Thinking into results

The power of our mind, creates our future!

You become what you think!

Have you ever stopped to think why we do the things we do?

We become so focused on working, that we forget about our dreams we forget to create a life.

For a long time I thought, working hard, pleasing everyone around me, listening to what everyone else wanted for me, was the right thing to do, (after all it was what I was taught to do).

I thought I was happy, then came the realisation, I was making everyone around me happy (but me). I was always tired, didn't take care of my own needs, it was the way I was taught, not to dream!

I've worked as a Zookeeper, Vet nurse, Personal trainer, Nutrition coach, & without a doubt I loved it all, but I felt like something was missing....

I wanted more, I wanted to leave MY mark on the world a LEGACY!

My heart desired a life of nature, animals, abundance, joy, fun, traveling family & freedom, but I wanted to look after myself too.

I didn't want to just be going through the same motions everyday, I was done, but I was terrified to take a leap...

Everyday I'd see others living out their dreams, their desires, traveling to beautiful places working all over the world, loving the life they lead....

The only thing that was stopping me was me. I had to get out of my own negative mindset....SO I did!

We have been programmed to think a certain way, from ideas & thoughts from previous generations, our environment, that we have lived in our whole lives.

Stop living the life you don't want & start living the life you do want, we are powerful human beings, we were put on this earth to grow to create.

I will show you how to catapult your life & live your wildest dreams, reset your mind. I will guide you through a simple 12 step process, that will literally change your life, in every way.

I know because I have been there & it has changed my life. I now live the life I have always dreamed.

Let's do the same for you. You will look back on your life & won't recognise yourself. Your beliefs, your thoughts & desires will change.

Allow your mind to be set free! Change the way think, change your life!

So what are you waiting for, let's together kick start you life. I believe in you, it's time you did too. LET'S GO!

Together we can breathe & let go of anything.

Welcome to your new life!

Offer: A free 15 minute strategy consult to find out the why's of what is holding you back.

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

In what has been a difficult time for the game in the previous two weeks, with COVID-19 once again causing havoc on the AFL Season, it was a weekend of celebration for the great Shaun Burgoyne. On Saturday night, 'Silk' became the fifth player in the game's 163-year history to reach the 400-game milestone, and the first Indigenous player to notch the quadruple century.

by
Daniel Emilio Amato

For just five players to reach this incredible achievement in almost two centuries goes to show what is required; a strong work ethic, dedication, resilience and a hint of good luck with health and injury along the way.

There are many players currently in the league who are somewhat within striking distance of the 400 game mark. However, with form issues, injury concerns and the possibilities of game-time and/or positions on lists being compromised in the future due to rebuilding and money-saving, some are more likely than others.

I have identified three players who are the most likely to reach that elusive 400 game milestone;

1. David Mundy

Current Games Played: 347

Games Required: 53

For so long many out of Perth would barely give David Mundy a mention, but now the Victorian-born midfielder is certainly up there as one of the finest footballers to ever come out of a Western Australian club. From his first season in 2005, Mundy has held an unquestionable position in Fremantle's best 22 and has rarely disappointed. A best and fairest in 2010 and All Australian in 2015, and a selection in Fremantle's 2013 Grand Final are among his greatest achievements on field. At the age of 35, the former captain is playing as well as ever, averaging 25 possessions, five clearances and four tackles, all of which are considered above average for AFL standard. For David Mundy to reach 400 games, he would need to play majority of this season's remaining games at least two more full seasons, a final or two would help boost those games up. It seems far-fetched, but if he continues at the rate he is now... why couldn't he?

Only seven games away from over taking Matthew Pavlich's club record for most games played.

2. Joel Selwood

Current Games Played: 325

Games Remaining: 75

The captain of the Geelong Football Club has been the epitome of hard work, dedication, and an unbelievable success rate. Since debuting in 2007, where he won the NAB Rising Star award, he has played in five Grand

Amato's 5th Quarter

Who Will Be The Sixth 400-Gamer?

