The Clemente Code

Will we see a flag or another Power outage?

As we see in every commencement of an AFL season, we see an emergence of favourites to claim the flag at seasons end. This has become a formality for all footy experts and enthusiasts, not just an activity to keep the punters enthused. A club that is always thrown into the pool of possibility is South Australia's own, Port Adelaide. Even though they have played a great brand of football and have an impressive list, they have always fallen short. Every new season puts past woes behind, and it is an immense opportunity for a footy club to make their mark in the competition. The Power have once again been hailed as a potential contender to bring the flag back to South Australia, will we see this happen when the seasons draws to a close in September.

by
William Clemente

In 2020's COVID struck season, the Power finished strongly claiming the title of 'Minor Premiers' and it gave the Port Adelaide faithful a lot of optimism. It was for the Power to lose they the possibility of claiming their second AFL premiership in the palm of their hands, however; as we all know they suffered a gut-wrenching defeat to the hands of eventual premiers, Richmond at the Adelaide Oval in the preliminary final.

Even though the 2020 season came to a close of extreme disappointment for the Power, there is still a lot of optimism surrounding the club and their faithful. The Power are currently sitting in fifth position on the ladder after nine rounds and in what is looking like an extremely competitive top four, Port is within fingertip distance. With six victories and three defeats so far, the ladder position forecasts a fruitful season ahead for the men in teal.

However, the contents of their three defeats are extremely worrying for the Power and their large die-hard support base. Their defeats have been ay the hands at the Eagles in Perth, the Lions in Brisbane and most recently the Bulldogs at the Adelaide Oval which has been described as Port's fortress in recent seasons. These defeats are extremely concerning because they have occurred against three sides who are positioned in the top eight. The only victory they have attained against a top eight outfit was a two-point victory against the Tigers at the Adelaide Oval in round four who are still searching for stability in their premiership defence. In a recent story published by Fox Sports News in their aftermath of their Bulldogs defeat, they have been hailed as the 'great seducers'.

Why is this? Why have a club of favouritism for the flag potentially claimed this title? It is because the Power fail against sides of extreme quality even though they are a side of quality themselves, respectively. With a powerful, dominant midfield lead by Ollie Wines and Travis Boak, and a commanding defence lead by Darcy Byrne-Jones and Aliir Aliir; their contest against the Dogs highlighted their struggles offensively. When their power forward who was last seasons runner up to Coleman Medal, Charlie Dixon does not fire they struggle for goals. Dixon remained goalless against West Coast, Brisbane and Richmond and he scored a couple of constellation goals in the final term against the Bulldogs. Against quality top eight sides who possess sound structured defences; the Port Adelaide forward line struggles to apply the scoreboard pressure.

It is an open season as they all are, and we are still enduring the early stages. The Power thus far again shown that they fail to reply when their brand of football is found out. They have the season to work on it and to progress. The Power will be there competitively in September without a doubt, but will the flag return to Alberton? Let's just say that pigs can fly!

Ando's Weekly Banter

King Kennedy

The Champion West Coast forward Josh Kennedy is probably one of the most outstanding forwards in the game. A dual Coleman medal winner, Leading goal kicker at West Coast Eagles an incredible 7 times. 3 time all Australian and Premiership player which is simply an amazing record of achievements in a stellar career. He has also to date kicked a total of 645 career goals in his career spanning 16 years.

by
Matthew Anderson

Last Sunday against the Adelaide Crows again Kennedy put on a masterclass performance. He was simply too strong, too fast and too smart for his opponent and finished the game with three goals.

Josh Darling had an incredible 10 minute period in the second quarter when he kicked 5 goals and was the leading goal scorer for the day with 5.2. Three of the goals that Darling kicked were as a direct result of Kennedy skill off the ball through out maneuvering, and holding off not only his direct opponent but Darling's as well.

Kennedy is not a player who will win a Brownlow medal as full forwards rarely win the medal and when you are in a star studded forward line such as the West Coast Eagles the chance is even further reduced as the votes will get shared amongst the forwards.

Kennedy's value to the forward line is also shown through what occurred on Sunday with the Crows on several occasions when the ball was coming into the West Coast forward 50 having 3 defenders on him at any one time. This obviously somewhat reduces Kennedy's impact on the game by physically being able to get his hands on the ball and contribute that way but it does allow Darling, Allen and Waterman far more freedom and room to operate in forward line. They did so very effectively with the trio kicking 11 goals between them on the day.

The very fact that Kennedy can draw multiple opponents for any marking contest in the forward 50 shows how much other clubs highly rate and respect his talent as when you have a forward line as potent as West Coast does that you use 2 defenders on Kennedy and let another champion forward be unguarded is a huge compliment to his playing ability.

Powerful, high marking forwards that put on a show regularly as All Australian Josh Kennedy did on the weekend is one of the major reasons West Coast get such good crowd numbers to their matches every week to see their Star in action.

He may well be getting on in years but the way he played on Sunday both as an individual performance and an unselfish team player you would expect this true Champion of the game to play on for several years to come.

Location, Location

The AFL Grand Final is each year held at the iconic MCG which is short for the Melbourne Cricket Ground. The Stadium is a showpiece of not only Melbourne but of Australia and the world. The ground can hold just over a 100,000 people and when achieving that, it is a Colosseum like no other with the atmosphere and noise beyond overwhelming it's difficult to not have spine tingles knowing first-hand what it is like. For all the plaudits and success that the MCG has had for continuously hosting the Grand Final there has been and there still is an ongoing debate regarding equality and fairness of the location of the Grand Final since Melbourne is home to 10 out of the 18 AFL clubs and 6 out of those 10 clubs are permanent tenants of the MCG. There is the main reason being that the premiership decider should be shared around each year with the benefits being farer on the interstate teams that have to travel and to continue to cultivate the game outside of the Victorian heartland. Those on the other side of the fence point to tradition that the MCG has and always will be the home of the Grand Final. Outdated is the word that first comes to mind when hearing that it is a "tradition" yes, a VFL tradition to host the Grand Final not an AFL one.

by
Jordan Sennett Perez

Prior to the game going national in 1990, when local suburban grounds were still in regular use, the MCG made sense as a largely neutral ground with no team being a regular permanent tenant of the ground. Since the AFL went down the centralisation road which saw imbalance within the competition rise, playing the Grand Final at the MCG which as mentioned before is home to several Victorian based clubs is the single biggest hindrance on the 8 non-Victorian clubs in the AFL. Since 2003, just 5 interstate teams have claimed the premiership and 3 out of those 5 were against fellow non-Victorian teams. Seven Victorian teams to go with 4 more who play their home games elsewhere in Melbourne have claimed the other flags, some against teams who were not only interstaters but the higher ranked team. Did home ground advantage play a part in it? Absolutely 100% yes and should the higher ranked team host the Grand Final wherever they are based in Australia? Absolutely yes again.

