## DON'T TAKE OUR WORD FOR IT... HERE'S WHAT OUR CUSTOMERS HAVE TO SAY!

I've used many fish oil additives in my burley mixes over the years and this one is the best by far. Irrespective of tide movement or bite times it stimulates the fish into a feeding frenzy and provides a superior catch in record time, every time. Can't recommend these products enough - I'm truly impressed!

**PETER C., SOUTH AUSTRALIA**

This little oil is liquid gold! Since changing from tuna oil I've been catching more and I use it for everything now, hooks, reels, sinkers & my boat trailer. **ALEX M., QUEENSLAND**

We had great results over the 2 days we bagged out on whiting on both boats on day one but also caught Travally sweep salmon and Squid which were our target species. Day 2 was a dodge tide so not best conditions for fishing, but we did get whiting and more squid on that day. We did a test and between 2 boats over same reef structure one used the oil the other didn't and both had their own berley stream and the boat using the oil in the berley and bait did get more fish in far shorter time. Great weekend lots of fish and we all say Thank you! **ANTHONY & THE BOYS, PT. VIC**

Just had a nice trip away, garfish went nuts using the oil, we cleaned up. Quite impressive we had them swimming around our legs using the oil they were quite keen on it! **SHANE, FISHINGSA MAGAZINE**

## Carlton Capitulate again. Has Teague's time run out?

by  
Matthew Anderson

Who would want to be an AfL Coach? David Teague former assistant Coach at the West Coast Eagles joined Carlton in mid 2019 and has a 15 -20 win loss record. However, is that good enough?

There are several teams in the competition this year where the question will be asked as whether it is time to get a new coach and Carlton would appear increasingly likely to fall in that category.

Collingwood and North Melbourne are already after only 8 rounds well below the remainder of the teams in the competition and building and experimenting with their team line ups and it would be reasonable to think that Collingwood may well be changing coach and spending the rest of this season trying to regain some form and start building towards a more successful season in 2022. North Melbourne well with their current injury list there is very little any coach can do with them as they simply don't have the players available at the standard required to be competitive.

Carlton however, are only 1 win out of the 8 and at half time against the Western Bulldogs looked far the better side. The final margin was 16 points. If you hadn't watched their past couple of matches and only read the score in the paper tomorrow you could well believe it was an respectable loss given the 2 teams respective positions on the premiership table. Carlton the past few of weeks have looked very good in the first half and part of the third quarter either leading or being highly competitive with teams that would be expected to compete in the finals series. The record this season for Carlton stands at 5 and 8 not good but not to bad when you consider past seasons are where they have come from in the past 2 season especially to this season.

The game plan looks good and for other half the game it troubles opposition sides but as the third quarter progresses against a top 8 side the game plan totally unravels. The loss 3 weeks ago against Brisbane looked like a young team that tired out in the second half and were simply over run by a fitter and more experienced side. It looked initially like a respectable loss or was it? The following week against Essendon, Carlton won well against a team that is unlikely to feature in September they played with confidence and they looked like them had learned and improved from their previous week defeat against Brisbane. Looks however, can be deceiving.

Carlton against the Western Bulldogs were impressive in the first half and looked like they would go on to win the match. It was midway through the third quarter and the cracks appeared and alarming comparisons in the similar way they to played the second half against Brisbane could be easily drawn.

The Carlton game plan consistently falling apart against final contender sides raises a few questions. Is it due to the a young side just not being fit enough to implement their game plan for a full 4 quarters? Doubtful as they had no trouble doing it against Essendon who they were expected to win against. Another possibility is they just cant as yet handle the match day pressure when it counts against superior performed and more experienced teams. Again looking at their season as a whole to date that would seem also unlikely to be the cause of the fade outs in the last half of the match.

After watching Carlton on the weekend it would appear that the reason they are failing to win when they are in a position to do so is not due to their skill errors or fitness but in their belief in themselves. To be over run by a superior team on the day is one thing, but Carlton dropped away all over the ground when they were challenged and the game was there to be won. They appeared that they didn't believe in their team system of play when pressure was applied to it and instead of attempting to respond to the pressure they were simply and far too easily brushed aside with little resistance. The tv camera flashed into their coaches box and showed their coach David Teague with his chin resting on one hand on his desk and his facial expression was completely blank. Almost as if he was bored watching the game.

Carlton are still well within reach of eight so now is the time 8 games into the season to look at what is best for the club to give it the greatest chance of featuring in the finals this season. After Saturday's on field performance and the coach that looked less than enthusiastic about watching the game let alone coaching it, maybe it is time now for a change at Carlton. Teams often change coach after a bad run of losses. However, after Saturday's performance and what appeared to be lack of belief and drive in the Carlton football players and coach maybe now is the time for Teague to go. Re-ignite the energy and belief in the players with a new coach and save a season that appears to be rapidly slipping away.

## Location, Location

The AFL Grand Final is each year held at the iconic MCG which is short for the Melbourne Cricket Ground. The Stadium is a showpiece of not only Melbourne but of Australia and the world. The ground can hold just over a 100,000 people and when achieving that, it is a Colosseum like no other with the atmosphere and noise beyond overwhelming it's difficult to not have spine tingles knowing first-hand what it is like. For all the plaudits and success that the MCG has had for continuously hosting the Grand Final there has been and there still is an ongoing debate regarding equality and fairness of the location of the Grand Final since Melbourne is home to 10 out of the 18 AFL clubs and 6 out of those 10 clubs are permanent tenants of the MCG. There is the main reason being that the premiership decider should be shared around each year with the benefits being farer on the interstate teams that have to travel and to continue to cultivate the game outside of the Victorian heartland. Those on the other side of the fence point to tradition that the MCG has and always will be the home of the Grand Final. Outdated is the word that first comes to mind when hearing that it is a "tradition" yes, a VFL tradition to host the Grand Final not an AFL one.

by  
Jordan Sennett Perez

Prior to the game going national in 1990, when local suburban grounds were still in regular use, the MCG made sense as a largely neutral ground with no team being a regular permanent tenant of the ground. Since the AFL went down the centralisation road which saw imbalance within the competition rise, playing the Grand Final at the MCG which as mentioned before is home to several Victorian based clubs is the single biggest hindrance on the 8 non-Victorian clubs in the AFL. Since 2003, just 5 interstate teams have claimed the premiership and 3 out of those 5 were against fellow non-Victorian teams. Seven Victorian teams to go with 4 more who play their home games elsewhere in Melbourne have claimed the other flags, some against teams who were not only interstaters but the higher ranked team. Did home ground advantage play a part in it? Absolutely 100% yes and should the higher ranked team host the Grand Final wherever they are based in Australia? Absolutely yes again.

