South Australian Women's Footballer Magazine - Your weekly BIBLE of South Australian Women's Football

SOUTH AUSTRALIAN WOMEN'S FOOTBALLER MAGAZINE

THE SA WOMEN'S FOOTBALLER IS JUST FOR WOMEN'S FOOTBALL AND HAS BEEN CREATED TO EMBRACE THE WOMEN'S GAME AND TO ENSURE WOMEN HAVE A VOICE IN THE MEDIA

The SA Footballer have long led the way with ideas and media concepts, Long before **ONE** of the football leagues caught on, and "pinched" our ideas and tried to mirror image our work. This year we again have both the **SA Women's Footballer Magazine and the Adelaide Womens Footy Panel Show**.

We were the first to bring out the Footy Budget, "Teams of the Year" and on-line football magazines, long before anyone else. We've constantly been told on-line magazines would never work and even though the "Teams of the Year" have been around 15 years, we've still not had any support. How wrong a few "muppets" have been. We now have over a 100,000 people read our magazines and watch our videos each week.

We were the first to bring you video interviews of coaches and players. We brought out the first radio show on WOW fm. We were the first to bring a live broadcast of games across the Adelaide Footy League on MixLr. **Again, we were the first to bring the live streaming of games and live commentary of games across the Adelaide Football League. Only the SA Footballer Magazine and the managing director in Luke Hosie had the foresight to bring all of these media platforms to football fans in South Australia.**

We were the first media company to cover every football league and club in the state, with our **SA Footballer Magazine, the SA Adelaide Footballer Magazine and the SA Country Footballer Magazine**. Indeed over the last 15-years, all the firsts across football media in South Australia, lead back to the **SA Footballer**.

So true to being the leading trail blazers in football media across South Australia, we thought it was only fitting that we brought out the FIRST football magazine JUST for women's football across South Australia, titled the South Australian Women's Footballer Magazine.

True to form, we'll only be having women running the magazine, the editorials, and the Adelaide Women's Panel Show. Who better to write and discuss women's football in South Australia, than women themselves. We don't allow men to have any say in either the magazine, the panel show or its content.

Women's football in South Australia is growing rapidly. We ask you to support the magazine, the panel show and the sponsors. We aim to give you the very best magazine possible each week of the season. **A magazine for women and discussing the women's game in South Australia.**

What an amazing group of women we have in 2023 running the Adelaide Women's Footy Show, previously called The Adelaide Women's Footy Panel Show, and the SA Women's Footballer Magazine. Our panel show is hosted by the lovely Eliza Montgomery and co-hosted by the vibrant Tania Nicholas, Jo McPharlin, Madison Stanley and Kristie McDonald.

The magazine is written by ladies who know women's football in South Australia backwards. Samantha Field, Sabrina Scuteri, Annette Alvey, Kira Aswegen, Kayla Hamilton and Aidan Oliver, make up a dream team of journalists and writers, to cover the SAWFL competition.

Around the Grounds - Round 4 Reviews

by
Samantha Field

Hawthorn (11) def by Melbourne (70)

Melbourne have made it an astounding 13 wins in a row in emphatic fashion with a 59-point thrashing over Hawthorn. The work rate of the Hawks was not fairly reflected on the scoreboard, but the skill of Melbourne was a few classes above the new expansion side. It took until the 6-minute mark of the third quarter for the Hawks to get their first and only goal of the game despite winning the inside 50s by one, with the Dees demonstrating they are just as powerful in defence as they are attack. Now sitting on the top of the ladder the chances of going back to back for Melbourne are looking more likely with each passing week.

Carlton (40) def by Richmond (47)

Richmond are beginning to get a reputation as the comeback queens after another come from behind victory, this week against Carlton by 7 points. The Tigers had a better start and held a 11-point lead at quarter time but were then held goalless by the Blues until the final quarter after they dragged the Tigers back into a highly contested game. But the final quarter well and truly belonged to the yellow and black, kicking three goals to one. It was a great joy to fans when the two skippers, Peterson and Brennan were matched up on each other after Brennan kicked two early goals, with Blue's skipper winning battle and curbing Brennan's influence after the move.

