Amato's 5th Quarter

Tex Walker, you have proven the football world wrong.

Prior to the 2021 season, many critics, myself included, believed the best had past for Taylor Walker. He was getting in the way of the developing Darcy Fogarty and Elliot Himmelberg, and was trying to hold on to his career that wasn't showing much love back. I was one who was calling for Tex to retire, to give the game up and allow the Adelaide Football Club to move forward without him (in an on-field sense).

by
Daniel Emilio Amato

Scrutinised from every angle for multiple reasons, whether warranted or not both on and off-field since the 2017 Grand Final, Tex Walker has defied his critics to start his 2021 campaign in career-best form.

This is not a one-game wonder, nor is it a case of being a 'flat-track bully', In five games, Walker has kicked bags of five (against reigning Grand Finalist Geelong), six against the Swans (undefeated after three games) the Gold Coast Suns (possible finals contenders), three against a struggling North Melbourne and two against the resurgent Fremantle in what has been a refreshing and unexpected return to form.

Not only has he been hitting the scoreboard, Tex looks fresh and fit, is running all over the ground with ease and has averaged 17 possessions, seven marks and three Inside 50s thus far in 2021. Tex's form has coincided with what has been a surprising start for the supposed wooden-spoon contenders Adelaide, who have surprised the competition with a 3-2 start to the season under second-year coach Matthew Nicks.

Adelaide has a strong nucleus of experienced, middle-aged players including Walker, captain Rory Sloane, Brodie Smith, Rory Laird, Paul Seedsman and Tom Lynch who have all been collecting their share of the football in the middle and made solid starts to 2021, all averaging above-average numbers, with Adelaide placed fourth for average clearances. It has however, been the young players who have most impressed.

First-year player James Rowe has injected a real spark in Adelaide's potent forward 50, scoring four goals from three games, a couple from tight angles and playing that classic small forward role. Specialising in crumbing the packs and sneaking out the back to set up other players. Ned McHenry (12 possessions ave), Sam Berry (five tackles ave) and Shane McAdam (11 goals) give Adelaide fans plenty to look forward to not only this year, but in the years to come.

The new man on the mark rule introduced this year has allowed a quicker-paced flow and allows the ball to spring from one end of the ground to the other at a typically more efficient and free-flowing rate and allows key forwards like Walker to run off their man and lead at the ball rather than

needing to take pack-marks, something Walker has had stifled in his game in previous years with slow ball movement. Above-average conversion rate of 61% goal kicking accuracy helps too.

This incredible start to the season sees emerging forwards Darcy Fogarty and Elliott Himmelberg without major game time early days in 2021.

Can forwards kick 100 goals anymore? The last two occasions were Hawthorn's Lance 'Buddy' Franklin (113) in 2008 and St. Kilda's Fraser Gehrig (103) in 2004. After their opening five rounds, they had scored 29 and 25 goals respectively... Tex has 22.

While it is certainly a long shot, if this form continues it may be possible.

Freeze or Fifty!!

There are several new rules or rule modification for this season The most significant of which is that the player on the mark can't move once the umpire calls stand, until the umpire then calls play on or it is a 50 metre penalty.

by
Matthew Anderson

Every year there are rule changes some appear as just being changed for the sake of making a change but really have no impact.

However, this latest rule change has really made an impact on the game. After round 1 and some of the 50m penalties paid it looked like a rule change that was ruining the game. It definitely sped up the game while the players and umpires were adjusting to the new rule but it didn't benefit the game it was having the opposite effect.

It could well be argued and probably rightly so that it is not a new rule it is really just the umpires now enforcing a rule that has always been there but very rarely enforced until this season.

The power full forward is once again a feature of the game and they have returned to having a significant impact.

The older full forwards such as Lance Franklin, Jack Riewold, Josh Kennedy and Taylor Walker who at the start of this season it would have been more than reasonable to expect that this could well be their last season, Now they may well be able to extend their careers to play on for at least another season.

The perfect example of how the rule speeds up the game, creates higher scoring and a better spectacle was clearly evident on Friday night when West Coast played Collingwood.

West Coast Eagles have had in previous seasons an imposing forward line. Now with the new player on the mark rule and them having all 3 of their power high flying power forwards in Kennedy, Darling and Allen playing they put on an entertaining spectacle as they crushed the Collingwood defence's. They clearly demonstrated how this new rule change benefits strong marking power forwards and with having the luxury of three in the one side they would have surely given all opposition defensive coaches nightmares on Friday night.

Has it increased the overall scoring from recent seasons? Well that is not really possible to tell as in 2020 the quarters were of reduced length and the interchange cap for that season and the previous season was 90. In 2021 the interchange cap has been reduced to 75. Reducing the amount of player rotations can potentially have an affect on player fatigue and the game scores making comparisons to previous years not really relevant.

There have been some good rule modifications over the past 10 years and some not so good changes such as the super sub rule which was thankfully deleted in 2016. However, this time with the "stand or it's 50 metres" rule it appears that the AFL has got it right. It not only makes it a more entertaining game to watch it genuinely appears to actually have improved the game itself. Hopefully this is one change that is here to stay and that with it the high flying, crowd drawing, stadium filling, full forwards remain a spectacular feature of the great game.

The Clemente Code

The return of the power forward?

The first five rounds of the season have seen more action occurring inside forward 50's, something all football enthusiasts wish to see. More footbolls are being slotted through the big sticks and the power forwards who patrol the forward 50's are doing the slotting. Increased forward action seen in the first five rounds begs a big question that the course of the season will answer. Is this the long-awaited return of the power forwards?

by
William Clemente

Further adjustments to the game rules made by the AFL, something that we have all been acclimatising to in the last few seasons. A significant rule change that was made by the officiators of our great game was the 'man on the mark'. This adjustment has created debate of much controversy as players must not deviate from the mark at all. Any form of movement from the mark will result in a 50-metre penalty; players are umpires are still adapting to this change. However, this change has strongly worked in favour for forwards.

The lack of movement on the mark enforces quicker movement of the football and it allows midfielders to effectively deliver to players on leads. The primary trait of a power forward is to provide strong leads and this rule change has granted them the service they have been desiring. The statistics of the season so far are showing that the presence of a power forward is strengthening, and this will come as a sign to the AFL that the man on the mark rule adjustment has worked a charm.

A pivotal statistic raising eyebrows is marks inside the forward 50. Carlton's emerging power forward Harry McKay is currently leading the competition with 22 marks inside 50 within the first five rounds, followed by Geelong spearhead, Tom Hawkins with 20. The increased forward 50 marking is attributed to the man on the mark rule change as the kickers are not pressured by the mark, allowing them to move quicker and select better options (to leads) rather than resorting to the long ball.

Contestant marking in congested packs is a challenge haunting power forwards who would much rather be fed the ball on a lead. Faster ball movement has resulted in the ball being delivered to them more conventionally, providing them more chances to convert.