One is example is Richmond who have arguably or unarguably been the best team in the competition for the past few seasons but their charges towards their 2017 and 2019 premierships make for much closer analysis than what was originally given. In 2017, the Tigers did not once leave the MCG and even unofficially hosted the qualifying final against Geelong even though the Cats were the higher ranked and the game really should have been played at Geelong's actual home ground (Kardinia Park) located in the city of Geelong located 75km south-west of Melbourne and also played host to and beat the higher ranked Adelaide in that year's Grand Final where home-ground advantage was a huge factor. Even more noteworthy is in 2019 where Richmond played at the MCG for 7 consecutive weeks and only leaving once thereafter to play Brisbane in the qualifying final in Brisbane which they won therefore heading straight back to the MCG on route to the flag. These outcomes and circumstances cannot go unnoticed, these things can't be simply brushed aside as a footnote, it must be brought to attention as a flaw and a huge inconsistency and fixturing within the AFL. The MCG has the contractual agreement to hold the Grand Final until 2057 which is a long time away... Too long. Come the year 2058 there must be change and the AFL will become a true national competition.

## Woes for the Crows continue

Ever since the surprising walloping the Crows received to the hands of Richmond in the 2017 Grand Final, it has been a very tough road for Adelaide which has no signs of exits.

A twelfth finish in 2018, eleventh in 2019 and the wooden spoon last season, it has been a dramatic and escalated decline as they triumphed as minor premiers in 2017 to claim the McClelland Trophy. So far in this action-packed 2021 season, proceedings commenced optimistically for the Crows as they were three wins to one loss after the first four rounds. Perhaps it was an indication that the extreme woe of the last few seasons is maybe past forgettable history for this proud club, however after four consecutive defeats, it suggests that their woes and struggles are still staring them in the eyes.

Where did it go wrong for the Crows? Why did it go awfully wrong? As a passionate and die-hard Crow's supporter this is not an easy piece to write. Adelaide faced a lot of trauma, the murder of coach Phil Walsh and the death of assistant coach Dean Bailey was devastating for the club, their players and their faithful. However, they showed resilience by recording an extremely successful 2017 season, even though it came to an unconventional conclusion. But that is not where it went wrong.

Their 2018 Pre-Season camp conducted by Collective Minds in Northern Queensland is a strong attributer to their extreme dip in form and self-esteem. It was a camp designed to improve the mental strength and capabilities of the players but did the opposite as many were severely traumatised. Head of Football for Adelaide, Brett Burton was put on the chopping block in relation to this.

The loss of star players such as Charlie Cameron, Eddie Betts, Josh Jenkins, Alex Keath and Jake Lever has also been a major contributor as their list was severely wounded. The conclusion of 2019 saw Don Pyke step down as coach and former Port Adelaide and GWS assistant, Matthew Nicks has been entrusted to nurse a new era at the Adelaide Football Club.

This current season has shown some positive signs thus far, but their struggles of the last few seasons are influencing their results on the field. Last weekend's Showdown 49 showcased that Adelaide still have an incredibly long journey to endure to return to the form they used to. Their 49-point defeat to the Power was a tough game to endure. It showcased their current inability to notch effective forward 50 entries. Taylor Walker played his most mediocre game of the season as he remained goalless. As the Power have a strong midfield, they showed their dominance; the young Crows parading the midfield led by captain Rory Sloane were simply outplayed. On paper, Adelaide has a decent forward-line led by Walker. The addition of 18-year-old number two draft pick, Riley Thilthorpe looks to be a future clubman and star. However, the way you win games is peppering the scoreboard and perhaps the missing ingredient that could cure their woes is some finesse and composure in their midfield to create better scoring opportunities.

Adelaide currently has the youngest team in the competition, the woes are most definitely going to continue but it is seen as an investment into the club's playing future. Nicks certainly has a gargantuan task on his hands to build a positive future for Adelaide.

### Rostrevor OC vs Tea Tree Gully / 9.13-67 vs 13.11-89

Rostrevor have recorded another disappointing loss this time to TTG, going down to the away side by 22 points at home. The game looked to start even in the first quarter after the home side kicked three but conceded five to trail by 10 at the first break. The second term saw the home side gain some traction and hit back hard kicking four majors and holding Gullies to a single goal to lead by 10 at half time. The third had the away breaking out of the gates and reclaiming the lead after kicking four goals to see them take a 3 point lead into the final break. It was the away side who seemed to want it more as they came out in the final term and closed off the game comfortably by 22 points. It was P. Dawson who stood out for the home side, but C. Schoenmakers and T. Breden stole the show for the away side with influential performances.

### St Peters OC vs Payneham NU / 18.10-118 vs 6.12-48

St Peters have stamped their authority on the table getting a very important win against Payneham on the weekend, seeing off the away side by 70 points, to put them above Payneham and outright 3rd. The first quarter saw the home side take a commanding lead, kicking five majors to lead by 24 at the first break. Payneham looked to claw themselves back into the game after kicking two goals but St Peters were too strong and retained the lead of 21 into the main break. The third is when the home side turned on the gas, kicking a further 5 goals to extend their lead to 33 at the final break. The final quarter was perhaps the more dominant quarter as Payneham really struggled to even affect the scoreboard and conceded eight goals to go down by 70 points to a strong St Peters outfit. Once again it was T. Matsouliaidis and J. Read were instrumental for St Peters, while T. Egglestone was a diamond in the rough for this side.

### Unley Mercedes Jets vs Prince Alfred OC / 8.4-52 vs 15.16-106

The Jets unfortunately remain bottom of the table after going down to unbeaten Prince Alfred by 54 points. The game started nicely for the home side who kicked three straight goals to take a lead of 5 points into second quarter. The second is when the Reds decided to finally turn up and put on a show kicking five goals to claim the lead at the main break by 15 points. The third saw Unley slip back to old habits and let the Reds run all over them kicking a further four goals and conceding none to take the lead 45 points at the final break. The final term came, and we saw more of the same with the Reds looking even more dominant as they saw out the game as 54 point winners to stay top of the ladder. It was M. Wicks, L. Charlton and L. Mcnamara who were influential for the away side helping them to a comfortable win over last placed Unley.

### Port District vs Brighton Bombers / 6.10-46 vs 8.4-52

Brighton have gotten away with one after beating struggling Port District by a single goal, in a low scoring scrappy match. The first quarter saw only one side kick a goal which was the bombers who took a slender lead of just 3 points into the first break. The second was much the same with Port still not scoring and Bombers only adding one major to their total, to lead by 9 at the main break. The second half saw the game open more with Port scoring four majors to claw their way back into the game and cut the deficit to just 4 points at the final break. The last quarter had the same energy with both sides scoring multiple goals, but it was the Bombers who ran away slight winners after kicking three majors to see the game out. It was L. Sharrad and J. Gaffney who were great for Port and B. Mcrae and J. Weetra who helped their side the most to an important win over a resilient Port.

### Adelaide University vs Goodwood Saints / 4.16-40 vs 11.10-76

Adelaide Uni have missed the chance to get their season back on track after suffering a loss to the Saints in big part due to poor kicking form the home side. The first quarter saw Saints take an early lead of 14 points, but Adelaide didn't seem out of it just yet. Then came the second which saw the Saints extend their form in front of goal kicking a further three goals to take their lead out to 29 points at the main break, despite having as many scoring shots as Adelaide Uni. The second half saw Goodwood improve on their domination taking the third and leading by 47 at the final break. The fourth saw Adelaide kick a game high two goals for the quarter but wasn't enough to claw back into a game in which they were dominated from start to finish. R. Marini was great for the home side in an unfortunate performance. Whereas S. Blesing and T. Lynch were once again phenomenal for the away side.

