SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA

The SA Footballer have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

What an amazing group of women we have in 2023 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.

The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.

SAWFL DIVISION 1 - ROUND 13 REVIEWS

Old Ignatians v SMOSH West Lakes 3.10.28 v 4.7.31

It took everything they had but SMOSH have once again beaten Old Ignatians, this time by a slim 3 points. It was a game that demonstrated great defence from both sides, with the Ignatians to be left wondering after wayward kicking let them down. In the first quarter the Ignatians had the better of SMOSH but they were unable to capitalise on their chances. They only converted one shot into goal while another four missed for behinds. SMOSH had one shot but were able to make it a goal to see them still right in the game with the margin at 4 points by the first break. Then in the second both sides locked things down, making scoring impossible as neither side could add to their score and the margin remained at 4 points at half time.

Then the game did a complete one eighty and the third quarter became a scoring fest. SMOSH kicked three goals which could have been more with an incredible seven further shots missing. Accuracy was also a big issue again for the Ignatians, as they kicked two goals and six behinds. Suddenly it was SMOSH with the lead by 3 points at the final break. Then the fourth quarter swung back to the defensive game with neither side again able to get a score and allowing SMOSH to run out the winners. No doubt the game has given both sides plenty to be proud off but also plenty to work on over the summer.

For the Ignatians it was Erini Gikas, Alexandra Hinton, Ashlee Hearnden, Tahlia Cua, and Phoebe Edwards who put in great games. Gabriella Salt kicked two goals and Jessica Rice kicked the other. For SMOSH it was the efforts of Bridie Dolan, Indi Buckskin-James, Zakiyah Mueller, Jasmin Fejo, and Julia Watson who got the team over the line. It was all single goal kickers with Nicole Carey, Jasmin Fejo, Grace Grierson, and Julia Watson all contributing.

Adelaide University v Broadview 2.5.17 v 11.10.76

Broadview are having the perfect run into finals with another huge win this week over Adelaide University by 59 points. They have now made it a phenomenal ten in a row will be the division 1 minor premiers this year. However, they started this game somewhat unlike themselves as all five of their shots on goal missed. Adelaide Uni were able to kick one goal and two behinds for the term which saw them take the early lead of 3 points at quarter time. But after this Broadview got their kicking boots on and had no further troubles. They kicked five goals and two behinds in the second term to command the lead back. Adelaide Uni kicked one more goal and another two points, but still found themselves quite a way back with the margin at 21 points come half time.

REVIEWS AND PREVIEWS

Adelaide University v Broadview (cont'd)

Then in the third Broadview started tightening the screws, only allowing Adelaide Uni one single point for the term. They kicked another three goals and two points for themselves to push the margin out further to 40 points at three quarter time but they weren't done yet. In the last they kept Uni completely scoreless while adding on a final three goals and one point to increase the already big win.

For Adelaide Uni the best players this week were Jordin Steinbeck, Niamh Davis, Shona Heath, Harper Robb, and Isla Health. Nicole Hooper and Georgia Taylor each kicked one goal. For Broadview it was Ashlea James, Amy Jones, Rachel Valenti, Nikki Cullen, and Kate Ferguson who were the standouts. Hanni Howe was fantastic up forward with four goals, while Rachel Valenti was also good with two. There were plenty of contributors with Liana Antonioli, Jasmine Dallimore, Kate Ferguson, Jessica Luciani, and Sarcha Taylor all kicking one.

Payneham NU v Morphettville Park 4.5.29 v 4.5.29

Just when it looked like we might go a whole season without a draw, Payneham and Morphettville have broken the drought. The two sides have been difficult to split all season, and it feels almost fitting that even after two hours of play we still are unsure which is the better team. The first quarter honours went to Morphettville however, who kicked two straight goals in the opener. Payneham stayed right with them though as they kicked a goal of their own to make the quarter time margin only 6 points. The second term belonged to Morphettville as the Roos kicked another two goals and another point to extend their lead. Payneham fought hard but couldn't land their kicks, with all three of their shots missing. At half time the margin was a comfortable 16 points in favour of Morphettville.

But Payneham were determined and made the third term theirs. They kicked two goals and one point while restricting Morphettville to only one behind. At the last break the margin was still in Morphettville's favour but had been slashed back to only 4 points. Everyone would have been excited to see if Payneham could complete the comeback but they fell agonisingly short. Through great defence they kept Morphettville to only three points in the final quarter, but could not get the score they needed, kicking one goal and one point to draw level at the final siren. It's highly likely these two sides will meet in the finals and this result only adds more fuel to the fire. With only one round left we will not have to wait long to see the replay of these two dominate sides.

