## Who Will Be The Sixth 400-Gamer?

In what has been a difficult time for the game in the previous two weeks, with COVID-19 once again causing havoc on the AFL Season, it was a weekend of celebration for the great Shaun Burgoyne. On Saturday night, 'Silk' became the fifth player in the game's 163-year history to reach the 400-game milestone, and the first Indigenous player to notch the quadruple century.

by  
Daniel Emilio Amato

For just five players to reach this incredible achievement in almost two centuries goes to show what is required; a strong work ethic, dedication, resilience and a hint of good luck with health and injury along the way.

There are many players currently in the league who are somewhat within striking distance of the 400 game mark. However, with form issues, injury concerns and the possibilities of game-time and/or positions on lists being compromised in the future due to rebuilding and money-saving, some are more likely than others.

I have identified three players who are the most likely to reach that elusive 400 game milestone;

### 1. David Mundy

Current Games Played: 347

Games Required: 53

For so long many out of Perth would barely give David Mundy a mention, but now the Victorian-born midfielder is certainly up there as one of the finest footballers to ever come out of a Western Australian club. From his first season in 2005, Mundy has held an unquestionable position in Fremantle's best 22 and has rarely disappointed. A best and fairest in 2010 and All Australian in 2015, and a selection in Fremantle's 2013 Grand Final are among his greatest achievements on field. At the age of 35, the former captain is playing as well as ever, averaging 25 possessions, five clearances and four tackles, all of which are considered above average for AFL standard. For David Mundy to reach 400 games, he would need to play majority of this season's remaining games at least two more full seasons, a final or two would help boost those games up. It seems far-fetched, but if he continues at the rate he is now... why couldn't he?

Only seven games away from over taking Matthew Pavlich's club record for most games played.

### 2. Joel Selwood

Current Games Played: 325

Games Remaining: 75

The captain of the Geelong Football Club has been the epitome of hard work, dedication, and an unbelievable success rate. Since debuting in 2007, where he won the NAB Rising Star award, he has played in five Grand

## Who Will Be The Sixth 400-Gamer?

Finals, won four Premierships, three best and fairest awards, six All Australians and four times the most courageous player, he has also only ever missed the finals on one occasion in 2015. Only once in his fifteen seasons has he played less than 20 games a year, he has been able to escape serious injury for so much of his career and has never been dropped.

by  
Daniel Emilio Amato

However, Selwood's courage to go back with the flight of the ball and unflinchingly dive into packs has resulted in concussions and head injuries. His biggest strength is also his biggest weakness, and this is the only concern in not reaching 400. With Geelong's premiership window wide-open for the next few seasons and with Selwood form still certainly apt to remain in the side, he would certainly be expected to at least get very close.

For Joel Selwood to reach 400 games, he would need to play until at least another three seasons, playing at least 20 games every campaign. By that stage he would be 36 years old, if he stays injury free and avoids anymore concussion issues, there is absolutely no reason it cannot happen.

### 3. Dustin Martin

Games Played: 258

Games Remaining: 142

This one may, but should not, come as a surprise. While Dustin Martin still has at least six seasons plus a few finals required to reach 400, he has proven to be one of the most consistent and durable players we have seen... possibly ever.

Since debuting for the Tigers in 2010, Martin has never played less than 20 games in a season. From round one 2010, he has always been one of Richmond's most important players and a main stay in the midfield. He has avoided injury through most of his career and become one of the greatest players in the game's history. Three premierships, three Norm Smith Medals and a Brownlow Medal put him in the elite category in every sense. Football is his life, he loves the game of there does not seem to be any obvious reason why he would give the game up until he exhausts everything he has, and he still has many years to come with a lengthy contract not expiring until 2024, which would be expected to be extended.

For Dustin Martin to reach 400 games, he would need to play until at least 2027. At this stage he would be 36 years of age and I cannot see any reason why this is an unrealistic prospect. He is arguable in career best form, tearing up the midfield with his strength, ability to shake players of and that powerful, penetrating kick.

## Over-officiating is killing our game!

Australia's great sport of football is a treasure as it is a game that has uniqueness, packed with flare and excitement. However, our beloved league, the AFL has been coming under scrutiny for various reasons in recent years and over-officiation has most definitely become a much-heated debate amongst pundits and spectators.

by  
William Clemente

I believe in the law, rules are extremely necessary across all fabrics in our society and footy is included in this but, the game has currently reached a level where strict officiation of the rules has been affecting the quality and potential of AFL fixtures. Many games we have viewed thus far in season 2021 have still been injecting us spectators with pure adrenaline and keep us glued to our seats biting our nails. Round 10 at the Adelaide oval between the rebuilding Adelaide Crows and premiership contenders, Melbourne was an example of fine AFL football, but once again, umpire performance was reviewed.

Umpire discrepancies continues to be a problem in the AFL. I and I'm sure many others are fed up of hearing of umpire complaints after every fixture that is played. Too much attention is put on how the men in green shirts and short shorts do their business on the field. On two occasions this season, the AFL have announced publicly after the conclusion of a round that the umpires have made a mistake. For example, the umpires should have paid a mark to Geelong's Jeremy Cameron in the dying minutes against Sydney in round seven and Adelaide's Nick Murray should have been penalised with a deliberate in the dying seconds against Melbourne in round 10. Both mistakes potentially altered the results of these games.

Currently, we are not seeing any consistency from our umpires on the field. A theoretical truth we have witnessed countless times this season is one hold in the ball given down the field and then a couple of minutes later two hold in the ball tackles are not given. The amount of inconsistency we are seeing from umpires is staggering and it is leaving a bitter taste in the mouths of all involved in footy, most especially, spectators.

It is a very conflicting situation; a lot of pressure is being put on umpires, but I do not believe that this is the solution to our problem. I strongly believe that constant pressure and bombardment on umpires is creating the over-officiation the is killing the spirit of footy and making many AFL games mundane.

As we know, the AFL have been extremely strict and conservative with concussions and rightly so, but this has most definitely has plagued the minds of umpires and influences decisions. Gold Coast's Nick Holman was sent to the tribunal by umpires for a dangerous tackle, this was a reprehensible decision as Homan's tackle was perfectly legitimate. Adelaide's David McKay was also sent to tribunal for an illegal bump when it was a player going in hard to a ground ball contest. Rightly, both incidents were cleared at the Match Review Panel (MRP). Umpires are being too cautious, and their decisions are seemingly trying to eradicate the natural hardness and physicality which makes our sport great and unique.

After viewing round 16's contest between Adelaide and Brisbane at the Adelaide Oval, it highlighted that there are major inconsistencies with one of the biggest components of the game, the hold in the ball. Also, as we have seen across many games throughout the season, the deliberate out on the full has been extremely inconsistent.

Umpires are being extremely inconsistent this season and it is more evident now than previous seasons. It is simple, it is being over-officiated. Constant rules changes and politics behind concussions are influencing umpires negatively. They are leaving a sour taste in our mouths as the fabrics of footy are being forgotten in their decisions. Maybe reform in umpiring is required.

## Top 8 sides are Locked in

There maybe seven minor round matches to go and there are still a number of teams that can mathematically make the eight however, realistically they won't as they are simply not up to it.

by  
Matthew Anderson

Richmond has been a dominant team over the last 5 years no question about that but they have lost their way this season and struggling to be competitive in the last few rounds and look like their current position on the ladder of 9th is the best they can hope to reach and 12 or 13th at the end of the minor round would seem realistic on their current form.