A prime example is Adelaide veteran spearhead, Taylor 'Tex' Walker who currently leads the Coleman Medal (22 goals). The Texan is a forward who must be fed the ball on the lead; he is being provided the service as he is sixth in the competition in inside 50 marks (17) and 2020 saw Tex notch only 10 inside 50 marks. Walker's resurgence has been one of the stories of the season and highlights the return of dominance of power forwards.

Josh Bruce of the Western Bulldogs kicked 10 goals against North Melbourne in round three: a rare and remarkable feat in modern football. Along with Bruce's 10, McKay kicked seven and Walker kicked six. Round three proved to be a great haul for the big men in the forward line and everyone loves to see a bag. In 25 of the first 26 games of the season, the winning sides had more inside 50 marks. So far, 2021's match winning formula is to get on the correct side of the register in forward 50 marks.

The new season has so far shown that power forwards are making a steady return, and this is extremely exciting for all that love our game. We have so far seen contests of higher scoring and the power forward spearheads cashing in. Forwards are finally receiving the service, and all will have their eyes peeled on the Coleman Medal race. A significant rule change is allowing the power forwards with increased service and opportunity to convert. For the better of the AFL; the 2021 season could dawn the return of the autonomous power forward.

TEAM TALK with JORDAN

The revival of TEX

Taylor Walker, the man known as “Tex”. This season has seen the veteran key forward revitalise his career with 20 goals after just the first 4 rounds. Rewind the clock back to the end of last season and many were tipping that season 2021 was going to Walkers last as his spot in the team was going to be taken over by his successor Darcy Fogarty who was taken at pick 12 in the 2017 draft. Given the iconic number 32 worn by arguably the greatest ever Crows player Mark Ricciuto, Fogarty has been tipped as the Crows’ next big thing with Walker firmly looked at in the rear-view mirror as a has been player. Enter the 2020 off season and Tex hit pre-season training with a mission in mind, looking to make a stand that he is here to stay and won’t be squeezed out of the team by some plucky youngster. He returned this year looking leaner, more mobile and kicking with power and confidence and having a huge presence on the field as he started with a bang kicking 5 goals in a 12-point upset of last Grand Finalists Geelong. He then followed that up back-to-back 6 goal hauls in round’s 2 and 3 and a further 3 majors in the latest game. This is his best start to a season, and he is only the second player in 30 years to kick 5 or more goals in the first 3 rounds of a season after Jonathan Brown achieved back in 2010.

by
Jordan Sennett Perez

Many have pointed at the new “stand” rule change implemented at the start of the season which prevents the man on the mark from leaving his position to try and nullify the kickers next piece of play. This allows the ball carrier to play on more and break the oppositions line of defence therefore freeing up their forwards and playing to their advantage by hitting them with lead up kicks. This is where Walker is at his best because he never has been and never will be a high-flying crash and bash contested marker. He’s a leading forward in which he wants to ball straight out in front of him and benefits well from a well kicking midfield who know how to deliver the ball well. So far this season the Crows have done, and Tex has breathed new life into his career by doing so. The new “stand” rule change is by far not the only reason for Walker’s resurgence as his confidence is through the roof thus far, you can see it in the way he plays, he wants to be out there and not burdened with too many responsibilities that in his last years as captain he struggled to juggle. The burden of being the captain eventually took a toll on the power forward as in the 2018, 2019 and 2020 season’s his influence and performance were going downhill at a rapid rate. As the all-time Adelaide Crows leading goalkicker now he must’ve seen his career slipping right through his fingers as the rest of the footballing world did quite clearly. Whether it be a multitude of factors or just one simple rule change, Taylor “Tex” Walker is back and is not only leading the Coleman Medal thus far but is also leading the AFL Coaches votes too. This is one of the biggest stories of the year and it’ll only get better.

Berry Energizes Adelaide

Unexpected, amazing, are both accurate descriptions of Adelaide's start to the season.

There are several new faces in the team this year and none have been more impressive or instrumental in Adelaide's rise from the bottom of the table last season to a top 8 contender than Sam Berry.

Berry at only 19 from Gippsland Power made his Afl debut for Adelaide in round 1 and has gone from strength to strength. At the end of round 3 Berry was ranked fourth in the league in pressure acts, sixth for tackles and ninth for, pressure acts in defensive half. highly impressive for a first season player

Taylor Walker has had an incredible start to the season kicking more goals in the first three matches than the entire season last year. There is no doubting that he is a power house forward and a very accurate kick. However, a major reason for the impressive start to the season is he has been getting the ball delivered to him from the midfield a lot faster and better-quality delivery than in recent years. This is due to a large extent of the new look midfield which is a lot more efficient and effective than it has been for several years Berry has been a significant part of this with the pressure he applies to opposition midfielders and at every opportunity he is always looking for an attaching option and to move the ball quickly forward. This is a significant change from the Adelaide we have been used to seeing in recent times where they were overusing the ball in the midfield and as a first option, they would look for a sideways pass the majority of the time instead of looking up the field. Thus, allowing the opposition, a huge amount of time to get into their defensive positions and shut down avenues to goal. The new look Adelaide moves the ball forward quickly and allows Walker and McAdam first use of the ball and the result of this is obvious with Walker currently leading the Coleman Medal on twenty goals and McAdam in the ninth on the top goal scorers list for the season with ten goals

Sam Berry has added a new dimension to the Adelaide, through his speed and pressure he generates with his high tackle numbers he has created multiple turnovers and scoring opportunities. The fortunes of Adelaide have without any doubt turned around in this current season as with only four matches played, they have won three which equals the total amount of wins they had for 2020. Maybe Berry is the spark to re-ignite Adelaide to once again be a genuine finals contender.

THE DIVISION 1 Match Previews

Unley Mercedes Jets vs Payneham NU / 8.8-52 vs 13.13-91

Unley continued their poor start going down to Payneham by 39 points. Payneham started strong in the first quarter kicking 4 goals to Unleys 3 to hold a slender 8 point lead into the first break. The second quarter was much the same but Payneham started to turn on the gas kicking a further 4 goals and only conceding 2 in the second. After the main break it looked as if Unley were preparing a late steal as they clawed their way back into the competition but couldn't affect the scoreboard greatly, with both sides kicking 2 goals in the third. The final break came and went, and it was Payneham who came out strong winners in the end kicking 3 goals in the final term to secure their first victory of the season. L. Davis had a blinding goal up top for payneham bagging 6 goals, along side C. Bower who had a stunning game as well. L. Heaslip and R. Faehrmann putting in solid shifts for the home side in a disappointing loss.

