroke who marked and goaled on the siren and the margin was eleven points in favour to the visitors. The Kings got the first clearance at the start of the second, but Gaza cleared from the half back line. There was very little happening in the first 5 mins with no scores registered. Gaza then went inside fifty on several occasions even to the extent that it was like it was parked in there. It was stoppage after stoppage. It was finally a rushed behind to the Kings for the first score for the qtr. at the 10 min mark. Then a mark and goal to Evans had the Kings up and about. They had moved to an 18-point lead. Gaza got the next clearance but could get the ball inside their 50 It was then a rushed behind to the Eagles for their first score. A free to Beioley and goal saw the Eagles with their first major since the 10 min mark of the first. The Kings were doing all the attacking from the restart and a mark and goal to Duffy and the Kings had extended their lead at the long break up nineteen points.

At the start of the third, the Eagles got the first clearance but a snap at goal by Holman resulted in a behind Pembroke then ran the ball down into their fifty and received a free, but the result was a behind. The ball came out again and a dubious free to Evans saw him convert. The ball was circulating around the centre for a period and when Gaza got the ball into the fifty it was Beioley who could not capitalise a behind only. The game was being played in Pembrokes half for most of the qtr. and another goal to Slade had the Eagles under even more pressure. Gaza then got the clearance, and it went to Beioley who marked and goaled. The Eagles cleared again but could not manage to capitalize.

**Gaza v Pembroke (cont'd)**

The Kings worked the ball back down into their fifty and eventually scored through Dinham. It was followed by another to Green and the margin was getting greater. At the last break Pembroke led by thirty-seven points. The last started with Pembroke doing all the attacking and it was within the first minute and Forster marked and goaled. The lead to the visitors was now forty-three points. It was then Gaza who goaled through Rhys Jones, and it looked like the Eagles had a glint in their eye. It was then Allocca who snapped for the Eagles but alas it was only a minor score. Then a lightening pass from Gill hit Jarret on the chest and he then goaled. Was it too late for the Eagles? There was a lot of stoppages and the game had lost a little zest. It was the Kings that were dominating inside their 50 The finally goaled again and the margin was thirty-seven points. They went in again from the restart and Forster goaled again. The game then petered out and the Kings ran out comfortable winners by forty-three points. **Unley Mercedes Jets v Gaza at Kingswood Oval**

The Jets are one of the form sides and are keen to get top spot back from the Hawks. They will have to win their last two and hope Modbury drop one. Gaza are playing for pride and are very under manned. It appears that the Jets will go in at full strength. The Jets should win this one easy.

**Unley Mercedes Jets by Sixty points**

**Modbury v Scotch OS at Modbury**

Scotch will be travelling up to Modbury knowing it will be a daunting task against the star-studded Hawks. It could be one way traffic if Scotch don't defend well. The form the Hawks are in would suggest they win easy.

**To Win Hawks by Sixty-Six points**

**Westminster v Seaton Ramblers at Glandore**

This game will be a close one with both sides evenly matched. The Dragons will be keen to avoid relegation so they will be going hard to get a victory. Seaton have been extremely competitive all season and may just have the edge. In a close one Seaton.

**To Win Seaton by 8 points**

**Pembroke v SMOSH West Lakes at Haslam Oval**

The Kings are coming off a solid win against the Eagles last week while the Lions pushed Scotch on their home ground last week. The Kings know they must win every game for a chance to play finals and SMOSH are up and about. The Kings are racked with injuries now and the Lions may get them in an upset.

**To Win the SMOSH West Lakes by three points**

**Flinders Park v Hope Valley at Flinders Park**

Hope Valley are coming off a big loss to the Hawks last week while the Reds are in ripping form. Both sides have winners all over the ground and it could come down to a shoot-out. Flinders Park at home might get the victory for that reason.

# DIVISION 4 REVIEWS AND PREVIEWS

## MENS DIVISION 4 - ROUND 16 REVIEWS

### Hectorville v Mitcham

Unsurprisingly, it was a low scoring affair at Daly Oval on Saturday as Hectorville solidified their reputation as the most difficult team to score against as they took on a Mitcham team that has struggled for scoring all year. The first quarter was tight with both teams kicking 4 goals. Mitcham were ahead by the slimmest of margins at half time. But that is where their scoring ended.

