DON'T TAKE OUR WORD FOR IT...
HERE'S WHAT OUR CUSTOMERS HAVE TO SAY!

I've used many fish oil additives in my burley mixes over the years and this one is the best by far. Irrespective of tide movement or bite times it stimulates the fish into a feeding frenzy and provides a superior catch in record time, every time. Can't recommend these products enough - I'm truly impressed!

PETER C., SOUTH AUSTRALIA

This little oil is liquid gold! Since changing from tuna oil I've been catching more and I use it for everything now, hooks, reels, sinkers & my boat trailer. **ALEX M., QUEENSLAND**

Just had a nice trip away, garfish went nuts using the oil, we cleaned up. Quite impressive we had them swimming around our legs using the oil they were quite keen on it! **SHANE, FISHINGSA MAGAZINE**

We had great results over the 2 days we bagged out on whiting on both boats on day one but also caught Travally sweep salmon and Squid which were our target species. Day 2 was a dodge tide so not best conditions for fishing, but we did get whiting and more squid on that day. We did a test and between 2 boats over same reef structure one used the oil the other didn't and both had their own berley stream and the boat using the oil in the berley and bait did get more fish in far shorter time. Great weekend lots of fish and we all say Thank you! **ANTHONY & THE BOYS, PT. VIC**

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

In what has been a difficult time for the game in the previous two weeks, with COVID-19 once again causing havoc on the AFL Season, it was a weekend of celebration for the great Shaun Burgoyne. On Saturday night, 'Silk' became the fifth player in the game's 163-year history to reach the 400-game milestone, and the first Indigenous player to notch the quadruple century.

by
Daniel Emilio Amato

For just five players to reach this incredible achievement in almost two centuries goes to show what is required; a strong work ethic, dedication, resilience and a hint of good luck with health and injury along the way.

There are many players currently in the league who are somewhat within striking distance of the 400 game mark. However, with form issues, injury concerns and the possibilities of game-time and/or positions on lists being compromised in the future due to rebuilding and money-saving, some are more likely than others.

I have identified three players who are the most likely to reach that elusive 400 game milestone;

1. David Mundy

Current Games Played: 347

Games Required: 53

For so long many out of Perth would barely give David Mundy a mention, but now the Victorian-born midfielder is certainly up there as one of the finest footballers to ever come out of a Western Australian club. From his first season in 2005, Mundy has held an unquestionable position in Fremantle's best 22 and has rarely disappointed. A best and fairest in 2010 and All Australian in 2015, and a selection in Fremantle's 2013 Grand Final are among his greatest achievements on field. At the age of 35, the former captain is playing as well as ever, averaging 25 possessions, five clearances and four tackles, all of which are considered above average for AFL standard. For David Mundy to reach 400 games, he would need to play majority of this season's remaining games at least two more full seasons, a final or two would help boost those games up. It seems far-fetched, but if he continues at the rate he is now... why couldn't he?

Only seven games away from over taking Matthew Pavlich's club record for most games played.

2. Joel Selwood

Current Games Played: 325

Games Remaining: 75

The captain of the Geelong Football Club has been the epitome of hard work, dedication, and an unbelievable success rate. Since debuting in 2007, where he won the NAB Rising Star award, he has played in five Grand

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

Finals, won four Premierships, three best and fairest awards, six All Australians and four times the most courageous player, he has also only ever missed the finals on one occasion in 2015. Only once in his fifteen seasons has he played less than 20 games a year, he has been able to escape serious injury for so much of his career and has never been dropped.

by
Daniel Emilio Amato

However, Selwood's courage to go back with the flight of the ball and unflinchingly dive into packs has resulted in concussions and head injuries. His biggest strength is also his biggest weakness, and this is the only concern in not reaching 400. With Geelong's premiership window wide-open for the next few seasons and with Selwood form still certainly apt to remain in the side, he would certainly be expected to at least get very close.

For Joel Selwood to reach 400 games, he would need to play until at least another three seasons, playing at least 20 games every campaign. By that stage he would be 36 years old, if he stays injury free and avoids anymore concussion issues, there is absolutely no reason it cannot happen.

3. Dustin Martin

Games Played: 258

Games Remaining: 142

This one may, but should not, come as a surprise. While Dustin Martin still has at least six seasons plus a few finals required to reach 400, he has proven to be one of the most consistent and durable players we have seen... possibly ever.

Since debuting for the Tigers in 2010, Martin has never played less than 20 games in a season. From round one 2010, he has always been one of Richmond's most important players and a main stay in the midfield. He has avoided injury through most of his career and become one of the greatest players in the game's history. Three premierships, three Norm Smith Medals and a Brownlow Medal put him in the elite category in every sense. Football is his life, he loves the game of there does not seem to be any obvious reason why he would give the game up until he exhausts everything he has, and he still has many years to come with a lengthy contract not expiring until 2024, which would be expected to be extended.

For Dustin Martin to reach 400 games, he would need to play until at least 2027. At this stage he would be 36 years of age and I cannot see any reason why this is an unrealistic prospect. He is arguable in career best form, tearing up the midfield with his strength, ability to shake players of and that powerful, penetrating kick.