Payneham NU v Morphettville Park (cont'd)

For Payneham the standouts were Letisha Ackland, Djimila Totham, Tamsyn Nation, Chloe Samuel, and Sophie Arkun. Adrienne Davies was good up forward with two goals and was supported by Stephanie Gibson and Chloe Samuel who each kicked one. For Morphettville it was Olivia Evans, Chloe Harding, Nicolette Dunn, Christina Leuzzi, and Minerva Bailey who stood out. Celestina Dona was best up forward with two, with Natasha Allison and Elizabeth Probyn-Shingles contributing one each.

**Happy Valley v Henley
3.0.18 v 9.13.67**

Henley has had another great win this week after beating Happy Valley by a dominating 49 points. They are proving that they will not be in the finals just the make up the numbers, they are a real force to contend with. Their scoring power was on display once again this week, and they kicked two goals and five points in the opening term. They also kept Happy Valley completely scoreless to get the early lead by 17 points. This continued in the second when they kicked the same score again, but this time Happy Valley were able to sneak in a goal of their own. At the main break the margin was 28 points, but should have been much larger if Henley were more accurate.

It matters little though as they continued to control the game in the second half. The third term was more subdued, with both sides adding on one goal. But Henley kicked another point to ever so slightly increase the margin out to 29 points at the last break. Then in the fourth they finished off their work, allowing only one more goal to Happy Valley while piling on four more themselves along with two more points. Henley should be proud of how far they have gone this year after their sluggish start, and there's no reason to think that they don't have a chance at the premiership. For Happy Valley it was Rylee Jozwa, Hannah Crump, Ellen Keightley, Simone Schirmer, and Jessica Armstong who made the best players list. Hannah Crump, Airlie Schirmer, and Emma-Anne Visser all hit the scoreboard with one goal. For Henley it was Brooklyn Kraft, Klaudia O'Neill, Stephanie Rayner, Lauren Hoffmann, and Zara Kemp who all had great games. Klaudia O'Neill was sensational up forward with a bag of five, while Tayla Coles, Teagan Cordes, Kayla Robran, and Avah Topp all helped out with one each.

REVIEWS AND PREVIEWS

WOMEN'S D1 and D1R - ROUND 14 PREVIEWS

Next week might be the final round of the season, but it could potentially be the most exciting. Henley and Payneham will start the weekend and even though Henley can't finish higher than fourth, it would send a huge message to the other finalists if they could knock off Payneham. The Falcons however have been one of the most dominate this season and have to be favourites though by a slim 1-20 point margin. Morphettville and Broadview will be just as exciting, with Morphettville building up their final's steam nicely. However, Broadview haven't lost since round 3, and will be the favourites, though this should be another close game with a 1-20 point margin. Adelaide University and Old Ignatians will both end their seasons with one final clash, but this doesn't mean there's nothing to play for. Both sides will want to end the season on a high, but it is Uni who will be favourites to win by 10-25 points. Happy Valley and SMOSH will also have their last games for the year, and both will be disappointed with how this season had gone. SMOSH will be favourites to get one last win by 20-40 points.

In the reserves only three games went ahead after Old Ignatians unfortunately needed to forfeit their game against SMOSH West Lakes. Broadview had a massive win against Adelaide University, winning by an incredible 125 points after also keeping Uni completely scoreless. Payneham had a good win over Morphettville Park by 35 points and are now just one game away from making it a clean sweep for the home and away season. Happy Valley have kept themselves fighting until the end for finals after a big win over Henley by 48 points.

In the final round Henley will come up against the unstoppable Payneham and will be wanting to sour their perfect run. Payneham are showing no signs of faltering however and should get the final win by 20-40 points. Morphettville and Broadview will be a fantastic clash, with second spot still possible for Morphettville if they can win by a big margin. However, Broadview have to be favourites and margin should be a slim 1-20 points. Adelaide Uni and Old Ignatians will finish off their seasons when they fight each other, and Old Ignatians still have a sneaky chance of getting one win for this year. Adelaide Uni will be favourites though, and the margin should be 10-30 points. But all eyes will be on the final game, as somewhat prophetically Happy Valley and SMOSH will play each other with that all important fourth spot on the line. The last time they place Happy Valley were the victors but who wins this is anyone's guess. No matter what, the margin is likely to be small and the game an absolute cracker.

SAWFL DIVISION 2 - ROUND 14 REVIEWS

Tea Tree Gully vs Westminster OS

Each team this week will be playing their best game because the finals are so close, and they all want to win to keep their positions in the finals round. Regardless of the outcome of their game this week, Tea Tree Gully and Westminster OS are both assured spots in the finals. Both teams played quite slowly in the beginning of the match, but Tea Tree Gully started the game differently than usual, which made it even slower for them.

