SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA

The SA Footballer have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

What an amazing group of women we have in 2023 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.

The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.

SAWFL DIVISION 1 - ROUND 14 REVIEWS

Henley v Payneham NU
0.9.9 v 7.5.47

With second spot on the line Payneham NU brought their A game this week to stitch up their place in the qualifying final after defeating Henley by 38 points. It was a fast start from the Falcons, with the girls kicking two goals and a point in the first term. They were also able to hold Henley completely scoreless and took an early 13 point lead at the first break. Then in the second they kept up their high defensive pressure and held Henley to only two points for the term. They kicked another goal along with three points to push the margin out to a comfortable 20 points by the main break.

In the third Henley still couldn't find a way to break through, and only added on three more behinds to the scoreboard. Payneham added on another goal and another point to stretch the lead out further to 24 points at three quarter time. In the last Henley's woes continued as they could only get in another four misses while Payneham finished off a strong display with another three goals for good measure. Payneham's recent form sees them with three wins and a draw in their final month of the regular season, giving them a great chance at the premiership title this season after being the early favourites. For Henley they know they are the outside chance but nothing is certain in football and they should have belief that they have every opportunity to win the title if they bring their best.

This week's best players for Henley were Brooklyn Kraft, Kerina Del Borrello, Zani Bates, Tiana Fernandez, and Montana Dunbar. For Payneham it was Sophie Arkun, Leya Khelifa, Grace Whittaker, Tamsyn Nation, and Adrienne Davies who were best on ground. The forwards had great days with Adrienne Davies, Chloe Samuel, and Grace Whittaker each kicking two. Sophie Arkun kicked the other goal.

Morphettville Park v Broadview
6.4.40 v 0.13.13

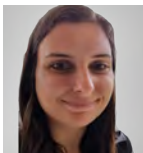

The eve of finals is not a good time to lose goal kicking accuracy, but that's exactly what happened to Broadview. They incredulously were unable to kick a single goal as they lost to Morphettville by 27 points. The Roos had the better of the Tigers in the first quarter, leaping out of the gates with two goals and three behinds in the first quarter. Broadview could only sneak through a single behind, and the margin was a comfortable 14 points at the first break. The second quarter was played completely on Broadview's terms, but for all their dominance they could not hurt Morphettville where it counts. They missed all eight of their shots, while Morphettville were able to kick one point of their own and still held the lead at half time by 7 points.

REVIEWS AND PREVIEWS

Morphettville Park v Broadview (cont'd)

In the third Morphettville took back control of the game to increase their lead. They kicked another two goals while Broadview still could not find the middle of the goals and added on another three misses to be 16 points behind at three quarter time. Apparently letting their frustrations get the better of them, Broadview could only add on one final point in the last quarter. Morphettville finished the game off with a final two goals and are heading into finals in great form. Broadview are still the clear premiership favourites despite the loss, although they will want to be doing a lot of goal kicking practise between now and their next match.

For Morphettville it was Nicolette Dunn, Megan Harper, Mykaela Walker, and Brooke Trevena who were the stand outs. Olivia Evans also made the best players list for an incredible eleventh time this season, tying with Old Ignatians' Alice Winter. Katie Murdoch and Stephanie Simmonds were best up forward with two goals each, with Elizabeth Probyn-Shingles and Mykaela Walker chipping in with one each. For Broadview there were still positives with Emma Waters, Ashlea James, Chloe Short, Jessica Luciani, and Sarcha Taylor all putting in great games. Although she kicked no goals this week, Remy Grant still has taken out the award for the most goals this season in division 1 with a total of 25, and can also be proud of her three appearances on the best players list.

Adelaide University v Old Ignatians 4.7.31 v 2.3.15

It's been a disappointing year for Adelaide University, but they ended their season on a high after a 16 point win over Old Ignatians. It gives the girls their fourth win of the season to equal their tally from last season, though they will be finishing in a much more respectable sixth place on the ladder. This one started modestly, with both sides kicking one goal each in the opening term. Thanks to two extra points Adelaide Uni held the slim lead at the quarter time break. Then in the second Uni took control of the game but couldn't quite convert it into scoreboard pressure. They kicked only one more goal along with four behinds, but thanks to defensive pressure they also stopped Old Ignatians from adding any score for the term and at half time the lead was 12 points.

