Thinking into results

The power of our mind, creates our future!

You become what you think!

Have you ever stopped to think why we do the things we do?

We become so focused on working, that we forget about our dreams we forget to create a life.

For a long time I thought, working hard, pleasing everyone around me, listening to what everyone else wanted for me, was the right thing to do, (after all it was what I was taught to do).

I thought I was happy, then came the realisation, I was making everyone around me happy (but me). I was always tired, didn't take care of my own needs, it was the way I was taught, not to dream!

I've worked as a Zookeeper, Vet nurse, Personal trainer, Nutrition coach, & without a doubt I loved it all, but I felt like something was missing....

I wanted more, I wanted to leave MY mark on the world a LEGACY!

My heart desired a life of nature, animals, abundance, joy, fun, traveling family & freedom, but I wanted to look after myself too.

I didn't want to just be going through the same motions everyday, I was done, but I was terrified to take a leap...

Everyday I'd see others living out their dreams, their desires, traveling to beautiful places working all over the world, loving the life they lead....

The only thing that was stopping me was me. I had to get out of my own negative mindset....SO I did!

We have been programmed to think a certain way, from ideas & thoughts from previous generations, our environment, that we have lived in our whole lives.

Stop living the life you don't want & start living the life you do want, we are powerful human beings, we were put on this earth to grow to create.

I will show you how to catapult your life & live your wildest dreams, reset your mind. I will guide you through a simple 12 step process, that will literally change your life, in every way.

I know because I have been there & it has changed my life. I now live the life I have always dreamed.

Let's do the same for you. You will look back on your life & won't recognise yourself. Your beliefs, your thoughts & desires will change.

Allow your mind to be set free! Change the way think, change your life!

So what are you waiting for, let's together kick start you life. I believe in you, it's time you did too. LET'S GO!

Together we can breathe & let go of anything.

Welcome to your new life!

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

In what has been a difficult time for the game in the previous two weeks, with COVID-19 once again causing havoc on the AFL Season, it was a weekend of celebration for the great Shaun Burgoyne. On Saturday night, 'Silk' became the fifth player in the game's 163-year history to reach the 400-game milestone, and the first Indigenous player to notch the quadruple century.

by
Daniel Emilio Amato

For just five players to reach this incredible achievement in almost two centuries goes to show what is required; a strong work ethic, dedication, resilience and a hint of good luck with health and injury along the way.

There are many players currently in the league who are somewhat within striking distance of the 400 game mark. However, with form issues, injury concerns and the possibilities of game-time and/or positions on lists being compromised in the future due to rebuilding and money-saving, some are more likely than others.

I have identified three players who are the most likely to reach that elusive 400 game milestone;

1. David Mundy

Current Games Played: 347

Games Required: 53

For so long many out of Perth would barely give David Mundy a mention, but now the Victorian-born midfielder is certainly up there as one of the finest footballers to ever come out of a Western Australian club. From his first season in 2005, Mundy has held an unquestionable position in Fremantle's best 22 and has rarely disappointed. A best and fairest in 2010 and All Australian in 2015, and a selection in Fremantle's 2013 Grand Final are among his greatest achievements on field. At the age of 35, the former captain is playing as well as ever, averaging 25 possessions, five clearances and four tackles, all of which are considered above average for AFL standard. For David Mundy to reach 400 games, he would need to play majority of this season's remaining games at least two more full seasons, a final or two would help boost those games up. It seems far-fetched, but if he continues at the rate he is now... why couldn't he?

Only seven games away from over taking Matthew Pavlich's club record for most games played.

2. Joel Selwood

Current Games Played: 325

Games Remaining: 75

The captain of the Geelong Football Club has been the epitome of hard work, dedication, and an unbelievable success rate. Since debuting in 2007, where he won the NAB Rising Star award, he has played in five Grand

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

Finals, won four Premierships, three best and fairest awards, six All Australians and four times the most courageous player, he has also only ever missed the finals on one occasion in 2015. Only once in his fifteen seasons has he played less than 20 games a year, he has been able to escape serious injury for so much of his career and has never been dropped.

by
Daniel Emilio Amato

However, Selwood's courage to go back with the flight of the ball and unflinchingly dive into packs has resulted in concussions and head injuries. His biggest strength is also his biggest weakness, and this is the only concern in not reaching 400. With Geelong's premiership window wide-open for the next few seasons and with Selwood form still certainly apt to remain in the side, he would certainly be expected to at least get very close.

For Joel Selwood to reach 400 games, he would need to play until at least another three seasons, playing at least 20 games every campaign. By that stage he would be 36 years old, if he stays injury free and avoids anymore concussion issues, there is absolutely no reason it cannot happen.

3. Dustin Martin

Games Played: 258

Games Remaining: 142

This one may, but should not, come as a surprise. While Dustin Martin still has at least six seasons plus a few finals required to reach 400, he has proven to be one of the most consistent and durable players we have seen... possibly ever.

Since debuting for the Tigers in 2010, Martin has never played less than 20 games in a season. From round one 2010, he has always been one of Richmond's most important players and a main stay in the midfield. He has avoided injury through most of his career and become one of the greatest players in the game's history. Three premierships, three Norm Smith Medals and a Brownlow Medal put him in the elite category in every sense. Football is his life, he loves the game of there does not seem to be any obvious reason why he would give the game up until he exhausts everything he has, and he still has many years to come with a lengthy contract not expiring until 2024, which would be expected to be extended.

For Dustin Martin to reach 400 games, he would need to play until at least 2027. At this stage he would be 36 years of age and I cannot see any reason why this is an unrealistic prospect. He is arguable in career best form, tearing up the midfield with his strength, ability to shake players of and that powerful, penetrating kick.

TEAM TALK with JORDAN

The Cattery

2007 was the year that Geelong became the powerhouse that they are known as today. After years of underachieving failing to become that powerful team that they always threatened to be they finally turned it around by not only having developed an ominous high attacking game style that wielded three premierships in five years, but they made their home ground Kardinia Park (it has had many different names over the years) the unbreakable fortress that many a team have now come to fear when they play there. In modern day football, every little bit counts, and the Cats have known that better than most teams. We all talk about fortresses when dominant teams seem even more powerful and even invincible on their home decks, but no team has ever had as pronounced a home ground advantage as Geelong has had at Kardinia Park. Footy pundits and critics have long since given up quoting the numbers, they've just accepted the fact that it's near on impossible to win there.

by
Jordan Sennett Perez

Before Geelong turned their fortunes around some 14 years ago, they famously lost a match to North Melbourne at Kardinia Park in what became the "line in the sand" moment for them. Not only was the playing group called into question but the club as a whole, culture administration, coaches all of it. They then destroyed an abysmal Richmond by 157 points at the Telstra Dome (now called Marvel Stadium) and from then have never ever looked back. As mentioned above, since then Geelong entered a golden era yielding three flags, playing in 5 grand finals and further 10 preliminary finals which is incredibly impressive. None of those games have been played at their home ground which is affectionately called "The Cattery" but it sure has played a major part in the club's consistent dominance over the competition. Since that loss to the Kangaroos in 2007 and as of the 2021 season, Geelong has played a total of 108 games at Kardinia Park. They've won an astonishing 97 of those, 97! Only 11 losses which is incredible, and their winning strike rate is 89.9%. The sheer key factors in the dominance that Geelong has there are teams that have relative unfamiliarity in which no visiting team ever playing there more than once per season and some of the bigger drawing Victorian clubs such as Hawthorn, Carlton and Richmond only playing there very occasionally, like once or twice in 12 years. The unique dimensions of the ground in my opinion play the biggest part.