They often start well in the first quarter and quickly take the lead, but this week they had trouble. Tea Tree Gully only managed to score three behinds in the first quarter, whilst Westminster OS managed to score a goal and three behinds to take the lead. Tea Tree Gully continued to have trouble getting into the game in the second quarter and had bad luck with their scoring opportunities going in. They were able to score an additional 3 points, giving them a total of 6 points at the end of the first half.

With another goal in the second quarter, Westminster OS continued to fight for this victory and ended the first half of the game with 15 points. Tea Tre Gully started to regain control of the game and resume their usual way of play in the third quarter. They must have felt motivated after the halftime break to step up their performance and demonstrate why they are the league's top team and have held that position for the entire season. They managed to score a goal and two more behinds to maintain a point distance from Westminster OS.

Westminster OS, on the other side, had a bit of a change-up in the game because they failed to score once in the third quarter, leaving them without a point and letting Tea Tree Gully catch up to them. Tea Tree Gully did not want to lose this game, so they fired up in the fourth and final quarter, scoring another three goals and a behind to secure the victory and conclude the game with 33 points (4.9). Another victory to extend their winning streak and allow them to confidently go to the qualifying finals the following week. Westminster OS, still remained scoreless in the fourth quarter and could not keep up with Tea Tree Gully, they finished the game with 15 points (2.3) and will move into the elimination final next week against Golden Grove, where they will have to win in order to make it to preliminary final the following week.

The goal scorers for Tea Tree Gully this week included 4 different women; I. Logue, M. Pike, A. Dorre and E. Gale who all scored a goal each. The two goal scorers for Westminster OS this week were C. Franks and M. Clarke who both scored a goal each. Tea Tree Gully's best players selected for this week's game was C. Hazelhurst, I. Logue, S. Moss, N. Heffernan and E. Clark. The best players selected for Westminster OS were MN. Grigg, H. Doyle, L. Niejalke, C. Lena and M. Clarke.

REVIEWS AND PREVIEWS

Golden Grove vs Goodwood Saints

Even though both Golden Grove and Goodwood Saints had guaranteed their spots in the finals the following week after winning their games last week, they still came out hoping to win as this week is crucial and will want to feel ready and prepared for the finals.

Golden Grove's performance in the opening quarter was not ideal as they failed to score a goal or accumulate any points. The Goodwood Saints, on the other hand, started the game strong, scoring 2 goals and 4 behinds to take the lead early. Golden Grove started to come into the game in the second quarter, scoring a goal and a behind to end the first half with 7 points.

The Goodwood Saints, on the other hand, never gave up and fought for the victory this week. They had a fantastic season that we hope they can make it count in the finals round the following week. They finished the first half with 24 points after scoring another goal and two behinds to retain their lead. Golden Grove only managed to add one point to their total in the third quarter, which left them still needing to play catch-up to the Goodwood Saints because they were far ahead and they would need to put in a lot of effort to get back into the game and prevail this week.

The Goodwood Saints added three more goals and a behind to their total. Golden Grove added 2 more points in the last quarter, giving them a final score of 10 (1.4). They were unlucky this week and didn't put up much of a fight against the Goodwood Saints, therefore they will need to improve for their game versus Westminster OS the following week. The Goodwood Saints put on an outstanding display this week and simply wouldn't quit scoring. They added 2 more goals to their 55-point total (8.7) for a 45-point lead.

Golden Grove's one and only goal scorer this week was A. Bull. Goodwood Saints goal scorers this week included E. Whyte who scored 4 goals, followed by Z. Bowles, G. Kemish, B. Egberts and C. Tonkin who all scored a goal each. The best players selected this week for Golden Grove were L. Dunlop, L. Gambranis, E. Strudwick, R. Utton and J. Lim. The Goodwood Saints best players selected for this week were M. Griffiths, C. Tonkin, S. Gilchrist, E. Whyte and M. Potter.

Gaza vs Angle Vale

Gaza and Angle Vale, who are currently ranked sixth and fifth in the league, will unfortunately not advance to the finals next week. This week is their final game of the season. With their performances and game outcomes, both sides have had a rough and up-and-down season. They have persevered throughout the entire season, showing no signs of giving up.

Their season comes to an end this week, but even though it was their final game, they still wanted to win and end on a positive note, which is exactly what Angle Vale did. Gaza scored two goals and three behinds in the first quarter, while Angle Vale scored two goals and five behinds, giving them a narrow lead of just two points. Gaza slowed the pace a little in the second quarter and only managed to score one point, ending the first half with 16 points.