The third quarter was also played on Uni's terms, with Ignatians only able to get two behinds on the board. Uni meanwhile skipped further ahead thanks to two goals and another point, to get the margin out to 23 points by the final break. Then in the last Ignatians put in one last hard effort and held Uni scoreless but unfortunately their one goal and one point wasn't enough to catch up and Uni ran out winners. Old Ignatians have taken a backwards step this season, winning two less games than last year. Yet with a great pre-season anything is possible and the girls will no doubt be up for the fight again in season 2024.

Adelaide University v Old Ignatians (cont'd)

For Adelaide Uni it was Ellid Fixter, Macy Kotro, Stephanie Walker, Nicole Hooper, and Natalie McMahon who finished their years off in style. The goals were shared around with Georgie Burke, Madeleine Fitzgerald, Nicole Hooper, and Ruth Wallace all contributing with one. For the Old Ignatians Alice Winter finished off her fantastic season with another best player’s performance, making it her eleventh for the year and tying her with Morphettville’s Olivia Evans for most appearances. Niamg Leahy, Teresa Parnis, Erini Gikas, and Isabel Redemski also all made the list this week. Erini Gikas and Gabriella Salt finished off their seasons with one last goal each.

**Happy Valley v SMOSH West Lakes
7.3.45 v 2.0.12**

There may have been nothing to play for but pride in this game but didn’t stop Happy Valley giving it everything they had as they beat SMOSH West Lakes by 33 points. It was only Happy Valley’s second win of the year but it does see them finish off the season on a high. They burst out of the gate to kick three goals and two points in the first term while also holding SMOSH to no score to get an early 20 point lead. SMOSH were able to reel Happy Valley back in the second term but were still unable to get any score on the board. Happy Valley kicked another goal and pushed the margin out further to 26 at half time.

After the break SMOSH still could not break through Happy Valley’s defence and went scoreless for the third straight quarter. Happy Valley continued on to add another two goals to see themselves out to an insurmountable 38 point lead by three quarter time. Then in the fourth SMOSH finally hit the scoreboard with two goals, but it did little to ease the loss, with Happy Valley kicking one final goal themselves and convincingly getting the win. SMOSH will be disappointed they didn’t get a chance to defend their premiership title, but this group has certainly proved it does have what it takes and should be right up with contenders again next year.

For Happy Valley it was Lauren Bungey, Jacinda Schunselaar, Rylee Jozwa, Abbie Paay, and Simone Schirmer who all finished off their years on the best players list. Kat Vlachos also finished off well with two goals, with the others shared between Alana Browne, Lauren Bungey, Chelsea Kennedy, Kirsty Smith and Brooke Turner. For SMOSH it was Isabelle Laudato, Matilda Johnson, Indi Buckskin-James, Nicole Carey, and Julia Watson who were the standouts. Isabelle Laudato and Kiana Lee both kicked a goal apiece.

REVIEWS AND PREVIEWS

WOMEN'S D1 and D1R - ROUND 15 PREVIEWS

We now say goodbye to SMOSH, Adelaide University, Old Ignatians, and Happy Valley for season 2023 as the girls get a head start on the rest of the competition for next year. The first week of finals starts off with the qualifier between Broadview and Payneham NU which is sure to be a red hot contest. It was Broadview who handed Payneham their first loss this year, and with the ledger standing at one apiece there is plenty to fuel this fire. Broadview will be very narrow favourites and the margin will likely be a slim 1-20 points. Morphettville and Henley will face off in the elimination final, and neither will want all their hard work to go to waste. Morphettville have won both of the meetings this year and will be the favourites to win by 10-30 points but they can't underestimate Henley.

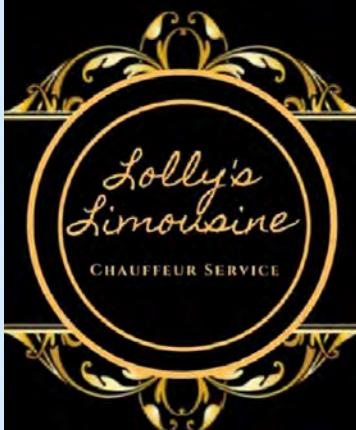

In the reserves Payneham completed the clean sweep this season to take out the minor premiership in emphatic fashion. They kept Henley scoreless and got the win by a huge 98 points. Broadview had a fantastic 48 point win over Morphettville to see them finish second of the ladder. Adelaide Uni and Old Ignatians had a low scoring affair, with neither side hitting double digits, but it was Uni who got the win by 8 points. And in the game that decided who would get that elusive fourth spot it was Happy Valley who proved to be too strong for SMOSH and they got the win and the finals spot by a convincing 32 points.