Finals, won four Premierships, three best and fairest awards, six All Australians and four times the most courageous player, he has also only ever missed the finals on one occasion in 2015. Only once in his fifteen seasons has he played less than 20 games a year, he has been able to escape serious injury for so much of his career and has never been dropped.

by
Daniel Emilio Amato

However, Selwood's courage to go back with the flight of the ball and unflinchingly dive into packs has resulted in concussions and head injuries. His biggest strength is also his biggest weakness, and this is the only concern in not reaching 400. With Geelong's premiership window wide-open for the next few seasons and with Selwood form still certainly apt to remain in the side, he would certainly be expected to at least get very close.

For Joel Selwood to reach 400 games, he would need to play until at least another three seasons, playing at least 20 games every campaign. By that stage he would be 36 years old, if he stays injury free and avoids anymore concussion issues, there is absolutely no reason it cannot happen.

3. Dustin Martin

Games Played: 258

Games Remaining: 142

This one may, but should not, come as a surprise. While Dustin Martin still has at least six seasons plus a few finals required to reach 400, he has proven to be one of the most consistent and durable players we have seen... possibly ever.

Since debuting for the Tigers in 2010, Martin has never played less than 20 games in a season. From round one 2010, he has always been one of Richmond's most important players and a main stay in the midfield. He has avoided injury through most of his career and become one of the greatest players in the game's history. Three premierships, three Norm Smith Medals and a Brownlow Medal put him in the elite category in every sense. Football is his life, he loves the game of there does not seem to be any obvious reason why he would give the game up until he exhausts everything he has, and he still has many years to come with a lengthy contract not expiring until 2024, which would be expected to be extended.

For Dustin Martin to reach 400 games, he would need to play until at least 2027. At this stage he would be 36 years of age and I cannot see any reason why this is an unrealistic prospect. He is arguable in career best form, tearing up the midfield with his strength, ability to shake players of and that powerful, penetrating kick.

TEAM TALK with JORDAN

The Cattery

2007 was the year that Geelong became the powerhouse that they are known as today. After years of underachieving failing to become that powerful team that they always threatened to be they finally turned it around by not only having developed an ominous high attacking game style that wielded three premierships in five years, but they made their home ground Kardinia Park (it has had many different names over the years) the unbreakable fortress that many a team have now come to fear when they play there. In modern day football, every little bit counts, and the Cats have known that better than most teams. We all talk about fortresses when dominant teams seem even more powerful and even invincible on their home decks, but no team has ever had as pronounced a home ground advantage as Geelong has had at Kardinia Park. Footy pundits and critics have long since given up quoting the numbers, they've just accepted the fact that it's near on impossible to win there.

by
Jordan Sennett Perez

Before Geelong turned their fortunes around some 14 years ago, they famously lost a match to North Melbourne at Kardinia Park in what became the "line in the sand" moment for them. Not only was the playing group called into question but the club as a whole, culture administration, coaches all of it. They then destroyed an abysmal Richmond by 157 points at the Telstra Dome (now called Marvel Stadium) and from then have never ever looked back. As mentioned above, since then Geelong entered a golden era yielding three flags, playing in 5 grand finals and further 10 preliminary finals which is incredibly impressive. None of those games have been played at their home ground which is affectionately called "The Cattery" but it sure has played a major part in the club's consistent dominance over the competition. Since that loss to the Kangaroos in 2007 and as of the 2021 season, Geelong has played a total of 108 games at Kardinia Park. They've won an astonishing 97 of those, 97! Only 11 losses which is incredible, and their winning strike rate is 89.9%. The sheer key factors in the dominance that Geelong has there are teams that have relative unfamiliarity in which no visiting team ever playing there more than once per season and some of the bigger drawing Victorian clubs such as Hawthorn, Carlton and Richmond only playing there very occasionally, like once or twice in 12 years. The unique dimensions of the ground in my opinion play the biggest part.