Prince Alfred OC vs St Peters OC / 15.11 -101 vs 8.4-52

Prince Alfred came out with the same intensity they finished round 1 with and knocked of St Peters by 49 points. The battle of the OC's started out with both sides looking clinical as the sides could only be separated by 9 points at the first break in favour of the home side. PA seemed the better of the two sides in the second extending their lead to 16 points at the main break. St peter would have felt confident they could bring the deficit down in the third to make for a good ending, but it was PA who came out on fire kicking 6 goals for the quarter and extending their lead to 48 in the third. The game seemed to even out in the final term with both sides kicking 2 each for the game to finish in favour of the home side. J. Trengove and H. Jolly were great for the home side, while W. Montgomery and B. Coulson played well for the away side despite the loss.

Adelaide Uni vs Rostrevor OC / 11.9-75 vs 15.10-100

Rostrevor came out winners away from home to claim their second scalp of the year in Adelaide Uni. The home side failed to show up in the first quarter conceding 5 goals while only kicking the one major, going down by 22 at the first break. The second quarter was much the same with Rostrevor looking comfortable kicking a further 4 goals to go into the main break up by 26. The home side came out kicking and screaming in the third putting on a wonderful display kicking 4 goals to Rostrevor's 1 in the third the claw the deficit back to just 11 points at the final break. Unfortunately for the home side this was all in vain as Rostrevor ran out 25 point winners after kicking 5 majors in the last quarter. C. Holm and J. Jordan both put in great displays for the away side while B. Adams and W. MCGowan played well for the homeside.

Goodwood Saints vs Port District / 8.11-59 vs 5.12-42

Goodwood claimed their second win of the years running out winners against Port District. The game started slow for both sides with a scrappy first quarter leading to a slender lead of just 6 points at the first break. The home side seemed to step into gear in the second kicking 3 goals to extend their lead to 14 at the main break. The third seemed like the first, being very scrappy with the home side only kicking 1 major in the quarter yet extending their lead to 17 at the third break. The home side capped off the win with a further 2 goals in the final quarter to run out winners by 17 points. N. Favretto and N. Homburg were once again inspirational for the home side, while L. Greig and L. Sharrad played well enough to keep Port in the game.

Tea Tree Gully vs Brighton Bombers / 12.7-79 vs 16.18-114

Tea Tree Gully failed to secure their second big scalp of the year after going down to the Brighton Bombers by 35 points. Both teams started strongly in the first quarter, but it was Tea Tree Gully who looked the stronger side going into the first break, kicking 5 majors and securing a 10 point lead. The Bombers were back to business as usual in the second kicking 5 goals to Gully's 1, to lead at the main break by 16. The home side seemed to be gaining momentum in the third as they out scored the visitors to bring the deficit down to 14 at the final break. The final quarter showed the strength of the Bombers kicking 5 goals to see off a resilient Gully. B. Latham played a stellar game kicking 5 for the home side with J. Persinos and D. Schoenmakers putting in solid shifts as well. For the away side it was J. Miller, N. Osborn and H. Boyle putting in game winning efforts for the Bombers.

This week in Division 1

Brighton Bombers vs Payneham NU – Brighton Oval

Brighton play host Payneham next week in what looks to have the making of a cracking game. This is the chance for Brighton to gain some ground on worthy competitors and stamp their authority on the league early on. Payneham will look to build on their win from last week and take it the Bombers away from home, but the task will not be an easy one.

I see this game ending in a comfortable win for the home side by 20+ points.

Rostrevor OC vs Prince Alfred OC – Cambelltown Memorial Oval

Rostrevor host PA at home this week in yet again another match that has the goods. Both teams coming off big wins and not shy of kicking goals both securing 100+ points last week. With both sides undefeated, we can look forward to this clash of titans as a benchmark for either side to show they mean business. Being at home Rostrevor will look to hold fortress and press forward against a strong PA side coming off 2 convincing wins.

For me it will be Rostrevor running away slight winners by 13 points.

St Peter's OC vs Goodwood Saints – Caterer Oval

St Peter will look to bounce back after a disappointing performance last week against PA, but they host strong competition in the likes of the Saints who are coming off a second straight win against good opponents. This game has the makings of an upset with St Peter seeming strong at home so far this year, although the Saints have also played well away from home this season. Big game for both sides with St Peter's trying to stay afloat with the big boys, first you must beat the big boys. **I see the Saints running out clear winners by 20+ points.**

Port District vs Tea Tree Gully – Largs Reserve

Tea Tree Gully shouldn't feel disappointed after a solid performance against a good side in the Bombers and will look to improve further on that form against a shaky Port who went down to the Saints last weekend, however a big improvement on round 1 Port will need to be at their best to beat Tea Tree Gully.

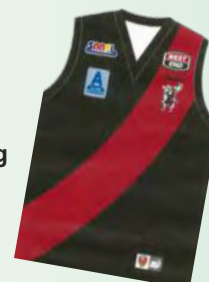

I believe Gullies will run away slight winners by 11 points.

Adelaide Uni vs Unley Mercedes Jets – University Oval

This game could end up the game of the round as both teams are looking to bounce back after 2 disappointing losses to decent sides. Adelaide Uni started late last week against Rostrevor but showed great signs as they managed claw themselves back into what seemed like a lost cause while Unley have struggled to make any impact this year going down convincingly both times this season.

For me I see Adelaide Uni running away comfortable winners by 15+.

THE DIVISION 2

Match Previews

Lachy Jones
gives his match
previews for this
weeks matches

Henley 13.14 (92) def Athelstone 4.8 (32)

After a valiant fightback last week, Henley carried the momentum through to this week's clash with Athelstone, dominating from start to finish to win by ten goals in a statement game. Tom Pillion booted five goals for the home side, who are off to a dream start to their 2021 campaign, and Liam Martin was best afield for the victors. Athelstone, who were good in their win last week, could not get going, held to just two majors at three quarter time before a mini burst saw them finish with four goals for the match. Daniel Cluse was the best player amongst the poor performing Raggies, who will look to bounce back next week.

Old Ignatians 13.10 (88) def Broadview 10.16 (76)

As the saying goes, 'bad kicking is bad football', and it was the inaccuracy that cost the visiting Broadview an upset road win against the Old Ignatians on Saturday. With Broadview coming into this game off a win, they were always going to test the home side. They had more scoring shots than Old Ignatians, so if they had kicked straight, they might have stolen a win on the road. Leading at all changes, Old Ignatians were desperate to not let a lead slip after last week, and they held on by two goals to move to 1-1 on the season. Four players kicked multiple goals for the victors, while James Kennedy was best afield. Benjamin Yeomans kicked two and was Broadview's best.

Sacred Heart 9.6 (60) def Seaton 8.5 (53)

In the most tightly contested game of the year so far, Sacred Heart escaped with a seven-point win over the Seaton Ramblers on Saturday. They were one goal each at the first change, four goals each at the main break, and seven goals each at three quarter time, setting up an epic final quarter, and it was Sacred Heart who performed better under pressure. Seaton, who were smashed by Glenunga last week, were much better this week, making a contest out of it and almost winning on the road, but it was the home side who avenged their loss last week to get their season back on track. Hamish Dunkin led Sacred Heart with a five-goal performance, while Oscar Lovelock, Joseph Gluyas and Henry McAuliffe split two goals each. Brett Harland did his best to will his side to victory, pacing Seaton with four goals of his own.

