## ROUND 8

### Goodwood 21.11 (137) def Tea Tree Gully 7.8 (50)

The Saints have made a statement to the rest of the league on Saturday, completing dominating fellow finals' fancies Tea Tree Gully by 87 points. The game was all but over by half time, as the home side piled on fourteen first half goals to lead by 61 at the main break. The Gullies somewhat stopped the bleeding in the second half but were ultimately outclassed from the first bounce. Nicholas Burgess and Will Clarke both snagged five goals for the winners, while Nick Favretto put together a pivotal performance to seal his team's place in the top two. With the loss, the Gullies still remain a game clear in fourth, but their form from early-season has seemingly vanished.

### Prince Alfred 13.6 (84) def Brighton 6.5 (41)

Prince Alfred registered their third win of the season on Saturday, and it was a vital win that just keeps them within a sniff of finals. The home side were aided by big second and third quarters as they comfortably won by 43 points. The Bombers dwindle in ninth place with just the two wins, and their finals window has almost completely closed considering they are three games out of the top four already. Chris Curran and Adam Perryman were equally as influential for the winners, while Hugo Kelly led all goal scorers with three majors for Prince Alfred.

### Payneham 12.6 (78) def by Glenunga 13.13 (91)

A last quarter fightback by the bottom-placed Magpies fell two goals short on the weekend, as Glenunga held on to win a crucial road game that keeps them within striking distance of a top four place. The game seemingly looked over by three quarter time, as the Rams had built a 34-point margin, but the home side came alive in the last to make the final deficit look better than it perhaps seemed for a majority of the contest. Luke Holian (5 votes) and D'Arcy Mitchell (5 goals) were Glenunga's best, as they moved to a 4-4 record after eight rounds. For Payneham, Brad McKenzie was their shining light, but there is very little to cheer about as the club sits at a 1-7 record and firmly in bottom place.

### Old Ignatians 12.16 (88) def Rostrevor 10.13 (73)

It was a tale of two halves at Karen Rolton Oval on Saturday afternoon, as Old Ignatians came back from 20 points down at half time to steal the win at home. Rostrevor came out the blocks firing and seemed to have the contest in their control, but the home side roared to life in the second half, kicking eight goals to two in that timeframe to pick up a much needed win. The visitors will be ruing a zero-goal last quarter which ultimately cost them what would have been an impressive road upset, but instead of a 5-3 record they have to settle for a 4-4 record, one win out of the top four. After a disappointing couple of weeks for Old Ignatians, Domonic Grant (5 votes, 5 goals) put the team on his back to steer his club back on track, joining Rostrevor at 4-4.

### Port District 8.13 (61) def by St Peters 15.7 (97)

In what loomed as the game of the round, it was St Peters who walked all over Port District on their own turf on Saturday. The visitors won in emphatic fashion, by 36 points, against a side that is normally formidable at home. After a slow start, the home side rallied to cut the deficit to fourteen at half time, before St Peters pulled away in the second half. Accuracy in front of goal also helped the visitors, as they converted 15 of their 22 scoring shots into goals, compared to Port District's 8 from 21. With the win, St Peters sit equal top with a 6-2 record. Jake Sutcliffe was near perfect for the winning side, kicking seven goals in a best-on-ground performance, while Jock McLeay added four goals himself.

**Lachy Jones** gives his match previews for this weeks matches

**ROUND 9**

**Brighton v St Peters**

St Peters will be coming into this full of confidence, after defeating Port District on the road to claim a stronghold on top spot, and they should enjoy an easier matchup this week against a struggling Brighton outfit that have won just two games so far. The Bombers have shown patches of good footy, but for the most part, have been a fairly easy opponent, and against a side as good as St Peters, this week should be no different.

**Rostrevor v Port District**

If it wasn't for a complete collapse in the second half on Saturday, Rostrevor could be sitting in the top four right now. Instead, they sit at 4-4 and just out of the four, but at home this week they have a chance to redeem themselves. Their opponent, Port District, was beaten badly at home last week, and will be looking to avenge their poor showing, and if they are the real deal, they will bounce back in emphatic fashion this week. This should be a good contest, as both sides look primed to make a run at finals this year.

**Glenunga v Old Ignatians**

Both sides are in a very similar boat entering this week's clash. The Rams and Old Ignatians were both off to great starts in 2022, before both teams had a slide in form over the last few weeks, dropping games they shouldn't have dropped, before big wins last week saw both sides get back on track in the winners column. This match proves as a test for both clubs, to see where they're really at, and to stay in touch with the top four. Hard to bet against the Rams at home, but it should be close.

**Tea Tree Gully v Payneham**

The Gullies suffered a brutal reality check on Saturday, as they were thumped by a strong Goodwood outfit by 87 points. Fortunately for them, they have a chance to gain some confidence back this week against the bottom-placed Magpies, who have registered just the one win this season. The Gullies should win this easy, unless they play like they did last week.

