DON'T TAKE OUR WORD FOR IT... HERE'S WHAT OUR CUSTOMERS HAVE TO SAY!

I've used many fish oil additives in my burley mixes over the years and this one is the best by far. Irrespective of tide movement or bite times it stimulates the fish into a feeding frenzy and provides a superior catch in record time, every time. Can't recommend these products enough - I'm truly impressed!

PETER C., SOUTH AUSTRALIA

This little oil is liquid gold! Since changing from tuna oil I've been catching more and I use it for everything now, hooks, reels, sinkers & my boat trailer. **ALEX M., QUEENSLAND**

We had great results over the 2 days we bagged out on whiting on both boats on day one but also caught Travally sweep salmon and Squid which were our target species. Day 2 was a dodge tide so not best conditions for fishing, but we did get whiting and more squid on that day. We did a test and between 2 boats over same reef structure one used the oil the other didn't and both had their own berley stream and the boat using the oil in the berley and bait did get more fish in far shorter time. Great weekend lots of fish and we all say Thank you! **ANTHONY & THE BOYS, PT. VIC**

Just had a nice trip away, garfish went nuts using the oil, we cleaned up. Quite impressive we had them swimming around our legs using the oil they were quite keen on it! **SHANE, FISHINGSA MAGAZINE**

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

In what has been a difficult time for the game in the previous two weeks, with COVID-19 once again causing havoc on the AFL Season, it was a weekend of celebration for the great Shaun Burgoyne. On Saturday night, 'Silk' became the fifth player in the game's 163-year history to reach the 400-game milestone, and the first Indigenous player to notch the quadruple century.

by
Daniel Emilio Amato

For just five players to reach this incredible achievement in almost two centuries goes to show what is required; a strong work ethic, dedication, resilience and a hint of good luck with health and injury along the way.

There are many players currently in the league who are somewhat within striking distance of the 400 game mark. However, with form issues, injury concerns and the possibilities of game-time and/or positions on lists being compromised in the future due to rebuilding and money-saving, some are more likely than others.

I have identified three players who are the most likely to reach that elusive 400 game milestone;

1. David Mundy

Current Games Played: 347

Games Required: 53

For so long many out of Perth would barely give David Mundy a mention, but now the Victorian-born midfielder is certainly up there as one of the finest footballers to ever come out of a Western Australian club. From his first season in 2005, Mundy has held an unquestionable position in Fremantle's best 22 and has rarely disappointed. A best and fairest in 2010 and All Australian in 2015, and a selection in Fremantle's 2013 Grand Final are among his greatest achievements on field. At the age of 35, the former captain is playing as well as ever, averaging 25 possessions, five clearances and four tackles, all of which are considered above average for AFL standard. For David Mundy to reach 400 games, he would need to play majority of this season's remaining games at least two more full seasons, a final or two would help boost those games up. It seems far-fetched, but if he continues at the rate he is now... why couldn't he?

Only seven games away from over taking Matthew Pavlich's club record for most games played.

2. Joel Selwood

Current Games Played: 325

Games Remaining: 75

The captain of the Geelong Football Club has been the epitome of hard work, dedication, and an unbelievable success rate. Since debuting in 2007, where he won the NAB Rising Star award, he has played in five Grand

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

Finals, won four Premierships, three best and fairest awards, six All Australians and four times the most courageous player, he has also only ever missed the finals on one occasion in 2015. Only once in his fifteen seasons has he played less than 20 games a year, he has been able to escape serious injury for so much of his career and has never been dropped.

by
Daniel Emilio Amato

However, Selwood's courage to go back with the flight of the ball and unflinchingly dive into packs has resulted in concussions and head injuries. His biggest strength is also his biggest weakness, and this is the only concern in not reaching 400. With Geelong's premiership window wide-open for the next few seasons and with Selwood form still certainly apt to remain in the side, he would certainly be expected to at least get very close.

For Joel Selwood to reach 400 games, he would need to play until at least another three seasons, playing at least 20 games every campaign. By that stage he would be 36 years old, if he stays injury free and avoids anymore concussion issues, there is absolutely no reason it cannot happen.

3. Dustin Martin

Games Played: 258

Games Remaining: 142

This one may, but should not, come as a surprise. While Dustin Martin still has at least six seasons plus a few finals required to reach 400, he has proven to be one of the most consistent and durable players we have seen... possibly ever.

Since debuting for the Tigers in 2010, Martin has never played less than 20 games in a season. From round one 2010, he has always been one of Richmond's most important players and a main stay in the midfield. He has avoided injury through most of his career and become one of the greatest players in the game's history. Three premierships, three Norm Smith Medals and a Brownlow Medal put him in the elite category in every sense. Football is his life, he loves the game of there does not seem to be any obvious reason why he would give the game up until he exhausts everything he has, and he still has many years to come with a lengthy contract not expiring until 2024, which would be expected to be extended.

For Dustin Martin to reach 400 games, he would need to play until at least 2027. At this stage he would be 36 years of age and I cannot see any reason why this is an unrealistic prospect. He is arguable in career best form, tearing up the midfield with his strength, ability to shake players of and that powerful, penetrating kick.

Over-officiating is killing our game!

Australia's great sport of football is a treasure as it is a game that has uniqueness, packed with flare and excitement. However, our beloved league, the AFL has been coming under scrutiny for various reasons in recent years and over-officiation has most definitely become a much-heated debate amongst pundits and spectators.

by
William Clemente

I believe in the law, rules are extremely necessary across all fabrics in our society and footy is included in this but, the game has currently reached a level where strict officiation of the rules has been affecting the quality and potential of AFL fixtures. Many games we have viewed thus far in season 2021 have still been injecting us spectators with pure adrenaline and keep us glued to our seats biting our nails. Round 10 at the Adelaide oval between the rebuilding Adelaide Crows and premiership contenders, Melbourne was an example of fine AFL football, but once again, umpire performance was reviewed.

Umpire discrepancies continues to be a problem in the AFL. I and I'm sure many others are fed up of hearing of umpire complaints after every fixture that is played. Too much attention is put on how the men in green shirts and short shorts do their business on the field. On two occasions this season, the AFL have announced publicly after the conclusion of a round that the umpires have made a mistake. For example, the umpires should have paid a mark to Geelong's Jeremy Cameron in the dying minutes against Sydney in round seven and Adelaide's Nick Murray should have been penalised with a deliberate in the dying seconds against Melbourne in round 10. Both mistakes potentially altered the results of these games.

Currently, we are not seeing any consistency from our umpires on the field. A theoretical truth we have witnessed countless times this season is one hold in the ball given down the field and then a couple of minutes later two hold in the ball tackles are not given. The amount of inconsistency we are seeing from umpires is staggering and it is leaving a bitter taste in the mouths of all involved in footy, most especially, spectators.

It is a very conflicting situation; a lot of pressure is being put on umpires, but I do not believe that this is the solution to our problem. I strongly believe that constant pressure and bombardment on umpires is creating the over-officiation the is killing the spirit of footy and making many AFL games mundane.

