DON'T TAKE OUR WORD FOR IT... HERE'S WHAT OUR CUSTOMERS HAVE TO SAY!

I've used many fish oil additives in my burley mixes over the years and this one is the best by far. Irrespective of tide movement or bite times it stimulates the fish into a feeding frenzy and provides a superior catch in record time, every time. Can't recommend these products enough - I'm truly impressed!

PETER C., SOUTH AUSTRALIA

This little oil is liquid gold! Since changing from tuna oil I've been catching more and I use it for everything now, hooks, reels, sinkers & my boat trailer. **ALEX M., QUEENSLAND**

We had great results over the 2 days we bagged out on whiting on both boats on day one but also caught Travally sweep salmon and Squid which were our target species. Day 2 was a dodge tide so not best conditions for fishing, but we did get whiting and more squid on that day. We did a test and between 2 boats over same reef structure one used the oil the other didn't and both had their own berley stream and the boat using the oil in the berley and bait did get more fish in far shorter time. Great weekend lots of fish and we all say Thank you! **ANTHONY & THE BOYS, PT. VIC**

Just had a nice trip away, garfish went nuts using the oil, we cleaned up. Quite impressive we had them swimming around our legs using the oil they were quite keen on it! **SHANE, FISHINGSA MAGAZINE**

Giant Season of Mystery and Intrigue

The 2021 season seems like an extreme roller coaster ride for all teams. Some soaring unexpectedly high and some falling to great lows.

Melbourne who have in recent seasons been the 9th placed specialist until the weekend sat comfortably it appeared on the top of the table undefeated and expected to easily dispense with the out of form and lowly ranked Adelaide Crows. However, Melbourne who don't have a great interstate travel record found the young Crows too good and suffered their first defeat of the season and in so doing breathed life back into the Crows season who are now only one win out the eight. Melbourne currently look like a top four side and the Adelaide Crows possibly can sneak into the 8, Time will tell if both these sides are 2021 genuine finals contenders or not.

Fremantle who have been very inconsistent this season proved far too good for Sydney who early in the season looked like a strong contender to finish in the top 4. Both teams are improving but their unpredictable performances would raise doubts on their finals prospects.

Port Power expected to be a premiership contender only narrowly defeated a out of form under maned and wooden spoon contender in Collingwood. With that performance and failure to beat any top 8 side so far this season it would be extremely unlikely as we approach the half way point of the season will do anything more in the final series than make up a number in the top 8.

West Coast Eagles having struggled to beat the Crows convincingly two weeks ago had their wings clipped by an ever improving Giants side on the weekend. The Giants who have been a bit inconsistent this season to date again showed glimmer of hope that if they can play consistently for the remainder of the season as they did on the weekend they may feature in September.

Geelong well what can you say they were true to form against bottom ranked sides for the first half of the game and looked like yet again the Gold Coast would be them. However, in the third quarter they brushed aside the Gold Coast and cruised to a comfortable victory and signaled that they will be a threat in September. The gold coast yet again as in many matches this season have shown what poor recruiting can do as the young playing group let again ran out of steam against a more experienced opponent. If they could recruit an experience couple of midfielders in the end of season draft they may have some home to avoid competing for the wooden spoon again in 2022 as this year they are a definite chance to win the unwanted position.

Richmond well their list isn't getting any younger and they have been a power house club in recent seasons with multiple Premierships but after another defeat on the weekend maybe they need to look at rebuilding and regrouping for 2022 season as they would appear to be on a down hill slide that all teams unfortunately go through after a period at the top.

Essendon were very impressive on the weekend and probably can sneak into the final eight and will greatly benefit from finals experience as they are a very young inexperienced but rapidly improving side. They would not however be expected to go very far into the finals this season as their young developing bodies as all young players do will start to fade out at the end of their first season at AFL level football. They look a serious contender for 2022 season.

The Western Bulldogs have been going well and had a huge win on the weekend but seriously any team that doesn't win by a margin similar to that or even greater against St Kilda is just a finals pretender and not a contender. Hawthorn and North Melbourne well they are in a competition this year with Collingwood and the Gold Coast to try to avoid the wooden spoon.

Brisbane is currently without their last season Brownlow Medalist in Lachie Neale. It has probably been a bonus for them as in the early part of the season they appeared to be to reliant on him and looking for him as a first and not necessarily the best option. Now they seem to be playing a very positive and effective style and look a genuine premiership contender. When Lachie Neale does return they will be a serious player in September

Ten rounds down and thirteen to go before the finals. The current top 8 nobody would have expected it to look anything like it does at the start of the season. There are sure to be more surprises to come as the teams improve and injuries take their toll. It would appear on exposed form so far this season that the puzzle of the predicting the final 8 and the Premiership winner of 2021 is anything but simple. However, the Giants with the return of Toby Green from injury later in the season it would be no surprise at all to see them win their first Premiership with their likely Grand Final opponent being the Brisbane Lions. Time will tell.

Costly Near Misses

The year 2005 was a new year for the crows, new coach, new system, essentially new everything. Gary Ayers had finished at the helm halfway through the 2004 season when he was told his contract would not be renewed for the following year. Neil Craig took over as caretaker for the remainder of the season and was then appointed as the next senior coach. The back-to-back premierships of 1997-1998 were long gone but weren't that long ago that they faded away into distant memory because there were still a handful of players left from those years such as Mark Ricciuto, Andrew McLeod, Simon Goodwin and Ben Hart just to name a few. 2005 saw Adelaide have their best home and away season in the history of the club, finishing 17-5 and winning the club's first ever minor premiership for finishing atop the ladder after the home-and-away season. The Crows had started promisingly after the disappointment of 2004 winning 4 of their first 6 matches, and gathered momentum as the season progressed, winning 10 matches in a row from rounds 13 to 22. The last of these was a stunning eight-point victory over premiership favourites West Coast at Subiaco Oval, in a match that saw them leapfrog the Eagles into top spot.

by
Jordan Sennett Perez

The Crows were brought crashing down to earth in their First Qualifying Final against fourth placed St Kilda at AAMI Stadium. In a tough, low-scoring contest Adelaide missed the leadership of captain Mark Ricciuto, suspended for striking Adam Selwood the previous week, and despite a late fightback they lost by 8 points. The loss set up a sudden death Semi Final against Port Adelaide, the reigning Premiers. The Crows regained Ricciuto, and in front of a crowd of 50,521 they defeated Port by a Showdown record margin of 83 points. As a result, Adelaide faced a Preliminary Final match against West Coast at Subiaco, where they had won just three weeks before. In another tough game in windy conditions, West Coast broke away with five goals to one in a decisive third quarter, and again a final-quarter comeback was in vain as the Eagles ended Adelaide's season, winning by 16 points. West Coast would then lose the Grand Final to Sydney the next week by just four points. Adelaide joined Essendon (1999) and Port Adelaide (2002 and 2003) as recent AFL minor premiers who had failed to make the Grand Final.

2006 saw the Crows start the season in dominant fashion. Narrow losses to West Coast in round 2 and Richmond in round 8 - the latter noted for Richmond's controversial but successful "keepings-off" tactics were the only blips in the radar as Adelaide stormed to a 14-2 win/loss record, with eight of those wins by 50 points or more. At this stage, their percentage of 172.38 was the best since West Coast in 1991. Adelaide then faded by losing 4 out of their next 6 matches but recovered and finished the season strongly to record 16 wins and 6 losses, thus finishing 2nd on the ladder only behind West Coast in first. They beat Fremantle comfortably at home in the qualifying final and would then face West Coast again in the preliminary final this time in Adelaide. Missing club stalwart and captain Mark Ricciuto to illness the Crows were still favoured to win and started brilliantly leading by 22 points at half-time. West Coast eventually clawed their way back largely due to their star-studded midfield led by Chris Judd, Ben Cousins, Daniel Kerr and Dean Cox and even led halfway through the last term before withstanding a late comeback to again break Adelaide hearts. The crows finishing their season disappointingly after promising so much. All in all, these two years/seasons in 2005 and 2006 was a massive chance missed for the Crows to secure their 3rd premiership. The club is still today looking to win that elusive third premiership. Whether it be bad luck, missing key players or just not turning up on the day, the Adelaide Crows have since their first two premierships seem to threaten without fully following and claiming another flag. 2017 saw the club finally make the grand final again only to go down to Richmond by 48 points. This premiership drought is an interesting and mysterious one that will continue to intrigue many people for years to come unless it is broken.