**Prince Alfred v Goodwood**

Finally, Goodwood travel to Prince Alfred off the back of an impressive 87-point win against Tea Tree Gully last week, one that moved them to equal first place. This week is a serious chance for them to stamp themselves as one of the premier teams in the competition, as a road win against a rising Prince Alfred squad will do wonders for their momentum. Though, it won't be easy, as Prince Alfred have claimed some big scalps this year and have been really competitive for the most part. I'm backing the Saints, but don't be surprised if an upset is on the cards.

## Adelaide University v Unley Mercedes Jets

Adelaide University have recorded their second win of the season, defeating the Unley Mercedes Jets by 48 points at Park 12 University Oval. Adelaide Uni came out of the blocks firing, kicking seven goals to one in a blistering first term that saw them take a 38-point lead into quarter time. The Jets hit back however, completely turning the game on its head with a six goal to one second term that cut the deficit down to nine points at the main break. The match tightened in the third term before Adelaide University kicked clear in the final term, putting through five majors and holding the Jets to just two behinds to secure the win. Brandon Robison was the main target up forward for Adelaide University with four goals while James Carter, Matthew Langridge, Nicholas Langridge and Joshua Sims all put through two goals each. Jeremy Harford was strong, and Stefan Jankewicz kept up his solid form in the win. For Unley, Nick Wark and Lachlan Denyer both kicked two goals while Oliver Cheeseman fought hard in a disappointing loss for the Jets that keeps them two wins outside the top five. Unley will have their opportunity to bounce back when they host Henley while Adelaide University will hope to continue their form onto the road against Gaza.

## Gaza v Athelstone

Athelstone have found some of their early season form, defeating Gaza by 58-points in a dominant display at Klemzig Reserve. The Raggies completely dominated the first half, holding Gaza to one goal and having 17 scoring shots of their own but inaccuracy meant that they only took a 33-point lead into half time. The Eagles managed to stay in the contest throughout the third term before sheer weight of opportunity finally gave way for Athelstone as they kicked five goals to one in the final term to record an important victory that gets their season back on track. Daniel Cluse, Christian Elliot and Luca Stepic all kicked two goals for the Raggies while Sam Tarca and Sam Daniele were both influential in the victory. For Gaza, Ryan Burns, Todd Culley, Keenan Kartinyeri and Corey Solly all kicked a goal while Joshua Senior tried hard in a disappointing loss for the Eagles. Gaza will look to get back on the winners list when they host Adelaide University while Athelstone have another big matchup when they travel to take on PHOS Camden.

## Henley v Broadview

Broadview have extended their unbeaten run to eight games, defeating a competitive Henley side by 41 points at Henley Memorial Oval. Broadview took a one goal lead into the first change after an exciting first term before the Sharks hit back with a three goal to one second term to take a four-point lead into the main break. From there it was all Broadview as the tigers kicked seven goals to two in the third term to take a 27 -point lead into three quarter time before a five goal to three final term secured an important victory that puts Broadview two games clear on top of the table. Nathan Gordon was once again a star for the Tigers with a six-goal performance while Xavier Gotch provided plenty of support with three goals of his own. Chol Anyang was strong, and Jay O'Leary gathered plenty of the football to be named best afield. For Henley, Tom Pillion kicked four goals while Dylan Simpson fought hard in a tough loss for the Sharks that leaves them a game outside the top five. The Sharks will hope to turn their form around when they travel to face Unley while Broadview host North Haven in what should be an enticing matchup.

## North Haven v Salisbury North

Salisbury North have pulled off one of the upsets of the season, defeating North Haven by nine points at Largs North Reserve. After kicking just one goal the week before the Hawks dominated the first term, kicking four goals to two and taking a 16-point lead into quarter time. Salisbury North continued the onslaught in the second term, kicking four goals to one to extend their lead to 34 points. The game tightened in the third term as Salisbury North extended the lead by a solitary point to lead by 35 points coming into the final term. North Haven gave it everything they had in the final term, kicking six goals to two but it wasn't enough as Salisbury North held on for a stunning win. Steven Wellington was the hero for Salisbury North, kicking eight goals while Benjamin Wiles also managed two majors. Jacob Russo had the ball on the string and Jordan O'Brien delivered a dominant performance in the win. For North Haven, Jamie Solly once again was huge with three goals while Ryan McInerney tried hard in the shock loss. Salisbury North face another tough task when they host Sacred Heart OC while North Haven will need to respond quickly if they are to have any hope on the road against Broadview.

**Sacred Heart OC v PHOS Camden**

PHOS Camden have ended their three-game losing streak, defeating Sacred Heart OC by 13 points at Sacred Heart Middle School Oval. The Phantoms took a three-point lead into the first change and continued to stick with the heavily favoured Sacred Heart in the second term, taking a four-point lead into half time after another tightly contested quarter. PHOS were able to get some breathing space in the third term, with a four goal to three quarter extending their lead to nine points at the final change before another tightly contested term saw the Phantoms come out on top, kicking two goals to one and securing an impressive victory which snaps Sacred Heart's six game winning streak. Finn Betterman and Jack Maguire both hit the scoreboard for the Phantoms, kicking two goals apiece while Dylan Morton and Henry Papatolis were both influential in the win which leaves PHOS a game clear inside the top five. For Sacred Heart, Darcy Le Cornu and Cameron Rankin kicked two majors each while Taylor Angel fought hard in defeat. Sacred Heart will hope for an easier matchup when they travel to face Salisbury North while PHOS Camden host Athelstone in what should be an entertaining matchup.