Fremantle are their own worst enemy they are a team capable of being in the finals and being competitive if they produce their best form. However, following Fremantle is like riding a roller coaster their form is very up and down.

St Kilda are improving and will be a force next year but just currently lack the experience and finely tuned skills required to be a finals contender.

Essendon are a young and upcoming side who will be a top 4 contender next season and a team of the future they are by far the most improved team of the year.

Carlton has a good mix of you and experience but unfortunately for them they are still lacking consistency when the game is there to be one and will be competitive against all teams for the remainder of the season. But it is their inconsistency under pressure that will see them in the end fall short of making the eight.

Adelaide Crows and Gold Coast well they are coaches nightmares. Their best beats the top team in the competition and then their worst makes them look like they shouldn't be part of the competition at all. They are a team that you never know which version of them are going to turn up on the day.

Collingwood well they have a long road ahead and the rest of the season would be best spent reviewing their list and coming to the right decision on who stays and who goes at the end of the season or risk an all but certain wooden spoon if they don't in 2022.

Hawthorn and North Melbourne in years gone by were two power house teams of the competition but now are only shadows of their former selves. When you look at them and where they both seemed to be headed for the next few seasons at least it raising a question on what should be done. Tasmania is an improving football state and currently for them to join the competition would create what nobody really wants a bye. However, should the lists of Hawthorn and North Melbourne be merged and the best of them retained they could then look at being a competitive team instead of 2 teams competing with Collingwood next year to avoid the wooden spoon.

No club likes it and neither do their supporters but it may well be time now to look at merging North Melbourne and Hawthorn for season 2022.

# TEAM TALK with JORDAN

## The Cattery

2007 was the year that Geelong became the powerhouse that they are known as today. After years of underachieving failing to become that powerful team that they always threatened to be they finally turned it around by not only having developed an ominous high attacking game style that wielded three premierships in five years, but they made their home ground Kardinia Park (it has had many different names over the years) the unbreakable fortress that many a team have now come to fear when they play there. In modern day football, every little bit counts, and the Cats have known that better than most teams. We all talk about fortresses when dominant teams seem even more powerful and even invincible on their home decks, but no team has ever had as pronounced a home ground advantage as Geelong has had at Kardinia Park. Footy pundits and critics have long since given up quoting the numbers, they've just accepted the fact that it's near on impossible to win there.

by  
Jordan Sennett Perez

Before Geelong turned their fortunes around some 14 years ago, they famously lost a match to North Melbourne at Kardinia Park in what became the "line in the sand" moment for them. Not only was the playing group called into question but the club as a whole, culture administration, coaches all of it. They then destroyed an abysmal Richmond by 157 points at the Telstra Dome (now called Marvel Stadium) and from then have never ever looked back. As mentioned above, since then Geelong entered a golden era yielding three flags, playing in 5 grand finals and further 10 preliminary finals which is incredibly impressive. None of those games have been played at their home ground which is affectionately called "The Cattery" but it sure has played a major part in the club's consistent dominance over the competition. Since that loss to the Kangaroos in 2007 and as of the 2021 season, Geelong has played a total of 108 games at Kardinia Park. They've won an astonishing 97 of those, 97! Only 11 losses which is incredible, and their winning strike rate is 89.9%. The sheer key factors in the dominance that Geelong has there are teams that have relative unfamiliarity in which no visiting team ever playing there more than once per season and some of the bigger drawing Victorian clubs such as Hawthorn, Carlton and Richmond only playing there very occasionally, like once or twice in 12 years. The unique dimensions of the ground in my opinion play the biggest part.

Kardinia Park is only just the longest ground of any of the current AFL stadiums at 167 metres only a metre longer than Adelaide Oval, two metres more than Optus Stadium in Perth and five metres more than the MCG. It is significantly narrower than any of the other grounds however which is the most unique aspect of the grounds landscape. At just a measly 112 metres wing-to-wing, it is 27 metres skinnier than the MCG and that near 30 metres difference to the MCG is as good as one less kick for sides trying to switch the play side to side and make the ground bigger. It's no wonder teams have struggled and often have found themselves kicking the ball out on the full more than usual when they play at the cat's home ground. It's also Geelong's incredible defensive qualities that really shine through effectively smothering the opposition into turning it over and having all defensive lines covered effectively roadblocking half the ground. Considering how many teams have struggled there over the years, there are a few sides that boast somewhat of a half decent record there in recent times. Sydney has taken the cat scalp there 4 times in the last few years and had a 3-game winning streak there and Fremantle famously beat the cats in the first and only to date final played at the ground, the 2013 qualifying final, the dockers also beat them there again in 2015. For every other team it is the dreaded travel across there to face impending death. Of the 97 wins, 31 of those has been by a minimum of 10 goals and a further 8 has been by 100 points or more. Now that is some sort of dominance and it doesn't look like diminishing any time soon.

## DON'T TAKE OUR WORD FOR IT... HERE'S WHAT OUR CUSTOMERS HAVE TO SAY!

I've used many fish oil additives in my burley mixes over the years and this one is the best by far. Irrespective of tide movement or bite times it stimulates the fish into a feeding frenzy and provides a superior catch in record time, every time. Can't recommend these products enough - I'm truly impressed!

**PETER C., SOUTH AUSTRALIA**

This little oil is liquid gold! Since changing from tuna oil I've been catching more and I use it for everything now, hooks, reels, sinkers & my boat trailer. **ALEX M., QUEENSLAND**

We had great results over the 2 days we bagged out on whiting on both boats on day one but also caught Travally sweep salmon and Squid which were our target species. Day 2 was a dodge tide so not best conditions for fishing, but we did get whiting and more squid on that day. We did a test and between 2 boats over same reef structure one used the oil the other didn't and both had their own berley stream and the boat using the oil in the berley and bait did get more fish in far shorter time. Great weekend lots of fish and we all say Thank you! **ANTHONY & THE BOYS, PT. VIC**

Just had a nice trip away, garfish went nuts using the oil, we cleaned up. Quite impressive we had them swimming around our legs using the oil they were quite keen on it! **SHANE, FISHINGSA MAGAZINE**

## THE DIVISION 1 Match Previews

### Goodwood Saints vs St Peters OC / 11.14-80 vs 4.9-33

Goodwood have secured an important win to help cement a finals spot against a strong St Peters side. The game started out heavily in favour of the home side, kicking six goals and taking a huge 36 point lead into the first break. The second saw the home side continue their dominance of the game to extend their lead to 40 points, putting the game out of reach early. The rest of the game had a similar complexion with the home side looking very strong to ultimately see out the game by 47 points. The early dominance of the first quarter proved too much for St Peters to handle away from home. It was B. Macreadie and A. Skara who were influential for the home side, while L. De Cesare and W. Montgomery were diamonds in the rough for the away side in a very disappointing loss.

### Unley Mercedes Jets vs Adelaide University / 8.9-57 vs 10.9-69

The Jets have missed out on the chance to get their season back on track, going down to the Blacks at home by 12 points. The game actually started out in favour of the Jets who managed to snag a 10 point lead going into the first break. Both sides came out and kicked two goals and three points in the second quarter for the Jets to keep their 10 point lead in tact. Strangely enough, both sides once again kicked the same amount of points in the third for the lead to remain at 10 points in favour of the home side. The fourth quarter is when the Blacks finally arrived however, scoring four goals, five behinds to see off the struggling home side by 12 points. It was R. Faehrmann and L. Spiniello who were important for the Jets, whereas B. Adams and M. Marini were influential for the away side inspiring them to an important win.