Amato's 5th Quarter

Make Your Name in the Regular Season Make Your Fame in the Finals

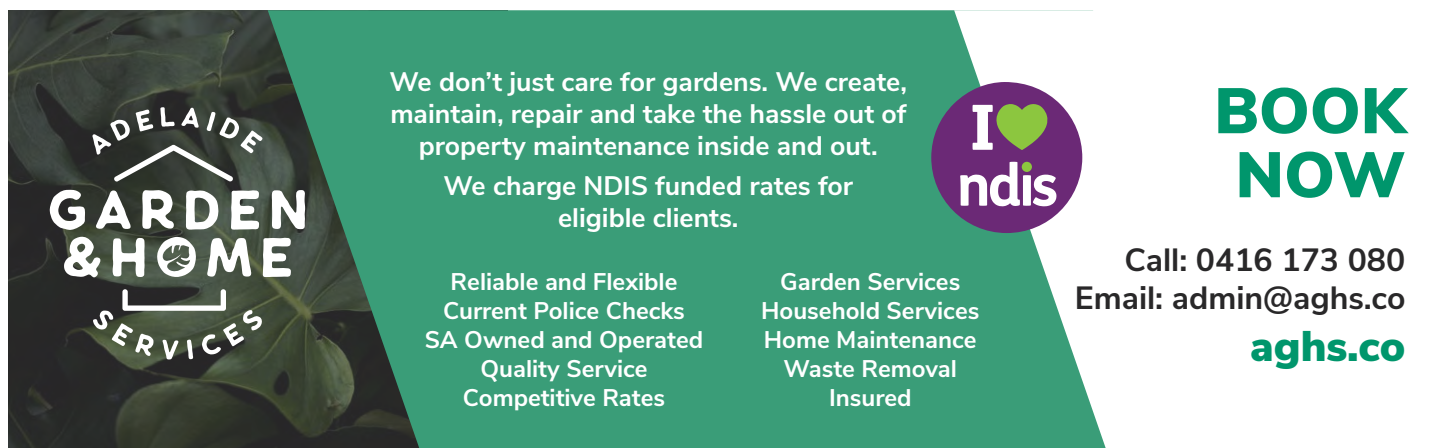

by
Daniel Emilio Amato

They may only sit third on the AFL ladder, still one and two games behind the Western Bulldogs and Melbourne respectively, but the Brisbane Lions are the in-form team of the competition. Seven wins in a row has more than made amends for their average 1-3 start to the season. The seven games has also come against quality opposition with Richmond, Port Adelaide and GWS all legitimate premiership contenders in 2021.

This Friday night, they meet the ladder-leading Demons in what promises to be a blockbuster match-up against the Demons this Friday, no matter where it will be played in this COVID-19 interrupted part of the season.

The Brisbane Lions are currently flying, with every part of the field well covered for. They boast one of the strongest midfields in the game, with Hugh McCluggage (25 possessions ave), Mitch Robinson (20 possessions ave), Jarryd Lyons (27 possessions ave) and Dayne Zorko (24 possessions ave) all wreaking havoc at the ball, then adding dual All-Australian and 2020 Brownlow Medallist Lachie Neale, who despite having injury and form issues in 2021, will be expected to return to full fitness comes the second half of the season, it's hard to see any midfield (including the Western Bulldogs) beating them in the middle. Their forward line is functioning superbly, currently the second highest scoring in the competition with 154 goals. The twin towers of Eric Hipwood and new-recruit Joe Daniher combining for 40 goals at the half-way point, along with another 30 between Charlie Cameron and Lincoln McCarthy. The options are aplenty for the Lions, and even if injuries in their forward-50 do occur, they have the likes of Thomas Berry, Keidan Coleman and Daniel McStay to fill the void. Their defence is also extremely tight, with Daniel Rich, Harris Andrews, Grant Birchall and Brandon Sarcevich in particular working well to concede under 85 points on seven occasions.

This is however, going to come with pressure as the Lions continue to roar into the second half of the season. Since coach Chris Fagan took the role ahead of the 2017 season, they won the wooden spoon in his first season, improved slightly to 15th in 2018 and then with the acquisition of key recruits, soared to second on the table in both 2019 and 2020. Unfortunately, though, they were unable to capitalise on home-ground advantage and lost three of four finals they have played in that time, all of which at the Gabba. With these previous two seasons of finals-failures, the pressure begins to mount. While there is certainly still plenty of time for the Lions to win a premiership, with Cameron Rayner (21), Eric Hipwood (23), Daniel McStay (25), Charlie Cameron

Amato's 5th Quarter

Make Your Name in the Regular Season Make Your Fame in the Finals

(26), Lincoln McCarthy (27) and Lachie Neale (28), who all still have many years left in them, the issue isn't age, more-so the mental pressure to perform. The Lions are almost in the exact same position they were at the halfway point in 2019 and 2020, in the top four and looking strong.

by
Daniel Emilio Amato

Let's suppose they finish in the top four come round 23, are they going to have the doubts of performing on the big stage? Will the semi and preliminary final defeats of '19 and '20 impact their ability to win a final? There are many occasions where clubs go through so-called 'periods of would-be dynasties'. Take Port Adelaide, they won the 2004 premiership, but very well could have won four in a row with failures in the 2001, 2002 and 2003 finals series. The Sydney Swans of 2012-2016 are another example, they won the big one in 2012 yet failed in creating a true dynasty. The preliminary final loss of 2013 and bridesmaids in the 2014 and 2016 Grand Finals stopped them from having a true period of overall domination.

Brisbane need reward for their on-field dominance, you make your name in the regular season, but make your fame in the finals. Brisbane are unfortunately yet to do that, but will 2021 be different?

THE DIVISION 1 Match Previews

Rostrevor OC vs St Peters OC / 10.14-74 vs 8.8.54

The battle of the OC has ended in a solid 20 point win by Rostrevor, to take them above St Peters into 4th position. The game started heavily in the favour of the home side, kicking five goals in the first quarter and holding the Saints to just a point to lead by 34 at the first break. The second saw the game completely flip, with ROCS kept to just a single point while the Saints kicked three goals to shorten the deficit to just 14 points at the main break. The importance of the game was not lost on the home side however, as in the third they kicked three goals to the Saints two to extend their lead to 27 at the final break. The last quarter saw both sides go blow for blow, but the work done by the home side in the first three quarters was too much for the Saints to overcome and the game ended with ROCS winning by 20 points. For the ROCS it was D. McCallum and D. Reinbrecht who inspired their team to an important win, while J. Read and B. Coulson were solid but in a disappointing loss that sees them drop a place into 5th.

Goodwood Saints vs Payneham NU / 8.10-58 vs 16.9-105

Payneham have secured a HUGE win against the saints to rocket them into 2nd place only just behind the Reds. The game started fairly evenly with the Saints actually going into the first break as 8 point leaders. The second saw the away side turn on the gas, kicking four goals while only conceding two to take the lead into the main break by 5 points. The second half is where the game quickly turned into a blowout, with the home side conceding five goals and only scoring two to take their deficit to 25 points at the final break. The Falcons look to fly away with it the final quarter as they kicked a further five goals while managing to only concede three behinds to see themselves out comfortable winners against one of the competitions strongest sides by 47 points. N. Favretto and A. Skara were diamonds in the rough for the Saints, while T. Panoho and A. Wilson inspired their team to a massive win in the context of their season.