Salisbury North 9.9 (63) def by Plympton High & Camden 13.10 (88)

Plympton High & Camden moved to 2-0 on Saturday, winning on the road by four goals in a game that was close until the last quarter. The home side, Salisbury North, led at half time by three points and were within nine points at three quarter time, but the wheels fell off in a dismal final quarter that saw the Phantoms kick away to win comfortably. The Hawks move to 0-2 and need to find a win fast before their season slips away from them, while Plympton High & Camden sit equal top after two rounds. Declan Grant followed up his best on ground performance last week with a three-goal effort for the winning side, while Jack Hoad claimed best-on-ground honours for the Phantoms. For Salisbury North, it was Jake Burrows who was their best for a second-straight week, while Matthew Sharpe kicked three.

Glenunga 9.13 (67) def Scotch 6.12 (48)

Glenunga held strong to keep their unbeaten season alive, taking care of Scotch at home to move to 2-0, equal top. Scotch, who were beaten badly by Athelstone last

week, put up more of a fight this week against the red-hot Rams, but were not good enough on the road to take away the win. In an inaccurate display of kicking for goal, there was only a goal between the two sides at half time, but a goal-less third term hindered the visiting side's chances drastically, and they couldn't fully recover. D'Arcy Mitchell took home the five votes for the victors, who look like the form team of the competition after two rounds, while Peter Rolfe (3 goals, 5 votes) did all he could for Scotch.

This week in Division 2

After two rounds, the competition sits evenly skewed, with a couple unbeaten teams leading the pack. Round 3 could make or break some team's seasons, with a couple vital matchups on offer this week.

Broadview host Athelstone, in what should be a great game of footy. Both sides sit at 1-1, so a win here is huge for both clubs heading forward. While it doesn't seem like it, that one game difference from 2-1 to 1-2 can be massive for momentum, so there is all to play for on Saturday. I think Broadview will win at home in a close game, as even in a loss last week they looked solid, just inaccurate kicking was their only woe.

Old Ignatians (1-1) travel to Plympton High & Camden (2-0) for what seems like another great contest. If it wasn't for a second-half collapse in round 1, Old Ignatians could easily be 2-0, so they will still be full of confidence, especially after their win at home against Broadview last week. Plympton High & Camden have looked very good through two rounds though, and I think they will continue that form in another win this week, setting up their season for a finals' run early at 3-0.

Henley host once again this week, with Scotch the team in town. Unbeaten so far, the Sharks have looked like one of the best teams in the division, while Scotch have been up-and-down in their two losses. Henley should hold strong at home again, pushing them to 3-0 and leaving Scotch staring down the barrel at 0-3. However, it seems as though Scotch are trending up, so this might be closer than what we first interpret.

Seaton will be looking for their first win this week after starting the season 0-2, but after their vast improvement from round 1 to 2, a win could be just around the corner. If there was any week to record your first win, this is the week to do it, against a lowly Salisbury North who are also winless to start 2021. This will be a test of who wants it more, and one team will come out of this game with some newfound momentum, albeit a draw. I can't pick a winner here, as both sides have showed positives but also lots of negatives, so it could go either way.

The final matchup should be a good contest as well, with Glenunga looking to continue their hot streak on the road against a Sacred Heart outfit that kickstarted their year last week with a narrow win against Seaton. Their round 1 loss was only by two goals, so it has been a close contest both weeks, showing promise that this could also be a close encounter at home. However, Glenunga haven't taken a wrong step yet and will be looking to stay unbeaten, and I think they will do just that on the road this week, but it won't be as big a win as they have had previously.

THE DIVISION 3 Match Previews

North Haven v. Westminster OS

North Haven, led by star off-season recruit, Jack Foster – eight goals - were too strong for Westminster, grabbing a convincing 59-point victory, triumphing, 20.13 133 to 11.8 74 at Glandore Oval. Foster, who kicked three goals in the opening round, adds to his tally and now has 11 majors in the first 2 rounds of the season. Another star off-season recruit in Alexander Stidiford was influential in the Magpies victory. The home side, who were led by Aaron Fielke (four goals) and Riley Drum (two goals), were just no match for a strong North Haven outfit who registered their second victory of the season and are looking like a premiership threat currently sitting in 2nd place only behind Flinders Park on percentage.

CBC Old Collegians v. Edwardstown

East Parklands was the venue for the Round 2 Division 3 matchup between Christian Brothers College Old Collegians and Edwardstown. The 'Towns' picked up the victory on the road kicking 12.10 82 to 6.10 46, winning by 36 points. George Cornish and Harry Parker booted 3 goals each for Edwardstown and Cameron Forbes was amongst the team's best players afield on Saturday and for the home side, the Raymond brothers, Matt, and Sam, combined for 3 of the team's 6 goals.

Golden Grove v. Plympton

The reigning premier of Division 3, Golden Grove, played host to Plympton when the two teams met at Harpers Field over the weekend. After a tight opening term, which saw Golden Grove take a 5.2 32 to 4.4 28, 4 point advantage to quarter time. That was as close as Plympton would get as the reigning premier held the Bulldogs to 1 goal in the second quarter, whilst kicking 4 of their own to lead by 22 points at the main break. Thomas Tacono booted 5 goals for Golden Grove who went on to win 14.16 100 to 9.11 65 defeating Plympton by 35 points. Tacono was well supported by Josh Habel and Jake Pitman. For the Bulldogs Jack Donkersley kicked 3 goals, while Brodie Mcleod and Kieran Nelson toiled hard in the defeat.

Modbury v. Flinders Park

Modbury, who after some inaccurate kicking in front of goal last week fell just short to Edwardstown, were looking to for a win at home against last week's big winners Flinders Park. After leading by a single point at quarter-time and then heading into halftime locked at 5 goals apiece, Modbury looked in with a chance to register their first victory of the season. However, Flinders Park had other ideas and managed to hold the Hawks to only 2 goals in the 2nd half on their way to an impressive 31 point victory away from home 12.11 83 to 7.10 52. With the win, Flinders Park are sitting pretty and comfortably on top of the table. What would be pleasing for Coach Luke Ivens is the defensive effort of his team who have only concede a total of 66 points in the first two weeks, whilst scoring 316 points. Best on ground for Flinders Park over the weekend was Daniel Blythe who kicked 4 goals. Honourable mentions to James Schwarz and Izak Richards. For Modbury, in the defeat, they were led by Daniel Kaipara and Christopher Tidswell.