Kardinia Park is only just the longest ground of any of the current AFL stadiums at 167 metres only a metre longer than Adelaide Oval, two metres more than Optus Stadium in Perth and five metres more than the MCG. It is significantly narrower than any of the other grounds however which is the most unique aspect of the grounds landscape. At just a measly 112 metres wing-to-wing, it is 27 metres skinnier than the MCG and that near 30 metres difference to the MCG is as good as one less kick for sides trying to switch the play side to side and make the ground bigger. It's no wonder teams have struggled and often have found themselves kicking the ball out on the full more than usual when they play at the cat's home ground. It's also Geelong's incredible defensive qualities that really shine through effectively smothering the opposition into turning it over and having all defensive lines covered effectively roadblocking half the ground. Considering how many teams have struggled there over the years, there are a few sides that boast somewhat of a half decent record there in recent times. Sydney has taken the cat scalp there 4 times in the last few years and had a 3-game winning streak there and Fremantle famously beat the cats in the first and only to date final played at the ground, the 2013 qualifying final, the dockers also beat them there again in 2015. For every other team it is the dreaded travel across there to face impending death. Of the 97 wins, 31 of those has been by a minimum of 10 goals and a further 8 has been by 100 points or more. Now that is some sort of dominance and it doesn't look like diminishing any time soon.

THE DIVISION 1

Match Previews

Geordie Logan gives his match previews for this weeks matches

Brighton Bombers vs Rostrevor OC / 13.15-93 vs 9.10-64

Bombers have secured a strong win at home to Rostrevor, seeing them off by 29 points, with the loss meaning Rostrevor wont make the finals. The game started in favour of the away side, who kicked four goals while only conceding three to take a 2 point lead into the first break. The game seemed to hang in the balance in the second quarter with both sides impressing in front of goal, but the Bombers turned the game around to lead by a point at half time. After the main break it was still a very even game, but the Bombers were able to snag a few extra points to take their lead out too 4 points at the final break. only one side rocked up in the last quarter, and that was the Bombers who kicked five goals while conceding just one to see out the game 29 point winners, in what turned out to end Rostrevors finals hopes. It was J. Jordan and P. Vorrasi who were influential for the away side, and it was W. Rivers and H. Boyle who turned it on for the home side.

Goodwood Saints vs Unley Mercedes Jets / 15.18-108 vs 10.5-65

The Jets were unable to gain conciliation in their last game of the season, going down to the finals-bound Saints by 43 points. Goodwood started out the game looking like a finals side, kicking four goals without reply to lead by 27 points at the first break. the second quarter saw the away side play like they haven't managed too all season, kicking seven goals to the 3rd placed Saints one in the second quarter to flip the game on its head and lead by 7 points at the main break. the pressure created by the Jets ended up only being momentary with the home side finding their stride and kicking seven goals themselves while only conceding one to lead by 33 points at the last interval. As per the last quarter of the normal season the Saints were easily able to see out the game to gain some momentum going into next week. J. Heitmann and T. Carter put on a show for the home crowd while it was D. Arnold and M. Ploenges who stood out for the away side this week.

Port District vs St Peters OC / 9.8-62 vs 11.16-82

The Saints have secured themselves a finals place, seeing off a very resilient Maggies side by 20 points away from home. The game started heavily in favour of the Maggies, who despite only having pride to play for, were incredible in the opening quarter, kicking five goals to the away sides one to take a commanding lead of 18 points into the first break. St Peters coach certainly must have had a lot to say at end of the first, because the team we saw in the second were from another planet. The Saints clawed their way back into the game, kicking six goals without answer to take a lead of 21 into the main break. the third saw the game switch again, with Port keeping the Saints scoreless and eating into the away sides lead to only trail by 3 points going into the final quarter of their season. The occasion wasn't wasted on the Saints as the kicked four goals while conceding only two to see out the game as 20 point winners and securing their place in the final 4. It was H. Hawkins and G. Shephard who stood out for the Maggies and it was W, Montgomery and J. Hargreaves who inspired their side to their most important win of the season so far.

Payneham NU vs Adelaide University 14.10-94 vs 5.9-39

Payneham have made sure of their home final next week, seeing off the Blacks convincingly by 55 points at home. The game started in a strong manner for the home side who managed four goals in the opening term to take a lead of 20 into the

first break. after the break saw the away side try to claw their way back into the game kicking two goals, but Payneham were too strong, kicking three to extend their lead out to 24 points at the main break. Payneham seemed to put the game to bed in the third quarter, after an impressive attacking display, kicking four more goals to take their lead all the way out to 40 at the end of the third. The final quarter of the season came and went with the home side mercilessly adding to their lead to ultimately see out the game 55 point winners to secure that all important home final and finish 2nd. It was M. Haynes and L. Davis who were once again standout for Payneham, while W. McGowan and S. Jankewicz who stood out for the away side in a disappointing loss.

Tea Tree Gully vs Prince Alfred OC / 7.11-53 vs 16.13-109

The Reds have rounded off the normal season in style, with a big win against the Gullies at home. Gully started the game well, kicking two goals but unfortunately for them, conceding three to see a deficit of 6 points at the first break. the home side kept pushing in the second, out scoring the Reds to only just trail by a single point going into the main break. the Reds seemed to remember who they are and where they are on the table in the second half as they kicked five goals to start taking the game away from Gully, and lead by 27 points at three quarter time. The final quarter came and it couldn't have happened quicker, with the Reds kicking a further six goals to see out the game as 56 point winners and minor premiers. It was T. Martin and T. Breden who were standout for the Gullies, while it was B. Woolard and H. Jolly who were sensation for the Reds.