One is example is Richmond who have arguably or unarguably been the best team in the competition for the past few seasons but their charges towards their 2017 and 2019 premierships make for much closer analysis than what was originally given. In 2017, the Tigers did not once leave the MCG and even unofficially hosted the qualifying final against Geelong even though the Cats were the higher ranked and the game really should have been played at Geelong's actual home ground (Kardinia Park) located in the city of Geelong located 75km south-west of Melbourne and also played host to and beat the higher ranked Adelaide in that year's Grand Final where home-ground advantage was a huge factor. Even more noteworthy is in 2019 where Richmond played at the MCG for 7 consecutive weeks and only leaving once thereafter to play Brisbane in the qualifying final in Brisbane which they won therefore heading straight back to the MCG on route to the flag. These outcomes and circumstances cannot go unnoticed, these things can't be simply brushed aside as a footnote, it must be brought to attention as a flaw and a huge inconsistency and fixturing within the AFL. The MCG has the contractual agreement to hold the Grand Final until 2057 which is a long time away... Too long. Come the year 2058 there must be change and the AFL will become a true national competition.

DON'T TAKE OUR WORD FOR IT...
HERE'S WHAT OUR CUSTOMERS HAVE TO SAY!

I've used many fish oil additives in my burley mixes over the years and this one is the best by far. Irrespective of tide movement or bite times it stimulates the fish into a feeding frenzy and provides a superior catch in record time, every time. Can't recommend these products enough - I'm truly impressed!

PETER C., SOUTH AUSTRALIA

This little oil is liquid gold! Since changing from tuna oil I've been catching more and I use it for everything now, hooks, reels, sinkers & my boat trailer. **ALEX M., QUEENSLAND**

We had great results over the 2 days we bagged out on whiting on both boats on day one but also caught Travally sweep salmon and Squid which were our target species. Day 2 was a dodge tide so not best conditions for fishing, but we did get whiting and more squid on that day. We did a test and between 2 boats over same reef structure one used the oil the other didn't and both had their own berley stream and the boat using the oil in the berley and bait did get more fish in far shorter time. Great weekend lots of fish and we all say Thank you! **ANTHONY & THE BOYS, PT. VIC**

Just had a nice trip away, garfish went nuts using the oil, we cleaned up. Quite impressive we had them swimming around our legs using the oil they were quite keen on it! **SHANE, FISHINGSA MAGAZINE**

THE DIVISION 1 Match Previews

Brighton Bombers vs St Peters OC / 10.7-67 vs 7.8-50

The Bombers have moved to equal 3rd after a strong win at home against the Blues. The game started slightly in favour of the home side as they kicked two straight goals and managed to hold the Blues to just the one major, to into the first break 5 point leaders. The second quarter saw the Saints step on the gas however, kicking three goals to kill the deficit and lead by 7 at the main break. After the main break, the game seemed to even out again with both sides trading blows, but the home side outscored the Blues to restore their slight lead at the last break. The last quarter however quite heavily fell into the laps of the home side kicking three goals and only conceding one to see off St Peter OC by 17 points. It was B. Irons and T. Dickson who were instrumental for Bombers, while J. Higgins and H. Cudmore were the stand out personalities on the pitch for the Blues.

Goodwood Saints vs Prince Alfred OC / 13.7-85 vs 11.12-78

The Saints have secured a HUGE win in their season knocking off top placed and unbeaten Reds side to go equal top. The Saints started the game strong, as they kicked five goals to the Reds three to take a slender lead of 7 points into the first break. The second saw much of the same action with the Saints just having the upper hand to extend their lead to 11 at the main break. It seemed as if the Reds were going to make a game out of it as for the first time, they outscored the Saints to cut the deficit to just 7 points going into the final term. However, the Saints were too strong in the final term kicking a final three goals to see out the game by a slender 7 points. T. Carter and N. Homburg were fantastic for the home side in a season defining win. Although a poor result, J. Trengove and W. Dalwood were great for the away side.

Port District vs Unley Mercedes Jets / 9.15-69 vs 10.8-68

Port have seen off a resilient Unley at home to go outright 8th and sit only a single win out of a finals place. The first quarter was a low scoring one with both sides only kicking a single major, but the home side took a slender lead of 4 thanks to some poor kicking. The second saw the away side do something they haven't all year, kick 5 goals in a quarter to smash the lead and go into the main break as 5 point leaders. After the break, the Magpies started flying as they kicked three and only conceded one to restore their lead and extend it to 12 points going into the final quarter. The fourth quarter saw the away side out score the Magpies kicking three goals but fell short by 1 point after missing multiple chances to take the lead and the win the game. G. Shephard was amazing for the home side kicking four goals, with B. Goold and D. Passaniti putting on a show as well. For the Jets it was R. Faehrmann who once again was instrumental, not the first time I have written that this year, and D. Arnold and J. Earl playing exceptionally well in a disappointing slight loss.

Payneham NU vs Rostrevor OC / 7.6-48 vs 12.12-84

ROCS have seen off Payneham in what turned out to be a comfortable win to go equal 5th and keep their finals hopes alive. The game seemed to start following suit with the home side taking an early lead by kicking 3 unanswered goals in the first term. However, it was all Rostrevor from the second out scoring the home side and taking the lead at the main break by 3. The third was much of the same with the away kicking a further 4 goals to extend their lead to 11 at the third siren. The fourth saw the away side stronger than ever coming out to kick a further 5 goals to see off the Falcons and step above them on the table. It was K. Roocke who was a diamond in the rough for the home side, while J. Veide and L. McCormack were fantastic for the away side in a great win for ROCS.

Tea Tree Gully vs Adelaide University / 16.7-103 vs 10.15-75

The Wolves have secured a big win the context of their season going equal fifth to keep their finals hopes alive. Gully started the game strongly doubling the Blacks score at the first break to lead by 16. The second saw the Blacks claw their way back into the game kicking four goals to Gullies three to cut the lead back to a respectable 10 points at the main break. However, the home side must have had some seriously sweet half time oranges as they kicked a MASSIVE seven goals in the third term to take a strong lead of 45 points into the final term. The Blacks ended up playing for pride in the final term, outscoring the Wolves but the third quarter deficit was too much to overcome, and the game ended in the favour of the home side by 28 points. M. Stent and T. West were great for the home side, but it was B. Latham who scored 6 goals and showed his class. For the Blacks it was the Marini brothers who were instrumental in a disappointing loss for Adelaide University.