TEAM TALK with JORDAN

The Cattery

2007 was the year that Geelong became the powerhouse that they are known as today. After years of underachieving failing to become that powerful team that they always threatened to be they finally turned it around by not only having developed an ominous high attacking game style that wielded three premierships in five years, but they made their home ground Kardinia Park (it has had many different names over the years) the unbreakable fortress that many a team have now come to fear when they play there. In modern day football, every little bit counts, and the Cats have known that better than most teams. We all talk about fortresses when dominant teams seem even more powerful and even invincible on their home decks, but no team has ever had as pronounced a home ground advantage as Geelong has had at Kardinia Park. Footy pundits and critics have long since given up quoting the numbers, they've just accepted the fact that it's near on impossible to win there.

by
Jordan Sennett Perez

Before Geelong turned their fortunes around some 14 years ago, they famously lost a match to North Melbourne at Kardinia Park in what became the "line in the sand" moment for them. Not only was the playing group called into question but the club as a whole, culture administration, coaches all of it. They then destroyed an abysmal Richmond by 157 points at the Telstra Dome (now called Marvel Stadium) and from then have never ever looked back. As mentioned above, since then Geelong entered a golden era yielding three flags, playing in 5 grand finals and further 10 preliminary finals which is incredibly impressive. None of those games have been played at their home ground which is affectionately called "The Cattery" but it sure has played a major part in the club's consistent dominance over the competition. Since that loss to the Kangaroos in 2007 and as of the 2021 season, Geelong has played a total of 108 games at Kardinia Park. They've won an astonishing 97 of those, 97! Only 11 losses which is incredible, and their winning strike rate is 89.9%. The sheer key factors in the dominance that Geelong has there are teams that have relative unfamiliarity in which no visiting team ever playing there more than once per season and some of the bigger drawing Victorian clubs such as Hawthorn, Carlton and Richmond only playing there very occasionally, like once or twice in 12 years. The unique dimensions of the ground in my opinion play the biggest part.

Kardinia Park is only just the longest ground of any of the current AFL stadiums at 167 metres only a metre longer than Adelaide Oval, two metres more than Optus Stadium in Perth and five metres more than the MCG. It is significantly narrower than any of the other grounds however which is the most unique aspect of the grounds landscape. At just a measly 112 metres wing-to-wing, it is 27 metres skinnier than the MCG and that near 30 metres difference to the MCG is as good as one less kick for sides trying to switch the play side to side and make the ground bigger. It's no wonder teams have struggled and often have found themselves kicking the ball out on the full more than usual when they play at the cat's home ground. It's also Geelong's incredible defensive qualities that really shine through effectively smothering the opposition into turning it over and having all defensive lines covered effectively roadblocking half the ground. Considering how many teams have struggled there over the years, there are a few sides that boast somewhat of a half decent record there in recent times. Sydney has taken the cat scalp there 4 times in the last few years and had a 3-game winning streak there and Fremantle famously beat the cats in the first and only to date final played at the ground, the 2013 qualifying final, the dockers also beat them there again in 2015. For every other team it is the dreaded travel across there to face impending death. Of the 97 wins, 31 of those has been by a minimum of 10 goals and a further 8 has been by 100 points or more. Now that is some sort of dominance and it doesn't look like diminishing any time soon.

THE DAVIES C GRADES

DIVISION C1

The Goodwood Saints kept Adelaide University goalless in their Preliminary final and will be going through to the Grand Final this Saturday. Goodwood led all game with both teams struggling in front of goal and only 20-points separating the two sides. In the last quarter Goodwood kicked five goals to Adelaide University's one behind to end up 49-point victors. (Saints: 8.10-58 to Uni: 0.9-9) Port Districts will be meeting Goodwood in the Grand Final after beating Prince Alfred OC by eight-points. Port District led at every break with, the margin never extending beyond 18-points. (PAOC: 4.8-32 to P.Dist: 5.10-40).

by
James Davies

Minor Premiers Goodwood will be taking on Port District who finished in third during the Home and Away season. The pressure will be on the Goodwood Saints as they look to complete their undefeated season with a premiership.

DIVISION C2

Old Ignatians recorded an 80-point win over Sacred Heart OC who, were kept scoreless in the first quarter. Jordan Limongelli and George Pyne combined well up forward for Old Ignatians, kicking four goals each. (Iggies: 14.10-94 to SHOC: 2.2-14). Minor Premiers Henley recorded a 119-point win over Broadview, keeping them to just one behind. William Haskard and Jack Hambly proved hard to stop for the Broadview defenders with, each kicking four goals. (Hen: 18.12-120 to Broad: 0.1-1).

It will be a first vs second clash when Henley take on Old Ignatians in the Grand Final. Henley haven't lost a game since round one against Old Ignatians, in their second meeting Henley walked away the victors. This should make this week's Grand Final a close match that will come down to the wire.

DIVISION C3

Flinders Park have made it through to the Grand Final after defeating Modbury by 26-points. Flinders Park kept Modbury to one behind in the first quarter and scoreless in the third to cement the win (F.Pk: 8.7-55 to Mod: 4.5-29). Golden Grove will have the chance to back up their minor premier title with a premiership after beating Blackwood by 83-points with Blackwood being kept scoreless in the second quarter. Ryan Spittle was an important target up forward for Golden Grove kicking four goals (Grove: 15.15-105 to B.Wood: 3.4-22).

Golden Grove and Flinders Park finished the season in top and second spot respectively with 16 wins. In their two encounters Golden Grove walked away victorious so it can be expected Flinders Park will be looking to rectify that and come out hard in what will be an intense game.

DIVISION C4

Last year's grand finalists Pembroke OS and Adelaide University played off in Preliminary Final with Adelaide University going through to the Grand Final. Despite being kept scoreless in the second quarter Adelaide University managed to lead at every break and walk away eventual 23-point victors (PemOS: 5.9-39 to Uni: 10.2-62). SMOSH West Lakes kept their undefeated season going beating fourth placed Walkerville by 37-points. SMOSH will have a chance to have the perfect season and finish as both minor premiers and premiers when they take on Adelaide University. (SMOSH: 8.12-60 to W.ville: 3.5-23).

THE DAVIES C GRADES

SMOSH West Lakes will be wanting to have the perfect end to their undefeated season by finishing with a premiership. Adelaide University on the other hand will be looking to go back-to-back after winning last year's C4 Grand Final against Pembroke OS. With so much on the line expect the pressure to be high and the margin to be close.

by
James Davies

DIVISION C5

Kenilworth recorded a 21-point win over Pooraka to cement their spot in the Grand Final. They trailed by a goal at quarter time and a point at halftime before a strong second half that saw them keep Pooraka to seven behinds in the last half (Kenil: 9.8-62 to P.raka: 5.11-41). Lockleys remain undefeated after beating Hectorville by 66-points in their preliminary final. Lockleys kept Hectorville to just one behind in the third quarter while, kicking five of their own (Lock: 13.11-89 to Hect: 3.5-23).