In fact, they were only able to score one point after half time, while Hectorville kicked 2 goals to run out a 14-point victor. As has been the case for most of the year Hectorville were well served by their leaders. Captain Daniel Fairbrother and vice-captain Dylan Kahl were key drivers for the Hounds. Josh Brooks was their only multiple goal kicker. Mitcham were also well served by their leaders Zach Sutherland and Nick Collins. Max Smyth has played a lone hand in the forward half for the Hawks.

This win all but secures Hectorville's place in the finals and keeps them in the hunt for the double chance as they are equal on points with Lockleys. They face Plympton this week in a critical game if they are to snatch the double chance.

### Walkerville v CBCOC

Cold but fine conditions greeted the players at Walkerville oval. CBCOC were without key half back Jack Strange. Walkerville started well and kicked the first goal. CBCOC then gained the ascendancy and kicked the next 4 goals. At this point they looked to be in control of the game. Not so however with Walkies then kicking the next three.

The general feel of the game was the Walkerville had the better of it up until three quarter time. This was evident on the score board also where Walkerville were 13 points in front and had had 24 scoring shots to 16. In the last quarter CBCOC did what good sides do. They found a way to gain the momentum and kicked 4 goals and held Walkerville to only one point to run out a hard fought 10-point victor. This all but seals Walkerville's finals fate. For the Dolphins Brett Simpson was outstanding kicking 7 while Liam Greber also proved a difficult matchup for the undersized Walkerville defence kicking 7 also.

**Walkerville v CBCOC (cont'd)**

For Walkerville, Sean Kuerschner was outstanding all day in the midfield and he also kicked four goals. Nick Gillard was also effective at half forward with two goals. If Walkerville are any chance at all to participate in the finals, they must account for Mitcham this week and hope Plympton find the challenge of Hectorville and Pooraka too much to handle.

For CBCOC it was undoubtedly a belief building win, but coach Simpson will most certainly be looking for an improved attention to detail in their last two minor round games as they sharpen their game for September.

**Lockleys v Portland**

An already struggling Portland were without several of their key players for the difficult assignment of playing Lockleys. Dale Laslett, Jayden Wait, Nathan Wait and Brad Traeger were all absent. Meanwhile Lockleys appeared to be virtually at full strength.

The game was never really a contest and by half time Lockleys were 14 goals in front. In the second half the only point of interest was how many goals Lockleys spearhead Ben Haren would kick against an undersized Portland defence. The final answer was 10. Matt McDonough also gained some much-needed form and ended the game with 6. The two headline stars of the Lockleys team were also unsurprisingly given best player honours. For Portland Terry Milera Jake Nead and acting captain Tyson Friend fought hard in a lost cause.

Lockleys cannot afford to rest on their laurels if they wish to keep the double chance as they come up against a desperate Kenilworth next week.

# DIVISION 4 REVIEWS AND PREVIEWS

## Pooraka v Morphettville Park

Pooraka snuffed out any mathematical hope that Morphettville Park had of making the finals with a comprehensive 57-point win at Lindblom Park. It could have been even more convincing but for some inaccuracy in front of goal from the Bulls. In fact, the game could have been over at quarter time but Pooraka kicked one goal eight to nothing. They completely dominated the quarter and held the Roos scoreless.

Pooraka improved their accuracy a little after quarter time and by half time they were 26 points in front and the game was well in their control. Pleasingly for Pooraka and particularly coach Shane Hickey the Bulls did not take their foot off the pedal in the second half. They kicked 8 goals to 4 to all but secure the minor premiership. For Pooraka their forward line fire power was on full show with 8 different goal kickers led but Luke McCormick-Smith who kicked 5 and Ronald Rankine who scored a double. Pooraka vice-captain Sean Hee has had an excellent season and continued his good form to be awarded best player. For Morphettville Park ruckman Alex Barns was best.

Pooraka have now earned the opportunity to set up the last six weeks of the season as they see fit. Resting key players versus not flirting form may be a question foremost in their thoughts in the coming weeks. Either way they are clearly the team to beat.