Kardinia Park is only just the longest ground of any of the current AFL stadiums at 167 metres only a metre longer than Adelaide Oval, two metres more than Optus Stadium in Perth and five metres more than the MCG. It is significantly narrower than any of the other grounds however which is the most unique aspect of the grounds landscape. At just a measly 112 metres wing-to-wing, it is 27 metres skinnier than the MCG and that near 30 metres difference to the MCG is as good as one less kick for sides trying to switch the play side to side and make the ground bigger. It's no wonder teams have struggled and often have found themselves kicking the ball out on the full more than usual when they play at the cat's home ground. It's also Geelong's incredible defensive qualities that really shine through effectively smothering the opposition into turning it over and having all defensive lines covered effectively roadblocking half the ground. Considering how many teams have struggled there over the years, there are a few sides that boast somewhat of a half decent record there in recent times. Sydney has taken the cat scalp there 4 times in the last few years and had a 3-game winning streak there and Fremantle famously beat the cats in the first and only to date final played at the ground, the 2013 qualifying final, the dockers also beat them there again in 2015. For every other team it is the dreaded travel across there to face impending death. Of the 97 wins, 31 of those has been by a minimum of 10 goals and a further 8 has been by 100 points or more. Now that is some sort of dominance and it doesn't look like diminishing any time soon.

DIVISION 1 GRAND FINAL REVIEW

Prince Alfred OC vs Payneham NU / 13.13-91 – 8.4-52

Prince Alfred have done it! They are the 2021 Division 1 SipsSave Champions, after a stunning win over Payneham at the weekend by 39 points. After such an incredible season it would have been hard to knock the Reds up and in the end they prevailed as most would expected. As the game started you could feel the nerves around the ground but more than anything you could sense the excitement amongst both sets of fans. The first siren sounded, and the players had to put everything behind them as this one game decided it all. The occasion didn't seem lost on the Reds as they looked strong in the opening quarter kicking three goals and three behinds while conceding just one goal and a behind to take a decent lead of 14 points going into the first break. although Payneham started slow, they picked up the slack in the second quarter kicking four goals and conceding three to close the gap to just 8 points going into the main break. just as it seemed the Falcons were making a game of it, the Reds took control of the game in the third quarter and all their forward pressure paid dividends as they conceded just a single goal while kicking five goals to take a seriously commanding lead of 36 points at the third break, leaving Payneham a mountain to climb that would put Mt. Everest to shame. the final quarter started, and the game equalled out a bit with both sides putting some strong attacking pressure and kicking two goals a piece for the Reds too see out a strong performance that proceeded and even stronger season that now saw the Prince Alfred Reds crowned the 2021 division 1 champions. This does not discredit the incredible season by Payneham who were absolutely deserving of a grand finals place and unlucky to not take it a step further, credit to the whole side. As for the players who showed their worth on the day, it was N. Jolly, A. Giannini, K. Roocke, L. Davis and D. Auciello who were outstanding for their side with Jolly bagging 2 goals for his side. For the new Champions it was J. Trengove, B. Woolard, H. Jolly, A. Perryman, C. Giles and T. Brinsley who were once again extra-ordinary for the Reds with MASSIVE extra credit to J. Trengove for taking home the BOG after an other worldly performance.

THANKYOU

I'd like to take this time to thank everyone who supported the SA Footballer this year. Congratulations to Prince Alfred OC on the big grand final win and to all the other teams on a strongly fought season. You have all been wonderful to write about week in and week out. Thanking the clubs for your help during the season and for supplying me with valuable informaton to write my articles.

Lost Labels Wine Company

Lost Labels Wine Company was established with a focus to support choice wineries here in South Australia. We believe that the best wines exist in cellar doors and not always on retail shelves. These wines are sometimes from boutique, lesser known wineries, or more popular and trending wineries – but our job is to find these **lost labels** and bring them to you!

Our online store allows winemakers to showcase their products by sending wine **DIRECT TO YOU** as there is nothing better than knowing that your wine is coming directly from the cellar door.