Angle Vale, on the other hand, kept up the momentum and added 4 more goals and 6 behinds to close out the first half with an incredible 47 points and a 31-point lead. Gaza managed to score another goal and add 6 points to their total in the third quarter as they were gradually re-entering the game and closing in on Angle Vale. In the third quarter, Angle Vale managed to add two more goals and a behind, retaining their large lead. Even though Gaza lost, they should be proud of their fight and attitude this season, and hopefully next season they will strive to reach the finals. In the fourth and final quarter, Gaza was unable to come out fighting, as they happened to go scoreless to end the game with 22 points (3.4) on the scoreboard. Angle Vale did not falter in the fourth quarter, and as a result of their efforts, they earned this week's victory. They did not want to finish the season on a down note, but rather with an upbeat ending. They added three more goals and three more behinds to finish the game and their season with an amazing 81 points (11.15) and a 59-point victory. Angle Vale had three times as many attempts at goals and scoring opportunities than Gaza did, and although though they won by a wide margin, they could have dominated much more if their shots had been more accurate.

The goal scorers for Gaza this week were not recorded. Angle Vale's goal scorers this week were N. Biagi, A. Killeen and O. Blacker who scored 2 goals each, followed by R. Shumack, K. Creeney, R. Blumson, E. Raschella and N. Delaney who all scored a goal each. The best players selected for this week's game for Gaza were C. Newton, M. Haniford, K. West, K. Blake and K. O'Keefe. Angle Vale's best players selected for this week were N. Biagi, B. Dodds, Z. Perry, N. Delaney and V. Farrelly.

WOMEN'S DIVISION 2 - FINALS ROUND ONE PREVIEWS

Tea Tree Gully vs Goodwood Saints @Pertaringa Oval

Golden Grove vs Westminster OS @ Harpers Field

The finals have arrived and will start next week with Tea Tree Gully against Goodwood Saints. The top and second-placed teams are competing against one another in the qualifying final, and the winner advances directly to the grand finale. Tea Tree Gully will continue to work hard and reach their goal now that they have climbed thus far up the ladder, in my opinion. Having said that, I think they will triumph in the game scheduled for next week and advance directly to the final round, enjoying a week off. I think Tea Tree Gully will triumph by a score between 1 and 12.

Golden Grove will need to play much better next week against Westminster OS with their loss this week. Westminster OS last week showed they can compete at the top and fought against Tea Tree Gully the entire game. Both Golden Grove and Westminster OS finished third and fourth on the ladder, respectively, and will compete in the elimination final next week. If one of the teams succeeds, they go to the preliminary final; if the other loses, their season is over. Given how hard Tea Tree Gully had to work for their victory this week, I believe Westminster OS will win by a score difference of 13 to 24.

SAWFL DIVISION 3 - ROUND 13 REVIEWS

Pulteney v Salisbury

An easy 2 points for Pulteney as Salisbury have forfeited the rest of the season unfortunately. Pulteney will now be preparing for a massive final series in this division which will be a very competitive one.

Flinders Park v Kenilworth Uni

This was a predictable win by Flinders Park who were at home against the struggling Kenilworth-Flinders Uni, while Flinders Park is a high scoring team, the Kooka Blues are better than a scoreless result. But take nothing away from Flinders Park who were big winners by 151 points. Flinders Park have been super consistent all year and right from the start of this game they attacked and had 10 scoring shots by quarter time but were a little inaccurate with 3.7 25. However, Flinders Park straightened up and kicked 5 goals in the second to be up by 59 at the main break. And the second half continued with the home team really putting their foot down and kicked a massive 15 goals in the second half. A great team performance with a lot of contributors right across the ground. Flinders Park have certainly sent a message to the other 3 teams who will compete for finals this year, they are the flag favourites.

Pembroke OS v Hope Valley

Speaking of finals these two will be contenders this year and while Pembroke had the home ground advantage it was Hope Valley fresh from their bye that were the winners by 17 points. Pembroke hit the ground running and at ¼ time were 12 points up. That was enough to shock Hope Valley into action and at the main break it was the visitors by 8 points. With nothing in this the second half promised to be a beauty and Pembroke won the 3rd quarter and fought back the lead and were 7 points up at the last break. So with nothing in this the 4th quarter was tense but the away team got on top and kicked 3.6 and kept Pembroke scoreless. A solid win away from home for Hope Valley against another strong contender for the Div 3 flag.

Gepps Cross had the bye.

WOMEN'S DIVISION 3 - ROUND 14 PREVIEWS

As the minor round comes to a close and we approach finals, we know who is going to contest this year Division 3 final series, the question is who will play who in the first week. We wont this until after this weeks games which most are predictable but footy can be a funny game.

Gepps Cross will finish of the season at home to the flag favourites in Flinders Park. This will be a big challenge for the Rams, but can they cause the upset of the year? I don't think they can but if they can stop Flinders Park from scoring they may be able to keep it to a close contest.