This week in Division 1

Rostrevor OC vs Brighton Bombers

Rostrevor will look to build on their impressive win last week but come up against one of the toughest of opponents in the Brighton Bombers. The Bombers who last week saw off St. Peters OC to go equal 3rd, will hope to play with the same intensity away from home this week. ROCS have a chance to go equal 3rd if they are victorious but will have to be at their very best to compete against a very competent side in the Bombers. **The fan in me wants to see a close hard-fought game, but I see the Bombers going all the way here with ease in a 15+ point victory.**

St Peters OC vs Port District

The Blues will look to bounce back after a disappointing loss last week against the Bombers. The Saints have a chance to go equal top if results are kind to them, and if they see off a side who struggled but won against the bottom side in the competition. Port were average last week but will be counting their blessings after walking away with a 1 point win against the bottom side. **Being a home game, I see the Blues running away comfortable winners by 20+ points.**

Unley Mercedes Jets vs Goodwood Saints

The Jets had a good performance last week only losing to Port by a single point. They will have to be at their very best to compete this week as they play an inform Saints who just saw off the unbeaten Reds side to go equal top. This game could be a huge win for Unley who could look to reboot their season in hopes of competing for finals. **However, I see this game being a huge blowout with the Saints running away 50+ point winners.**

Prince Alfred OC vs Tea Tree Gully

The Reds have the chance to bounced back after a disappointing loss to Saints last week. The wolves are coming off an impressive win against the blacks however which could give them the confidence to trouble a seemingly depleted side in the Reds. **With the Wolves being away, I see the home side coming out on top here to tighten their grasp on the league and be 10+ point victors.**

Adelaide University vs Payneham NU

Adelaide Uni will need to be their very best this week to go a single win outside of a finals position, but face opponents who will hope to jump into a finals spot with a win and handy results elsewhere in the Falcons. The Falcons, who are coming off a disappointing loss against Rostrevor last week, will hope to bounce back strongly and keep their finals hopes alive. **Because of this, I see the Falcons seeing off the Blacks and securing a big win in the context of their season, winning by 25+.**

THE DIVISION 2

Match Previews

Lachy Jones gives his match previews for this weeks matches

Broadview 4.7 (31) def by Glenunga 8.8 (56)

In a low scoring affair, Glenunga kept their unbeaten streak alive, taking care of Broadview on the road by 25 points. Leading by just seven points at half time, the Rams were tested to the max by a strong Tigers outfit, but ultimately prevailed thanks to a four goal to one second half. Alex Haren was instrumental in the win, picking up best afield honours while also kicking two goals, while Tom Langford backed up his seven goals last week with three more. Ryan Falcione was Broadview's best, in a loss that puts them in fifth.

Henley 9.11 (65) def Plympton High & Camden 6.10 (46)

The Sharks were brilliant at home, handing the Phantoms their first loss of the season in a game headlined by missed opportunities. Plympton High & Camden had a massive chance to stay in it early but kicked seven behinds in the first half without a goal while Henley kicked six goals, putting the game to bed early. However, a furious third quarter fightback saw the Phantoms kick five goals to one to trim the gap to eleven points at three quarter time, before the home side was able to close out the game and secure their fourth win. Jack Enright was Henley's best, while Dylan Strickland was the best in a losing effort for the Phantoms, who now sit a game behind the leading Glenunga.

Old Ignatians 9.20 (74) def Salisbury North 7.11 (53)

It was a very inaccurate affair for both sides, especially Old Ignatians, but it was the home side that prevailed in a game where the lead barely deviated from two to three goals the entire match. The home side probably should have won by more – 20 points is an appalling performance in front of goal – but they did enough elsewhere to win regardless, and the four points is all that matters at the end of the day. Jared Centenera is putting together quite the season so far, picking up his second straight best on ground performance, while Old Ignatians shared numerous goalkickers. Ben Wiles was the Hawks' best in the tough loss, that sees them fall to 8th at 1-5.

Sacred Heart 16.10 (106) def Athelstone 8.9 (57)

Sacred Heart have kept their season in good terms with a dominant 49-point win over the freefalling Athelstone on Saturday. Good kicking in front of goals aided the big win for the home side, who sit pretty at 3-3 right in the middle of the pack after six rounds. Oscar Lovelock was best afield for Sacred Heart, while Connor Hartshorne led all goalkickers with four for the winning side. On the other side of the spectrum, it is all downhill for Athelstone, who have slumped to 7th after a great opening round win. Since that game, the Raggies have won just one game and sit at 2-4 in some poor form, in need of a spark soon.

Scotch 5.10 (40) def by Seaton 12.20 (92)

In the battle of the winless sides, it was the Ramblers who kickstarted their season big time with a 52-point victory on Saturday. Albeit the margin should have exceeded 70-80 points had the visiting side kicked straight, which seems to be a repeating narrative this round amongst most teams. Scotch, who have struggled all season so far, could not get it going after quarter time as they

kicked just two goals since the first term, where they got out to a fast start kicking three goals and leading at the first change. Spearhead Brett Harland continued his goalkicking display, booting five in a man-of-the-match clinic. Harry Mansfield was the rare positive for the bottom-feeding Scotch, who at 0-6 might already need to start thinking about next season.

This week in Division 2

Looking at the week ahead, it may be a tale of the rich get richer as some of the top teams have favourable matchups, while some teams trying to figure out just where they sit have a great chance to break away from the pack.

Plympton High & Camden, who suffered their first loss of the season last week, have a great chance to back at home, where they love playing, against a Broadview side that also lost last week. Although they remained competitive against the best side Glenunga at home, they were held to just 31 points and will need much more than that if they are to upset the Phantoms on the road. Plympton High & Camden by four goals.

Henley were awesome on the weekend, knocking off the Phantoms at home and gaining some ground on second place. However, they are on the road this week, and come up against a potentially surging Seaton squad that enjoyed their maiden win of 2021 on Saturday against Scotch. Finally, some momentum can play into the Ramblers hands, but unfortunately there is not a tougher gig than a road game against Henley, and I think the Sharks should win comfortably.

Sacred Heart have an opportunity to string two wins together for the first time this season when they host the lowly Scotch, who were embarrassed by fellow bottom-feeder Seaton on the weekend. After dismantling Athelstone in round six, Sacred Heart could go above .500 and sit 4-3 with a win this week and should do so easily as Scotch have not been competitive this year so far. The only positive for the winless side is it cannot get any worse, can it?

The Hawks are at risk of missing finals if they suffer many more losses, so a win at home this round would go so far in giving them a chance at September action. And what better way to do it then against a Raggies outfit that has severely struggled of late, losing four of their last five, and by big margins too. Salisbury North, although they have not been great either, should hold strong at home and swing some much-needed momentum their way, while Athelstone will slip to 2-5 and in a spot of bother.

Lastly, Old Ignatians seem to be next on Glenunga's winning list, as the Rams host an inconsistent Old Ignatians squad that sits at 4-2 after a crucial win last week against Salisbury North. Glenunga, who have yet to be really tested, have cruised to a 6-0 start, and are fast becoming the flag favourites, and if all goes to plan, they will hold strong again at home. For the sake of the competition, a great challenge from the visitors would go a long way to show that the top dogs can be beaten.