Unley Mercedes Jets vs Tea Tree Gully / 9.9-63 vs 12.19.91

Gullies have added more space between themselves and Unley after winning away from home in an important win in the context of their season. The game started evenly with both sides kicking two goals each, but the Jets took the slight lead of 2 points into the first break. The second was completely different however, with the Wolves kicking three unanswered goals to take a lead 20 points into the main break. The third was even with both sides kicking four and five goals respectively for Gullies to extend their lead to 29 at the final break. The Jets looked to make a late push were unfortunate to fall short despite winning the final quarter to end the game as 28 point losers. It was D. Matteucci and A. Salt who had notable performances for the Jets, while D. Schoenmakers and I. Hewson were the puppet masters in an important win for their side.

Prince Alfred OC vs Brighton Bombers / 10.8-68 vs 9.10-64

The Bombers has narrowly missed on a huge win against the Reds going down by 4 points away from home. The game started in favour of the home side, after kicking five goals in the opening term and only conceding three to take a lead of 13 points into the first break. The second saw the home side almost double their

lead, holding the Bombers to just a single goal and scoring a further three themselves to go into the main break 23 point leaders. The third seemed to follow suit of the first half with the Reds defence being almost impenetrable and their attack being unrelentingly deadly, to extend their lead to 31 points at the final break. Unfortunately for Brighton and their fans, the side turned up, but it was just too late, with the Bombers dominating the final quarter but only just falling short to go out 4 point losers in what ended up being a very thrilling game. M. Slee and W. Dalwood were incredible for their side in the opening 3 quarters which ultimately saw their team out for the win, while O. Carthy and W. Rivers were just unable to inspire victory for their side, despite good performances.

Adelaide University vs Port District / 9.10-64 vs 9.9-63

The Blacks have narrowly seen off the Magpies after beating them by a single point in this thriller of a game. The game started close, with the away actually taking a narrow lead of 4 points into the first break, despite having less scoring chances. The second saw both sides defensive sides with both teams only managing to score a single goal to keep the deficit at 4 points in favour of the away side. In the third quarter, we saw the Blacks turn up, kicking five goals and conceding just two, to steal the lead, and take a 11 point lead into the final break. The Magpies look to make a late comeback in the fourth, kicking three goals and only conceding one goal to bring the deficit to just 1 point, but were unable to get the win. Both C. Noonan and M. Olekalns were amazing for the Blacks in an important win, while S. Davidson and T. Carter were influential for their side, despite the narrow loss.

This week in Division 1

Goodwood Saints vs Brighton Bombers

The Bombers were unlucky not secure a big fish last week going down to the Reds by just 4 points, whereas the Saints had a very disappointing loss against Payneham which has sent them down to 3rd place. Both teams will hope to bounce back from disappointing losses but being at home, despite their loss last week. **I see the Saints being too strong, and will bounce back as 16 point victors.**

Unley Mercedes Jets vs Rostrevor OC

ROCS are coming off a very impressive win against the Blues last week and will hope to capitalize on the momentum built from that win. But they face the Jets who have been known to give the big boys a run for their money, despite their disappointing start their season. That being said, ROCS have been too strong as of late. **I see them going down 30 point winners in this one.**

Prince Alfred OC vs Port District

The Reds have bounced back after a few shaky performances seeing off the Bombers by 4 points, while the Maggies narrowly lost last week to an improving gully side. Although the magpies are still clawing at the heels of the finals contenders, its too hard to bet against the Reds despite their recent poor performances. **I see the Reds winning this by 15+.**

Adelaide University vs St Peters OC

The blacks face tough opponent this week in the Blues, who will look to bounce back after suffering a harsh loss at the hands of ROCS last week. The Blacks have been improving in recent weeks and could be pushing for finals spots in the week approaching, but despite their loss last week, The Saints on their day are unstoppable, and even though they are away from home.

I see them going out 19 point victors.

Match Previews

Lachy Jones
gives his match
previews for this
weeks matches

Old Ignatians 15.14 (104) def Scotch 7.7 (49)

After their first win of the year last week, it was back to reality for the lowly Scotch as they were pumped by the home side Old Ignatians by 55 points. Although, it took the winning team a quarter to get going, as Scotch got out to an early 20-point lead at quarter time, looking to continue their winning ways. That was a short-lived lead, as by half time Old Ignatians had taken back the lead, before never losing it again en route to the big win. Matthew Brunoli was best on ground for the home team, while Bradley Jones and Will Abbott shared three goals each. Peter Rolfe was Scotch's best for the second time in three weeks.

Seaton 9.12 (66) def by Plympton High & Camden 12.7 (79)

Inaccurate kicking cost Seaton their second straight win, and a huge scalp in the Phantoms, as Plympton High & Camden escaped on the road with a 13-point win. The margin could have easily been erased if the Ramblers converted in front of goal, and they will be left to rue their mistakes after letting a first half lead go to waste. Once again, it was Brett Harland who was damaging for Seaton, kicking four of their nine goals, but his efforts were not enough as the Ramblers fell to 2-7. Adam Scholz kicked two and was best afield for the victors, while Reid Patterson led their goalkicking with three majors. The Phantoms sit a game clear in second at 7-2, one win behind Glenunga for top spot.

Sacred Heart 15.8 (98) def Broadview 7.8 (50)

Shaun Tapp stole the show with six goals for the home side, as Sacred Heart continued their hot streak of form on the weekend. Joshua Finckler (5 votes) was also integral for the winning team, as they dismantled a freefalling Broadview outfit by eight goals. The Tigers have now lost three on the trot and sit well behind the eight-ball at 4-1-4 after nine rounds, after that commanding 4-1 start early in the year seemed sure to set them up for a finals berth. Brodie Pearce (5 votes, 3 goals) was the visiting side's only multi-goalkicker, as they were never in the contest after quarter time. Meanwhile, Sacred Heart have leapfrogged Henley into the top four, and at 6-3, they are in a prime position to play finals this year.

Salisbury North 14.9 (93) def Henley 11.4 (70)

In a massive upset, Salisbury North have knocked off Henley for the second straight week, as the Sharks plummeted to fifth spot with the loss. This game showed just how important home ground advantage is, as the Hawks broke the shackles late in the fourth to run away with the win, with the contest being tight until that stage. It is a complete 180 degree turn from last week for the home side, who were beaten convincingly by the previously winless Scotch on the road, and just when we thought it was over for the Hawks, they responded in clinical fashion, clinging onto those slim finals hopes. Paul Driemann (5 votes) and Jack McCaffety (4 goals) were vital for the Hawks in the win, while Thomas Pillion (5 votes) gave all he could to try and drag his team across the line.

Glenunga 13.8 (86) def Athelstone 10.7 (67)

Glenunga 13.8 (86) def Athelstone 10.7 (67)

The Rams survived an early scare from the out-of-form Athelstone side, rallying in the second half to win by 19 points at home, keeping their top spot honours intact. It was a mighty effort from the Raggies, who have been in all sorts of trouble in recent weeks, as they blasted away to a 16-point half time lead, looking the goods for an unprecedented upset before the home team flexed their muscles in the second half, kicking eight goals to two. Glenunga were led from the front by Josh Orken, who was named best afield in his first outing for this Rams side in 2021, and Michael McMahon, who kicked seven goals to steer the home side to an 8-1 record. Aaron Stewart (5 votes) and Luke Rander (6 goals) were up to the contest for Athelstone, who now sit at 2-7 in ninth place.

This week in Division 2

The last few weeks have seen some drastic form changes. Henley, Broadview and Athelstone have slipped, while Sacred Heart, Old Ignatians and Salisbury North have picked up big wins to climb the ladder. Looking ahead to round 10, there are some key matchups to look forward to.

Old Ignatians (6-3), who are enjoying some good form as of late, host the downward spiralling Henley (5-1-3), who have dropped a couple games in the last fortnight they should not have lost. At home, Old Ignatians have rarely lost, meaning this will be the ultimate test for the Sharks on the road to try and reinvigorate some fire in the Henley camp. Going on recent form, Old Ignatians should hold strong at home.