Portland v. Gaza

Portland's struggling start to the season in their return to the SAAFL continued as for the second consecutive week they were handed a thrashing, this time at the hands of Gaza. Jackson Elmes booted 9 goals for the Eagles as they easily took care of the Thunder in the 31.21 207 to 2.2 14 decimation at Port Reserve. The game was well and truly over when the Eagles kicked 8 goals to zero in the first quarter to lead by 52 points at the first break. The goals didn't stop there however, as Gaza kicked a further 9 goals in the 2nd to extend to lead to 103 points at the main break. Portland in back-to-back games have twice kicked 2 goals and are currently sitting dead last with a for and against of 28 to 440 and a percentage of just under 6%. Gaza kicked 9.18 in the Round 1 loss to reigning premier Golden Grove and turned it around big time this week kicking 31.21. Dylan Cranwell and Tyson Friend were the two main standouts for the Thunder.

This week in Division 3

North Haven v. Plympton

North Haven return home to Largs North Reserve to take on Plympton. The Magpies are coming off back-to-back wins over CBC Old Collegians and Westminster OS whilst Plympton went down at home by 35 points against reigning premier Golden Grove last weekend. North Haven will be looking to continue their strong start to the campaign with another victory, whilst Plympton will be looking to register their first victory of the season. If the Bulldogs are to have any chance of causing an early season boil-over, they need to find a way to stop star Magpie's recruit, Jack Foster, who has 11 goals after 2 rounds. With North Haven being at home and in front of the home crowd, the 'Pies will notch up another big victory. **North Haven by 50 points.**

Portland v. Golden Grove

Port Reserve is the venue for the Round 3 clash between reigning premier Golden Grove and Portland Thunder. Portland are coming off of back-to-back thrashings in which they have conceded 200+ points against Flinders Park and Gaza (239 and 207 respectively), whilst struggling to register a meaningful score. Last year's premiers Golden Grove showed signs last week that they are still side to beat in 2021 and will be aiming to remain undefeated after 3 rounds with a win over the bruised and battered Thunder. Everything suggest another tough Saturday for the under sieged Portland, expect Golden Grove to win this one comfortably.

Golden Grove by 100 points.

Gaza v. Modbury

Modbury will be looking to collect their first victory of the season when they travel to Klemzig Oval to face 5th placed Gaza. Gaza, who are coming off a massive 193 point demolition of Portland, will be looking to get their second consecutive victory when they face the 0-2 Hawks. The Hawks, are coming off a 31 point defeat to Flinders Park, in a match which was basically even steven up until halftime. Modbury were only able to kick 2 goals in the third and fourth quarters combined and will be looking to score more goals especially in the second half if they are any chance to record win number 1. Gaza on the other hand, will be looking to keep Modbury winless and go 2 and 1 and establish themselves in the top 5. Expect this to be a cracking game of good quality football between two sides looking to get their season going. **Gaza by 6 points.**

Flinders Park v. CBC Old Collegians

Flinders Park Oval will be the venue for Flinders Park and CBC Old Collegians when the two teams face off against each other in Round 3. Flinders Park enter the round as the highest scoring team of the competition thus far, having scored 316 points. It took Flinders Park till after half time in their game against Modbury to kick away and win the game and they will need a four quarter effort to ensure a victory against the Old Collegians. CBC are coming off a 36 point defeat at the hands of Edwardstown in Round 2 and will need to find a way to kick more goals if they hope to register its first victory of the season. For Flinders Park, they will be looking to continue their impressive, strong, undefeated start the season and stay on top of the ladder with a 3-0 win/loss record. Expect this to be a one-sided affair. **Flinders Park by 70 points.**

Edwardstown v. Westminster OS

The final game of the round sees Edwardstown, and Westminster meet face-to-face at Edwardstown Oval. The Westminster Dragons will be looking to get back on the winners list after going down to North Haven by 10 goals at home last weekend, after registering a win in week 1 against Plympton. Edwardstown, who were victorious by 6 goals at CBC Old Collegians last week, will be looking to continue their strong form and will be looking to stay undefeated. Westminster kicked 14 goals and 11 goals respectively and Edwardstown kicked 14 goals and 12 respectively, so expect this to be a high scoring contest that should see a lot of goals kicked from both parties. This could go either way but with Edwardstown currently sitting at 2-0 and with this being played at Edwardstown Oval, it gives them the much-needed home-field advantage. **Edwardstown by 12 points.**

Match Previews

Angus Heuer gives his match previews for this weeks matches

Mitcham v Gepps Cross.

Mitcham have recorded their first win of the 2021 season, bouncing back from last week's defeat with a stirring 55-point win over Gepps Cross, in front of their home fans at Thomas Farms Oval. The contest was a tight one for the first three quarters with Mitcham holding just a three-goal lead at the final change, before a stunning six goal to zero final quarter secured the Hawks first two points of the season. For the victors Maxwell Smyth once again hit the scoreboard, kicking five majors while Alexander Gillet provided great support with three goals of his own. Henry Wood also stood out in the win, while both Reece and Darcy Lilliecrapp were also amongst the Hawks best. For the Rams Ashley Dolling and Crows development player Lachlan Matthews kicked two goals apiece and Jack Wood battled valiantly in the loss. Both sides now sit at 1-1 and hope to push into the top five with victories in round three.

Kilburn v Walkerville.

Walkerville have once again put the competition on notice with a comprehensive 83-point victory on the road against Kilburn. Adam Proud put on an incredible display of individual brilliance, kicking ten goals as the Cats were barely challenged, leading by 47 points at the main break and 83 points at three quarter time before Kilburn finally showed some fight in the final term, managing to match the Cats in a resurgence that came far too late. While Adam Proud headlined the Walkerville victory, Sean Kuerschner managed three majors and Paul Spillios and Jake Ryan also stood out in a win that cements the Cats as early season premiership favourites. For Kilburn Raymond Hedland kicked five while Josef Rack also tried his heart out in the loss. Next week Walkerville will face Pembroke in the battle of the undefeated teams while Kilburn will travel to Gepps Cross in desperate need of their first victory of the year.

Pembroke OS v Woodville South.

Woodville South have slumped to the bottom of the division 4 table, suffering their second consecutive loss, this time a 76-point thumping at the hands of Pembroke OS. On the road, Pembroke got off to a good start, leading by 19 points at quarter time before a seven goal to two second term split the game open, giving the Kings a 51 -point halftime lead and setting up a percentage boosting victory. Alex Forster cemented his spot as the competitions spearhead, backing up his nine goals last week with an outstanding ten goal performance. Ben Williams also managed three majors and Max Read put on an incredible performance for the Kings. For the home side, Cameron Bell was the only multiple goal scorer with two majors and Jarrad Brusnahan stood out in a loss that will no doubt leave many Woodville supporters concerned about their start to the season and how they will fare in another tough matchup against SMOSH coming up this weekend. On the other hand, Pembroke will travel to Walkerville brimming with confidence and ready to test themselves against another team that is in red hot form.

SMOSH West Lakes v Morphettville Park.