## This week in Division 1

### Brighton Bombers vs St Peters OC

The Bombers will have a chance to go equal on the points but above on percentage if they can overcome St Peters at home next weekend. St Peters coming off an incredible win last weekend against 4th placed Payneham look to be the side in better form, but we all know not to count out the Bombers. Bombers who are coming off a slight win against Port away from home last week, will look to improve their football as well as their position on the table this week. **I see this game going to the wire ending in 10- scoreline in favour of the away side.**

### Goodwood Saints vs Prince Alfred OC

Everyone will be advised to hold onto their seats for this one. 1st versus 2nd in the Saints back yard is shaping up to be match of the round, and one of the matches of the season so far. PA although unbeaten so far this year will have to face their toughest challenge of the year so far, facing 2nd placed saints who have been very strong so far this year. Both sides coming off good wins from last week will look to upset one another in this blockbuster. **With this game being so close it makes it tough to call, but simply because of form I have to go PA by 12.**

### Port District vs Unley Mercedes Jets

Port coming of a slight loss to good opponents will have plenty of positives from the last few weeks and can look to use this week as a chance to get their season back on track. Unley who haven't won a game so far this year may have one of their best opportunities to record some points and revive their season before its over. **That being said, Port although losing last week seemed strong and are who im picking or the win this week by 20+**

### Payneham NU vs Rostrevor OC

Payneham play host to Rostrevor this weekend in what should be a good game between similarly positioned teams. Rostrevor who had the better game of the two sides last week will look to improve on a slight loss to Gully. Whereas Payneham were taken for a ride last week getting smashed away from home against St. Peters. **Regardless of recent form however I see Payneham being too strong at home and running away slight winners by 10+.**

### Tea Tree Gully vs Adelaide University

Gully had a big win last week to hopefully get their season back on track after a disappointing start to the campaign which saw the win just one game in their first 4. Adelaide however are stuck in a similar position to Gully before last week and are struggling to set their season alight so far, but will have a good chance here against worthy opponents in Gully. **Both sides struggling to get going this year I would have to give it TTG to win slight winners by 20 points or less.**

## THE DIVISION 2

# Match Previews

**Lachy Jones gives his match previews for this weeks matches**

### **Broadview 11.11 (77) drew with Henley 11.11 (77)**

In the most thrilling game all year, the two teams at 3-1 battled it out and couldn't be split all game, ending in the first draw of the season. The Tigers and Sharks, who have both been pretty good so far this year, changed leads numerous times before the result ended up in split points. Jacob Rillotta (Broadview) and Liam Martin (Henley) were the two best players on the ground, while Josh Sheppard and Ben Yeomans kicked four and three goals respectively for the home side, and Joel Harvey-Friel and Tom Pillion both kicked three for the visitors. The draw sees both sides stay in the same positions, in third and fourth, but now they only sit half a game ahead of Old Ignatians in fifth spot.

### **Plympton High & Camden 12.16 (88) def Scotch 12.11 (83)**

The Phantoms stayed unbeaten on the weekend, albeit it was their biggest test yet, overcoming a three-quarter time deficit to steal the win at home over the ever-improving Scotch. Plympton High & Camden got out to a fast start, booting five goals to one in the first term to set up what looked to be another big win for the ladder leaders. However, the visitors had other ideas, climbing back from their deficit to trail by just five at half time, before continuing that momentum to take a seven-point lead into the last change. Scotch looked primed to claim a stunning upset on the road, but the home side had other ideas, just edging out the competitive Scotch to stay undefeated. Austin Forbes was the Phantoms' best for the second straight week, while Mackenzie Nield kicked four in the win. Even though they lost again, not all is bad for Scotch. Although they remain winless, there are a lot of positives to take away from this game, and perhaps their first win of the season is just around the corner.

### **Seaton 9.8 (62) def by Athelstone 21.7 (133)**

The Raggies perhaps have found their mojo in 2021, snapping a three-game losing streak to win their second game of the year in emphatic fashion, crushing the lowly Seaton by 71 points. Seaton started hot, as the Ramblers led at quarter time by seven points with four goals. However, after the first break, it was all Athelstone, as they booted 18 of the next 23 goals to dominate the proceedings from there on in. Angus Ralph was a man amongst boys, kicking six majors to aid his side, while Sean Prochazka was everywhere, picking up man of the match honours. The visitors enjoyed eleven different goalkickers, with six of those kicking at least two each, as they combined for a very accurate 21.7. Brett Harland was the rare shining light for the Ramblers, kicking six of his team's nine goals. The win sees Athelstone stay around the mark in sixth place.

### **Sacred Heart 8.16 (64) def by Old Ignatians 11.7 (73)**

Inaccuracy in front of goals, and a second half collapse, cost Sacred Heart a chance at their third win on Saturday, letting a four-goal half-time lead slip to the visiting Old Ignatians in their third win of the year. Sacred Heart led for 90% of the match, before Old Ignatians kicked the last three goals unanswered to

snatch the victory. Jared Centenera willed his team to victory, claiming best afield honours, while Old Ignatians shared multiple goal kickers. Marcus Walkington was Sacred Heart's best, as they now sit below Athelstone on percentage, with a bit of work to do in front of goals during the week. At 3-2, Old Ignatians sit just half a game away from fourth, right in the mix for September action.

**Glenunga 13.12 (90) def Salisbury North 10.6 (66)**

Salisbury North almost pulled off the upset of the year on the weekend, playing three good quarters of footy before running out of legs in the last as the Rams rallied to win by four goals. It was Glenunga's biggest challenge all year, as they sit equal-top at 5-0. Thomas Langford was the star for Glenunga, booting seven goals as Glenunga piled on the pressure in the fourth quarter, kicking four goals to none to run away with it after trailing at three quarter time. Tom Butterworth was also brilliant for the Rams, taking away the five votes, while Nick Pape (5 votes) and Jake Wagner (4 goals) did all they could for the visitors.

**This week in Division 2**

After an eventful round five, with lots of close games, round six looks like it will follow suit with some tough matchups.

Broadview are fresh off a nail-biting draw on Saturday against Henley and face an even bigger challenge this week in the ladder leading Glenunga. Their only saving grace is the Tigers are at home, with that being the only advantage they pose over their opponents. However, Glenunga were tested to the max against Salisbury North last week, so it looks like they might be beatable by a good side on a good day. It will be close, but I think the Rams stay undefeated and win by two or three goals.

Plympton High & Camden, who also have not lost, visit Henley this week in what should be the game of the round. The Sharks are coming off a remarkable draw last week and will be hungry to knock off the Phantoms for their first loss of the year. At home, this is the best opportunity for Henley to do so, and I think we could have an upset on the cards.