While Scotch sit bottom at 1-8, their last month has been much better than how they started 2021, competing hard and even winning their first game two weeks ago. On the road this week, this will be their best chance at a second win, against an Athelstone team that apart from their first half efforts on Saturday against Glenunga, have really struggled in the last month. This match could go either way – can the Raggies finally get their season back on track, or will Scotch overtake them on the ladder with a big road win?

This could prove to be the game of the round, as fourth-placed Sacred Heart (6-3) host second-placed Plympton High & Camden (7-2) this week. The Phantoms got back on the winners list on the weekend, but it was unconvincing, just edging out an inaccurate Seaton squad after dropping a couple games recently. This game will be a cracker, as Sacred Heart have found some serious form and are almost the form side of the competition heading into round ten, so it is tough to pick a winner. I'll say Sacred Heart, just.

It has been a fortnight to forget for the Broadview Tigers, as they have been completely destroyed two weeks in a row to rip apart their season that was looking so promising early. Hopefully, they can put their recent form behind them and turn their season around this week, on the road against an inconsistent Salisbury North side that upset potential finalists Henley on the weekend. At home, the Hawks are a big chance of achieving the same result, and completely ruining the confidence of the Tigers' players.

Lastly, it is the ladder-leaders Glenunga who host rising Seaton, who were three straight kicks away from turning a 13-point loss against the Phantoms into an upset win. Inaccuracy hurt the Ramblers, and they will be looking to avenge a loss that could have been avoided. It will be tough, as the Rams have only been beaten once this season, but stranger things have happened...

THE DIVISION 3 Match Previews

Flinders Park v Gaza

Gaza solidified a top 5 spot with a very impressive 19 point victory, winning 12.11 83 to 8.16 64 over Flinders Park at Klemzig Oval. The Reds, who entered this game having ended the undefeated streak of reigning premiers Golden Grove the week prior, were riding high coming into this game with a ton of momentum. The signs were there early that the Eagles were up for the fight as they stuck with Flinders Park in the first quarter and while The Reds took a one point lead into the first change the home side made the most of every opportunity and opened up the game in the second quarter as they kicked five goals to three to take a confident 11-point lead into the sheds at the main break. Flinders Park were very much still in the game but it was Gaza who continued to pounce on any mistake and took their opportunities to extend their lead out to 21 points at the final change as they kicked the only two goals of the third term. The final quarter saw the two teams trade blows, but Flinders Park were never able to bridge the gap as the Eagles held on for the victory. Flinders Park Head Coach, Luke Ivens would be disappointed with his side's accuracy in front of goal, especially in the second half, when his side managed 3.9 effectively ending any chance, they had to steal the win. Flinders Park's Bradley Young booted 3 majors in the defeat while Joshua Gericke was outstanding and was named The Reds best player. Gaza were well led up forward by Jackson Elmes who booted 5 goals while Steven Tahana was the Eagles best, in an outstanding team victory. For Flinders Park the loss sees their record fall to 7 and 2 and with the bye coming up this weekend, it will be a good chance for them to regroup and recharge. The victory for Gaza is their fifth and sees them jump up to fourth position.

North Haven v Modbury

Ladder-leading North Haven showed they are the team to beat in 2021 after they came-from-behind, late to record a thrilling victory, this time against Modbury at Modbury Sports Reserve. North Haven secured their fourth victory in a row, as they kicked 10.12 72 to 8.15 63 to walk away 9 point winners. North Haven made the most of their chances early kicking the first three goals of the match, while Modbury struggled with accuracy as they kicked six behinds before getting their first goal of the game, courtesy of Dan Horsnell. The Hawks finish the first quarter having kicked 2.7 19 to North Haven's 3.5 23, to trail by 4 points. Modbury would have been disappointed, after having the majority of the play in opening quarter and not being able to capitalise. In the second quarter, Modbury made better use of their chances as they kicked three goals to one and take a slim 11 point advantage into the main break. The Hawks led came about because of their ability to win the ball from the centre as their midfield started to dominate, this would be something Hawks coach, Daniel Miller would be proud to see from his men. In the third term, North Haven started to work their way back into the contest as they reduce to the deficit to 7 points with a quarter to play. Modbury kicked the first goal of the last quarter to open up a 13 point lead and an upset was on the cards. However, this only seem to shock the Magpies into actions as they kicked the last four goals of the game to steal the victory. Modbury had their chances missing a number of set shots as they finished the way they started with four behinds to finish with 8.15 for the match. Dan Horsnell, Daniel Kaipara and Timothy Davey all kicked 2 goals for the Hawks while Matt Fogden and Jake West did all they could and were just two of many key contributors on the day. Fogden was named Modbury's best. 3-goal hauls from both Matthew Reed and Kyran Dixon (all in the last quarter) as well as Jack Foster's competition-leading 39th and 40th goals, helped The Magpies improve to 8-1 and stay in top spot on the ladder heading into the bye. McInerney continued his excellent first half of the season with yet another stellar performance picking up the Magpies best for the second time in three weeks. The loss leaves Modbury sitting outside the top 5 with a 4 and 5 win/loss record. With the competition having the bye this weekend, it will be good for the Hawks to take this week as one to regroup, reset and re-energize and get ready for a big back half of the season, if they are a chance to make finals come September.

Edwardstown v Portland

Edwardstown are back on the winners list after picking up a very convincing 114-point victory against Portland at Port Reserve. Edwardstown rode a 10-goal first quarter on their way to the 22.19 151 to 5.8 38 victory. The massive percentage-boosting victory snaps the Towns 4-game losing streak and sees them 5-4 to sit in fifth position heading into the mid-season break. Portland, on the other hand, are now winless through 9 games have suffered their seventh loss of over 100-points. Edwardstown were led in large part by 3-goal hauls from George Cornish, Matthew Dessmann and Joshua Holliday as well as a best on ground performance from Mitchell Roberts. For Portland, Daniel Harris kicked three goals and Corey Evans two. On a positive note, for the Thunder, Dale Laslett continues to impress and improve each and every week as he once again, was named Portlands best player for the fifth time this season, that is a very impressive achievement, especially for a team who is yet to win a game this season. Portland will be using the week off as a chance to regroup as they look to find a way to string together a few much-needed wins in the second half of the season. Edwardstown will head into the bye sitting fifth only behind Gaza on percentage and will be looking to cement a spot in finals with a strong second half of the season.

Golden Grove v Westminster

After just narrowly falling short by 3 points to Flinders Park last weekend, Golden Grove returned to Harpers Field and made easy work of Westminster, winning 18.13 121 to 8.5 53, by 68-points. Leading at every change, the Kookaburra's were just too strong in a dominant performance with Jake Pitman and Michael Walters combining for 9 goals, kicking 5 and 4, respectively. Jarrod Cotgrove was impressive in all aspects of the game and was one of many key contributors for Golden Grove, doing everything he could and more to earn himself best on ground honours. Westminster's Aaron Fiekle booted 2 goals, bringing his total to 28. Sam Webster played one of his best games this season for the Dragons and was named their best player. For Golden Grove, the win was just the response coach Luke Barmby would have been looking for after last week's tough loss. They now head into the bye sitting second, only 0.4% behind leaders North Haven. The loss sees Westminster fall to 3-6 and they will need to show some improvement in the second half of the season if they want to secure a position in Division three next year.

Plympton v CBC Old Collegians

CBC Old Collegians collected their second victory of the season when they defeated Plympton, 12.9 81 to 9.9 63 by 18 points at East Parklands over the weekend. The Dolphins led at every change and did not look like losing. CBC started strongly kicking four goals to two in the opening quarter to set-up a 9 point lead at quarter time. While Plympton continued to fight and scrape in the second quarter they only bridged the gap by two points and still trailed by seven points at the main break. Had it not been for their inaccurate kicking 4.8, the Bulldogs could well have been in front by halftime as they failed to capitalise on their opportunities. After halftime however, the home side broke the game open as they kicked five goals to two in the third quarter to lead by 30 points at the final change. Nathan Byrnes kicked 3 goals for CBC, who were led in large part by an impressive best on ground performance from Daniel Alpin, who kicked 2 goals himself. Zac Peake backed up his 5-goal haul in Round 8 with another impressive performance for the Bulldogs, this time kicking 3 goals in his sides 18 point defeat. With the loss, Plympton fall to 3-6 and head into the bye in eight position. For CBC, the win sees them improve to 2-7 and head into the bye only one win behind both Plympton and Westminster and still a chance to avoid relegation.