## Kenilworth v Plympton

Kenilworth now face an uphill battle to participate in finals in 2023 after going down to a Plympton team gaining momentum at the right time of the year. The Kookas had the early momentum and may have been further in front but for inaccuracy in front of goal. The second quarter was decisive however with Plympton kicking 4 goals to Kenilworth's 1 to be 20 points in front at the main break. Kenilworth outscored Plympton by 2 points in the second half but the decisive margin had already been established. Lachie Stoddard continues to be a consistent performer for Plympton across half forward and he hit the scoreboard with 2 goals. He was also among their best. Lonnie Hampton gave the Bulldogs plenty of run and drive through the middle of the ground. Midfielder Jordan Wilson-King has had a stellar season and he was Kenilworth's best player.

The equation does not get any simpler for Kenilworth this week as they face Lockleys. They can still make the finals, but the task is a difficult one. Plympton also face a challenging task as they come up against the defensively strong Hectorville.

## MENS DIVISION 5 - ROUND 16 REVIEWS

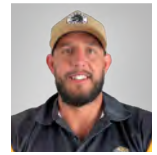

### Kilburn vs Gepps Cross / 21.14 - 140 vs 13.5 - 83

In a game many people are picking as the grand final preview, Kilburn were able to get some retribution from the first time these clubs met. Winning this game in outstanding cashing and reminding the competition exactly what they are capable of. The undefeated streak of Gepps Cross comes to and end, but could that be a blessing in disguise? From the minute this game started the chics put their foot on the throat, booting 7 goals and keeping Gepps Cross to a single behind, taking a solid 45 point lead into quarter time. Gepps Cross managed to claw their way back into it through the second quarter, kicking 7 goals themselves and brining the margin back to 22 points heading into half time. The conditions were playing a huge part in this game and there was a clear scoring end, still anyones game at this point. Kilburn come out firing again after half time, once again kicking 7 goals and holding gepps to 2 goals to extend their lead out to 55 points heading into the last change. A margin like that was always going to be too big a challenge to overcome no matter what team it is. Last quarter was fairly even and Kilburn were able to run out the game as 57 point winners. A huge victory and one that will have the chics extremely confident come finals time. Corey Solly and Rhys Okeeffe were Kilburns best players, Solly extending his lead in the association goal kicking with another 8 to his name. Shane Faulkner and Robbie Young were both solid for Gepps Cross but unfortunately it wasn't enough to get their boys over the line.

### Colonel Light Gardens vs Pulteney / 11.17 - 83 vs 8.12 - 60

This game seen a couple of the teams right in contention for finals battle it out at Mortlock park, with CLG still chasing that double chance. The game started in favour of the blues and they were able to apply scoreboard pressure from the get go, earning themselves a handy little 10 point lead at quarter time. CLG were missing some easy chances in front of goal, something they needed to fix quickly. The second quarter seen some back and forth football being played but Pulteney were doing enough to keep their noses in front and withstand the pressure from the CLG boys. The lead was 5 points in favour of the blues heading into half time. Colonel Light needed this victory if they wanted to keep pressing towards the double chance, Pulteney needed it to keep their season alive and give themselves a decent crack at finals football. Colonel Light come out after half time on a mission, controlling majority of the quarter and hitting the scoreboard enough to get themselves in front and be leading by a single point at 3qtr time.

**Chris Knapp** gives his match previews for this weeks matches

That momentum carried through into the last quarter and CLG found a way to accelerate away from the blues sealing another nice victory by 23 points and keeping their double chance hopes alive. Disappointing second half from Pulteney and they've let themselves down here. Jack Tape was named best on ground for CLG and veteran Emmett Wood was also among the best. Alex Forbes and Sheldon Currie were the clear stand outs for the blues.