It will be first vs second in the C5 Grand Final with the undefeated Lockleys taking on second placed Kenilworth. Lockleys will be favourites having gotten over every team they've played against by an average of 90-points however, Kenilworth as underdogs will have nothing to lose and everything to gain.

DIVISION C6

After trailing by nine points at three quarter time Henley managed to come back and record a 15-point win over Blackfriars OS. Joel Chapman continued his goal kicking form backing up his 16 goals last week with four (B.OS: 6.3-39 to Hen: 8.6-54). Minor Premiers Elizabeth recorded a 43-point win over Adelaide University after the two sides only being separated by 1-point at quarter time. Lachlan Sullivan was hard for Adelaide University to stop kicking five goals for Elizabeth (Eliz: 12.8-80 to Uni: 6.1-37).

Henley after joining the competition late finished the home and away season in third and will now take on minor premiers Elizabeth. As a result of this these teams have only met once this year where Elizabeth had their smallest win of the year getting up by 20-points. Expect this to be a close game where Henley as the underdogs are a good chance to upset the minor premiers.

DIVISION C7

Minor Premiers Port District recorded a seven-point win over Lockleys. Port Districts after trailing at quarter time kept Lockleys scoreless in the second quarter to then lead at every break (Pt.Dist: 7.4-46 to Lock: 6.3-39). Adelaide University recorded a 32-point win over Modbury in their second vs third Preliminary Final. Sam Zobel and Thomas Bernard combined up forward to kick all eight of Adelaide Universities goals, kicking four each (Mod: 4.7-31 to Uni: 8.15-63).

Port Districts who finish the year as minor premiers will be taking on Adelaide University who finished the season in third. In the two home and away games where these two teams met each walked away with a win when playing on their home grounds. This week on neutral ground could see it go either way in what will be a close affair.

DIVISION C8

Prince Alfred OC beat Tea Tree Gully by 26-points, where Tea Tree Gully took until the second quarter to kick their first goal of the match (PAOC: 6.11-47 to TTG: 2.9-21). St Peter's OC knocked off Minor Premiers Adelaide University by 68-points, keeping them to one goal for the match. James McLeay proved too hard to stop up forward kicking six goals for St Peter's OC (Uni: 1.6-12 to SPOC: 12.8-80).

After beating the Minor Premiers St Peter's OC will be confident when they meet their traditional rivals Prince Alfred OC. Prince Alfred OC finished the home and away season in second spot and will go in as favourites but given St Peter's OC recent form don't be surprised if they cause another upset.

THE DIVISION 1 Match Previews

Payneham NU vs Goodwood Saints / 7.12-54 vs 6.8-44

Payneham have done it! Made it to big game with an extremely hard fought win over the Saints at home. The Saints can hold their chins high regardless of the result, as they had a great season followed by a valiant performance in this seasons preliminary finals. The first siren sounded and it seemed to inspire the away side more as they started the game very strong, kicking four goals and outscoring the home side to lead by 13 points at the first break. The second quarter came and saw the game being played heavily in the midfield, with both sides struggling to add anything meaningful to the scoreboard in the second quarter, seeing a slight change in the deficit with Saints slightly extending their lead to 14 points at half time. But the home side were not to be underestimated. The wind changed drastically in the second half as the saints struggled out of the gate but the Falcons started flying! Kicking three goals and conceding none to steal the lead from the Saints, with just a single goal being the difference going into one of these teams last quarter of the season. The last quarter came and Goodwood mounted a final attack but Payneham were too strong and managed too hold them off conceding just a single goal and kicking a goal and four behinds to ultimately see out the game as 10 point victors and secure their position in the 2021 division 1 Grand Final. For the away side it was L. Elms and T. Carter who were the stand out players with Elms being joint high goal scorer with S. Laube for their respective side. For the home side it was S. Baulderstone and D. Auciello who were top of the list on contributors with K. Roocke and A. Agorastos joint top scorers for their side in such an important win!

Prince Alfred OC vs St Peters OC / 18.18-126 vs 8.4-52

The Reds have continued to prove their worth this season with a MASSIVE win against St Peters by 74 points at home. The Reds showed their dominance as they have all year with a very convincing win will last in the memories of their opponents. The game started heavily in favour of the home side who took advantage of some poor defence and managed to kick 7 opening quarter goals to lead by a huge 42 points at the first break. The second quarter had more of the same from a dominance point of view with the Reds continuing their supremacy kicking a further five goals to extend their lead too 66 points at half time, an almost impossible feat for the away side. Half time didn't inspire St Peters enough as they saw the game slip further from them with the home side once again extending their lead, to a very dominant 77 points with just a quarter left to play. Considering what was a game already lost, St Peters actually managed to outscore the Reds in the final quarter with a very valiant performance but still ended up going down by 74 points, a stellar performance by arguably the leagues best team. For St Peters it was J. McLeay and H. Cudmore who stood out, with McLeay kicking 6 goals to end the game as top goal scorer. While B. Woolard and H. Jolly were the spark in a massive fire for the home side who had a very even goal scoring roster with most of their forwards getting on the score sheet, though J. Pitt and T. Brazel were equal high scorers for their team with three goals a piece to help their team secure that all important and well deserved Grand Final position!

2021 - DIVISION 1 GRAND FINAL

**PRINCE ALFRED OC
VERSUS
PAYNEHAM NORWOOD UNION**

GRAND FINAL

2:30PM – Hisense Stadium (Richmond Oval)

So its the Reds and the Falcons in the 2021 Grand Final and what a game this is shaping up to be. I think its absolutely fair to say we have the 2 strongest teams of the comp in the grand final this year and i dont see it disappointing. Both such strong sides on their day and having played twice this year splitting the benefits with 1 win each you can see why a winner is so difficult to pick. Payneham havent quite had the consistency that the reds have this season but that being said they did inflict one of the Reds only two losses this year, showing them that a win may not be likely against this freak of a team, but it can absolutely be done. I believe i have picked the Reds every game this season and how could i not with how dominant they have been from the first siren to the last siren every game, so for the last time season, i see the Reds running away as 17 point winner over the Falcons, and therefore crowning themselves the 2021 Division 1 champions. But regardless of the score and who wins, congratulations to both sides on making this far and good luck for the game!

