Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

In what has been a difficult time for the game in the previous two weeks, with COVID-19 once again causing havoc on the AFL Season, it was a weekend of celebration for the great Shaun Burgoyne. On Saturday night, 'Silk' became the fifth player in the game's 163-year history to reach the 400-game milestone, and the first Indigenous player to notch the quadruple century.

by
Daniel Emilio Amato

For just five players to reach this incredible achievement in almost two centuries goes to show what is required; a strong work ethic, dedication, resilience and a hint of good luck with health and injury along the way.

There are many players currently in the league who are somewhat within striking distance of the 400 game mark. However, with form issues, injury concerns and the possibilities of game-time and/or positions on lists being compromised in the future due to rebuilding and money-saving, some are more likely than others.

I have identified three players who are the most likely to reach that elusive 400 game milestone;

1. David Mundy

Current Games Played: 347

Games Required: 53

For so long many out of Perth would barely give David Mundy a mention, but now the Victorian-born midfielder is certainly up there as one of the finest footballers to ever come out of a Western Australian club. From his first season in 2005, Mundy has held an unquestionable position in Fremantle's best 22 and has rarely disappointed. A best and fairest in 2010 and All Australian in 2015, and a selection in Fremantle's 2013 Grand Final are among his greatest achievements on field. At the age of 35, the former captain is playing as well as ever, averaging 25 possessions, five clearances and four tackles, all of which are considered above average for AFL standard. For David Mundy to reach 400 games, he would need to play majority of this season's remaining games at least two more full seasons, a final or two would help boost those games up. It seems far-fetched, but if he continues at the rate he is now... why couldn't he?

Only seven games away from over taking Matthew Pavlich's club record for most games played.

2. Joel Selwood

Current Games Played: 325

Games Remaining: 75

The captain of the Geelong Football Club has been the epitome of hard work, dedication, and an unbelievable success rate. Since debuting in 2007, where he won the NAB Rising Star award, he has played in five Grand

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

Finals, won four Premierships, three best and fairest awards, six All Australians and four times the most courageous player, he has also only ever missed the finals on one occasion in 2015. Only once in his fifteen seasons has he played less than 20 games a year, he has been able to escape serious injury for so much of his career and has never been dropped.

by
Daniel Emilio Amato

However, Selwood's courage to go back with the flight of the ball and unflinchingly dive into packs has resulted in concussions and head injuries. His biggest strength is also his biggest weakness, and this is the only concern in not reaching 400. With Geelong's premiership window wide-open for the next few seasons and with Selwood form still certainly apt to remain in the side, he would certainly be expected to at least get very close.

For Joel Selwood to reach 400 games, he would need to play until at least another three seasons, playing at least 20 games every campaign. By that stage he would be 36 years old, if he stays injury free and avoids anymore concussion issues, there is absolutely no reason it cannot happen.

3. Dustin Martin

Games Played: 258

Games Remaining: 142

This one may, but should not, come as a surprise. While Dustin Martin still has at least six seasons plus a few finals required to reach 400, he has proven to be one of the most consistent and durable players we have seen... possibly ever.

Since debuting for the Tigers in 2010, Martin has never played less than 20 games in a season. From round one 2010, he has always been one of Richmond's most important players and a main stay in the midfield. He has avoided injury through most of his career and become one of the greatest players in the game's history. Three premierships, three Norm Smith Medals and a Brownlow Medal put him in the elite category in every sense. Football is his life, he loves the game of there does not seem to be any obvious reason why he would give the game up until he exhausts everything he has, and he still has many years to come with a lengthy contract not expiring until 2024, which would be expected to be extended.

For Dustin Martin to reach 400 games, he would need to play until at least 2027. At this stage he would be 36 years of age and I cannot see any reason why this is an unrealistic prospect. He is arguable in career best form, tearing up the midfield with his strength, ability to shake players of and that powerful, penetrating kick.

TEAM TALK with JORDAN

The Cattery

2007 was the year that Geelong became the powerhouse that they are known as today. After years of underachieving failing to become that powerful team that they always threatened to be they finally turned it around by not only having developed an ominous high attacking game style that wielded three premierships in five years, but they made their home ground Kardinia Park (it has had many different names over the years) the unbreakable fortress that many a team have now come to fear when they play there. In modern day football, every little bit counts, and the Cats have known that better than most teams. We all talk about fortresses when dominant teams seem even more powerful and even invincible on their home decks, but no team has ever had as pronounced a home ground advantage as Geelong has had at Kardinia Park. Footy pundits and critics have long since given up quoting the numbers, they've just accepted the fact that it's near on impossible to win there.

by
Jordan Sennett Perez

Before Geelong turned their fortunes around some 14 years ago, they famously lost a match to North Melbourne at Kardinia Park in what became the "line in the sand" moment for them. Not only was the playing group called into question but the club as a whole, culture administration, coaches all of it. They then destroyed an abysmal Richmond by 157 points at the Telstra Dome (now called Marvel Stadium) and from then have never ever looked back. As mentioned above, since then Geelong entered a golden era yielding three flags, playing in 5 grand finals and further 10 preliminary finals which is incredibly impressive. None of those games have been played at their home ground which is affectionately called "The Cattery" but it sure has played a major part in the club's consistent dominance over the competition. Since that loss to the Kangaroos in 2007 and as of the 2021 season, Geelong has played a total of 108 games at Kardinia Park. They've won an astonishing 97 of those, 97! Only 11 losses which is incredible, and their winning strike rate is 89.9%. The sheer key factors in the dominance that Geelong has there are teams that have relative unfamiliarity in which no visiting team ever playing there more than once per season and some of the bigger drawing Victorian clubs such as Hawthorn, Carlton and Richmond only playing there very occasionally, like once or twice in 12 years. The unique dimensions of the ground in my opinion play the biggest part.

Kardinia Park is only just the longest ground of any of the current AFL stadiums at 167 metres only a metre longer than Adelaide Oval, two metres more than Optus Stadium in Perth and five metres more than the MCG. It is significantly narrower than any of the other grounds however which is the most unique aspect of the grounds landscape. At just a measly 112 metres wing-to-wing, it is 27 metres skinnier than the MCG and that near 30 metres difference to the MCG is as good as one less kick for sides trying to switch the play side to side and make the ground bigger. It's no wonder teams have struggled and often have found themselves kicking the ball out on the full more than usual when they play at the cat's home ground. It's also Geelong's incredible defensive qualities that really shine through effectively smothering the opposition into turning it over and having all defensive lines covered effectively roadblocking half the ground. Considering how many teams have struggled there over the years, there are a few sides that boast somewhat of a half decent record there in recent times. Sydney has taken the cat scalp there 4 times in the last few years and had a 3-game winning streak there and Fremantle famously beat the cats in the first and only to date final played at the ground, the 2013 qualifying final, the dockers also beat them there again in 2015. For every other team it is the dreaded travel across there to face impending death. Of the 97 wins, 31 of those has been by a minimum of 10 goals and a further 8 has been by 100 points or more. Now that is some sort of dominance and it doesn't look like diminishing any time soon.