As we know, the AFL have been extremely strict and conservative with concussions and rightly so, but this has most definitely has plagued the minds of umpires and influences decisions. Gold Coast's Nick Holman was sent to the tribunal by umpires for a dangerous tackle, this was a reprehensible decision as Homan's tackle was perfectly legitimate. Adelaide's David McKay was also sent to tribunal for an illegal bump when it was a player going in hard to a ground ball contest. Rightly, both incidents were cleared at the Match Review Panel (MRP). Umpires are being too cautious, and their decisions are seemingly trying to eradicate the natural hardness and physicality which makes our sport great and unique.

After viewing round 16's contest between Adelaide and Brisbane at the Adelaide Oval, it highlighted that there are major inconsistencies with one of the biggest components of the game, the hold in the ball. Also, as we have seen across many games throughout the season, the deliberate out on the full has been extremely inconsistent.

Umpires are being extremely inconsistent this season and it is more evident now than previous seasons. It is simple, it is being over-officiated. Constant rules changes and politics behind concussions are influencing umpires negatively. They are leaving a sour taste in our mouths as the fabrics of footy are being forgotten in their decisions. Maybe reform in umpiring is required.

THE DIVISION 1 Match Previews

Port District vs Payneham NU / 8.3-51 vs 17.9-111

Payneham have bounced back strongly after seeing off the Magpies convincingly by 60 points away from home to snag second place. The game started out in favour of the away team, whom after some impressive kicking opened a 13 point lead going into the first break. after the first break the game continued in the same fashion with Payneham kicking a further five goals to extend their lead to 32 points at the main break. things were starting to look real bleak for the home side after half time, conceding another six goals to continue their dominance and take their lead out to 55 points. Unfortunately, Port wer too little to late with their last quarter performance, and despite playing well late, ultimately lost out by 60 points to the ever-growing form of the away side. It was T. Heffernan, J. Gaffney who were diamonds in the rough for Port, while L. Davis and J. Giannini were once again sensational for their side.

Brighton Bombers vs Unley Mercedes Jets / 16.15-111 vs 11.5-71

Brighton have come out on top in a must win game for the Bombers, to put them only a single game outside of finals positions. The game started out with goals galore and accuracy being the name of the game, with both sides scoring only goals, 4 and 6 in favour of the home side to take a lead of 12 into the first break. the second however, saw the game tilt more in favour of the Bombers, kicking a further four goals to extend their lead to 34 at the main break. after half time the game seemed to have switched in favour of the Jets with the away side kicking four and conceding three to gain some ground and trail by 32 going into the final quarter. The Bombers put the game to bed in the final quarter, kicking three goals to ultimately see off the Jets by 40 points. It was N. Osborn and J. Miller who were great for the home side this week, while it was B. Strapps and J. Earl who played well for the away side in a disappointing loss.

Rostrevor OC vs Goodwood Saints / 10.13-73 vs 8.10-58

Rostrevor have secured a HUGE win against the saints at home, seeing them off by 15 points. The game started in favour of the Saints, kicking two goals and conceding one to take a slight lead of 9 points into the first break. Rostrevor turned the game around in the second after kicking three goals to steal the lead, and take the front by 7 points. After half time the game showed a lot more balance with both sides kicking four goals for the lead to only slightly change to 4 points, still in favour of ROCS. Rostrevor were the hungrier of the two going into the final quarter as they kicking a further two goals to see off the strong side by 15 points. C. De Visser and J. Butterworth were spectacular for the home side, while M. Ellis and B. Macreadie were great for their side.

St Peters vs Tea Tree Gully / 12.8-80 vs 10.9-69

Saints have secured a big win, while Gullies have missed out on a chance to push for finals in the latter stages of the comp, going down by 11 points. The first quarter saw the game tip in favour of the Saints, who kicked five goals to take a 19 point lead into the first quarter. The second continued in the same fashion, with the home side kicking a further three goals to extend their lead to

30 points at the main break. Gullies turned on the gas after half time, kicking four goals and only conceding one, to claw some ground back and trail by just 12 points at the last break. after a few goals from both sides in the final quarter kept the game in the balance, but the Saints were too strong and ended up winning the game by 11 points. Both N. McGill and L. De Cesare played brilliantly for the Saints, inspiring them to an important win, while it was T. West and D. Schoenmakers who were impressive for Gullies.

Adelaide University vs Prince Alfred OC / 6.6-42 vs 24.14-158

Reds have smashed the Blacks away from home by 116 points. The game started in amazing fashion, with the Reds kicking eight goals to take a HUGE lead of 44 points into the first break. the game seemed to be going down the route of a smashing early on after the Reds kicked a further five goals to take their lead to 74 at half time, a truly astonishing half time score line. Unley would have liked to start the second half in a better fashion, but the Reds were simply unforgiving, kicking another six goals and conceding just a point to take their lead to 112 points. The Reds kicked a further five goals to ultimately see of the Blacks by 116 points, to retain top spot. It was R. Marini and M. Langridge who were diamonds in the rough for the Blacks while it was M. Slee and J. Trevogve who were stunning for the Reds.

This week in Division 1

Rostrevor OC vs Payneham NU

Both sides coming off big wins last week and will want to continue their streak going into the latter stages of the season, this one is a hard one to pick with both sides finding form as of late, however, Rostrevor have been very solid at home this year, and for that reason, **I see them winning this by 14 points.**

Unley Mercedes Jets vs Port District

Both sides suffered tough losses last week, and will hope to bounce back strongly. Both teams will see each other as a good opportunity to get some much needed points for the end of the season. I believe due to season form Port should run away with win, but being at home Unley could upset the Maggies and secure their second win of the season. **That being said, Port by 30.**

Adelaide University vs Tea Tree Gully

Uni suffered a huge loss last week to the Reds and will hope to show Gullies what they are made of, but it wont be an easy feat. Gully coming off a loss last week also will hope to bounce back against lesser opponents. Although the Blacks have the home ground advantage, **I see this going to the Gullies by 20 points.**

St Peters OC vs Brighton Bombers

Both sides secured BIG wins last week in the context of their seasons, and will want to continue their streaks going into the latter stages of the season. St Peters have been very strong at home and will be very hard to break down, however, the Bombers are worthy opponents. **I see the game going to the Saints by 15.**

Prince Alfred OC vs Goodwood Saints

The Reds are coming off a huge win last week that's took them more than a game above 2nd spot. Whereas the Saints are fighting for their finals lives and will need every trick in the book to beat this Prince Alfred side right now. Due to recent form, **I give this to the Reds by 40 points.**

THE DIVISION 2

Match Previews

Lachy Jones gives his match previews for this weeks matches

Broadview 12.12 (84) def by Scotch 15.7 (97)

Just as it seemed the Tigers had found some much needed form, Broadview dropped a game at home to a rising Scotch outfit on Saturday to put a hold on their finals plans. Max Marslen kicked eight goals to make it 22 in three weeks as the visitors drew level with Seaton on three wins at the bottom of the ladder. The home side got out to an early lead but could not hold on as the accurate Scotch side capitalised on some missed opportunities by Broadview in the two-goal win. Harry Jolly (Scotch) and Jady Ryan (Broadview) were their respective side's best.