Sydney (34) def West Coast (21)

Sydney notched up their second AFLW win this weekend against the struggling Eagles by 13 points. West Coast fought back midway through game kicking a goal on either side of half time, but the Swans were able to steady and secured the win in the last quarter. The Eagles showed some improvement, but kicked 9 behinds which prevented them putting any scoreboard pressure on the Swans. Chloe Molloy kicked a crucial goal for the Swans with a great snap from the boundary after a smoother, while ruckman Ally Morphet had a huge 34 hitouts and 10 clearances.

North Melbourne (33) def by Brisbane (35)

Brisbane put an end to North's winning streak with a heartbreaking 2-point victory. Brisbane had only kicked one point up until the 15-minute mark of the second quarter, but then stormed home to keep their undefeated streak against the Roos alive. A goal with only 5 minutes left to play put Brisbane in front for the first time, and tough defence in the final minute ensured that North did not have a clear

chance to take it back. Emma Kearney attempted a kick from outside 50 after the siren for the win but the kick fell well short. The win was a great birthday gift for Shannon Campbell who also kicked the game winning goal.

St Kilda (47) def Collingwood (35)

In the best comeback win of the season so far, the Saints kicked five fourth quarter goals to defeat Collingwood by 12 points. The Saints were scoreless in the first quarter, and it appeared was going to be a win to the Pies but the Saints clawed their way back into the game thanks to astounding tackling pressure to keep the Pies goalless in the second and fourth terms. The Pies held the lead by 25 points early in the third but then a string of six goals saw the Saints steal away the win. It was the traded players who were the ones to watch with Jaimee Lambert, now at the Saints, and Tarni White, now at Collingwood, kicking goals at crucial moments.

Essendon (50) def Fremantle (30)

Essendon are starting to present themselves as a contender in only their second season in the AFLW after a solid 20-point victory over Fremantle. The Bombers were able to stamp their dominance over the game in the second half, kicking five of the last seven goals. They outran Fremantle in the end, winning disposals 271-212, and beating them in the air winning marks 58-34. Co-Captain Bonnie Toogood again starred for the Bombers with two goals, and rejoiced in how great it was to play in front of a packed Reynolds Stand in Essendon heartland at Windy Hill.

Gold Coast (48) def Western Bulldogs (44)

Gold Coast were able to hold on against a fighting Bulldogs side to remain in the top 8 after a gruelling 4-point win. The Bulldogs kicked the last three goals of the game but it wasn't enough to catch the Suns who had the majority of the ball in the final crucial minutes. The Suns were able to win the game in the areas where it counted most, winning both the contested possession and the centre clearances to give their side first look at the ball. It's been a disappointing start for the Dogs who are still winless after making finals last season, with coach Nathan Burke calling on the forwards to perform better.

Match Summary

Round 4: GWS Giants (37) def by Adelaide Crows (106)

by
Samantha Field

The Crows are soaring after posting the second highest score in AFLW history and thrashing the Giants by 69 points.

The Giants fought to stay in the game early but were completely blown away by a nine goal to zero second half.

It was the first time the Crows have played in Canberra but they looked right at home with their trademark intensity around the ball and no shortage of firepower up forward with eleven goalkickers. They got the game rolling early with the first two goals of the game, but let the Giants off with a few other shots going wayward. GWS made them pay with a swift play from defence leading to the first inside 50 and goal to get themselves into the game.

On the back of one of their best plays this season GWS kicked the first goal of the second quarter to draw the margin back to only 2 points and it would have been hard to believe how the game was going to end.

But the Crows kept their cool and responded with the next three goals, including one to Deni Varnhagen who returned to the side this week after being on the inactive list following the AFL's vaccine protocols.

The Giants tried to mount another challenge in the third quarter with a ferocious attack on the football but all five of their shots went wayward to see their hard work go to waste.

When the Crows kicked three more goals to take a 30-point lead going into three quarter time it put an end to hopes of a comeback.

Round 4: GWS Giants (37) def by Adelaide Crows (106)

by
Samantha Field

GWS continued their disappointing trend of fading out in the fourth quarter, failing to register a score for the third time this season. The Crows had no such problems as they had their best quarter for the game, kicking six goals with all GWS' pressure having disappeared, and falling just short of the Demon's record highest score by 1 point.