**Previews**

**PHOS Camden v Athelstone**

PHOS Camden and Athelstone meet at Camden Oval in what should be an exciting matchup between two teams that regained some form on the weekend. PHOS Camden beat one of the top teams in the competition in Sacred Heart while Athelstone were clinical against Gaza. A win for either side will help entrench them inside the top five and while PHOS showed on the weekend, they can beat almost anyone on their day I think Athelstone have been a more consistent football team and should just get the job done. **Athelstone by 11 points.**

**Salisbury North v Sacred Heart OC**

Salisbury North welcome Sacred Heart OC to Salisbury North Oval, the Hawks fresh off a stunning win over North Haven that has given their fans some hope they can make a charge at finals this year. To do so they will have to overcome a Sacred Heart side that is stinging after a tough loss against PHOS Camden. While they went down on the weekend Sacred Heart have been one of the form sides of the competition and it will take a might effort for Salisbury North to produce two upsets in a row. **Sacred Heart OC by 37 points.**

**Broadview v North Haven**

North Haven travel to take on Broadview at Broadview Oval with the Magpies looking to bounce back after an embarrassing loss to lowly Salisbury North in front of their home crowd. They don't get any tougher assignment this week, coming up against the only unbeaten side in the competition, Broadview continuing their unbeaten streak to eight games after a workmanlike win over Henley. North Haven will definitely come out firing after last week's performance, but I don't think they will be able to sustain it long enough to trouble the ladder leaders. **Broadview by 21 points.**

**Unley Mercedes Jets v Henley**

Henley travel to take on the Unley Mercedes Jets at Kingswood Oval, the Sharks looking to record a victory that could potentially see them move inside the top five. Henley fought hard last week but couldn't match Broadview while Unley were disappointing in their loss to Adelaide University. A win for both sides is crucial for their season, but Henley look the clear pick to get the job done in what should be a closer game than many people may expect. **Henley by 19 points.**

**Gaza v Adelaide University**

Adelaide University travel to take on Gaza at Klemzig Reserve, Adelaide Uni looking to build on their second win of the season over the Unley Mercedes Jets. They come up against a Gaza side who is struggling, going down to Athelstone by 58 points on the weekend. More concerning for the Eagles is they allowed 33 scoring shots to just 10 with the Raggies unable to take advantage of their weight of opportunities. A loss for either side could almost end the small sliver of hope they have of a run towards finals and unfortunately, I can't see Gaza getting a win over an Adelaide University side who may have found for. **Adelaide University by 29 points.**

# REVIEWS AND PREVIEWS

### REVIEWS

#### Scotch OC v Edwardstown

Edwardstown have returned to the top four on the back of an impressive 55-point win over the lowly Scotch. Scotch got the jump on the visitors with a three goal to two start, taking a five-point advantage at the opening break. However, Edwardstown got back to playing their best football in the second quarter, kicking five goals to two and leading by 17-points at the half. The game followed upon the same trend for the remainder of the match, with the visitors' best quarter coming in the final one. It was here we saw Edwardstown kick six goals to one, extending their 23-point three quarter time lead to 55 by the time the final siren sounded. George Cornish was once again a standout for Edwardstown up forward with five goals, while Josh Schiller proved a handy side-kick with three majors. Aaron Anderson and Ben Homburg once again found plenty of the football and were heavy contributors in the victory. For the visitors, Jarrod King had his best game of 2022 with three goals up forward, while Louis Heard and Max Renfrey proved valiant in defeat as they have several times this season.

#### CBC OC v Golden Grove

Golden Grove has further strengthened its grip on the top of the ladder and sent CBC further into a relegation battle. The game appeared to be a tight encounter throughout the opening stages, with the Kookaburras taking just a six-point lead into quarter time. However, from there the ladder leaders flexed their muscles with a five goal to one second quarter. This would also be CBC's final goal of the match. Golden Grove's second half was a sight to behold, with the premiership favourites playing champagne football, kicking 11 goals to nil after half time. Joel Horskins was once again the star up forward for the Kookaburras, kicking four goals, and was well supported by livewire Jed Banwell who bagged three goals. Lachlan Borg and Cam Shenton were brilliant for the visitors, finding plenty of the ball and continuously supplying the Kookaburras with goal-scoring opportunities, particularly after half time. For CBC, superstar Sam Raymond fought strongly all afternoon, finding plenty of the football and even booting one of CBC's only three goals. Michael Tremonte and Jonah Byrnes also fought valiantly despite the defeat and can hold their heads high despite defeat.