Old Ignatians have escaped with some narrow wins this year, and Saturday was no different when they came from nowhere to beat Sacred Heart. This week, they host Salisbury North, who almost knocked off Glenunga, so they will be full of confidence. It will be a good game, but I think Old Ignatians hold strong at home to move to 4-2.

Athelstone are red hot all of a sudden, dismantling Seaton by twelve goals, and have a chance to string a couple wins together when they visit Sacred Heart, who collapsed in the second half to lose a seemingly unlosable lead. It should be another tight contest, but I think Athelstone will come out on top.

If there's a positive out of this game, it's that one team will no longer be undefeated, albeit a draw. Scotch host Seaton, in the battle of the winless sides, and I don't know if I can pick a winner here. I'll say Scotch, just because they were very competitive against a good side last week, and the fact that they're hosting.

# THE DIVISION 3 Match Previews

## Edwardstown v North Haven

After losing by 49 points on the road to Golden Grove last week, North Haven responded in a big way accounting for Edwardstown at Edwardstown Oval this week, 20.10 130 to 11.8. 74. Leading at every change, the visitors never looked like slowing down, as they rode an impressive 9-goal second term to run away 56-point winners against the previously undefeated Edwardstown. North Haven were led, as always, by Thomas Sandercock (5 goals) and Jack Foster (6 goals) up forward, as well as the always influential Ross Merrett in the midfield. Ryan McInerny mentioned during the quarter time huddle that his side have been able to put together really decent second quarters, and that is exactly what they were able to do, as an 8-point quarter-time lead quickly turned into a 49-point halftime lead for the visitors. Merrett was joined by the likes of Ryan Adams and Kyran Dixon in being named among the best for the Magpies. For the home team, Toby Case was named best while George Cornish continues his impressive form booting three. With this 6-goal haul, Jack Foster continues his excellent form and takes his tally to 23 goals for the season so far.

## Golden Grove v Modbury

Reigning Premier Golden Grove continued its impressive unbeaten start to the season with a 15.15 105 to 11.9 75 victory over Modbury at Harpers Field. Modbury started the game well, to lead by 14 points at the first change, however, whatever momentum the Hawks had at quarter-time, soon disappeared as the home side booted five goals in the second quarter to Modbury's two, to lead by 13 points at the main break. The Kookaburras would end up kicking a further seven goals after halftime to win by 30 points and remain as one of only two unbeaten teams. The loss of star forward Thomas Tacono to a knee injury in last weeks win, did not worry the home side as they quickly found a replacement in the form of Brayden Shaw who kicked 6 majors, alongside Jed Banwell who, just like last week, kicked 3 goals. Todd Shepard was influential in his sides win. For Modbury, Jack Philips was named best while also kicking four goals. The Hawks coach Daniel Miller, will be disappointed with his team's effort, especially after quarter time. As they again failed to put together a solid four quarter effort and now sit a game outside the top five.

## Flinders Park v Plympton

Flinders Park showed why they are in fact one of, if not, THE team to beat in 2021 after easily dispatching of Plympton by 85 points, 23.13 151 to 10.6 66 at Flinders Park on the weekend. After a slow start that saw The Reds trailed by 16 points at the end of the first quarter. Coach Luke Ivens would have been impressed with how his side responded as they kicked seven goals to one in the second to lead by 23 points with a half to play. After half-time the game was all but over as Flinders booted another seven goals in the 'premiership' quarter to well and truly put the game to bed and remain on top of the premiership table with a perfect 5-0 record. On the flip-side Plympton, with the loss, fall to 0-5, and sit in ninth position ahead of fellow winless Portland. Flinders Park were led by Joshua Gericke, along with Daniel Blythe (4 goals) and Cameron Miller (5 goals). While Lonnie Hampton (2 goals) was impressive for the Bulldogs.

### Gaza v Westminster Old Scholars

Gaza returned home to face Westminster OS in a match that was very one-sided as Gaza made quick work of the Dragons, 21.26 152 to 6.2 38 winning by 114 points at Klemzig Oval. The Eagles had ten scoring shots to two in the first quarter, however only managed three goals to take a 13 points lead into the quarter time break. The second quarter was much the same for Matt Krieg's men as they again peppered the goals to register a further 7.8 and open up a 57 point lead 10.15 75 to 3.0 18 at the main break. One area of concern for Matt Krieg would be his teams goal kicking, whilst they are average 14 goals a game they are also averaging 20 behinds. With the win, Gaza consolidate their spot in the five with a 3-2 record and have won their last two. Westminster, however drop to eight with a 1-4 record and find themselves on a four game losing streak. Benjamin Beioley (six) and Adrian Stephens (four) combined for ten of Gaza's goals and were helped by the always improving Damien Hill. Aaron Fielke was again busy booted 2 goals for the Dragons and now has 17 on the season. While Riley Wilsdon was influential and was one of the main standouts for his side in the disappointing defeat.

### Portland v CBC Old Collegians

Port Reserve was the venue for the final match of Round 5 as the Dolphins winless start to the season came to an end when they defeated Portland by 82 points, 17.22 124 to 6.6 42. The day started poorly for the luckless Thunder as they lost Kevin Mills early on in the first quarter after he suffered what looked like an ankle injury in a marking contest. CBC started strongly and had 13 shots on goal in the first quarter kicking 4.9, as light rain became a major issue in the early stages of the match. Portland struggles up forward continued as they were held goalless to half time, in what was at a times a very back and forth, ugly contest in the wet conditions. CBC had some injury concerns of their own as Henry Hunt (1 goal) injured his shoulder early in the second quarter, and whilst he came back onto the ground, he was unable to play out the remainder of the match and went down to the rooms just before the half-time siren. Portland finally registered its first goal early in the third term and showed plenty of fight in the second half, kicking four final quarter goals and falling just short of winning their first quarter of the season. Laurence Kenmore and Cali Harris each had four goals in the victory for the visitors, who were well led by William McPherson and Samuel Madigan. For Portland, Daniel Harris was the only multiple goal scorer, while Dale Laslett continued his good form trying hard all day.