Match Previews

Lachy Jones gives his match previews for this weeks matches

PRELIMINARY FINALS

Plympton High & Camden 5.8 (38) def by Old Ignatians 9.15 (69)

In the first preliminary final, it was the underdog Old Ignatians who claimed the upset victory against the second-placed Phantoms to book a spot in the 2021 Division 2 Grand Final next week. Aided by a fast start, Old Ignatians were never challenged in this contest as they took care of the Phantoms from the opening bounce, holding them goalless in the first term. Four goals in the first quarter and three goals in the last quarter helped Old Ignatians pull away, while a goalless first and third quarter effort from the Phantoms ensured they were never getting close. Joseph Parnis was instrumental in the win, picking up best on ground honours, while captain Will Abbott, Dominic Grant (3 goals) and Sam Boots all played a huge part in the win. Tom Unger (5 votes) played his heart out for the Phantoms but didn't get enough help from his teammates to secure the win.

Glenunga 14.8 (92) def Sacred Heart 6.10 (46)

The best team all year have secured a Grand Final spot, as the Rams defeated Sacred Heart by 46 points in Saturday's preliminary final. Bolstered by an eight goal second half, Glenunga flexed their muscles and proved why they deserved top spot during the regular season. It wasn't all easy early, however, as Sacred Heart stuck with the favourites until half time, trailing by just three points at the main break. That was until a goalless third term, compared to Glenunga's six, destroyed any hope they had of an upset and ultimately ended their season. Four goals to Sam Parsons and Michael McMahon assisted the Rams, while a best-on-ground performance by Fletcher Wisman was also key. Patrick Neal-Bullen was the best in a losing effort for Sacred Heart, who didn't have any multi-goalkickers.

2021 - DIVISION 2 GRAND FINAL

**GLENUNGA
VERSUS
OLD IGNATIANS**

GRAND FINAL

2:30PM – Woodville Oval

It all comes down to this. 18 rounds of hard-fought footy, interrupted by a lockdown, have led us to this week. The best team all year, Glenunga, will face Old Ignatians on Saturday to decide the premiership for division 2. Both sides have had successful years, and based on recent form, this contest looms as a classic close final.

Glenunga, who finished on top, were barely challenged all year, and boasted an impressive 16-2 win-loss record. Interestingly, one of their losses came against the very team they will face this week, Old Ignatians, in round 18. Fresh in memory – just two weeks ago, this loss will no doubt play on the Rams' minds as they enter the contest on Saturday, and they will seek revenge in hopes of winning the flag. At their best, Glenunga are almost unbeatable, and have proven that on multiple occasions in 2021, beating every team in the competition en route to the league-best record, but in September, anything can happen, so they will need to bring their A-game if they are to win the premiership.

Old Ignatians on the other hand have had an inconsistent season thus far but seem to have found form at the right time. They have won four of their last five, and in that span knocked off Glenunga to fill them with confidence heading into finals. They finished third overall but were dominant on the weekend in their preliminary final, defeating second-placed Plympton High & Camden in an upset win to set up the date with destiny. At their best, Old Ignatians can match it with any side in the competition, and we saw that first-hand with their upset win over Glenunga in round 18, and if they can rekindle a similar performance to that one, this Grand Final may be closer than first anticipated.

Who will play better on the day come Saturday? Will it be the favourites, league-best Glenunga, or the underdog hitting form at the right time, Old Ignatians? **Old Ignatians 1-12 points**

Preliminary Final 1

North Haven v Flinders Park

After an all-mighty fright minor premiers North Haven, have earned a spot in next weekend's Grand Final after claiming a thrilling, nail-biting two-point victory against a gallant Flinders Park at Payneham Oval last Saturday. The 7.17 59 to 8.9 57 victory sees the Magpies avenge their loss to The Red's in last year's Preliminary Final. For large parts of the first three and a half quarters, Flinders Park were the dominate team, controlling the contest., yet somehow the Magpies hung in. The Reds got out to an early lead kicking the opening two goals of the match, a third goal in the opening term would extend the lead out to a game-high 20 points and the alarm bells were ring loudly on the Magpies bench. Flinders Park missed some opportunities and when North Haven kicked the final three goals of the quarter, ncluding two from Thomas Sandercock the Red's only led by six points at quarter time. In the second quarter, North Haven started to take control of the contest, however much like the Red's in the first quarter failed to fully capitalise on the scoreboard and only took a slender one-point lead into the long break. In the third quarter, Flinders Park regained the ascendancy and kicked the only three goals for the quarter whilst holding the highly touted North Haven forwards to only three points. When Izak Richards, who kicked the opening goal of the match, kicked his second and the last goal of the third term Flinders Park had a handy 15-point lead heading into the final change of ends. In the final term the Magpies lifted and started to win the important moments, however when Flinders Park kicked a late goal the Red's found themselves five points up and only seconds away from a Grand Final berth. Yet, there was still another twist to come as almost immediately, North Haven through Sandercock kicked a goal in the dying minutes to put the Magpies back in front, before a point after the siren saw the Magpies secure a memorable two-point victory and progress to the Big Dance. In the end it was North Haven's ability to win a couple of late centre clearances that enabled them to launch the match winning opportunities. Sandercock was hero and the only multiple goal scorer for the Magpies, finishing with three, while Kurtis Phillips was superb all day and was named the Magpies best player. For Flinders Park, Joshua Gericke (three) and Izak Richards (two) combined for five of their eight goals kicked on the day. Zac Wooldridge played one of his best matches of his career and was clearly the Red's best player. With the result North Haven, not only progress to the Grand Final, they ensure themselves a spot in second division next season for first time in over 30 years.