This week in Division 3

Westminster v Plympton

Westminster come off the bye and return home to Eagle Drones Oval at Glandore in Round 10 where they will welcome Plympton to town. Back in Round 1, Westminster were victorious by 18 points over the Bulldogs at Plympton Oval, winning 14.11 95 to 9.13 67. With both teams sitting 7th and 8th respectively, and both with a 3 and 6 record, expect this Round 10 clash to be a good one. A win for Westminster will see them improve to 4 and 6 and could be eyeing off a spot in the top 6, and potentially top 5 come September. Same goes for Plympton, a win in Round 10 will see them also improve to 4 and 6. Despite sitting in 8th position, Plympton will be coming off the bye and will be looking to avenge their loss in Round 1. **Plympton by 5 points.**

Golden Grove v Gaza

2nd placed Golden Grove will welcome 4th placed Gaza to Harpers Field when the two teams battle it out in Round 10. Golden Grove were victorious back in Round 1 when they narrowly defeated the Eagles by 3 points, 75-72 at Klemzig Oval. Gaza will come off the bye on a 2-game winning streak, with victories over Edwardstown and Flinders Park and Golden Grove will be coming off the bye having lost only 1 match from their first 9 games. A win for Golden Grove will see them improve to 9 and 1 and will almost certainly solidify a top 2 spot. For Gaza, a victory will see them improve to 6 and 4 and will help to strengthen their hold of the top 4. Golden Grove are the clear cut favourites heading into this one, so expect more of the same result as in Round 1. **Golden Grove by 4 points.**

Modbury v Edwardstown

Its 5th versus 6th as Modbury play host to Edwardstown when the two sides meet at Modbury Sports Reserve in Round 10. Modbury will be coming off the bye having lost to North Haven by 9 points in an absolute thriller, Edwardstown are coming off the bye with momentum having defeated winless Portland by 114 points and ending their 4-game skid. The last time these two sides met, back in Round 1, Edwardstown were victorious winning by 2 points at Edwardstown Oval. A win for Edwardstown will see their record improve to 6 and 4 and would potentially be staking their claim as a genuine top 4 contender later in the season. If Modbury were to win they would improve to 5 and 5 and are a chance to fight for a spot in the top 5 in the back half of the season. Expect this to be a cracking game of good quality football. **Edwardstown by 7 points.**

CBC Old Collegians v North Haven

Ladder leaders North Haven travel to East Parklands to take on 9th-placed CBC Old Collegians in Round 10. North Haven will be coming off the bye riding a 4-game win streak, having won 8 of their first 9 games, CBC will be coming off the bye having defeated Plympton by 18 points to collect just their 2nd victory of 2021. When these two sides first met way back in Round 1, North Haven were the easy winners, defeating the Dolphins by 92 points at Largs North Reserve off the back of 4-goal hauls from Thomas Sandercock, Ross Merrett, and Ryan McInerney. A win for the Magpies will be their 9th of the season and their 5th in a row and will see their record improve to 6 and 1. A win for CBC will be their 3rd of the season, and 2nd consecutively, and could see them jump into 7th position on the ladder. Expect more of the same result as in Round 1 with North Haven winning comfortably and remaining on top of the ladder as one of the premiership favourites. **North Haven by 80 points.**

Flinders Park v Portland

Port Reserve is the venue for this Round 10 clash between 3rd-placed Flinders Park and winless Portland. Portland are coming off the bye having lost to Edwardstown by 114 points and Flinders Park are coming off the bye having lost to Gaza by 19 points, when they kicked 8 goals 16. Back in Round 1 when these two sides last met, it was Flinders Park who absolutely dominated the Thunder, winning by 219 points at Flinders Park Oval. In the Round 1 match, Chad Comitogianni and Cameron Miller combined for 12 goals, each kicking 6. The Reds will be looking to duplicate that performance and keep Portland winless, while collecting win number eight in the process. A win for Flinders will see them improve to 8 and 2 and will see them open up a 2 game lead between 3rd and 4th place. For Portland, a victory will be their 1st in over a year and will see them hopefully have some confidence heading into the back half of 2021. Flinders Park head into this game as favourites as they look to inflict more damage on the competitions cellar dwellers in Portland. **Flinders Park by 100 points.**

Angus Heuer gives his match previews for this weeks matches

THE DIVISION 4 Match Previews

Hope Valley v Walkerville.

Walkerville have reclaimed their position on top of the Division Four table after a comprehensive 50-point win over Hope Valley at Hope Valley Oval. Away from home Walkerville stunned the Demons early, keeping them scoreless and kicking five goals themselves to take a 34-point lead into quarter time. Both sides exchanged goals in a free scoring second term before the Cats once again put their foot down in the third term, kicking five goals to two and opening up an unassailable 57-point lead. Adam Proud was once again the star for Walkerville, kicking six goals while Adam Law and Sean Kuerschner both put through two majors, topping off a dominant performance for the pair. For the Demons, Ben Carabott was best afield, kicking four majors while Nichloas Peterson offered support with three of his own. Joshua Hand once again battled hard in a loss that drops Hope Valley to fifth position on the table, with questions raised about their ability to trouble the top sides in the competition. Hope Valley will look to get back on the winners list when they host Hope Valley while Walkerville will look to continue their winning ways when they travel to face Mitcham.

Morphettville Park v Pulteney

Morphettville Park have continued their strong form of late, defeating Pulteney by 30 points at Kellett Reserve. In a high scoring first term the Roo's opened a nine-point lead before the Blues fought back in a much tighter second term, cutting the lead back to four points at the main break. Morphettville opened the game up in the third term taking a three-goal lead into the final change and after two missed opportunities by Pulteney early in the fourth the Roo's kicked clear to secure a crucial win, moving them two games clear of fourth placed Mitcham and only percentage behind second placed Pulteney. Christopher Barns continued his strong goalkicking form for Morphettville with five majors while Dane Thompson also put through three majors. Jesse Martin delivered another strong performance while Kye Dean was once again among the best players. For Pulteney Joshua Giddings kicked his second bag of seven in three weeks while Oliver March was the only other multiple goal scorer with two goals. Brayden Hill and Alex Forbes both fought hard in a loss that drops the Blues to seventh with a crucial matchup against SMOSH West Lakes this Saturday.

Woodville South v Kilburn.

Kilburn look set for the wooden spoon and relegation after an embarrassing 108-point loss to Woodville South at The Stable Oval. In a matchup that was thought to be Kilburn's best chance at a first victory the Magpies failed to fire a shot, conceding six goals to one in the first term to trail by 32 points at the first change. Kilburn showed some fight in the second term, but still trailed by seven goals at the main break. The second half was a complete dominate by Woodville as they dismantled the hapless Magpies, kicking 15 goals to five in an incredible

display of attacking footy that has gained some valuable percentage for Woodville who are now sitting just one win outside of the top five. Camreon Bell took full advantage of Woodville's domination with ten goals in an incredible performance while Sam Clark continued his strong form with three goals and Jake Mansell gathered plenty of possessions in a dominant display. For Kilburn Raymond Hedland was the sides only multiple goal scorer with three goals, while Joel Groom and Jackson Ryan both played well in the humiliating loss. The Magpies sit three games clear at the bottom of the table and things do not get any easier when they face off against an impressive Pembroke outfit this weekend.