THE DIVISION 1 Match Previews

Brighton Bombers vs Prince Alfred OC / 7.3-45 vs 19.12-126

The Reds have secured yet another away victory, seeing off the Bombers by 81 points. The game seemed to hang in the balance at the start with both sides finding the goal well, but it was the Reds who came out just on top to lead by 11 at the first break. After the break the game took a turn in favour of the away side who managed to kick four more goals to take a lead of 29 points into half time. After the break the Reds were even more relentless kicking a further six goals to extend their lead to 54 at the last interval. They didn't let up in final quarter and continued to pile on the pressure kicking five more goals to finish the game out and see off the home side by 81 points. O. Carthy and B. Tate played well in an otherwise disappointing effort for the Bombers, while it was T. Brazel and B. Woolard who stood out amongst high quality for the Reds.

St Peters OC vs Rostrevor OC / 21.12-138 vs 4.7-31

St Peters have secured a HUGE win against Rostrevor, seeing them off at home by a whopping 107 points. The game started very one-sided with St Peters kicking seven goals to take a lead of 37 into the first break. during the 2nd the home side continued to put their foot on the gas kicking a further five goals and conceding just 2 points to lead by 66 points at half time. The away side tried to claw some points back early in the second half kicking three goals but conceding four goals to have their deficit taking to 75 points at the final break. The away side seemed to be waiting for that final siren in the last quarter conceding a further 5 goals and managing just 2 points to ultimately lose the game by 107 points. D. McCallum and T O'Malley were diamonds in the rough for the away side, while J. Higgins and B. McGill were standout players in a standout performance for the home side.

Port District vs Adelaide University / 10.9-69 vs 11.9-75

The Blacks have managed a huge away win against the Maggies, seeing them off by 6 points in a close thriller. The away side started the game very strongly, kicking four goals to take a lead of 16 into the first break. the second saw the Blacks take a commanding lead after some impressive forward play, kicking five goals to extend their lead to 43 points at half time. The half time oranges were extra sweet for the Maggies who came out with a point to prove in the 3rd, kicking five goals to close the gap to just 18 points going into the final break. Port kept coming in the final quarter kicking a further three goals to close the gap but conceded one goal that ultimately saw them off after what looked a promising late surge from the home side, who ended up losing by a single goal. For the home side it was L. Mcinerney and T. Heffernan were great for the home side, while it was F. Babic and W. Warrick who inspired their side to an important win coming towards the end of the season.

Payneham NU vs Goodwood Saints / 4.14-38 vs 12.15-87

The Saints have managed another win on the road, this time comfortably seeing off the Falcons by 49 points. The game seemed to start as a low scoring game with both sides struggling to get the ball out of midfield, but Payneham managed to take a slight lead of 2 points into the first break. after the first break the Saints started to improve, kicking three goals to take a lead of 13 points into half time. Payneham once again struggled to score any majors in the third and conceded three goals to

once again struggled to score any majors in the third and conceded three goals to have their deficit taken to 30 points at the end of the 3rd. Goodwood ended up running away with the game in the 4th and kicked a further five goals to ultimately win by 49 points. T. Panoho and D. Auciello played well for the home side, but it was S. Crook and T. Lynch who were phenomenal for the Saints in an important win.

Tea Tree Gully vs Unley Mercedes Jets / 19.17-131 vs 8.9-57

Gullies have secured a comfortable win against the Jets, seeing them off by 74 points. the game started in favour of the away side, who managed to kick four goals in the first quarter to take a slight lead of 4 points into the first break. the second quarter saw the home side come into the game more kicking three goals to steal the lead and take it to 11 points at half time. Unley weren't poor by any means in the 3rd, kicking three goals, but conceding six goals to see their deficit taken to 26 points at the final break. the last quarter fell heavily in favour of the Gullies who managed a further seven goals to see off the Jets by 74 points. it was B. Latham and J. Spence who were great for the home side in an important win, while it was A. Salt and L. Heaslip who stood out for the Jets.

This week in Division 1

Brighton Bombers vs Port District

Bombers host Port after suffering a big loss to the top side Reds last week and will hope to bounce back. Port ae coming off a decent win and will want to take that form into the last few games of the season. i see this one going to wire with both sides desperate for points. However, **I see the Maggies getting up by 10.**

Goodwood Saints vs Adelaide University

The Saints play host to the Blacks this week as they look to build on recent form to see out the season. They come up against the Blacks who secured a big win last week which could see them take that all important finals spot going into the last few games. both sides coming off strong wins it's hard to pick a winner, so for home ground advantage alone, **Saints by 19.**

Prince Alfred OC vs Unley Mercedes Jets

The Reds host the Jets this week in the top vs bottom game that has all the signs of a belting. Two completely contrasting teams, with one in phenomenal form and the other who hasn't managed to find their feet all season. i see this being a very difficult trip for the Jets, **the Reds by 80 points.**

Payneham NU vs St Peters OC

St Peters travel to Payneham Oval this week after coming off a big win last week as their late finals surge continues, and they come up against a team who are on the decline and seem to be losing points all too often this late in the season. Although Payneham are at home, the Saints have been too strong recently.

St Peters by 29 points.

Tea Tree Gully vs Rostrevor OC

Rostrevor travel to Gully this week after disappointingly going down to St Peters last week. while Gully secured a comfortable win against the Jets last week and will hope to improve on that this week. both teams still fighting for finals spots this could be the game of the round. as for the winner, **I see Gullies running away 15 point winners.**

Match Previews

previews for this

Scotch 7.6 (48) def by Old Ignatians 12.13 (85)

Old Ignatians all but secured a finals spot on the weekend and are ramping up their level of play at the perfect time as they took care of Scotch by 37 points on Saturday. They held Scotch scoreless in the first quarter but couldn't capitalize themselves, kicking six points in the first before steadying in front of goals. Scotch made a run in the second term to trail by just 14 at the main break but ran out of legs in the second half as Cameron McPherson (6 goals) and Matthew Brunoli (5 votes) led the way for the visitors. Old Ignatians sit third with two rounds to play, while Scotch is tied for bottom place.

Broadview 15.7 (97) def Sacred Heart 5.8 (38)

The home side were clinical in their dispatching of soon-to-be finalists Sacred Heart on the weekend, in control for most of the game en route to the 59-point drubbing. Sacred Heart, who sit fourth, had no answer for the accurate Tigers outfit who currently sit fifth with one round to play, tied with Henley. Benjamin Yeomans picked up best on ground honours in a pivotal clash for the home side, while Cooper Figg kicked four to lead from the front. It is not the form Sacred Heart would be hoping for heading into finals, as they could match up with Broadview again in September if results fall into place.

Plympton High & Camden 12.11 (83) def Seaton 7.10 (52)

The Phantoms bounced back in classy fashion, taking care of the Ramblers by 31 points at home to claim back second place. They led at every change and weren't really challenged by Seaton, who will fight it out next week to avoid bottom spot. Steven Williams was the Phantoms' best for the second consecutive week, while they shared nine different goalkickers for their twelve goals. Liam Vasey was Seaton's best, who will look forward to a better season next year.