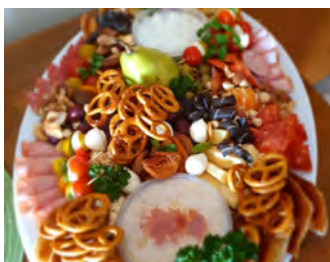

Preliminary Final 2

Golden Grove v Gaza

In a surprise result Gaza are through to the Division 3 Grand Final on the back of a six-goal second term to outlast and out play reigning premiers Golden Grove, by 24 points in the Second Preliminary Final at Campbelltown Memorial Oval on Saturday. The 14.10 94 to 10.11 71 results means that Matt Krieg's men will automatically be promoted to Division 2 next season. While Golden Grove will look back at what could have been after being the most consistent team in Division 3 for the last two sea-

seasons. With scores locked at 1.3 9 apiece at quarter time, it looked as if this game would be a close one. However, Gaza had other ideas, as they broke the game wide open, getting out to a 21 point lead heading into half time. The Kookaburras lifted in the third, however were unable to gain any ascendancy and it was the Eagles who would win the critical contests, enabling them to extend their lead to 29 points at three quarter time. The last quarter became an arm wrestle with Kookaburras unable to put any scoreboard pressure on the Eagles, despite winning the quarter by five points. Damon Hill was best on ground for Gaza, starting with four goals. Adrian Stephens and Todd Culley each kicked two as Ben Nason kicked three. For Golden Grove, Mitchell Payne was named the best player while kicking one goal. Todd Sheppard booted three in a losing effort. With the win, Gaza now set their sights on next weekend's massive Grand Final which sees them take on North Haven at Simonds Park at St. Marys.

GRAND FINAL

2:30PM – Campbelltown Oval

And then there were two. Minor Premiers North Haven will take on surprise packet Gaza for the Ultimate Prize in the Division 3 Grand Final when the two best teams of the 2021 season face off against one another at Simonds Park at St. Mary's Saturday afternoon. North Haven have been the team to beat all year and finished the regular season on top of the table boasting an impressive 16 and 2 record. The Magpies have arguably the most potent forward line in the competition with a number of scoring options, with both Thomas Sandercock and Jack Foster capable of kicking a bag on any given day. Gaza, on the other hand have continued to improve week after week, with Ben Nason fast becoming one of the most dangerous players in the competition. They finished the regular season in third spot with a 12 and 6 record, which included a seven game winning sequence between rounds 11 and 17. These two sides met twice during the season, first in Round 7 and then again only two weeks ago in Round 18. Both these encounters saw North Haven come away victorious, winning by 19 points and 58 points respectively. North Haven, based on the seasons results, deservedly enter the Grand Final as favourites. However, the way that Gaza played last week against Golden Grove shows that they are ready to take the fight to anyone and will be looking to exact their revenge on North Haven for beating them twice already in 2021. Additionally, Gaza go in the game as the underdog, which should allow them to play without fear. Whilst the level of exception on North Haven will be immense and despite the win over Flinders Park last week their recent performance in finals has been less than impressive. This is set to be classic, Gaza were too good last week in a strong showing against the Kookaburras. Whereas, North Haven, had to come from behind late to just get over the line and were poor in front of goal. This could be anyone's game.

Match Previews

Angus Heuer gives his match previews for this weeks matches

Morphettville Park v Walkerville

Morphettville Park will go into the 2021 grand final as firm favourites after defeating Walkerville by 34 points at Glenelg Oval. After a Wade Ryan goal within two minutes put the Cats up early, the first quarter belonged to Morphettville who put through four consecutive goals to take a 19-point lead into quarter time. The contest tightened in the second term with the Roo's extending their lead to four goals at halftime. The lead blew out to 44 points in the third term before the Cats clawed back with two late goals to reduce the three-quarter time deficit to 32 points and give them some sort of hope. The hope grew as Walkerville put through the first two goals of the final term before Matthew Duldig's third goal sealed the deal for Morphettville. Christopher Barns and Matthew Duldig were the main targets up forward with four goals apiece while Edward Doak put through two majors in a great supporting role. Jack Sutton was huge for the Roo's and Cory Gregson was everywhere, gathering plenty of possessions in a best on ground performance. For Walkerville, Adam Law was the only multiple goal scorer with two goals while the usually reliable Adam Proud was held to just one goal. Luke Westbury was strong, and Brady Zwar battled manfully all evening, but it was not enough as Walkerville ended a disappointing second half of the season. While Walkerville will need to wait another year to try and move into Division Three, Morphettville have secured promotion and will be confident of adding some silverware when they return to Glenelg to take on SMOSH West Lakes.

Pembroke v SMOSH West Lakes.

SMOSH West Lakes have stormed into the grand final, upsetting an inaccurate Pembroke by 21 points at Thomas Farms Oval. After a tight opening stanza, the Lions broke away from Pembroke, kicking three goals to none as Pembroke continued to miss shots in front of goal, struggling in the muddy conditions. SMOSH held a three-goal lead coming into the third term and despite the two sides kicking two goals apiece the lead was cut to 14 points as Pembroke continued their inability to convert in front of the big sticks. The Lions opened the final term with two goals and Pembroke were unable to respond, continuing to waste their forward 50 entries. The win secures an unlikely grand final berth for SMOSH who were not ever guaranteed a spot in the finals until the last Saturday of the season. Adam Carroll was the star up forward for the Lions with three goals while Darcy Ginever impressed, and the incredible Sam Fairclough delivered his fourth best afield performance in the last five weeks. For Pembroke, Alex Forster continued his poor form against SMOSH with just two goals while Ben Williams and Izaak Twelftree both fought hard in defeat. The loss is heartbreaking for the Kings who after leading the competition for the majority of the season will be required to return to Division Four as they try to go one step further. While SMOSH will definitely be the underdogs going into the grand final against Morphettville Park they will undoubtedly have the confidence that they are good enough to bring home a premiership flag

2021 - DIVISION 4 GRAND FINAL

SMOSH WEST LAKES
VERSUS
MORPHETTVILLE PARK

2:30PM – Simonds Park (St Mary's Oval)