### Prince Alfred OC vs Rostrevor OC / 11.11-77 vs 3.9-27

The Reds have seen off an in from Rostrevor by 50 points after an impressive performance. The game started in a familiar fashion to most weeks, the Reds dominating, scoring three and leading by 12 points at the first break. The second saw the game really slip from the away side, conceding a further 20 points to ultimately trail by 28 at half time. The game continued to fall in the top sides hands, conceding just a single point and kicking 30 points to take a 57 point lead into the final break. This is where the game actually tipped in favour of the away side, outscoring their opponents and cutting into lead, but it was too little too late by then. Ultimately losing by 50 points. It was O. Clarke and A. Perryman who were sensational for the Reds while T. DeMattels and S. Jonas who played well for Rostrevor.

### Payneham NU vs Brighton Bombers / 12.5-77 vs 5.8-38

Payneham have secured a huge win against the Bombers in the context of their season, winning at home by 39 points. The Bombers took the early lead in the first quarter after some impressive goal kicking to take a 7 point lead into the first break. The second saw the game turn around however, with the home side

kicking four straight goals to take a lead 9 points into the main break. After the main break the home side turned on the gas, kicking a further five goals to see a massive 31 point lead into the final quarter. The game saw a fitting finish with the home side kicking another two goals to see off the game as 39 point winners. T. Dickson and J. Evans played notably well for the away side, whereas it was M. Nye and M. Hodges who were brilliant for the home side.

**Tea Tree Gully vs Port District / 11.7-73 vs 5.9-39**

Gullies have secured a big win to gain some ground and help on their final push for finals spots. The game started in favour of the Magpies who took a slight 4 point lead into the first break. The game turned around and saw Gully take the lead by a goal going into the main break. The game travelled down a similar path in the third with the home side being too strong and extending their lead to 16 points at the third and final break. The Gullies strongly saw out the game kicking a further three goals to win by 34 points in a dominant performance at the tail end of the competition. M. Stent and T. Breden were phenomenal for the Gullies while G. Shephard and L. Sharrad were diamonds in the rough for the magpies.

**This week in Division 1**

**Port District vs Payneham NU**

Port host an in form Payneham next week after going down convincingly to Gullies last week, the Magpies will want to bounce back, but will find it difficult against a team coming off a huge win by 37 points against the Bombers. With both sides having contrasting form, I see **Payneham going out 25 point winners.**

**Brighton Bombers vs Unley Mercedes Jets**

The Bombers are looking to bounce back after going down to in form Payneham last week, and come up against struggling bottom side Unley. Unley once again suffering defeat played well and were ultimately unfortunate not to get something out of the game. Both sides will want to bounce back from last weeks performances but I believe it will be **Bombers by 20+.**

**Rostrevor OC vs Goodwood Saints**

Rostrevor suffered a disappointing loss at the hands of top side Reds and will hope to bounce back strongly, but will find it difficult coming up against the in form Saints, who are coming off another big win last week. With both sides having decent form as of late, itll be tough, but I see **Rostrevor running away 10 point winners.**

**St Peters OC vs Tea Tree Gully**

The Saints host Gullies this week after suffering a loss at the hands off Goodwood last week, while Gullies recorded an impressive win against the Magpies. Both sides will want to record wins going into the tail end of the season, especially Gully who are more likely to miss out on finals. That being said, I see **Gullies running away 8 point winners.**

**Adelaide University vs Prince Alfred OC**

The Blacks play host to top side the Reds next week in a must win for the home side, who are looking to keep their finals hopes alive, whereas the Reds are looking to further cement their position and gain extra momentum going into finals. Although at home, I see the **Blacks having a tough day at the office and going down by 20+ points.**

## THE DIVISION 2

# Match Previews

**Lachy Jones gives his match previews for this weeks matches**

### Old Ignatians 7.14 (56) def by Plympton High & Camden 8.13 (61)

In a pivotal top four clash, the visiting Phantoms held on to win by five points in a fairly even contest. The game went virtually goal for goal, with both sides kicking seven goals after quarter time, but it was that elusive first quarter that deemed to be the difference, as Plympton High held the home side goal-less to start the match. Dylan Strickland was best afield for the winning side, while Reid Patterson and Justin Whitford shared two goals each. Sam Boots (5 votes, 2 goals) was Old Ignatians' best, as they held third spot due to Sacred Heart also losing.

### Athelstone 8.10 (58) def by Broadview 9.12 (66)

The Tigers came and conquered on the weekend on foreign ground as they have quietly regained some top form. Athelstone fought hard, and even led at quarter time, but were just ousted in a vital match for both clubs. Jack Sausse played one of the games of his life as the Tiger picked up best-on-ground honours, while Kane Nurton was the Raggies' best in the losing effort. The win keeps Broadview in the hunt for finals at 6-5, with consecutive wins catapulting them up the ladder. As we hit the latter end of the home and away season, Broadview will be riding high off this newly found momentum as they push toward September action.

### Salisbury North 14.11 (95) def Seaton 12.8 (80)

The Hawks continued their resurgence on Saturday afternoon, defeating Seaton at home by 15 points in a telling win. The home side showed grit as both sides traded blows late, with the Hawks and Ramblers each kicking five final quarter goals. For three of the four quarters, the contest was evenly contested, but in the premiership quarter it was the home side who kicked away, outscoring the Ramblers four goals to two. Todd Peirce and Nick Pape booted three majors each, while Jak Kairl-Prosser had a game-winning five-vote performance for Salisbury North. For the losing side, it was the usual suspects, with Brett Harland booting another six goals.

### Scotch 14.7 (91) def Henley 8.12 (60)

Scotch recorded their second win of the season on Saturday as they took care of an out-of-sorts Henley outfit by 31 points at home. Max Marslen kicked seven to make it thirteen in two weeks and Josh Doyle was best afield as the struggling Scotch found something to cheer about. They never looked like losing, after jumping out to a five-goal lead by half time, and were in cruise control in the second half to bring it home. For the Sharks, Liam Martin showed spirit, but lacked in every department once again as it finds itself in sixth place with a 5-1-6 record. It doesn't get any lower than this for Henley, who have lost five consecutive games in the last month and now are staring down the barrel of missing finals after starting the season strongly.

### Glenunga 7.10 (52) def Sacred Heart 5.9 (39)

Two top four sides battled it out on the weekend, and it was the powerhouse Glenunga who held strong at home to make it 11-1 after twelve rounds. Alex Haren made it back-to-back BOG performances as the Rams, although they were inaccurate, got the job done. The wins aren't as big as they were early on for the top side, but a clear-cut competitor to knock them off in September is still yet to be established. For the visitors, it was Josh Koster (5 votes) who was their best, while they shared five different goalkickers. Still in fourth place, Sacred Heart are primed to make a finals run as long as they can keep winning.

## This week in Division 2

After two thirds of the home and away season have been completed, the finals picture is beginning to take shape. As we move towards the home straight, can anyone challenge Glenunga?

Broadview host Scotch this week, with both teams coming off wins and in good spirits. The Tigers must win to keep their finals hopes alive, while Scotch will be looking for some positives heading to the finish line. I think Broadview win at home, in a do-or-die situation.

Glenunga travel to Henley to take on the Sharks, who have fallen mightily from the early season side that was primed to play finals. Now a struggling side hanging onto those slim finals hopes by a thread, they must start winning in the next couple weeks or they can kiss their season goodbye. Unfortunately, I think their window closes on Saturday as Glenunga should take care of them on the road.