This week in Division 1

Payneham NU vs Goodwood Saints

Saints travel to Thebarton Oval next week to face Payneham in the first Preliminary Final of the 2021 season and are coming off a strong win in round 18, seeing off Unley by 43 points but they come up against the competitions 2nd best team according to standings in Payneham. The Falcons themselves coming off a huge win against the Blacks in round 18 by 55 points. Both sides have been able to find solid consistency through the season but finals footy is a whole different kettle of fish. The Saints have been strong away from home this season but find themselves in the backyard of one of the strongest home teams in the competition. With all that's a stake, its very difficult for me to pick a winner, but I haven't sat on the fence once this year and I don't intend to start... **Payneham NU by 14 points.**

Prince Alfred OC vs St Peters OC

The Battle of the OC, in the Preliminary Finals, what a game this will be. The Reds play host the St Peters this week, in the all important GF decider. The Reds coming off another huge win in round 18 seeing off Gullies by 56 points away from home. However, the Saints are coming off a clutch win in round 18 which earned them the spot they are in now, with a 20 point win over the Maggies. St Peters are not to be understated as they have had a very dominant season up till this point, and wont let the position of the Reds scare them. The Reds have barely put a foot wrong this season, only losing twice throughout the whole campaign, a very impressive feat, but they know it wont be easy as St Peters are more than capable of an upset. With that all being said I still need to pick a winner, and I really love a dark horse, however the Reds have easily been the competitions best this season and **I see them running away 21 point winners and securing that GF spot.**

THE DIVISION 2

Match Previews

Lachy Jones
gives his match
previews for this
weeks matches

Broadview 9.7 (61) def by Plympton High & Camden 12.5 (77)

The Phantoms enjoyed a 16-point win on the weekend to prepare themselves for a premiership run, after taking care of Broadview, who will look to next year to improve on an 'almost' year. Plympton High & Camden led at all changes, including a game high 28-point three quarter time lead, before closing it out. Ex-AFL forward Lindsay Thomas aided the Phantoms with four goals, while Max Scott was their best in the win. With the victory, the Phantoms finish second with a 12-6 record, while Broadview finished sixth at 7-1-10.

Henley 11.14 (80) def Seaton 8.9 (57)

The Sharks ended the season as they started, in good form, but it was too little too late as they finish the season in fifth place, just outside the four. In a non-COVID season, the top five play finals, so Henley would've been the final team in September, but as the season has been prolonged, the finals have been shortened to two weeks – a semi and a grand – meaning Henley miss out. Kyle Nicol was the Sharks' best as Henley won by 23 points, after trailing at three quarter time. Harris Jessen (3 goals) led from the front as the Sharks kicked six last quarter goals to run over the Ramblers, who finished bottom.

Old Ignatians 12.10 (82) def Glenunga 8.9 (57)

Old Ignatians have made themselves a prime premiership candidate heading into finals, defeating Glenunga for just their second loss of the season, and it couldn't come at a worse time. The Rams were beaten convincingly, by 25 points, as the home side came out with a vengeance from the opening bounce. The upset loss is a little worrying for Glenunga heading into September action, as they would have loved to hold near perfect form, but they still finished top by four games. Jack Armfield (5 votes) and Dominic Grant (4 goals) were the winning side's best.

Athelstone 16.11 (107) def Salisbury North 7.10 (52)

A massive first quarter helped the Raggies dismantle the Hawks and end the season on a high, winning by 55 points at home to round out their topsy-turvy year. An eight goal to zero opening term set the tone for Athelstone, as they came out the blocks firing, and Salisbury North never recovered. Samuel Daniele was best on ground for the home side, as they shared eight different goal kickers. Both sides missed the finals and can look to regroup in the offseason before next year.

Scotch 12.17 (89) def Sacred Heart 12.9 (81)

Sacred Heart have suffered a setback heading into finals, losing to a non-finalist to throw a spanner in the works for their premiership aspirations. Scotch, who won by eight, avoided bottom place with the win, and gave themselves some much needed momentum heading into the offseason, where an improved 2022 campaign is on the cards. As for the visitors, their confidence has taken a hit with finals next week, and will need to bounce back strongly if they are any

with finals next week, and will need to bounce back strongly if they are any chance of taking it all in 2021. Josh Doyle was Scotch's best, while Henry McAuliffe was Sacred Heart's best for the second consecutive week.

SEMI FINALS

It's finals time in division 2, with just four teams remaining and two weeks of critical finals matchups to determine the best team in 2021. Two semi-finals this week decide the two teams that will be battling it out for the premiership next week in the grand final.

Plympton High & Camden finished a game clear in second and will battle it out against the third placed Old Ignatians in the first semi-final. This game could go either way, with the Phantoms coming off a win against Broadview last week, and Old Ignatians knocking off the best side in the competition, Glenunga, in an upset win at home last round. With both teams in finals' form, this should be a classic.

Our second and final semi is between first placed Glenunga, and fourth placed Sacred Heart. With both teams coming off upset losses last week, it will be about who bounces back the strongest as to who will make the grand final. Glenunga will be tough to beat twice in a row, considering they have lost just the two games all year, but in September, anything can happen.

THE DIVISION 3 Match Previews

North Haven v Gaza

North Haven finished the 2021 season on a high, sitting pretty on top of the table after downing Gaza by 58 points at Largs North Reserve at the weekend. The 11.17 83 to 3.7 25 result is the Magpies sixteenth victory of the season finishing the minor round with a record of 16-2. With a fluky breeze blowing it was the hosts that adjusted best taking an early 16-point lead into the quarter time break. Despite the conditions Gaza had opportunities in the first quarter leading the inside fifty count, however were unable to capitalise only managing three points to North Haven's three goals. The second quarter became a real arm wrestle with only one goal kicked and that was courtesy of North Haven's Oliver Wood, which helped the host extend their lead to 26 points at the main break having kept Gaza goalless for the half. The Magpies continued their dominance in the third quarter to open up a 48 point lead at the final break. Thomas Sandercock led the way for the home side, booting 5 goals and looks primed for a big final's series. The always influential Ryan Mcinerney was once again a major contributor for the Magpies and was named best on ground. All of Gaza's three goals came in the final quarter but it was too little too late as the game was well and truly over by then. Kosta Papachristos was named Gaza's best player. The loss sees Gaza finish in third with a 12-6 record and will now face second placed Golden Grove in next weekend's First Preliminary Final with a spot in the Grand Final up for grabs. As for North Haven, they will face fourth placed Flinders Park in the Second Preliminary Final.

Flinders Park v Edwardstown

Flinders Park got back on the winners list over the weekend with a confidence-boosting 54-point victory against Edwardstown at Edwardstown Oval. The 22.13 145 to 14.7 91 result sees the Reds finish in four position with 12 wins and 6 losses. A strong start by Edwardstown which saw the visitors take a ten point lead into quarter time, Flinders Park rode an eight-goal second term to claim the victory off the back of a momentum building five goal haul from Daniel Blythe and four from Cameron Miller. At the other end of the ground a bag of seven goals from George Cornish provided the Reds defence with plenty of headaches and helped keep the Town's in the game. The game in many ways mirrored Edwardstown season starting with plenty of promise before falling way as Flinders Park kicked 18 goals to 8 after quarter time. Izak Richards (Flinders Park) and Joshua Holyoak (Edwardstown) were their respective teams' best players. The victory will be very pleasing for coach Luke Ivens as they can take some confidence into their Round 17 rematch against North Haven when they face off in next weekend's Preliminary Final for a spot in the Grand Final in two weeks' time.