Hope Valley will play their last minor round game at home against another finalist in Pulteney, so this is the game of the round, but I 'm predicting a big win by Hope Valley.

Kenilworth-Flinders University will face Pembroke at home to finish off their season. It has been a difficult year for the newly merged club, but they are fantastic bunch of people as well as footballers, so we wait with interest to see them again next year. Pembroke who will be coming off a loss to Hope Valley will be keen to avenge that loss and should have a comfortable win in preparation for this year's finals.

With Salisbury forfeiting for the rest of the year we say farewell to them for 2023 but we hope you can get those numbers and get going again in 2024.

Kira Aswegen**SAWFL DIVISION 4 - ROUND 14 REVIEWS****Lockleys 9.10 64 vs Fitzroy 0.3 3**

We've reached the end of the season with just finals left to play out and to kick off the last round was Lockleys and Fitzroy. It was a must win game for Lockleys if they wanted to make finals and Fitzroy were looking to end their season on a high. Lockleys got going with a fast start kicking five goals in the first quarter keeping Fitzroy to just the two behinds. The Demons continued their goal kicking in the second half kicking four to get the 61-point win. Isabel Spooner and Tehlara Lovett were back in fine form for the Demons finishing top of the best players list. Tehlara was the leading goalkicker of the day with three goals while Lauren Beck closely followed with two.

However, it was a team win with six individual goalkickers and Lockleys strong defence keeping Fitzroy goalless. After a good win last week Fitzroy would have been hoping to carry that form into this week to finish off the season on a high. It was always going to be tough to beat a team playing to make finals and Fitzroy will be looking to play for finals next season. It wasn't all negatives for Fitzroy with Corrine Clifford finishing off her year with one of her best games yet. With Fitzroy's season over it will be interesting to see who gets the best and fairest, with a few players consistently making the best players each week. It's not over for Lockley's who have finished fourth and will line up against Mitcham in the first week of finals.

West Croydon 1.2 8 vs Mitcham 10.10 70

It was then down to Fawk reserve where Mitcham secured their finals spot with a 62-point win against West Croydon. Sitting in third coming into this game Mitcham's final spot was nearly secured but needed the win to be safe. Showing bursts of good form in a few games this year West Croydon will be disappointed to finish the season with a loss. It was a good start from West Croydon only trailing by two points at quarter time, but Mitcham started to run away in the second quarter kicking four. West Croydon struggled to catch up not kicking another goal for the rest of the game, but all credit to Mitcham who kept the ball in their forward fifty finishing the game with ten goals. Vice-captain Nicky Sampson was West Croydon's only goal scorer while Natalie Watkins played one of her best games. Kailie Healey has carried her form all season right to end finishing off the year with another strong performance. Unfortunately for West Croydon, Mitcham were too good on the day, Poppy Visvardis led the scoreboard with four goals earning her a best on ground mention. Captain Sarah Kirsanovs got in on the action with one goal to her name. No surprises to see Grace Powell and Jessie Keech's name on the best players list, both in incredible form this season and will play a vital role in finals. West Croydon will be disappointed in their season but will be raring to go next year hopefully in better form. Mitcham will hope to continue this form into the first round of finals when they take on Lockleys having only just got the win against them a few weeks ago.

REVIEWS AND PREVIEWS

SAWFL DIVISION 4 - ROUND 14 REVIEWS

Scotch OC 1.4 10 vs Eastern Park 7.6 48

Scotch OC got unlucky in their draw to come up against Eastern Park in a finals deciding game. Scotch OC had to win if they wanted to play but with Eastern Park one of the best sides this year it wasn't going to be easy. Scotch OC struggled to get a goal all game kicking their one and only goal in the last quarter. Eastern Park proved why they are finals team finishing the game on seven goals with a 38-point win. Sadie Ward was the only Scotch OC player to kick it through the big sticks with just the one goal. Samantha Rose and Hannah Tavian finished top of Scotch OC's best players list while captain Jessica Bushell finished the year with another Best Player mention with a total seven this year. After spending most of the year top of the ladder Eastern Park finish comfortably in second and will have to line up against Hectorville in the first round of finals. After a great season Alicia Butler got her first best on ground for the year with Sara Smith closely following. Tamara Clapton was the leading goalkicker of the game with three goals, with Kayla Anderson, Victoria Back and Alicia Cotton all kicking a goal each. Scotch OC will be disappointed to just miss out on finals but have many positives to look at from the season. They'll be sure to come back with more fire next year, determined to make finals. Hectorville being the only team Eastern Park have been unable to beat this year it will make for an interesting finals game.