Henley 12.13 (85) def Salisbury North 12.12 (84)

The Sharks have won one of the games of the season to keep their finals chances alive, edging out the Hawks by one point in a thriller. It was a comeback to remember for the home side, who trailed at all changes before clinching a narrow win that places them equal fifth with a round to play. It was a high scoring start for the visitors, who also needed to win to be in the race for finals, as the Hawks got out to a 20-point lead at quarter time courtesy of a seven-goal quarter, before kicking just five more from there. Jack Enright (5 votes) and Ethan Miller (5 goals) were vital for Henley, who must keep winning to play finals. The Hawks now must win their final two games to play a part in September also.

Athelstone 7.11 (53) def by Glenunga 7.15 (57)

It was a mighty scare, but the ladder leaders prevailed by just four points over Athelstone, who are now eliminated from finals contention with two rounds to play. The Raggies led at quarter and half time, before letting the lead slip in the

play. The Raggies led at quarter and half time, before letting the lead slip in the second half, and were eventually ousted by the class of the Rams. Although inaccurate, Glenunga got the job done and sit at 15-1 after sixteen rounds, an impressive resume heading into September. The Rams evidently sit atop the standings, and cannot lose that position, while the Raggies sit two and a half games from fifth with two games to play, ending their season.

This week in Division 2

With just two rounds remaining on an up-and-down season, the finals spots are starting to come together, with Glenunga, Plympton High & Camden, Old Ignatians and Scared Heart all guaranteed to play finals. Broadview, Henley and Salisbury North are in a tight battle for fifth spot, and with some vital games upcoming, it could come down to the last game of the year to determine who plays finals.

The Phantoms host Henley this week, with both sides winning on Saturday. The equation is simple for the Sharks, they have to win to play finals. Unfortunately, their opponent doesn't get much tougher than a Phantoms' outfit at home, who bounced back strongly last week after their loss the week prior. It should be a great contest.

Seaton host Scotch in the battle for last place. In a meaningless contest in terms of finals standings, the two teams locked at four wins will still be determined to win to not finish last, so it may be a more entertaining game than first anticipated.

Sacred Heart are gearing up for a premiership push, as they are guaranteed to play finals in 2021. However, they would ideally love to go into finals with some momentum, after last week's dismal performance. Athelstone were very competitive on the weekend and almost knocked off Glenunga, so this should also be a tight contest.

Salisbury North are hanging on to hope of them playing finals, sitting a game and a half behind fifth with two rounds remaining. Therefore, they must win this week and rely on losses to both Henley and Broadview if they are to play in September. It is a tough task though, against a good Old Ignatians side that are set to push for a late finals run. Unfortunately, I can see the Hawks' season coming to an end this week.

Lastly, Broadview travel to Glenunga for the toughest task in division 2 footy, a home Rams game. The Rams have lost just one game all year, and Broadview have to win to play finals, so it doesn't get any more important for this Tigers outfit. Everything to play for this week.

THE DIVISION 3 Match Previews

Flinders Park v Gaza

Gaza survived a late fourth quarter comeback and jumped into the top three after holding off Flinders Park by 9 points at Flinders Park at the weekend. The 13.11 89 to 12.9 81 result sees the Eagles leapfrog the Reds on percentage and into third on the ladder. In pretty even opening quarter, Gaza's ability to dominating the clearances enabled them to take a twelve point lead into the quarter time break after a fast start from Flinders Park who had two goals on the board within the first 5 minutes of the contest. The visitors however, through very strong ball movement, were able to respond and would kick the final three goals of the quarter. In the second quarter, the visitors really took control of the match, kicking four goals from ten shots to open up a comfortable 24 point lead at the main break. Gaza's Jackson Elmes who kicked three of his four goals for the afternoon in the first half, was influential up forward and helped his side set up a number of scoring opportunities, as Gaza continued its dominance through the middle of the ground, especially at the centre clearances. At the other end of the ground Daniel Blythe help keep the Red's in the game kicking three of his team's five goals up to halftime. Flinders Park dominated for the first five minutes of the third quarter, kicking two quick goals to reduce the margin to 12 points but Gaza steadied to kicked three more goals to extend the lead out to a game-high 31 points before a late Flinders Park goal reduced the margin to 25 points at the final change. The hosts kicked the first goal of the fourth quarter after 8 minutes to reduce to the margin to 15 points which was quickly followed by two more to get within 3 points with less than 10 minutes to go. With Flinders Park holding all the momentum Gaza looked out on their feet, but two quick goals against the run of play saw the Eagles hold on for the victory. Damon Hill was named best on ground for the Eagles, who registered their eleventh victory of the season and now sit 1.8% ahead of Flinders Park. A 5-goal haul from Daniel Blythe was unfortunately not enough to give his team the victory but it was enough to earn him the Red's best player honours. Since their Round 8 win over Golden Grove, Flinders Park have now lost four of their last eight games and will need to turn things around quickly starting with a must win game this weekend against North Haven if they hope to make an impact in the finals.

North Haven v Modbury

North Haven are now one step closer to claiming the minor premiership after downing Modbury 16.9 105 to 13.7 85 to win by 20 points at Largs North Reserve on the weekend. The victory is the Magpies' fourteenth of the season and their sixth in succession as they continue their strong form throughout the back half of the season and look to maintain the momentum moving into the finals. Jack Foster booted five goals for North Haven to bring his total up to 63 for the season. While Modbury's Liam Verity kicked six in a losing side to bring his total to 44 from fourteen matches. Kurtis Phillips was exceptional and contributed in a big way to his teams to victory, even kicking a goal as he was named the Magpies best. Modbury were well led by Carlos Buccini, who did all

he could to help his team stay in the hunt for a top four spot, but ultimately fell short, his efforts weren't unnoticed though as he was named the Hawks best player. With the defeat, Modbury now fall to 9-7, two games outside of the top four, (which due to the recent lockdown and the league making the decision to change the finals format to a top four) now sees the Hawks chances of playing finals slim at best.

Edwardstown v Portland

Edwardstown made easy work of bottom-placed Portland, accounting for them by 131 points at Edwardstown Oval over the weekend. The 29.15 189 to 9.4 58 result sees Edwardstown improve to 8-8 on the season. Andrew Hyland, who was named best on ground, booted a career-high twelve goals as his side completely dominated their opponent after a very tight, competitive first quarter which saw both teams combine for nine goals. Edwardstown led at quarter time by 8 points but after a six-goal to two second term, the home side ran roughshod, kicking 18 goals after halftime, including 12 in the final term to be victorious in front of the home crowd. Portland's nine goals is the most they have kicked in a match this season and despite being blown out by an average of 95 points per game this season, Thunder coach, Craig Smith has some positives that he can take into next season as the Thunder hung in, up to half time. Alongside Hyland's 12 goal performance, Matthew Dessmann, Tain Smelt and Joshua Holyoak each kicked three goals in the massive victory. Dale Laslett was named Portland's best player on the ground for the seventh time in season 2021 as he continues to his impressive and consistent campaign.