Modbury v Westminster

Modbury overcame a 7-point halftime deficit to runaway 36-point winners against Westminster at Eagle Drones Oval in Glandore over the weekend to finish their season on a positive note, going 11-7. The Hawks booted eleven, second-half goals to five to claim the 17.13 115 to 12.7 79 win thanks in large part to bags of

five from both Dan Horsnell and Daniel Kaipara as well as a classy three-goal performance by Liam Verity. Timothy Davey produced yet another best on ground performance, his second in a row and caps off strong season from the Hawk that should see him poll well in the club's B&F. For the Dragons, the defeat sees them fall to 5-13, which is good enough for eighth position and ensures they remain in division 3 for 2022. Westminster will be disappointed with the final result especially after leading by seven point half time, only to lose by six goals. Aaron Fielke (three) and Riley Wilsdon (four), combined for seven of the Dragon's twelve goals on the day, Lachlan Casey was one of the few standouts for his team as he was named best. For the Hawks it's a frustrating finish to the season which saw their finals hopes ripped away from them due to the COVID-19 lockdown back in early August, which could become a driving factor for them as they head into 2022. While for Westminster they will need to work on their ability to be able to put in a full four-quarter performance if they hope to improve next season.

Golden Grove v CBC Old Collegians

Golden Grove finished the 2021 season with a resounding 77-point victory over CBC Old Collegians at East Parklands at the weekend. The 19.14 128 to 8.3 51 result means that Golden Grove finish the minor round in second position with a 15-3 record and will now face Gaza in the First Preliminary Final next weekend. Brayden Shaw booted four goals while Kyle Thorogood booted three in Golden Grove last hit out before the business end of the season, as they prepare for a tilt at back-to-back premierships. Joshua Habel played what was arguably his best game of the season putting in a performance worthy enough to earn him best on ground honours. Michael Gabrelli booted 5 goals for the Dolphins as they finish the season with 6 wins from 18 games. Gabrelli finishes with 43 goals from 17 games and has provided the Dolphins a reliable target up forward. Thomas Daniel was named best for CBC in the defeat. After a positive 5-6 weeks period after the mid-season bye which ensured the Dolphins remained in division 3, the season has finished in disappointing fashion and they can now begin to focus on season 2022.

Plympton v Portland

A 15-goal haul from Jake Seadon set the tone for Plympton on the way to a massive 203-point victory against relegated Portland at Plympton Oval over the weekend. The 39.11 245 to 5.12 42. Despite the result the Bulldogs end their season in ninth place with a record of 5-13 and will join their opponents in division 4 next season. Whereas, for Portland they find themselves with the unenviable winless season after withdrawing from the competition in 2020 due to pandemic. On a positive note, Dale Laslett has had an outstanding season as he continues to shine and improve each and every week for the Thunder and is someone the club can re-build around over the next couple of seasons. His performance over the weekend saw him named Portland's best for the eighth time this season. Daniel Harris was another positive for the Thunder, finishing with 12 goals from fourteen games, including one in this game. Jack Donkersly and Lonnie Hampton kicked five goals each for Plympton. Despite not winning a game in 2021, Portland survive to fight another day and hopefully with some off-season stability can prepare for life in Division 4, along with Plympton.

This week in Division 3

North Haven v Flinders Park

PRELIMINARY FINAL

Minor Premiers North Haven will 'host' fourth-placed Flinders Park in next weekend's Preliminary Final to be played at Payneham Oval, with the winner advancing to the Grand Final. These two sides will meet for a third time this season, with the most recent meeting coming in Round 17 when North Haven blew the Reds away on their home deck, winning by 79 points. Both these teams are coming off victories in Round 18 with Flinders Park bouncing back after consecutive losses gaining some much needed confidence with a win over Edwardstown, whereas North Haven were at their dominate best making easy work of third placed Gaza and have now won eight in a row. These two teams met in last year's Preliminary Final where Flinders Park turned a six-point half time deficit into a 48-point victory. However, this is a different North Haven team, who over the last 5-6 rounds have played some outstanding football including easily defeating the three other finalist during this period. The Reds best football this season has been very, very good, unfortunately for them they haven't been able to recapture their early season form since the enforced COVID lockdown break. If the Reds' are to be any chance they will need to tighten up around stoppages as North Haven were able to rack up clearances way too easily especially from the centre in their round 17 match-up. North Haven are clearly the in-form team of the competition, having not lost a game in 2 months and will be entering this contest as red-hot favourites. However, finals football is new game and with this year's abridged finals format there is no room for error and expectation has been the undoing of many a team. This is set to be a high-scoring affair and while Flinders Park are capable, it should see North Haven progress to the Grand Final. **North Haven by 34 points.**

Golden Grove v Gaza

PRELIMINARY FINAL

The reigning premier Golden Grove travel to Campbelltown Memorial Oval to 'host' Gaza in the Second Preliminary Final with the winner advancing to next weekend's Grand Final against either North Haven or Flinders Park. After missing out on playing finals the last two seasons, a much improved Gaza will be looking to advance to the big dance and promotion to division 2 in 2022. Gaza have been one of the surprise packets of the season and since round one where they pushed the Kookaburras all the way, have been one of genuine contenders. Their victory back in round 16 against Flinders Park saw them climb into third position and put the rest of the competition on notice that they are the real deal. The Eagles, despite losing to ladder leader, North Haven in Round 18, come into this match with confidence having won seven of their last eight matches. They do, however, come up against the reigning premier, a Golden Grove side who has started to recapture the form that saw them win it all last year and the knowledge of what is required to win the big games. The COVID lockdown came at the right time for the Kookaburras' after dropping consecutive games to North Haven and Modbury they have now won their last four games and look to be finding their best form at just the right time. The last time these two sides met was back in Round 10 when the Kookaburras won by 29 points. Golden Grove, having been in this position before and come into this contest as favourites, as they look to advance to a second consecutive Grand Final. Do not count out Gaza though, although they will be the underdogs, have the grit and determination that can get the job done. This has the potential to be classic. Expect this to be a tight contest that could go either way.

Golden Grove by 5 points.

THE DIVISION 4 Match Previews

Hope Valley v Mitcham

Hope Valley have fallen heartbreakingly short of a 2021 finals berth, finishing 0.6% outside the top four, despite defeating Mitcham by 115 points at Hope Valley Oval. Knowing that a massive victory was required for them to have any chance of making finals, the Demons shot out of the blocks early, kicking seven goals to one in a blistering first term to lead by 37 points. The onslaught continued in the second term with another seven goal to one effort and despite Hope Valley once again kicking seven goals in the third term the Hawks were able to put through three goals of their own to somewhat stem the bleeding. Leading by 99 points at the final change Hope Valley were not able to do enough in the final term to overtake SMOSH West Lakes on percentage, ending a season where the Demons were always around the mark but were just not strong enough to seriously contend. Ben Carabott and Mitchell Sandery took full advantage of the hapless Mitcham defence with five goals apiece while Shaun Hunt and William Riddle were both strong in the win. For Mitcham, Stewart Lawson put through two goals while Fraser Macphee fought hard in his A grade debut. Mitcham finish the season in sixth position, a disappointing end for a side that emerged as a dark horse in the premiership race midway through the year before falling off in the second half of the season.