We are now set for a thrilling first week of finals, with Payneham and Broadview facing off in the qualifier. Normally coming in off a six game winning streak would see you as favourites, but Payneham's unbeaten run this season is simply too good to have any doubts that they should win this game and head straight into the grand final. The elimination final will see Morphettville and Happy Valley play off and this game should be every bit as exciting as the qualifier. Both sides have been inconsistent these past several weeks, but Morphettville have been the stronger side this year and should move through to the preliminary final.

SAWFL DIVISION 2 - FINALS ROUND 1 REVIEWS

Tea Tree Gully vs Goodwood Saints

Finals have arrived and both teams will be tense because the grand finale is just two weeks away. It was intriguing to see who would win because Tea Tree Gully and the Goodwood Saints both won their games the previous week.

Both teams struggled to make their attempts on goal in the opening quarter, with the Goodwood Saints managing just three behinds while Tea Tree Gully was only able to score one goal. Tea Tree Gully only managed to gain a point in the second quarter as they continued to struggle with their goal-scoring attempts. This is very unusual for Tea Tree Gully because they usually always get out to a fast start and maintain the lead early on in the game. However, this week, they struggled to get out to an early lead and play to their strengths. It's unclear if this was due to nerves or just a bad game. Tea Tree Gully scored 7 points in the game's first half.

On the other hand, the Goodwood Saints started to step up their game in the second quarter, scoring two goals and a behind to take a 9-point lead into halftime. They scored 16 points in the game's opening half.

Tea Tree Gully continued to struggle and play below their potential in the third quarter, although they managed to score three more points due to missed goal attempts. By scoring two more goals in the third quarter, the Goodwood Saints extended their lead. Tea Tree Gully scored one goal in the fourth and final quarter to finish the game with 16 points (2.4). This week's Tea Tree Gully performance left a lot to be disappointed, and it was too late for them to attempt a comeback. Tea Tree Gully's week did not go well; they had dropped their second game of the season this year. Regrettably, they will have to play Golden Grove the following week to determine who will advance to the grand finale and face the Goodwood Saints.

However, the Goodwood Saints put in a strong effort this week and deservingly won; they scored a goal and 2 behinds in the fourth quarter to win the game by 20 points and will now have a week off before playing in the grand finale.

Tea Tree Gully's goal scorers this week were M. Pike and A. Wood who both scored a goal each. Goodwood Saints had 5 different goal scorers this week including P. Kottaridis, J. Sanderson, P. Francis, C. Tarasenko and E. Whyte. The best players selected this week for Tea Tree Gully were A. Dorre, K. Freebairn, J. Lewis, C. Hazelhurst and G. Sharp. Goodwood Saints best players selected for this week were M. Potter, E. Whyte, C. Tonkin, M. Griffiths and S. Gilchrist.

REVIEWS AND PREVIEWS

Golden Grove vs Westminster OS

Both teams will be looking to bounce back this week with a victory after losing their games last week. Golden Grove made a good start to the game, scoring two goals and a behind take the lead straight away. Westminster OS, on the other hand, got off to a very sluggish start as they only managed to score one point.

Golden Grove kept playing to their strengths in the second quarter and showed no signs of giving up this time. They performed well because they were motivated to win this week. Golden Grove finished the first half of the game with another goal and two behinds, giving them a 21-point total and a 13-point lead. By scoring a goal and a behind in the second quarter to end the first half of the game with 8 points, Westminster OS staged a slight comeback. Both teams took turns in the second half of the game; it was a close game in the sense that each team held control and the ball moved back and forwards, leading to few attempts at goals or behinds. Golden Grove only managed to score one point in the third quarter, while Westminster OS was held without a point and left scoreless. Golden Grove and Westminster OS each had a scoreless final quarter.