Greenacres 0.2 2 vs Hectorville 24.15 159

To close off the last round of the season it was a bottom and top of the ladder clash between Greenacres and Hectorville. Coming up against Hectorville this season has proven to be the biggest challenge in Division 4 women's. After keeping Scotch OC scoreless last week Greenacres would have been nervous coming up against them. Greenacres struggled to win a game all year after starting in a higher division, unfortunately Hectorville were unstoppable in this game taking home an incredible 157 point. It's the highest score this season and involved a massive 24 goals being kicked and keeping Greenacres to just 2 points. Hard to find the positives in Greenacres season but Jamie Rapan-Burnett would be one of them, being one of Greenacres strongest players this year. It's been hard to fault Hectorville games this year and this one is no exception. The 24 goals were shared around with 10 individual goalkickers, but it's hard to not mention Jazmine Egan and Taylah Roberts who both kicked a season high eight goals each. That tallies Taylah Roberts to an incredible 29 goal season and who knows what she will produce in the final's series. Elle Lineage and captain Lauren Kahl once again played an influential role in the team both putting a major on board for their team. It's hard to see Hectorville not dominating in finals the same way they have this year, but will the finals pressure get to them.

SAWFL DIVISION 4 - FINALS ROUND ONE PREVIEWS

The first round of finals is upon us, and it will start with the top of the ladder clash between Hectorville and Eastern Park. The past two times these teams have met this season Hectorville has come out on top. So will it happen again, or will it be a third time lucky for Eastern Park, and they'll cause an upset in the first final's game of 2023?

Hectorville seem to be undestroyable this season and hard to see them losing but will be a good game to follow. Hectorville to win 60-45.

The second finals game of the year is between Mitcham and Lockleys who are 1-1 this year. It's hard to pick who goes in favourite for this game and should be a very equal and tough contest.

After Lockleys fought their way back into the top four, I think they won't give up their spot in finals. Lockleys to win 35-40. The winner of game 1 will head straight to the grand final and the loser will face the winner of game 2 in the preliminary final.

Kayla Hamilton**SAWFL DIVISION 5 - ROUND 13 REVIEWS****Kilburn 2.2.14 vs Modbury 4.6.30**

Under Friday night lights, Kilburn hosted Modbury down at Blair Athol Reserve. The visitors were not gracious guests though, as the top of the table Modbury solidified their position with a sixteen-point win over the home side. Modbury kicked things off early, keeping Kilburn scoreless in the first and kicking two goals of their own. While Kilburn did manage to scrape back a few into the game in the second, the damage was already done. Named best players Talana Knaggs, Lateasha Lambert, Donna Andrews, Carly Knaggs and Brooke Faulds stood up for Kilburn to keep the fires burning. Both Knaggs were also the goal scorers for this outing. Sophie Aldridge kicked a bag for Modbury, with Bailey Murray adding another goal to the total. Abbey Swanbury, Jaymee Smith, Charlotte Churcher, Aldridge and Emma Cannon were named best on ground for Modbury.

Salisbury North 2.9.21 vs Edwardstown 1.1.7

It wasn't a good trip out north for the Towns, as Salisbury North were able to get it done in front of a home crowd. Marking their third win for the season, the underdogs turned it up against one of the most unpredictable teams in the competition to get some end of season glory. The Hawks were out the gate early, dominating the first half and well into the second. Edwardstown were able to add at least a goal to their total in the final, but it was all too late. Brianna Arnold, Tynyn Hudson, Charlotte Ta, Renee Thomas and Casey Barnes were best on ground for Salisbury North, with Arnold and Bianca Stolpe the goal scorers. Despite the adversity, Kaitlyn Reidl, Hayley Reid, Mischa Walton, Lisa Payne and Emily Guymer stood tall for Edwardstown and were named best on ground for their efforts. Walton was behind their solitary goal.

Woodville South 0.2.2 vs Loreto OS 2.6.18

It was not exactly the barn burner that was expected down at Ledger Oval, but it was an important win for Loreto OS. Neck in neck on the ladder, Woodville South and Loreto OS have been going back and forth all season in the top four and this win puts Loreto OS in a solid second overall heading into the last week before finals. Bethany Ince and Emilie Hasler kicked those two important goals, with Issy Burdon, Hasler, Hannah Osborn, Stephanie Principe and Hilary Campbell also named best players for Loreto OS. Liana Paparella, Paisley Pitman, Taylah Pedersen, Ella Vitucci and Ashleigh Davidson were named as best players for Woodville South. Despite the final scores, both teams are in a good position as we approach finals.

REVIEWS AND PREVIEWS

WOMEN'S DIVISION 5 - ROUND 14 PREVIEWS

Top of the table Modbury get themselves a nice break for the final round, the forfeit of Elizabeth giving the team that top spot security.