#### Modbury v SMOSH West Lakes

Modbury has returned to the winners list, and returned to second place on the ladder, while SMOSH's bad run of form continues. The match started in very high scoring fashion, with both sides kicking five first quarter goals each to have the margin at just one point at quarter time. SMOSH remained in touch with the Hawks in the second quarter. Modbury kicked four goals to three to have the margin at just nine points at the main break. However, from there, it was all Modbury with the home side having a damaging 11 goal to four second half and running out 52-point victors at home. Liam Verity continued his dominant season with seven goals in the match and picking up best afiel honours. Nathan Hearing was also a vital contributor to the Modbury win, kicking three goals. Tim Davey continued his fantastic season, getting plenty of the ball around the ground, while youngster Nathan Maunder also had his best game of the year in the victory. For SMOSH, the dynamic duo of Josh Critchley and Blake Deussen were very handy contributors up forward with three goals each. Elsewhere, Sam Fairclough and Adam Mahney were brilliant around the ground once again as they have been all season, providing somewhat of a resistance all afternoon.

#### Seaton Ramblers v Flinders Park

Flinders Park have further staked their claim inside the competition's top four with a commanding 64-point win over Seaton with a remarkable second half showing. Seaton made the Reds pay for their missed opportunities in the opening half and would surprisingly take an eight-point half-time lead. However, from there we witnessed some of the most dominant football seen across the competition, with the Reds opening a 15 goal to three second half to run out big winners on the road. Justin Hardy

was the star of the show for the visitors with eight goals, while Flinders Park had another six individual goal-kickers, four of whom with two goals. Scott Bedford and Dakota Nixon were very impressive for Flinders, finding plenty of the football and were deserving of being named within the best players. Jordan Kasianowicz was excellent up forward for Seaton with four goals, while Zeke Scott continued his solid season with another two goals. Cameron Buchannan and Bryan Leahy led the way throughout the midfield all afternoon, finding plenty of the football and taking out best afield nominations in the loss.

**Morphettville Park v Westminster OS**

Morphettville Park have finally re-joined the winners list with a gritty 13-point win over Westminster at home. The Kangaroos burst out of the blocks with a seven goal to one first term, taking a shock 34-point lead into quarter time, much to the delight of the home fans. Westminster begun clawing back into the match in the second term with five goals to one, cutting the margin back to 14-points at the main break. The third quarter proved to be very even with the Roos taking a slight advantage with a five goal to four quarter and with the margin at 19 points at the final change, the match was there for the taking in the final quarter. Despite winning the last quarter, it wasn't enough for the visitors, falling by 13 points. Edward Doak proved to be the difference in the match with a bag of eight goals, while Kane Godlevsky also provided a strong performance with two critical goals as Westminster mounted their charge. Nick Hankin was also a valuable performer in the win, finding plenty of the ball and was named in the best players in the Kangaroos breakthrough win. Aaron Fielke had a strong performance up forward for the men in Green with five goals, while Connor Drum also kicked three. Lachie Rees and the ever-consistent Riley Wilson were valiant despite the defeat and were instrumental in the Westminster comeback.

**PREVIEWS**

**Westminster OS v Golden Grove**

Desperate for a response after last weekend's shock loss, Westminster is set to return home to face off against Golden Grove in a must win match. The fixture isn't an easy one for the home side with Golden Grove still undefeated after eight rounds. **Prediction: Golden Grove by 43 points.**

**SMOSH West Lakes v Seaton Ramblers**

After a tough few weeks, SMOSH are set to return home to take on Seaton in what is set to be a big contest for both sides. Both sides find themselves evenly poised on the ladder and will both be looking to gain major levels of confidence at the midway point of the year. I expect a tough contest with both sides set to fight hard. **Prediction: SMOSH West Lakes by 19 points.**

**Edwardstown v Modbury**

In what is the match of the round, fourth placed Edwardstown will take on second placed Modbury in a massive clash at Edwardstown Oval. Both sides are desperate for a win as it will help them stake their claims as a top three side in the competition and send warning signs to the rest of the competition. **Prediction: Edwardstown by 5 points.**

**CBC OC v Scotch OC**

In a big clash for the lower end of the table, the two relegation zoned clubs, CBC and Scotch are set to face off. CBC have put in some strong performances so far this year, but find themselves with just one win, while Scotch finds themselves with two after eight rounds. I expect Scotch to pick up victory in this one, and temporarily move out of the drop zone. **Prediction: Scotch OC by 22 points.**

**Flinders Park v Morphettville Park**

Flinders Park is set to return home this week, and if results tumble their way as well as getting a win for themselves, the home side could find themselves in the top two come the end of the round. Despite a confidence boosting win last weekend against Westminster, I doubt if Morphettville Park can keep their winning feeling going. **Prediction: Flinders Park by 67 points.**

## Kenilworth 21.14-140 def Woodville South 8.10-58

Kenilworth has recorded a huge win at home against Woodville South. The match started out quite close and it was high scoring in the first quarter, six goals played five. From here on out, it was all Kenilworth, a 38-point lead heading into the main break with full momentum. The lead was slightly extended in the third and the cats were not making any ground on the margin. The Burra's took the last quarter as a percentage booster, kicking seven goals to one and winning this match by 82 points. Leroy Marsh kicked seven with Myles Crump booting five as part of Kenilworth's best. Lachlan Haufe, Jake Mansell and Tommy-Lee Russo who kicked four were Woodville South's best. The cats next week face Portland at home and it will be tough to bounce back. Kenilworth travel to Pulteney for another match where neither will want to lose given their positions on the ladder.