After 18 rounds and an intense finals series we are just one game away from finding out who will be crowned the 2021 Division Four champion. Morphettville have been one of the standout teams all season, finishing equal top of the table and winning six of their last seven games, highlighted by their 34-point win over Walkerville in the preliminary final. Morphettville were at their best in the prelim and would be extremely pleased with their four-quarter effort. They were led by ex-Geelong player Cory Gregson and spearhead Matthew Duldig and if the pair once again are at their best, it will be extremely hard for SMOSH West Lakes to get over the line. Unlike Morphettville Park the Lions season has been up and down but a strong end to the season and an impressive preliminary final outing, helped by Pembroke's inaccuracy sees the Lions into the grand finale. Sam Fairclough is in exceptional form and for SMOSH to get up he will need a big day out. The two sides have taken a win apiece in their matchups this season with SMOSH winning by 51 points and have 21 more scoring shots in round two before Morphettville bounced back in round 11 to win by five goals. SMOSH are in extremely good form and have the momentum, but it is hard to go past a Morphettville side that has stood out all season.

Morphettville Park by 17 points.

THE DIVISION 5 Match Previews

Pooraka v Eastern Park

Flag favourites, Pooraka have booked their place in this year's grand final, with a decisive 20-point victory over Eastern Park. The match started out very tight with either side gaining any significant scoring advantage of the other. Pooraka led at the first change by a point, with basic skill errors and poor decision making cost both sides early. The game's pacing continued in the second with the scoring slowing even more, with Eastern Park managing 1.2 to Pooraka six behinds. Eastern Park were again relentless with their pressure but struggled to break through the Pooraka defence as the Bulls locked up, playing a slow, possession brand of football to steer control into their favour. The Bulls stomped on the accelerator in the third quarter, busting through the Eastern Park defence time after time to boot seven goals. The Bulls opened up a 38-point lead, as they trounced the Demons in the inside-fifty count. The Demons were simply strangled by the Pooraka pressure and overwhelmed by their surging offense, in what was described as a 'running of the balls.' However, Eastern Park wouldn't lie down, charging home for a strong finish in the final term. The Demons managed to kick seven goals, turning back to their extremely attacking brand of footy that was so imposing earlier in the year. Despite their massive effort, the Bulls were able to cruise home having compiled such a comfortable lead in the third term. P. Diedrichsen and A. Clifton were Eastern Park's best performers on the day, meanwhile K. Vandermoer, F. Timpano and A. Benz led the Bulls with their class. B. Wake stepped up for the Bulls in the absence of leading goalkicker L. Buckby, with three goals.

Kenilworth v Colonel Light Gardens

A colossal finish from the Kookaburras has seen them roll on into the grand final, beating Colonel Light Gardens by 19 points. The Lions will be ruing their missed chances, as they kicked seven behinds in the first quarter, in what could've been the perfect start. Instead, the Lions retained a one goal lead heading into the quarter time huddle. The inaccuracy appeared to be contagious as Kenilworth followed the Lions' seven-behind quarter with one of their own, kicking 2.7. However, the Kookaburras defended much better in the second term, allowing only one Colonel Light Gardens goal to wrestle momentum into their favour. The third quarter was where both sides began to play with more poise, as a shootout occurred, with both sides going goal for goal. The Kookaburras maintained their lead, heading into the final term up by four points. Kenilworth snatched momentum back into their favour in the last quarter as conditions improved, allowing for the Kookaburras to move the footy quickly and cleanly. They kicked eight behinds and managed only three majors in what could've been a blowout end to such a tight affair. The Kookaburras flexed their ability to perform in the clutch, proving that they are built for the finals with this impressive display. They were led by M. Krakouer and T. Duong, who each put forth stellar efforts, meanwhile S. Vivian and B. Dodson were notable performers for the Lions. M. Crump's four goals were another large factor in Kenilworth's victory.

2021 - DIVISION 5 GRAND FINAL

**POORAKA
VERSUS
KENILWORTH**

GRAND FINAL

2:30PM – Kilburn Oval (Blair Athol Reserve)

We are now at the end of a turbulent 2021, with two worthy Division 5 grand finalists in Pooraka and Kenilworth. While many may have predicted another matchup it certainly doesn't take away from the fact both sides have earned the spot. Pooraka have been classy all year, staking premiership favourite claims from the very beginning of the season. Like any team, the Bulls had a few hiccups along the way, but they never lasted long and this is why they find themselves in the Grand Final. They have easily been the most consistent team this year, not only stringing many wins together, but stringing together decisive and dominant wins. Kenilworth started the season unconvincingly but were nonetheless always around the mark, with their losses typically being thrillers. They have gotten to the Grand Final off the back of some scary late-season form, and they'll certainly be a tough team to face if they are able to carry this momentum. Both sides are very spirited and will be full of belief coming into the match. Interestingly, the last time these sides met; Kenilworth had the better of the Bulls in what was a tight affair. I expect the game to be very close throughout but expect to see the Bulls try and control the tempo. They have found much success in their possession brand of footy and will be hoping to control possession once again against an imposing Kenilworth. The Kookaburras love allying the pressure, especially in the forward half, and will be hoping to force turnovers from which they can score. Pooraka have a huge out in the form of leading goalkicker, Luke Buckby so it'll be interesting to see who stands up for Pooraka. I think Pooraka's poise and composure should carry them over the line. Kenilworth will need to lift the intensity and pressure once again if they are to be a chance. The Bulls looked flustered early against Eastern Park in last week's game, indicating some fierce Kenilworth pressure could carve an opening for the Kookaburras. I expect Pooraka to secure the flag in what will be a highly exciting Grand Final.

Pooraka by 10 points.