Plympton v CBC Old Collegians

Plympton collect their fourth win of the season in a come-from-behind 17-point victory over seventh placed CBC Old Collegians at Plympton Oval last Saturday afternoon. Trailing all game, the Bulldogs fought back with six final quarter goals to claim a thrilling 12.3 75 to 8.10 58 victory. The Dragons kicked three goals in the opening stanza to two to lead by 9 points at the first change, the Bulldogs came out firing early in the second to trim to deficit to seven, which is what it would become at the long break. CBC only managed to kick 1 goal in the second despite having six shots, to keep the hosts still in the game. A two goal to one third term in favour of Plympton cut the deficit to just 2 points with one quarter left to be played. Jake Seadon (six goals) and Lachlan Stoddard (three goals) combined for 9 of Plympton's 12 goals as they ended a seven-game losing streak, thanks in large part to Kieran Nelson, who was named best on ground. The victory means that Plympton can still avoid relegation. For The Dragons, the loss sees them fall to 6-10 and was a small blimp on what has been a positive second half to the season. Michael Gabrelli kicked three goals for CBC and Nathan Byrnes was named the best.

Westminster v Golden Grove

Golden Grove all but certainly lock in a top two spot with a very impressive 17.14 116 to 12.12 84 victory over Westminster at Eagle Drones Oval, Glandore on the weekend. The 32-point victory was the Kookaburras thirteenth of the season and it sees them improve to 13-3, which is good enough for second on the ladder after 16 rounds only one game behind North Haven for first place with two games to go. Golden Grove led at every change by 10 points, 22 points, 39 points and the match-winning margin of 32 points. Westminster, who currently

currently sit eight with a win/loss record of 4-12 were able to keep the margin below forty points majority of the match and even outscored Golden Grove four goals to three in the final term thanks in large part to three-goal hauls by both Aaron Fielke and Jaden Grosser. Joseph Slattery battled bravely all day and was named best in a losing effort. For Golden Grove a 5-goal haul from Michael Walters and a 4-goal haul from Brayden Shaw as well as a second consecutive best on ground performance by Jake Pitman, his fourth overall in 2021, were more than enough to ensure that the reigning premiers will be playing in the Preliminary Final in three weeks' time..

This week in Division 3

Portland v Westminster

Portland, who are coming off a 131-point loss to Edwardstown last weekend, return home to face Westminster, who are also coming off a disappointing defeat last round, at the hands of Golden Grove who beat them by 32 points. Despite the final margin there were a number of positives for the Thunder in the defeat as they were very competitive for majority of the day, before fading out in the last quarter. While neither team will feature in the finals, it doesn't mean this game doesn't have any bearing and there will be more than just pride on the line. A win for Westminster would all but ensure they avoid relegation whilst Portland will be looking for that break through victory to enable Coach Chris Smith something to build on for season 2022. The last time these two sides met was back in Round 6 when Westminster, led by an 8-goal performance from Aaron Fielke, were victorious by 168 points. Even though the loses keep coming, the positives are there for the Thunder. They have kicked 15 goals across the last two games (6 and 9), which is a massive improvement from the early part of the season. Westminster should bounce back from their loss last round to come away from this one victorious. **Westminster by 95 points.**

Modbury v CBC Old Collegians

Modbury will be looking to bounce back in a big way when they take on CBC Old Collegians at Modbury Sports Reserve on the weekend. After a strong performance, but in the end a disappointing result against league leaders North Haven last week, the Hawks saw there finals hopes all but disappear. The Hawks have been the biggest loser in the revamped finals structure caused by the COVID-19 lockdown, and will need to win both there remain games and hope that either Gaza or Flinders Park loss both if they are to sneak into fourth spot. They will host a CBC outfit who have been in good form and will be disappointed with their own performance last week, as despite leading the majority of the game, conceded six, fourth quarter goals to lose to Plympton by 17 points. Back in round 6 when these two sides last faced each other, Modbury were victorious by 47 points. Whilst a finals spots is unlikely, Modbury just need to focus on winning, and put the pressure on either Flinders Park or Gaza, and you neither know what might happen. **Modbury by 54 points.**

Gaza v Plympton

Gaza return home to Klemzig Oval to face off with a Plympton side who are coming off of a 17-point come-from-behind surprising victory over seventh placed CBC Old Collegians in Round 16. The Bulldogs, who trailed the entire

Gaza v Plympton

Gaza return home to Klemzig Oval to face off with a Plympton side who are coming off of a 17-point come-from-behind surprising victory over seventh placed CBC Old Collegians in Round 16. The Bulldogs, who trailed the entire game, booted 6 goals in the last quarter to set up the thrilling victory. Gaza, on the other hand are also coming off of a victory, against Flinders Park by 9 points which saw them leapfrog the Reds into third position on percentage. The last time these sides met was back in Round 6 when Plympton caused an upset and won by 11 points at home. A win for Gaza almost certainly locks them into third and a likely showdown with Golden Grove in week one of the finals, but first they must get pass a very determine Plympton who are playing for their Division 3 survival. Gaza are in-form and enter this match as the favourites. **Gaza by 43 points.**

Flinders Park v North Haven

Flinders Park will enjoy a second straight week on their home deck when they face ladder leaders North Haven in what is set to be a potential Preliminary Final preview. The Reds will be hoping they can bounce back from their nine point defeat against Gaza last round while North Haven are confident they can continue they strong form after defeating Modbury by 20 points to almost certainly win the minor premiership. Flinders Park are in desperate need of a moral lifting victory and should they knock off the Magpies, it could kick start their run towards premiership glory. For the Magpies a win would see them improve to 15-2 and all but confirm top spot. This is set to be a very exciting and mouth-watering contest. North Haven are the favourites based purely on form as they have won six straight and Flinders Park have struggled since the bye. **North Haven by 4 points.**

Golden Grove v Edwardstown

The conclusion of Round 17 sees Golden Grove return home to Harpers Field to take on Edwardstown, both teams are coming off of impressive victories, with Golden Grove taking care of Westminster by 32 points and Edwardstown absolutely thrashing Portland by 131 points. A victory for the Kookaburras will see them improve to 14-3 and still with a chance of the minor premiership. However, that won't be the Kookaburras focus as they look to fine tune leading into the finals and a title at back-to-back premierships. A victory for Edwardstown would see them improve to 9-8 and provide them an opportunity to finish the year on a high after a disappointing middle part of the season. The last time these two sides met was back in round 6, when Golden Grove won by a goal in what was a very exciting matchup. However, a lot has changed since that round 6 game and the Kookaburras entre this one as strong favourites and should get the job done. **Golden Grove by 26 points.**

THE DIVISION 4

Match Previews

Angus Heuer gives his match previews for this weeks matches

Kilburn v Woodville South

Woodville South have missed a golden chance to move out of the relegation zone, going down to Kilburn by 41 points at Blair Athol Reserve. After conceding the first goal of the game Kilburn played some of their best football all season, kicking six goals to three in the first term and opening up a 21-point lead. The contest tightened up over the next two terms as Kilburn held onto a 23-point lead coming into the final term before the Magpies once again turned the match up a gear, kicking three goals to none in the final term and recording their second win of the year. Raymond Hedland and Rhys O'Keeffe, back in his first game for three months kicked four goals apiece while Jayden Eckermann and Jacob Mason both starred in the win. For Woodville, Jake Mcculloch and the ever-reliable Camreon Bell both put through two majors, Bradley Yendell was strong, and Simon Tyler impressed in a loss that leaves Woodville in ninth position on the table. Woodville will hope to bounce back and move past Pulteney on the table when they travel to face Mitcham while Kilburn face a tough assignment when they host a confident Hope valley outfit.