Seaton were competitive but ultimately weren't good enough to beat Salisbury North last week and will start fresh at home this week. With finals all but out of reach, the Ramblers can build on their recent form and take some momentum into next season. Old Ignatians, on the other hand, sit in third place and finals are locked in provided they keep winning. This will be a big test for the aspiring finalists, and I think they should overcome the small obstacle as they beeline for September.

After a rough couple months, the Raggies have regained some form heading into the backend of 2021, but will face a mighty test at home this week against the Phantoms. Plympton High & Camden have been the clear-cut second-best team all year but haven't quite taken the leap to be a serious challenger for Glenunga yet, and these last six rounds are the best chance to do so. Phantoms by five goals.

Last on the agenda is a crucial clash that could pay dividends in six weeks' time when finals begin. Sacred Heart (7-5) host Salisbury North (5-7), as the gap tightened between the teams with last week's results. To make finals, you would think the Hawks need to win, but it will be a tough ask on the road against a strong Sacred Heart outfit. This looms to be the game of the round.

## THE DIVISION 3 Match Previews

### Westminster OS v Edwardstown

Edwardstown claimed their sixth victory of the season and only their second since Round 9 when they defeated Westminster OS by 25 points at Westminster School Oval on Saturday. The 13.5 83 to 9.4 58 result sees Edwardstown remain in the hunt for a top five finish and are now currently sitting equal with Modbury in sixth with only percentage separating the two teams. In a tight first half it was Edwardstown who took a 13-point advantage in to the main break. A four goal to two third-quarter in favour of the visitors extended the margin to 24 points at the last break, which Westminster couldn't overcome as both teams traded goals in the final term. Kane Mulvaney was influential for the visitors with his efforts seeing him earn Edwardstown best player honours. In a good day for the forwards Joshua Holliday booted six goals for Edwardstown whilst Riley Wildon kicked four for the Dragons. For Westminster, Zeb Kenny was named best for his efforts in the loss. The Dragons now fall to 4-8 and find themselves in fight to avoid dropping into the relegation zone with matches against Flinders Park and Gaza to come in the next 2 weeks.

### North Haven v Plympton

North Haven continue to solidify their place inside the top three as they travelled to Plympton Oval and defeated Plympton by 35 points, winning 16.19 115 to 12.8 80 over the weekend. The Magpies had thirteen scoring shots to three in the opening stanza but could only manage 5 goals, had it not been for the inaccuracy in front of goal, North Haven could easily have led by more than 25 points. Plympton battled back in the second term, kicking five goals to two to cut North Haven's lead to just four points heading into the sheds at the half-time break. North Haven's third quarter was much like their first in terms of scoring, the Magpies kicked six goals from fourteen shots in the third to increased their lead to a game-high 41-points heading into the final quarter. Whilst Plympton won the last quarter the margin was always going to be too much for them to overcome. Magpies coach, Ryan Mcinerney, despite the victory, will be disappointed his side couldn't take full advantage of their dominance. Missing an opportunity to boost their percentage, which could become critical in determining the make-up of the top three. Jack Foster booted five goals for the 'Pies to become the first player to reach 50 goals so far this season. Zac Friend kicked two goals of his own as he was named the Magpies best player. Lachlan Stoddard was named best for the home team. With the victory, North Haven remain in second one win behind Golden Grove and one win ahead of Flinders Park. Plympton on the other hand, fall to 3-9 and are currently sitting a game behind both Westminster and CBC Old Collegians in the battle for relegation.

### Golden Grove v Portland

Ladder-leaders Golden Grove thumped cellar-dwellers Portland, 29.16 190 to 4.2 26 at Harpers Field on Saturday afternoon. The 164-point shellacking was Portland's tenth of more than 100-points this season. The Thunder kicked four goals in the opening term, their best quarter for the season to only trailed by 20

points at quarter-time. However, that was as close as they would get. As the reigning premiers who, off the back of a massive 12-goal haul from Michael Walters, would put the struggling Thunder to the sword, running riot and improved to 11-1 to remain a game and percentage ahead of second placed North Haven. Walters was well supported by Thomas Tacono who kicked 5 goals of his own. The 12-goal performance from Walters gives him 45 on the season, only five behind North Haven's Jack Foster. After a couple of quiet weeks Corey Evans was back to his best battling hard all day for the Thunder. Golden Grove, now turn their focus to second placed North Haven in a mouth-watering, top-of-the-table clash next week.

### Modbury v Gaza

It what could be a season defining match fourth placed Gaza travelled to Modbury Sports Reserve on Saturday to do battle with fifth placed Modbury. In the end, it was the Eagles who have kept their faint top three hopes alive over running a gallant Modbury by 25 points on the back of a dominate fourth quarter to secure a 12.20 92 to 10.7 67 victory. The visitors started strongly kicking four goals to two in the opening quarter to lead by 12 points at the first change. The Hawks started to get on top in the second, kicking five goals, allowing them to take a slight 4-point advantage into the main break. Gaza regain control of the contest in the third quarter dominating territory and it was only their wayward kicking that allowed Modbury to keep pace with the visitors, as Gaza took a one point led into the final change. In the final term it was all Gaza as they held the home side to one point while kicking 3.7 themselves to secure the victory. The Eagles record improves to 7-5 after the victory and sees them sitting a game clear in fourth position ahead of both Modbury and Edwardstown. A 3-goal performance from Christopher Tidswell earned him the Hawks best. Tidswell was supported by Liam Verity, who also kicked three goals for the home side. Jackson Elmes (five goals) and Todd Culley (four goals) combined for nine of Gaza's twelve goals. Kosta Papachristos' efforts were enough for him to be named the Eagles best. New recruit, Ben Nason, who signed midweek from SANFL club Central District, kicked one goal for his new club.

### Flinders Park v CBC Old Collegians

Flinders Park ended CBC Old Collegians three-game win streak with a hard fought 8-point victory at East Parklands over the weekend. The 10.13 73 to 9.11 65 result sees The Reds improve to 9-3 and keeps them two games ahead of fourth placed Gaza. CBC started strongly booting the first four goals of the contest and holding the Reds to only 3 behinds to jump out to an early 25-point lead at quarter-time. Flinders Park, however, were able to gain momentum and take control of the match in the second term, holding the home side to one behind, as they kicked four goals of their own to lead by 3 points at the main break. The Dolphins were able to stick with their opponent for the entirety of the match as they headed into the final change trailing by 9 points. The Dolphins threw everything at The Reds in the final quarter, but were only able to reduce the deficient by one point, as CBC kicked 3.3 to the Reds 3.2. A 5-goal haul from Michael Gabrielli was not enough for the home team as they just fell short in the end, Samuel Madigan's efforts did not go unnoticed as he was named the home sides best player. For Flinders Park, Joshua Fazzalari, who kicked one goal, was named The Reds best in the victory. With the defeat, CBC fall to 4-8 only percentage behind Westminster, whilst remaining a game ahead of Plympton and the relegation zone.