## This week in Division 3

### Westminster v Portland

Westminster Old Scholars return home to face Portland at Glandore this weekend. The Dragons are coming off of an embarrassing 114-point defeat at the hands of Gaza whilst Portland were competitive after half time in their 82 point loss to CBC Old Collegians. Westminster will be eager to collect win number two and end their 4-game losing streak and keep in touch with the top five. Portland on the other hand will be desperate to register their first win of season 2021 and despite another heavy loss would be buoyed by the fight shown last week especially in the second half. Expect this to be a one-sided affair with the home side collecting their second win of 2021 and getting their season back on track. **Westminster by 75 points.**

### CBC Old Collegians v Modbury

CBC Old Collegians welcome Modbury to East Parklands when the two teams face off over the weekend. CBC are coming off of an impressive 82 point away win at Portland to get their season started, while Modbury are coming off of a disappointing 30

30 point defeat against Golden Grove on the road. If the Hawks are to have any chance of winning this game, they need to put in a full four quarter effort, as they seem to always start games well, leading at quarter time, but then begin to fall away in the second half. A win for Modbury will see them even the ledger with a 3-3 record and kept their finals aspirations alive. CBC will be looking to collect their second consecutive victory and get some momentum heading into the middle part of the season. Despite this being away from home, Modbury should have a little more class and head into the game as favourites. This will be a tough physical matchup between two sides looking to get their season back on track. **Modbury by 37 points.**

**Edwardstown v Golden Grove**

The undefeated Golden Grove travel to Edwardstown Oval to do battle with Edwardstown in a top five match up. The Towns came crashing back to earth last week, as they were easily defeated by North Haven after starting the season with four consecutive wins. After a scare in round one, Golden Grove haven't put a foot wrong in their title defence and never looked troubled after quarter time last week against Modbury, winning by 30 points to remain perfect. This game will be another test for coach Justin Calderbanks and his chargers as they find themselves in the middle of a three games stretch against the division's 'Big 3' and what better way to show your premiership credentials then beating the reigning premiers. The Kookaburras will be looking to remain undefeated and could find a little gap starting to open up at the top of the table between the contenders and the rest by the end of the weekend. **Golden Grove by 15 points.**

**North Haven v Flinders Park**

After a brief two game roadtrip, North Haven return home to take on the undefeated Flinders Park when the two teams meet at Largs North Reserve on Saturday. Both teams are coming off big, impressive victories – North Haven handed Edwardstown their first defeat of the season and Flinders Park easily accounted for Plympton. In what is clearly the match of the round, the result will go a long way in establishing the premiership credentials of both teams. For The Reds this will be their first test against one of the other premiership fancies whilst the Magpies who were disappointing two weeks ago against the Kookaburras will be looking to prove they still belong in the premiership conversation. With both team's key forwards leading the goal kicking, North Haven's Jack Foster (23) and Flinders Park's Cameron Miller (18), the result may come down to which ever teams defence holds up best. Expect this to be an absolute ripper, with a lot of goals kicked between the two teams in what should be a high-scoring affair. North Haven have shown they are hard to beat at home, however Flinders Park will go into the game as slight favourites. This could go either way. **Flinders Park by 2 points.**

**Plympton v Gaza**

Winless Plympton welcome Gaza to Plympton Oval in Round 6, the Bulldogs are coming off of an 85-point defeat to Flinders Park and Gaza made the 114-point victory of Westminster look like a training run. Gaza will be looking to cement its position in the top five and collect their fourth victory of the season. Plympton on the other hand are still searching for their first win of the season, and what better way to do that than beating Gaza on your home ground. The Eagles have done a lot right this season, but need to rectify their goal kicking accuracy, especially if they want to contend for finals come September. Plympton, started well against Flinders Park last weekend, leading by 16 points at quarter time, but were totally outplayed after that as The Reds kicked 21 of the final 26 goals of the game. If the Bulldogs can put four quarters together they are a chance, however there is too much at stake for Gaza who enter as favourites. **Gaza by 66 points.**

# Match Previews

**Angus Heuer gives his match previews for this weeks matches**

### Gepps Cross v Walkerville.

Walkerville have continued their uneaten run to the season after a clinical 40-point road win against Gepps Cross at Duncan Fraser Reserve. The Cats leapt out of the blocks early, keeping Hope Valley scoreless in the first term and taking a 28-point lead into quarter time. Inaccuracy plagued Walkerville throughout the next two terms and despite having twelve more scoring shots they allowed the Rams to cut the margin back to 22 points at the final change. The last quarter saw the Cats finally able to find their goal kicking boots, kicking six goals to three and securing their fifth consecutive victory. Adam Proud once again lead the way for the Walkerville, Kicking six majors and being the only Cats player to record multiple goals. Daniel Woolford and Brady Zwar both starred in the win, both gathering plenty of the footy and kicking a goal apiece. For the Rams Brodie Polkinghorne kicked two majors while Matthew Sawiliski fought hard in a loss that has dropped the Rams to eighth on the ladder with a crucial matchup against ninth place Woodville South this weekend.

### Morphettville Park v Kilburn.

Morphettville have entrenched themselves into the top three after a comfortable 26-point win over the winless Kilburn at Kellett Reserve. Morphettville dominated the first half, kicking the only four goals of the first term and controlling the second quarter to take a 34-point lead into halftime. Kilburn have routinely fell away in the second half this season, but the script was flipped as the Magpies came out firing, kicking six goals to two and reducing the lead to 13 points to give their supporters some hope of a heroic comeback to snatch their first win of the year. However, this hope was short lived as the Roo's kicked a goal mere minutes into the final term, one of their four final quarter goals to ice the win. Christopher Barns was the star, kicking five goals while Dane Thompson and Kye Dean both continued their strong goalkicking form with three majors each. Lewis Lean and Nathan Davies also starred in the win, Morphettville's fourth of season. For Kilburn, Joel Groom, Brady Farr and Lachlan Disibio all kicked two goals while Dustin Knaggs gave his all in yet another strong performance. Despite the improved effort, pressure continues to mount on Kilburn who will be desperate to record their first win of the season when they host SMOSH West Lakes this Saturday.

### Pulteney v Pembroke OS

Pembroke OS have shown once again why they are considered a favourite for the premiership, coming away from Morgan Oval with a thumping 84-point victory over a struggling Pulteney outfit. The Blues never threatened, going goalless in the first term and only managing one major in the second term as the Kings stormed to an eight-goal lead at the main break. Pulteney's goal kicking woes continued into the third term, recording just five behinds as Pembroke extended the lead to 58 points, extinguishing any hope of a Pulteney resurgence. The last term opened up for both sides and the Kings took full

advantage, kicking six goals to two and gaining some crucial percentage that has kept them in second position on the ladder. Alex Forster extended his lead on the league's goalkicking table, kicking eight goals to extend his season tally to 38 majors. Izak Twelftree once again offered support with four goals while Adam Zeni backed up his strong form from last week with a best on ground performance. For the Blues Braden Hill lead the charge in what was yet another disappointing performance for the club. The loss leaves Pulteney in seventh position with a difficult trip to face ladder leaders Walkerville coming up this weekend.

#### Woodville South v Hope Valley

Hope Valley have maintained their position of fourth on ladder after defeating an inaccurate Woodville South side by 35 points at The Stable Oval. Both sides had the same amount of scoring shots in the first term but while Woodville were unable to score a goal, Hope Valley were unable to miss, taking a 20-point lead into the first change. The contest tightened up over the next two quarters with the Demons lead being cut down to eleven at halftime and 16 points at three quarter time. The last quarter belonged to Hope Valley though, kicking four goals to one and running away with a crucial two points. Jayke Hellmanns kicked two for the Demons, while Machok Garang continued his strong form and Lucas Harney starred, earning his second best on ground performance in the last three weeks. For Woodville South Camreon Bell kicked three majors for the second consecutive week while Justin Caccaviello battled valiantly in his sides fourth loss of the year. Both sides face important matchups this weekend with Hope Valley looking to consolidate its spot in top five against Mitcham and Woodville South desperate for their second win of the year when they travel to play a Gepps Cross side who are also coming off a disappointing loss.

