# SANFL - Game Preview

## Norwood v South Adelaide

Adelaide Oval - 3.15pm

### Norwood to ease past Panthers into Preliminary Final

by  
Nick Smith

What a great start to the first weekend of SANFL finals matches. In the Elimination final the Panthers were far too good for North Adelaide running out seven goal winners. The Panthers were brutal across all four quarters and to go into Quarter time with a handy lead and keep the Roosters goal less in the first quarter, was remarkable.

Liam Fitt was at his brilliant best, kicking four goals. Alex Cailotto was handy with three of his own. In his first season back in the SANFL Bryce Gibbs racked them up with 29 quality disposals. The game was essentially over at half time with the Panthers holding a commanding 40-point lead.

Despite the Roosters applying a lot more pressure and getting a lot of repeat inside 50 entries in the third quarter, The rain came and the Panthers held a solid four goal lead heading into the final quarter. The margin in the end was quite surprising as back in Round 17, the Roosters easily accounted for South Adelaide at Noarlunga (58 points).

The result will provide the Panthers with a lot of confidence heading into Saturday's twilight First Semi Final. Jarred Wright will be happy with the win, no doubt his messaging at training this week will be to continue to work on their forward line efficiency. Despite winning comfortably, the Panthers lost the inside 50's (-10) and lost clearances (-11). South will be happy with the win, however there is still plenty to work on.

Norwood were desperate against the Eagles in what was a high-quality qualifying final. The result wasn't clear until late into the last quarter and the Redlegs certainly had their opportunities. Unfortunately, some missed shots at goal hurt the Redlegs in what turned out to be a very low scoring affair. Scores were level at the main break and even at three quarter time, the game was still in the balance.

Xavier Tranfa was the only multiple goal scorer for Norwood with two. Lachlan Pascoe and Cole Gerloff kicked 2.5 between them which hurt the Redlegs on the scoreboard. Despite going down in a close one, they were never out of the contest and proved that if they can fix up their goal kicking, they can be a real chance to push further into this final's series. It was pleasing to see captain Matthew Nunn return from injury. Nunn made a positive impact to the side and was able to hit the scoreboard in the third quarter.

Whilst Jade Rawlings will be disappointed with the loss, they can take a lot away from the match. Former Crow Richard Douglas and Nik Rokahr found plenty of the ball. Douglas was able to amass eight clearances to go along with his 31 disposals.

We have a super Saturday of SANFL football this weekend. This Semi Final will be one worth watching. The winner will progress to the Preliminary Final, for the loser, see you in 2022.

This will be a tough match, for me, the Redlegs will sneak past the Panthers, just.

## Glenelg v Eagles

Adelaide Oval - 7.15pm

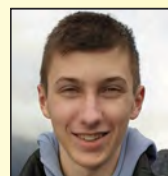

### Bays Bounce Back, Straight through to the Grand Final

The SANFL Semi Finals are here and with it comes a chance for one side to progress to the Grand Final. This semi features a contest between Glenelg and Woodville-West Torrens. Glenelg, after finishing 1st, secured themselves a week off while the Eagles had to play Norwood in a qualifying final which they managed to win to set up this contest. A win for either side will send them straight through to the Grand Final, meaning that they get a week's rest, which can prove pivotal at this point in the year.

Glenelg, after having the week off in the first round of finals means that they were able to recover and figure out what went wrong after they lost at the final hurdle against Port Adelaide in their hunt for an unbeaten season. The Bays have been the best team all year by some margin and went very close to being just the second team in history to go undefeated. They went down to a Port Adelaide side filled with players vying for AFL selection while also trying to defend their 1914 team's unbeaten title. Glenelg will be desperate to ensure that this loss doesn't turn into two in a row which could make winning the flag very difficult. Against Port they started poorly and trailed by 5 goals at half-time. They managed to stem the bleeding in the 3rd term, and didn't concede a score, however, they couldn't make the most of it and only managed 1 goal themselves. Matthew Snook was the best for Glenelg with 32 disposals and 10 clearances while Liam McBean looked the only threatening forward with 2 goals.