Gepps Cross v SMOSH West Lakes

SMOSH West Lakes have maintained their position in fourth spot on the table after defeating Gepps Cross by 66 points at Duncan Fraser Reserve. After league confirmation that the 2021 finals series would be reduced to four teams the Lions played out of their skins to maintain that last spot in the finals race. After a strong first half saw SMOSH take a four-goal lead into halftime, the second half was a complete domination, with the Lions kicking eleven goals to four as inaccuracy plagued both sides. Cohen Mattner was the star for the Lions with seven goals and he received plenty of support from Austin Mahney (5) and Dylan Olive (3). Sam Fairclough was once again among the best for SMOSH, and Nathan Brown was dominant in a win that keeps the Lions 2% above fifth placed Hope Valley. For Gepps Cross, Jarred Clark-Rantasa kicked three goals and Lachlan Matthews put through two of his own. Joesph Tahana and Daniel Manson both tried their hearts out, but it was not enough to prevent yet another loss for the Rams who will be looking forward to the end of what has been a disappointing season. Gepps Cross will come up against Pulteney this Saturday with a Pulteney win suddenly putting the Rams in danger of relegation while SMOSH also face a huge matchup when they play host to Pembroke.

Pembroke OS v Mitcham

Mitcham have all but said goodbye to their finals hopes after going down to Pembroke OS by 56 points at Haslam Oval. After a tight first term the Kings slowly broke away from Mitcham in the second term to take 19-point halftime lead before asserting their dominance in the third term, kicking five goals to two and securing the result. Pembroke however did not take the foot off the gas in the final term as they gained some crucial percentage that leaves them one win

away from securing the minor premiership. Alex Forster came within one goal of the hundred goal mark after a six-goal performance, and he received plenty of support from Lachlan Jones and his four-goal effort. Jack Green and Alex Zeni were once again among the standouts as Pembroke showed once again why they are considered premiership favourites. For Mitcham, Harrison Pride was the only multiple goal scorer with two goals while Stewart Lawson was the Hawks best for the third consecutive week. The loss now leaves Mitcham one win and considerable percentage below both Hope Valley and SMOSH West Lakes and it looks like the season is done and dusted. For the Hawks to have any chance they will require a big win when they host Woodville South while they will also need Pembroke to get the job done when they travel to face SMOSH.

Pultney v Morphettville Park

Morphettville Park continued their strong form, defeating the struggling Pultney by 60 points at Morgan Oval. After a surprisingly competitive first term the Roo's exploded in the second term, kicking five goals to none and taking a six-goal lead into half time. The Blues showed some glimpses in the second half, but it was not enough to prevent Pultney's eight consecutive loss. Matthew Duldig was the star up forward for Morphettville while Kye Dean also put through three majors. Kane Godlevsky was impressive in his first game back since May 14th and Liam Lusty was best afield in the win as Morphettville continue to keep pressure on Pembroke for top position on the ladder. For the Blues, Harrison Campbell kicked three goals while Alex Forbes and Brad Sipek both got on the scoreboard with two majors each. Charles Rowe backed up his strong form with another impressive outing, but he did not receive the support needed to lift Pultney out of relegation danger. This weekend the Blues face a crucial matchup against the equally struggling Gepps Cross while Morphettville on the other hand will fancy their chances when they take on an out of form Walkerville.

Walkerville v Hope Valley

Hope Valley kept their finals chances well and truly alive after taking down a struggling Walkerville outfit by 27 points at Walkerville Recreation Ground. The scoreboard does not however, reflect the dominance of the Demons as they recorded 34 scoring shots to 17. Knowing that only a win will keep them in the finals hunt Hope Valley shot out of the blocks, kicking five goals to two and opening up a 23-point lead. The Demons pushed the lead out beyond six goals before Walkerville hit back to reduce the lead to 20 points by three quarter time but in a tightly contested final term the Demons proved too strong. The goalkicking load was equally shared among the Demons as both Daniel Williamson and Jayke Hellmanns both put through three majors and the ever-reliable Machok Garang and Mitchell Sandery two goals each. Joshua Schilling was once again strong and Ben Carabott was best afield as the Demons stayed under 2% under SMOSH, ruing their inaccuracy that would have moved them into fourth spot. For Walkerville Adam Proud was held to three goals while Daniel Woolford starred in yet another disappointing performance for the Cats. Walkerville will be desperate to regain some form as they host Walkerville while Hope Valley will hope for a percentage boosting victory against Kilburn.

This week in Division 4

Kilburn v Hope Valley

Hope Valley travel to Blair Athol Reserve, needing a big win to move into fourth position and be in the prime position to take claim the last spot of the 2021 finals campaign. They come up against a Kilburn team coming off a strong win against Woodville, their second win of the year. The last time these two teams faced off Hope Valley embarrassed the Magpies, winning by 155 points and another win by this margin will leave the Demons finals destiny firmly in their own hand going into the final round of the season. While Kilburn have improved since this round seven matchup a big Hope Valley win is still on the cards.

Hope Valley by 67 points.

Gepps Cross v Pultney

Gepps Cross and Pultney face off in an intriguing matchup at Duncan Fraser Reserve. Both teams are struggling with Pultney losing eight games on the trot while Gepps Cross have also lost four games in a row. Both sides are in danger of being relegated with a Gepps Cross win securing their stay in Division four while a Pultney win could potentially leave both sides in jeopardy. Both sides are struggling but I expect Gepps Cross to be too strong at home.

Gepps Cross by 19 points.

Pembroke OS v SMOSH West Lakes

All eyes will be on Alex Forster as Pembroke OS host SMOSH West Lakes at Haslam Oval in a contest that has massive ramifications on the shape of the top four. The key forward is sitting on 99 goals, and it is nearly impossible for him to miss out on triple figures this week. Pembroke have been the best side in the competition since round seven and a win will secure a well-deserved minor premiership. More however is at stake for the Lions with a loss or even a close win could easily see them drop out of fourth spot but while percentage will be a factor SMOSH will be confident they can make it up against Kilburn so the two points will be the sole focus. The Lions absolutely dominated Walkerville on the weekend and with everything on the line an upset seems to be brewing.

SMOSH West Lakes by 7 points.

Mitcham v Woodville South.

Woodville South travel to face Mitcham at Thomas Farms Oval, looking for a win that could see that could see them move out of the relegation zone for the first time this season. They come against a Hawks outfit that now requires a miracle to make finals this season after their heavy defeat at the hands of Pembroke.

For Mitcham to have any chance they will need a big win and hope other results go their way. The last time the two sides met Woodville South won in a thriller and expect this matchup to go the same way as Woodville finally extinguish Mitcham's finals hopes.

Woodville South by 11 points.

Walkerville v Morphetville Park.

Walkerville welcome Morphetville Park to Walkerville Recreation Ground with the Cats desperate to regain some of their early season form. After starting 6-0 the Cats have won six of their ten with two of those wins being in single figures. While Walkerville have fell out of form the Roo's have gained it, winning nine out of their last ten to sit in second position the table. While I expect Walkerville to improve from their poor showing against Hope Valley it still won't be enough to stop a rampant Morphetville outfit.

Morphettville Park by 19 points.