## This week in Division 3

### North Haven v Golden Grove

In what could very well be a Grand Final Preview, first-placed Golden Grove travel to Largs North Reserve to take on second-placed North Haven in a mouth-watering, top-of-the-table clash to kick off Round 13. The last time these two sides met back in Round 4, it was Golden Grove who rode an 8-goal final term to run away 49-point winners at Harpers Field. Both teams enter this clash having won their previous matches, with Golden Grove gaining a ton of percentage with their massive 164-point thumping against Portland and North Haven overcame a fast-starting Plympton to win by 35 points. A victory for Golden Grove would see them improve to 12-1 and create some breathing space with a 2-game buffer between them and North Haven with five games to play. While a victory for North Haven, on their home deck, would see them improve to 11-2 and draw level with the Kookaburras, setting up an exciting final month to the season. The match will also see the leagues two leading goal kickers go head to head, after a 12 goal performance against Portland, Michael Walters sees himself only five behind North Haven's Jack Foster, with 45 goals. Since these teams last faced against each other both teams have won seven of eight games. With Golden Grove only losing by less than a kick to Flinders Park back in round eight and North Haven falling to the much improved CBC after the bye. After the disappointing of round four North Haven will be desperate to turn the tables on the Kookaburras. This game could go either way, and it is difficult to pick a clear winner. Despite the home crowd advantage and how well North Haven have been playing the last two months, they still enter this match as slight underdogs, as Golden Grove have answered every challenge thrown at them this season. **Golden Grove by 2 points.**

### Portland v Modbury

Winless Portland return home to Port Reserve to take on Modbury who are coming off a tough 25-point defeat to Gaza last weekend. A win for Modbury this weekend, will see their record improve to 7-6 and depending on results from Gaza and Edwardstown could find themselves in a three way tie for fourth or a game clear in fifth. Prior to last week's lost to Gaza, Modbury had been one of the form teams. They will be looking to bounce back and set themselves for a run towards the finals over last month and half of the season. Despite having not won a game, the effort and endeavor of the Portland players cannot be questioned. Last week's four goal opening quarter against the Kookaburras gives the Thunder something to build on, as they look to the future and re-establishing the club. The signs of improvement are there, just not on the scoreboard. Modbury are the clear cut favourites heading into this one.

**Modbury by 95 points.**

### Gaza v CBC Old Collegians

Fourth-placed Gaza return home and welcome eighth-placed CBC Old Collegians to Klemzig Oval for this Round 13 clash. CBC are coming off an eight point defeat to Flinders Park whereas Gaza are coming off a strong twenty-five point win over Modbury. On paper fourth verse eighth should mean an easy victory for the Eagles, but CBC are the improved team of the competition with wins over North Haven and a hard fought lose to Flinders Park

in the last month. The Eagles enter this match looking to not only create a buffer between themselves and Modbury but are also looking to stay in touch with the top three and a win at home against the Dolphins could give them that chance. A victory for CBC, however, would be their fourth in five games and their fifth overall on the season and could see them jump into seventh on the ladder, and potentially safe from relegation. Gaza go into the game favourites and should keep their hopes of a top-three finish alive. **Gaza by 27 points.**

**Flinders Park v Westminster**

The Reds return home to Flinders Park to take on Westminster OS in the second-last match of Round 13. Flinders Park overcame a fast-starting Dolphins outfit to claim an 8-point victory last round whereas Westminster fell to Edwardstown by 25 points. A Flinders Park victory would see their record improve to 10-3 and keep them two games clear in third with only five games remaining and depending on other results might also see them back in the race for top spot. A victory for The Dragons would see them improve to 5-8 and keep them above the relegation zone at least for another week or two. Back in Round 4 when these two sides last met, it was Flinders Park who claimed the two points, winning by 31 points thanks to a strong 6-goal to 2 opening term. Expect Flinders Park to collect their second victory of the season against Westminster and stay in the race for top spot. **Flinders Park by 35 points.**

**Edwardstown v Plympton**

Edwardstown welcome ninth-placed Plympton to Edwardstown Oval for the final match of the weekend. Edwardstown are coming off a solid 25-point victory against Westminster while Plympton fell to North Haven by 35 points. A lot has changed since round 4 when an Edwardstown victory over the Bulldogs saw them start the season 4-0. Since that time, The Towns' have only won twice and a once promising season is on the edge and a loss to the ninth placed Plympton would all be see any chance to play finals disappear. A victory in front of their home fans, would go a long way to help build momentum and confidence heading into the final month and a half of the season. As for, Plympton, if they were to come away from this match victorious, their record would improve to 4-9 and see the battle to avoid relegation along with Westminster and CBC Old Collegians really heat up. Edwardstown should be able to backup last week's performance and make it back-to-back wins, as they look to make a run towards the finals. **Edwardstown by 43 points.**

### Gepps Cross v Kilburn

Gepps Cross have continued to stay in touch with the top five after defeating the winless Kilburn by 71 points at Blair Athol Reserve. The Magpies were competitive in first term, but the signs were ominous as the Rams took a 21-point lead into the main break. From there the floodgates opened as Gepps Cross took control in the third term, kicking six goals to one, taking a 51-point lead into three quarter time and setting up an important percentage boost in their second consecutive win. The highlight of the day for the Rams was the performance of the Clark-Rantasa's with James booting nine goals and Jarred putting through five of his own. Jack Wood also managed two majors while Preston Natale played his best game of the season in a win that keeps the Rams two wins outside of the top five. For Kilburn, Dustin Knaggs was the lone hand up forward with five goals while Miles Brooks did everything, he could but was unable to stop the Magpies from recording their 12th consecutive loss. Things do not get any easier for Kilburn as they travel to face Pulteney while Gepps Cross will need to be at their best when they host ladder leaders Pembroke.

### Pembroke OS v Walkerville

Pembroke OS have emerged as the clear favourite for the 2021 premiership after defeating Walkerville by 24 points at Haslam Oval. After a tight first term saw just three goals between the two sides, Pembroke broke away in the second, kicking three goals to one and taking a 21-point lead into half time. Walkerville managed to reduce the deficit by a goal in another tight third term, but Pembroke stood strong, kicking four goals to two in the final term and securing a win that moves the Kings a game clear alone at the top of the table. Alex Forster was once again the star for Pembroke with five goals while Harrison George and Izaak Twelftree both contributed two goals apiece. Charles Canny had another impressive performance while Mitchell Curnow also stood out in the sides third straight win. For Walkerville, Adam Proud was held to just two goals, his equal lowest output of the season as the Cats struggled to put the goals on the board. Brady Zwar and Sean Kuerschner were once again amongst the best players but were unable to stop their sides third loss in the last six weeks. The sides up and down form will be tested again this weekend as they face a struggling Woodville South while Pembroke will travel to Gepps Cross hoping to continue their stay atop of the table.

### Hope Valley v Morphettville Park

Morphettville Park have missed a golden opportunity to move into the top two after going down to Hope Valley by five points in a thriller at Hope Valley Oval. The Roo's came in as clear favourites and looked good early as they controlled the first term to take an eleven-point lead into quarter time. The next Two terms however belonged to Hope Valley, with the Demons reducing the halftime deficit to three points before kicking five goals to two in the third term, taking a 14-point lead into the final change. In a dramatic final term Morphettville tried

desperately to steal victory but peppered the goals squandering opportunities. A Matthew Duldig goal with around two minutes remaining reduced the lead to just five points but despite multiple inside 50 entries the Demons held firm, knocking off their first big scalp of the season and going one game clear inside the top five. The Demons had plenty of goalkickers with Joshua Schilling, Jayke Hellmanns, Daniel Williamson and Mitchell Sandery all putting through two goals while Machok Garang once again starred for the home side. For Morphettville Liam Mensforth was the star up forward with four goals while the ever-reliable Matthew Duldig kicked two majors. Benjamin McConnell and Lewis Lean both played blinders but it was not enough as Morphettville blew their chance to move into second position on the ladder. They will have to bounce back quickly when they host a strong Mitcham outfit while Hope Valley will hope to continue their winning ways when they travel to play SMOSH West Lakes.