Jacob Matheson gives his match previews for this weeks matches

THE DIVISION 3 Match Previews

North Haven v Flinders Park

For the second consecutive week, North Haven have handed an undefeated team their first loss of the season, this time against Flinders Park at Largs North Reserve, winning by 36 points in the 12.8 80 to 6.8 44 triumph. The Magpies key to success in recent weeks has come off the back of their excellent defensive pressure and their ability to tackle when opponents have the ball. North Haven, who led by 20 points at quarter-time, were able to keep Flinders Park goalless in a quarter for the first time on the season, only allowing a single point to be scored off a Cameron Miller set shot that missed to the right. Flinders Park kicked their first goal of the game 2 minutes into the second quarter courtesy of James Schwarz. North Haven would take a 22-point lead into the sheds at halftime following a dominate first half of football. Led by tall forward Thomas Sandercock (2 goals) and exciting goalsneak Jack Foster (5 goals), North Haven booted six majors to none in the third quarter to extend the margin to a game-high 58 points at the final change. Luke Ivens and his men cut the deficit back to 36 points in the final quarter kicking four goals to one. Kyran Dixon ass named best on ground for the home side and Joshua Gericke was Flinders Park's best player on the day. With the win, the Magpies sit equal 2nd behind Flinders Park with 5 wins and a loss.

Westminster v Portland

Westminster are back on the winners list after a triumphant 168-point thrashing of Portland at Glandore. The 29.18 192 to 3.6 24 win ends The Dragons 4-game skid and gives them their second victory of the season. Westminster flew out the gates early piling on seven goals in the opening quarter to lead by 38 points. Westminster then added a further three goals before halftime to extend their already massive lead out to 55 points. Portland managed to kick only one goal up to halftime. The Dragons kicked 17 final quarter goals from 30 scoring shots in what was their biggest fourth quarter score of the season to date. Aaron Fickle continued his excellent early season form booting 8 majors in the victory to put him second in the goalkicking with 25. He, along with Riley Wilsdon (4 goals) and Jaden Grosser (4 goals), combined for 16 of Westminster's 29 goals. For Portland, the loss see them fall to 0-6 with five of those losses by more than 100 points.

CBC Old Collegians v Modbury

Modbury recorded their third win of the season when they defeated CBC Old Collegians by 47 points at East Parklands over the weekend. The 14.9 93 to 6.10 46 victory sees Modbury's record improve to 3-3 equal with Gaza. Leading at every change, the Hawks were unmatched and never let CBC get close to them the entire match. Modbury led at quarter-time by 25 points, half-time by 41 points and three-quarter time by 42 points. The Dolphins were goalless in the first half only kicking six behinds. It was not until the early stages of the third term that the home side kicked their first major of the match. Modbury's Liam Verity booted 10 goals in the victory and was named best on ground. Aaron Marchioro kicked 3 goals for the Dolphins and Michael Gabrielli did all he could to be named best afield for his team. The loss sees CBC fall to 1-5 after 6 rounds and are currently sitting in eight spot on the premiership table.

Plympton v Gaza

Previously winless Plympton had to come from behind twice to record their first victory of the season against Gaza at Plympton Oval. The Bulldogs trailed at both quarter-time and three-quarter time on their way to a momentous 11 point win, 12.19 91 to 11.14 80. Gaza who led by 5 points at the first break, looked on their way to secure yet another victory, but Mark Schutz fired his men up during the quarter-time huddle as they kicked 4.7 to 2 points to take a 24 point lead into the sheds at half time. Plympton's 31-point turnaround in the second quarter was then matched by Gaza in the third quarter as the Eagles booted six goals to one to lead by 8 points with one quarter to play. Plympton, however, were not giving up and fought back to snatch the victory late in front of their home fans. The upset victory was led, in large part, by an excellent 6-goal performance from Zac Peake as well as a best on ground performance from Harrison Phelan. Bryce Denham was best for the Eagles, who, with the loss, missed an opportunity to consolidate their spot in the five and fall to 3-3 just ahead of Modbury on percentage.

Edwardstown v Golden Grove

Golden Grove overcame an early first half surge from Edwardstown to remain perfect through the first six rounds with a 11.9 75 to 10.9 69 victory at Edwardstown Oval. The 6 point win makes the Kookaburras the only team to remain undefeated in season 2021 as they managed to hold off a tough Edwardstown outfit looking to avenge themselves after a loss last weekend. In high pressure first quarter, Edwardstown showed they were up for the fight and lead by 7 points at quarter time in what was already looming as one of the matches of the season to date. The Towns continued to pressure the Kookaburras and extended their lead to 21 points by halftime. The reigning premiers were rattled and a momentous upset victory for the home side looked a real possibility. Golden Grove, however after halftime showed why they are the reigning premiers as they took control of the game booted six goals in the "premiership quarter" to take momentum-swinging two goal lead into the final change. Edwardstown continued to come in the final term, but it was the Kookaburra's poise under pressure that was ultimately the difference. Golden Grove was led by the always influential Jake Pitman, who was well supported by Kyle Thorogood with 4 goals. Edwardstown suffer their second straight defeat, to another top five team and fall to 4-2 in what was a disappointing loss after such a very strong start to the game. Toby Case was once again one of the standouts for Edwardstown being adjudged their best for the second consecutive week.

This week in Division 3

Golden Grove v CBC Old Collegians

Undefeated Golden Grove return home to Harpers Field to take on CBC Old Collegians, who are coming off of a disappointing 47-point loss to Modbury. Golden Grove showed the competition why they are the reigning premiers when they came-from-behind to defeat Edwardstown by a goal last weekend. The Kookaburras are a chance to widen the gap between them and the rest of the competition with a victory on their home deck against CBC on Saturday. Whilst the Dolphins can change the landscape at the top of the ladder and get their season back on track if they can manage to knock off the undefeated reigning premiers. With this being at home, Golden Grove are the favourites and should finish the round the same way they entered it – undefeated. **Golden Grove by 67 points.**

Gaza v North Haven

Klemzig Oval is the venue for Gaza v North Haven when the two teams do battle with each other on Saturday. North Haven are coming off of a very impressive 6 goal

victory against previously undefeated Flinders Park while Gaza fought hard but ultimately fall to Plympton by 11 points on the road last weekend. The Magpies enter this game with a ton of momentum having won their last 2 games against previously undefeated sides in Edwardstown and Flinders Park. North Haven's Jack Foster currently leads all goalkicking with 28 and fellow forward, Thomas Sandercock has also been impressive with 17. A victory for North Haven would see their record improve to 6 and 1 and solidify their place in the Top 3. For Gaza, they missed a big opportunity last week end to strengthen their grip on a top 5 position. A win would see them improve to 4-3 and only a game behind North Haven, while a loss could see them out of the five. Despite this being away from home, North Haven enter this match as slight favourites. **North Haven by 13 points.**