Mitcham v Pembroke OS

In one of the upsets of the season Mitcham have upset a wasteful Pembroke OS by seven points in an enthralling encounter at Thomas Farms Oval. The Hawks held the high scoring Kings goalless in the first term and too only two goals by halftime as Pembroke's inaccuracy allowed the Hawks a thirteen-point halftime lead. Pembroke hit back in the third term, kicking four goals to two and despite only a measly one-point lead looked clear favourites to continue on their five-game winning streak. The Kings kicked the first two goals of the final term but from there it was all Mitcham, kicking the final three goals in front of a vocal home crowd to secure a crucial win that moves the Hawks up to fourth position on the table. Maxwell Smyth was once again the star up forward with four goals while Daniel Gregory put through three goals in his first game of the season. Lachlan Hall continued his strong form while Zach Sutherland was named best afield after a dazzling performance. For the Kings, Alex Forster once again starred with four goals, taking his season tally to 58 and being the only multiple goal scorer in what was an unusually quiet forward line. Alex Zeni and Jack Green both put up strong performances in a loss that leaves Pembroke one win back from ladder leading Walkerville.

SMOSH West Lakes v Gepps Cross.

Gepps Cross have suffered yet another disappointing loss, this time going down to SMOSH West Lakes by 75 points at West Lakes Shore Oval. After a tight first quarter the Lions showed their muscle in the second term, kicking eight goals to none and taking a 56-point lead into halftime. The rams fought back in the third, reducing the lead to six goals before another strong final quarter from the Lions secured an important percentage boosting victory. Adam Mahney was adjudged best afield for the Lions with seven goals while Cohen Mattner put through five majors and Nathan Brown had yet another strong performance in a win that lifts the Lions to sixth spot with a crucial matchup against Pulteney this weekend. For the Rams, Lachlan Matthews and James Clark-Rantasa kicked two goals apiece while Joshua Matthews delivered another strong performance. Since their round win against Hope Valley the Rams have only defeated the lowly Kilburn and Woodville South and they will be hoping they can once again defeat Hope Valley this weekend and begin to turn their season around.

This week in Division 4

Kilburn v Pembroke OS

Pembroke OS will travel to Blair Athol Reserve, confident they can get back on the winners list against the winless Kilburn. Pembroke have been one of premierships contenders this year with free flowing attacking football but were held to just 60 points on the weekend, their lowest score of the season. They will be hoping to post another big score against the lowly Magpies, who seem to be getting worse by the week, highlighted by their 108-point loss to second bottom Woodville South. Expect Pembroke to bounce back in what should be a big victory. **Pembroke OS by 82 points.**

Hope Valley v Gepps Cross.

Hope Valley and Gepps Cross face off in a rematch of the round one thriller where the Rams came out on top by three points. Since that matchup the two teams fortunes have changed considerably with Hope Valley sitting in fifth position and Gepps Cross struggling in eighth position. Both teams are coming in out of form, with Gepps Cross dropping their last three games and the Demons the last two. Hope Valley should be too strong and with the round one loss fuelling them should run out victorious. **Hope Valley by 29 points.**

Woodville South v Morphettville Park.

Woodville South face a tough task when they host Morphettville Park at The Stable Oval. Woodville come into the game in good form, after their 108-point win over Kilburn but face a Morphettville Park side that are sitting third after a strong start to the season. The Roo's have won three games in a row and their attacking prowess should be too strong for a Woodville South side that should put up a fight early but fall away late. **Morphettville Park by 31 points.**

Mitcham v Walkerville

Mitcham host ladder leaders Walkerville at Thomas Farms Oval, full of confidence after defeating the previous ladder leaders Pembroke by seven points. Mitcham came from behind late in a thrilling match that lifted them to fourth on the table. They will look to cement this top five spot against a Walkerville team benefitted from Pembroke's loss, reclaiming top spot on the table after another convincing victory against Hope Valley. The Cats won the round one matchup between the pair by 53 points and they should again come out victorious. **Walkerville by 27 points.**

SMOSH West Lakes v Pulteney

SMOSH West Lakes and Pulteney face off at West Lakes Shore Oval in an intriguing matchup with both teams sitting just percentage out of the top five and desperate to make their way into it. The Lions come into this game after a monstrous win against Gepps Cross while Pulteney stayed with Morphettville Park for a half before fading late against a strong opponent. Pulteney took the spoils in their round one matchup but I expect SMOSH to make amends and move into the top five. **SMOSH West Lakes by 9 points.**

THE DIVISION 5 Match Previews

West Croydon v Eastern Park

Eastern Park's forward line were once again at their imposing best, defeating West Croydon by 37-points, registering a total of 115. The loss extends West Croydon's losing streak to five matches, leaving them three wins behind sixth placed Hectorville. Eastern Park got out to a flying start, kicking the first five goals of the match. West Croydon fought back late in the quarter, scoring three consecutive goals to reduce the quarter time margin to 16 points. Both teams continued to attack aggressively in the second quarter, kicking 4.2 each. At halftime the Hawks would've felt they were right in the mix for a win, as they carried a lot of belief into the third quarter. West Croydon failed to reduce the halftime margin in the third quarter however, as Eastern Park managed to tack three points onto it, giving the Demons a 19-point lead at three quarter time. West Croydon were well within striking distance, holding their own against the Demons early in the fourth. They were unable to maintain their early efforts however, as Eastern Park kicked it up a gear to kick the last three goals of the game to run out as comfortable winners. West Croydon were led by L. Wilson and T. Milera, who gathered plenty of possessions and kicking two each. Their Hawks teammate B. Pawluk kicked four for the day but was outshone by Eastern Park's A. Burgoyne who booted six. Burgoyne also had plenty of the ball, earning himself best on ground honours.

Fitzroy v Lockleys

Lockleys thumped a deflated Fitzroy side by 127 points, in what is Fitzroy's biggest loss of the year. The loss highlights the Lions' recent run of form, as they have struggled to push their opponents in their last four games. The Lions' struggled from the onset, failing to kick a goal in the opening term, meanwhile Lockleys stacked on six. Lockleys continued to dominate in the second quarter, kicking seven goals to Fitzroy's one. By halftime the margin was 75 points. Lockleys were again relentless in the third quarter, adding another seven goals to their tally. Fitzroy managed to kick three goals for the term, in what was their most positive quarter of the match. This positive may have been the only positive they took out of the game, as the final term saw the Lions boys once again get run over the top of. Lockleys kicked five goals, to finish with an impressive total of 165 points. Despite the lack of opportunity, P. Kartinyeri kicked three for Fitzroy as K. Garret earned first-best honours. Lockleys had a whopping 11 different goal scorers, with L. Narcys leading the way with five. The McDonough brothers starred for the Demons.

Kenilworth v Salisbury

Salisbury have recaptured their early form after a clutch upset victory against Kenilworth by four points. The match was played on Salisbury's terms, as both sides struggled to grind out an influx of goals. Kenilworth did have the better of the Magpies early, taking a 20-point lead into the quarter time huddle. The Kookaburras continued to lead by 20 at halftime, as Salisbury remained just

barely within striking distance. The Magpies lifted in the second half, snatching the lead from Kenilworth, with the Magpies defence clamping down on the Kenilworth forwards. Salisbury carried their momentum into the final term, kicking two early before the Kookaburras came storming home. The Kookaburras kicked the last three goals of the match, but it wasn't enough, as the Magpies barely held on. J. Howden rose to the occasion, performing very well for Salisbury. M. Crump's four majors weren't enough to carry the Kookaburras over the line.

Colonel Light Gardens v Pooraka

Colonel Light Gardens caused the biggest of the round, defeating Pooraka at home by an emphatic 60 points. This shock defeat was indeed humbling for the Bulls players, as they seemed slow and reactive compared to an electric Colonel Light Gardens. The Lions players certainly showed a lot of killer instinct, proving me well wrong. The game was never really close apart from the first quarter, where both teams struggled to apply any genuine scoreboard pressure. T. Groutsch was imposing all day, whilst his Lions teammate, N. Patterson led the forward line with six. Pooraka remain at the top of the ladder; however, in-form Eastern Park and Lockleys are bearing down on their heels.

