# SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

**THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA**

**The SA Footballer** have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 14 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 14-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

**So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.**

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

**What an amazing group of women we have in 2023 running the Adelaide Women's Panel Show and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Alexandra Bull and co-hosted by the vibrant Kristie McDonald. Georgie Evans, Jo McPharlin, Tella Wise, Tania Nicholas, Poppy Dutton Waterford, Annette Alvey, Rachel Jade Livesey and Jessica Phipps.**

**The magazine is written by ladies who know women's football in South Australia backwards. Kayla Voss, Eli Barila, Jessica Phipps, Samantha Field, Annette Alvey, Gabrielle Torpey and Iona Eloise, make up a dream team of journalists and writers, to cover the SAWFL competition.**

**SAWFL DIVISION 1 - FINALS WEEK 1 REVIEWS**

**Broadview v Payneham NU  
4.2.26 v 5.5.35**

Payneham NU have had their revenge after being kicked out by Broadview in last years elimination final, to take out the victory this year by a narrow 9 points. Broadview fought gallantly but their late charge wasn't enough to get over Payneham who have deservedly gotten the first Grand Final place after being so dominate for the first part of the season.

It started as a tight defensive game, with neither side eager to let the other get hold of momentum. Payneham were able to break through to get one goal however, while Broadview were held scoreless for the term to see only a 6-point margin at the first break. In the second things opened up a little and Broadview were able to get their first goal of the game. Payneham were still on top though as they kicked another two goals and a point to stretch out the lead further to 13 points by half time.

Their hold on the game continued in the third as they added on another two goals and three points. Broadview added on another goal and point of their own but still found themselves almost four goals behind with the margin at 21 points at three quarter time.

Yet if there was any team that could pull of the victory it was Broadview. They were able to tighten the screws in defence and only allowed Payneham a single point in the last quarter. However, their two goals and extra point weren't enough to catch up as Payneham still ran out with the win. Broadview will now have to go the long way around to make the Grand Final and get another crack at the Falcons.

For Broadview it was Zara Molloy, Hannie Howe, Ella Metcalfe, Ashlea James, and Jessica Luciani who were the standouts. It was all individual goal kickers with Liana Antonioli, Nikki Cullen, Ella Metcalfe, and Zara Molloy all contributing.

For Payneham it was Tamsyn Nation, Caitlin Pullan, Abby Klaebe, Adrienne Davies, and Sophie Arkun who made all the difference. Letisha Ackland and Leya Khelifa were both strong up forward with two goals while Abby Klaebe kicked the other.

### Morphettville Park v Henley 6.6.42 v 3.5.23

It was always going to take a phenomenal effort, and unfortunately for Henley they couldn't find it as they have gone down to Morphettville Park by 19 points and are out of the premiership race. With redemption no doubt in Morphettville's mind after being the better team all season last year, they were able to find the extra gear necessary after a sluggish start to get the victory.

The first quarter belonged to Henley as they kicked two goals straight to get themselves going. They also were able to keep Morphettville completely scoreless for the first term and held the quarter time lead by 12 points. But then in the second Morphettville were able to get their game going and kicked two goals and one point. Henley had their chances but were only able to add three behinds to their score to see their lead slashed to only 2 points at the main break.

In the third quarter Morphettville made their move, and added on another two goals along with two more points to their total. Again, Henley were unable to break through Morphettville's defence and only added one point. At the last break the lead now belonged to Morphettville though only by 9 points. Yet now with the momentum Morphettville were able to finish off the game on their terms. Henley were able to kick another goal and point but it did little as Morphettville finished up with another two goals and three more points to jump into the preliminary final.

Henley's season is now over but they should still be proud to make the finals after their slow start to season 2023. It was going to be difficult moving up to the higher division, but they have done themselves proud and next year will likely go that extra step to be one of the most dominant teams in the league.

For Morphettville the players who were the best were Chloe Harding, Mykaela Walker, Olivia Evans, Natasha Allison, and Celestina Dona. The goals were shared around with Celestina Dona, Tess Maple, Eliabeth Probyn-Shingles, Stephanie Simmonds, Grace Smallacombe, and Mykaela Walker all kicking one.

For Henley the players who fought hard all day were Chloe Whittington-Charity, Kerina Del Borrello, Brooklyn Kraft, Tiana Fernande, and Tracy Marks. They too had all individual goal scorers with Montana Dunbar, Tiana Fernande, and Kayleigh May all got one.