Finding Lost Labelled wines allows us to offer our customers quality wine and amazing prices.

DIVISION 2 GRAND FINAL REVIEW

Glenunga 7.5 (47) def by Old Ignatians 12.9 (81)

Season 2021 was defined by Glenunga's brilliance for almost the entirety of the season, but in the most important game of the year, the division 2 grand final, it was the underdog story. In an incredible finish to the season, the almost unbeatable Glenunga fell victim to a red hot Old Ignatians in the last game of the year on Saturday, as the latter came out on top by 34 points. Although the final margin stretched out past five goals, for much of the contest it was impossible to split the two sides. Glenunga led at quarter time by five points, and by just two points at the main break, but lost the lead at three quarter time to Old Ignatians, by eight, setting up an epic final term to determine the premiers. But in a drastic twist, the best side all year was held scoreless when it mattered most, while Old Ignatians piled on four goals to take home the premiership. Joseph Parnis was unbelievable for the winning side once again, picking up best on ground honours in both finals for Old Ignatians. Cameron Ortlepp was instrumental as well, booting four goals for the game including two last quarter goals which helped set up the upset win, while Mathew Brunoli, Dominic Grant and captain William Abbott were all pivotal. Beau Schwarze was Glenunga's best in the losing effort, and the result will unfortunately define the Rams' year, tarnishing what could have been a near perfect season for the top side. Vengeance will be on Glenunga's priority list heading into next season, as they will be looking to make amends for their September failure. On the other hand of the spectrum, Old Ignatians will enjoy this flag for as long as they are allowed to, before preparing again for next season. They hit form at the perfect time and were the best team on the day against an objectively 'better' opponent. Congratulations to William Abbott and his Old Ignatians' teammates on the division 2 premiership for 2021!

THANKYOU

I'd like to take this time to thank everyone who supported the SA Footballer this year. Congratulations to Old Ignatians on the big grand final win and to all the other teams on a strongly fought season. You have all been wonderful to write about week in and week out. Thanking the clubs for your help during the season and for supplying me with valuable informaton to write my articles.

DIVISION 3 GRAND FINAL REVIEW

North Haven v Gaza

For the second time in five years, North Haven are Premiers, this time defeating Gaza, 13.10 88 to 9.13 67, by 21 points. Gaza started well with Todd Culley looking dangerous up forward, however a burst of five goals in a fifteen minutes period by the Magpies bracketing quarter time would ultimately prove the difference. Led by Division 3 Grand Final medal winner, Brett Pederson, the Magpies looked as impressive as ever. After allowing Gaza too much time and space early in the contest, they settled and never looked like losing. At quarter-time, North Haven led Gaza by six points, kicking the final three goals of the opening term after managing to only score three behind from their first three inside 50 entries. A four goal to one, second term gave North Haven a very comfortable 23 point lead at the main break as the Magpies lifted the intensity. By the time Gaza's, Jackson Elmes kicked his first of the afternoon, midway through the second quarter, to keep his side in the contest, the margin had already ballooned out to over 20 points. After a quiet few weeks Jack Foster had an amazing first half, kicking four goals, while Thomas Sandercock also had a pretty decent first half as he kicked two goals. The third quarter became an arm wrestle as Gaza started to adapt to the Magpies pressure whilst lifting their own work rate and slowly started to get themselves back into the contest. However, the Magpies still managed to kick three goals to the Eagles' two to extend their lead to 28 points heading into the final change of season 2021. The hopes of any Gaza fightback were soon forgotten after back-to-back goals from Ross Merrett and Thomas Sandercock gave North Haven a game-high 45 point lead with 10 minutes played and the game was as good as done. However to Gaza's credit they responded through Ben Nason, Scott Lewis and Ryan Burns to reduce the margin to 21 points. Along with Pederson, Matthew Reed and Ross Merrett were amongst the best for the premiers, as the newly-crowned, GS Heard medalist, Mark Rowe, had a surprisingly quiet day. For Gaza, Kosta Papachristos battled hard all day and was named best, whilst big man Scott Lewis won the ruck battle, while Culley continued to provide a strong presence up forward to the very end.