Henley 5.5 (35) def by Glenunga 13.6 (84)

It was a clinical display by the ladder leaders, as Glenunga cruised to a 49-point win on the road as Henley slipped even further away from finals contention. At just five points the margin at quarter time, it looked as if Henley were going to challenge the premiership favourites, but the sheer class from the visitors took over as they kicked ten goals to three after quarter time. Michael McMahon (5 votes, 4 goals) was instrumental in the Rams' win, while Sam Parsons (4 votes, 3 goals) was also vital. Jackson Smith was Henley's best, who have now lost six straight games.

Seaton 11.10 (76) def by Old Ignatians 13.8 (86)

Aspiring finalists Old Ignatians held off a fast-finishing Seaton squad on the road to cement their spot in the top four as we near finals footy. It was a crucial win for the visitors, who had lost two in a row and were in danger of falling out of the finals picture. Brayden de Prinse was the winning side's best, as Old Ignatians moved to 8-5 and equal third with the victory. Spearhead Brett Harland added another four for Seaton, as he took his season tally to 54 goals after 12 games.

Athelstone 10.12 (72) def by Plympton High & Camden 15.10 (100)

The Phantoms survived an early scare to outlast an improving Athelstone side on Saturday. The visitors moved to 10-3 with the win, which sees them cement a top four position with five rounds to go. The Raggies jumped out to a 15-point half time lead and were on track to stun the Phantoms, before the contenders rallied in the second half to kick ten goals to three to win by 28 points. Aaron Bergsma was best afield for the victors, while ex-AFL player Lindsay Thomas kicked a bag to guide his side to the win.

Sacred Heart 15.12 (102) def Salisbury North 13.10 (88)

In the only game of the round where the home side was victorious, Sacred Heart came back from a ten-point half-time deficit to edge out Salisbury North in the best contest of the round. Josh Koster was Sacred Heart's best for the second consecutive week, while Cameron Rankin led all goalkickers with three. The game was tightly contested for the full eighty minutes, and with both sides

locked away at 10.9 (69) each at three quarter time, the stage was set for an epic final term. In clinical fashion, the home side kicked five goals to three in the last quarter to win by 14 points in a game that brings them to 8-5, equal with Old Ignatians for third. The Hawks now sit at 5-8, and a game and a half away from Broadview in fifth.

This week in Division 2

With just five rounds to go in a competitive regular season, the top four is starting to sort itself out, but after Broadview's loss, fifth spot is up for grabs if Henley and Salisbury North can rekindle some form. Looking ahead to round 14, there are a couple of juicy matchups that await.

Scotch haven't been the laughing stock they once were early in the season, and have put together some promising performances that show they can be a contender in 2022. After a couple wins in a row, against Henley and Broadview, they come up against second-placed Plympton High & Camden who are gearing up for a finals tilt. At home it gives Scotch a little bit more of a chance, but the Phantoms should hold strong and take this one.

It is so hard to pick which Broadview side will show up; the one that beat Old Ignatians by 54, or the one that lost to Scotch by 13? Either way, their opponent this week is the Henley Sharks who have lost six straight games after a strong start to the year. For both sides, form is a question mark heading into this clash, but Broadview must win to keep fifth spot, while Henley can make a late finals run with a win here. Lots to play for.

This contest sees third versus fourth in a potential finals preview, with Old Ignatians and Sacred Heart, the two sides at 8-5, playing off for outright third place honours. At home, I'm backing Old Ignatians, although their recent form has been shaky.

Athelstone have had a very up and down season but seem to have finally found some momentum even if it may be too little too late. Although they fell to the Phantoms last week, they were competitive for three quarters and showed positive signs, and they have a great chance to make it three wins in five weeks this Saturday against Seaton, who sit at 3-10. Mathematically, both sides are still in the hunt for finals, so a win here would go a long way into making that slim chance a reality.

The Hawks host the Rams to round out the weekend, in a game that Glenunga should win to further their case as premiers favourites. At 12-1, Glenunga have barely been faulted in 2021, and while Salisbury North can match it with most clubs on their best day, I think the visiting Rams should walk away with a victory. If the Hawks were to make finals, they must win this match, as unlikely as it seems.

THE DIVISION 3 Match Previews

Modbury v Portland

Modbury have kept their finals chances alive with a massive percentage-boosting, 267-point victory against Portland at Port Reserve. The 45.13 283 to 2.4 16 result is the biggest by any team so far this season and is also The Thunder's heaviest defeat of the season. Daniel Kaipara was at his dominating best for the Hawks, kicking sixteen goals for the match. Liam Verity and Jake Philips each booted five goals of their own as the Hawks had 15 different goalkickers on the day. Matt Fogden was adjudged best player on the field for the visitors, while Jayden Wait was the best player for Portland. Daniel Harris and James Milera kicked the only two goals for Portland. For Modbury, this is win number 7 and sees them sit in fifth position, one game behind fourth placed Gaza but percentage ahead of sixth placed Edwardstown. Apart from the loss to Gaza the Hawks have been in fine form since the bye and the percentage gained in this game will go a long way to them cementing their place in the five as they battle it out with Edwardstown for the last spot. For Portland, the loss is the worst of the season and sees the Thunder fall to 0-13 with eleven of those losses by more than 100 points. The 45 goals kicked by the Hawks is the most a team has kicked in a game this season and brings back memories of Glenelg's 49 goals against Centrals in 1975.

Edwardstown v Plympton

Edwardstown notch up back-to-back wins for the first time since Round 4, after they overcame a fast-starting Plympton to secure an important, come-from-behind, 8-point victory at Edwardstown Oval last weekend. The visitors were leading at every change and looked to be on track to cause an upset as they booted four goals to one in the opening term to take a 17 point lead into the quarter-time break. Edwardstown were their own worst enemy as they continued to butcher the ball in front of the big sticks, failing to make the most of their opportunities, kicking two goals ten up to half time, to find themselves trailing by 29-points at the main break. In the third term, the home side were able to reduce the margin to eight points at three-quarter time, kicking three goals from twelve scoring shots and managing to hold the Bulldogs to one goal. Despite the inaccurate kicking, Edwardstown managed to storm home with a wet sail, booting five goals to three in the final quarter to keep themselves in the race for the finals, winning 10.24 84 to 12.4 76. The story of the game is that Edwardstown had double the amount of scoring shots than Plympton did, (34-16) but only managed to kick ten goals. Had Edwardstown been able to convert early on in the contest, the end result would have been a lot bigger, but credit to Plympton for taking their opportunities and forcing the contest down to the wire. George Cornish kicked half of his side's goals with five and was named The Towns best. Plympton's Tim Dunkley was named his sides best in the tough loss. For Edwardstown, the victory is their seventh and sees them remain equal with Modbury in fifth, however the gap in percentage has ballooned to over 12% following the Hawks big win. The loss sees Plympton fall to three and ten and sit in ninth position, one game behind both CBC Old Collegians and Westminster as they look to avoid relegation.