Modbury v Westminster OS

Modbury welcome the travelling Westminster OS Dragons to Modbury Sports Reserve. Both Modbury and Westminster are coming off impressive wins, the Hawks defeated CBC by 47 points and Westminster made easy work of Portland accounting to them by 168 points. A win for Modbury in front of their home fans would see them improve to 4-3 and potentially in the top 5 come Saturday evening. Should Westminster come out on top in this clash, they would improve to 3-4 equal with Modbury. Modbury enter this clash slight favourites, however expect this to be a close game throughout. **Modbury by 20 points**

Portland v Plympton

Plympton travel to Port Reserve to take on winless Portland when the two bottom-placed teams battle it out. Plympton are coming off a very impressive come from behind 11 point victory over Gaza to record their first win of the season. Whereas Portland's season continues to be a battle after a disappointing 168 point defeat to Westminster. This might be Portland's best chance for a victory since 2019. Portland showed two weeks ago in their last home game against CBC that they are improving, but so have Plympton over the last couple of weeks. The Bulldogs come into this game favourites and will have gained some much need confidence having recorded their first win last week. **Plympton by 75 points**

Flinders Park v Edwardstown

Flinders Park play host to Edwardstown when the two teams meet at Flinders Park on Saturday. Both teams are coming off of losses, The Reds, were not able to match North Haven and fell to them by 36 points and Edwardstown went down by 6 points to Golden Grove at the death in what was a see-sawing, back and forth contest. Edwardstown who enter this Round on a two-match losing streak, will be looking to get back onto the winners list and stake their claim as a legitimate top 3 contender. Flinders Park, on the other hand, will be looking to avenge their disappointing six goal defeat with a victory at home. A win for Flinders will see their record improve to 6 and 1 and cement their spot in the top 3. This is set to be a very intriguing game of footy between two of the competition's best teams and has the potential of being the Match of the Round. It is a 50/50 contest but with Flinders Park being at home, they should get the 2 points. **Flinders Park by 5 points.**

THE DIVISION 4

Match Previews

Angus Heuer gives his match previews for this weeks matches

Pembroke OS v Morphetville Park

Pembroke OS have cemented their spot in second spot of the division four table after defeating Morphetville Park by eleven points in an enthralling contest under lights at Norwood Oval. The Kings trailed by a goal at the quarter time huddle before kicking five goals to two in the second term to take an eight-point lead into the main break. The second half was an arm wrestle between the two teams, a stark contrast to the free flowing, high scoring manner in which both sides usually play. Morphetville were able to wrestle back a two-point lead at three-quarter time but were held goalless in the final term with the Kings two final quarter goals enough to secure them their fifth win of the year. James Allen was the star for Pembroke, kicking four goals while Oliver Harms delivered another strong performance while Alex Forster managed three majors, his lowest output of the season. For the Roo's Matthew Duldig kicked three goals while Aaron Rainey delivered another strong performance. While the loss still has Morphetville Park a game clear in third position a tough matchup against undefeated Walkerville threatens to drop the Roo's back with the pack of teams currently lodged at 3-3.

Kilburn v SMOSH West Lakes

SMOSH West Lakes have stormed into the top five after a dominant 71-point victory over the winless Kilburn at Blair Athol Reserve. Away from home, the Lions got out of the blocks strongly, kicking four goals to one and taking a twenty-point lead into quarter time. Kilburn turned up the intensity in the second term, keeping the halftime deficit to 19 points before the Lions flexed their muscle in the second half, kicking eleven goals to three and recording their second consecutive victory. Cohen Mattner was the Lions main target up forward with six goals while Rocco Rugari offered tremendous support with five majors of his own. Adam Mahney once again performed strongly Darcy Ginever was everywhere in a best on ground performance. For Kilburn Adam O'Hara and Rhys O'Keeffe kicked two goals each while Trent Ambler and Brayden Ley both starred in the loss. Alarm bells have no doubt started ringing at Kilburn who will be desperate to record their first victory of the season when they face another tough matchup on the road against Hope Valley this Saturday.

Gepps Cross v Woodville South.

Gepps Cross have maintained their spot in finals contention, escaping from Duncan Fraser Reserve with a five-point win over a valiant Woodville South outfit. In front of their home fans the Rams started strongly, taking a 12-point lead into quarter time after a four goal to two first term. However, the second term belonged to Woodville, who played some of their best football of the year to kick five goals to one and turn the deficit into an eleven-point half time lead. Gepps Cross responded and both teams were locked at 9.6 with one quarter to play. The last term belonged to the Rams who were plagued by inaccuracy but did just enough to secure the victory. Brayden White kicked three goals for the Rams while James Clark-Rantasa kicked two majors and Jack Wood dominated in an important victory that breaks a two-game losing skid for the Rams, keeping them only percentage outside of the top five with a crucial matchup against a struggling Pulteney side. For Woodville South, Nicholas Mizithra and Camreon Bell contributed three goals each while Patrick Binnion performed well in defeat. Woodville play host to Mitcham this Saturday, desperate to record their second win of the year.

Mitcham v Hope Valley.

Mitcham have pulled off a big upset, defeating Hope Valley by 27 points at Thomas Farms Oval. The contest was tight for the first quarter before the Hawks took control in the second, kicking four goals to one and taking a 23-point lead into the main break. The Demons responded in the third term, kicking the only four goals and reducing the margin to a solitary point. Hope Valley looked like overrunning the Hawks, making them pay for their inaccuracy but Mitcham responded to the challenge, kicking five goals to one and recording their third win of the season, keeping them right in the mix for a top five position. Maxwell Smyth kicked four goals for the victors, while Reece Lillecrapp continued his blistering form with two majors and Oliver Pride gathered plenty of the football in a dominant performance. For the Demons Daneil Williamson recorded four

goals, while Adam Maschotta starred and young gun Nicholas Paterson celebrated his A grade debut with three majors. While the Demons remain in fourth spot after the loss they will be desperate to get back on the winners list when they host winless Kilburn.

Walkerville v Pulteney

Walkerville have overcome an extremely inaccurate performance to defeat Pulteney by eleven points at Walkerville Recreation Ground. Walkerville dominated early play, but an inaccurate forward line saw them take just an eleven-point lead into half time. This inaccuracy continued in the third term, but the Cats were still able to score four goals, opening the three-quarter time lead up to 21 points. Walkerville again peppered the goals in the final term, allowing the Blues a sniff but did just enough to come away with their sixth consecutive victory. Adam Proud once again lead from the front with five goals, while Tyler Wagner offered support with two goals of his own. Sean Kuerschner had another strong performance while Adam Law was once again in the Cats best. For the Blues Joshua Giddings and Dalton Tucker both gathered plenty of possessions while Damien Hill backed up his four majors from last week with six goals in a valiant performance. The loss leaves Pulteney sitting in eight position with a crucial matchup against Gepps Cross this Saturday.