Division 3 Season Review

North Haven: finished the season on top of the table having only lost to CBC Old Collegians and Golden Grove and were the best overall team in the competition spending the whole season in either first or second place and have rightly earned themselves a promotion to Division 2 for season 2022. Led by GS Heard medalist, Mark Rowe with playing coach Ryan McInerney the Magpies based their game around pressure and contested football. Whilst in attack they had a number of options most notably Jack Foster (70 goals) and Tom Sandercock (51). It is North Haven's second premiership in five years and next season will be their first competing in the second-tier.

Gaza: despite finishing the minor rounds in third, Gaza were clearly the second best team in the competition during the later stages of the season, winning seven in a row between rounds 11-17. Including a season defining win on the road against Flinders Park which enabled them to leapfrog the Reds after sitting in fourth for the majority of the year. In the Preliminary Final they out played and out worked the reigning premiers Golden Grove to advance to the Grand Final and ultimately earn a

pick-up only

promotion alongside North Haven to Division 2 next season. Jackson Elmes led the goal kicking with 53 goals whilst Todd Culley kicked 40 and played one of his best games of the season in the Grand Final. Mid-season recruit Ben Nason made an impact and is one to watch in 2022.

Golden Grove: The reigning premiers finished the season in third after falling short in the Preliminary Final against a strong Gaza outfit. Overall, however, it was pretty strong season all across the board, with club winning the Reserves and C grade premierships. A few injuries to key players late in season didn't help, however the Kookaburras managed to stay inside the top 3 all year and will be disappointed at the way the season ended.

Flinders Park: It was basically a tale of two halves for Coach Luke Ivens and his troops as in the first half of the season, Flinders Park were sitting pretty comfortably in second, then the mid-season bye week happened, and they struggled, having at one point, lost four of their next six matches including a 79-point drubbing against North Haven and an 8 point defeat to Gaza, both losses coming within the last month and would ultimately see them drop from third to fourth, which is where they finished, having made consecutive Preliminary Finals but this time falling short by 2 points to the eventual premiers, North Haven

Modbury: finished the season in fifth, there were some ups and downs throughout the season and played some really good football in the second half of the year. Push eventually premiers North Haven all the way in both encounters, whilst a win against neighbour Golden Grove in Round 14, gave them a chance to make finals, unfortunately the statewide COVID-19 lockdown would ultimately end any chance of this.

Edwardstown: finished sixth after starting the season having won their first four matches in a row, before losing seven of their next eight, they were competitive against Golden Grove and Flinders Park in round 6 and 7, however as the second half of the season came around they found themselves well off the pace and never looked like a finals team. Overall, pretty disappointing season considering as mentioned, 4-0 start.

CBC Old Collegians: Despite finishing with six wins from their 18 matches, CBC Old Collegians ended the season on a high, yes, improvement is needed but take their game against North Haven earlier in the season as an example of what they are capable of, it may have been raining and windy that particular afternoon, but it helped boost the Dolphins confidence as they were in the middle of a three-game winning streak.

Westminster OS: in what was a very inconsistent season, Westminster finished in eight position having just won only five matches the entire season. Room for improvement is needed in all aspects of the game over the off-season and into the pre-season.

Plympton: pretty disappointing. Couldn't play all four quarters. In a number of games this season, the Bulldogs would be leading or in the contest at halftime but then would end up getting blown away in the second half due to tired legs and fatigue.

Portland: first year back in the competition after having to pull out in 2020 due to COVID. Despite not winning a single game all year, there were definitely moments, not just from a team performance but also a player performance, with Dale Laslett producing what is quite possibly his best season of his career to date. The improvement is there, and it was on show through glimpses on multiple occasions in season 2021. Hopefully they will be more competitive in Division 4 next year.