Westminster OS finished the game with 8 points (1.2), while Golden Grove finished the game with 22 points (3.4) and a 14-point margin. Golden Grove battled this week for the victory and sought to advance to the grand finale, despite the fact that both the game between Golden Grove and Westminster OS was quite slow. They advance to the preliminary final, where they will play Tea Tree Gully and determine what winner will face Goodwood Saints in the grand finale the following week.

However, Westminster finished their season this week. They should be proud of how far they've come. Some weeks, they've been unlucky, and other times, they've dominated the game, but that's how football works. They had a fantastic season this year and hopefully next season they will make it further to the grand finale.

Golden Grove had 3 different goal scorers this week; K. Leopold, E. Godin and A. Hiebner who all scored a goal each. The one goal scorer for Westminster OS was M. Elsegood. The best players selected this week for Golden Grove were L. Dunlop, K. Leopold, L. Gambranis, AR. Innes and S. Belkner. Westminster OS's best players selected for this week were L. Niejalke, E. Hartung, H. Doyle, C. Lena and MN Grigg.

WOMEN'S DIVISION 2 - PRELIMINARY FINAL PREVIEW

Tea Tree Gully vs Golden Grove @ Payneham Oval

Both teams, Tea Tree Gully and Golden Grove, put in a lot of effort to get this far into the season and won't want to give up now. The preliminary final has come around so quickly.

Tea Tree Gully, who unexpectedly lost this week, would want to prove that they are the league leaders and that they didn't remain at the top of the table for the entire season for no reason.

However, Golden Grove's victory over Westminster OS puts them one set ahead of Tea Tree Gully because they are already in a winning frame of mind and won't want to give up or quit now.

The game this week will either be a close game or one team will overpower the other, in my opinion. Given that Tea Tree Gully suffered a disappointing loss this week, I predict that they will rebound and triumph next week before playing the Goodwood Saints once more in the grand finale.

Additionally, I think that Golden Grove won't be defeated easily. Keeping everything in mind, I believe Tea Tree Gully will win by a margin of 1 to 12 points and proceed to the grand finale.

SAWFL DIVISION 3 - ROUND 14 REVIEWS

Gepps Cross v Flinders Park

With the top 4 already decided in this division it was a game for pride for the home team and for the visitors a chance to really prepare for their finals campaign. And what was a predictable result it was the visitors Flinders Park by 45 points, a strong win in trying conditions.

The game started evenly with 6 points in it at quarter time, but Flinders Park led from start to finish and after half time they got their game together and forged ahead against a brave Rams side.

Flinders Park had two multiple goal kickers in Gaffney and Fazzalari with 4 & 3 goals respectively. Flinders Park have been super consistent this year and are a goalkicking machine. Their closest games have been against the other top 4 sides so this finals series is building to be a very closely contested final series.

Gepps Cross will only be better for the year and were the best of the teams out of the top 4. I'm sure they will bounce back next year and be a top 4 contender.

Flinders Park will be very hard to beat this year and are the flag favourites in my humble opinion.

Hope Valley v Pulteney

Hope Valley Hosted Pulteney and in the closest game of the round it was the Dees by 8 points. In a very low scoring game, it was Hope Valley that just were the better on the scoreboard. It would have been a tough game in the conditions and given the low scoreline it would have been a hard slog.

Both of these teams may meet again in a few weeks and their games this year are at one win each so its all set up for a cracking final series.

REVIEWS AND PREVIEWS

Kenilworth-Flinders Uni v Pembroke OS

Well, that's the season for the newly merged Kenilworth-Flinders University, a disappointing year for several reasons but they have a great list that if they can keep together, will be a stronger team next year. However, for Pembroke it's just the start of their year with finals now beckoning and they were comfortable winners by 76 points.

Kenilworth-Flinders Uni was held scoreless for the game and Pembroke had 21 scoring shots and were clearly the stronger team on the day. Hopkins was the standout with 5 goals and a best on ground while Cole kicked 2 and there were several individual goal scorers.

Pembroke will be a tough opponent for the other finalists, and it will be a cracker of a finals series as all the teams are very close.

For the loser it is season over whilst the winner will get the second chance in the preliminary final. High stakes for both teams who have been fantastic all year and unfortunately there must be a loser.

What a great game this is going to be arguably the 2 best sides in this division this year. The winner straight into the granny and the loser gets the double chance. Good luck to all teams competing.