Loreto OS are in a pretty safe spot to make finals as well, but if Edwardstown want to join them, they need to beat the Old Scholars. It is a tough spot for Edwardstown, but they the tools and the home ground advantage to pull it off. The other match Edwardstown will be banking on is North Haven defeating Salisbury North.

The pies are also in a precarious position but hopefully for them, the week off was a good chance to regroup and head into round fourteen with all guns blazing.

Salisbury North pulled off the upset this round, so they will be looking to spoil North Haven's party to finish the season on a high- even if they can't make finals.

Our final game goes down at Ledger Oval, with Woodville South taking on Kilburn. Woodville South are also in a dangerous position too, teetering on falling out of the four depending on how theirs and other games go. A win will keep them in there but if any team can upset the party for them, it will be Kilburn.

No matter what way you look at it, the season closer is going to be anxiety inducing and how the ladder looks heading into the finals is a matter of waiting and seeing.

SAWFL DIVISION 6 - ROUND 14 REVIEWS

Ingle Farm (3.10.28) defeated Flinders Park (3.4.22)

The first weekend of August brought a close to the minor rounds, as we say goodbye to four teams who have provided us with a plethora of entertainment and contributed greatly to the 2023 season. Flinders Park and Ingle Farm are two of those sides and they battled out a tightly contested match up to see off their year in style. Dramatically, the Farm girls were victorious, coming from behind in the second half to secure the points by a goal.

Flinders Park appeared comfortable throughout the first quarter, and many would have expected them to build on their unanswered four scoring shots to put the game beyond the reach of their opponent. After having only two attempts at goal in the first half, there must have been a rocket of gigantic proportions ignited by the Ingle Farm coaching staff during the main break because what followed is simply unlike anything we've seen from them in over a year. The clash was decided in that third term. Ingle Farm came rearing out of the gates and dominated across all parts of the ground. Their delivery inside forward 50 supplied a platform for their attacking assets to thrive off, recording eight scoring opportunities in just one quarter of footy. However, inaccuracy halted the excitement amongst the Farm faithful with their seven behinds giving Flinders Park a lifeline as they converted their only chance heading into three-quarter-time. In a time of need Ingle Farm turned to their captain Lani Collins and she delivered compellingly. Her two goals were enough to earn her a much-deserved best on ground award, putting a postage stamp on an admirable season for the experienced forward crafter. Despite the threat, Collins poses for opposition defenders, her skills have been required elsewhere this season, spending more time in the guts and across the midfield due to her side's struggles.

It was a disappointing showing from Flinders Park in their final encounter of 2023. The side who I have previously referred to as being 'the best of the rest,' has had no trouble beating clubs ranked below them. Round 14 will certainly be one they'll be keen to forget as they were outworked throughout the contest's closing stages when it mattered most. Goals to Tess Baxter, Lucinda Hulm and Tahnee Wright placed Flinders Park in a probable position to win the game, however, a lack lustre second half display sees them finish with more losses than wins in a tough season.

REVIEWS AND PREVIEWS

Golden Grove (10.13.73) defeated Goodwood Saints (1.0.6)

In what was a performance we have become far more accustomed to seeing from Golden Grove, they returned to their best to defeat Goodwood Saints convincingly. Throughout the last couple of months, the third ranked side have struggled to put massive scores on the board like we witnessed in the early part of the season and their victory in round 14 is a timely reminder of what they are capable of. With their sights set on a top two finish and the security of the double-chance, Grove fell short by a mere 0.64%, meaning they will have to defeat Marion next week to keep their premiership hopes alive.

The game was effectively over at quarter-time, as they headed into the first break with a comfortable twenty-two-point buffer. You would have forgiven the Grove unit for taking the foot off the throttle and enjoying the rest of the afternoon by rotating or resting players, however, they wanted to make an example of the Saints. Kirra Lebessis took full advantage of her team's attacking presence, booting three majors on her way to featuring among the game's best players. Neither Ashleigh Calvo nor Kasia Culhane were going to watch Lebessis dominate alone; the pair recorded two goals apiece and formed a formidable partnership throughout the contest. However, it was Ella Ward who stole the show, putting in an excellent shift and was a worthy recipient of player-of-the-match honours. For Goodwood Saints, their round 14 loss spells a disappointing end to their 2023. It's been a challenging year for the sixth ranked side, however, the glimpses of promise they have shown in their three wins has been a valuable contribution to the competition. In an impressive individual display, Ellen Crisp put out the best performance of her career to-date and was recognised as the Saints' top player of the day.