#### SMOSH West Lakes v Mitcham

SMOSH West Lakes have bounced back from their disappointing loss against Hope valley in the best possible way, defeating Mitcham by 23 points to jump into the top five. In front of their home fans the Lions started strongly, kicking four goals to two in the first term and taking a two-goal lead into the first change. The second quarter was tightly fought as the Hawks managed to reduce the lead by a point but in the third term the Lions roared once more, kicking four goals to two and taking a 26-point lead into the final change. This lead proved to be enough as another tightly fought final term saw the Lions hang onto their second win of the year. After kicking only three goals as a team last weekend Cohen Mattner took charge, kicking six goals of his own in an outstanding display, supported well by Dylan Olive who put through three majors. Rhys Crampton performed brilliantly once again, and Adam Mahney was adjudged best on after a dominant performance. For the Lachlan Paddick again hit the scoresheet with four goals while Reece Lillecrapp had another strong showing. The loss leaves Mitcham in sixth position and desperate for a win against Hope Valley to jump into the top five.

## This week in Division 4

### Pembroke OS v Morphetville Park.

Pembroke OS and Morphetville Park face off under lights this Friday night at Norwood Oval in what should be the marquee matchup of the round. Both teams go into the round with four wins, only percentage separating the two with Pembroke sitting second and Morphetville third. Both teams will come in confident after big wins and both teams have relied heavily on their attacking prowess throughout the season. The games look to be an attacking, free flowing shootout and expect Alex Forster to once again kick a big bag of goals. I expect the strong forward line of Pembroke to be too strong and in what will be an exciting contest they should come away with the win.

**Pembroke OS by 19 points.**

### Kilburn v SMOSH West Lakes.

Kilburn will look to record their first win of the year when they host a revived SMOSH West Lakes at Blair Athol Reserve. Kilburn were much improved against Morphetville Park, but fell away in the last quarter to fall to 0-5. SMOSH West Lakes on the other hand bounced back to defeat Mitcham and jump into the top 5. While Kilburn may start strong, I expect the Lions, led by another strong performance from Rhys Crampton to continue their winning form and give Kilburn their sixth consecutive defeat. **SMOSH West Lakes by 21 points.**

### Gepps Cross v Woodville South

Gepps Cross and Woodville South face off at Duncan Fraser Reserve, both teams sitting outside the top five after disappointing losses on the weekend. Woodville South have been much improved over the last two weeks, recording their first win against SMOSH West Lakes and being extremely competitive, yet inaccurate against Hope Valley. Despite the form guides suggesting Woodville have the upper hand I expect Gepps Cross to feed off their home crowd and break their two-game losing streak. **Gepps Cross by 11 points.**

### Mitcham v Hope Valley.

Mitcham face a tough task when they host Hope Valley at Thomas Farms Oval. Hope Valley are sitting fourth on the table after two strong victories, while Mitcham continue their stint outside of the top five after two consecutive losses. Lucas Harney has been in dominant form for the Demons, and I expect this to continue as they cruise to a comfortable victory that could move Hope Valley up to third on the table. **Hope Valley by 26 points.**

### Walkerville v Pulteney

Walkerville will look to continue their undefeated start to the season when they host a struggling Pulteney outfit at Walkerville Recreation Ground. Walkerville have been unstoppable to start the season and are coming off a strong win against Hope Valley. Pulteney on the other hand have struggled for consistency but will be desperate to bounce back after their 84-point drubbing at the hands of Pembroke OS. While Pulteney may be competitive early I expect Walkerville to be way too strong, with Adam Proud continuing his strong form in front of the big sticks. **Walkerville by 53 points.**

## This weekends big round of matches

 Pooraka v Salisbury  
 Lockleys v West Croydon  
 Smithfield v Colonel Light Gardens  
 Kenilworth - Bye

**Harry Mead gives his match previews for this weeks matches**

## THE DIVISION 5 Match Previews

### Eastern Park v Salisbury

Spectators at Dwight Reserve laid witness to the only close match of the round after Eastern Park defeated Salisbury by seven. Both sides got out to modest starts, kicking two goals each. However, it was Eastern Park who led at the first break, taking a one-point lead into the quarter time break. Salisbury accelerated away from Eastern Park in the second, kicking four goals. The Magpies defence held strong as they have done all year, holding the Demons to a solitary goal. A third-quarter barrage from Eastern Park tested the Salisbury defence, as the Magpies leaked five goals in the quarter. The two teams went into the final term level, as a thrilling finish loomed. Salisbury pushed Eastern Park right until the end but were unable to overpower the Demons, as Eastern Park kicked three in the last to close out the game. The loss is Salisbury's first of the season sees and them drop from first to third on the ladder. M. Marsden, B. McMullen, A. Burgoyne and M. Freeman all kicked pairs for the home side as C. Knapp continued his impressive run of form. R. Nicholson was once again dominant for the away side and had decent support from J. McPherson who kicked three.

### Fitzroy v Kenilworth

Fitzroy remain winless in 2021 after a 66-point loss to Kenilworth on the weekend. Fitzroy looked to be in promising form early, carrying on from their glimpses they have previously shown. The Lions led at the opening break by three points, as both sides applied some scoreboard pressure. Kenilworth began to break away from Fitzroy in the following quarter booting four goals to Fitzroy's one. Kenilworth took a three-goal lead into the main break, as Fitzroy looked to be within closing distance. A formidable run of momentum from Kenilworth crushed the spirit of the Fitzroy players, as the Kookaburras booted five. Kenilworth's extended their 40-point three quarter time lead in the fourth, piling on six goals to bury the Lions. Fitzroy managed only three goals for the second half, in what was a disappointing second-half lapse for the Lions. L. Richter showed his class from start to finish, whilst M. Crump kicked six for the Kookaburras. D. Miller's four goals and M. Wiese's impressive display were not enough to carry Fitzroy over the line.

### Pooraka v Hectorville

Hectorville's slump has continued, after a 91-point drubbing at the hands of Pooraka. The Hounds are slowly sliding down the table after their second consecutive loss, with the Bulls outclassing them from the onset. Pooraka stacked on five goals in the opening quarter, as Hectorville failed to respond. The second quarter was even worse for the Hounds, as they allowed ten goals for the quarter. By half-time a comeback was out of the question, as Pooraka took a 14-goal lead into the main break. Fortunately for Hectorville, Pooraka's scoring slowed in the second half, as the Bulls were kept to seven goals. Hectorville kicked four goals in the third quarter to outscore Pooraka, however the small win was short-lived as Pooraka cruised to victory in the final quarter. R. Rankine had a field day for the Bulls, booting six to take best on ground honours. K. Vandermoer was also instrumental for Pooraka, with Rankine's forward-line support coming in the form M. Baker who kicked three. J. Mazzone was a shining light for Hectorville, kicking three on the day.