Kira Aswegen**SAWFL DIVISION 4 - FINALS ROUND 1 REVIEWS****Mitcham 3.3 21 vs Lockleys 0.4 4**

Finals season is upon us, and it kicked off with Mitcham and Lockleys down at Price Memorial Oval. The winner of the match will progress to the preliminary final taking on the loser of the second finals game. Lockleys just making it into the top 4 with a desperate effort to make finals they were expected to come into finals charging for that premiership.

However, when it came to the big moment, Mitcham proved why they finished in that third spot, progressing to the preliminary final with a 17-point win. It was a slow start to the game with no goals kicked in the first, Lockleys went into the second quarter with a 2-point lead.

Mitcham kicked the first goal of the game in the second quarter keeping Lockleys scoreless for the second and third quarter. Only behind by five points going into the final quarter Lockleys could have still taken the lead. But Mitcham ended Lockleys finals hopes, and they'll be disappointed it finished early but will be pleased with the performances from a strong list of players.

It was Tayla Pearse who stood up for her team with just her third best players mention this year. The leaders of the team gave it their all with vice-captain Paige Purdie and captain Jessica Searle also getting a best players mention.

Unfortunately for the Demons, Mitcham were too strong on the day. There were no surprises to see Grace Powell on top of the best on ground list with one goal to her name. Captain Aisha Scott stood up when it mattered most, playing one of her best games of the season leading her team to the next stage. Mitcham have done well to progress to the preliminary finals but will have the daunting task on taking on either Hectorville or Eastern Park.

Hectorville 7.3 45 vs Eastern Park 2.2 14

They've battled for that top spot on the ladder all season and now they battle it out for a spot in the grand final. Eastern Park going into the game having not being able to beat Hectorville in either of their two matches this year would be hoping more than ever they could get on top. The loser of this game has a second chance to make the grand final and would have to get through Mitcham in the preliminary.

Hectorville came out firing kicking five goals in the first half keeping Eastern Park scoreless. It was going to require a huge effort to come back in the second half from Eastern Park but not impossible.

REVIEWS AND PREVIEWS

Unfortunately for the Demons despite kicking two goals in the second half there was no stopping Hectorville who finished the game on seven goals. After only the one loss this year it would have been a shock to not see Hectorville lining up for the grand final. They have been the standout team all year with a long list of players stepping up every week.

Zina Hunt had one of her best games of the season finishing first on Hectorville's best players list. Once again Elle Lineage, Jazmine Egan and Tess McCormack got a mention as well. It was Hannah Bentley and Deontae Greenoff who led the scoreboard with two goals each. Taylah Roberts hit the scoreboard again after her 8-goal frenzy last round with just the one goal this week bringing her season tally to 30 goals.

Eastern Park will be ready to take on Mitcham in the preliminary finals next week and hope to be back against Hectorville in the grand final.

Tierah Lee played her best game of the season with her first best players mention of the year. Vice-captain Samantha Saunders continues to be a valuable player and will be vital in the preliminary final. Tamara Clapton and Michelle Treloar were the two goalkickers for the Demons with one each.

Hectorville will get a break as they wait to see who they line up against at the grand final.

SAWFL DIVISION 4 - PRELIMINARY FINAL PREVIEW

Only two games left until the premiership is won, moving onto the Preliminary Final this week where Eastern Park and Mitcham will battle it out for a spot in the grand final.

The last time these two teams met was in round 10 and Eastern Park just got away with a two-point win.

Sitting on top of the ladder all year until the last few rounds Eastern Park will be hungry to prove they deserve that grand final spot. But they come up against a strong and confident Mitcham team looking to cause an upset. It's a hard game to pick but I think Mitcham might just cause an upset and book themselves a spot in the grand final, 30-25.

SAWFL DIVISION 5 - ROUND 14 REVIEWS

Edwardstown 4.1.25 vs Loreto OS 5.7.37

Edwardstown were not going to let Loreto OS take an easy victory on the last match of their seasons. With a ladder as close as the win, every point and percentage counted and both teams played to the occasion. While Loreto OS were able to finish the first quarter slightly in front, Edwardstown took a narrow lead into the second half. A few behinds were costly for the old scholars which meant that scores were level heading into the final. Loreto OS showed though why they deserve to finish the season at the top of the ladder, able to kick two goals to seal the win.