To further hurt GWS, Teagan Germech came from the ground in the first quarter unable to put any weight on her leg after a heavy collision.

Ebony Marinoff was absolutely everywhere, having an incredible 40 touches, 9 clearances, and 8 tackles. Her partner in crime Anne Hatchard also continued her great season with 22 touches, 6 tackles and 4 clearances. Eloise Jones headed the goal kickers list with four, with Danielle Ponter and Niamh Kelly also kicking multiples with two apiece.

For the Giants, Alyce Parker was the standout with 31 disposals and a game high 10 clearances, with Zarlie Goldsworthy continuing to impress with a game high 10 tackles, 19 disposals and a goal.

Match Summary

Round 4: Port Adelaide (42) def by Geelong (70)

by
Samantha Field

A slow start proved very costly for Port Adelaide as they went down to Geelong at home by 28 points. It was a game of two halves, with the Power having opportunities for a comeback but inaccurate kicking preventing any chance of a win.

The first half was all about Geelong with their rebound from defence setting up all the play and poking holes in Port's team defence. But after half time Port got their surge footy game going in an impressive response to a disappointing first half.

Port started the game on the front foot, getting the first clearance and forward 50 entries, but Geelong were able to make more of their opportunities, dominating the uncontested ball and kicking all four goals of the opening term. Port struggled to get the contest first, and were outmuscled at centre clearance.

The second quarter was much like the first, with the Geelong forwards strong in the air and on the ground to kick the first three goals. But when Port did get it forward, they looked dangerous and finally got reward from effort with the side's first goal just before half time to Gemma Houghton. Port came out firing in the third, with a goal to Ash Saint within 30 seconds, but the Cats defence forced them to make mistakes inside 50 and they only kicked one more goal for the quarter despite their dominance.

Geelong meanwhile were able to get two goals of their own, largely thanks to Georgie Prespakis who stood up when the game was starting to turn and kicking one the goals herself.

In the last term Port had seven scoring shots compared to Geelong's two, yet for all their work the quarter was another stale mate. It took four misses before Port slotted their first goal, but with Geelong answering with the next two it typified a frustrating day for the Power who, while showing plenty of positives, are still finding their feet.

Round 4: Port Adelaide (42) def by Geelong (70)

by
Samantha Field

Indy Tahau went down in the second with a knee injury which has now been confirmed as an ACL. Katelyn Pope also hurt her knee but was able to play out the game. Ash Saint received a one game ban for a careless tackle.

After a sluggish 2022 season, Erin Phillips is starting to get back to her best, looking dangerous at the centre bounces with five clearances, 15 disposals (mostly contested) and providing some crucial defence to stop goals. Houghton did all she could to try to get the win, leading the team's disposals with 18, and kicking three goals including the 50th of her career.

Chloe Scheer was a solid player for the Cats, giving something all around the ground and kicking a goal in each quarter. Prespakis continues to impress, this week with 21 disposals, 9 tackles, 5 clearances and a goal while Kate Surman was effective against her old side with 15 disposals and a goal.

SAWFL DIVISION 1 - GRAND FINAL 2023

PAYNEHAM NU v MORPHETTVILLE PARK

4.5-29 v 4.6-30

Morphettville Park are the Division 1 premiers for 2023! On the back of a strong second half performance they defeated Payneham NU by the narrowest of margins, 1 point, to claim the premiership after a strong season.

Payneham had the better of Morphettville in the first quarter, kicking two goals and one point while holding the Roos to only one behind and having a 12-point lead at the first break. Morphettville started coming back in the second though, but wayward kicking prevented them from gaining much ground. They kicked one goal and three behinds while Payneham kicked another goal themselves to see the margin at 9 points at the main break.

In the third quarter Morphettville were finally able to get the upper hand, keeping Payneham to only two points for the term. The Roos kicked another two goals and two points to get their noses in front at the last break by a slim 3 points, setting up a thrilling finish. Both sides kicked another goal in the last quarter, and even though Payneham were able to sneak through another two points it wasn't enough to get the job done and the Roos took the honours for season 2023.