**Trinity OS vs Eastern Park / 15.11 - 101 vs 11.12 - 78**

Trinity are another team pressing their case for a double chance come finals time but they've got a bit of ground to make up. Eastern Park are dead last and at this stage it would take almost the impossible to save themselves from relegation. Although the demons have been playing some solid football over the last month, fitness has been a huge problem and they haven't been able to run out games at all. Saturday seen Eastern Park start well and we're even leading the TOSers by 2 points at quarter time. After a little hype up from the Trinity coach during the break, it didn't take long for the Trinity boys to find their mojo. Piling on 5 goals in the second term and taking the lead back in solid fashion. Trinity were up by 2 goals heading into half time, a lead they were eager to build on. The demons come out looking the better side through the 3rd quarter but didn't make the most of their opportunities in front of goals and still trailed by 10 points heading into 3qtr time. The game was being played at a very high standard and at this stage it was still any teams for the taking. Running out of legs in the last quarter hurt the demons yet again, as Trinity banged home another 5 majors and ran out the game as 23 point victors. Dom Barilla was the star of the show Saturday, earning himself another best on ground. Bailey Puvogel played his best game since the match winner a he kicked a little while back. Peter Diedrichsen was yet again named best on ground for the demons, he's been among the best players 12 times this season and has been a shining light for Eastern Park. Robert Kovacic was back to his best football, booting 3 goals in a solid performance up front.

**West Croydon vs Elizabeth / 17.15 - 117 vs 7.7 - 49**

Plenty of drama about this game on Saturday but another solid performance from the hawks has seen them all but solidify their spot in this years finals series. Elizabeth weren't expected to win this game but it was an extremely disappointing output after some strong football over the last month. The eagles put on a strong showing across the first half, out scoring the hawks during the first quarter and were leading the game by 7 points at quarter time. Still right in it throughout the second quarter but West Croydon worked their way back into the game, eventually taking the lead and swinging the momentum right in their favour. Half time seen the hawks leading by 3 points and at this stage both teams had kicked 7 majors.

# DIVISION 5 REVIEWS AND PREVIEWS

After getting some friendly instruction from the coaches in the West Croydon change rooms, the hawks come out a completely different team and took complete control of the game. Banging home 5 more goals during the 3rd quarter, extending their lead to 35 points before the last break. The eagles had barley touched the football after half time and were kept goal less, which resulted in a few of their players losing their cool and even had one player sent off. This didn't make things any easier heading into the last quarter though as the hawks flexed their muscle booting another 5 goals and once again keeping Elizabeth goal less, 68 point victors and charging towards the finals series. Dion Doolan was incredible yet again on the weekend, slotting 8 majors and keeping himself right in the race for the league goal kicking. Ari Rigney also had a big impact for the hawks, playing his best game of the year. Anthony Bullock and Brandon Ewing were the stand outs for the eagles, adding to their already strong seasons.

## Woodville South vs Blackfriars OS / 18.13 - 121 vs 12.8 - 80

Not quite as exciting as the grand final preview between Kilburn and Gepps Cross, but there was still plenty riding on this game between a couple of teams at the bottom end of the ladder. Woodville South and Blackfriars OS both find themselves in a race between 4 teams to avoid relegation this season and both clubs are putting their best foot forward. Both teams have struggled to stay consistent this year and play a winning brand of football, but neither wants to throw in the towel for division 6 next year. knowing the importance of this game, Woody south didnt waste any time kicking into gear. Kicking 4 goals during the first term and taking an 18 point lead into the first change. Blackfriars needed to find a way to swing the momentum in their favour but the second quarter proved to be an even tougher task as the cats piled on another 7 goals and stretched their lead out to 36 points. Something had to give for the hounds at half time, they needed to find the answers to stop the cats run before it was too late. Coming out after half time it was still Woody South in control of the game, their star players were proving to much to handle for Blackfriars and the lead blew further out to 63 points before the last change. At this stage, the game was all but over. Although the hounds saved their best quarter for last, it was never going to be enough! Kicking 6 goals and outscoring the cats, bringing the margin back to 41 point before the final siren sounded. Huge win for Woody South and still a good chance to remain in division 5 next season. Kyle Hanel was best on ground for the cats, while Liam Wood was also among the best players with one of his better games to date. Francesco Marafioti and Blake Jordan were the 2 best players for Blackfriars, while skipper Matthew Brincat was also serviceable in the ruck.