**Mitcham v Pulteney**

Mitcham have continued their stay in the top five after defeating Pulteney by 28 points at Thomas Farms Oval. The home side had a strong first half to lead by 16 points at the main break and despite having the chances were unable to put the Blues away in the third term, squandering opportunities as Pulteney brought the lead back to 14 points at the final change. The inaccuracy continued for the Hawks in the final term, but their defence held firm at the other end, holding Pulteney to just three behinds in the final term to secure a crucial victory. Zach Sutherland kicked three goals for the Hawks while Benjamin Jennings did the same in his first A grade game for Mitcham since 2019. Stewart Lawson was strong while Harrison Pride was once again the standout in the win. For the Blues, Oliver March was the only multiple goal scorer with two goals while Alex Forbes and Tony Squires were both strong in a defeat that has severely impacted the Blues finals chances, leaving them three games and percentage out of the top five. They will hope to get back on track when they face the winless Kilburn while Mitcham travel to Morphettville Park in what should be an enthralling contest.

**SMOSH West Lakes v Woodville South**

SMOSH West Lakes have continued their finals push with a dominating 74-point victory over Woodville South at West Lakes Shore Oval. It was Woodville who took the points earlier in the season, but the Lions jumped out of the blocks, kicking ten goals to one in an incredible first half to take a 59-point lead into half time. Woodville fought back in the third term before SMOSH once again put their foot down to gain some crucial percentage as they remain just two points outside of the top five. Adam Mahney and James Cibich both put through four goals for the Lions while Kyle Dalidowicz offered great support with three of his own. Rhys Crampton starred while Adam Carrol was named best afield after a sublime performance. For the visitors Rahmah Ahmed (2), Samuel Clark (2), Nicholas Mizithras and Jerry Crentsil were the sides only goalkickers while James Ward played well in the loss. The loss leaves Woodville four games and a healthy percentage outside of the top five and after a brief mid-season resurgence all hope of finals seem lost. Things do not get any easier for Woodville as they once again hit the road, this time to face Walkerville while SMOSH host Hope Valley in a huge matchup.

## This week in Division 4

### Gepps Cross v Pembroke OS

Gepps Cross welcome Pembroke to Duncan Fraser Reserve with the Rams desperate for a win that will keep them in touch with the top five. A win, however, will not come easy against a Pembroke outfit that comes into the match a game clear atop of the Division Four ladder after defeating second placed Walkerville by four goals. For Gepps Cross to have any chance in this contest they will need to stop spearhead Alex Forster, who has kicked 75 goals this season at an incredible average of over six goals a game. The Rams will fight hard at home, but Pembroke should be too good in this contest.

**Pembroke OS by 27 points.**

### Morphettville Park v Mitcham

Mitcham travel to Kellett Reserve, full of confidence after their win over Pulteney. They come up against a Morphettville Park team who will be bitterly disappointed after blowing a chance to go into the top two after their loss against Hope Valley. Mitcham have been giant killers this season, defeating both Walkerville and Pembroke OS, with Morphettville looming as yet another scalp the fearless Hawks could take. The Roo's took the spoils in round four, but I expect the Hawks to flip the script and cause, yet another upset.

**Mitcham by 7 points.**

### Pulteney v Kilburn

Pulteney host Kilburn at Morgon Oval with the Blues three games outside of the top five and needing a big win to give them some hope of a miraculous late season finals push. They will not get a much better opportunity than against the winless Kilburn, who look destined to be unable to record a win for the whole season. The Magpies have been deplorable, getting thumped yet again on the weekend, this time by 71 points to Gepps Cross. It is hard to see Kilburn getting close to a win this season, especially against a Pulteney side that will be playing with their backs against the walls.

**Pulteney by 58 points.**

### Walkerville v Woodville South.

Woodville South travel to the Walkerville Recreation Ground to take on a Walkerville team, looking for revenge after their four-goal loss to Pembroke. Walkerville have been in patchy form of late, going 3-3 over their last six weeks and looking as vulnerable as they have all season. Woodville will be desperate to take advantage of this form slump with their finals chances all but extinguished after a heavy loss to SMOSH. Expect Adam Proud to kick a big bag as Walkerville silence the doubters with a big win.

**Walkerville by 59 points.**

### SMOSH West Lakes v Hope Valley

SMOSH West Lakes and Hope Valley face off at West Lakes Shore Oval in what should be the match of the round. Both teams are coming off impressive victories and both sides have so much to play for in this contest. A Hope Valley win would put the Demons two games clear of the sixth placed Lions while a SMOSH win could potentially see Hope Valley fall out of the top five. The Demons won the earlier matchup between the two in emphatic fashion and expect them to once again get the victory as they move one step closer to cementing a finals birth.

**Hope Valley by 18 points.**

previews for this

### Hectorville v Salisbury

Salisbury defeated Hectorville by a convincing 39 points at Daly Oval. The loss sees Hectorville slip further out of finals contention, as they remain two wins behind sixth placed Kenilworth. The win places Salisbury back in the top five, as they look to continue their recent surge of form as finals approach. Salisbury were well in control the whole game, taking an early lead in the first quarter. The Magpies led by seven points at the opening break with this being the closest Hectorville would get to the visitors. The Hounds did manage to remain within ten points at the main break, but a flurry of third quarter goals from Salisbury would prove too much to overcome for Hectorville. Salisbury continued their free-flowing scoring in the fourth quarter, kicking three goals to Hectorville's one to close out the match. J. Mann booted five for the Magpies, but it was N. Duncan who starred for Salisbury as he gathered plenty of possessions whilst kicking three. Hectorville's J. Combe and Z. Stephenson produced notable performances for the losing side.

### Fitzroy v West Croydon

West Croydon are back to winning ways after a vital 13-point win against fellow battlers Fitzroy. The Lions are still yet to claim their first victory for the season as they sit at the bottom of the ladder. Both teams struggled in front of goal with two sides combining for a total of 18 goals and 27 behinds. Fitzroy were certainly up and about early, kicking four goals to West Croydon's one. The margin was 19 points at the opening break, but the Hawks quickly cut away at this margin in the second term. Fitzroy led by a goal at half time as both teams engaged in a shootout in the third quarter, trading goal for goal. Fitzroy held onto a six-point lead once again as both teams dug deep for a huge final term. West Croydon locked up holding the Lions players to 0.4 meanwhile the Hawks kicked three goals up the other end to snatch the win away from Fitzroy's grasp. The Hawks forwards shared the load with T. Milera, S. Webster and T. Lane all kicking two. T. Milera was once again at his imposing best, leading the way for the Hawks.

### Lockleys v Eastern Park

Lockleys trampled a sub-par Eastern Park by 51 points, launching Lockleys to top spot on the ladder. Eastern Park will be rueing the defeat, as a win on Saturday could've launched them into contention for top spot. Eastern Park now sit in fourth position. Lockleys got out to a lightning start, booting 6 goals in the first quarter, holding the visitors to a 1.3. Eastern Park replied with five goals in the second quarter to bring the margin to within 13 points at half time. Lockleys once again amped up the pressure, regaining control in the third quarter. Lockleys' scoring presence deflated the away side, as Lockleys continued their heavy flow of scoring in the final term to blow out Eastern Park. M. Ransom, S. Ascoli, and S. Gatis all kicked four for the home side, combining well with J. Chaplin who kicked three goals himself.