### WOMEN'S D1 and D1R PRELIMINARY FINALS

Payneham NU now get to enjoy the week off as they await to see who they will be facing in the Grand Final. Morphettville Park and Broadview will play off next weekend with the two teams having won one game each against each other, both by 20 margins. It's hard predicting who will be victorious in this game, but Broadview have the slight edge being the minor premiers. It's sure to be a fiery clash though with a slim margin.

In the reserves Payneham had a big 35-point win over Broadview to get straight into the Grand Final. Payneham were strong all day and kept Broadview scoreless in the first quarter. Broadview kicked one goal in the second but it proved to be their only goal as Payneham continued piling on the scores throughout the game. With five contributors to the scoreboard Payneham are proving they have plenty of firepower and will be eagerly awaiting to see who the last obstacle between themselves and the premiership will be.

It was a much closer match between Morphettville Park and Happy Valley, with the Roos getting over the line by a slim 5 points. The match was tight all day, with Happy Valley having the better of Morphettville in the first half. But Morphettville proved too strong and took back momentum in the second to get themselves over the line. The loss means it's the end of the season for Happy Valley but they have done well to get into the finals will certainly be a challenger again next year.

Next week Broadview and Morphettville Park will play each other after facing off only two weeks previously in round 14. In that game Broadview connivingly prevailed, as they also did in the round 6 clash. This recent form suggests that Broadview will come away the winners, but they can't take Morphettville lightly.

## 2023 Score Review System

Another week another score review controversy in the AFL. This week is arguably the worse error of them all, with Ben Keays being denied a crucial goal to not only cost Adelaide the game but also ended their finals hopes for this year.

The AFL has come out and admitted it was an error and stood down the umpire, but this will be little consolation for Adelaide and its fans.

It's been more than 10 years since the AFL brought in the review system and yet it still hasn't been able to get it quite right. Port fans are still smarting after the Josh Jenkins kick in the 2018 showdown was ruled a goal, and there were numerous occasions when the cameras were not in the best position for on the line touched calls. And of course, it was only last week when Christian Petracca's kick to win the game for Melbourne was deemed to be in conclusive after a review, leaving the score as a behind.

And now this decision has revealed perhaps the biggest hole in the system yet. That human error can not be overridden. As it stands a review is only called if the goal umpire asks for one. Even if everyone else can see the call is wrong, no one can say anything and the decision stands. Originally the call for a review system came because there were too many wrong decisions being made by umpires and there needed to be a way to correct this but in all the racket of getting clear outcomes on 50/50 decisions the AFL has let this slide. It could be argued that onus is on the umpire to use the system available, but the goal umpire said he felt confident in his decision and thus had no reason to go upstairs.

Of course, it's all well and good to point out that there's a problem, the more important thing is how to fix it. Previously the AFL has done quite well at responding when a controversy has occurred. Only one year after the Jenkins 'goal' the 'edge' technology was introduced to determine when a post had been hit and there are many more cameras now in place on the goal line.

One would hope that the AFL is already thinking about another overhaul next season when it comes to the borderline calls, but Gill's words of 'people understand that there are many mistakes during the course of the game' seems to suggest that this particular error will not result in changes.

## 2023 Score Review System (cont'd)

The reason why is obvious. Reviews slow down the game and that's not something anyone wants. Every goal is reviewed because there's the 30 seconds break while the ball goes back to the middle, if we had to have a 30 second break every time there was a behind the game would last 5 hours.

The rule was changed a few years ago so that players no longer had to wait for the flags to wave before taking a kick in for much success, and we don't want to go back on that rule, yet some failsafe needs to be introduced for scenarios such as these. We have one for goals, we need one for points.

Leigh Montagna and others have suggested that perhaps every behind should be reviewed as well, and simply allow play to continue while this happens. Then if it is decided that the score was a goal, play would stop and the ball returned to the centre for a ball up as per usual. Yet this comes fraught with risk.

What if the other team goes down the other end and kicks a goal while the review is being undertaken? What if a player becomes injured or concussed in that time? What about the all the other statistics, do they still count where the betting companies are concerned?

Play cannot continue if there is a review going on. Instead there needs to be some sort of power given to the ARC to stop play to have a review. Give a stipulation that the review call needs to be before play has cleared out of the 50 from the kick in or something similar, but it needs to happen. A team needing to retake a kick in, or having the kick in delayed, is less harmful than ruling a clear goal a point as proven this weekend.