## MENS DIVISION 5 - ROUND 17 PREVIEWS

### Woodville South vs Trinity OS

With relegation still on the horizon for woody south, a win against a strong Trinity outfit would really help their case of staying up. Trinity are in prime position to play finals this season, while also biting at the heels of CLG chasing a double chance. They can't afford to lose this one and pray other results go their way if they want to climb up to 3rd, so I expect them to leave everything out there Saturday ensuring that chance stays alive. The first time these clubs met, Trinity accounted for the cats with ease penciling in a 10 goal win. I can't see the result being any different this time round as the TOSers will be doing their best to carry some strong winning form into the finals series. **Trinity OS - 40 points**

### Pulteney vs Elizabeth

Pulteney look a completely different side compared to when these sides clashed a couple months back and have put themselves in a solid position pressing their case to play finals. They have to be flawless from here on out and make sure they post 2 big wins in the last couple of games of the year. Elizabeth haven't been given much credit for the teams they've knocked off to date, but have found a way to keep notching up wins. Having won 5 games to date, the relegation battle still has their name in the mix. One more win guarantees them a place in division 5 next year but a loss this week will have them very nervous heading into the last game of the season. Pulteney have come in leaps and bounds since the start of the year and I expect them to account for the eagles with ease on Saturday. **Pulteney - 30 points**

### Kilburn vs Blackfriars OS

After a massive win which ended the undefeated streak of Gepps across, the chics will be full of confidence and won't be expecting to drop another game before finals. Second spot is secure but the last couple of games will see them get the mix within the team right, making sure they are primed come finals time. Blackfriars will be disappointed with their output this season and still find themselves in the mix for division 6 next year. Percentage will play a huge part at the end of next weeks game so as long as they can curb the influence of some of Kilburns top end players to make sure it's not a complete drumming, Blackfriars will get a pass mark this week. A win would be even better for the hounds but given the way Kilburn are playing and the top end talent they are putting on the park every week, I can't see them pulling off a miracle like that. Kilburn to flex their muscle and put on another clinic a couple weeks out from finals. **Kilburn- 60 points**

# DIVISION 5 REVIEWS AND PREVIEWS

## Colonel Light Gardens vs Gepps Cross

After suffering their first loss of the season, Gepps Cross will be eager to bounce back and ensure they come back into winning form before finals. CLG are sitting 3rd and should secure that over the next couple of weeks but a win this week will guarantee that while giving them massive confidence heading into finals knowing they've knocked off the 2 teams that currently sit above them. Mortlock Park is never an easy ground to play at, add in a big loss last weekend on top of that and you've got a nervous Gepps Cross outfit travelling out there with some serious work cut off for them. CLG have hit form at the right time, if they've got all of their players available they will give this a serious shake. I do think the class of Gepps Cross is far superior than any other team in the competition and I expect them to be back on the winners list this week through their top tier players. **Gepps Cross - 15 points**

## West Croydon vs Eastern Park

West Croydon have almost guaranteed themselves a spot in this divisions finals series but they've got one more little hurdle to overcome before they pencil that in, the bottom of the ladder Eastern Park team. The demons have struggled this season, only notching up 2 wins to date and look almost guaranteed for division 6 next year. Although a couple of the results on the weekend left the door open for the smallest chance of staying up, Eastern Park need to be flawless from here on out and nothing can go wrong. Something they've struggled with this season so I can't see it being any different come Saturday when they come up against one of the teams set to play finals football. West Croydon have surprised many teams this year, credit to their coaching staff and the players. A couple more big wins before the finals series will have their entire club up and about, as we all know anything can happen come finals time. **West Croydon - 40 points**

## MENS DIVISION 6 - ROUND 16 REVIEWS

### Rosewater Vs Brahma Lodge

Rosewater were at home taking on Brahma Lodge this week hoping for a huge win to boost their season. Rosewater came firing out of the races right from the opening bounce as they showed Brahma Lodge how good of a side they can be, keeping them scoreless and booting eight goals to get a 55 point lead from the first term.

Backing off the pedal slightly, Brahma Lodge hit back with a couple goals and kept Rosewater to just four goals to slow the bleeding, at halftime The Doggies took a 74 point lead.