SMOSH West Lakes have bounced back from last weeks loss in emphatic fashion, bringing Morphettville Park back down to earth with 51-point victory in front of their home fans at St Michaels College. The Lions were ferocious early, recording fourteen scoring shots to one in the first term. The Lions were inaccurate, kicking 4.10 but the bulk of scoring shots still meant they went into the quarter time huddle with a 28-point lead. The Roos managed to stay competitive in the second term but a strong third term from the Lions put the lead out too 39 points. Accuracy again riddled SMOSH in the final term, kicking 2.7 but Morphettville, missing key forward Matthew Duldig were simply unable to generate enough scoring opportunities to mount any sort of comeback, a stark contrast to the 41 scoring shots they were able to produce in round one. Adam Mahney starred for the home side, gathering plenty

of the ball while on his way to his second consecutive BOG performance. Cohen Mattner kicked seven goals and Morgan Cocks two in a side that was riddled with inaccuracy. For the visitors Benjamin McConnel and Cory Gregson were strong in defeat while Edward Doak was the sides only multiple goal scorer with two majors.

Hope Valley v Pulteney.

Hope Valley have put the disappointment of last week behind them, dominating the second half on the way to 57-point win over Pulteney at Hope Valley Oval. The Rams opened up the game early, kicking five goals to two in the first term to take a 22-point lead into the huddle before the Blues flipped the script in the second, kicking five goals of their own to cut the margin back down to two points at the main break. The Rams then proceeded to dominate the second half, kicking eleven goals to three and securing a crucial percentage boost that has lifted the Rams into fourth place on the table. Ben Carabott once again starred, this time with six goals while Machok Garong booted four and William Riddle starred in the crucial victory. For the Blues Tony Squiers performed well while Tyson Currie was clearly best afield for the away side, kicking five majors and being the only multiple goal scorer for a side that was clearly missing the attack presence of goalkicker Tyson Rundle. Both sides now sit at one win and one loss apiece and will both look to add to their win columns against Morphettville Park and Mitcham, two sides that also have 1-1 records.

This week in Division 4

Walkerville v Pembroke OS.

Pembroke OS travel to Walkerville Recreation Ground in a matchup that headlines round three, a battle between the only two undefeated teams in Division Four. Both sides will be relying on their spearheads with Adam Proud kicking 13 goals for the Cats over the first two rounds and Alex Forster leading the competition's goal kicking tally with 19 majors for the Kings. I expect this be a tight contest with the home ground advantage and multiple goal kicking avenues being just enough for Walkerville to get over the line. **Walkerville by 13 points.**

Woodville South v SMOSH West Lakes.

Woodville South will be desperate for their first win of the year but know it won't come easy as they host a SMOSH West Lakes team coming off of a strong victory against Morphettville Park. Woodville have struggled to show any sign of life this year and I expect this too continue as they continue their stay at the bottom of the ladder. **SMOSH West Lakes by 41 points.**

Morphettville Park v Hope Valley.

Morphettville Park will hope to bounce back from their disappointing loss when they host Hope Valley at Kellett Reserve. The Demons have been consistent in both their games this year, with the win against Pulteney showing what this team is capable of at its best. I expect this winning form to continue in what should be a tightly fought contest. **Hope Valley by 9 points.**

Pulteney v Mitcham.

Mitcham will hope to record their second win of the year as they travel to Morgan Oval to face Pulteney. The Blues were competitive for the first half of their matchup against Hope Valley but were badly beaten in the second half. Mitcham, on the other hand dominated the second half of their matchup, pulling away from Gepps Cross on their way to victory. I expect this to be a first half arm wrestle before the Hawks are able to pull away late. **Mitcham by 23 points.**

Gepps Cross v Kilburn.

Gepps Cross and Kilburn will both look to put last weeks losses behind them as they face off at Duncan Fraser Reserve. The Rams were competitive for a half before fading against Mitcham while Kilburn were uncompetitive after quarter time against a strong Walkerville outfit. Kilburn will be desperate to record their first two points of the season, but I predict the Rams will run out winners in convincing fashion. **Gepps Cross by 33 points.**

West Croydon v Colonel Light Gardens

Colonel Light Gardens continued their early run of form against West Croydon at Fawk Reserve on the weekend, pulling off a 32-point win. The match was a close contest up until three-quarter-time, as the Lions took a two-point lead into the break. A five-goal last term from Colonel Light Gardens saw them surge ahead and take control of the game. Colonel Light Gardens' efficiency in front of goal was far superior and proved to be the difference between the two sides. West Croydon's defence appeared to struggle once again, conceding 111-points, as Colonel Light Gardens' H. Westhoff booted seven. Westhoff's display was the best on the day, with C. Beaty continuing his impressive run of form for the Lions. A. Deng and L. Milera fought hard for the Hawks however, were unable to will West Croydon to their first win of the season.

Fitzroy v Hectorville

Hectorville climbed to the top of the ladder after a 30-point victory over Fitzroy at Fitzroy Sports Club. The loss sees Fitzroy sink to the bottom of the ladder after an 0-2 start. A high scoring first quarter saw Hectorville nurse a one goal lead at the first break. Fitzroy kept within closing distance throughout the second and third quarters, trailing by just seven at half time and four at three quarter time. Fitzroy's ability to hit the scoreboard up until three quarter time was impressive, registering 18 scoring shots to Hectorville's 12. However, their inability to take their chances was what cost them the win, as Hectorville ran away with the game in the fourth, putting on five goals compared to Fitzroy's one. L. Broadbent and J. Goudman-Glasson carried their imposing form from Round 1, with Goudman-Glasson kicking four in the victory. Z. Stephenson had the most outstanding game, kicking four and collecting plenty of leather. W. Mackinnon and M. Wiese were Fitzroy's standouts, along with J. Beveridge who managed three goals.

Salisbury v Lockleys

Salisbury won their season opener against Lockleys in one-point thriller at Salisbury Oval. The loss sees Lockleys slip to 0-2, in what has been a disappointing start to the season for the reigning premiers. Either team was able to take control early on, as Lockleys took a five-point lead into the quarter-time huddle. Both teams continued to battle away, with Salisbury failing to cut-down the five-point margin in the second quarter. An inefficient third quarter proved to be Lockleys' downfall, kicking 2.6, taking a two-point lead into the final break. Salisbury stacked on the pressure in the last, stealing a slender lead after a two-goal surge from R. Decrea. Lockleys only managed 1.4 for the final term, allowing Salisbury to take the game away from them. R. Nicholson and L. Shirley carried the Magpies home, with Shirley kicking two. S. Ascoli was a major contributor for the Demons, alongside C. Mickan who kicked three.