Morphettville Park v Pembroke OS

Morphettville Park will into this year's finals campaign full of confidence after defeating ladder leading Pembroke OS by 28 points at Kellett Reserve. The win stemmed from a dominant first half where the Roo's took full control, having ten more scoring than the Kings with inaccuracy the only thing preventing them from extending the halftime lead to more than five goals. The Roo's continued to control the play in the third term kicking four goals to two and taking an unassailable 43-point lead into the final term. Kye Dean continued his strong goalkicking form for Morphettville with five goals and received great support from a two-goal effort from Dane Thompson. Nicholas Hankin was impressive and Jackson Trezie was again amongst his sides best. For the Kings, Alex Forster once again hit the scoreboard with four goals while Lachlan Jones and Izzak Twelftree continued their strong form in Pembroke's second consecutive loss, a less than ideal preparation leading into a cutthroat preliminary final. The Kings will need to turn around their form fast when they meet SMOSH West Lakes at Thomas Farms Oval while Morphettville will take on Walkerville at Gliderol Oval.

Pulteney v Walkerville

Pulteney have finished off their season in fine fashion, stunning finals bound Walkerville by 31 points in front of their home crowd at Morgan Oval. Pulteney were unstoppable in the first term, kicking seven goals to two and taking a 27-point lead into the first change. The Cats hit back with a blistering second quarter of their own, leaving the sides locked at 58 points apiece at halftime

before the Blues once again broke away, kicking seven goals to one and taking a 34-point lead into three quarter time as Walkerville continued to miss chances in front of goal. The Cats fixed up their inaccuracy in the final term, but it was too late to prevent Pulteney from recording their sixth win of the year. Brad Sipek was the star for Pulteney with seven goals while Tyson Currie (4 Goals) and Cabbot Stewart-Browne (3 Goals) both impacted the scoreboard. Jayden Fischer impressed, and Thomas Rowe continued his strong form in the win, ending a disappointing season from the Blues. For Walkerville, Adam Proud put through eight goals to bring his season tally to 84 while Wade Ryan and Sean Kuerschner both put through two majors apiece. Paul Spilios was once again strong, and Lincoln Blewit battled hard in the loss. Walkerville will be desperate to turn their form around when they face off against Morphettville in the preliminary final.

SMOSH West Lakes v Kilburn

SMOSH West Lakes have booked a spot in the 2021 finals after defeating Kilburn by 94 points at West Lakes Shore Oval. Needing to win comfortably to secure a spot in the top four the Lions controlled the first term before absolutely destroying the Magpies in the second term, kicking five goals and holding Kilburn scoreless to take a 54-point lead into halftime. The dominance continued into the third term, but the Lions peppered the big sticks, unable to take full advantage of their shots at goal. This continued into the final term, but the weight of opportunities was enough to see SMOSH get the big win required to hold onto fourth spot on the table after a strong second half to the season. Adam Mahney was once again the main man up forward for the Lions with five goals and received plenty of support from Nathan Brown who put through three majors himself. William Kwan proved once again to be a strong inclusion for SMOSH while Sam Fairclough once again put on a masterclass. For Kilburn, Raymond Hedland (2 Goals) and Matthew Stewart where the only goal scorers in yet another dirty day for the Division Five bound Magpies who ended the season with the wooden spoon. SMOSH will now face a Pembroke OS side that they stunned by 21 points just a fortnight ago as they look to advance to the Grand Final.

Woodville South v Gepps Cross

Woodville South have miraculously avoided relegation after defeating Gepps Cross by 56-points at The Stable Oval. After spending the whole season sitting in the bottom two, Woodville knew they had the chance to move out of the relegation zone and they took full advantage of it early, controlling the play to take a four-goal lead into halftime. The contest tightened in the third term before Woodville blew a disappointing Gepps Cross out in the final term, kicking six goals to one and securing the crucial victory. Jackson Hames (3), Bradley Yendall (2) and Isaac Grima (2) headlined a string of goal scorers for Woodville while Liam Wood and Dylan Gaylard both starred in the win. For Gepps Cross, Phillip Disibio and Joseph Tahana kicked two goals apiece while Matthew Sawilski and Jack Wood were once again amongst the Rams best. The loss is the sixth in a row for Gepps Cross with the idea of them being relegated seemingly unthinkable two months ago. They will go into the off season looking for a big 2022 campaign that will see them return to Division Four while Woodville will hope to build on their impressive second half of the season and make a push for finals.

This week in Division 4

Morphettville Park v Walkerville

The Division Four 2021 finals begin with Morphettville Park and Walkerville facing off at Gliderol Oval this Friday night. Morphettville finished the season in equal first on the table after a blistering second half of the season where the Roo's won ten of their last twelve games. Morphettville also come into the matchup confident after knocking off minor premiers Pembroke OS in the final round of the season. While Morphettville have been one of the most in-form teams to finish the season the opposite can be said about Walkerville who after starting the season with six straight wins, struggled to maintain consistency for the rest of the season and dropped from a game clear atop the table to third position. The two matchups between the sides were split one win apiece with Morphettville ending the Cats unbeaten run with an 11- point win in round seven before Walkerville bounced back to defeat the Roo's by 32 points in round 17, by far Walkerville's most impressive performance since their early season run. Adam Proud is a key up forward for Walkerville with 84 goals on the season but even a bag from the Cat's spearhead may not be enough to stop an exciting Morphettville outfit. **Morphettville Park by 19 points.**

Pembroke v SMOSH West Lakes

Pembroke OS and SMOSH West Lakes meet at Thomas Farms Oval in what should be an intriguing matchup between two sides who have different journeys throughout the 2021 season. The Kings have sat atop the ladder since round seven but come into the finals off the back of two consecutive losses. While Pembroke have been one of the standout sides all season, SMOSH have had to fight hard to scrape their way into finals. The Lions sat as low as seventh in round eight and sixth in round twelve before winning five of their last six games to beat out Hope Valley and Mitcham for fourth spot on the table. The two outfits have shared the spoils in their head to head matchups this year with Pembroke getting the win in round seven by 26 points before the Lions bounced back in round 17 to win by 21 points. Pembroke have been led all season by Alex Forster and expect the key forward to add to his 107 goal season as the Kings get the win in a thrilling contest. **Pembroke OS by 13 pts.**

DON'T TAKE OUR WORD FOR IT... HERE'S WHAT OUR CUSTOMERS HAVE TO SAY!

I've used many fish oil additives in my burley mixes over the years and this one is the best by far. Irrespective of tide movement or bite times it stimulates the fish into a feeding frenzy and provides a superior catch in record time, every time. Can't recommend these products enough - I'm truly impressed!