THE DIVISION 5 Match Previews

Eastern Park v West Croydon

Dwight Reserve became the scene of a slaughter on Saturday, as Eastern Park humiliated West Croydon by a whopping 249 points. The Demons racked up an extraordinary 44 goals, kicking 26 in the first half. The Hawks could only manage a single goal throughout the first three quarters as the Demons cruised right past their sluggish opposition. This goal would come in the second quarter, where the Hawks conceded an astonishing 17 goals. The Demons players truly enjoyed the day out, sharing the ball and goals around very nicely, registering 15 different goalkickers. C. Knapp and A. Burgoyne kicked ten each but were still unable to outshine N. McIver, who had himself a monstrous game, continuing his form from last week. Eastern Park were far too polished for the visitors and were punished well and truly.

Pooraka v Colonel Light Gardens

Pooraka secured a statement victory at home on the weekend, reclaiming top spot from Colonel Light Gardens with an emphatic 59-point victory. The Lions defence failed to withstand the Pooraka surges, leading to a blowout victory in favour of the Bulls. Disappointingly, the match was not as close as expected after a promising start in which both teams found the goals with relative ease. Pooraka began to break away from Colonel Light Gardens in the second quarter, but the Lions managed to stay in touch just barely. The second half would see Pooraka roll over the top of the away side, as they piled on the scoreboard pressure. The Lions were simply outclassed in the second half, suggesting they are perhaps undeserving of top spot. N. Patterson's four goals and H. Lang's stellar showing were honourable but not enough to carry their team over the line. Meanwhile, R. Kalic led the way for Pooraka alongside M. Baker who kicked a five-goal bag. L. Buckby's two goals for the Bulls ensured he remains within reach of leading goalkicker M. Crump, who sits five goals ahead with only two matches left to play.

Lockleys v Fitzroy

Lockleys cruised home to a very comfortable win against Fitzroy on Saturday, winning by a margin of 105 points. Fitzroy will be disappointed they didn't hold Lockleys to a more modest total however they should be pleased with their efforts. The Lions couldn't be faulted for their endeavour with the skill gap between the two sides being quite significant. Score-wise, the Lions were never truly threatening, with the Demons getting out to an early lead during the first quarter. Lockleys were able to maintain this breathing space throughout the piece, as they extended the margin with relative ease. The Demons really broke away in the final quarter, holding Fitzroy scoreless while they booted six. M. Ransom and J. Chaplin were the star men for Lockleys, kicking seven and six goals respectively to earn themselves best player honours. The win sees Lockleys perched in fifth position, one win behind ladder leaders Pooraka and one win ahead of sixth placed Salisbury. The Demons have favourable percentage, meaning a strong run home could set them up for a qualifying final.

Salisbury v Kenilworth

Kenilworth are emerging as the competition's greatest closing team after escaping the clutches of defeat by the slimmest of margins yet again. This time they outlasted Salisbury, running out 11-point victors. Scoring wasn't an issue for

both outfits early on, as each side kicked four in the first quarter. The shootout continued in the second, with scoring drying up slightly. The Kookaburras edged ahead, to take a one goal lead into halftime. The Kenilworth momentum continued in the third quarter, as the Kookaburras extended their lead out to 20 points. Kenilworth kicked two early in the last, with the game looking all but over. Salisbury stormed home however, kicking four consecutive goals without any behinds in an extremely accurate display of goalkicking. Unfortunately for Salisbury, they made their move too late, ensuring Kenilworth would come away with the win. M. Crump extended his lead at the top of the leading goal-kickers list with four but would've struggled without the delivery and class of N. Ryles. The win sees Kenilworth equal on points with ladder leaders Pooraka, with only percentage separating the sides. Meanwhile, Salisbury remain outside of the top five, one win behind fifth place. The Magpies have a less than impressive percentage, something that could prove costly come the end of the season.

This week in Division 5

West Croydon v Lockleys

West Croydon are coming off some dismal form and will be looking to secure an upset late in the season. A West Croydon win will be more than disruptive for Lockleys, as the race for finals approaches a massive climax. The Demons sit in fifth position, but a string of wins could launch them up to the top of the ladder, meanwhile a single loss could end their season. The stakes are extremely high, meaning Lockleys will be very hungry. A Lockleys win is expected and an emphatic one at that. Their quality is miles above West Croydon's, so expect a blowout victory. **Lockleys by 85 points.**

Fitzroy v Eastern Park

Fitzroy are still battling away for their first win of the season and will face very tough position this week against Eastern Park. The Demons come off some inconsistent form, having failed to beat a top four side in their past five fixtures. Their last game against West Croydon was highly dominant and despite the lack of quality from the Hawks, the Demons players still looked impressive. They have shown they are a scary team to face when their tails are up and if they play like they did last week they should demolish this Fitzroy outfit.

Eastern Park by 63 points.

Pooraka v Salisbury

Pooraka have reclaimed top spot after a string of impressive performances and will come into their clash against Salisbury full of confidence. Salisbury sit one spot out of finals and will be playing for their season. Salisbury have been in reasonable form as of late, playing a decent brand of footy. They are a long way off their form from the start of the season, but they appear to be building towards finals. Their biggest concern should be that they left their run too late. A lot rides on this game but I'm not sure Salisbury will be able to overpower the Bulls as they are far too imposing offensively. **Pooraka by 32 points.**

Colonel Light Gardens v Hectorville

It would appear Hectorville will have nothing to play for on the weekend, with their position on the ladder cemented regardless of any future results. I think despite this, the Hounds will come out firing against a strong Colonel Light Gardens outfit, who are battling away for top spot. Colonel Light Gardens come into the clash off the back of some impressive form, although this momentum may have been ended by Pooraka last week. Hectorville on the other hand have been caught in a slump, losing three of their last four. The Lions are the obvious pick, and for good reason. They move the ball well and can lock down around the contest. They should bounce back after last week's loss and secure a much-needed win. **Colonel Light Gardens by 39 points.**

THE DIVISION 6 Match Previews

Marion v Elizabeth

Elizabeth have officially claimed the minor premiership for the 2021 season on the back of a 95-point victory over Marion, all but ending their hopes of finals football. The first quarter of the highly anticipated clash between these two heavyweights started slowly with the Eagles holding just a two-point advantage at the first change. However, from there, the Rams were simply given a footballing lesson from Elizabeth, and it begun in the second quarter where the Eagles would pile on a remarkable ten goal to nil quarter. This would ultimately kill the game as they held an unbelievable 65-point lead at halftime. The third quarter was relatively even, although Elizabeth once again had the better of their opponents, ultimately leading by 75 points at the final change. It was party time in the final quarter with the Eagles piling on another four goals to one to boost their percentage, in what has been a sensational season right from the beginning. Seeing as the competition's leading goal-kicker Jarad Clinton was missing, Elizabeth would have to rely on their goals to come from several players. Thankfully for the Eagles, both Kurtis Shaw and Brett Watts stood up with three each, as Elizabeth had ten individual goalkickers in the big victory. Blake Mitchell was the star of the show with two goals from the midfield, in a dominant display, and the always consistent Joel Foster also finding plenty of the ball in the win. For the home side, Amer El-Hosni had his best game of the season kicking two goals, while Hudson Elkins found plenty of the ball in a strong showing in the loss.