## Walkerville 17.13-115 def Pulteney 16.8-104

Walkerville have narrowly avoided the upset of the season, beating Pulteney in a high scoring affair. Pulteney got out fast, keeping the cats at bay and getting out to a quick 17-point lead. Believe it or not this lead grew in the second quarter to 20 points, looking like something may happen for the Blues. In the third quarter the Blues held their nerves and were able to neutralise the third quarter and just needed to finish off this match for their first victory. Unfortunately for the Blues they were unable to hold on and for the cats they avoided a huge upset as they came out 11-point victors. Adam Law, Nick Gillard and Jordan Storey were the best for Walkerville. Joshua Giddings kicked eight for Pulteney and was best alongside Matthew Nielsen, Zac Sipek and Thomas Rowe. Walkerville next week host Plympton in a very tough match towards the top end of the division. Pulteney host Kenilworth for another match where neither will want to lose given their positions on the ladder.

## Portland 12.8-80 def Pembroke OS 17.14-116

Pembroke have walked away with a statement win against Portland away from home. The match started low scoring with the score being one goal to two which picked up slightly in the second. It was the visitors who broke the game open, getting out to a 27-point lead. This lead extended to 40 points at three quarter time which put them in a comfortable position to finish the game which they did by six goals. The win was able to put Pembroke on top of the division with Plympton losing. Terrance Milera, Dylan Frank and Jake Neade were the best for the hosts. Alex Forster kicked five and was a part of the Kings best alongside Patrick Levicki, Maximilian Thring and Benjamin Williams. Portland travel to Woodville South next week while Pembroke have tough match against Pooraka.

## Pooraka 11.13-79 def Mitcham 7.7-49

Pooraka had a nice home victory against Mitcham to climb back into the top five. The bulls led wire to wire in this one, only leading by two goals in the first quarter before opening up to a 26-point Pooraka lead. This grew even larger in the third and the game was won here when the Bulls got out to 42 points and it could have been larger. The game finished with a five-goal victory to the Bulls in a game where not much resistance was provided by the Hawks. Ronaldo Rankine kicked five and was best with Frank Timpano, Rhys Kalic and Joel Harrison for the hosts. Pooraka travel to the division leaders for a tough matchup Mitcham also face a tough matchup against Hope Valley.

## Hope Valley 13.10-88 def Plympton 13.9-87

Hope Valley have won a classic beating the division leading Plympton Bulldogs. A match of tosses and turns started with the Bulldogs taking the initial lead by just a single goal. The margin stayed tight at half time with the bulldogs remaining with the edge. But the third quarter was all the Demons, kicking six goals to two points and completely turning the tables in this match. The Demons were able to win but they were definitely made to work for it. The Bulldogs took it all the way to a one point game

but weren't able to reclaim the lead. Daniel Nobes kicked six and led the game in scoring and was best with Benjamin Carabott, Josh Schilling and Jaggah Lambropoulos. Lachie Stoddard, Jackson Davis and Jamie West were best for the visitors. Hope Valley travel to Mitcham next week whilst Plympton have a tough match against Walkerville.

**Previews:**

**MATCH OF THE ROUND: Walkerville v Plympton**

This weeks match of the round features the second versing third matchup between Walkerville v Plympton. Both teams had hot start to this season and have had a couple weeks of hiccups. Walkerville took three quarters to get in front of a winless Pulteney and the previous week had lost to Hope Valley. Plympton had there win streak snapped which was also to Hope Valley by a single point. The best attack against the best defence in the division but in this instance I believe the cats come in as the better team and will be in the top two at the end of the round. **Walkerville Cats by 1-12 points**

**Mitcham v Hope Valley**

Mitcham this week will host Hope Valley who have been the streak breakers as of late, beating Walkerville and last week Plympton. Most of Mitcham's season has being able to hang with teams for the majority of matches but not having quite enough to win the games. There last three weeks have been evident of this losing by 12, two and 30 points. Both teams have much to play for, Mitcham need to win to get closer to safety. Hope Valley have gradually climbed the ladder and will be in the top three with a win. In this one, I think Hope Valley will prove to be to strong. **Hope Valley Demons by 25-36 points**

**Pembroke OS v Pooraka**

The division leading Pembroke Kings will host the fifth placed Pooraka Bulls. The Kings have won the last four on the trot and had a solid victory away against Portland last week. The Bulls on the other hand have alternated wins and losses against some of the top four and last week Mitcham who they beat. So if the trends continue in both games for these teams it should result in a Pembroke win. And this will be how I will tip also. Pembroke have been undefeated at home this season whilst all of Pooraka's losses have been on the road, its also been all three of the last road games too. **Pembroke Kings 1-12 points**

**Woodville South v Portland**

Woodville South host Portland this week where both teams need to win their games for the positions they're in. Both are in touch with the top five, Portland more so than Woodville South but it is that time of year where the ladder is separating its teams. This match is more crucial for Woodville South, a loss almost rules them out of finals contention and doesn't secure complete safety from relegation. They also must bounce back from a horrible loss last week. A win for Portland well could put them in the five depending on other results. For this match I do see the travelling team getting up and extending the gap between these two teams. **Portland by 37-48 points**