Flinders Park v Westminster

Flinders Park produced a stunning come-from-behind victory, using an inspirational six-goal fourth quarter, to overcome and overrun Westminster by 22 points in a 13.12 90 to 10.8 68 win at Flinders Park on Saturday afternoon. The Reds were behind all game trailing by five points, four points and one point at the end of each of the first three quarters before being able to break the shackles and overrun the Dragons in the final term. Izak Richards (three goals) and Chad Comitogianni (three goals), combined for six of the Red's thirteen goals as they played a big role in making sure Flinders Park remain in the box seat to secure a top-three finish. Former West Adelaide Premiership player, Aaron Fielke, booted three majors for the visitors as Brock McFarlane snagged two of his own and was named the best player for Westminster. While, Walter Wilson's efforts to lead his team to a triumphant come-from-behind victory, was enough to earn him The Reds best on ground honours. Flinders Park collected win number ten and keep in touch with both North Haven and Golden Grove as the battle for top spot heats up, with just five rounds to go. The loss sees Westminster fall to 4-9 and effectively ends any chance of making the five. While the chance of playing finals may be gone, the next five weeks are looming as the most important weeks of the season for The Dragons is they attempted to hold off CBC Old Collegians and Plympton to avoid relegation.

Gaza v CBC Old Collegians

Gaza keep their top slim top three hopes alive with a very impressive 47-point victory against CBC Old Collegians at Klemzig Oval over the weekend. The 16.8 104 to 8.9 57 result means that the Eagles remain in fourth one game ahead of both Modbury and Edwardstown. Leading at every change, the Eagles didn't look like giving the much improved Dolphins a chance all day, extending their leading as the game progressed. Gaza's Todd Culley and Jackson Elmes kicked four goals each and combined for eight between them as the Eagles improved to 8-5 and continue to knock on the door of a potential top three finish putting pressure on Flinders Park. Gaza has its fate in their own hands with some very winnable games coming up, plus games against teams above them in, North Haven and Flinders Park, win them all and they could very well knock Flinders Park out of third. The win is Gaza's third in a row and fourth in five weeks. For CBC Old Collegians, the loss is their ninth of the season and they remain equal with Westminster on 4-9 and game ahead of Plympton. Michael Gabrielli booted four goals for CBC and continues his late season form, having kicked at least one goal in all but two games this season. Matthew Raymond was once again at his best and was named best for the Dolphins in the loss. Matthew Beadle was again in the thick of the action and was named best for the Eagles.

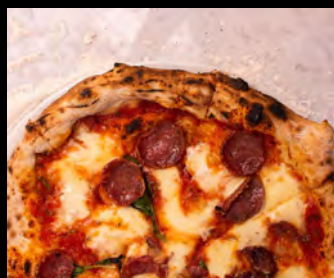

North Haven v Golden Grove

In the hotly anticipated top of the table clash, reigning premiers Golden Grove did battle with North Haven at Largs North Reserve on Saturday afternoon. In Ryan Adam's 100th game, North Haven proved why many believe they can win it all this year downing the reigning premier by the tune of 37 points, 12.22 94 to 9.3 57. The win sees the Magpies improve to 6-0 at home and 11-2 on the season. What was most noticeable was the manner in which North Haven crafted the victory. In their previous meeting the Magpies seemed more focus on their defensive pressure then scoring. Whilst this time round North Haven

moved the ball quicker and finished with 34 scoring shots in comparison to Golden Grove's 12. Kyran Dixon kicked two of his three goals in the first quarter as North Haven took a 14 point lead into quarter time. The lead could have easily been great than the 14 points, was it not for inaccurate kicking for goal. North Haven were dominating all aspects of the game from centre clearances to inside 50s but were just unable to fully capitalise in front of goal. The second quarter was much the same as North Haven continued to dominate the inside 50, to open up a 31 point lead at the main break. Golden Grove came out of the blocks hard after half time, kicking the first two goals to reduce to margin to 21 points early in the third term. As the Kookaburras ended up winning the third quarter, kicking four goals to two and reducing the margin back to 23 points at the final change. The fact Golden Grove were still in the game was largely the result of North Haven inaccuracy as they had only managed eight goals from 27 scoring shots until three-quarter-time, in near perfect conditions. Kurtis Phillips kicked all three of his goals in the final term as North Haven were able to kick away from the visitors for the 37 point victory. North Haven have now defeated Flinders Park and Golden Grove in their most recent meetings, and now find themselves looking as the team to beat in 2021. North Haven's Mark Rowe was awarded the best player on the ground with his two goals in the final quarter putting the icing on the cake, so to speak. Brayden Shaw's 3-goal performance was enough for him to be named the best for the Kookaburras, who now fall to 11-2 but remain in first place due to a much higher percentage thanks to their massive win over Portland in Round 12. With five games to go the battle for top spot and the all-important week off is just starting to heat up. Next up Golden Grove facing their fellow North-East rival Modbury, while North Haven doing battle with Edwardstown.

This week in Division 3

CBC Old Collegians v Portland

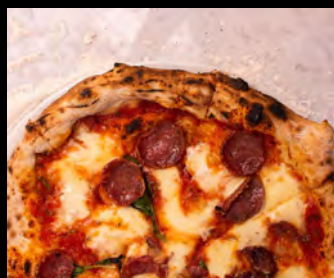

Lowly Portland travel to East Parklands to take on CBC Old Collegians in the commencement of Round 14. Both teams are entering this one having come off a loss in the previous round, Portland got humiliated by 267 points against Modbury whereas The Dolphins went down by 47 points to Gaza. Last time these two sides met was all the back in Round 5 when CBC were victorious by 82 points. CBC after 13 rounds are sitting in eighth position with a record of 4-9 and have shown much improvement since the bye. Every game is still important at this stage of the year for the Dolphins who are battling to avoid relegation and this game provides them an opportunity to get some much needed percentage and possibly another game on Plympton. Whilst for Portland they would see the next three weeks against CBC, Plympton and Westminster as their best chances to snare a victory in what has been a horrendous year. At the very least they must be competitive in these games to build for next year. **CBC Old Collegians by 98 points.**

Edwardstown v North Haven

After knocking off Golden Grove to sit equal first, the Magpies will be looking to improve their undefeated home match streak to seven when they welcome Edwardstown to Largs North Reserve on Saturday in the second match of Round 14 action. Back in Round 5 when these two teams first met, North Haven

ended Edwardstown's four-match winning streak claiming the four points in a very one-sided thirty-six point victory at Edwardstown Oval. North Haven have slowly been building and put together one of their best performance of the season last week, whereas Edwardstown started the season off strongly, winning their first four, but since then have gone on to win only three of their last nine matches. If Edwardstown want to play finals this season, they need to beat teams above them, starting with the Magpies. However, all the money is on North Haven to continue their rise to the top as they look to claim their twelfth victory of the season. **North Haven by 43 points.**

Golden Grove v Modbury

Modbury return home to Modbury Sports Reserve to take on ladder leaders Golden Grove in a battle which should be a lot closer than the fifth versus first ladder positions suggest. Golden Grove are coming off a very disappointing defeat, in which they never fired a shot against North Haven on the road last week whilst Modbury kicked a record 45 goals as the Hawks destroyed lowly Portland by 267-points with Daniel Kaipara kicking 16 goals. A victory for Modbury would go a long way to securing a finals berth come September. Whilst the Kookaburras wouldn't want to drop two in a row only a month out from finals. Golden Grove head into the match as favourites but Modbury have been playing some very good football over the last month and would love nothing more than knocking off their local rival. However, I expect the reigning premiers to bounce back. **Golden Grove by 7 points.**