Cammie Williams was voted best on ground in her 50th game, with Chloe Harding, Mykaela Walker, Minerva Bailey, and Brooke Trevena all finishing off fantastic seasons for Morphettville with stellar performances. Amelia Rusden kicked two of the team's goals, with Celestina Dona and Mykaela Walker both kicking one each.

For Payneham it was familiar names Djimila Totham, Jess Meachin, Letisha Ackland, Chloe Samuel, and Adrienne Davies who all fought hard but unfortunately could not get the team over the line. It was all individual goal scorers with Letisha Ackland, Adrienne Davies, Jamie Lockwood, and Grace Whittaker all contributing one.

Congratulations Morphettville Park!

SAWFL DIVISION 2 - GRAND FINAL 2023

Goodwood Saints vs Golden Grove

The 2023 season has come to a conclusion, and this week the Goodwood Saints and Golden Grove compete for the title of 2023 season champions. Every year, each team aims to win the grand final and reach this special occasion. To go this far in the season, the Goodwood Saints and Golden Grove have worked incredibly hard and given everything they have.

The Goodwood Saints had a great start to the game, scoring three goals and a behind to take the lead right away. The game didn't get off to a fantastic start for Golden Grove, on the other hand. They had trouble scoring a goal or a behind; thus, they went the entire first quarter scoreless. The Goodwood Saints were still strong in the second quarter and were determined to win the championship. They added a second goal and a behind to finish the first half with 26 points. Golden Grove, however, made a slight comeback in the game, scoring three behinds to end the first half with three points. The Goodwood Saints continued to play effectively in the third quarter, adding another goal and three behinds to keep their lead alive. The Goodwood Saints were deserving of the victory this week based on their performance. Golden Grove only managed to score a point because they were still having trouble controlling the ball and maintaining possession.

The Goodwood Saints finished the game strongly in the fourth and final quarter, winning by a 44-point lead. The Goodwood Saints finished the game with 51 points (7.9) after scoring two goals and four behinds. The Goodwood Saints are the 2023 season winners and champions thanks to this victory. Golden Grove, on the other hand, persisted in their struggles; they were only able to accumulate 3 more points and finished the game with 7 points (0.7). Golden Grove's shots on target this week were particularly unfortunate because if they had converted their scoring possibilities into goals, it would have been difficult for the Goodwood Saints to win. Golden Grove should all be extremely proud of themselves for making it this far; it is not easy reaching this point of the season and they accomplished it, which is such an amazing achievement for them, even though they were unable to compete until the very end and win the 2023 championship. So, congrats to Golden Grove and best of luck in the next season.

The goal scorers this week for the Goodwood Saints were E. Whyte and P. Francis who both scored 2 goals each, followed by C. Tonkin, E. Siegert and E. Fox who all scored a goal each. Golden Grove had no goal scorers this week and the Goodwood Saints had no best players selected for this week either. The best players selected for Golden Grove included A. Hiebner, L-F Gambranis, L. Dunlop, J. Lim, AR Innes.

CONGRATULATIONS TO THE 2023 SEASON CHAMPIONS, GOODWOOD SAINTS!

SAWFL DIVISION 3 - GRAND FINAL 2023

Hope Valley Premiers 2023!

Congratulations to the Hope Valley Football Club, Division 3 Premiers for 2023!

It was a highly competitive game all day, but Hope Valley were just that bit stronger and were the winners by 7 points. If they had been a bit more accurate this game was over very early. The game started off at a fast pace and that didn't let up all game by both sides. Hope Valley really wanted it, and it showed by the way they attacked the ball, the Flinders Park defence were under attack early but held up brilliantly.

Hope Valley were a little nervous in front of goal and missed a couple of sitters in the first quarter kicking 1.4, however they did keep Flinders Park scoreless in this quarter. The first quarter clearly belong to Hope Valley and Pix bursting out of the middle on several occasions was a real highlight. The second quarter belong to Flinders Park who fought back and kicked 1.2 and kept the Dee's scoreless. A two-point ball game at the main break Hope Valley with their noses in front just and what was set up for a fascinating second half. Hope Valley came out on fire in the third quarter and still inaccurate they kicked 1.5 and kept Flinders Park scoreless in the premiership quarter. And sadly, that was pretty much the game for Flinders Park who were gallant but just couldn't match Hope Valley on the scoreboard. The last quarter did belong to Flinders Park so pride was at stake, and they gave it their all and, in the end, it was only a goal and a bit.