Both teams played tooth and nail though and it will be a game to go back to. Jordan Horne finished off her spectacular season with two goals for the Towns, along with Ashlee Fitzhardy and captain Jess Patching adding a single each. Horne and Patching also earned themselves best player mentions along with Grace Hurly, Kasia Szymaniak and Grace Raeburn. Bethany Ince was the multiple goal scorer for Loreto, kicking two while Minnie Turner, Alice Harris and Sophie Haines also kicked a goal each. Ince also was amongst the best players with Hilary Campbell, Emma Wycherley, Hannah Osborn and Bella Simpson.

North Haven 7.8.50 vs Salisbury North 1.0.6

North Haven knew they had to win to make finals and oh boy, did they turn it up for the final game of the season. Putting on the clinic for the battered Salisbury North, it was the kind of form that North Haven started this season with. Salisbury North cannot be knocked for their heart though, still putting up a fight down on enemy territory.

Aaliyah Osborne and Jessica Westmoreland were able to kick goals each, adding four to North Haven's bag. Lauren Samson, Taylah Botten and Jasmine Russell also added a goal each to the total. Rightfully so, Osborne was named in the best players along with Hannah Dodd, Madyson Woods, Kiara Purdie. Charlotte Ta, Madelyn Icke and Renee Thomas were named best players for Salisbury North with Tegan Marshall responsible for their lone goal.

REVIEWS AND PREVIEWS

Woodville South 7.8.50 vs Kilburn 2.3.15

Another team knowing they had to solidify their spot in the finals was Woodville South, finishing the game with the same score as their rivals down over at North Haven reserve. They found themselves though in a bit more of a tighter spot, with Kilburn making them work for their win. While entering each quarter in front, they still needed to stay active to take home the win. Woodville South were able to kick three in the first, giving them that solid lead. The final quarter was where things got interesting, with Kilburn standing up and kicking another two. The Cats answered the challenge though, answering Kilburn's two with another three and took away the win to cement their spot in the finals.

Kilburn's super stars Emily Evans, Teresa McCallum, Brooke Faulds, Donna Andrews and Renee McCallum earned themselves best players in a game played with so much heart. Jacinda Roy scored a goal to add to her year of solid work, along with Johanna Kite. Carly Rehbein, Grace Nolan, Ella Vitucci, Ailis Nola and Tiana McCulloch were the heroes for Woodville South, with Rehbein scoring a very nice three goals. Amber Elvin was also not too shabby, adding two of her own along with Nola and Vitucci also adding a goal each to their impressive bag.

WOMEN'S DIVISION 5 - FINALS ROUND 1 PREVIEW

Coming off a well-deserved rest, but also losing their spot on top, Modbury will be out for blood when they take on Loreto OS down at Campbelltown Memorial Oval. Our first final is sure to be a barn burner, with the winner taking the first spot in the Grand Final.

Will momentum be on the side for Loreto OS or will a refreshed Modbury be able to triumph over the Old Scholars? Your guess is as good as anybody's, as with most games this season. In the do or die final, Woodville South will be hosting North Haven over at Ledger Oval.

Both teams have weathered adversity this season and have been able to pull out the win when it is needed most. It will come down to accuracy, opportunity and all in all competitiveness in what is sure to be an absolute battle for their spot in the prelims.

Aidan Oliver**SAWFL DIVISION 6 - FINALS ROUND 1 REVIEWS****Golden Grove (4.7.31) defeated Marion (3.3.21)**

Golden Grove and Marion battled out a closely contested match up in the elimination final to kick start an exciting few weeks of football. Before defeating Mitchell Park in the last game of the home and away season Marion experienced their worst run of form for 2023, providing their opponents with a psychological advantage heading into the clash.

Harpers Field is a difficult ground to travel to and get a result at the best of times, even more so when you are down on confidence and struggling to score. Impressively, Marion had a fast start, drawing first blood in the contest's early stages to take a narrow three-point lead into the first break; however, the momentum was certainly in Golden Grove's favour despite the deficit. The home side created three times as many scoring shots in the opening quarter and built on that effectively during the middle terms. Their relentless persistence in attack made life difficult for Marion defenders who were unable to adjust their game accordingly to cope with the pressure. Grove was far more efficient in front of goals throughout their period of dominance as well, converting four of their five attempts.