Rosewater showed absolutely no mercy coming into the third term, booting a massive 15 goals in the third term to absolutely run over Brahma Lodge and have a 166 point lead with a quarter to play. With the game well and truly over, Rosewater were basking in their performance, and kicked 16 more goals to run away with an absolute belting by 262 points. Many players all around the ground dominated all day for Rosewater, Jesse Newman, Brock Honson and Jason Kouba dominating and carrying their side to the win, Jason Kouba had an absolute day out up forward with 12 goals, Brock Honson also kicking 5.

A harsh lose for Brahma Lodge, but good signs for their side who continue to persevere, Adam Shelly, Zacquari Graham and Brandon Planegger were their best. A huge confidence boost for Rosewater as they take on Fitzroy next week in a tough match, Brahma Lodge are on the road again against Greenacres.

### Greenacres Vs St Paul's

Greenacres are back at home to take on St Paul's. St Paul's were prepared to take all their opportunities this week, coming up against a tough opponent in Greenacres who they had a draw with last time they played, they started well and held The Dragons down in the opening term.

The second quarter Greenacres struck back and showed St Paul's why they're one of the top sides in the competition, at halftime, Greenacres leading by just seven points. St Paul's dominated in the third term in perhaps their best quarter of the season, kicking five goals to Greenacres one and setting themselves up in a good position heading into the last quarter.

**Lochie Evans** gives his match previews for this weeks matches

A tight last quarter as both sides fought for the game, Greenacres kicking a few goals but St Paul's just doing enough to hold them off, St Paul's coming out on top by four points in a brilliant game. A magnificent performance around the board for St Paul's taking down a strong side, Sean and Glenn Gibbs were the best afield with Paul Carathanasopoulos also playing well, Jake Winters booted four goals.

A tough loss for Greenacres, St Paul's just too good, Josh Adey was as good as always and earned best afield, Daniel Smith and Blake Rogan also playing well, Matthew Gibson kicking three goals. A tough loss for Greenacres, who now drop down to third and will be disappointed in their recent form, they'll look to get a big win against Brahma Lodge next week.

**Adelaide Lutheran Vs Salisbury**

Adelaide Lutheran hosted Salisbury this week in what was a must win game if they want to prove they are ready for finals. Adelaide Lutheran started strong opening this game, competing well against Salisbury and taking advantage of their weaknesses, gaining control of the game for the first term. It didn't take long in the second quarter for Salisbury to find their gear and show Adelaide Lutheran they were there to play, kicking seven goals to take a 24 point lead into the main break.

Adelaide Lutheran continued to compete but from half time couldn't control Salisbury, The Magpies dominating all around the ground and eventually turning the game completely around and coming home with a strong 51 point lead.

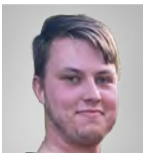

A great show of skill for Salisbury in a solid win, Harry Wheeler was the best afield, Joseph Williams and Shayne Scanlon also playing well, Mitchell Slater also booted five goals in the win. A good start for Adelaide Lutheran just not able to hold on, Ethan Sims and Nicholas Norman played well all game, Rowen Miegel also playing well with four goals. Adelaide Lutheran continue to have on and off form, while Salisbury move up to second spot on the ladder and are in red hot form, they take on Smithfield next week, while Adelaide Lutheran take on Marion.

## Smithfield Vs Central United

Smithfield are at home again as they take on Central United after a good win last week. Both sides started well and battled it out for the first quarter, Central United gaining a slight edge and getting just a couple goals ahead at the first break. Central United found a way to get some advantage on Smithfield despite a great effort all around the field, at half time it was The Units by 38 points. Smithfield defended well all day and kept Central United from dominating, but The Units were able to chip away and gain momentum throughout the match. The last quarter saw both teams play well, but Central United were able to run away by kicking 7 last term goals, finishing 108 point winners.

A great game from both sides, Central United playing some of their best footy, Benjamin Russell was the best afield for Central United, Rory McMillan and Jayden England also playing well. For Smithfield, Tyson Evans was their best and played well in defense all day, with an array of players playing well, Tyler Davis, Issac Keightley, Garry Hewitt and Daniel Brockman all earning mention, Issac Keightley also kicking three goals. A tough loss for Smithfield who despite some results have played great footy in the back half of the year and showed their determination, Central United will take on St Paul's next week, Smithfield are at home again against Salisbury.