PRELIMINARY FINALS

REVIEWS

Trinity OS v St Pauls OS

St Pauls have produced a stunning upset in the first preliminary final, defeating Trinity by 35 points at Salisbury Oval to book its place in the Grand Final. Coming into the clash, the Lions had been in very good form and all roads led to them winning the matchup. However, the Saints had other ideas as they exploded in the opening quarter, kicking a startling six goals to none to get on the front foot early. The second quarter once again belonged to St Pauls, dominating play and kicking three goals to two, holding a 44-point advantage at the main break. Trinity needed to come out firing in the second half to give themselves any chance at a comeback and they started positively before the Saints stemmed the flow and the margin was only reduced to 36 points at the final change. Trinity had several opportunities in the final quarter to surge a comeback but squandered their chances and the Saints capitalised with a late goal to book their place in the grand final for a second straight year. Matthew Pendlington was the star of the show and kicked six goals to lead St Pauls to the win as the sides only multiple goal-kicker. Forward Benjamin Lennon also found the goals once again, kicking an important goal. Michael Mattei and Tyson Soulsby were also enormous to victory and have hit form at the right time, playing their best performances of the season. Domenico Barilla and James Forwood fought hard to turn the game around, but unfortunately it led to no avail.

Elizabeth v Blackfriars OS

Elizabeth have won through to the grand final following a preliminary final domination against Blackfriars, in a come from behind victory. Coming into the clash, Elizabeth went through the regular season, amassing sixteen wins, and were hot favourites and were originally caught on the back foot by a rampant Blackfriars outfit. The Hounds led at the first change by just one point, and it seemed as though it was going to be a nail biter, if the opening term was anything to go by. However, Elizabeth had other ideas as they kicked three goals to none in the second quarter and would lead by 21 points at the main break. Blackfriars desperately needed a response in the second half, however, Elizabeth responded to every challenge with their best quarter of the match, kicking four goals to none as the goal drought continued for the Hounds, registering four behinds. The margin now accelerating to 44 points by three quarter time. It was party time in the final quarter for the Eagles, landing their 17th straight triumph with a three-goal quarter, while the Hounds also kicked their third major of the afternoon. After a rest in the final games of the home and away season, the competition's leading goal-kicker, Jarad Clinton returned with a bang, kicking three goals, while Jake Platten and Braeden Owen continued their recent good form with two each. were also terrific for their side and earned best afield from their coaching staff for their efforts throughout the afternoon. For Blackfriars, Dylan Richardson, Andrew McWhirter and Luke Murphy all performed strongly in the defeat, each booting a goal, while Patrick Meaney and Matt Brincat never stopped trying and were valiant in the defeat.

2021 - DIVISION 6 GRAND FINAL

ELIZABETH VERSUS ST PAULS OLD SCHOLARS GRAND FINAL

2:30PM – X Convenience Oval (Elizabeth Oval)

So, then there were two. In this year's division six grand final, the undefeated Elizabeth are set to take on a red-hot St Pauls outfit from X Convenience Oval in Elizabeth. Both sides couldn't be in better form after winning their preliminary finals clashes with absolute ease. St Pauls started their clash with Trinity on fire and booted six goals to none, leaving their opponents shellshocked. However, Elizabeth was originally caught on the back foot and trailed at quarter time of their match with Blackfriars. If the Saints are any chance at claiming a shock victory, it will need to rely on stopping the supply to superstar forward Jarad Clinton due to the influence he has had across the entirety of the season to this point after claiming the competition's leading goalkicker award. Meanwhile at the other end of the ground, Matthew Pendlington was the difference for his side on the weekend as the only multiple goal scorer as he put through five majors. Elizabeth have won both clashes between these two sides this season including a 16-point away win in round 4, and an 80-point win at home in round 13. I expect a tight contest between the two sides this weekend, in a mouth-watering contest, with Elizabeth set to be too strong and go through the 2021 season as invincible and win their first premiership since 2005. St Pauls, meanwhile, are looking for a repeat of their 2019 triumph. **Elizabeth by 21 points.**

BRONI WHITE PGI CONSULTANT

Thinking into results

The power of our mind, creates our future!

You become what you think!

Have you ever stopped to think why we do the things we do?

We become so focused on working, that we forget about our dreams we forget to create a life.

For a long time I thought, working hard, pleasing everyone around me, listening to what everyone else wanted for me, was the right thing to do, (after all it was what I was taught to do).

I thought I was happy, then came the realisation, I was making everyone around me happy (but me). I was always tired, didn't take care of my own needs, it was the way I was taught, not to dream!

I've worked as a Zookeeper, Vet nurse, Personal trainer, Nutrition coach, & without a doubt I loved it all, but I felt like something was missing....

I wanted more, I wanted to leave MY mark on the world a LEGACY!

My heart desired a life of nature, animals, abundance, joy, fun, traveling family & freedom, but I wanted to look after myself too.

I didn't want to just be going through the same motions everyday, I was done, but I was terrified to take a leap...

Everyday I'd see others living out their dreams, their desires, traveling to beautiful places working all over the world, loving the life they lead....

The only thing that was stopping me was me. I had to get out of my own negative mindset....SO I did!

We have been programmed to think a certain way, from ideas & thoughts from previous generations, our environment, that we have lived in our whole lives.

Stop living the life you don't want & start living the life you do want, we are powerful human beings, we were put on this earth to grow to create.

I will show you how to catapult your life & live your wildest dreams, reset your mind. I will guide you through a simple 12 step process, that will literally change your life, in every way.

I know because I have been there & it has changed my life. I now live the life I have always dreamed.

Let's do the same for you. You will look back on your life & won't recognise yourself. Your beliefs, your thoughts & desires will change.

Allow your mind to be set free! Change the way think, change your life!

So what are you waiting for, let's together kick start you life. I believe in you, it's time you did too. LET'S GO!

Together we can breathe & let go of anything.

Welcome to your new life!

Offer: A free 15 minute strategy consult to find out the why's of what is holding you back.