Woodville-West Torrens finished 2nd on the ladder and had to account for Norwood in a qualifying final to give themselves the chance to take on Glenelg for a chance at the Grand Final. The game was played in very windy and rainy conditions at the Adelaide Oval which meant that neither side could really dominate on the scoreboard, and it was a tight contest all day. The biggest lead all day was 12-points which the Eagles managed to get it out to 3 times, however, they couldn't maintain it and Norwood found a way to fight back. Both sides had their chances to win it in the last quarter, however, inaccurate goalkicking meant that the Eagles could scrape over the line by 7-points, the lead they had pretty much kept the game at for the previous 3-quarters. James Tsitas (29 disposals) and Riley Knight (28 disposals) were the best in the midfield for Woodville-West Torrens in what was a pretty even display from all of their midfielders. Tyson Stengle was dangerous in the forward line with 3 goals, while Daniel Menzel also chipped in with 2 goals.

Glenelg have had the wood over the Eagles in recent years with the Bays winning the last 4 games. More recently they won comfortably in the two games they played this season. In round 12 Glenelg travelled to Maughan Thiem Kia Oval and won by 19 points in a game had 1 point in it at 3-quarter time. Glenelg managed to run away with it, however, the Eagles looked the better side for much of the first 3 quarters. Tsitas, again was very good with 34 disposals while Jack Hayes was good up forward with 1 goal, 17 disposals and 8 marks for the Eagles. For Glenelg, McBean caused problems with 3.2 and their small forwards got off the chain with 6 goals between Darcy Bailey, Marlon Motlop and Luke Reynolds. Having a week off between games should play in Glenelg favour, but with the early forecast showing wet and rainy conditions expect it to a close one. **Glenelg by 1-12 points**

## Who Will Be The Sixth 400-Gamer?

In what has been a difficult time for the game in the previous two weeks, with COVID-19 once again causing havoc on the AFL Season, it was a weekend of celebration for the great Shaun Burgoyne. On Saturday night, 'Silk' became the fifth player in the game's 163-year history to reach the 400-game milestone, and the first Indigenous player to notch the quadruple century.

by  
Daniel Emilio Amato

For just five players to reach this incredible achievement in almost two centuries goes to show what is required; a strong work ethic, dedication, resilience and a hint of good luck with health and injury along the way.

There are many players currently in the league who are somewhat within striking distance of the 400 game mark. However, with form issues, injury concerns and the possibilities of game-time and/or positions on lists being compromised in the future due to rebuilding and money-saving, some are more likely than others.

I have identified three players who are the most likely to reach that elusive 400 game milestone;

### 1. David Mundy

Current Games Played: 347

Games Required: 53

For so long many out of Perth would barely give David Mundy a mention, but now the Victorian-born midfielder is certainly up there as one of the finest footballers to ever come out of a Western Australian club. From his first season in 2005, Mundy has held an unquestionable position in Fremantle's best 22 and has rarely disappointed. A best and fairest in 2010 and All Australian in 2015, and a selection in Fremantle's 2013 Grand Final are among his greatest achievements on field. At the age of 35, the former captain is playing as well as ever, averaging 25 possessions, five clearances and four tackles, all of which are considered above average for AFL standard. For David Mundy to reach 400 games, he would need to play majority of this season's remaining games at least two more full seasons, a final or two would help boost those games up. It seems far-fetched, but if he continues at the rate he is now... why couldn't he?

Only seven games away from over taking Matthew Pavlich's club record for most games played.

### 2. Joel Selwood

Current Games Played: 325

Games Remaining: 75

The captain of the Geelong Football Club has been the epitome of hard work, dedication, and an unbelievable success rate. Since debuting in 2007, where he won the NAB Rising Star award, he has played in five Grand

# Amato's 5th Quarter

## Who Will Be The Sixth 400-Gamer?

Finals, won four Premierships, three best and fairest awards, six All Australians and four times the most courageous player, he has also only ever missed the finals on one occasion in 2015. Only once in his fifteen seasons has he played less than 20 games a year, he has been able to escape serious injury for so much of his career and has never been dropped.

by  
Daniel Emilio Amato

However, Selwood's courage to go back with the flight of the ball and unflinchingly dive into packs has resulted in concussions and head injuries. His biggest strength is also his biggest weakness, and this is the only concern in not reaching 400. With Geelong's premiership window wide-open for the next few seasons and with Selwood form still certainly apt to remain in the side, he would certainly be expected to at least get very close.