**Pulteney v Kenilworth**

The winless Pulteney play hosts to Kenilworth coming off a strong win. This came at home against Woodville South which maybe has put them in the final's contention conversation. For the Burra's it is set up this week to really confirm that finals possibility tag and find a run of form. Pulteney on the other hand will continue to be in survival mode. Last week although they lost, took it up to one of the best teams in the division away from home. If they can somehow manufacture that performance this week, there's a good chance they finally get on the board. I am going for an upset and tipping Pulteney to get there first victory. **Pulteney by 1-12 points**

# DIVISION 5 REVIEWS AND PREVIEWS

## Division 5 Round 8 Previews & Reviews

**Salisbury 3.5-23 defeated by Lockleys 23.21-159**

**Where: Salisbury Oval/Salisbury Oval 1**

**When: Saturday 28th May, 2:15pm, Salisbury**

**Preview:**

This could get ugly again for Salisbury as they take on yet another top team of the competition in what could be not only another demoralising loss but their fans will start to wonder where does the improvement come from in what has been a super tough year for the struggling side. They come up against Lockleys who are on top of the ladder and are flying after last week's win against Blackfriars Os. Salisbury are coming off another disastrous loss and could be due for another but expect them to have at least some fight, they need to otherwise this year is going to get worse and worse. Expect some fight back from Salisbury but Lockleys are simply too good right now. **Prediction: Lockleys by 70 points.**

**Review:**

It couldn't have happened again but Salisbury have succumbed to yet another terrible loss, this time going down by 136 points to a rampaging Lockleys in a highly ominous showing. Henry Johnson took full advantage of the opposition's depleted defence with 8 goals while Kevin Raison's 4 goals acted as the perfect supporting cast Lockleys continued to strangle Salisbury until they had no life and never relented thereafter. To concede 23 goals and only kick 3 goals yourself is a stat no losing team ever wants to read. It's another abysmal showing for Salisbury and it's hard to see where they wins are going to come from this year. For Lockleys, one mustn't read too much into this performance given just how poor the opposition were but it was another strong showing and a percentage boosting win that will hold them in good stead come the pointy end of the season. Salisbury is on the road against Blackfriars OS this weekend while Lockleys play Elizabeth at home.

**Blackfriars OS 15.10-100 defeated St Pauls OS 10.13-73**

**When: Saturday 28th May, 2:15pm**

**Where: Park 2 St Dominic's Oval 1, North Adelaide**

**Preview:**

Looking at this game externally, this game's a bit of a dead rubber but these sort of games are usually quite entertaining as these two sides are relatively even across the board so expect a tight tussle on Saturday afternoon. Both teams are coming off honourable losses and will out to amend that and get the win but there's only one winner and this matchup is hard to predict. Blackfriars and St Pauls have had largely disappointing seasons but have been rather competitive in most games they've competed in bar the odd thrashing here and there. I like the look of Blackfriars OS better in this given that it's been played on their home deck so expect a close one but the home side to prevail and get the four points. **Prediction: Blackfriars Os by 5 points.**

**Review:**

Blackfriars OS have comfortably prevailed by 27 points against a plucky St Pauls OS on Saturday afternoon. A 5 goals to 1 first term was the game in a nutshell as Blackfriars being on their home soil had the answers from the get go while the visitors failed to get going and playing catch up for the rest of the day. The home side were accurate registering 10 goals from 11 shots to take a comfortable 38-point lead into the main side effectively icing the game and having complete control over it. The goals were spread across the board as Blackfriars had 10 individual goal kicker's as they finally had some synergy going forward and looked to have their team line up comfortably set, something that

has been consistent so far this season. For St Pauls OS it was a rather disappointing loss in a game where they were in a similar position to Blackfriars. If they are going to progress and find improvement then they must take advantage of games like these. Blackfriars OS will take some confidence into next week's game when they host last-placed Salisbury while St Pauls OS will look for improvement in their game against Colonel Light Gardens.

**Elizabeth 15.9-99 defeated Gepps Cross 11.5-71**

**When: Saturday 28th May, 2:15pm**

**Where: Argana Park/ Argana Park 1, Playford**

**Preview:**

This is a huge game, Elizabeth are up against the team directly below them in Gepps Cross in what is a super tantalising matchup with both teams boasting rather talented line-ups and have found some form in recent weeks. Elizabeth, bar their mauling at the hands of fellow contender Eastern Park has been one of the in-form teams of the competition. They did have their colours lowered last week, experiencing a thrashing that left their supporters gobsmacked and will have them a little nervous as Saturday afternoon approaches but the mark of a champion is in which they come back fighting, so expect a steely response. Gepps Cross were at the opposite end last week, crushing a miserable Salisbury north of 100 points in a powerful display but they've quickly moved and have set their eyes on taking a scalp in Elizabeth. This is going to be big so strap yourselves in but expect Elizabeth with a tight win in response to such a disappointing loss last week. **Prediction: Elizabeth by 10 points.**