Finals are a funny game and grand finals can be even stranger, for me Flinders Park were supposed to win this one and while they will be hurting, they should be very proud to have made it to the grand final very worthy finalists and look out 2024!

For Hope Valley, they were brilliant and are very deserved Premiers for 2023. They played a brilliant game of football and are highly skilled fast running team, they play a great brand of footy so hats off to the coaching staff and everyone involved. It takes a real team and club effort to win a flag so celebrate hard and enjoy it they don't come around every year.

On a personal note, this is my last article for the SA Footballer Magazine as I take a break away from footy. I have thoroughly enjoyed my involvement in womens footy and writing the weekly articles. I have seen so much improvement and progression of teams in all divisions over the last 5 years which has been a real highlight. A massive thank you to Luke and his team for all the work they do to bring a second to none coverage of women's footy in SA.

All the best.

SAWFL DIVISION 4 - GRAND FINAL 2023

Hectorville 8.5 53 vs Eastern Park 2.3 15

The grand final was finally upon us, down at Blair Athol Reserve where Hectorville took on Eastern Park in the biggest game of the season. They have been the top two teams all season with Hectorville taking the top spot from the demons in round 12 who had led all season.

Since their round 1 loss, Hectorville had been on a winning streak and Eastern Park was out to end it on Saturday. Hectorville were in front at halftime with a 12-point lead. Going into the second half the Demons were looking to improve from their first half and catch up on the scoreboard.

Eastern Park only kicked one goal in the third quarter while Hectorville continued to dominate up forward adding another two goals to their score. 19 points down at three-quarter time it was going to take a strong effort from the Demons to come fighting back. But in the end, it was Hectorville who was the stronger team all year and they were the stronger team when it most mattered, with a 38-point win to take home the Division 4 women's premiership for 2023.

The entire Hectorville team has been hard to fault this season, but it was Elle Lineage who was named best on ground for the Grand Final, topping off her incredible year. Mollie Kristensen played one of her best games of the year finishing second on Hectorville's best players list. Tess McCormack, Jazmine Egan and Taylah Roberts also played a key role in the win as they have all year. Kicking a goal in every game but one this season, Taylah Roberts did what she does best, kicking three goals to help secure the win. Zoe McCormack was the other multiple goal scorer for the day with two goals next to her name.

In what was a great season from Eastern Park, they'll be disappointed to go home without the flag. They've struggled to get on top of Hectorville all year but will be looking to come back next season more determined than ever to take that flag home. It was still an incredible season for the Demons and had a talent-filled team.

Samantha Saunders has been one of their best players for the year and put on another display trying to get her team over the line. Vice-Captain Hayley Williamson did her best to lead her team to a premiership featuring in the Demon's best players.

It just wasn't meant to be for Eastern Park this year, Hectorville were just too strong of a team. But for Hectorville it's all celebrations, after a dominant season it was hard to see any other team taking home the 2023 Women's Division 4 Premiership.

SAWFL DIVISION 5 - GRAND FINAL 2023

Loreto OS 1.7.13 vs Modbury 0.4.4

It all came down to this sunny day in September, where the Loreto Old Scholars took on the Modbury Hawks to finish what has been a cracker season for both sides. Thorns in each other's sides and in a constant tug-of-war throughout the season, it was Loreto OS who were able to come out on top when it mattered most.

The first quarter was a battle, with the only scored registered being a behind for the Loreto and this trend continued well into the second. Goals were hard to come by in this game, a combination of perhaps finals nerves and equally matched teams. Scores were level heading into the final and it was Bethany Ince who was able to bring her team over the line, with the one and only goal of the day.

Overall, it was brilliant end to what has been a truly exciting season.

Nevaeh Ebert, Mia Ebert, Justine Fielding, Charlotte Churcher and Jaimee Banning kept the Hawks composed in this arduous final battle, walking away with best on ground in a Grand Final for their efforts.