For Joel Selwood to reach 400 games, he would need to play until at least another three seasons, playing at least 20 games every campaign. By that stage he would be 36 years old, if he stays injury free and avoids anymore concussion issues, there is absolutely no reason it cannot happen.

### 3. Dustin Martin

Games Played: 258

Games Remaining: 142

This one may, but should not, come as a surprise. While Dustin Martin still has at least six seasons plus a few finals required to reach 400, he has proven to be one of the most consistent and durable players we have seen... possibly ever.

Since debuting for the Tigers in 2010, Martin has never played less than 20 games in a season. From round one 2010, he has always been one of Richmond's most important players and a main stay in the midfield. He has avoided injury through most of his career and become one of the greatest players in the game's history. Three premierships, three Norm Smith Medals and a Brownlow Medal put him in the elite category in every sense. Football is his life, he loves the game of there does not seem to be any obvious reason why he would give the game up until he exhausts everything he has, and he still has many years to come with a lengthy contract not expiring until 2024, which would be expected to be extended.

For Dustin Martin to reach 400 games, he would need to play until at least 2027. At this stage he would be 36 years of age and I cannot see any reason why this is an unrealistic prospect. He is arguable in career best form, tearing up the midfield with his strength, ability to shake players of and that powerful, penetrating kick.

# TEAM TALK with JORDAN

## The Cattery

2007 was the year that Geelong became the powerhouse that they are known as today. After years of underachieving failing to become that powerful team that they always threatened to be they finally turned it around by not only having developed an ominous high attacking game style that wielded three premierships in five years, but they made their home ground Kardinia Park (it has had many different names over the years) the unbreakable fortress that many a team have now come to fear when they play there. In modern day football, every little bit counts, and the Cats have known that better than most teams. We all talk about fortresses when dominant teams seem even more powerful and even invincible on their home decks, but no team has ever had as pronounced a home ground advantage as Geelong has had at Kardinia Park. Footy pundits and critics have long since given up quoting the numbers, they've just accepted the fact that it's near on impossible to win there.

by  
Jordan Sennett Perez

Before Geelong turned their fortunes around some 14 years ago, they famously lost a match to North Melbourne at Kardinia Park in what became the "line in the sand" moment for them. Not only was the playing group called into question but the club as a whole, culture administration, coaches all of it. They then destroyed an abysmal Richmond by 157 points at the Telstra Dome (now called Marvel Stadium) and from then have never ever looked back. As mentioned above, since then Geelong entered a golden era yielding three flags, playing in 5 grand finals and further 10 preliminary finals which is incredibly impressive. None of those games have been played at their home ground which is affectionately called "The Cattery" but it sure has played a major part in the club's consistent dominance over the competition. Since that loss to the Kangaroos in 2007 and as of the 2021 season, Geelong has played a total of 108 games at Kardinia Park. They've won an astonishing 97 of those, 97! Only 11 losses which is incredible, and their winning strike rate is 89.9%. The sheer key factors in the dominance that Geelong has there are teams that have relative unfamiliarity in which no visiting team ever playing there more than once per season and some of the bigger drawing Victorian clubs such as Hawthorn, Carlton and Richmond only playing there very occasionally, like once or twice in 12 years. The unique dimensions of the ground in my opinion play the biggest part.