## Marion Vs Fitzroy

Marion look to continue their dominant streak as they take on Fitzroy at home this week. Marion came out looking to keep this game on their terms, keeping Fitzroy scoreless for the first quarter, but not without Fitzroy defending them well and keeping them to just a goal.

The second term Marion were able to put some more on the board and continued to dominate the play, heading into the main break, Marion were up by 55 points. Another three goals were to be added by Marion in the third term, slowly building their lead bigger and setting up for a big win. With one quarter to play, Fitzroy found their last ditch effort and booted five last quarter goals to try and get a shot at a win, falling short with Marion winning by 43 points.

Great dominant game from Marion, Adam Beaumont was the best afield with Zac Angel and Shane Harvey also playing well, Tim Stewart booted three goals. A great last quarter performance from Fitzroy despite a tough game, Joshua Rosenthal, Heath Rusby and Hunter Dwyer were the best afield. A great game from Marion, they take on Adelaide Lutheran on the road next week, while Fitzroy are also away against Rosewater.

Lochie Evans gives his match previews for this weeks matches

**MENS DIVISION 6 - ROUND 17 PREVIEWS**

**Marion Vs Adelaide Lutheran**

Marion will look ahead to continue dominating as they take on Adelaide Lutheran at home this week. Marion have dominated the competition all season and proved they are the team to beat after Greenacres recent form, and will look ahead to this matchup as a chance to keep boosting their performance. Adelaide Lutheran would love to have a good performance against a top side like Marion after their recent weeks to show they can play finals. I think Marion will dominate Adelaide Lutheran at home and will finish with a convincing win.

Tip: Marion by 100+

**St Paul's Vs Central United**

St Paul's are back at home to take on Central United in what should be a great matchup. St Paul's coming off their biggest win this season and knocked off Greenacres last week, now proving they have what it takes against the top sides and will be eager to get another win. While Central United have had an up and down season, they have a great side and have taken on some good sides, when at their best they can dominate their opponent. I think it will be a tight matchup, but St Paul's will be full of confidence and ready for another great win.

Tip: St Paul's by 1-10

**Rosewater Vs Fitzroy**

Rosewater look to continue their strong finish to the season and take down a tough opponent in Fitzroy. Rosewater have had some terrific games in the back end of the season and will show no mercy at their home deck when they have a tough game against Fitzroy this week. Fitzroy for most of the season have played incredibly well and had great games against top opponents, but have slipped up in games and not had the best consistency. I think Rosewater will give it a good crack and come close to Fitzroy but I think they're too hungry and will take down Rosewater.

Tip: Fitzroy by 20-30

## Greenacres Vs Brahma Lodge

Greenacres look to get back on the winners list after some poor form against Brahma Lodge this week. Greenacres have played great footy for the best part of two seasons, up until the last few weeks, they have been the side to beat, they will be hungry to take on a struggling side and getting a massive confidence boost this late in the season. Brahma Lodge have nothing to lose at this point in the year, and will be keen at looking at ways to improve for next season against quality sides and taking in what they are doing well to come back better and stronger. I think it will be a massive blowout to Greenacres who will be hungry for a massive win.

**Tip: Greenacres by 100+**

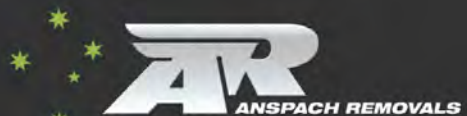

## Smithfield Vs Salisbury

Smithfield look to finish the season strong and play good footy against some of the top sides. Smithfield have had a rough comeback to the league, getting thrown into a tough division with quality competition but have ridden the bumps and taken it up to every side, showing their pride and never giving up regardless of the score, they'll look to do the same this week. Salisbury have been playing well all year especially in the back end of this season currently sitting in second spot and well earned it. Both sides will put up a fight as they did last time they went head to head, but Salisbury's dominance is understandably the factor in the result of this match.