Westminster v Gaza

Gaza travel to Eagle Drones Oval in Glandore to take on Westminster Old Scholars as they look to continue their fine, mid-season form. A victory for the travelling Eagles will improve their record to 9-5 and all but cement their spot in the five should other results go as expected. A victory for the Eagles would also keep the pressure on Flinders Park as the Eagles eye off third. Westminster have plenty to play for themselves with just one game separating them from ninth placed Plympton and the relegation zone. Win or Loss percentage will be just as important for Westminster, making it important they fight right to the end. Since the bye Gaza have been outstanding and they should get the job done in this one. **Gaza by 37 points.**

Plympton v Flinders Park

After an empathic, come-from-behind victory over Westminster last Saturday afternoon, Flinders Park travel to Plympton Oval to take on the ninth placed Bulldogs. Flinders Park had to fight all the way last week and it was only their experience and class in the last quarter that saw them come away with the victory over seventh-placed Westminster. The Reds haven't looked as formidable as they did early in the season and will need to make sure they come to play against a Bulldogs team desperate for a victory. A victory for Flinders, however, improves their record to 11-3 and keeps The Reds two games clear in third of the fast finishing Gaza with only four rounds to played. Whilst for Plympton if they could cause the upset they would most likely jump Westminster into eighth and out of the relegation zone. Flinders Park are the clear-cut favourites heading into this one so expect this result to be no different to what it was back in Round 5 – a Flinders Park victory. **Flinders Park by 65 points.**

Match Previews

Angus Heuer gives his match previews for this weeks matches

Gepps Cross v Pembroke

Pembroke have continued their winning ways, outclassing Gepps Cross to win by 38 points at Duncan Fraser Reserve. Needing a win to stay in touch with the top five, the Rams gave no fight in the first term, failing to score a goal and watching the Kings put through four to take a 24-point lead into quarter time. The Rams tightened the contest in the second term and had their opportunities in the third term but despite having more scoring shots Pembroke were able to kick six goals to three, opening up a 34-point lead and securing yet another strong victory. Alex Forster was once again the star for the Kings, taking his season tally to 80 with another impressive five goal performance. Izaak Twelftree and Mitchell Curnow both put through two majors while Heath Rusby starred in Pembroke's fourth straight victory. For Gepps Cross, David Ward and James Clark-Rantasa both put through three majors while Daniel Manson was the sides only other goal scorer, highlighting the Rams issue of being unable to consistently put big scores on the board. Matthew Sawilski was once again strong in defeat but lacked support as the Rams continue to sit two wins and percentage outside the top five. Things do not get any easier for Gepps Cross as they travel to face Walkerville while Pembroke host Pulteney.

Morphettville Park v Mitcham

Morphettville Park are pushing their case for a top two finish convincing 49-point victory over Mitcham in a high scoring affair at Kellett Reserve. In an enthralling first half, the Roo's jumped out of the blocks to take a four-goal lead into quarter time before the Hawks fought back with a five goal to two second term, reducing the halftime lead to just seven points. However, the third term belonged to Morphettville, kicking five goals to none to take a commanding six goal lead into three quarter time. The result drops Mitcham outside of the top five and they now face a tough fight against SMOSH West Lakes and Hope Valley for the final two spots in the finals. Christopher Bars was incredible for Morphettville, kicking ten goals for the second time this season in a stunning display. Byron Murphy was the only other multiple goal scorer with two majors, while Liam Mensforth and Nicholas Hankin both delivered incredible performances in a win that puts the Roo's less than one percent behind second placed Walkerville. For the Hawks Zach Sutherland, Lachlan Paddick, Brett Aitken and Daniel Cross all kicked two goals while Brayden Dalitz and the ever-reliable Harrison Pride both fought hard in the loss. Mitcham will need to bounce back quickly when they host a crucial matchup against SMOSH West Lakes while Morphettville travel to Kilburn.

Pulteney v Kilburn

In a miraculous result Kilburn have broken through for their first win of the 2021 season, defeating Pulteney by 22 points at Morgon Oval. After a strong first term from the Magpies saw them take a ten-point lead into quarter time, the Blues fought back, reclaiming a one-point advantage at the main break and looking like

like they would run away with the match. The tight tussle continued in the third term with the inaccurate Pultney unable to take advantage of their opportunities and allowing the winless Magpies to take back a five-point lead heading into the final quarter. The final term started strongly for the Blues who again dominated possession but were unable to make it count on the scoreboard. After this initial Pultney dominance the quarter belonged to the Magpies, playing some of their best football all year and kicking five goals to two in an astonishing display that finally puts them on the winners list this season. Raymond Hedland was the star for Kilburn with seven goals while Matthew Stewart also kicked three majors in a great supporting role. Joel Groom was once again strong while Jackson Ryan played his role brilliantly in the win. For the Blues, Joshua Giddings was the team's only multiple goal scorer with three goals while Tony Squiers and Matthew Henry both tried their heart out in the loss. The result is devastating for Pultney with the loss dropping them to eighth position on the ladder with little hope of competing in this year's finals series. They will be desperate to show some fight when they travel to face first placed Pembroke while Kilburn host the high-flying Morphettville Park.

Walkerville v Woodville South

A sensational nine goal haul from Adam Proud has seen Walkerville overcome a spirited Woodville South by 21 points at Walkerville Recreation Ground. Many expected this game to be a walkover for the Cats, but Woodville refused to go away, trailing by just nine points at halftime and kicking the first goal of the second half before Walkerville started to pull away, taking the margin out to 18 points at three quarter time and kicking the first two goals of the final term to secure a tough victory. Adam Proud took his season tally to 66 goals after another unstoppable performance as he kicked nine of the Cats thirteen goals. Sean Kuerschner continued his strong form and Brady Zwar was once again a strong presence in the win. For Woodville, Samuel Clark was a big presence up forward with five goals while Camreon Bell also recorded four goals of his own. Jake McCulloch and Jake Mansell both delivered strong performances in a loss that Woodville can take plenty of positives out of after a disappointing month of football. They will be hoping to turn these positives into a victory when they travel to Hope Valley on Saturday while Walkerville host a struggling Gepps Cross outfit.

SMOSH West Lakes v Hope Valley

In a stunning result, a final quarter blitz has seen SMOSH West Lakes surge into the top five with 67-point victory over Hope Valley at West Lakes Shore Oval. In a huge matchup the Lions showed their intent early, kicking five goals to one in the first term to take a 25-point led into quarter time. The match tightened over the next two terms, but the Demons were not able to come back into the match as the deficit reduced to just 23 points at three quarter time. The final term however belonged to the Lions, kicking seven goals to none and absolutely dominating the hapless Demons on the way to a crucial percentage boosting victory. Adam Mahney was the star for the Lions, kicking nine goals while Nathan Brown also kicked two majors. Ethan Abbot dominated and Sam Fairclough once again was pivotal in a win that moves the lions to fourth on the table. Hope Valley only had two goals scorers for the game with Jayke Hellmanns (3) and Daniel Williamson (2) the only players that had any impact up

forward. Machok Garang continued his strong form and William Riddle was best afield in a loss that drops the Demons to fifth position and in a real fight with Mitcham to hang onto that final position in finals. They will look to bounce back when they face Woodville while SMOSH West Lakes travel to Mitcham in what should be an intriguing matchup.