DIVISION 4 GRAND FINAL REVIEW

Morphettville Park v SMOSH West Lakes.

Morphettville Park are the 2021 Division Four premiers, defeating SMOSH West Lakes by 36 points at Simonds Park. In greasy conditions Cohen Mattner gave the Lion's a flying start with a goal inside the first minute before Morphettville hit back with a pair of Matthew Duldig goals to take a five-point lead into quarter time. The second quarter belonged to Morphettville as the Roo's put through five goals to one, including the first three goals of the term unanswered to take a commanding 28-point lead into half-time. SMOSH tried to hit back in the third term and despite holding Morphettville goalless were only able to put through two majors for themselves as they continued to waste goal-scoring opportunities, highlighted by a set shot opportunity on the three-quarter time siren that would have cut the lead to just eight points. Mattner put through his third goal to start the final term, cutting the lead to seven points and the Lions had chances to cut the lead under a goal but were unable to take their advantage of their opportunities before a Christopher Barns goal swung back the momentum for Morphettville. The Roo's took full advantage of their momentum as put through another four goals in a row, capped off by an Edward Doak goal that took an unassailable lead. The siren sounded shortly after too raucous celebration as Morphettville Park return back to Division Three with a flag in hand. Matthew Duldig was once again the main man up forward for Morphettville with six goals while Christopher Barns was also massive with three majors. Lewis Lean and Kane Godlevsky were enormous while Cory Gregson was best afield in yet another dominant performance, gathering plenty of the football. For SMOSH, Cohen Mattner put through three goals while both Luke Faint and Gareth Smith both hit the scoreboard. Darcy Ginever tried hard and Sam Fairclough once again gave his all but it was not enough as the Lions were unable to advantage of their opportunities in front of goal. While they will obviously be unhappy with the result the Lions would have to be happy with their season as a whole as not many gave them a chance of making finals let alone playing off in the grand final.

THANKYOU

I'd like to take this time to thank everyone who supported the SA Footballer this year. Congratulations to Morphettville Park on the big grand final win and to all the other teams on a strongly fought season. You have all been wonderful to write about week in and week out. Thanking the clubs for your help during the season and for supplying me with valuable informaton to write my articles.

DIVISION 5 GRAND FINAL REVIEW

Pooraka v Kenilworth

The Bulls are well and truly on parade after taking out the 2021 Division 5 Wakefield Clinic Premiership, trumping Kenilworth by 65 points. The score certainly didn't reflect the closeness of the match, in what was a highly entertaining spectacle. The crowd was electric all day, despite the Pooraka supporters completely outnumbering the Kenilworth fans in what felt like a Pooraka home game. In true Pooraka fashion, the Bulls absolutely blew their opposition out of the water in the second half, in what was a true reflection of the third quarter being the 'premiership quarter.' The pressure and intensity were there from both sides, reflecting the style of game played early on. Players from either side were jittery in the opening 10 minutes, with very few managing to secure any clean takes and execute their skills. Either side could take a stronghold over the match as the sides kicked goal for goal. Pooraka were slightly more wasteful, however they remained within five points at quarter time. The second quarter saw the momentum shift in Kenilworth's favour after some surging passages of play. The Kookaburras were able to move the ball cleanly, hitting every target as they cruised their way up to goal. The Bulls defence held strong and managed to relent the Kenilworth surge. The Bulls managed to fight back to take control, slowing down the tempo of the game dramatically with a defensive, kick-mark style of footy. After regaining control, the Bulls utilised their run, moving the ball in waves to penetrate the Kenilworth defence. Despite their highly promising passages of play, either side stormed failed to storm ahead, with the half time margin remaining under a goal. It looked like Kenilworth had the offensive flow to run over the top of the Bulls late in the second and the Kookaburras would continue this in the third to build a significant lead, however the complete opposite would occur, as the Bulls flicked a switch. The third quarter would see the affair remain tight early before a Kenilworth lapse that would prove fatal. The Kookaburras were slow to defend and the Bulls pounced on this, in what was another prime example of 'the running of the bulls.' Pooraka moved the ball quickly by hand, creating overlap and freeing up their forwards further down the ground, giving them easy opportunities. Pooraka capitalised on these opportunities, kicking four consecutive goals to round out the quarter. They would take a 31-point lead into the final huddle; a margin that looked safe against a seemingly down and out Kenilworth. The Kookaburras responded early, setting the tone with an intense first two minutes. However, the Kookaburras wasted their chances and began to lose hope. Pooraka managed to kick the first major of the quarter to bury Kenilworth, which was then followed by an additional six goals against a helpless Kenilworth defence. The Bulls were once again running in waves, killing the Kookaburras off the counter with slick handball chains. Kenilworth deserved a far less embarrassing margin, as their effort was stellar for three quarters. Pooraka were far more willing to run and take risks which in the end,