This week in Division 5

West Croydon v Pooraka

West Croydon's season has been building steadily but if they're to ensure they avoid relegation they'll need to start winning. They face ladder leaders Pooraka at home, who were demolished in their last outing. Opportunities like this are extremely rare, as a win here could catapult a surprise finals run. They're still yet to string together a four-quarter performance, meaning a win will require their best performance of the season. I expect the Hawks to push Pooraka right to the line however, the Bulls are just too good to write off.

Pooraka by 15 points.

Fitzroy v Colonel Light Gardens

Colonel Light Gardens have recaptured their early form, dispatching first-placed Pooraka in their last match. Home-side Fitzroy's season has started to capitulate, as their scoring has started to falter. The Lions have also been conceding heavily in recent weeks. All signs point to a comfortable Colonel Light Gardens victory. Fitzroy will go into this match hoping they can regain some confidence from their play, regardless of the result.

Colonel Light Gardens by 66 points.

Lockleys v Hectorville

Hectorville will have the toughest task of the round when they travel to Lockleys. The Demons have now won their last five games in a row and are currently the most in-form team in the division. Hectorville may struggle early on, as they come off a two-week break with the bye and the long weekend. Hectorville are still yet to prove themselves against the better sides of the competition and find themselves sitting near the bottom end of the ladder. Lockleys look a class above Hectorville at the moment, especially considering recent form of both teams. **Lockleys by 33 points.**

THE DIVISION 6 Match Previews

Elizabeth v Marion

Elizabeth have boosted their percentages with a monstrous 10 goal victory over Marion to continue their undefeated start to season 2021. Elizabeth started brilliantly with a five goal to nil opening quarter to help set the tone for victory. Marion was competitive for much of the second term, however yet another six goals to two quarter in the third meant it was party time in the final quarter for the Eagles. Jarad Clinton was once again a force to be reckoned with up forward for the Eagles with yet another bag of five goals to extend his lead at the top of the goal kicking tally with 36 for the season. Jacob Shephard was excellent up forward, continuing his consistent season with his best performance, resulting in four goals. Heath Hegarty & Braden Owen were also both strong up forward and each kicked two while Brandon Ewing, Domenic De Ruvo, and Brayden Thorn each found themselves in the scorebook with one apiece. Benjamin Taylor had his best performance of season 2021, and was rewarded with maximum votes, while Jhye McConell & Joel Foster were both driving forces out of the midfield. Meanwhile, Anthony Bullock & Jake Reynolds were both vital to the victory and earned themselves votes. For the visitors, Benjamin Miller & Terry Milera once again found the goals each kicking two, with Brett Schultz and William Cavallo also each picking up a major. Brayden Reeves & Sam Kendall were both valiant in the defeat and fought hard all afternoon collecting votes, with Will Cavallo, Zachary Angel & Patrick O'Dea not giving in all day. Next round, Marion will be looking to gain revenge from their round one defeat to St. Pauls, while Elizabeth will be looking to stay undefeated when it takes on Para Hills.

Rosewater v St Pauls OS

St Pauls have handed Rosewater their second straight defeat with a 56-point victory at Eric Sutton Oval. St. Pauls were dominant right from the word go to gather their fourth win in a row, to move to 7-1 for the year overall. St Pauls burst out of the blocks to hand the Bulldogs a goalless opening term, while kicking 3 themselves. This set the platform for a big victory which they gathered through the remaining quarters, with their best quarter coming in the final term where they piled on seven goals to one. Nicholas Morasca was simply sensational up forward booting five goals and was not alone as Riley Henriks put through three majors. Along with this, Nikolas Papaioannou & Matthew Pedlington each kicked two while Jordan Liseno, Brandon Nixon, Sean Gibbs & David Kambach all found the big sticks. Liam Cullinan enjoyed his best performance of the season, and gathered best afield, with Tyson Soulsby also playing very well out of the midfield. For the Doggies, Shane Catterall was the only multiple goal-scorer and bagged two, while Noah Murphy, Christopher Gordon, Michael Del Borello & Jonathan Bugeja finished with one a piece. Scott Friend continued his good form and was best afield for his side, while Sam Bugeja enjoyed his best performance of the season, closely following suit. Eric Rigney returned to the best players, with Nathan Pederson and veteran Dan Reardon also finding plenty of the footy to also find themselves in the best.

Mawson Lakes v Trinity OS

Trinity have made a massive statement, handing an abysmal Mawson Lakes side an embarrassing 117-point defeat at Mawson Lakes Oval on Saturday. The game started competitively with the margin at just 19 points at the opening break. However, from there it was all the Lions piling on the pain as the game went on, particularly the final term with a nine goal to two quarter. Mawson Lakes can also count themselves lucky their opponents did not kick straight throughout much of the final term with Trinity ending on a total of 20 behinds. It was a display of individual brilliance from Trinity's youngster Bailey Puvogel as he booted a remarkable nine goals and was supported by the always consistent Domenico Barilla who also notched up five majors. Liam Edwards, Dylan Crouch & Jack Matthews also found the goals on multiple occasions with two each as Cooper Burt, Harry Tuck and Harrison Smith each kicked one. Dylan Crouch was terrific out of the midfield for his side, winning plenty of the footy and continuously gave his

forwards terrific delivery all afternoon. Jack Matthews was also brilliant out of the midfield, finding plenty of footy, as Dylan Winning also found himself amongst the best players with a strong game. For the home side, Alex Pearce, Jack Parfitt, Jack Ven Den Brink, Max Bowering, Jarrod Salter & Mitch White found the goals, with Pearce and Parfitt fighting hard in the loss all afternoon. Mawson Lakes will be looking for much more of a fight next round against the Hounds and it would take something extraordinary for the Saints to avoid relegation in season 2021.

Blackfriars OS v Para Hills

Blackfriars have continued their rollercoaster start to the season with a terrific 61-point victory over Para Hills, while celebrating its Ladies Day at St. Dominics Oval. The win has rocketed the Hounds into the top four, while Para Hills remain second to bottom after a very slow start to the season and will be continuing their fight against relegation. The game begun with a tight opening term, but from there, Blackfriars never looked back and were in complete control. Club stalwart Matthew Rivett celebrated his 150th game with three majors, with Luke Murphy following suit also bagging three majors. Matthew Brincat, Dylan Richardson, and Christopher Clemente also continued their good form each kicking two majors with Patrick Meaney and Christian Rugari also slotting one major each. Rugari was terrific for Blackfriars as he claimed best on ground honours, while Michael Barbaro and Simon Grgic also found themselves amongst the best players following strong outings at senior level. For the Kangaroos, the absence of key players took its toll, however the opportunity to fill in the shoes was grasped with both hands by Nicolas Lynch who kicked two goals, while Cooper Underwood, Win Thach, Riley Beck-Faraonio and Jose Pietrantonio all booted one each. Jose fought hard all day, as did Bailey Spackman and the always consistent Aaron Mendrin. Next week, Para Hills face a very tough test with a trip to Elizabeth, while Blackfriars should further cement its place firmly in the top four when it takes on a poor Mawson Lakes outfit.