This week in Division 4

Kilburn v Morphetville Park

Kilburn welcome Morphetville Park to Blair Athol Reserve, full of confidence after breaking through for their first win of the year against Pulteney. However, their excitement may be short-lived as they face a Roo's side who are also coming in after a strong win after defeating Mitcham by 49 points. Morphetville are now less than one percent behind second placed Walkerville and will hope a big win will move that into that important top two position. While Kilburn will no doubt be full of renewed energy it is hard to see them defeating such a strong Morphetville outfit. **Morphettville by 53 points.**

Pembroke OS v Pulteney

Pulteney travel to Haslam Oval to take on a Pembroke OS outfit that is sitting atop of the table. While the Kings are flying after four straight wins the Blues are the complete opposite, on a five-game losing streak and coming off a loss to the previously winless Kilburn. Pulteney desperately need a win to have any chance of making late finals run so expect them to put up a fight early before the class of Pembroke undoubtedly shines through. **Pembroke OS by 47 points.**

Hope Valley v Woodville South

Hope Valley take on Woodville South at Hope Valley Oval, desperate to bounce back after their disastrous 67-point loss to SMOSH that sees them in danger of falling out of the top five. They should be able to bounce back against a Woodville South side that despite showing some fight against Walkerville have not been able to record a win for over a month. Expect Hope Valley to bounce back in what should be an exciting matchup. **Hope Valley by 21 points.**

Mitcham v SMOSH West Lakes

Mitcham and SMOSH West Lakes face off at Thomas Farms Oval in a crucial matchup that could see the winner inside the top five and the loser sitting on the outside in sixth position. The two teams are coming off vastly different results with the Lions coming off a strong win against Hope Valley and Mitcham a disappointing loss against Morphetville Park. SMOSH are on a two games winning streak and expect this form to continue as they consolidate a spot in the top five. **SMOSH West Lakes by 17 points.**

Walkerville v Gepps Cross

Walkerville host Gepps Cross at Walkerville Recreation Ground, desperately clinging on to their top two position on the ladder. The Cats form has been up and down lately, highlighted by their tough 21-point victory over a struggling Woodville outfit. They come up against another struggling team in Gepps Cross. The Rams need a win to stay in the race for finals, but it is hard to see them overcome a strong Walkerville team. **Walkerville by 31 points.**

THE DIVISION 5 Match Previews

Eastern Park v Hectorville

Hectorville struggled against an imposing Eastern Park on Saturday, suffering a 59-point defeat at Dwight Reserve. The loss almost completely rules Hectorville out of finals, with the Hounds needing to win almost all their remaining matches if they are to scrape their way in. The match was never really in the balance, as the Demons kicked 17.4 in the first half in an impressive goal kicking display. Eastern Park kicked the first four goals of the game to send Hectorville into panic stations. The Hounds were unable to stem the flow, as the Demons added another four goals. Eastern Park went into the main break leading by 72 points, as the Hectorville boys looked to redeem themselves in the following half. The second half was far more respectable from Hectorville, with the visitors holding Eastern Park to just the one goal in the third quarter. Credit to Hectorville for their fightback, as the Hounds won the second half kicking seven goals to Eastern Park's five. Goudman-Glasson kicked five for Hectorville but was outshone by the Eastern Park duo of A. Burgoyne and C. Knapp who kicked eight and six respectively.

West Croydon v Kenilworth

Kenilworth dominated West Croydon, winning by 84 points. Kenilworth will be kicking themselves despite the win, as a few more snags could've pushed them into the top five with the Kookaburras sitting 0.11% behind fifth-placed Salisbury. A slow start would prove extremely costly for the home side, as Kenilworth pounced on the opportunity. Kenilworth piled on eight goals in the first quarter as the Hawks kicked one. The scoring would slow after the first quarter, but West Croydon failed to reduce the deficit in any major way. The Hawks defence locked up in the third quarter, allowing only two Kenilworth goals. However, West Croydon failed to apply any scoreboard pressure themselves. West Croydon will be thankful Kenilworth weren't precise in front of goal, as the visitors could've really destroyed them. M. Crump booted seven, with the Kenilworth spearhead bearing down on Pooraka's L. Buckby at the top of the goal kickers list. M. Johns was a star for the victors.

Pooraka v Lockleys

Pooraka have ended the Lockleys streak emphatically by 44 points. Ironically the team that the Lockleys streak started against was the team that ended it, in what will be an enormous confidence booster for Pooraka. The result was unexpected, and was arguably an upset, despite Pooraka's high ladder position. The win sees the Bulls bounce back up to top spot on the ladder, snatching it away from Lockleys. Both teams got out to slow starts, kicking 1.2 apiece. The intensity lifted massively in the following quarter with each side finding avenues to goal. The high tempo suited the Pooraka playstyle as they managed to edge ahead before the second quarter siren sounded, leading by 11 at the break. Pooraka took a hold over the match in the third quarter but failed to capitalise, kicking 2.8 for the quarter. Their inaccuracy wasn't too costly, as the Demons managed only two behinds for the quarter. The Bulls sealed the deal in the last term adding another 24 points whilst holding the visitors to nine. Division 5 leading goalkicker, L. Buckby kicked five in a dominant display with M. Rankine also demonstrating his class for the Bulls.

Salisbury v Fitzroy

Salisbury have survived a scare against bottom side Fitzroy, winning by 36 points to keep themselves in the top five. Fitzroy looked the goods early on, but once again lapsed, failing to maintain the momentum for four quarters. The Lions booted six in

the first quarter to take a 20-point lead into the opening break. Salisbury responded well, kicking the first three goals of the second term. Improved accuracy in front of goal could've seen the Magpies burst out to a substantial lead, but they only managed to get ahead by six points at half time. Fitzroy let the game get away from then in the third quarter as the Salisbury defence deprived the Lions of any third quarter goals. Fitzroy finished well in the fourth quarter but didn't manage to make any significant cuts to the margin, as Salisbury took the win comfortably. A. Mills was everywhere for the Magpies, meanwhile in the forward line, J. Mann led the charge kicking six.

This week in Division 5

Hectorville v Pooraka

Pooraka were back at their best Lockleys on Saturday, scoring a huge win against the competitions previously most in-form side. Prior to this, the Bulls were on the decline after a stellar start to the season. They should be back to their imposing best when they face Hectorville away on Saturday. The match will be a massive challenge for the Hounds, with Hectorville suffering some big defeats in the last couple of weeks. Both sides love to pile on the goals, so I expect big totals from both sides, with Pooraka besting the home side. This style of game suits the Bulls more and they should capitalise. **Pooraka by 36 points.**

Lockleys v Colonel Light Gardens

The Lockleys run came to a sudden halt on the weekend, with Pooraka trouncing them. They are a quality side, and they should bounce back against Colonel Light Gardens. Colonel Light Gardens have knocked off some big sides, with the likes of Pooraka and an in-form Salisbury on the scalps list. The Lions should come out of the bye feeling fresh and raring to go. This one-week spell should allow them to run out the full four quarters and really push the Lockleys boys. This looks to be the match of the week, with a close margin expected. Given the home advantage, I think Lockleys will just edge out the visitors. **Lockleys by 10 points.**