was the deciding factor. S. Clarke was the standout player for Kenilworth, anchoring the backline throughout the whole game and barely losing a one-on-one contest all day. J. Whittlesea and J. Wilson-King gave Kenilworth every chance with their ball use and clearance work, meanwhile provided B. Rayson great support with his outside running and ball-use. They were simply outclassed and outworked by the likes of the Timpano brothers and M. Rankine, who were absolute menaces through the centre of the ground and up forward. F. Timpano in particular, had another stand-out performance, earning himself best on ground honours, to go with his Dicker Medal in what will surely go down as one of the all-time best seasons in the division's history.

THANKYOU

I'd like to take this time to thank everyone who supported the SA Footballer this year. Congratulations to Pooraka on the big grand final win and to all the other teams on a strongly fought season. You have all been wonderful to write about week in and week out. Thanking the clubs for your help during the season and for supplying me with valuable informaton to write my articles.

DIVISION 6 GRAND FINAL REVIEW

Elizabeth v St Pauls OS

The Eagle has once again landed at Argana Park for the first time since 2005 as Elizabeth have completed an unbelievable invincible season, winning the Grand Final against St Pauls by 25 points! Elizabeth were forced to come from behind for the victory and it was a tight opening quarter with the margin at one goal each. In the second quarter, Elizabeth were very inaccurate and St Pauls made them pay, kicking two goals to one, to hold a four-point advantage at the main break. However, in the third term, the Elizabeth we have seen all season long came to play in the premiership quarter, kicking three goals to none to hold a 16-point lead at the final break. In the final quarter, celebrations were in full swing for Elizabeth as they claimed a 25-point victory to break their premiership drought and be crowned division six premiers for the 2021 season. For St Pauls, unfortunately they suffered their second straight grand final defeat, however, this year's defeat is bittersweet as they will be promoted to division five in season 2022. Key forward Jarad Clinton showed why he was the competitions leading goalkicker with three majors, while livewire forward Blake Mitchell also kicked a crucial goal in the third term. Jake Reynolds was awarded as best-on-ground for Elizabeth with a brilliant display, while both Stephen James and Aaron Stephenson were crucial to the win. For St Pauls, Matt Pendlington continued his terrific form with another two goals, backing up last week's six goal performance, while Nicholas Morasca also proved a dangerous target taking important marks and was rewarded with a goal. Anthony Alessiani and Jacob Markey fought valiantly for their side, but unfortunately weren't rewarded on the scoreboard. Elizabeth will no doubt be a contender in division five in season 2022, while I also expect St Pauls to remain in the division on the back of more individual brilliance by Riley Henriks who took out the competition's best player award, along with Matt Brincat from Blackfriars.

THANKYOU

I'd like to take this time to thank everyone who supported the SA Footballer this year. Congratulations to Elizabeth on the big grand final win and to all the other teams on a strongly fought season. You have all been wonderful to write about week in and week out. Thanking the clubs for your help during the season and for supplying me with valuable informaton to write my articles.

DIVISION 7 GRAND FINAL REVIEW

Central United vs Brahma Lodge at Thomas Farms Oval.