Para Hills v Blackfriars OS

Para Hills welcomed a red-hot Blackfriars outfit to The Paddocks, looking to keep their season alive with a win. Unfortunately, this wasn't to be the case in what was a big four quarter effort from the Hounds to help them secure victory. In what was an entertaining start, a combined eleven goal first term had the visitors leading by just eight points. The second quarter, was yet again high scoring with the Hounds gaining some breathing space over their opponents, allowing them to hold a 23-point lead heading into the main break. Para Hills were gutsy throughout the third quarter, gaining momentum to help wrestle the margin back to three goals at the final break, with the match well and truly in the balance. However, Blackfriars found another gear in the final quarter, enabling them to run out 37-point winners and cement their spot in the top four. Antonio Scaffidi-Muta was the main man up forward for the Hounds, booting four goals, as Dylan Richardson, Giuseppe Velotti & Luke Murphy all proved a headache for the Roos backline, each kicking three. Veteran ruckman Matthew Brincat was terrific for the Hounds, in a best-on-ground performance, giving his midfield first use all afternoon. The Kangaroos had two main targets up forward all day as key forward Steven Willment kicked five goals and was closely supported by Ashley Wieland who put through four of his own in a brilliant attacking display, the best players for their side throughout the day.

victory against a dismal Rosewater side, who are now entrenched in a significant relegation battle. In picturesque conditions, St Pauls goalkicking was poor right from the word go, trailing at the first break even though they had seven scoring shots to three. In the second quarter, the Saints dominated the play and with a five goal to nil quarter held a 22-point lead at the main break. St. Pauls put the game to bed in the third quarter, with another four goal to one term enabling them to hold a 40-point advantage at the final change. It was party time in the final quarter for the Saints, playing some of their best football for the season as they piled on six goals to one to run out 69-point winners over the Bulldogs. In a pleasing aspect for the Saints, six players kicked two goals with players such as Lennon, Morasca, Pedlington, Ahern & Schlicker all hitting the scoreboard on multiple occasions. However, the performance of Riley Henriks was nothing short of brilliant. In a best afield performance, the star midfielder kicked two goals and found plenty of the ball, proving a driving force in the victory. Both Jordan Wurfel & Glenn Gibbs were also a class above all afternoon. For the Bulldogs, forward Patrick Hure once again found the goals, while Scott Friend and Daniel Reardon were valiant in what was a largely disappointing afternoon.

Trinity OS v Mawson Lakes

Trinity have produced their best performance of the season, running away as 88-point victors after a complete thrashing of Mawson Lakes, dominating in all facets of the contest. Trinity started the game on fire, and were electric from the word go, with a six goal to one quarter to lead by 33 points at the first break. Trinity piled on the pain in the second term, allowing them to hold a remarkable 69-point advantage at the half, a sorry tale of the Mawson Lakes season. All things considered, the third term proved to be a high scoring quarter in a good show of footy from both sides, in a combined eleven goal quarter to see the Lions ahead by 89 points at the final break, with a triple figure margin now very much on the cards. The final quarter once again saw the Lions at their best, slamming home five goals to run away as 88-point winners, and kicking a remarkable 24 goals to be big winners at home. Gun key forward Harry Tuck kicked five goals in a dominant display up forward for the Lions and was closely supported by goal kicking regulars in Jack Matthews & midfielder Domenico Barilla who each booted four. The performance of Brad Cameron was nothing short of elite, in a dominant display which earned him best afield honours. Jarrod Salter was a target for the Mawson Lakes midfielders all day, kicking three goals while Daimon Barrow also continued his good form kicking two. Both Joshua Eyre and Jack Parfitt have been big shining lights in an otherwise disappointing season, and Saturday proved to be no exception as their efforts helped in not allowing the margin to be beyond triple figures.

This week in Division 6

Elizabeth v Trinity OS

Elizabeth welcomes Trinity to their Argana Park fortress, in what is the match of the round. With both sides being the clear top two, the clash shapes as a grand final preview for these clubs. Seeing as Elizabeth look more and more likely to pull off an invincible season, there is no bigger test for the Lions than a trip to the ladder leaders to see where they are at before the finals series. It will also be Elizabeth's final game of the home and away season as they finish the year with

pull of an invincible season, there is no bigger test for the Lions then a trip to the ladder leaders to see where they are at before the finals series. It will also be Elizabeth's final game of the home and away season as they finish the year with a bye in what has been an extraordinary year. I expect a high scoring, finals like intensity right from the word go, with Elizabeth proving to be too strong on their home deck, however I don't think Trinity will go down without a fight.

Elizabeth by 13 points.

Mawson Lakes v Marion

In their final home game of season 2021, and their final home game in division six, Mawson Lakes welcome the Marion Rams to Mawson Lakes Oval, in what is somewhat a dead rubber match as Marion have well and truly secured promotion and Mawson Lakes are confirmed for relegation. Mawson Lakes, although suffering a heavy defeat at the hands of Trinity, showed some strong patches and were somewhat competitive particularly in the final quarter. Both sides are coming off 88 and 95 points respectively, so each have something to prove. I expect an upset win for Mawson Lakes, in what should be a big send off for the relegation bound side.

Mawson Lakes by 4 points.

Para Hills v Rosewater

In what should be an interesting clash to determine the makeup of next year's division six, Rosewater travel to The Paddocks to take on Para Hills. In a clash that could decide relegation, six plays seventh on the ladder with the losers having to rely on other results to ensure their safety in the final round of the year. Both sides are coming off big losses on the weekend, however Para Hills have played better football recently, which I believe places them in the box seat to take out this clash.

Para Hills by 32 points.

St Pauls OS v Ingle Farm

St Pauls welcomes a struggling Ingle Farm outfit to their temporary home ground in Thebarton Oval which looms as a big clash for both sides in different facets. Ingle Farm are fresh off the bye last weekend, and are needing to win both of their remaining two matches to secure safety, which is possible considering some of the brilliant patches of form they have shown throughout the majority of the season. Meanwhile, St Pauls have a big opportunity to take second place off Trinity with a win at home, as it is expected Trinity will fall to unbeaten Elizabeth. I expect a win for St. Pauls which will have big ramifications for next season on Ingle Farm, as it would place them into a confirmed relegation position, and ultimately playing division seven football in season 2022.

St Pauls OS by 41 points.

THE DIVISION 7 Match Previews

Adelaide Lutheran vs Mitchell Park

The most important match of the season to date loomed for both Adelaide Lutheran and Mitchell Park when they met Saturday in the parklands for a battle of the all important 4th spot now that it has been determined that the finals will become only a top 4 setup and meant all was to play for ahead. And it was the doggies midfield of Wilson and kidney who got the ball into their forwards Miegel and Hodges giving them 1st opportunities to score setting up a 26 pt qtr time lead, Mitchell Park knowing the stakes were high ramped up their pressure on the ball carrier with Walczak Buza Tonkin and Halime leading the way and kicked back to get the margin to 15 pts at half time in an entertaining contest for the first hour of play. After half time though it was the home side who made better use of possession with ball in hand and when they went to the 3 qtr time break 46 pts ahead it gave them all the momentum and enthusiasm they needed to be able to run home 51 pt winners placing them in 4th position for now and destiny in their own hands should they win both matches they have left while Mitchell park now have the bye and will know a win is a must in the last round against Brahma Lodge which looms as already an inviting proposition on the fixture with 8 games left and they way it currently sits.