Salisbury v Eastern Park

The inconsistent Eastern Park will face an improving Salisbury side away from home on Saturday. Both teams currently sit in the top five and with the season winding down, a win here will be vital in securing a finals spot, especially considering how tight the percentage separating the sides is. Eastern Park come into this game having beaten Hectorville convincingly. They have managed to string a handful of wins together recently and looked to have finally set-up a side that could take them deep into the finals. Salisbury come into the clash with similar form, although their wins seem to have come from easier opposition. Early in the season the Magpies were impenetrable in defence but have weakened as the season has worn on. I think the affair will be close, like last time the sides played, but unlike last time, Eastern Park will run out as victors. **Eastern Park by 14 points.**

Kenilworth v Fitzroy

Fitzroy are still vying for their first win of the season and will feel they are a chance when they face a Kenilworth side that have been in some sub-par form as of late. Much of Kenilworth's season rides on this game, as they look to make a late charge towards finals. The Kookaburras sit in sixth spot, with Salisbury ahead of them by 0.11%. Kenilworth have shown they are a classy side when in form but have struggled to find form consistently. Fitzroy have been the slow improvers this season and will likely challenge the Kookaburras. If they are to secure victory, they'll need to maintain a focussed effort throughout the second half, as longevity has been a real issue for the Lions as of late. Kenilworth should run over the top of the Lions late in the piece. **Kenilworth by 33 points.**

Match Previews

Lachlan Dand gives his match previews for this weeks matches

Elizabeth v St Pauls OS

Elizabeth have smashed a lowly St. Pauls side out of the top 2 with an 80-point drubbing of their opponent, where they have moved to a remarkable twelve wins in twelve games. The match at Argana Park looked set to be a thriller coming in with both sides in the top two. Predictions of a tight contest quickly went flying out the door when Elizabeth started proceedings with a five goal to one opening term. St Pauls wrestled back momentum in the second quarter but failed to convert in front of the big sticks and left themselves with a 16-point deficit at the main break. However, from there it was all the Eagles as they piled on the majors in the third term with an incredible seven goal to one quarter to help extend the lead to 52 points at the final change. From there, it was party time as Elizabeth registered a six goal to one final term to run away victors to the tune of 80 points. Jarad Clinton was once again the star of the show with yet another bag of five goals, while Braeden Owen had his best match of the season as he also booted five. Blake Mitchell was terrific for the Eagles as he booted two on his way to earning best afield honours, while Anthony Bullock was a driving force through the midfield all afternoon. For the visitors, young forward Jordan Wurfel had his first game since April and celebrated with two goals. Jacob Markey's first game of the season was also very good as he earned best afield, while Glenn Gibbs followed suit in a valiant effort.

Rosewater v Mawson Lakes

Rosewater have avenged their round four defeat with a 45-point victory over a disappointing Mawson Lakes side, who's relegation is unfortunately almost now certain. Rosewater took the lead into every change with their best effort coming in the final quarter where they would have a four goal to one quarter to have a strong victory. The margin also threatened to be larger at stages throughout the afternoon with the Bulldogs registering a total of 20 behinds. Patrick Hure was back to his best for the Doggies with four goals, while veteran Eric Rigney kicked three. Kahleb Warren had his first game of the season and kicked two, with the same going for youngster Josh Mulady. Hure was rewarded with best on ground for Rosewater, with Jacob Edwards & Noah Murphy a class above all afternoon. For Mawson Lakes, things go from bad to worse, however Thomas Durrant and Daimon Barrow held their heads high as the only multiple goal-kicker with two apiece. Christopher Hayden & Alex Pearce fought hard all afternoon and did not lower their colours in the disappointing defeat.

Blackfriars OS v Ingle Farm

Blackfriars have made a statement to the rest of the competition with a 105-point victory over Ingle Farm at St. Dominics Oval in their Indigenous round celebrations. The loss leaves Ingle Farm in a major relegation battle, with major problems all over the ground. The Hounds burst out of the blocks with an eight goal to two opening quarter, and from that point out flexed their muscles with another six goals to three quarter, helping them hold a 57-point lead at half time. The second half was much the same, as Blackfriars had yet another seven goals to one third term helping them hold a 93-point advantage at the final break. The Bulldogs enjoyed their best quarter in the final term, however it was not enough as they succumbed to a massive loss. Small forward Luke Murphy was terrific for the Hounds, with a remarkable six goal

effort, while veteran ruckman Matt Rivett also kicked four. Many players also had two in the 23-goal performance which included Clemente, Velotti, Richardson & McWhriter. For Ingle Farm, Michael Wheaton was a target all afternoon and was rewarded for effort with a four-goal match, while superstar Devin Payne was well held to just the one goal. Daniel Coscia and the always consistent Jack Delachy never stopped fighting in the heavy defeat.

Para Hills v Trinity OS

Trinity have risen to second on the division six ladder following a 68-point victory over a very disappointing Para Hills side. Trinity led at every change however their two goals to twelve second half was outstanding and set up a big win on the road at The Paddocks. Cooper Burt enjoyed his best game of the year with a sensational six goal performance, as well as Alistair Walling, Harry Tuck and James Matthews each kicking two. Matthews found plenty of the ball all afternoon, and deserved best on ground for the Lions, while Burt's six goal effort was hard to go past also. For the Kangaroos, key forward Stephen Willment was a serviceable target all day and kicked two goals, while big names such as Ashley Wieland and Daniel Weetra each booted one. Lynton Power was best afield for the Roos in a tough loss, while Jackson Kelly also found plenty of the ball and even kicked a goal in a strong performance.

This week in Division 6

Rosewater v Marion

In a massive clash, Rosewater will welcome Marion to Eric Sutton Oval in a clash that could decide just who will claim the final spot in the 2021 finals series. Marion is fresh off the bye and were in good form and in patches had played their best football of the season. Rosewater had a gritty win last week over Mawson Lakes, and it could have been even bigger. I expect a close contest, but Marion to be too strong when it counts. **Prediction: Marion by 21 points.**

Ingle Farm v Elizabeth

Elizabeth travel to Rowe Park this weekend in a bid to win their 13th game undefeated and will face a struggling Ingle Farm outfit. Jarad Clinton is having an incredible season with 56 goals to this point, and he looks as though he will be lining up for a big game. Ingle Farm's confidence is very low following last week's fifteen goal drubbing. I expect a big win to Elizabeth where they fully cement themselves as the minor premier and send Ingle Farm deeper into the relegation battle. **Prediction: Elizabeth by 62 points.**

St Pauls OS v Mawson Lakes

St Pauls welcome the struggling Mawson Lakes to its new home ground in Thebarton Oval in what is expected to be a big win for St. Pauls. The hosts have had a terrible month of football as of late and currently find themselves in third position and need to make a statement. I expect a big win to St. Pauls, in what needs to be a strong bounce back from them. **Prediction: St. Pauls OS by 76 points**

Trinity OS v Blackfriars OS

In what shapes up as the match of the round, second placed Trinity take on Blackfriars in a massive top four clash in Gawler. The match appears to be finals preview so I expect a hot contest. Both sides are playing good footy and are coming off big wins in the previous week. Both sides also have many avenues to goal so the game will ultimately come down to which forward line can see more of the ball. **Prediction: Trinity OS by 8 points.**

THE DIVISION 7 Match Previews

Mitchell Park vs Greenacres

Both teams with plenty to play for and entering the match would've expected a fiercely contested football match which we got and once again Greenacres showed their ball use exceeded their opponents starting full of steam giving them a 15-point quarter time lead. Mitchell Park lifted their pressure around the ball through Angus Mugg and in the second quarter were able to match the Dragon's albeit for defenders Sam Bamford and Dion Coomblas mopping up across half back and chopping off their forward avenues leaving the scores 16 points the difference at halftime. An arm wrestle in the 3rd quarter and an entertaining contest while both half back lines attacked for their sides Walczak and Smith for the Lions setting up forward Adam Halime and getting within a goal before the experience dragons in Ben Bamford and Gibson showed their class linking up to help kick 3 late quarter goals and an important 23 point 3 quarter time lead as the last quarter was a carbon copy of the first 3 as whenever the Lions threatened Greenacres had the answers winning by 18 points.