PETER C., SOUTH AUSTRALIA

This little oil is liquid gold! Since changing from tuna oil I've been catching more and I use it for everything now, hooks, reels, sinkers & my boat trailer. **ALEX M., QUEENSLAND**

We had great results over the 2 days we bagged out on whiting on both boats on day one but also caught Travally sweep salmon and Squid which were our target species. Day 2 was a dodge tide so not best conditions for fishing, but we did get whiting and more squid on that day. We did a test and between 2 boats over same reef structure one used the oil the other didn't and both had their own berley stream and the boat using the oil in the berley and bait did get more fish in far shorter time. Great weekend lots of fish and we all say Thank you! **ANTHONY & THE BOYS, PT. VIC**

Just had a nice trip away, garfish went nuts using the oil, we cleaned up. Quite impressive we had them swimming around our legs using the oil they were quite keen on it! **SHANE, FISHINGSA MAGAZINE**

Harry Mead gives his match previews for this weeks matches

THE DIVISION 5 Match Previews

Eastern Park v Pooraka

Pooraka ripped through the Demons, winning by 64 points to secure the minor premiership. The match was controlled by the Bulls from the onset, with the Pooraka forward enjoying a surplus of delivery. Eastern Park lacked their usual defensive prowess as the Bulls dominated the contested footy. A five goal first quarter set the tone for Pooraka, allowing them to play a free-flowing brand of footy for the remaining three quarters. Eastern Park responded offensively, kicking six goals in the second quarter, however they couldn't stem Pooraka's scoring flow. The most pleasing takeaway for Pooraka will be their continued intensity throughout the second half, as the Bulls demonstrated a ruthless mentality. L. Timpano and B. Wake kicked four each for the Bulls with Timpano having a major influence on the result. L. Buckby's one major sees him finish level on the leading goal-kickers list with two other players registering 60 goals for the year. The loss caused the Demons to slip down to fourth position, scraping into finals by a single point. These sides will meet again next week when they battle it out for a spot in the grand final under the revised two-week finals format.

Lockleys v Kenilworth

Kenilworth have sent Lockleys packing, ending the Demons' season after a comfortable 21-point win. Lockleys will be kicking themselves over a costly slow start to the season, with the reigning premiers missing out on the four by a point. The Kookaburras looked hungry from the start, edging ahead in the first quarter after holding their opponents goalless. Lockleys fought back well in the second term, reducing the margin to under a goal. Kenilworth took a hold of the momentum in the third term, holding Lockleys goalless once again, in what was becoming a very cagey affair. It became apparent in the third quarter that accuracy in front of goal would be a major factor, with this likely costing Lockleys the match. Kenilworth finished sturdily, extending a 12-point three quarter time lead out to 21 points to book themselves into a second versus third semi-final. Three M. Crump goals not only helped the Kookaburras get over the line but boosted Crump to the top of the leading goal-kickers list, with the Kenilworth man sharing the honours with two others. J. Wilson-King starred for the Kookaburras distributing the ball efficiently and effectively.

Salisbury v Colonel Light Gardens

Colonel Light Gardens have stormed home to a final, after a highly convincing 57-point victory over Salisbury. The Magpies really fell off in the back half of the year and Saturday's fixture was exemplary of this. The Magpies failed to provide any offensive threat and struggled defensively, as the Lions scored with relative ease. The Magpies were behind all day however, early on they looked as if they may challenge the Colonel Light Gardens. They trailed by 12 points at quarter time and then by 14 at half time, a victory still well within reach. The third quarter would be the undoing of Salisbury, as the Lions held the Magpies goal

goal less whilst kicking three up the other end of the ground. The Magpies were truly down and out at this point and were rolled by the Lions in the last quarter, kicking one goal to Colonel Light Gardens' five. P. McInerney booted five majors for the Lions, meanwhile his teammate J. Boundy starred, racking up a plethora of possessions.

Hectorville v West Croydon

Hectorville smashed West Croydon by 93 points in what was both sides' final match of the season. West Croydon's performance was disappointing, as I expected them to show a little more desire. Hectorville can't be faulted for their performance as the Hounds displayed plenty of class in what must have been a fun end to their season. A seven-goal opening term from Hectorville really shook up the Hawks side, with West Croydon trailing by 30 at quarter time. To their credit, the Hawks responded, winning the quarter three goals to one. The Hawks registered six behinds for the quarter in what was a positive, yet frustrating quarter. Hectorville began gathering momentum in the following quarter, extending their lead slowly but surely before an explosive fourth quarter. The Hounds booted nine goals in the final term to end their season on a high. Z. Stephenson had four goals in an impressive performance. He was joined by Z. Donaldson and L. Kent as Hectorville's best.

This week in Division 5

Pooraka v Eastern Park

Eastern Park will have to face top-side Pooraka for the second week in a row, in what will be a massive challenge for the Demons. Pooraka once again flexed their scoring prowess on the weekend, scoring at will against a flustered Eastern Park backline. It's hard to see Eastern Park bouncing back from the loss, especially seeing as Pooraka have gathered some momentum in the lead-up to finals. The Bulls look unstoppable when their tails are up, and it appears that their tails are indeed up. Eastern Park will need to put in an absolute top-drawer performance to knock the ladder leaders off and after recent results, I don't think they're capable of this. **Pooraka by 34 points.**

Kenilworth v Colonel Light Gardens

The Kookaburras will come into this fixture with all the form, coming off five consecutive wins, including an upset win against Lockleys. The Lions may not have the form, but they do have the bragging rights over Kenilworth, as Colonel Light Gardens claimed victory in these two sides' last meeting. The pair have secured one win each over the other, meaning this match could swing either way. Kenilworth are reliant on momentum and will need to start out fast if they are to progress through to the grand final. Colonel Light Gardens have shown they are more of a steadily consistent team, relying less on impactful surges and more on defensive intensity. Both sides love to leave their mark on the scoreboard, so expect plenty of goals. I'm leaning towards Kenilworth, as I think they'll perform better under the strenuous pressure of finals footy.

Kenilworth by 9 points.

THE DIVISION 6 Match Previews

Rosewater v Blackfriars OS

Blackfriars have given themselves a massive confidence boost for their upcoming semi-final after an 89-point victory over Rosewater at Eric Sutton Oval. Blackfriars started the game on fire with a seven goal to none opening quarter, taking a 46-point lead into the quarter time break, and never looked back from there. The Hounds continued to inflict pain on their opponents, following another seven goal to four second term and would take a 66-point lead into half-time. Blackfriars didn't let up in the third quarter and would kick six goals to none and the margin was threatening to be beyond triple figures before Rosewater would take some control in the final term and not allow the margin to extend beyond 89 points. Antonio Scaffidi-Muta was the main target up forward all day and kicked six goals to celebrate, while many would also kick two, including Honson, Richardson, Murphy & McWhriter. Giuseppe Velotti was at his very best, in another best-on-ground performance, and was closely supported by both Matthew Brincat and Francesco Marafioti. Rosewater forward Michael McAllister played his second senior game of the season and celebrated with a five-goal haul, while Michael Del Borrello and Daniel Reardon were valiant in the defeat. The win for Blackfriars now confirms they will play top-of-the-table Elizabeth in the preliminary final, while Rosewater finished the season in seventh place.