1st quarter

Central United won the toss and elected to kick to the southern end and after the scene was set by the national anthem both teams were ready to do battle and for the first 5 minutes it was a hard ball to be won until Dylan Chaffey was able to kick the first goal of the match. The next 10 minutes was full of stoppages which Jamie Lane took advantage of inside the Doggies 50 and kicked a goal to even the scoreboard. A Darrell McIntyre free kick and goal moments later gave them the lead and when time on started the Tigers had a boundary throw in they capitalised on thru a classy goal on his left foot to Donald Wills which sparked the Tigers into action freeing up their ball movement and with 2 more goals just before the quarter time siren 1 nice roving 50m goal to Jack Scott who along with Dene Steele and Michael Allan had set up a handy 14 point quarter time lead and had shown their speed at the contest was a concern for the doggies to adjust too.

Brahma Lodge 4 2 26
Central United 2 0 12

2nd quarter

Within secs of the quarter starting this again was on display as the tigers Donald Wills run into any easy goal before the next 15 minutes was an arm wrestle as both teams made mistakes under pressure and couldn't make use of their opportunities in front of goal until the 16 minute mark when Doggies young star Caleb Squires produced some magic in the goal square to get the margin back to 13 pts. Jack Cook was peppering the goals and with a head high free kick at the 20 minute mark kicked truly for his first goal and when Dene Steele and Jack Scott took it in turns to kick tight left foot goals from seemingly the same spot on the boundary within minutes of half time, the Tigers pace and pressure on the ball carrier was too much for Central United to possess the ball and although on ballers Brayden Abbott and Adrian Mark were battling hard to stay in the contest the run and pace of the tigers was giving them numbers at the contest in a surge like mentality and had set up a 34 point half time lead. Jack Scott, Jackson Thompson and Gavin Buckskin just a few tigers that were contributing in a half that had them full of momentum at the break.

Brahma Lodge 8 8 56
Central United 3 4 22

3rd quarter

Central United needed to respond and 6 minutes into the quarter were able to get the first goal of the quarter through Thomas Porter before Brahma Lodge dominated the next set of clearances and were able to execute in front of goals efficiently to kick 3 goals in 5 minutes and completely blow the contest wide open when Eric Mendes goaled at the 11 min mark and the margin was now

47 points 2 marks and goals from doggies Haughey and Dempsey gave them some hope but when Grand Final specialist Jack Cook again took a strong mark and goaled late in the quarter the Tigers only had to slow the contest down and possess the ball for the last few minutes of the quarter which they did and with a quarter to go had a 40 point 3/4 time lead.

Brandon Olszewski and Austin Reeves tried hard for Central United while Michael Allan and Veasna Leak proved hard to get past in the Tigers defence.

Brahma Lodge 12 10 82
Central United 6 6 42

4th quarter

Needing quick goals and again the Doggies were able to start with the first goal through Peter Dempsey and as was the story of the day the Tigers instantly replied moments later with another goal through link up between Jack Cook and Scott once again.

The last quarter was more free flowing as the pressure of the previous 3 quarters had taken its toll on the players and mistakes and turnovers become a part of the contest and as a result Central United never really looked a threat even though players Mark Garner, Alex Haughey and Thomas Porter continued to show pride in the Guernsey until the end. The Tigers run and pace was shutting down their ball movement and with execution by foot found Jack Cook for another strong mark and goal with him ending up with 4 goals on the day.

Now it was time for Brahma Lodge to start the party as medallist Jackson Thompson, Veasna Leak, Jack Scott and player/coach Dene Steele steered the Tigers home for a history making 52 point back to back Division 7 Premiership win with many more players playing their part and were named undisputed champions in Season 2021.

Brahma Lodge 16 13 109
Central United 8 9 57

Congratulations to the Mighty Tigers and best of luck to everyone in season 2022 ahead.

I've thoroughly enjoyed my time at the SA Footballer and thanks to everyone who's contributed in some way to help me throughout the year.