Flinders University vs Adelaide Lutheran

Before the match, the Crabs knew the importance of the contest against Adelaide Lutheran last Saturday as an almost elimination final for Flinders University's finals chances. It wasn't the start they would've desired as the Doggies midfielders Kidney and Goodall leading by example gave Lutheran every opportunity to score which they took setting up a 25-point quarter time lead. With plenty to play for the pressure was matched by Flinders Williamson and Pinder brothers but execution throughout second quarter with ball meant they couldn't get rewarded on the scoreboard they needed and went to half time break still 27 points apart. The Crabs needed to score quickly as the 3rd quarter began and when Adelaide Lutheran held them at bay and scored themselves the writing was on the wall at 3 quarter time with the Bulldogs leading by 38 points that the Crabs couldn't haul in due to turnover which seemed to zap their energy whilst big man Rowan Miegel another best on ground performance went on to lead his team to a best on ground 52 point victory and give Flinders needing almost a miracle now for finals action.

Central United vs Houghton

A sunny winters day greeted the Raiders as they travelled to the league leaders home deck of Mofflin Reserve to face the Doggies last Saturday. First quarter with the ball living in Houghton's forward half without any major scores would've been frustrating for them as Central United scored easily to give them a 10-point lead. Central United found front position through Michael Pudney across half back asserting his control throughout the second quarter and while the Raiders at times could match the top side in intensity with Cameron Evans and Adam Varcoe getting plenty of the ball the finishing skills ahead of centre a notable difference between the 2 sides leaving the Dogs 11 points ahead at half

time. A few adjustments at halftime seemed to work for Central United and they began to get possession of the ball easier and peppered the goals with Thomas Porter excellent in the third quarter without landing the killer blow leading by 23 points at 3 quarter time and when they kicked the first 2 goals of the last quarter the contest was finally over fizzling out to a 49 point Bulldog victory and Darrell McIntyre and Adrian Mark continued their fine seasons again in best players and goals.

Hackham vs Brahma Lodge

The Tigers ventured south to face Hackham at home for their first look at the ground and the Hawks introduced themselves with a competitive first half as midfielders O'Leary, Allan and Cross matched the quality of Brahma Lodge's premiership midfield Steele, Scott and Thompson throughout the contest just the quality of intensity on defence the difference which put the Hawks under a fraction more pressure with ball in hand. Half time gave the Tigers a 20-point lead and a chance to refresh which has been dangerous all season 2021 and another show of that Saturday was on full display as they kicked away from the Hawks who couldn't match the run pressure and skill of Scott, Steele, Thompson, Timpano and Hrynkiw and the worry pregame of the second half became a reality as they kicked 10-4 goals in second half running away from hawks. Not all doom and gloom for Hackham as the showed they once again can match better sides in patches.

This week in Division 7

3 big teams all flexing their muscle against the lower tier has them all gaining valuable momentum ahead of the business end of the season. The pack of 3 grouped behind them fighting out last 2 spots. 4/4 predictions again last week but I suspect all results won't be as clear cut over next 5 weeks.

Match of the Round

Greenacres vs Central United

A 10-point victory to the Dragons in round 5 is Central United's only loss for the year and travel to Edward Smith Reserve this Saturday to avenge that defeat. Greenacres sitting second themselves have shown with ball in hand the most potent side in this division and will be trying to match the contested ball of the Doggies through their own midfielders of Joseph Eisner and others to get the ball to dangerous forwards Ben Bamford and Matthew Gibson. Central United's Michael Pudney and Adrian Mark have shown to be the Doggies best aerial assets and alongside Brandon Olzsewski will want to get the ball to their most talented forward in Darrell McIntyre to give themselves opportunities to kick a winning score. A tight tough contest, I'm no rocket scientist for predicting with contested ball the major focus for both teams the reason I lean the Bulldogs way. Just. **Central United 1-12**

Adelaide Lutheran vs Hackham

Round 5 results were an 8-point Doggies win and Adelaide Lutheran would see this game as a game they must win at home against Hackham should they want to be competitive In finals ahead. A handy month behind them gives the Doggies an opportunity to cement their position in top 5 should they maintain

that consistency they've found through players of Miegel, Goodall and Kidney all contributing most weeks to that success. Whilst Hackham have shown themselves that concentration in effort isn't an issue and have some quality players in Allan, Cross and O'Leary just execution of ball skills and depth of talent probably the only difference between them and top tier sides. They've seen what division 7 has to offer and with suitable adjustments can certainly improve in the future just not this week against last year's grand finalists side looking to get back to finals action again this year. Bulldogs building towards major part of season and at home won't let this game slip lightly.

Adelaide Lutheran 37-48

Houghton vs Flinders University

41 points between Flinders and Houghton at University oval when these teams met in Round 5 and with the Crabs having to win every game and rely on results to go there way the Raiders must be wary of opponent with the shackles off considering they need 2 points themselves at every opportunity they can grab for qualification in finals action. Pinder brothers, John Mason and Douglas Hudson the experienced Crabs that have been their seasons best performers yet need the younger group to develop and assist them to be more competitive. Houghton have adjusted their line up to a younger side in past weeks and seen some good performances from Cameron Evans, Aidan Pitt and Jake Martin a core group they can grow around for future seasons. Experience vs youth on the big Greenwith Oval and with the Raiders at home needing the 2 points desperately a must win game for them to stay in top 5.

Houghton 25-36

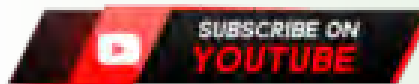

OSB Lonsdale vs Mitchell Park

The Lion's battle was won by Mitchell Park last time they met in Round 5 by 81 points vs OSB Lonsdale and with results in recent weeks a similar margin prediction would be in order. Tough year on the injury front and on field performances for OSB Lonsdale and as if not possible an even tougher past month. They need a core group of players now to establish themselves a foundation and set the standards and values going forward and with youngsters Brayden Fiedler and Tyson Smiths talent on the field that would be a good place to start. Trembath and Hunter are 2 others they must invest time and effort in. Mitchell Park is the side most capable of either ends of consistency this year have an opportunity to show off the talent they possess in Walczak, Halime, Smith and the Doherty boys and with their depth growing as the season progresses they have a real chance this weekend to get some confidence and momentum for finals action ahead.

Mitchell Park 73-84