Houghton vs Brahma Lodge

An almost elimination final on a mild sunny winters day at greenwith oval when Brahma Lodge travelled to meet Houghton and from the beginning the tigers turned up the heat with their pressure and run which gave them a 1/4 time 20 pt lead and when the 2nd qtr turned into an arm wrestle the raiders were able to match the tigers at the contest just turnovers with ball in hand proved costly on the rebound and the tigers slowly had edged out to a 29 pt half time margin and with a half to go when the players returned the raiders couldn't maintain the pace of the tigers fleet footed brigade Jack Scott Donald Wills and Eric Mendes seemingly unopposed at times and stretching their lead out to a match winning 56 pts and albeit from some determination all day from Houghton raiders veterans Daniel Bryant Freddy Taylor and Josh Davis Brahma Lodge run out winners by 71 pts giving them more confidence ahead of finals sitting 3rd and a huge dent in houghtons finals aspirations in season 2021 now leaving them with some work to do and hope on other results.

Greenacres vs OSB Lonsdale

The Osb Lonsdale Lions headed to Greenacres Saturday knowing a huge task was ahead of them and when the dragons began the game with a majority of possession in the midfield and with the execution and poise they have ahead of centre the writing was on the wall at 1/4 time with a 49 pt lead and while the lions funnily enough did well in the 2nd qtr through Matthew Harwood Tyson Smith and Brayden Fiedler to limit the damage it still left them 96 pts behind on the scoreboard with a half to play. The 3rd qtr was a relentless crushing from the dragons as they put their foot to the floor giving the forwards Matthew Gibson

finishing on 10 goals Brandon Bruin 6 goals and Ben Bamford 5 goals unlimited opportunities which they took with ease and extended their margin to a whopping 156 3/4 time lead and the contest was well and truly over as Greenacres strolled in for easy 204 pt margin and confidence Building win ahead of finals with lonsdale licking their wounds and 2 weeks to try save some pride in season 2021.

Flinders University vs Hackham

An opportunity for both Flinders University and Hackham to get 2 pts and some morale for their club on Saturday seen the crabs start more determined to have it be them and with midfield dominance giving them majority of possession they quickly whipped up a 34 pt qtr time lead. A free flowing 2nd qtr seen 12 goals between the sides and not much focus on defense both sides throwing caution to the wind and the crabs edged out to a 46 pt handy half time advantage Stephen Anderson Blake Trigg Bailey Cantlon the main contributors and when both teams returned the crabs continued on their way with an attacking style giving them a 73 pt match winning lead flinders giving their forwards majority of possession again throughout the last qtr seeing them notch the margin up to 109 pts by the time the siren Had sounded keeping their slight finals chances alive and although Luke Allan Matthew Paine and Jared Shaw tried hard the hawks would've left disappointed in that effort and 2 weeks left to continue to learn about division 7 football in season 2021 and how they can improve in the future.

This week in Division 7

With 2 rds to go and with the top 3 relatively settled all the concern is about the 4th spot with 3 teams in contention and a miracle for flinders giving most teams the ability to have an impact on who makes it considering the results of last 2 rds meaning all sides still have something to play for right til the end in season 2021. 2/4 predictions this week and a much needed win for both crabs and doggies means the competition is going down to the wire for finals qualification.

Match of the round

Adelaide Lutheran vs Central United

A 73 pt win to Central United when they faced Adelaide Lutheran in the rd 6 battle of the dog kennels and with 2 weeks away from what could potentially be a finals fixture we see in the future, both teams would be keen to assert their authority now against the other. A well rested ladder leading Central United team with top spot all but assured will be looking to it's key skill of winning contested ball situations and use playmakers in Adrian Mark Brandon Olszewski and leading goal kicker Darrell McIntyre to set the tone for their side's chances with weeks to go before finals and a cut throat system they would want to be firing on all cylinders when they begin to give them best chance of the ultimate glory. Adelaide Lutheran did exactly what they needed last week and have the last 2 games to hang on to that 4th finals spot but obviously a defeat here opens up ramifications to do with percentage and leaves them in a precarious position so victory would be only way of making themselves certain finals starters. Andrew Wilson Ashley Goodall and Timothy kidney crucial in the midfield for Lutheran and an area they must match their ladder leading opponents to be competitive in this contest. Business end of the season I expect to see Central United make their presence felt in.

Flinders University vs Greenacres

54 pts the difference Greenacres way in round 6 and with the position the crabs are in they must win this game and hope on other results for both weeks in a almost miracle to make finals but it's not mathematically impossible just yet and something flinders can pin their hopes onto. Both sides coming off of their biggest wins all season and Greenacres massive 204 pt victory suggests Matthew Gibson Joseph Eisner Ben Bamford and company are all in red hot form an ominous match up for the crabs but with almost nothing to lose can play with a positive carefree attitude and it may bring out the best of Stephen Anderson Blake Trigg Bailey Cantlon again this week after last weeks impressive performance from them against hackham In their 109 pt win. The dragons with 2 weeks away from finals are in red hot form and will just need to maintain that now for another month and I'm expecting a victory here from them and finally finish the crabs season off who have done well to hang in there throughout back half of the year. **Greenacres 49-60**

Hackham Vs Houghton

Rd 6 seen Houghton raiders win by 36 pts over Hackham and this week make the trek south for another battler the raiders must win and try secure as much percentage as they can for finals qualification as they have the bye in the round following. While for Hackham they also have plenty to play for in their last home game of the season and after a thumping at flinders would be looking to be more competitive at home where all year they have shown results to have been more competitive.No surprises when I mention Luke Allan in best players and good for depth to see others Matthew Paine and Jarred Shaw as that's what's required from the hawks to maintain more consistent 4 qtr performances and if so would fancy themselves in somewhat of an upset and spoiling Houghtons final desires should they take them lightly. Houghtons experienced players In Daniel Bryant Josh Davis and Freddy Taylor their best last week and in a similar story to Hackham need more depth across the field to stand up and maintain their pressure on a more consistent basis. Houghtons last chance of qualification should see them play this game as a final and secure the win, the question is will the margin be enough to help them qualify 4th and rely on other results falling their way. **Houghton 37-48**

Osborne Lonsdale vs Brahma Lodge

103 pt Brahma lodge win in rd 6 when they played Osborne Lonsdale and as the tigers head south on the back of some recently impressive performances and the Lions coming off a 204 pt defeat last week I'm not sure how to make a case for Lonsdale to be competitive here and perhaps trying to find other parameters to judge their day would seem more appropriate. With 2 weeks left the likes of Tyson Smith Brayden Fiedler and Matthew Harwood will need to dig deep with help from others and try their very best to battle out the game from start to end. Hard running and Quick Brahma Lodge outfit can juggle their side accordingly and have a number of options fwd and centre which includes Mendes Scott and Wills and could also include a whole host of others that this week again look set to be able to do some serious damage on the scoreboard if given time and space and the margin of this game could become rather large rather quickly. Good luck Lonsdale **Brahma Lodge 169-180**