Athelstone (6.13.49) defeated Tea Tree Gully (0.2.2)

In astonishing circumstances, Athelstone have completely dismantled Tea Tree Gully ahead of their finals campaign, recording an incredible forty-seven-point victory away from home. The travelling side were relentless with their forward pressure, not allowing Gully to play their naturally free-flowing style of footy. By half time the deficit was thirty-one-points, and you would have excused anyone for thinking these two sides were at opposite ends of the ladder. Athelstone restricted all movement out of their opponent's defensive 50, locking the ball inside of their forward half for extended periods of time. Repeated entries provided their key position players with an abundance of goal scoring opportunities and if they had converted more efficiently, the scoreline could have reached an ugly state for Gully. With another two goals this weekend, Natalie Lomman has taken her tally to twenty-three for the year and will come away with the golden boot award. Lomman has been a force to be reckoned with, just seeing her name on the team sheet must induce fear within opposing defensive units on match day.

Athelstone defeated Tea Tree Gully (cont'd)

Brittany Spooner added another captivating display to her emphatic 2023 portfolio, with her season permit proving to be more than worth it for Athelstone with every passing game. Her best on ground recognition makes it her eighth of the year, leaving her behind only Portia Graham from Ingle Farm and Golden Grove's Rhiannon Utton.

I'm sure those behind the scenes at Tea Tree Gully will be analysing this result throughout the week. It's an unacceptable result and performances such as this will prevent them from achieving anything during finals. They are fortunate that Golden Grove were not able to make up the percentage, meaning their season will continue for another fortnight regardless of the outcome of their clash with Athelstone next week. Their loss on home soil has given their opponent a psychological edge, making their life even more difficult as they prepare to travel to the fortress that is the Max Amber Sportsfield.

Marion (6.11.67) defeated Mitchell Park (1.1.7)

The last game of the minor rounds was the one-sided affair we expected it to be. Marion bounced back with a convincing forty-point victory following a rancid patch of form by their standards. Winless in each of their last two appearances, the home side went to work against Mitchell Park and showcased their ability to generate scoring opportunities through a ruthless attacking mindset. A strong mentality has been absent from their recent outings and their comfortable triumph should serve as a breath of fresh air for the squad and coaching staff.

Usually, I would point out their inaccuracy as a disappointing component of their afternoon, however, I think having the freedom to express themselves and enjoy their football was far more relevant than their efficiency. I hate to paint Mitchell Park as a punching bag, but, they are certainly the opponent everyone wants to face when they are down on confidence and are in need of a boost. Isabelle Dawson continued her sensational 2023. Her two goals on Saturday capped off a stunning standout performance as she comfortably secured votes for the fourth time this season. As well as playing for Marions division 6 side, Dawson has featured on twelve occasions for their SANFL juniors, booting sixteen goals across all competitions. She has the potential to be an enthralling talent for many years to come and Marion will be eager to secure her commitment to the club for as long as possible.

As was the case for their entire season, Mitchell Park battled valiantly for no luck in the face of a far superior opposition. It has been an incredibly tough journey in their inaugural season; however, the women should hold their high and be proud of the effort they have given throughout the year. I hope to see them again next season and with their experience from 2023 under their belt, I believe they can at least be competitive throughout 2024.

WOMEN'S DIVISION 5 - FINALS ROUND ONE PREVIEWS

The week ahead!

They're finally here! Finals are finally here! I cannot wait to see what the last four teams have in store for us over the next three weeks. It's been a long 14 rounds of the home and away season and the top four has been almost sealed for the last ten of those. There has been such a clear and obvious gulf in class between the two ends of the table with Athelstone, Tea Tree Gully, Golden Grove, and Marion all significantly better squads than those below them. All four sides have showed compelling evidence as to why they can finish the season as premiers and all five games that remain will hopefully prove to be as enticing and closely matched as they are expected to be.

The first game of the finals campaign will feature a rematch of the round 14 clash between Athelstone and Tea Tree Gully. For one of these sides, four quarters of footy separates them from the big dance in what is a highly anticipated qualifying final. For the loser, a second chance awaits against either Golden Grove or Marion. I still have Athelstone as my favourite to go all the way and secure a flag. I expect the match up will be far closer than it was this weekend, however, I suspect that next week I will be applauding Athelstone for reaching the grand final.

The elimination final is set to be a spectacle just as exciting. The battle between Marion and Golden Grove for a third-place finish has been a season-long tug-of-war, to be decided in one last humongous contest. The prospect of these two facing off in the elimination final has certainly loomed large throughout most of the year and I'm sure the two clubs have been preparing to face each other for quite some time. For me, predicting a winner out of these two is even harder than the previous game. Both sides play an excitingly similar brand of footy and will undoubtedly create an entertaining afternoon for spectators. I think Golden Grove on their home soil will just edge out Marion despite the latter being victorious the last time the two met at Harpers Field.

Congratulations to all players and coaches on a fantastic home and away season. All the best to those competing for a premiership, I look forward to exciting finals series ahead!!