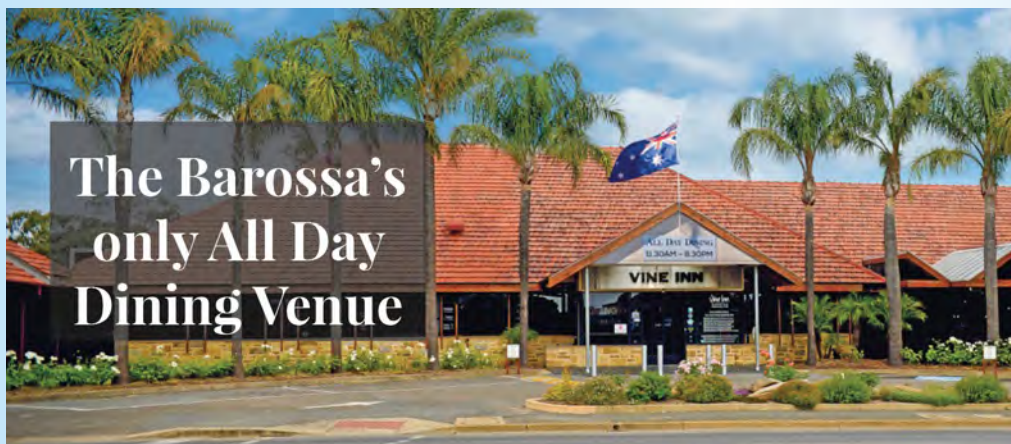

Ingle Farm v Mawson Lakes

Although securing a final round victory, it unfortunately wasn't enough for Ingle Farm to avoid relegation in the 2021 season. Coming into the clash, Ingle Farm had everything to play for to avoid relegation and needed a big victory to do so. Unfortunately, it wasn't enough. The Bulldogs started the game well and had a four goal to one opening term, although, it could've been far more as they did register seven behinds. Mawson Lakes wrestled back some momentum in the second quarter, kicking two goals to one to restrain the margin back to 20 points at half-time. The third term proved to be an even contest and with the margin at 24 points at the final change, the game could have gone either way. The final quarter was yet again tight, however Ingle Farm did enough to secure a 21-point victory at home to end their season. Devin Payne was terrific for the Dogs, and kicked four goals, while Michael Wheaton also proved a handful up forward with three goals also. While Dan Tanczos & Jack Delchau found plenty of the ball, it was hard to go past Payne's stellar outing. For the Saints, Ben Durrant capped off a brilliant year of growth with three majors, while Bradley Dalglish also booted two. Alex Pearce and Josh Eyre also once again found a lot of the ball and rival clubs will call for them in the upcoming off-season. The match proved to be a preview of division seven for 2022, and both sides have an almighty uphill battle to secure promotion back to division six in the coming seasons.

Marion v Para Hills

Para Hills have ended their season on a high to finish fifth on the ladder, following a 32-point victory in a low scoring affair at Sturt Oval. Para Hills

started the game on fire with a four goal to one opening term to hold a 19-point advantage at the first change. The game continued in this fashion for the second term as after a relatively even quarter, the margin was 23-points. However, in the third term the Kangaroos once again dominated the play but failed to be clinical in front of the goals and found themselves registering eight behinds. The goal-kicking woes continued in the final term as the Roos kicked six behinds, however the Rams failed to make them pay and Para Hills were able to run out victors to the tune of 32 points in a very professional performance to end their season on a high and avoid relegation. Dan Weetra ended his season on a high with a six-goal performance, while Steven Willment finished off his fantastic season with two of his own. While Weetra's six goal haul was also noted for best afield, Barialai Alizai and Jose Pietrantonio also found plenty of the footy and were pivotal to the victory. For the Rams, Mason Carney was the main man up forward, kicking three, while Brayden Reeves did not lower his colours in the loss.

Trinity OS v St Pauls OS

In what was a preview for this weekend's exciting preliminary final matchup, Trinity welcomed St Pauls to their Gawler fortress in what was a nail-biting clash which saw the home side get over the line in a classic. The match proved to be a tight one right from the first bounce and a low scoring first quarter saw the Lions take just a two-point advantage at the first break. The game was tight all throughout and the wayward St Pauls were made to pay by the Lions who ran away six-point victory in a tight contest. The Saints had more shots on goal but after scoring thirteen behinds, Trinity were too good in-front of the big sticks, crucial to them claiming victory in the preliminary final preview. Domenico Barilla was at his brilliant best for the home side, proving the difference as he booted six goals, while Liam Edwards also kicked two. Dylan Winning has had a very consistent season for the Lions, however he saved his best for the last game of the season, proving crucial to the victory for his side, while James Forwood also was very good in the win. For St. Pauls, Matthew Pedlington was the only multiple goal-scorer with two, while Nicholas Morasca and Anthony Alessiani found plenty of the ball and fought valiantly in the defeat.

This week in Division 6

Trinity OS v St Pauls OS

In the first preliminary final, it is a repeat of last weekend's round 18 clash, as Trinity takes on St Pauls at Salisbury Oval in what is expected to be an enthralling encounter between the two sides who had remarkably similar seasons. After last year's heartbreaking grand final defeat, I expect St Pauls to come out firing to help get the weight of last season off their shoulders, as they look to advance to the third straight grand final, following the division seven premiership in 2019. Meanwhile, after suffering defeat in the semi final last year, Trinity will look to make it to the grand final and secure promotion to division five for season 2022, a great reward for what has been an outstanding year. Trinity will start as favourites in the match, after winning the most recent clash between the sides – just last weekend. If St Pauls have any plans to win this clash, they will need to stop the influence of midfield superstar Domenico Barilla who can win a lot of the ball, as well as go forward and kick goals as we

saw him do on the weekend, kicking six goals against this opponent. I predict a tight final, with Trinity coming out on top to win through to the grand final matchup, and ultimately secure promotion. **Prediction: Trinity OS by 14 points.**

Elizabeth v Blackfriars

In the second preliminary final, Elizabeth takes on a red-hot Blackfriars outfit whose confidence could not be higher after last weekend's 89-point victory over Rosewater. Elizabeth, who had the bye last weekend, are set to welcome back the competition's leading goal-kicker Jarad Clinton, who missed the final two games of the minor season after being rested. Elizabeth had one of the greatest seasons of all time, going undefeated and winning sixteen straight games, throughout the home and away period of the season. The game is set to be played at X Convenience Oval and the big ground should suit Elizabeth who will start as heavy favourites in the clash. Both sides forward lines are some of the best in the competition and both provide many avenues to goal, which is where the game will be won and lost. If Blackfriars are to win, they will need to curb the influence of Clinton who had an outstanding year, as well as Jhye McConnell who continues to collect plenty of the ball through the midfield. Meanwhile, Blackfriars also have many paths to goal including through veterans Matthew Rivett and Matthew Brincat, as well as forward Luke Murphy, and if Elizabeth are to win, their defence will need to stand strong against this forward line. I predict Elizabeth to secure their grand final berth, following an outstanding year for the club. **Prediction: Elizabeth by 25 points.**

Match Previews

Brahma Lodge vs Mitchell Park

Mitchell Park knew on their way to Brahma Lodge Oval on Saturday that before worrying about other results they had some work to do of their own first and handle the Tigers. The first quarter began with no real fluent ball movement as the pressure on both sides meant time and space was at a minimum and with pressure being the main focus, the contest was playing into the hands of Brahma Lodge giving them a 14-point quarter time lead. The Lions were able to gain more possession of the ball in the 2nd quarter through the midfielders of Lees, Daish and Doherty and slow the contest down a touch more to suit themselves and went to halftime 17 points down. The 3rd quarter was an entertaining battle with the ball skills executed more efficiently from both sides and as players began to tire from the high pressure style it made for a more free flowing contest giving Brahma Lodge a 19 point 3/4 time lead although the Lions were still within touch, until the Tigers kicked unanswered goals in the last quarter and it seemed to break the Lions spirit with the contest wide open leaving Eric Mendes, Jackson Thompson and Dustyn Bow and their teammates to do as they pleased as they ran away with a 43 point fine tuning win a week away from the finals. Mitchell Park slightly comforted by the fact Lutheran won easily and their season was out of their hands should've they won anyway.