One thing is clear, no Gill, the fans are not ok with the 'many mistakes' and it's time for a proper review system in the AFL, with rectification of human error, proper technology and conclusive outcomes.

## SAWFL DIVISION 2 - PRELIM FINAL REVIEW

### Tea Tree Gully vs Golden Grove

The preliminary finals have begun, and this week is the last chance for two teams to demonstrate that they are prepared and eager to win the championship next week. It was really difficult to predict which side would win this week, which made it very exciting.

Golden Grove made no secret of the fact that they desired to take that spot in the championship match.

Last week, Tea Tree Gully lost their second game of the year, which was disappointing and unexpected given how well they had played all season. For a preliminary final, the game began extremely slowly. Tea Tree Gully and Golden Grove both struggled to hold onto the ball in the opening quarter, scoring just one point each. Tea Tree Gully continued to have trouble retaining the ball in the second quarter, remaining on one point throughout the entire quarter and finishing the first half of the game with just one point. Golden Grove, on the other hand, came out and immediately got into the game.

After the first quarter, they picked up the pace and scored two goals and a behind to end the first half with 13 points. Tea Tree Gully continued to play below par in the third quarter, which is not what we have seen throughout the season; they were simply not as involved in the game as they have been lately. They only managed to add two more points. Golden Grove kept on their hot streak, scoring two goals and two behinds to extend their lead. Tea Tree Gully came back and scored two goals in the fourth and final quarter, but it was too late as Golden Grove was simply too far ahead for them to catch up, and they finished the game with just 15 points (2.3).

They were given a second chance this week to demonstrate that they had battled their way to the championship round, but unfortunately for them, they once again shocked us and were eliminated from the championship.

# REVIEWS AND PREVIEWS

### Tea Tree Gully vs Golden Grove (cont'd)

This week marks the end of their season, and even though they didn't make it all the way to the end, they should be incredibly happy of the year they had. Hopefully, the following year, they will come out determined to win the season.

Golden Grove, however, changed in the last frame. Not sure what happened, but they only managed to score one point in the second half, leaving them with a 13-point lead despite having 28 points (4.4) overall. Golden Grove advances to the championship game against the Goodwood Saints next week after winning this week. They had a respectable season this year, finishing in the middle of the league ladder. They should be extremely proud of themselves for making it this far and facing one of the best teams in the championship game. Hopefully, they can go all the way and defeat the Goodwood Saints the following week.

The 2 goal scorers for Tea Tree Gully this week were S. Jarvis and T, Anderson who both scored a goal each. The goal scorers for Golden Grove were J. Woodards who scored 2 goals, followed by M. Yardley and C. Rossi who both scored a goal each. The best players selected for Tea Tree Gully this week included S. Moss, A, Wood, I. Logue, M. Pascoe and S. Jarvis. Golden Grove's best players selected for this week were J. Woodards, AR. Innes, A. Hiebner, C. Rossi and S. Belkner.

## GRAND FINALE

### Goodwood Saints vs Golden Grove @ Blair Athol Reserve

The Goodwood Saints and Golden Grove both fought their way to the championship next week. They maintained their composure throughout the season, and their standing in the season finale is proof of that. The fact that both teams have advanced to the last game of the season makes all of their ups and downs this season worthwhile.

This game will decide which team wins the 2023 SAWFL season's championship, hence it's important for both of the teams. Due to Tea Tree Gully's elimination from the competition, the Goodwood Saints, who have spent the bulk of the season in second place on the ladder, pose a serious threat to Golden Grove. Golden Grove, on the other hand, hasn't lost without a fight in the past, and I think they won't let Goodwood Saints win the game with ease.

Given this, I believe that the Goodwood Saints will win the game, but not easily. The Goodwood Saints will prevail by a score of between 1 and 12 points despite the fact that it will be a very close game for both teams.

**Annette Alvey****SAWFL DIVISION 3 - FINALS ROUND 1 REVIEWS****Elimination Final: Pembroke OS 1.3-9 v Pulteney 3.6-24**

Well, an upset in the first final which unfortunately has eliminated Pembroke OS from this year's finals which saw Pulteney the winners by 15 points. In what was a very tight low scoring game with everything on the line it was the visitors that simply outscored and outplayed the home team. It wasn't a lightening start with only a point scored by Pulteney by quarter time. Pulteney kept Pembroke scoreless by half time something not seen before I don't think?? This one was hardly a goal fest with Pulteney adding 2 goals 3 in the second half while the home team could only manage 1 goal 2.