Kenilworth v Pooraka

Pooraka remain undefeated after a 37-point win against fellow Round 1 winners Kenilworth at Simonds Park. Defences held strong in a tightly contested first

quarter, as both teams struggled to hit the scoreboard. The second quarter was much the same, with the Kookaburras taking a four-point lead into the main break. Pooraka came out of the half-time break locked-in, putting on seven goals for just two behinds after a wayward first half in front of goal. L. Buckby spearheaded the momentum shift, kicking two of his six at the beginning of the second half. Pooraka continued their second half dominance, piling on six goals in the final quarter to run out as comfortable victors. L. Timpano and M. Mercer were amongst Pooraka's best, while it was S. Scott and N. Chesser who led the way for Kenilworth.

This week in Division 5

Eastern Park v Lockleys

Lockleys will travel to Playford on Saturday looking for their first win of the season against Eastern Park at Dwight Reserve. Eastern Park come off a one-week break also searching for a first win of the season. Lockleys were determined against Salisbury but kicked themselves out of the game. Eastern Park should capitalise on this Lockleys slump as they simply seem the fresher side. **Eastern Park by 22 points.**

Salisbury v Hectorville

Salisbury's nail-biting win over Lockleys was a good way to start the season however, I'm not convinced that it was an impressive win. Hectorville sit atop of the ladder and loom as the most in-form team of the competition. The Hounds have shown they can run out the full four quarters, scoring bunches in the fourth quarter in both of their matches this year. Hectorville are an imposing team who Salisbury will struggle to overcome. **Hectorville by 25 points.**

West Croydon v Fitzroy

Fitzroy go into their third match of the season with far more impressive form than what they did for Round 2. West Croydon will look to improve their defence and goal-kicking, as it seemed to cost them the match against Colonel Light Gardens. Fitzroy appear to have more momentum coming into this game and I think this should carry them to their first of the win of the season. **Fitzroy by 14 points.**

Colonel Light Gardens v Kenilworth

Colonel Light Gardens will host Kenilworth at Streetfleet Park in an ANZAC Day clash on Sunday. Kenilworth will be looking to string together a consistent four quarter performance, after a second half lapse last week. The undefeated Colonel Light Gardens have shown how quickly they can take the game away from their opponents and I expect this to be a factor in their clash against Kenilworth. **Colonel Light Gardens by 25 points.**

Lachlan Dand gives his match previews for this weeks matches

THE DIVISION 6 Match Previews

Elizabeth v Blackfriars OS

In a result that nobody saw coming, Elizabeth have stunned Blackfriars at home with a 75 point victory in a match in wish they were dominant in from start to finish. The Eagles led at every break throughout the game, and it was party time in the final term where they kicked seven goals to one in front of a loud home crowd at Argana Park. Jhye McConnell set the tone for the home side with a dominant midfield performance, while Jake Reynolds was also very classy. Jacob Shephard was terrific up forward kicking six and was followed by Hegarty and Braden Owen who each bagged three majors. For the visitors, Loui Loprete was valiant in the loss and did not lower his colours with a best on ground performance and even hitting the scoreboard. However, after 7 goal hauls from Honson & Richardson in round one, neither managed to kick a goal. Next week, the Eagles should improve to 3 and zip, while Blackfriars will be training hard for their game against flag favourites St. Pauls.

Ingle Farm v Marion

Marion have come away with a gutsy 22-point victory against Ingle Farm at Rowe park who have unfortunately stated the season with back to back losses. The rams burst out of the blocks to take a 41-point lead into the opening break, and from there Ingle Farm struggled to work their way back into the contest. Timothy Stewart was sensational for the visiting side, claiming best on ground, along with four goals. While former AFL player Terry Milera also proved his worth also kicking four goals. Hudson Elkins also continued his strong form with a good performance. For the Bulldogs, Michael Wheaton was terrific up forward kicking three and was supported by Cody Catchpole who continued a fine start to the year. Marion face a tough assignment against Trinity next week, while Ingle Farm will be on the road for the first time this season to take on Para Hills at The Paddocks.

St Pauls OS v Para Hills

St. Pauls have begun the season with back-to-back wins on the back of a 49-point victory against the Kangaroos on Saturday afternoon in a game where they were rarely challenged. St Pauls were heavy favourites coming into the game, although Para Hills were very valiant in the first quarter with just a 15-point margin. However, a six goal to two second quarter set the game up. Benjamin Lennon was outstanding up forward where he slotted seven goals in his first game of the season & was supported by Thomas Schlicker who also booted four. David Kambach was very good for the home side in a best on ground performance. Riley Henriks continued his brilliant form of the previous week, claiming second best, while kicking another goal. For the visitors, Daniel Weetra provided a strong target up forward, kicking three while Stephen Willment backed up his four from the

previous week with 2. Aaron Mendrin was best on for the visitors & was supported by Dylan Veprek. Next week Para Hills face Ingle Farm back at home, while St. Pauls take on the Hounds.

Trinity OS v Rosewater

Following a round one bye, Trinity have kicked off their season with a 62 point victory at home against Rosewater, where they lead the game from start to finish. Trinity led by 26 at the first break before a seven goal to two quarter in the third term from the Lions helped them carry a 52 point lead into the final quarter, where they cruised to victory. Dylan Crouch was fantastic all day for the home side in which he gathered all the votes with Harry Tuck claiming second best along with a goal. Domenico Barilla kicked four goals and was strong up forward all day with Liam Edwards and Josh Ebbs also kicking three apiece. Rosewater veteran, James Deeley-Godfrey continued his strong start to the season, gathering all the votes, while Noah Murphy followed suit. Hugh Johnson-Schroeder also played very well for the visitors kicking four goals, while Cameron Carbine kicked three in his first game of the season. Rosewater will enjoy the week off next week while Trinity will face a tough assignment against Marion on the road.

This week in Division 6

Elizabeth v Mawson Lakes

The Eagles are heavy favourites to win their third game straight at Argana Park against Mawson Lakes who will be fresh off the bye. After a twenty-goal loss in round one to Blackfriars, who Elizabeth made light work of last weekend. It should be an easy win for the high-flying Elizabeth.

Prediction: Elizabeth by 103 points.

Blackfriars OS v St Pauls OS

In what should be the match of the round at St. Dominics Oval, many are touting a grand final preview between Blackfriars and St. Pauls. Blackfriars had a dominant win in round one, however had a poor loss last week, while St. Pauls will face their first real test of the season after a terrific start to the year. **Prediction: St. Pauls by 23 points.**

Marion v Trinity OS

This week at Sturt Oval, an enthralling counter between Marion & Trinity is on the cards after both sides had strong round 2 wins with key players hitting form for both clubs. It will be a significant midfield battle as both sides pride themselves on that area of their game. The game should be an absolute thriller and it should be a big crowd in attendance.

Prediction: Marion by 10 points.

Para Hills v Ingle Farm

Both sides will be looking for their first win of the season after poor starts to the year. Ingle Farm are on the road for the first time this season when they take on Para Hills who will also be looking for their first win of the season after some tough matchups at the beginning of the year.

Prediction: Para Hills by 11 points.

DON'T TAKE OUR WORD FOR IT... HERE'S WHAT OUR CUSTOMERS HAVE TO SAY!