### Kenilworth v Colonel Light Gardens

Kenilworth have demonstrated they are not a team to be trusted in fourth quarters after letting Colonel Light Gardens run away with a 14-point win at Simonds Park. The game was an interesting spectacle with both sides scoring freely throughout. Kenilworth kicked 3.7 in the opening quarter with this dismal display ultimately

costing them dearly later in the match. The Kookaburras led by five points at the opening break but were quickly pegged back by the Lions who kicked six goals in the quarter. Kenilworth kicked it up a gear in the third quarter, producing a staunch defensive effort holding the Lions to a solitary goal for the quarter. The Kookaburras kicked three goals towards the end of the third quarter to storm ahead by a point. Colonel Light Gardens lifted their intensity in the last quarter and could not be matched, as they snatched the lead back from Kenilworth. Kenilworth failed to kick a goal in the final term, handing the Lions the victory. Colonel Light Gardens' S. Ingram led the way for his team, playing a very important role.

## This week in Division 5

### Eastern Park v Hectorville

Both sides come into the match after suffering big losses, both margin-wise and in level of importance. Hectorville are slowly losing their finals window after their loss against Salisbury, meanwhile Eastern Park's dip in form has cost them a top three position. A win will be highly important for both sides, so I expect a closely contested match, especially considering that last time these two faced off, it ended in a thrilling draw. I expect the scoring to be heavy, but Eastern Park should edge out the Hounds due to their consistency. **Eastern Park by 8 points.**

### West Croydon v Kenilworth

West Croydon completely turned their form around last week against Fitzroy, securing a big win in their context of their season. The win came as a surprise considering their defensive displays in prior matches. Whilst they showed a lot of grit and determination in last week's win, I still think Kenilworth will their way with the Hawks. The Kookaburras have been right around the mark in most of their matches this year, with the fourth quarter proving to be crunch time for the team. If the game is tight, I wouldn't be surprised if the Hawks rallied to upset Kenilworth, but for that to happen West Croydon will need to be at their very best. Kenilworth should get the jump early and not look back. **Kenilworth by 37 points.**

### Pooraka v Lockleys

This top of the table clash promises to be one of the biggest encounters of the season, as both sides look to separate themselves as the 2021 flag favourite. Lockleys are riding high on some immense form, with their win streak amounting to eight games after their win on the weekend against Eastern Park. The Lockleys streak started in Round 4, when these two teams first met. Pooraka can't boast of similar form, with the Bulls suffering two defeats from their last three games. Pooraka should come out of the bye refreshed and raring to take down the ladder leaders but a win against Lockleys will require much more than an upbeat attitude. Lockleys look far too formidable as of late and I think they'll extend their streak to nine. **Lockleys by 16 points.**

### Salisbury v Fitzroy

Fitzroy were agonisingly close to their first win of the season last week, where they failed to outlast West Croydon. Once again, they have shown they can play quality football, they just haven't yet maintained that quality for four quarters. Salisbury have recaptured their earlier form after a rough middle patch of the season. Their defence locked up against Hectorville at several crucial points of the match last weekend. The Magpies defence should hold strong again this weekend but really depends on whether Salisbury win the midfield battle. I think this is where the game will ultimately be decided and for me the Salisbury boys will triumph narrowly.

**Salisbury by 25 points.**

## THE DIVISION 6 Match Previews

### Mawson Lakes v Elizabeth

Elizabeth have cruised past Mawson Lakes with an emphatic 95-point victory over the continuously struggling Mawson Lakes. The Eagles burst out of the blocks with a four goal to nil opening term, and from there piled on the goals with a nine goal to two second quarter, as well as a seven goal to two quarter their most dominant in the match. Jarad Clinton was once again incredible up forward for the Eagles with his best match of the season, where he bagged eight goals, taking his tally to beyond 50 for the year. The most pleasing aspect of the match for Elizabeth was the number of contributors with Stephenson, Watts, Joel Foster and Jake Platten all finding the goals on multiple occasions. Clinton and Stephenson were best afield for their side, and deservedly so with Stephenson finding plenty of ball and Clinton's impressive bag of eight goals. For Mawson Lakes, Alex Pearce was a constant target up forward, being their only multiple goal-kicker as he enjoyed his best game of the year with best afield honours. Joshua Eyre was once again impressive and closely followed suit, in a valiant effort.

### Ingle Farm v Para Hills

Para Hills have come away with an incredibly gutsy 18-point victory against Ingle Farm at Rowe Park in a very wet encounter. Nothing could separate the sides at the opening break, as they drew level, with much of the same occurring in the second term with the margin at just three points in favour of the Kangaroos. In the third term, the Roos were able to get on top and held a 19-point lead going into the final term. Ingle Farm gained momentum at stages throughout the last quarter, but the inability to convert kicking for goal cost them. Steven Willment proved to be the difference in the match, with three majors as well as Nicolas Lynch continuing his good form with two of his own majors. Bailey Spackman gathered back-to-back best-on-ground achievements for his side, as well as James Howatson enjoying his best match of the year, closely following behind Spackman. Ingle Farm had an even spread of goals, with five individual goal-kickers including Nick Pope who kicked his first ever A grade goal. Norman Wombat was influential for the home side, as was Aidan McAleer who were the best for their side.

### St Pauls OS v Blackfriars OS

Blackfriars have well and truly stamped themselves as an outside contender for promotion, as they put the competition on notice with a monstrous 41-point victory against second placed St Pauls. Blackfriars have had some fantastic results so far, however this one was their best with a genuine four quarter performance. The Hounds burst out of the blocks with a three goal to none opening term to help set up the victory. Blackfriars could have won by more too if it were not for the wet conditions which led to some inaccurate goal kicking as they registered a total of eighteen behinds. Matt Rivett's dream run of form continued with yet another four-goal effort, as well as Dylan Richardson

providing a strong target as he booted three. Matt Brincat once again found plenty of the ball on his way to best afield for his side, as well as Sam Murphy who played a very good game. For St. Pauls, Anthony Alessiani was best afield in his best effort of the season which also saw him kick a goal.

### Trinity OS v Marion

Trinity have edged closer to claiming a top two spot on the ladder with a well earned 32-point victory at home where they were rarely challenged against a disappointing Rams outfit. Trinity was consistent through the entirety of the game, with their best effort coming in the second term where they piled on five goals. Domenico Barilla was once again at his brilliant best for the Lions as he kicked four goals, while Harry Tuck, Bailey Puvogel & Bradley Matters each kicked three in what was a dominant display up forward for Trinity. Trent Eves and Alistair Walling were very good for the Lions also, as they led the way in what was a dominant midfield. For the Rams, Patrick O'Dea continued his goal scoring form with another four-goal effort, with Tim Stewart also playing his best match of the season as he kicked three. However, Josh Buckney was the best for Marion as he claimed best afield in a valiant effort, which unfortunately was in vain.

## This week in Division 6

### Elizabeth v St Pauls OS

In what is the match of the round, Elizabeth takes on St. Pauls at their Argana Park where they will be looking to win their 12th straight game of the year. The match currently stands as a top two clash, however St. Pauls have been in poor form for the last month and were finally punished for it by Blackfriars on the weekend. Jarad Clinton is in sensational form for the Eagles, and I expect him to help lead his side to a big win. **Prediction: Elizabeth by 45 points.**

### Rosewater v Mawson Lakes

Fresh off the bye, Rosewater will be looking to snap a run of five straight losses as it begins its relegation battle in season 2021. Mawson Lakes have been every bit of disappointing this season, with just the one win to its name, however this did come against their upcoming opponents. I expect Rosewater to be too strong at home in what is a must win clash for them.