### Colonel Light Gardens v Lockleys

Lockleys secured their second win of the season at Streetfleet Park against Colonel Light Gardens by 39-points. The Lions kicked themselves out of the game, kicking 8.20 for the match. Colonel Light Gardens' goal-kicking woes started early, scoring three goals for seven behinds to take a narrow lead into the opening break. Lockleys also struggled with accuracy early on however, they quickly blew out the cobwebs to boot five goals in the second term to take a 25-point lead into half-time. Lockleys carried their first-half momentum into the second, as they continued to outscore their opponents. Colonel Light Gardens showed a lot of endeavour but just couldn't get the scoring reward. Lockleys ran away with the game in the last quarter, as the Colonel Light Gardens players tired. Lockleys outscored the Lions four goals to three, cementing a comfortable win. J. Boundy was Colonel Light Gardens' best, kicking two goals and finding plenty of the leather. His efforts weren't enough to thwart the likes of B. Hosking and L. McDonald for Lockleys. L. Narcys was the star man in the Lockleys forward line, booting four.

## This week in Division 5

### Hectorville v Colonel Light Gardens

Both teams will head into Saturday looking to shake their recent run of form, with the pair's last win both coming in Round 2. Hectorville look to be in slightly better form, although either team has proven themselves against the higher quality sides. Hectorville may have the edge with the home ground advantage, but I expect Colonel Light Gardens to push them all the way to the end.

**Hectorville by 15 points.**

### Eastern Park v Fitzroy

Fitzroy are still chasing their first win of the season after starting 5-0. They'll travel to Dwight Reserve to face an in-form Eastern Park. Fitzroy were showing promising signs earlier on in the season but have their way in recent weeks, suffering an 11-goal loss last Saturday. Eastern Park have proven their quality in recent weeks, handing Salisbury their first loss of the season last weekend. Eastern Park's form looks far too imposing for Fitzroy.

**Eastern Park by 38 points.**

### Lockleys v West Croydon

Lockleys will go into their clash against West Croydon at home on Saturday full of confidence after two consecutive wins. Their opponents, West Croydon have shown glimpses in their previous encounters but have only beaten bottom-side, Fitzroy. Lockleys' latest win was their most impressive, breezing past Colonel Light Gardens last weekend. West Croydon will need to be strong in defence if they're going to challenge the home side.

**Lockleys by 28 points.**

### Salisbury v Pooraka

Saturday's clash between Salisbury and Pooraka looms as the rounds most exciting match as third versus second. A win could see either side climb to first on the ladder, so expect a fierce contest. The match will see the league's best defence in Salisbury battle against one of the best attacks in Pooraka. I feel that defence will prevail in this encounter, hence why I'm tipping the home side in Salisbury.

**Salisbury by 9 points.**

## THE DIVISION 6 Match Previews

### Elizabeth v Ingle Farm

Elizabeth have survived an almighty scare from Ingle Farm to hold on for a thrilling nine-point win at Argana Park. It was a tight encounter for the first half with the margin at just two points at the main break. However, the game broke open in what is commonly dubbed the premiership quarter with the Eagles piling on the goals to have a 25-point lead at the final break and the game looked over. However, the Bulldogs would not lay down and fought back, but the class of the Eagles was too much for the men in green and white, who now remain at the top of the division 6 ladder with a game in hand over their opponents. Jarad Clinton was once again a force to be reckoned with kicking four goals to extend his lead at the top of the competitions goal kicking leaderboard. Blake Mitchell was also very good and played a supporting role kicking two goals, along with several individual goal-kickers. Jhye McConnell & Aaron Stephenson also worked tirelessly and were pivotal in the win. For the visitors, Michael Wheaton continued his strong form and did everything he could to keep his side in the contest with six majors while high profile recruit Devin Payne also kicked two. Aidan McAleer was also a driving force and continued his terrific start to the season and was supported strongly by Maurie Sandery who played his best game of the season.

### Mawson Lakes v St Pauls OS

St. Pauls have bounced back from last weeks disappointing loss with a dominant 78-point win over archrivals Mawson Lakes on the road. St. Pauls were dominant in every quarter and held a 69-point advantage at the final break. Mawson Lakes wrestled back some momentum in the final term to help soften the blow but were still beaten convincingly in a strong four quarter effort from St. Pauls. In his first game of the season, Sean Gibbs proved his worth kicking three, while Matthew Pedlington & Michael Mattei also bagged three each. Anthony Cronshaw was best afield for the winning side, while David Kambach & Jordan Liseno were also very good in the victory. For the home team, there wasn't much to cheer about as they kicked just the three goals with Alex Pearce, Max Bowering & Jarod Salter the contributors. Joshua Eyre worked tirelessly, whilst Stewart McMillan also fought hard in the defeat.

### Blackfriars OS v Trinity OS

Trinity have made a major statement to the competition with a gutsy 28 point victory on the road against Blackfriars. The game was all square at the main break with the Lions pulling away with a four goal to two final term for a hard fought away win. Bailey Puvogel was outstanding for the Lions with 5 goals, with Alistair Walling also booting four. Barilla, Tuck & Crouch also each kicked two goals and were very important in the victory. Bradley Matters was unable to hit the scoreboard but was electric in all other facets of the game in a best on ground performance, but it was hard to go past Puvogel's individual brilliance. For the home side, Matt Rivett continued a good start to the year with four goals, while Luke Murphy followed last week's four goal effort with two important goals. Francesco Marafioti played his best game of the season and earned best afield honours for his side, while Jake Milne never gave in.

### Marion v Rosewater

Rosewater have bounced back from last weeks shock defeat with a season defining three-point victory at Sturt Oval against the Rams on Saturday. It was a low scoring affair all afternoon and Marion gave everything they had in the final quarter, but to the Bulldogs credit, they held on for a nail-biting win. Hugh Johnson-Schroeder was back to his best kicking three goals, while Chris Gordon kicked two vital goals in the narrow win. Daniel Reardon was outstanding for Rosewater & claimed all the votes, while Scott Friend was also very important all day. For Marion, Terry Milera continues to prove his worth, kicking three goals along with a host of individual goal-kickers. Jordan Powell was influential for the Rams in a best-on-ground effort, with Ben Bird following suit. Rosewater should continue this good form, as they will be back at Eric Sutton Oval against the struggling Para Hills, while Marion should get their season back on track against Mawson Lakes.

## This week in Division 6

### Rosewater v Para Hills

Rosewater will be back at home after a fortnight on the road and they will be looking to stay in touch with the top four when they take on the winless Para Hills at Eric Sutton Oval. Para Hills will be fresh off the bye and are desperate for their first victory of the season and lift themselves off the bottom of the ladder and out of relegation danger. Steven Willment has had a fine start to the season and will be pivotal in the matchup.

**Prediction: Rosewater by 24 points.**

### Ingle Farm v St Pauls OS

St Pauls will once again be on the road and looking to regain top spot on the ladder when they take on the struggling Ingle Farm at Rowe Park. Ingle Farm are also desperate for a win, seeing as their win/loss record is currently at 1-4 after 5 rounds of action and are looking to stay clear of relegation danger. The class of St. Pauls should be too strong for the Bulldogs & they should have a confidence boosting win on the road.