Surprisingly, it was their first and fourth quarter inaccuracy that kept their opposition within touching distance. Marion finished the game with two quick goals to provide a scare, before eventually falling ten points short of what would've been an unlikely victory.

The Grove forward unit continued their hot streak with Kirra Lebessis, Katie Bell, Jo Potter, and Rhiannon Utton sharing the goals. Their plentiful attacking threats make it almost impossible for teams to defend against them. In a proper captain's performance, Ella Ward received her sixth best players recognition for the season, with five of those coming from her last seven appearances. For the second year running,

Marion will bow out of the competition with a loss in the elimination final and will remain in division 6. As the only side to compete in a finals campaign in 2022, Marion will be bitterly disappointed to not live up to the expectations set for them at the beginning of the season. In just her fifth appearance for 2023, Zoe Smith was recognised as Marion's top performer in their defeat; a goal and a brilliant individual display helped her to poll votes for the fourth consecutive game.

REVIEWS AND PREVIEWS

Athelstone (5.9.39) defeated Tea Tree Gully (2.1.13)

As expected, the sequel was just as good as the original for Athelstone as they booked a place in the 2023 grand final with a compelling victory. The league leaders were favourites heading into the contest and didn't disappoint as they delivered an enthralling display under lights at the Max Amber Sportsfield. As all good teams do, Athelstone have developed an infectious winning mentality and built a squad full of fiercely competitive woman who are destined for success this season. In typical Athelstone fashion, the girls exploded out of the gates and took the game away from Tea Tree Gully. The away side challenged honourably and kept themselves in the contest with a goal in each term of the opening half. Their second quarter performance was admirable as they restricted Athelstone to just the one scoring opportunity to reduce the deficit to a mere eight points heading into the major break. However, their efforts were in vain as Gully remained goalless for the rest of the contest and succumbed to the ferocious intensity of Athelstone's attacking assets. The home side controlled the second half comfortably; their two goals in the third term enough of a cushion to take the foot off the pedal and cruise to a twenty-six-point triumph.

Nicole Hall is having a stunning breakout season. Still in the dawn of her career, Hall issued a statement to the rest of the association with a captivating best on ground showing in the Qualifying Final. It's her fifth feature amongst the best players since she debuted against Flinders Park in round 9 and with so much untapped potential at their disposal, I'm sure Athelstone will be eager to give Hall endless opportunities to thrive. With Natalie Lomman unable to hit the scoreboard, skipper Melanie Smith rose to the occasion and cashed in on her chances in the forward fifty to record two majors in her fiftieth appearance. Chloe Wright was also amongst the action, contributing effectively with two goals of her own, as Kayla Lambert rounded off the scoring to maintain her impressive run this season.

Unfortunately, their heavy defeat hasn't left Tea Tree Gully with much to smile about as they begin their preparations for a massive Preliminary Final against Golden Grove. Vice-Captain Sarah Parkinson was their outstanding player, a complete individual display in the first round of finals will undoubtedly fill her with confidence and fuel her desire for a result next weekend. Amanda Klose and Simone Wilson shared their side's goal scoring duties with one apiece in what was a lack-lustre attacking performance. But, with their season still alive, the Gully girls will be determined to right their wrongs on the training ground this week.

WOMEN'S DIVISION 5 - PRELIMINARY FINAL PREVIEW

The week ahead!

With just one game separating two teams from the big dance, Tea Tree Gully and Golden Grove will face off in a highly anticipated Preliminary Final at Payneham Oval. In what I expect to be a tough and gruelling contest, both camps bring a captivating style of football worthy of a stage as big as this.

Golden Grove will be eager to build upon their promising efforts against Marion and release a massive warning to Athelstone who await them if they are victorious. Grove is the second-best offensive team in the league and will be looking to overwhelm Tea Tree Gully's defence early in the contest. Usually a sound and resolute backline, the Gully defensive unit have struggled over the past fortnight to compete with the unwavering Athelstone pressure, a tactic similar to those employed by their upcoming opponent.

Ultimately, I think Golden Grove will be victorious. Their key contributors such as Rhiannon Utton, Ashleigh Thomas and Katie Bell, just to name a few, are among some of the best players in the competition and I think it will prove a task too tall for Tea Tree Gully. Exiting in straight sets would certainly be a harsh end to a fantastic season, however, I fear their best footy is already behind them.