**Review:**

Now that was a response, Elizabeth have triumphed by 28 points over a plucky Gepps Cross in a strong response to last week's tough loss that now sees them sit fourth on the ladder on percentage with only 1 win separating them from ladder leaders Lockleys. No one expected them to lose in the manner that they did to Eastern Park but what Elizabeth produced in the second quarter on Saturday afternoon was some of the most electrifying footy seen this year. It was a tight tussle as Gepps Cross took it up to the home side coming off a rousing win but keen to prove themselves against one of the frontrunners of this year's premiership. They took a 1 goal lead into the second quarter but from there some sort of fire lit in Elizabeth's belly as they came out like a man on a mission kicking 8 goals to 2 to take a rousing 31-point lead into half-time. That's a response that is needed if a side is a genuine premiership contender and Elizabeth are certainly that, they never relinquished their lead after that strong second term and at times made Gepps Cross look second rate as they couldn't absorb the pressure from their more fancied opponents. Jarad Clinton was very solid with 3 goals but the goals were shared around with the home side boasting 11 individual goal kickers. Jake Gilgen fought hard for the visitors with 3 majors of his own but Gepps Cross left their comeback too late winning the last quarter kicking 5 goals to 2 but still with a mountain of work to do. Elizabeth face a huge test against ladder leaders Lockleys while Gepps Cross have a test of their own when they face second placed Hectorville.

**Hectorville 19.17-131 defeated Eastern Park 7.6-48**

**When: Saturday 28th May, 2:15pm**

**Where: Daly Oval (Hectorville Sports and Community Club)/Daly Oval 1, Magill**

**Preview:**

This is another juicy matchup as it's the second placed Hectorville taking on third placed Eastern Park in what looks to be one of the matches of the year. Hectorville are coming off somewhat of a tight win against Colonel Light Gardens while Eastern Park last week thrashed Elizabeth and are feeling some kind of form lately. This is going to be a super tight in the trenches like battle between two sides that are vying for this year's flag. These are the blockbuster type matches of each season, the premiership

hopefuls doing battle against each other and seeing just who is game enough to go all the way. They're reasonably evenly matched Hectorville and Eastern Park but with home ground advantage going Hectorville's way expect the home side to triumph in a close one. **Prediction: Hectorville by 3 points.**

**Review:**

Now that was anti-climactic and a half, Hectorville have convincingly smashed fellow premierships fancy Eastern Park by 83 points on Saturday afternoon in a display that will send shockwaves through the rest of the competition. Hectorville jumped the visiting side from the opening bounce taking a handy 25-point lead into the second term and never looking back. Eastern Park failed to fire a shot throughout the entire first half only registering 2 goals to Hectorville's 8. They tried to find some form in the second half but only kicked 5 goals to Hectorville's 11 as the home side raced to a resounding win. Jake Mazzone was the star up forward with 6 goals while Lachlan Falco and Jak Goudman-Glasson had 6 goals between them as Hectorville's attacking strength was on show for all to see. Eastern Park is back at home against Kilburn and will look to amend after a demoralising loss. Hectorville will take great confidence into next week's exciting clash against Gepps Cross.

**Kilburn 21.12-138 defeated Colonel Light Gardens 13.5-83**

**When: Saturday 28th May, 2:15pm**

**Where: Blair Athol Reserve/Blair Athol Reserve 1, Blair Athol**

**Preview:**

These two teams are even on points and are pitted against each other this Saturday afternoon in what looks to be like another intriguing matchup. Kilburn are coming off a solid win against St Pauls OS and appear to notching up wins against teams they should but tend to struggle once against teams that are contending. Same goes for Colonel Light Gardens, they were gallant in defeat against Hectorville but in order for them to better than just gracious in defeat they need to find some consistency so far they've been consistently inconsistent. These two have reached round 8 even on wins and losses with 4 wins apiece so expect a super even contest but Kilburn appear to have a little more class and consistency overall. It could go either way however. **Prediction: Kilburn by 8 points.**

**Review:**

In what a tight tussle at the start, Kilburn opened the game prevailing by 55 points in an entertaining affair on Saturday afternoon. The two sides shared 9 goals between them in the first quarter but it was one-way traffic thereafter with Kilburn kicking 8 goals to 3 to take a comfortable 29-point lead into the main break. Five goals to 2 showing in the premierships quarter was the icing on the cake as the home side cruised to victory leaving their plucky opponents in the dust and proving to be the better team out of the two. Raymond Hedland and Jayden Davison kicked 8 goals between them while the star was Mark McCallum with 5 majors of his own in a powerful that will see them take great confidence into next week's mouth watering clash Eastern Park while Colonel Light Gardens will be licking their wounds ahead their match with St Pauls OS.

## REVIEWS

### Trinity OS v Central United

Trinity kept their game rolling this week, with a good 40 point win at home over Central United.

A slow start from Trinity saw them only lead by 10 points at the end of the first break, but after kicking into gear in the second quarter, they were able to get on top of The dogs, making sure to get the win.