**Prediction: St Pauls OS by 49 points.**

### Marion v Mawson Lakes

Marion will be looking to bounce back after last weeks disappointing loss to Rosewater with a win against the struggling Mawson Lakes. Marion are desperate to stay in touch with the top four of the competition and will need to win to do just that. Meanwhile, the Saints had a breakthrough win a fortnight ago and will be disappointed with their loss on the weekend and will also be looking to bounce back and stay out of relegation danger. **Prediction: Marion by 36 points.**

### Trinity OS v Elizabeth

In the match of the round, Trinity take on Elizabeth in what should be an absolute cracker of a contest in Gawler. Both teams have started the season in excellent form and currently sit 1st and 3rd on the ladder respectively, with both sides having contributors all over the ground. This could be the biggest test for both sides to see where they are at in season 2021. I expect a high scoring encounter in what will be one of the games of the season between two premiership contenders. **Prediction: Elizabeth by 4 points.**

## THE DIVISION 7 Match Previews

### Central United vs Greenacres

Top of the ladder clash on Saturday seen Central United and Greenacres face off for early season supremacy. An even first half with both teams both having their fair share of ball just the smarter ball use by the Dragons gave them cleaner effectiveness on the scoreboard while the Doggies would be lamenting the amount of scoring shots wasted that would have seen themselves in front at half time, yet they trailed by 8 pts. After the break it was all the Units in general play, and they slowly started to put that advantage on the scoreboard with them ahead by 8 points with a quarter to play. The last quarter see-sawed both ways with a similar story unfolding until some key moments for Greenacres with some big tackles and Jack Mau in the midfield outstanding lifting his team over the line in a cracking contest. Ben Clarke kicking the sealer on almost the siren and a game both teams can take something from. Dragons getting away with a nail biting 10-point win.

### Flinders University vs Houghton

Houghton made the trip to Flinders University Saturday and with the first signs of winter approaching made for a scrappy contest in the first half at times as the ball was slippery and wet. Both teams had their chances with the Raiders making better use of theirs with slingshot football from back half to give them a 4 goal lead at half time after 2 amazing goals of brilliance from Barry Wanganeen. The Crabs returned after the break willing to try and reduce the margin but for all their hard work and dominance in the 3rd quarter found them still trailing by 21 pts at 3 quarter time which always meant they needed the first few goals in the last quarter but when big Adam Fiedler and Kodi Sparks linked up once again to kick a goal for Houghton with 10 mins to go the game was sealed and the raiders running out winners by 41 pts.

### Hackham vs Adelaide Lutheran

Adelaide Lutheran travelled to Hackham for their first look at the Hawks on Saturday and forwards Jacob Brown and Rowan Miegel began the game in fantastic fashion to give the Doggies a nice lead of 4 goals making use of more forward entries. Luke Allan for the Hawks was seemingly everywhere and in the 3rd quarter along with Jeremy Cross they ramped up Hackham's pressure on the Doggies and clawed their way back before 2 late Lutheran goals steadied their lead back to 10 points at 3 quarter time. The Hawks wouldn't give up without a fight and were being urged on by the home crowd for a historic first win before a late match winning goal from Chris Scholefield gave Adelaide Lutheran victory by 8 points.

### Mitchell Park vs OSB Lonsdale

Pride of the South battle of which Division 7 Lions team roars loudest took place Saturday at Mitchell Park. The home team began with fury through some hard tackling and with Adam "cheese" Halime's up forward dominance he was proving the difference between the teams and they lead by 5 goals at half time. After the break the Doherty boys asserted their authority around the contest and the OSB lions couldn't find a winner across half forward although their midfield of Fielder and Hunter continued to battle hard yet continually breaking down going forward which Mitchell Park mopped up and were more potent with ball in hand. This helped them be able to score more effectively throughout the 2nd half with Jye Thomson kicking 4 goals and pride of the Lions going to Mitchell Park running out big winners by 81 pts in a consistent 4 quarter performance.

## This week in Division 7

With a month played now for most sides Division 7 is proving competitive between the top sides but a gap forming between them and the next tier. 3/4 predictions last week and Greenacres proving to all of division 7 the first few weeks was no flash in the pan and will be in this competition a long way in season 2021.

### Central United vs Adelaide Lutheran

Battle of the Bulldogs between 2 top tier teams in Division 7 should see for an interesting contest on Saturday. Central United would be snarling after their first close defeat of the season to the Dragons last week in an outstanding contest and eager to atone through Adrian Mark in ruck to get first use so midfielders Olszewski, Reeves and Rick Keen can get the ball into their dangerous hands and give their talented forwards opportunities whom they hope convert better this week. Adelaide Lutheran back-to-back wins gives them some momentum now after a tough win against newcomers the Hawks last week with Rowan Miegel brilliant and Brown and Saunders will try make use of their opportunities forward of centre if the parklands doggies are to win this battle. Home team to bounce back for me.

**Central United 25-36pts**

### Brahma Lodge vs OSB Lonsdale

Early morning alarm will need to be set this week for OSB Lonsdale as they make the journey to face Brahma Lodge fresh off the bye last week and back-to-back wins in previous weeks before that. With the Tigers finding form recently and match winners all over the ground the Lions can take their pick of which Tigers player they'd like to try shut down from Scott Mendez, Curyer, Timpano and a host of others. OSB Lonsdale best chance will be through the midfield of Trembath, Hunter, Fielder and Morris who had their moments last week but never really threatened Mitchell Park therefore their depth around the ground will be a concern for me against the Tigers predicting another nice win for Brahma Lodge at home.

**Brahma Lodge 61-72pts**

### Greenacres vs Flinders University

What a win last week against a worthy opponent on their home deck the Dragons showed plenty of character and class and the last quarter showed why this team could now possibly be the team to beat for the rest of the season to come. Midfield dominators Stanbridge, Eisner and Mau showed that they too should be spoken about when talking about the Dragons along with the names with already become familiar with this season. Flinders University will have been pleased with parts of their game last week but need to clean up their skills around the ground as turnovers proved costly. Return of a few injuries would help the Pinder boys along with Matthews but the Dragons are a force in season 2021 I'm willing to suggest win heavily here. **Greenacres 49-60pts**

### Houghton vs Hackham

An interesting battle for first timers Houghton and Hackham to meet and after last week's results from the Hawks a real danger game ahead for the Raiders. Houghton's midfield dominates once again last week with Schutz, Thompson Brooks and Sparks proving the key to their chances so far this season. The Hawks have also shown some midfield quality themselves with Allan, Cross and O'Leary meaning both forward groups need make use of their opportunities to get the advantage over their opponent on the scoreboard. Houghton at home with the big Greenwith Oval will be something the Hawks will need to adjust too may make Raiders the favourites in this contest but wouldn't want to take the Hawks lightly.