This week in Division 6

Elizabeth v Para Hills

Elizabeth will be yet again at their Argana Park fortress to take on the Kangaroos in a massive game for the visitors. In season 2021, there is no harder task than a trip to the undefeated Elizabeth on their home turf. I expect yet another massive haul from Jarad Clinton, especially considering the number of goals the Roos conceded last weekend. Expect the Eagles to continue their remarkable undefeated run and move to 9-0 on the season. **Prediction: Elizabeth by 53 points.**

Mawson Lakes v Blackfriars OS

Mawson Lakes will be desperate to respond after last weeks horror display against Trinity, however they face yet another massive challenge in the Hounds who they were defeated in round one by a monstrous 20 goal margin. I expect the Hounds to be far too strong for Mawson Lakes whose supporters will be pleading for a much more competitive effort this time around. **Prediction: Blackfriars OS by 84 points**

Ingle Farm v Rosewater

Fresh off what will be two weeks rest, Ingle Farm welcomes Rosewater to Rowe Park and will be desperate to overturn round ones defeat in what is set to be a massive match in the game of the round. Both teams have had major ups and downs this season and are both led by veterans so it will all come down to who can be harder for longer and who will ultimately be the kings of the Dog Park in the battle of the Bulldog. I expect Ingle Farm to be too tough for Rosewater to overcome on the road. **Prediction: Ingle Farm by 22 points.**

St Pauls OS v Marion

St Pauls will once again be looking to maintain its spot in the top two, when it takes on Marion at Thebarton Oval. St Pauls had a hard time adjusting to their new home ground, however, have been better in recent times and will be looking to make it two from two against the up and down Marion, who will continue their fight to make the top five in season 2021. Ultimately, I expect St Pauls to be too strong for Marion, but it'll all come down to which midfield gets on top as both sides pride their game on this area. **Prediction: St Pauls OS by 49 points.**

THE DIVISION 7 Match Previews

Brahma Lodge vs Houghton

A much awaited battle between Brahma Lodge and Houghton took place on Saturday. The first half delivered the competitive footy this contest promised before the game and with a half to go scores only had 5 pts the difference. As the 2nd half began the contest intensified and slowly the premiership Tigers begun to edge themselves ahead and by 3/4 time a 15-point lead was set up with hard running midfielders Scott, Thompson and Timpano doing a majority of the damage. The last quarter was uncompetitive with the Tigers doing as they pleased and the Raiders yet again fading away and a huge concern for them going forward is the lack of competitiveness at times late in games. Brahma Lodge winning easily in the end by 55 points.

Hackham vs Flinders University

Congratulations!! Well done to the Hackham Hawks recording their first success in amateur league history and hopes of many more to come in the near future. It was a tight, hard first quarter with scores even at the quarter time break. The 2nd quarter was when the Hawks went to another level by lifting their intensity and pressure around the ball resulting in forward Shane Stevens taking every opportunity giving his side a handy 16-point lead at half time. Luke Allan and the talented forward again linked up numerous times to start the second half leaving the Crabs with no answers and a huge task of stopping the emotional Hawks looking for victory. With a 42-point 3/4 time lead yet not for the efforts of the Flinders boys Anderson and Hudson the game was theirs for the taking and with the Crabs lacking in energy and cohesion throughout the second half they never stood a chance against the history making Hackham Hawks 21 men forever apart of their first 40 point win and long celebrations throughout the weekend were well deserved.

Mitchell Park vs Adelaide Lutheran

Congratulations Ben Weekley on your 250th game, a role model and classy Lion that obviously inspires his fellow Mitchell Park teammates most weeks and again Saturday against Adelaide Lutheran. The men in green began full of vigour before the doggies were able to adjust to the pressure slamming on goals and giving them a 6-point lead at quarter time. A see sawing battle for the 2nd quarter left all at the ground knowing this game was a contest and as the 2nd half began all was up for grabs. As soon as one team lifted then so did the other throughout the premiership 3rd quarter in an awesome display of division 7 football. Wilson and Zubrinich for Lutheran leading the way in the midfield while Lees and Walczak similarly for the Lions setting up their major scoring opportunities. The last quarter became a battle to the

end with both teams having plenty of chances and it wasn't until a late Brendan Lees goal sealed the crucial 2 points that both teams deserved unfortunately there can only be 1 winner and it was Mitchell Park winning by 6 points. Another tight heart-breaking loss for the doggies.

OSB Lonsdale vs Greenacres

Youthful exuberance of the OSB Lonsdale Lions welcomed the skilled experienced Dragons Saturday to a fresh Lonsdale oval. Coming off the bye was obviously a handy rest for the mighty Dragons as the 1st quarter put the game away with immediate action from the midfield and forwards who did it with ease and countless players having a major influence to give them a 7-goal quarter time lead and 67 points by half time. No doubt Gibson, Bamford and Howcroft the names in the goal's column but their whole 21 players had major control. The young ruckman Tyson Smith of Lonsdale continues to impress, and he battled hard with teammates Trembath, Hayes and Hunter in the second half but Greenacres were way too strong early which meant the game fizzled out a little and the margin of 45 points for the Dragons resulted.

This week in Division 7

At the Halfway mark of the season and 3 teams have shown they are ahead of the others. Key matchups on run home for teams looking to qualify for finals action. While the top 3 teams looking for top spot themselves keen on securing the minor premiership. 2/4 predictions last week with the Hawks securing history and the Raiders failing has put a gap between the top tier and them.

Match of the round

Brahma Lodge vs Greenacres

Brahma Lodge won round 1 against Greenacres by 6 points and meet this time on the Tigers home deck in a top 3 must see battle of major importance. Tigers steamed away from the Raiders late last week and showed their run and pressure style off for all to see. Scott, Thompson and Timpano a formidable running midfield will come up against the class experience and poise of Greenacres and their key movers of Bamford, Eisner and Gibson. Last time they met this was an intense close battle until the end and we should expect this to be no different. Predicting this game is a nightmare as it's as even a 50/50 battle you will find on a football field this Saturday anywhere in South Australia. Tigers at home but don't leave until the final siren blows. **Brahma Lodge 1-12**

OSB Lonsdale vs Central United

Central United beat OSB Lonsdale by 48 points and will need to leave early Saturday to take on the Lions for the rematch. 2 weeks off for the ladder leaders would've been nice to refresh and reassess their season for them at the halfway point without too many concerns and issues in performance

throughout the first 8 games due to the efforts of Mark and Olszewski in the midfield and McIntyre and Lane up forward not to mention the range of other players that complement those major 4. OSB Lonsdale have had a bittersweet season where they had injuries to experience players which has now opened the door for the younger players Smith, Fiedler and Hunter to blossom and continually impress considering at times the amount of experience all the other teams have over them. The Doggies will win but the young Lions will continue to develop and interesting to see how they mature throughout the backend of the season. **Central United 49-60**

Mitchell Park vs Hackham

Mitchell Park beat Hackham by 64 points in round one and this round 1 return leg at Mitchell Park reserve Saturday looks to be a closer battle considering the mighty hawks form of last week in a marvellous performance against the crabs. Shane Stevens last week was absolutely superb with a best on ground 10 goal outing the key forward also looking most potent for the hawks in this matchup. Luke Allan and Jeremy Cross on ball also players to watch. While the Lions of the Doherty brothers, Walczak and Lees the main instigators throughout the season in winning the ball for their Mitchell Park team would be full of confidence after celebrating a major occasion of Ben Weekleys 250th game and a narrow victory against the Doggies last week. The Lions at home must win this game and the Hawks seem to have wavering form depending on home and away fixtures. Availability and lineups of players for both teams' key to this contest but I lean towards the home team with a huge 2 pts to play for being successful. **Mitchell Park 25-36**

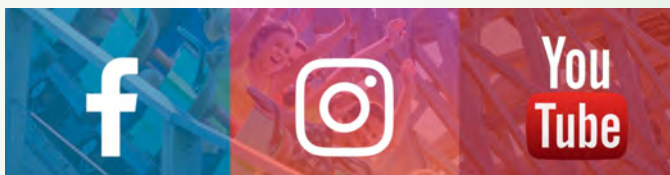

Adelaide Lutheran vs Houghton

The Raiders were victorious in round 1 by 19 points against the Doggies and this week travel to the parklands with both teams needing these 2 points desperately to try revive their season after recent losses. Andrew Wilson has been Lutherans best player so far this year with Rowan Miegel their best forward looking to again be important in this contest after back-to-back narrow losses they would be keen to atone for here. Houghton need to find application for the contest for longer and when really put under pressure against the better sides have struggled to handle that. Kodi Sparks a quality midfielder for Houghton has been impressive and key to their chances. Another tight hard-fought division 7 matchup expected with predictions nearly pointless as a 50/50 even battle that whichever team applies themselves for longer gets the victory. Heart tip and a mighty important two points needed for the Raiders. **Houghton 1-12**