Well done to Ney for her 2 goals and best on for Harvey for the Queens. A disappointing year for the Queens I'm sure but they are a great club and a team that had been there at the pointy end for a few years now, they will still be strong opposition next year. Pulteney are also a strong team and have tasted the ultimate and I'm sure this will be their aim again this year, they could now be a smoky for the flag???

**Qualifying Final: Flinders Park 2.2-14 v Hope Valley 4.3-27**

And the second final another upset with Hope Valley bringing their A game and winning by the lucky 13 points against the favoured home team Flinders Park. This game had a few more goals scored than in the first final but not many. It was a tight contest with the game all tied up at quarter time 7 points apiece. In the second quarter Hope Valley kicked away, but there was still only a kick in it at half time. Flinders Park did not score in the second half while Hope Valley only added 7 points but it was enough to hold on for the win. Gooley was best on for Flinders Park and she has had a great year while for Hope Valley, McPherson was best for the visitors with one goal. Flinders Park will have learnt a lot about their game and if they get through next week, I think the scoreline will be different.

**Next week – Preliminary Final**

Flinders Park taking on Pulteney, and this is now do or dies game for both clubs. Have Pulteney gathered some momentum going into finals? And for Flinders Park they have been strong all year and I still think are going to be hard to beat.

Hope Valley are through to the 2023 grand final, well-done ladies sit back now and wait for your opponent in 2 weeks!

**SAWFL DIVISION 4 - PRELIMINARY FINAL REVIEW**

**Eastern Park 6.5 41 vs Mitcham 2.4 16**

It was a big a game being played down at Payneham oval Saturday afternoon, with Eastern Park and Mitcham battling it out for a spot in the grand final. Eastern Park came out ready to win kicking all six of their goals in the first half, while keeping Mitcham goalless.

Heading into the second half, Mitcham had a big task ahead of them to catch up to the Demons. Fighting for that last spot in the grand final, Mitcham managed to slow down Eastern Parks scoring keeping them goalless in the second half.

Unfortunately for the Hawks, despite stopping Eastern Park scoring they themselves were struggling to score, kicking two goals three in the second half. Which meant the season had come to an end for Mitcham, with a 25-point win to Eastern Park who now progress into the grand final.

Playing a strong season, Mitcham will be disappointed to get the chance to take the premiership home, but they'll be sure to come back firing next season.

Spending majority of the season on top of the ladder, it's no surprise to see the Demons head into the Grand final. Continuing from solid performances last week Vice Captain and captain Samantha Saunders and Alicia Cotton topped the best players list, kicking one goal each. Now on 25 goals for the season Tamara Clapton led the scoreboard with two goals to her name, sitting amongst the six goalkickers from the Demons.

Teirah Lee has proven to be a key player for Eastern Park this finals series and sure will play a big role in the Grand Final. They'll come up against Hectorville in the Grand final, playing them for the 4th time this year having just played them in the first round of finals. Eastern Park have come off second best in all three games against them but are they saving their best footy for when it means the most.

Hectorville have been close to unbeatable this year with just the one loss, but could they get stuck in the pressure of the grand final. It's going to be hard to pick a winner when it's the best two sides of the season battling it out for a premiership. However, after the season they have I'm picking Hectorville to win and take home the premiership for the 2023.

**Kayla Hamilton****SAWFL DIVISION 5 - FINALS ROUND 1 REVIEWS****Loreto OS 2.5.17 vs Modbury 1.1.7- Qualifying Final**

A top of the table clash that would decide the first team to make the grand final and Loreto OS were determined from the start. The minor premiers made their mark in the first quarter and kept control of the game, showing Modbury that they were serious about taking home the trophy in a few weeks' time.

By three quarter time, Loreto OS had done about as much damage as they were going too and despite rallying in the final, it was a too little too late for the Hawks. In a fired up side, it was Amelia Rosella, Bella Simpson, Abbie Deegan, Sophie Haines and Minnie Turner who were named best players for Loreto OS. Justine Fielding led the rallying cry in the last quarter for Modbury, scoring their only goal for the game. She was also named amongst the best players along with Meagan Johnson, Shania Politis, Emily Page and Mia Ebert.

**Woodville South 1.10.16 vs North Haven 2.1.13- Elimination Final**

It was do or die for both these sides in this elimination final and North Haven showed their hand early. Woodville South struggled to capitalise in front of goal, but they managed to shut down North Haven's from the second all the way to the final.