Greenacres vs Hackham

1 of the in-form teams in the competition Greenacres hosted Hackham for their last game of the season while the Dragons in recent weeks had shown where they are at the moment with back-to-back big wins and looking for another on the eve of finals. And the 1st half was a Dragon's dominance in the midfield which gave them the majority possession of the ball and when Hackham received the ball the pressure was intense giving the Hawks no time and space causing turnovers and Dragon's possession which with the execution and poise with ball in hand were able to keep Hackham to just 1 goal and set up a 55-point half time lead. After the half time break, the Hawks were able to get hold of possession through Luke Allan, Rhys Deller and Lochlan Bradley and while they battled away hard had still a 3/4 time 58 point deficit to overcome which Dragons Ben Clarke, Aaron Hudson and Blake Rogan were never going to allow and finished the last quarter full of run running out winners by 84 pts. Greenacres Matthew Gibson finished with 8 goals while Ben Bamford also managed to kick 6 of his own. While Hackham have some time to reassess their first season in the amateurs after laying down the foundation with a mildly successful base in the form of season 2021.

Central United vs Flinders University

Flinders University's last game of the season at Mofflin Reserve and with Central United coming off a loss it always suggested the Crabs were in for a long day should they not bring intensity and when the 1st quarter began and the Doggies dominated at contested ball both in the air and on the ground it had

given them a 35 point 1/4 time lead and an indication of things to come. The 2nd quarter was similar as Mark Garner and Rick Keen were able to give forwards Darrell McIntyre and Jamie Lane countless opportunities and spread the margin to 71 points at half time. Douglas Hudson, Joshua Deheus and John Mason kept trying for Flinders but when put under pressure turnovers proved costly for them on the rebound and with not much to play for defensively didn't work hard enough leaving them behind by 105 points by 3/4 time and unfortunately for the Crabs they didn't put up much resistance in the last quarter either against a ruthless Doggies outfit snarling from the previous weeks defeat and crushing the Crabs by a massive 150 points by the days end. United's forwards Darrell McIntyre kicking 9 goals while Jamie Lane finished with 7 goals finding some valuable connection and system nicely in time for finals.

Adelaide Lutheran vs OSB Lonsdale

As some of the other teams hoped for some sort of a Herculean performance from the OSB Lonsdale boys as they headed into the city on Saturday, Adelaide Lutheran on the other hand had other ideas of securing the 2 points for themselves and therefore qualifying for finals action. They showed their intentions from the beginning with the midfield gaining majority possession at clearances a strength they've began to utilise in recent weeks through Corey White and Andrew Wilson setting up a 31-point quarter time lead and by half time the lead was 79 points and with 26 scoring shots to 4 it was quite clear the make-up of the final four was now certain. Once again, the commitment and loyalty of the Lonsdale players can't be questioned, they managed to plug away and hit the scoreboard a number of times albeit the margin was now 103 points at 3/4 time. The Lions Todd Andrews had kicked a remarkable 5 goals considering the margin along with Andrew Grindley and William Driver who all battled hard but depth and availability of players was always going to make things difficult for Lonsdale and the last quarter was all one way traffic with Adelaide Lutheran piling on 13 unanswered goals. Seemingly there were Doggies lining up for goals everywhere but no more than big man Rowan Miegel who finished with 11 majors and the margin blew out to a monstrous 187 points and ended a long season for the boys from Lonsdale finishing wooden spooners while continuing Lutherans season into finals action.

This week in Division 7

18 rounds done and the clear 4 best teams remain in a cutthroat finals system that with the way the season has evolved it gives no team any advantage at the end and parity amongst the 4 teams should give us 3 cracking contests left to determine the Division 7 2021 champions. 4/4 predictions last week and all 4 teams would fancy their chances of success from here.

Friday night under lights at Blair Athol reserve for a preliminary final isn't the way most of us foreseen season 2021 closing out, but with the way circumstances have fallen both sides now face opportunity vs disappointment in a crucial battle no doubt both sides will leave all on the line for to play in the big dance the week following. Greenacres have won their last 3 games by massive margins and given their opponent no time and space with the ball causing turnovers and like to try get the ball in the hands of their better ball users Jack Mau and Paul Merritt giving opportunities to the dangerous forwards of Ben Bamford and Matthew Gibson who will once again need attention paid towards from their opponents or prove damaging. Availability of players and who lines up for both sides is obviously crucial and with a few Dragons to come back in the line-up this week to strengthen them even further. Defending Division 7 champions Brahma Lodge have been similarly purring along in recent weeks finishing the season on a 6 game winning streak boosting confidence and are positioned ready to defend their title with Jackson Thompson and Dene Steele in the midfield in form and forwards Eric Mendes and Jack Scott hitting the scoreboard regularly in recent weeks the Dragons would be worried about their speed and agility around goals and are important match ups for them to get right for them to shut down the Tigers offensively. Poise and execution of Greenacres against the speed and pressure of the tigers on a Friday night in front of a big crowd and match winners all over the park for both sides make for a must-see Division 7 finals contest and almost unpickable. Extra time at the end wouldn't surprise me but at a guess Brahma Lodge. **Brahma Lodge 1-12**

Friday night under lights at Simonds Park is the venue and place for a preliminary final do or die battle between the 2 Division 7 Doggies sides both looking to head towards next week's grand final. Central United responded well last week and after being on top for a majority of the season would be looking to the midfielders of Adrian Mark, Mark Garner and Brayden Abbott to get on top at contested ball situations and get the ball to the league leading goal kicker Darrell McIntyre and other forward presence Jamie Lane for them to put on scoreboard pressure. 2 weeks ago, when these teams played that's the exact area Adelaide Lutheran were able to match the league leaders with Andrew Wilson, Corey White and Ashley Goodall all contributing and with their experienced forwards of Rowan Miegel and David Hodges executing on the scoreboard were able to get over the top of Central United and would give Lutheran a real belief of success here. Contested ball battle and dangerous forwards is both these 2 teams strengths meaning some real heat when the ball is there to be won on Friday is ensured for the big crowd to witness that will be in attendance. Like most finals it's obviously important for both sides to try get on top in this area and take advantage once doing so. The reward for that will be a grand final and after contemplating for some time my prediction is for Central United to enjoy the pressure and ferocity of the contest and qualify for the chance at the ultimate success. **Central United 13-24**