**Prediction: Rosewater by 19 points.**

### Blackfriars OS v Ingle Farm

Blackfriars have been in terrific form, and their confidence will be sky high after the thrashing they gave St. Pauls last weekend. Blackfriars forward line has finally clicked in season 2021 and are now proving to the competition why they were the grand finalists of the previous year. Given the two sides form, I expect the Hounds forwards to help see Blackfriars home in front of a big home crowd.

**Prediction: Blackfriars OS by 52 points.**

### Para Hills v Trinity OS

Para Hills welcome Trinity to The Paddocks in what will be an incredibly difficult matchup for the home side. The Lions have been in terrific form all year, and if results fall their way, could find themselves second if they claim victory in this one. This game will no doubt be won in the midfield with both sides boasting strong forward halves. **Prediction: Trinity OS by 35 points.**

## THE DIVISION 7 Match Previews

### Houghton vs Greenacres

A mid season matchup of importance for both Houghton and Greenacres took place at Greenwith Oval on Saturday. With the Raiders needing a win this game to suggest they can be competitive in the future against the higher ranked teams. They began eager to make it a contest and matched the pressure of the more fancied Dragons in the first half and at times with better execution they could've threatened but the poise and skill level of Greenacres proving the difference giving them a 11 point lead. The break was earned by both sides and returned to a bruising but fair contest in the premiership quarter as Houghton ruckman Cameron Schutz took it upon himself to drag his teammates along and edge themselves alongside the Dragons at 3 quarter time with it all to play for. The Dragons are no strangers to a battle and as if planned fired out the clean execution from midfielders Eisner and Mau to set up forward entries which Greenacres were able to captilise on with much more efficiency, the story of the day really. Greenacres kicking 4 unanswered goals and running out winners by 24 points.

### Brahma Lodge vs Flinders University

With the way the season is progressing this match was always a tough but crucial battle for Flinders University as they travelled to face Brahma Lodge on their home deck. A week of change for the Tigers seen the playing/coach Dene Steele appointed and he inspired his men to a first half of determination and run as they put the crabs under immediate scoreboard pressure edging out to 28 point half time lead. After the break the Crabs through Trigg, Anderson and Deheus upped their intensity and more than matched the tigers and reduced the margin although a 23 point 3 quarter time lead against the Tigers was always gonna be hard to manage and when the Tigers in Hrynwik, Steele and Norman rolled into another gear Flinders couldn't match it with them leaving the tigers running away with a handy 38 point victory.

### OSB Lonsdale vs Hackham

Southern suburbs bragging rights on a fresh winters day in July gave both Lonsdale and Hackham the opportunity for a much needed win and boost in confidence. An arm wrestle for the first quarter ensued as both sides felt each other out while adjusting to the conditions. The Hawks midfield of O'Leary, Allan and Cross began the 2nd quarter full of dominance and with forward Shane Stevens making use of the constant forward entries they had, Hackham kicking away by 39 points at half time. After the break the Hawks went to another gear and against a undermanned Lonsdale side who kept battling through youngsters Smith and Fielder couldn't do much about the onslaught from the Hawks as they went onto win by 70 points and if not for some wayward kicking probably could've been more. A second win and a real achievement for the Hawks who would be ecstatic on how season 2021 is panning out.

### Mitchell Park vs Central United

Mitchell Park hosted the ladder leaders and for the first half of the game showed they can match any of the teams in Division 7 should they maintain consistency in pressure and effort for longer. The Lions were getting good service from Angus Mugg and Rhys Clark not the usual suspects this helped Mitchell Park be more competitive across the board. Central United as we are becoming accustomed too responded after halftime with ruckman Adrian Mark again instrumental in lifting his team along with forward Darrell McIntyre (Finishing with 8 goals) potency in front of goals proving a difference between the 2 teams and having a brilliant season the pair of them. 3 quarter time lead of 27 points and the Doggies continued to overrun the Lions with switch and run in last quarter continually from half back cruising out winners by 43 points, leaving Mitchell park Reserve full of confidence.

### This week in Division 7

With 6 weeks remaining the top 3 teams look set for the double chance and 3 other team's vying for the last 2 finals spots, leaving an exciting run home for observers to watch. Hackham happily off the bottom and the Crabs needing a unbeaten run from here to have an outside chance. 4/4 predictions for only the second time this year as teams get to the business end of the year and prepare for finals action on the horizon.

### Match of the round

#### Mitchell Park vs Greenacres

Last time Mitchell Park and Greenacres met, the dragons won by 46 points and with plenty on the line to play for this time the contest looms as a tight tough battle crucial to both teams momentum going forward as the season progresses. The Lions at their best have shown to be amongst the league leaders and at their worst amongst the bottom of the league and the challenge for them is to find more consistency in performance and availability of players as that affects them greatly. Halime, Walczak and Doherty are the names we all know but they need more depth to assist those guys this week from the names in best players last week and give them an opportunity of a win they much need against a higher ranked opponent. Greenacres on the other hand have shown consistency all year and the variety of midfielders in Gibson, Mau and Eisner and others a huge weapon for the dragons and with poise and execution with ball only need limited chances to make opponents pay. Greenacres the better team but at home in July something tells me be very weary of Mitchell Park's ability to secure 2 points in these situations.

Greenacres 13-24

#### Flinders University vs Adelaide Lutheran

Round 4 results were the Doggies won by 78 points and a return leg at Flinders University suggests this game should be closer as the Crabs have probably their last chance to make an impact in season 2021 or finals looks unlikely. Flinders have been able to match most sides for pressure all year their major issue is execution of skills under that pressure and if given time and space can be dangerous for any opposition. Experienced Mason and Hudson the key

crabs they prefer with ball in hand. While Lutheran also would be eyeing this game off to help with their finals chances and with the help of midfielders Wilson and Kidney giving their forwards equal opportunities should have enough forward potency to kick a winning score. Rowan Miegel didn't play last game which seemed to lessen their marking ability and an important name to look for on the team sheet. I'm leaning towards Doggies in any case.

**Adelaide Lutheran 25-36**

**Central United vs Houghton**

75 points separated Central United and Houghton last time they played and with the Raiders in the position they are on the ladder clearly any game they play from here on is a game they need 2 points from for finals qualification. Central United at home though and with Midfielders Adrian Mark and Brayden Abbott having stellar seasons alongside a host of others for the doggies making their presence felt week after week, any opponent going to Mofflin Reserve must be on top of their game. The matchup of Mark and Schutz in ruck an obvious highlight to see with both sides midfielders hoping their respective teammate can give them first opportunity to get the ball forward. Garner and Steele across half back did as they liked last time and would need closer attention this time for the raiders to have easier forward entries to forwards Cree and Fiedler. Top team at home hard to tip against anyone.

**Central United 37-48**

**Hackham vs Brahma Lodge**

When Hackham travelled to Brahma Lodge last time they were in the game for a half before losing by 95 points. Coming off their second win for the season and back at home where their form has been much more competitive the challenge of the tigers comes back to test how far they have come so far in season 2021 and an opportunity for the tigers to put back to back wins together and gather momentum. O'Leary, Cross and Allan the Hawks key midfielders looking to get on top of the Tigers Steele, Thompson and Mendes runners and give each teams forwards every opportunity. Brahma Lodges' run and pressure style always puts any side at danger of being run off their legs in the second half therefore leaning Tigers way but shouldn't give the Hawks any sniff as they are a different team at home.