I've used many fish oil additives in my burley mixes over the years and this one is the best by far. Irrespective of tide movement or bite times it stimulates the fish into a feeding frenzy and provides a superior catch in record time, every time. Can't recommend these products enough - I'm truly impressed!

PETER C., SOUTH AUSTRALIA

This little oil is liquid gold! Since changing from tuna oil I've been catching more and I use it for everything now, hooks, reels, sinkers & my boat trailer. **ALEX M., QUEENSLAND**

We had great results over the 2 days we bagged out on whiting on both boats on day one but also caught Travally sweep salmon and Squid which were our target species. Day 2 was a dodge tide so not best conditions for fishing, but we did get whiting and more squid on that day. We did a test and between 2 boats over same reef structure one used the oil the other didn't and both had their own berley stream and the boat using the oil in the berley and bait did get more fish in far shorter time. Great weekend lots of fish and we all say Thank you! **ANTHONY & THE BOYS, PT. VIC**

Just had a nice trip away, garfish went nuts using the oil, we cleaned up. Quite impressive we had them swimming around our legs using the oil they were quite keen on it! **SHANE, FISHINGSA MAGAZINE**

Wayne Den Engelse gives his match previews for this weeks matches

THE DIVISION 7 Match Previews

Brahma Lodge vs Central United

Round Two was always an intriguing round on paper with only 2/4 predictions for me sadly and lived up to its hype at Brahma Lodge oval on Saturday. Central United's experienced solid bodies started the first half brilliantly through first use from Adrian Mark in ruck and some individual brilliance up forward from Tommy Hamilton which gave them a 4-goal lead at half time. Brahma Lodge's mosquito fleet went to work in the 3rd quarter and Joshua Weetra kicked 2 goals to fire the tigers up and reduce the margin to just 4 points at 3 quarter time. The last quarter was all the bulldogs capitalising on their forward opportunities in an entertaining game against a gallant and wounded reigning Premiers side on their home deck and a win the bulldogs can take confidence from into season 2021. Bulldogs by 29 pts and a shame to see a game marred by injuries late for both sides.

OSB Lonsdale vs Flinders University

Flinders University played their first game of season 2021 on Saturday down the road at Morphett Vale and recorded a confidence building win by 67 pts. Flinders peppered the goals early and finally got some reward late in 1st quarter through their forwards to gain control of the contest with dominance across the ground in the air. First look at Flinders and they played an impressive hard running and tackling style worthy of taking notice for all other clubs in season 2021. OSB Lonsdale on the other hand had no luck with injuries to key forwards now in first 2 games and will need to find a more direct style to goal as at times on Saturday overused the ball causing turnovers. The Lions battled away but Flinders aerial strength was too good.

Mitchell Park vs Houghton

Two unbeaten teams from round one faced each other around the renovations at Mitchell Park reserve Saturday. The 1st half was an entertaining battle with goals back and forth and scores 1 point apart at half time. The 2nd half however was a different story with Houghton outscoring the Lions by 9 goals to run out 55 pt winners through 4 goals and a best on ground performance from Cameron Thompson. The Raiders persistence and ball use forward of centre were instrumental in the victory and now sit 2-0 and would be optimistic of season 2021 ahead. Mitchell Park showed for a half they can more than match Houghton but after half time lost structure around centre clearances and turnovers cost them on the rebound. Good contest for a half.

Adelaide Lutheran vs Greenacres

Two teams coming off round one losses faced an important contest to get their seasons back on track Saturday in the city in almost perfect conditions for football. Greenacres would've been hoping for more luck in the first qtr. than losing 2 key players but adjusted nicely to go in at half time leading by 16 pts. The Dragons better ball use throughout the 3rd qtr. from the likes of Stanbridge, Merrit, Eisner and Copley in ruck began their midfield dominance while Lutheran wasted the ball going forward giving Greenacres a 5 goal lead with a qtr. to go. It was a similar story in the last with the dragons running out winners by 56 pts. Greenacres getting their first win in season 2021 with better poise than Lutheran with the ball.

This week in Division 7

Greenacres vs Houghton

Div. 7 is proving very competitive and week after week games of interest are slowly shaping the look of where teams lie and this week is no different with 2 teams coming off big wins last week and striving to prove they are ahead of the pack early in season 2021. Greenacres first two weeks have shown they're around the mark in 2021 with some handy additions and have some good ball users with footy smarts and some talented forwards in Newchurch, Gibson, Rogan and Howcroft should Houghton allow them time and enough forward entries that group is more than capable of kicking a winning score. The Raiders strength the first 2 weeks has been the pressure on the ball carrier and midfielders Thompson, Brooks, Hall and Sparks have been instrumental in that category. Whichever team that handles the pressure for longer will come out victorious in this contest and I lean towards Houghton in a 50/50 game but the Dragons won't give up with ease. **Houghton 1-12**

Flinders University vs Brahma Lodge

Another matchup capable of being match of the round this game will be more than competitive I would think going on scores last week. Flinders travelled to Lonsdale and showed their Recent acquisitions in the off season Will also make them another team competitive this season. Flinders' falls dominated the contest and across half back with Douglas Hudson best on ground last week and forwards Bradshaw and Matthews also looked dangerous. Brahma Lodge would be snarling at last week's results to rivals the Bulldogs and will need to fill some gaps from a long injury list from last week leaving them with 17 in last qtr. Leg pace on the ground so far seems to be their notable strength and they will try bring the ball to ground and use this asset. Tough battle but I'm not writing off the tigers on last week. Their depth will be tested this week against a solid flinders line up. Nail biter but that suits the Tigers.

Brahma Lodge 1-12

Hackham vs OSB Lonsdale

Both winless teams face off this week in a southern suburbs rivalry contest. Hackham found Mitchell Park too good in round one and would be looking to atone this week on that performance. The Hawks are slowly being introduced to amateur football and another valuable experience for them and the competitiveness they will need to achieve to become successful in the future. The Lions have had dreadful luck already after first two games with injury and wish those lads a speedy recovery. Trembath and Baker on the ball for Lonsdale have been standouts and again this week will be no different. OSB Lonsdale with a change of luck for me.

OSB Lonsdale 37-48

Central United vs Mitchell Park

Central United get the honour of hosting a massive Anzac Day clash Sunday against Mitchell Park. The Bulldogs faced a huge test last week in last year's premiers but came through with flying colours and would want to consolidate their position ahead on the ladder. Adrian Mark in ruck was superb and gave midfielders Makris, Hayes, Keen and Graves first use and with forwards as dangerous as Hamilton, Lane and McIntyre they are proving potent in front of goals. Mitchell Park's first half showed with effectiveness in front of goals they can match any opponent yet consistency in effort for 4 qtrs. was an area that let them down. Weekley and Walczak set the Lions up well out of defensive 50 but need to find midfield depth. I'm predicting a big day for the doggies and a nice win puts them 3-0.