B.Puvogel and was best afield for Trinity, also booting 4 goals, while J.Matthews was also good for his team.

M.Garner and J.Bain were the best for Central United.

### Para Hills v Brahma Lodge

On the road this week, Brahma Lodge were out to get a big percentage boost, and succeeded when they came up 100 point winners over Para Hills.

Getting a good start from the first minute of the game, Brahma were able to get the momentum going all match and come home convincing winners.

J.Cook and E.Hem-Mendes were both good in front of goal, kicking 4 goals each, and B.Norman was best on ground in The Tigers win.

D.Weetra once again continued his accurate goal kicking this year, booting 5 goals for Para Hills, while D.Veprek was best afield for his side.

### Fitzroy v Ingle Farm

A tough first half in Fitzroy seemed like an arm wrestle. But after the half time break, The Lions put their foot on the throttle, ending up 30 point victors.

Ingle Farm had a good last quarter but it wasn't enough to bring it back from Fitzroy.

S. Ellis and H. Dwyer were the best in Fitzroy's victory, and J.Rosenthal was good in front of goal booting 7 majors.

D.Payne had another good performance for Ingle Farm, M.Sandery was also good for his side.

### Marion v Rosewater

After a strong first quarter from Rosewater, they were looking for a tough game.

But Marion had other plans, and after quarter time came out firing and made sure to secure a win on their home deck, eventually coming up 26 point winners.

Marion had shared their goal kicking around but it was A.Beaumont who was the best, kicking 3 goals.

L. Kerrison and Z. Angel were good and helped The Rams come home with their win.

D.Reardon and J.Hay were the best for Rosewater.

**Lochie Evans** gives his match previews for this weeks matches

**PREVIEWS**

**Rosewater v Fitzroy**

Rosewater take on Fitzroy at home this week, with both sides wanting to get a win, this should be a hard fought match.

Fitzroy are coming off a good win last week and will be wanting to get their momentum going with a few good wins on the board.

The home ground advantage is always good to have in your side's favor and The Doggies always love playing at their home ground and getting a win.

**Tip: Rosewater by 13-24**

**West Croydon v Trinity**

After a week off with the bye, West Croydon come into a tough match against the undefeated Trinity.

Eager to get back on the field after the bye, The Hawks will be sure to bring a hard energy into this match, and Trinity will definitely bring the same intent to keep their perfect season going.

Despite the home ground advantage and the strength of West Croydon, I don't see anyone beating Trinity, and they will come to fight on the road this week.

**Tip: Trinity by 25-36**

**Brahma Lodge v Central United**

It's always a good fight when these two sides go to battle, and I'm sure this week will be no different.

The Division 7 grand finalists from last season go head to head this week as their rivalry grows, in what will be a hard fought arm wrestle at Brahma Lodge Oval.

This should be a close game but I think Central United will just scrap up with the win.

**Tip: Central United by 1-12**

**Para Hills v Marion**

Marion heads down to The Paddocks this week to take on Para Hills.

Marion are coming off a strong performance last week and will be looking to back it up and get a big win against Para Hills.

I think Marion will be too strong for The Roos and be looking to get a convincing win and percentage boost as they hit the middle of the season.

**Tip: Marion by 85-96**

## ROUND 9 - Sat 4 June 2022

### Adelaide Lutheran v Mawson Lakes

2:15 PM – South Parklands

Will the Lutheran Machine come back from their lose to the Raiders and continue towards the finals or will the Lakers take something from their 1st quarter performance against one of the inform teams of the competition? These questions will have to be answered on Saturday. I personally am expecting the Lutheran Machine to come out at home and make a statement to the rest of the competition at home and have a solid win at home.

### Mitchell Park v Houghton Districts

2:15 PM – St Marys Park

I don't hold much hope for the Lions against the form team of the competition, and I feel that the Raiders will come with the intention of destroying the Lions, even at the Lions home ground with the intention of embarrassing the Lions in front of their supporters, unless they can show the fight that they promised in their early part of the season. Having forewarned the Lions of the Raiders intention, I am hoping that the Lions will fight to prevent this from happening.

### Greenacres v Flinders University

2:15 PM – EJ Smith Oval

We can only hope that the Uni side who turns up this Saturday is the same side who played last week and held up to the pressure from the Mitchell Park Lions and can hopefully show the same pressure that they previously displayed, as they are going to need to show that same type of determination and effort. As we have seen during this season the Dragons will destroy a team who isn't prepared to stand up to be counted and fight to win, as with the efforts of Adelaide Lutheran and the Raiders when they played the Dragons, you need to come with the correct mindset with the right attitude that they can win.

### Hackham v O'Sullivan Beach Lonsdale

2:15 PM – Hackham Oval

Two of the form sides battle it out this week, the Hawks have shown good form with some good wins and the Lonsdale Lions have shown some good form as well not winning as many games of the Hawks, but they have shown fighting qualities in their loses. Although last week against the Dragons they were beaten by a side who were intent on destroying the opposition. This game is chance for the Lions to redeem themselves, as a lose would put them 3 games outside the top 4 and making it harder for them to play in this season's finals. Will the Hawks continue on their merry way improving with every game.