This week in Division 4

Hope Valley v Kilburn.

Hope Valley welcome Kilburn to Hope Valley Oval, looking to bounce back after their disappointing loss at the hands of Mitcham. There is not a much better opportunity to do it then against the winless Magpies, who suffered another heavy loss Saturday, this time at the hands of SMOSH West Lakes. The Magpies have been unable to string together a four-quarter effort all season and I expect this to continue as Hope Valley cruise to a comfortable victory. **Hope Valley by 68 points.**

Morphettville Park v Walkerville.

Walkerville travel to Kellett Reserve, looking to record their seventh consecutive victory and continue their unbeaten start to the season. Walkerville played in their closet game of the year against Pultney but had inaccuracy to blame as despite dominating scoring opportunities were unable to finish in front of the big sticks. Morphettville Park come into the clash sitting third and looking to bounce back from their loss to Pembroke OS. A win would solidify the Roo's as premiers contenders and I think they have enough firepower to cause an upset. **Morphettville Park by 7 points.**

Pulteney v Gepps Cross.

Pulteney and Gepps cross face at Morgan Oval in what should be an intriguing matchup between two teams trying to force their way into the top five on the table. While Gepps Cross are coming off of a win and Pulteney a loss the Blues look to be in better form after pushing undefeated Walkerville while the Rams barley escaped with victory over a struggling Woodville South outfit. In front of their home fan's I expect the class of Pulteney to prove too much as they secure their third victory of the season. **Pulteney by 17 points.**

SMOSH West Lakes v Pembroke OS.

SMOSH West Lakes face Pembroke OS at West Lakes Shore Oval, looking to build on their strong form and knock off one of the top teams in the division. The lions last fortnight has been outstanding with two important victories but face a Pembroke side brimming with confidence after defeating a strong Morphettville Park outfit on Friday night. The Lions may jump out of the blocks early but the Kings strong forward line, led by spearhead Alex Forster should be enough to overrun the Lions.

Pembroke OS by 21 points.

Woodville South v Mitcham.

Mitcham travel to The Stable Oval, looking to build off last weekends victory against a competitive Woodville South side. The Hawks are coming off an impressive win over a strong Hope Valley outfit that see them sit just 5% out of that vaunted top five position on the ladder. Despite their 1-5 record Woodville South have proven to be a tough team to defeat, especially at home and the team will be looking to avenge their last quarter fadeout from last weekend and show their fans that there is still life in their season. Expect a strong start from Woodville before Mitcham are able to take back control in the second half and record their fourth victory of the season. **Mitcham by 23 points.**

Match Previews

Harry Mead gives his match previews for this weeks matches

Hectorville v Colonel Light Gardens

Colonel Light Gardens have returned to winning ways after they overcame Hectorville by one point at Daly Oval. The loss sees Hectorville slip to seventh on the ladder after a very promising start to the season. Both teams started modestly, as Hectorville carried a seven-point margin into quarter-time. Colonel Light Gardens lifted their pressure in the second term but failed to cut away at the Hectorville lead, as both sides scored four goals for the quarter, giving the Hounds a one-goal lead at the main-break. A spectacular mark in the goal-square from J. Goudman-Glasson kickstarted Hectorville's third quarter push. The Hounds looked to take control of the game, outscoring the Lions four goals to two for the quarter. Colonel Light Gardens held their nerve however, as they mounted the pressure upon Hectorville in the fourth. The final term was truly an arm-wrestle as scoring begun to stutter. Hectorville registered a single behind for the quarter meanwhile Colonel Light Gardens kicked 2.4 to snatch the lead, and eventually the win, away from Hectorville. Goudman-Glasson continues to lead the Hectorville forward line, adding five goals to his tally, while E. Wood top-scored for the Lions, kicking three. J. Boundy put forth another imposing performance for Colonel Light Gardens, while J. Combe led the way for Hectorville.

Eastern Park v Fitzroy

The Fitzroy losing streak lives on, after a 73-point smashing at the hands of Eastern Park at Dwight Reserve. The Lions never really got going and were outplayed from the onset, as they gave up 6.7 in the opening term. The 30-point quarter-time margin was as close as Fitzroy got all day, as Eastern Park continued to dominate. The Eastern Park players ran rampant to extend their 30-point lead out to 52. The Lions' third quarter was their best, as they slowed the Eastern Park scoring while applying some of their own scoreboard pressure. They managed to reduce the lead from half-time down to 48 points heading into the final term. Eastern Park kicked their game up another gear to finish very strongly. The Demons added another seven goals to assert their dominance. M. Wiese was Fitzroy's best yet again, with D. Miller also proving to be a shining light, kicking three. I. Williamson was Eastern Park's most impressive, booting four in an outstanding display. A. Burgoyne's scoring presence was also top-notch, joining Williamson on four goals.

Lockleys v West Croydon

Lockleys have notched up a third consecutive win after dispatching West Croydon by 20 points. West Croydon kicked the first goal of the game; however, this would be their only goal of the opening quarter. Lockleys rallied to kick six unanswered to take a 29-point lead into quarter time. West Croydon refused to lie down, fighting back in the second. The Hawks kicked four for the quarter, reducing the deficit to three goals. West Croydon's momentum flowed into the third quarter as the margin was once again cut back. The pressure that the Hawks players applied during the third was impressive, however Lockleys were able to withstand most of it, holding onto a nine-point lead at three quarter time. The match was anyone's to win and it looked like West Croydon had jumped at the opportunity early in the fourth. They were first to score, as the Lockleys defence appeared to be crumbling late in the match. They were quick to sure up, with the early score being the only West Croydon goal of the last term. Lockleys gathered momentum and piled on three goals to seal the match. The Demons were led by B. Kennett and S. Gatis' four goals, meanwhile for West Croydon, T. Milera was their best and was well supported by M. Wanganeen who kicked three.

Salisbury v Pooraka

Pooraka's three-point win over Salisbury sees them climb to the top of the ladder. Salisbury now find themselves in fourth position after two consecutive losses. The game was poised to be match of the round and it certainly didn't disappoint in what was an arm wrestle of a match. Pooraka looked to be the better side in the opening term, however they failed to pull away from Salisbury who were resolute competitors. The Bulls went into the quarter-time huddle up by nine, but one can't help but feel it should've been more. Salisbury blew out the cobwebs in the second term, kicking 3.4. However, Pooraka weren't complacent and managed to maintain a small lead. The third quarter was much of the same, as both teams battled hard with either team being able to definitively pull away from the other. The lead at three-quarter-time was back out to nine points, as both teams steeled themselves for a tight finish. Both teams had their chances and failed to take them with inaccurate goalkicking being a common theme between the two. Salisbury finished strongly but the Bulls managed to hold on, securing a vital three-point win away from home. J. Mann kicked three for Salisbury and was matched by R. Rankine and L. Buckby from Pooraka who each had three. Rankine's performance was highly impressive, carrying his team over the line and thwarting the likes of M. Keenihan and C. Biddle from Salisbury.