**Tip: Salisbury by 20-30**

# DIVISION 7 REVIEWS AND PREVIEWS

## MENS DIVISION 7 - ROUND 16 REVIEWS

### O'Sullivan Beach Lonsdale v Ingle Farm

OSBL were hoping to celebrate Richard Hore's 250th game with a win but were unfortunate as they succumbed to the might of Ingle Farm, losing by 19 points. OSBL were able to stay with Ingle Farm for the first quarter and looked to be right in the mix however 4 goals to 9 over the second and third quarter extended the Bulldogs lead to 38 points at the final break.

As they do, OSBL fought hard, out scoring Ingle Farm in the last term 4 goals to 1, but the lead was too much to overcome, Ingle Farm doing enough to get the points winning their 15th straight game in a row.

Tailen Hobson the best for OSBL, Austinn Wurst (6) was the major goal scorer. Jack Delchau and Devin Payne (4) the standouts for Ingle Farm.

### Para Hills v Houghton

Para Hills started strong but were unable to hold on as Houghton claimed their second win in a row against a top 4 side, winning a tight one by 7 points. Para Hills looked in complete control for the first quarter and a half until Houghton kicked (literally) into gear with some quick goals, bringing Para Hills lead back to 12 points at 3-quarter time. With their confidence growing Houghton took ascendancy in the final term, kicking 5 goals to 2 to claim a famous victory.

All eyes were on Roo Daniel Weetra, who came into the game on 92 goals and looked likely to reach 100 by days end, unfortunately for him and the crowd, Para Hills struggled to penetrate the forward 50 in the last quarter, Weetra finishing with 7, just one short of the magical milestone.

Not to be outdone, Houghton's Dylan Male kicked 7 and looked dangerous up forward, using his height advantage to advantage à la Mason Cox 2018 Prelim. Riley Babiak (2) was best afield.

**MENS DIVISION 7 - ROUND 16 REVIEWS**

**Hackham v Mitchell Park**

Mitchell Park extended the lead at every change to finish comfortable 70-point winners against southern rival Hackham. The Hawks held Mitchell Park to a 23 point lead at Halftime but from there it was all one way traffic as the Lions put on a 9 goal to 2 second half.

Jordan Christall kicked 7 for Mitchell Park, making it 12 goals in the last 2 weeks in another dominate display up forward, whilst Joel Waters (3) and skipper Brandon Walczak also impressed. The win keeps Mitchell Park within striking range of 5th placed Flinders Uni with just half a game separating them going into the last game of the minor round.

**Flinders University v Mawson Lakes**

Flinders University squandered opportunities at goal but have still managed to come away with a less than impressive 17-point win against Mawson Lakes. Flinders went into halftime leading by 30 points, but it could have been more, the Crabs kicking a wayward 7.9 albeit with most of the play in the first half.

Mawson Lakes regrouped in the second half with the help of Anthony Jenkinson (4) and Oscar Richards (4), kicking 11 goals to 9 in the second half however Flinders Uni's start, although wasteful was enough to see them through with a much-needed victory.

Shaun Brown from Flinders was best on ground with Luke Warland, Greg Pinder and Anthony May all kicking 3 goals each.

# DIVISION 7 REVIEWS AND PREVIEWS

## MENS DIVISION 7 - ROUND 17 PREVIEWS

### Ingle Farm v Houghton

After taking two big scalps in the last fortnight Houghton will be as confident as ever but I cant see them beating the Bulldogs. Ingle Farm too strong for Houghton, even with the extra men. **Ingle Farm by 36 points**

### Para Hills v O'Sullivan Beach Lonsdale

Last time these two met the game was settled in the dying moments of the last quarter, Para Hills winning by under a goal. I don't think it will be as close, but it won't be a blow out. Daniel Weetra likely kicking his 100th this game will make for an entertaining afternoon, a must win for Para Hills after losing to Houghton last week. Weetra, Wurst and Rigney to all be in the goals. **Para Hills by 28 points**

### Mitchell Park v Mawson Lakes

A must win for Mitchell Park if they are any chance of sneaking into 5, even then they'll still need Flinders Uni to lose. I think Mawson's will be very competitive, but the Lions have too much to play for. **Mitchell Park by 8 points**

### Flinders University v Hackham

Given Flinders Uni need a win to control their own destiny and solidify a finals birth they'll go all out to try and get the points, this will probably be their last win of the season though. **Flinders Uni by 40 points**