In the final quarter, it was North Haven that couldn't find the goal, with Woodville South scoring those six points that would help them seal the deal in this ridiculously close battle. Amber Elvin, Melissa Chard, Tiana McCulloch, Kelly O'Donnell and Ailis Nola were named best for Woodville South, with Carly Rehbein scoring the game sealer. Viviana Petyarre, Cathryn Wojcik, Aaliyah Osborne, Zoe Saunders and Meghan Keane held it together for North Haven till the final siren, receiving best player accolades for their efforts.

**Preliminary Final Preview**

Loreto OS get to focus on preparing for the Grand Final and North Haven get to hang up the boots till preseason, which means Modbury and Woodville South will be lining up to get their spot on the big day. Both teams had a not so pretty wins in the first round of finals, which can be chalked up to big day pressure. Modbury, while struggling a little to find goal, have accuracy on their side but the scrappiness of Woodville South has worked in their favour so far.

Ultimately, it will come down who is more equipped to handle the pressure of a high stakes game as both sides have shown they have what it takes to take home the gold at the end of the season.

**SAWFL DIVISION 6 - PRELIMINARY FINAL REVIEW**

**Golden Grove (4.5.29) defeated Tea Tree Gully (2.3.15)**

The 2023 preliminary final featured two of the competitions most exciting teams in a brilliant spectacle at Payneham Oval. Golden Grove headed into the clash on the back of an impressive first round victory against Marion and were the favourites to progress to the Grand Final despite their ladder position.

Their aggressive forward pressure and effective attacking systems have laid the foundation for superbly dominant performances throughout the season and the prelim was just another fine example. Not only are they capable of fantastic starts like this weekend, but their elite fitness and facility to finish games strongly have allowed Golden Grove to register more than thirty-five second half goals this year. This is a result of a tremendously elite mentality; however, it is also evident that there is a clear and concise structure that the women have remained disciplined in maintaining.

It was a free flowing first quarter of football with a combined six scoring shots recorded between the two teams. Ultimately, it was Golden Grove's ability to continuously recycle the ball across their midfield, before launching back into their offensive half that kept Tea Tree Gully trapped on the back foot.

The second quarter was a much closer and cagier affair with the scorers only being troubled by a mere two behinds. Moving into the second half, the contest opened back up and the game's attacking assets returned to focus and became far more involved. The Gully girls seemed to have placed themselves in a position to wrestle the tie back in their favour; unfortunately, third quarter inaccuracy prevented them from making the most of their opportunities.

Both sides scored a goal each in the final term, with Golden Grove seeing out the later stages of the match to earn themselves a birth in the final.

## DIVISION 6

# REVIEWS AND PREVIEWS

### Golden Grove defeated Tea Tree Gully (cont'd)

Continuing her insane 2023, Rhiannon Utton was named player of the match in a compelling individual outing. After missing out on a feature in the best players for two consecutive rounds in July, Utton has been back to her best and among the votes in every game since. She has covered almost every blade of grass this season and has displayed incredible flexibility across her sixteen games in division 6; effective on the ball and damaging inside forward 50, the young star shows no signs of stopping as her side begins to prepare for Athelstone. Alyssa Koop chose a timely occasion to score her first two majors of the year, with her performance in front of goal a promising reminder of the talent they have in their forward line.

For Tea Tree Gully, vice-captain Sarah Parkinson enhanced her status as a big-time player with another admirable display against a team in the top four. Along with the rest of the club, I have no doubt she will be bitterly disappointed to fall short of the big stage, however, they can still be proud of the season they've had and the progression they have made in their development.

### GRAND FINAL PREVIEW

#### The Week Ahead!

After four months of entertaining and enthralling football in the Adelaide Footy League's Division 6 women's competition, we turn our attention to the Grand Final. In what will be a career-defining day for many, on Saturday 26th August 2023 Golden Grove will challenge premiership favourites Athelstone in what is set to be an eccentric climax to an extraordinary season.

The league leaders are justifiably tipped to come away with the silverware this weekend; their talented list and impressive play style has brought a bucket load of success and you'd expect them to be their ferocious selves from the first bounce. Similarly, Golden Grove have proven they can perform across all four quarters of a contest and their recent form has certainly silenced criticism towards them in terms of their cutting edge and ability to win big games.

However, I have said all year that I believe Athelstone are comfortably the best squad in the league and even though anything can happen on Grand Final day, I am predicting they will come away victorious and secure a premiership. I look forward to what this match up is going to bring, and I wish all involved the best of luck.