This week in Division 5

West Croydon v Hectorville

Both sides come into the match at Fawk Reserve in poor form, having both lost last week. Hectorville showed their class in the opening two rounds where they picked up two big wins. I find it hard to believe that they'll be able to return to this level immediately, however I am predicting a bounce-back. West Croydon have put forth some commendable performances but are too inconsistent for my liking.

Hectorville by 21 points.

Pooraka v Eastern Park

Eastern Park go into Saturday's game at Lindblom Park as arguably the most in-form team in the competition. The matchup against Pooraka is tantalising as Pooraka have also hit a rich vein of form and will be looking to cement themselves as genuine flag favourites. Eastern Park should push the Bulls until the final siren; however, I believe the home side will outclass them on Saturday. **Pooraka by 9 points.**

Kenilworth v Lockleys

The clash between Kenilworth and Lockleys at Simonds Park will be the match I'm most looking forward to as the result will answer many of my questions. A Lockleys win would suggest they are returning to their winning ways of 2020 and that they could be a dangerous team come finals time. A Kenilworth win will cement the Kookaburras' premierships favourites status. Both sides have it all to play for so expect a cagey affair. I think Kenilworth are marginally more consistent and this consistency should pull them over the line when it starts to come down to the wire.

Kenilworth by 18 points.

Colonel Light Gardens v Salisbury

Salisbury's match against Colonel Light Gardens at Streetfleet Park on Saturday will be an excellent opportunity for the Magpies to gauge where they are at this season. Having lost their last two games, doubts have been surfacing over the legitimacy of their initial run of form. A win on Saturday will shut these thoughts down, although it'll be a tough ask against Colonel Light Gardens. The Lions have been quite inconsistent this season, but their best is scary. Colonel Light Gardens could pounce on any Salisbury complacency. **Salisbury by 17 points.**

THE DIVISION 6 Match Previews

Rosewater v Para Hills

Rosewater have overcome an eight-point quarter time deficit to secure a well-earned 28-point victory at home against the lowly Para Hills. The Reds brought the heat early on and held the lead at the first break, before the Bulldogs broke the game open in the second quarter with a seven goal to nil quarter. Para Hills brought the game back to a 14-point encounter at the final break before the class of Rosewater stood strong in the final term for their second straight win. In his first game of the season, Fabian Johnson kicked three goals and led the way for Rosewater and was strongly supported by Jonathan Bugeja and Eric Rigney who each kicked two. James Deeley-Godfrey was best on for the victors, while Daniel Reardon backed up last weeks best afield performance with another strong game. For the visitors, Daniel Weetra continued his goal-kicking form with five goals and provided a strong target all game, while Bailey Spackman & Andrew Tanner were strong all afternoon and gathered votes for their side.

Ingle Farm v St Pauls OS

St. Pauls have reclaimed second spot on the division six ladder with a 23-point victory over Ingle Farm at Rowe Park. It was a tight contest all game and with just a point the difference at the final break, the class of St. Pauls stood up in the final term with a near five goal to one quarter to gain a vital victory. Although they managed to gain the victory, St. Pauls would no doubt be disappointed with its inaccurate display in front of goal, recording 18 behinds and just 11 goals. In his first game in three rounds, Thomas Ahern returned to the side with two goals, while Thomas Schlicker and Matthew Pedlington continued their goal scoring form with two majors apiece. Meanwhile, Michael Mattei proved strong in the win claiming all the votes for the winners with Anthony Cronshaw backing up last week's good form, following suit. For the Bulldogs, Devin Payne once again almost dragged his side over the line with a five-goal performance, with midfielder Jack Delchau fighting hard in the loss in a best afield performance.

Marion v Mawson Lakes

Marion have recorded a much needed 26-point victory against Mawson Lakes to help get their season back on track in a low scoring encounter at Sturt Oval. The game was somewhat in the balance at the final break, however, the Rams held strong and put the visitors to the sword with a three goal to one final term, to record their second win of the year. Marion's superstar Terry Milera was once again dominant up forward, kicking three majors with William Cavallo also kicking two goals. Brett Schultz also continued his fine start to the season with a best afield performance, while Ben Turner was also dominant for the home side. For the Saints, Mitchell White continued his excellent form in-front of goal, leading the way with three, while Daimon Barrow & Jayden Austin each kicked one. Bradley Dalglish was a driving force through the midfield for the Saints, while Jason Mattner also never gave up.

Trinity OS v Elizabeth

Elizabeth have passed another huge test, this time recording a 33-point victory over Trinity to remain the only undefeated team in the competition. Coming into the contest, Trinity and Elizabeth were the only two undefeated sides in the league, and the Eagles faced their toughest test yet, having to play in Gawler, where Trinity rarely lose. However, Elizabeth rose to the occasion in sensational fashion and were once again led by their main man Jarad Clinton, kicking a bag of six goals yet again, taking his overall goal tally to 25. Elizabeth also had eight individual goal-kickers in an even contribution for the men in blue and yellow. Aaron Stephenson also backed up last weekend's effort with a best afield performance through the middle of the ground. For the Lions, Cameron & Rhys Hankinson led the way claiming votes for their side, while Domenico Barilla continued his consistent season with two goals & Joshua Ebbs also kicked two.

This week in Division 6

Mawson Lakes v Ingle Farm

Mawson Lakes welcome Ingle Farm to Mawson Lakes Oval in what is a must win game for both sides to continue the fight against relegation. Mawson Lakes started the season in poor fashion but have fought hard over the last month and will back themselves in at home. Meanwhile, Ingle Farm were brilliant for much of the game against St. Pauls last week and will take great confidence into the game. **Prediction: Ingle Farm by 18 points.**

Blackfriars OS v Rosewater

Blackfriars will be fresh off the bye and looking to regain their place inside the top four when they play the inform Rosewater at St. Dominics Oval. Blackfriars have had a rollercoaster start to the season, while Rosewater started poorly but have won two games in a row and find themselves inside the top four. I expect a high scoring contest in what should be a competitive game.

Prediction: Blackfriars OS by 23 points.