THE DIVISION 7 Match Previews

1st Preliminary Final

Brahma Lodge 9 14 68
Greenacres 4 16 40

Friday night under lights at Blair Athol reserve with a big crowd and a grand final as reward seen both teams enter the first quarter full of energy and enthusiasm for the contest and as both teams felt each other out no major scoring was recorded for the first 20 mins before the Tiger's finally managed to execute in front of goals and got the start they wanted going to the quarter time break 19 points ahead and when the 2nd quarter started and Brahma Lodge kicked clear with unanswered goals it put the dragons under pressure on the scoreboard unlike they have experienced all season long and needed to lift with the contest all on the tigers terms. With the half time break coming and Greenacres had found themselves 30 points down a major concern was the Tigers run and drive from half backs Veasna Leak and Shannon Schroeter the stumbling block they couldn't find a way to get past.

The premiership quarter began and it was again all the Tigers early as they dominated general play Jack Scott and Adam Shelly key contributors but couldn't quite put the Dragons away as they slowly clawed their way back into the game through Ben and Sam Bamford, Jack Mau and Paul Merritt with pressure and gained possession of the ball to only have it wasted inside the forward 50 area giving the Tigers a 3/4 time 37 point lead that even though the Dragons had again a majority of the ball in the last quarter they never really threatened as the tigers lead was already too much and together with the pressure on the ball handler meant for no fluency in the dragons play and ensuring Brahma Lodge powered through to back to back grand finals and a chance of dual premiership Division 7 medals. Winning in the end by 28 points in an impressive display of pressure and run football.

2nd Preliminary Final

Central United 7 7 49
Adelaide Lutheran 7 6 48

Friday nights under lights at Payneham Oval and as the crowd began to circle the oval in anticipation of a contest the players knew from the very first bounce every kick was about to be earned as the pressure for the first 18 mins meant neither team could score until then and that was the only major scored at all in a qtr of pressure football that gave both teams a taste of things to come. The 2nd quarter began and both teams found the pressure and numbers behind the ball made it hard for ball movement before Adelaide Lutheran slowly began to edge themselves ahead in a contested ball frenzy both teams were relishing in as the intensity of a final was there for all to see with Lutheran happy to have a 13 point half time lead.

Tscharke, Goodall and Kowald the key Lutheran Doggies doing the damage and when Ashley Goodall kicked truly 10 mins into the 3rd quarter they had themselves placed in an ideal position 24 points ahead before the Units midfielders Adrian Mark, Austin Reeves and Brayden Abbott dragged their teammates along with them in a scintillating 10 minute patch to bring the scoreboard to only 5 points apart as both teams tackling pressure increased and took the contest to another level of enthusiasm and passion with a quarter remaining.

Lutheran needed to lift as the quarter started and Central United goaled twice almost instantly which gave them the lead and all the momentum steaming ahead before unanswered goals from Lutheran then a front and centre goal from units Darrell McIntyre seen the lead see saw back in favour of them.

The last 15 mins was an intense back and forth mistake ridden contest full of pressure with both teams leaving it all on the line in a cracking contest to watch but I'm sure brutal time play in before the siren sounded and gave Central United a 1 point epic victory to put themselves in the Grand Final and a chance to win their first flag since 2006 while Lutheran lost no admirers in 1 of the games of the season but I'm sure still a sour taste in their mouths as they think about a 1 point devastating preliminary defeat now for the summer ahead.

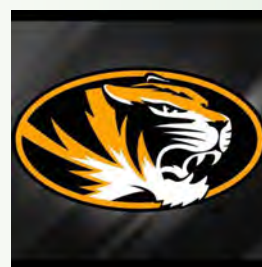

2/2 predictions last week and what a season we've had in division 7 with last years premiers to face the minor premiership winners in the last match to decide the champions.

An outstandingly competitive and thrilling season of football comes to a conclusion Saturday and what a cracking 50/50 contest it appears on paper with 2 northern suburbs rivals Central United and Brahma Lodge at Thomas Farms oval to do battle with all the ingredients for a contest spoken about for years to come.

Midfield Battle

As most games are decided in this area it's obviously crucial to both teams chances, The Doggies Adrian Marks aerial strength at marking contests and ruck craft at clearances against the Tigers Adam Shelly's aggression at

contested ball situations and strong tackling in the ruck the first of many important battles.

Olszewski, Garner and Makris vs Thompson, Scott and player/coach Steele on ball with the Doggies on ballers most dominant strength being at winning first possession then delivery into forwards while the Tigers potent pace and pressure their strength.

The outside run of Abbott and Keen for Central United vs Leak and Buckskin of Brahma Lodge another matchup both sides will try expose going forward from centre with run from halfback which has proved crucial for both teams in the lead up games and expect it again to be this week. Inside area I think will favour the dogs with the outside running and pressure to favour the tigers setting up execution with ball to be crucial Saturday to each team's chances.

CU fwds vs BL backs

League leading forward Darrell McIntyre obviously the key forward for the Doggies along with Jamie Lane have provided a majority of their goals this season and again their chances probably lie heavily on them scoring a high percentage of the goals this week unless the experience of Porter, Cosenza and Reeves are able to get the better of their matchups which is exactly what the tigers defenders will try avoid with pressure and provide the drive to attack from half back.

Hard Running Defenders Hrynkiw, Norman and Schroeder shut down the Dragons completely last week and have a massive task again this week with the half back skill of Curyer, Williams and Timpano trying to expose the Doggies with pace and run another area these teams are evenly matched in and execution with ball in hand will help their sides chances tremendously.

BL fwds vs CU backs

Probably the most interesting part of this contest as Brahma Lodge have adjusted their forward line to suit most weeks to try expose their opponent with pace and agility through Wills, Mendes and Cook while still getting good contributions from Davies and Jenkins as the key forwards for the smalls to work around.

Time and space will be at a minimum from strong tackling defenders Steele, Hayes and McMillan and key defenders Dempsey and Pudney aerial strength would be a concern for the Tigers forwards.

An area I think could decide the game and if the Tigers can execute efficiently or the doggies rebound the ball will prove decisive in the outcome.

After analysing this match for some time it would be easy to make arguments for either side to become 2021 premiers without any issue but unfortunately I've been given the task of selecting a winner and all I can predict is a tough hard fought contest from start to finish with 2 proud football clubs who I'm sure will do themselves proud again Saturday and leave it all on the line to become champions. Good luck to both clubs.