Amelia Rosella, Bethany Ince, Ereni Vithoulkas, Hannah Ellis and Bella Simpson were named best for the winning team, with Bethany Ince also walking away with the Adelaide Footy League player of the round.

SAWFL DIVISION 6 - GRAND FINAL 2023

Golden Grove (4.7.31) defeated Athelstone (4.4.28)

Move aside Ashley McGrath and the Brisbane Lions of 2013, division 6 of the Adelaide Footy League has its very own *Miracle on Grass*. In a thrilling nail-biter, Golden Grove have overcome premiership favourites Athelstone to be crowned the 2023 champions in emphatic fashion. Golden Grove have been a force to be reckoned with in the second half of the season, so it feels almost disrespectful to have held their opponents at such a higher regard heading into the match up.

Truthfully, there has not been a team close to Athelstone's consistency and quality; their list is stacked with superb footballers and many of the best athletes in the competition. However, as has been proven time and time again, anything can happen on Grand Final day. Golden Grove bolsters an arsenal of devastating attacking threats and their uncanny ability to create chances, has delivered them the most coveted prize in football.

The Grove girls were explosive out of the blocks, creating five chances in the opening term whilst effectively restricting all of Athelstone's movement out of defence. Realistically, the game should've been decided before the first break but their inaccuracy in front of goal provided a clear path back into the game for the minor premiers. Athelstone's two goals against the run of play helped them to establish a narrow two-point lead heading into halftime. What followed was a captivating display of goal scoring prowess for which ultimately decided the fate of the finalists.

True to form, the third term was certainly the premiership quarter. Golden Grove spared no mercy as they relentlessly drove inside forward 50 to exploit a rare lack in concentration and slow start by a typically resolute Athelstone defence. Their three goals from four scoring opportunities saw them regain control of the contest and register a ten-point margin heading into the closing stages of the 2023 season.

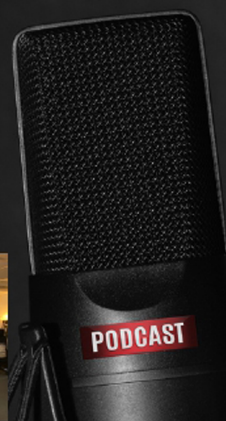

In a true test of grit, stamina and determination, Golden Grove were able to withstand an almighty late charge by Athelstone. It was an onslaught of offensive pressure, with the coaching staff of the trailing side throwing absolutely everything forward to try and secure a famous victory.

REVIEWS AND PREVIEWS

Golden Grove defeated Athelstone (cont'd)

If Golden Grove were going to be successful in their endeavours on the weekend, it would require an enormous group effort along with some inspirational individual performances. Alas, cometh the hour, cometh the woman; Rhiannon Utton is a superstar who was born to play on the biggest stages. Her best on ground display was another prolific example of her devastating capabilities and she has finished her impressive season with a flag as the joint best and fairest winner of division 6.

The other superstar ruck to feature in the grand final was Brittany Spooner, who also shared the honours of the Georgi Iley medal with Utton. Congratulations to both recipients on an amazing season. The only multiple goal scorer of the day was Grove's Katie Bell, who wreaked havoc in the attacking 50 alongside Sarah Hewitson and Jo Potter. The trio were treated to plentiful chances thanks to their midfield stocks, who consistently created scoring opportunities for the forwards to feast upon.

For Athelstone, their loss in the big dance marks a sour conclusion to a fantastic year for them in division 6. Kelly Fitzpatrick stood tall and fought gallantly despite the result and was named as her side's top performer. It's a long off season for the women and I'm sure many have already turned their attention to what 2024 may look like for them in division 5.

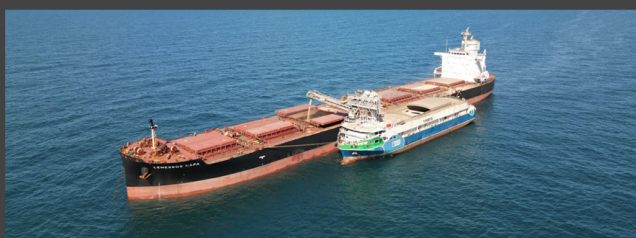

Congratulations to Golden Grove's division 6 side who are the first ever female premiers in the club's history!