Para Hills v Marion

Para Hills welcome Marion to The Paddocks and they will be in search of their first win of the season, after five straight losses to begin the year. Para Hills have been much improved in previous weeks, and they should have confidence to get the breakthrough victory. Meanwhile, Marion had a hard-fought win over Mawson Lakes as Terry Milera continues to show his class up forward for the Rams. **Prediction: Para Hills by 7 points.**

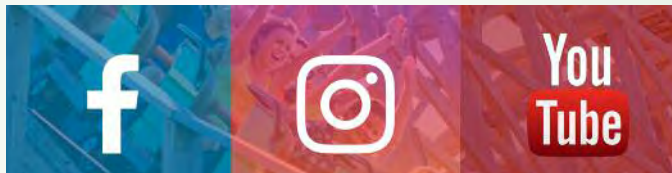

St Pauls OS v Trinity OS

St. Pauls welcome Trinity to their new home ground at Thebarton Oval in what is the match of the round. Both sides have started the season well and are now widely expected to go very far in the finals race so it will be a crucial matchup to see who can stake their claim in second spot on the ladder.

Prediction: St. Pauls by 14 points.

Wayne Den Engelse gives his match previews for this weeks matches

THE DIVISION 7 Match Previews

Central United vs Adelaide Lutheran

Both kennels unleashed their men Saturday at Mofflin Reserve for the Battle of the Bulldogs. Central United continued where they left off last week though with inaccurate kicking in the first quarter which could've blown away Lutheran straight away from the outset. After quarter time though the Units did exactly that and once they converted their opportunities to goals they began to pile them on for the rest of the day leaving Lutheran looking for answers all over the ground to stop the force that is Central United this season. Midfielders Abbott and Reeves were among the best on ground. This creates a gap now between the top and middle tiers and leaves some work to do for Adelaide Lutheran over next month or so for them to make up the ground on the better teams. Central United doing as they like winning by 73 pts

Brahma Lodge vs OSB Lonsdale

Battle of the Big Cats as OSB Lonsdale travelled to Brahma Lodge Saturday and immediately were under the pump from a first half of pressure and run from the reigning premiers fresh off a bye last week and looking for another scalp. The Tigers midfield once again dominant and Jack Scott yet again proving brilliance around stoppages and goals alongside Jackson Thompson and Eric Mendes another 2 more tigers doing as they pleased as they ran away with the game in the 2nd half giving the Lions a long drive home to think about how to help the younger players they've found in Brayden Fielder and Tyson Smith and handful of others who will need help to become more competitive against the better sides for remaining of the season. Tigers too good in a 4 quarter performance running out winners by 103 pts

Greenacres vs Flinders University

Taking all before them in season 2021 the mighty Greenacres Dragons were again on full show Saturday this time against the Flinders Uni. Crabs who jumped out the blocks to give them the first 3 goals of the game and threatened a major upset early with Jake Bradley and John Mason starting the game on fire and giving the Crabs a sniff. As already shown this season though the Dragons don't lie down easily and when Gibson and Bamford asserted their authority on the contest the result was looking ominous for the Crabs ahead while the Dragons Matthew Richards also standing out in defence constantly repelling the ball out of defensive 50. 3 quarter time and a 3 goal lead for Greenacres but yet again blowing away its opponent in a 6-1 goals term securing a handy 54 point victory at home and asserting themselves ahead of the pack with another 2 impressive points.

Houghton vs Hackham

First time meeting the Houghton Raiders for Hackham on the big Greenwith oval. The Raiders at home peppered the goals early with 10-4 scoring shots at quarter time but only an 11 point lead. To the Hawks credit they fought back in the 2nd quarter with cleaner ball use and by half time scores were even and a real contest between the teams was brewing. After the break was a struggle for both teams before some late majors helped the Raiders slightly start to nudge ahead. The last 30 minutes seen the Hawks valiant efforts slowly take their toll and with a few of the Hackham guys playing two games and as a result Houghton ran away winners by 36 points through a best on ground again performance from Dylan Brooks and 6 goals from forward Paul Cree.

This week in Division 7

The top 3 sides are showing they could be ahead of the rest of the competition with an important winter patch ahead that can always make or break team's chances. Will be interesting to see if the pack can make up some ground on top 3. 4/4 predictions for the first time for myself as teams slowly become more predictable and form is easier to read.

Match of the Round

Mitchell Park vs Brahma Lodge

Interesting matchup to see if the Lions can continue on from when they last played 2 weeks ago in a 4 quarter performance they would need to replicate in order to match the formidable Tigers outfit they come up against this week at home. The Doherty boys and Brandon Lees will try stop the might of the Tigers and their in-form midfielders of Scott, Curyer, Thompson and Mendes whom without close attention paid to will make any side pay. If the home team plays 4 quarters of the pressure they've shown in patches this year they are a sneaky chance of an upset but the in-form tigers will have plenty to say about that. **Brahma Lodge 13-24pts**

Flinders University vs Central United

Flinders vs Central United in a South vs North battle with the boys from the North Central United sitting on top of the ladder after crushing another opponent last week. Adrian Mark in ruck and his midfielders have been the main driving force behind their progress so far this season and their potent forward power with Darrell McIntyre and Jamie Lane leaving opposition teams and coaches scrambling to find match ups week after week. Few injuries starting to mount up like all clubs but so far they seem to be able to have the depth to cover. Flinders on the other hand are on a 4 game losing streak and they would love to also have a full range of players to choose from which if they don't is proving hard to match the depth the higher teams have at the moment. A younger side whom at times have overused the ball and when opposition teams have stepped up their pressure this brings them undone which this week the crabs face another test of their ability to handle this. Expecting a contest and the Dogs with more depth across the field to again secure another two points. **Central United 37-48pts**

Hackham vs Greenacres

Bottom vs top match up and an introduction of the Hawks and Dragons see Hackham and Greenacres do battle for first time at Hackham Oval Saturday. As the season progresses the Hackham Hawks are seeing that Division 7 in the SA Footy League is no push over and this week they will find out once again facing the likes of Bamford, Gibson, Eisner, Stanbridge and five or six other quality players of the Dragons I could've gone on to name. No disputing the Hawks midfield star in Luke Allan's ability to find the ball and goals already this season and Forward Thomas Wilson showing he has the ability to take some big marks but they will need to find some help in this battle to have any sort of chance against the quality opponent they have here. Dragons with winners all over the ground will mean Hackham will need a full 21 healthy players to tackle this game. **Greenacres 73-84pts**

OSB Lonsdale vs Adelaide Lutheran

Two teams off some heavy defeats last week and looking to find some form heading towards the winter months will face off down at fresh Lonsdale this week. The youngsters of the Lions against the taller more experienced Lutheran side makes for an interesting battle of different contrasts with both sides looking to their midfields to start the momentum their way. Fielder, Smith and Trembath as the Lion's future will be the key this week for their chances while they continue to get injuries to experienced players. While Lutheran will also look to its midfield of Kowald, Kidney and Wilson solid bodies to get the job done. Adelaide Lutherans bigger and stronger bodies around the ground should be able to get the two much needed points here for the Bulldogs. **Adelaide Lutheran 37-48**