Kardinia Park is only just the longest ground of any of the current AFL stadiums at 167 metres only a metre longer than Adelaide Oval, two metres more than Optus Stadium in Perth and five metres more than the MCG. It is significantly narrower than any of the other grounds however which is the most unique aspect of the grounds landscape. At just a measly 112 metres wing-to-wing, it is 27 metres skinnier than the MCG and that near 30 metres difference to the MCG is as good as one less kick for sides trying to switch the play side to side and make the ground bigger. It's no wonder teams have struggled and often have found themselves kicking the ball out on the full more than usual when they play at the cat's home ground. It's also Geelong's incredible defensive qualities that really shine through effectively smothering the opposition into turning it over and having all defensive lines covered effectively roadblocking half the ground. Considering how many teams have struggled there over the years, there are a few sides that boast somewhat of a half decent record there in recent times. Sydney has taken the cat scalp there 4 times in the last few years and had a 3-game winning streak there and Fremantle famously beat the cats in the first and only to date final played at the ground, the 2013 qualifying final, the dockers also beat them there again in 2015. For every other team it is the dreaded travel across there to face impending death. Of the 97 wins, 31 of those has been by a minimum of 10 goals and a further 8 has been by 100 points or more. Now that is some sort of dominance and it doesn't look like diminishing any time soon.

# Lost Labels Wine Company

Lost Labels Wine Company was established with a focus to support choice wineries here in South Australia. We believe that the best wines exist in cellar doors and not always on retail shelves. These wines are sometimes from boutique, lesser known wineries, or more popular and trending wineries – but our job is to find these **lost labels** and bring them to you!

Our online store allows winemakers to showcase their products by sending wine **DIRECT TO YOU** as there is nothing better than knowing that your wine is coming directly from the cellar door.

Finding Lost Labelled wines allows us to offer our customers quality wine and amazing prices.

Use **GRABHANNAH39**  
promo code  
to get Hannah Estate  
at **\$39.99 per 6 pack!**

# ANXIETY

**Anxiety** is a business that is built around building awareness and support to people living with anxiety. Having anxiety himself, CJ knows what it is like to live with the unknown of when anxiety is going to creep up on you. He wanted to let people know that its not something to be afraid of and it is ok to talk about. Whether you're on the lookout for a new hoodie, t-shirt or hat stop by the store and browse our latest collections. 10% of profits go to support Beyond Blue.

# BRONI WHITE PGI CONSULTANT

## Thinking into results

### The power of our mind, creates our future!

#### You become what you think!

Have you ever stopped to think why we do the things we do?

We become so focused on working, that we forget about our dreams we forget to create a life.

For a long time I thought, working hard, pleasing everyone around me, listening to what everyone else wanted for me, was the right thing to do, (after all it was what I was taught to do).

I thought I was happy, then came the realisation, I was making everyone around me happy (but me). I was always tired, didn't take care of my own needs, it was the way I was taught, not to dream!

I've worked as a Zookeeper, Vet nurse, Personal trainer, Nutrition coach, & without a doubt I loved it all, but I felt like something was missing....

I wanted more, I wanted to leave MY mark on the world a LEGACY!

My heart desired a life of nature, animals, abundance, joy, fun, traveling family & freedom, but I wanted to look after myself too.

I didn't want to just be going through the same motions everyday, I was done, but I was terrified to take a leap...

Everyday I'd see others living out their dreams, their desires, traveling to beautiful places working all over the world, loving the life they lead....

The only thing that was stopping me was me. I had to get out of my own negative mindset....SO I did!

We have been programmed to think a certain way, from ideas & thoughts from previous generations, our environment, that we have lived in our whole lives.

Stop living the life you don't want & start living the life you do want, we are powerful human beings, we were put on this earth to grow to create.

I will show you how to catapult your life & live your wildest dreams, reset your mind. I will guide you through a simple 12 step process, that will literally change your life, in every way.

I know because I have been there & it has changed my life. I now live the life I have always dreamed.

Let's do the same for you. You will look back on your life & won't recognise yourself. Your beliefs, your thoughts & desires will change.

Allow your mind to be set free! Change the way think, change your life!

So what are you waiting for, let's together kick start you life. I believe in you, it's time you did too. LET'S GO!

Together we can breathe & let go of anything.

Welcome to your new life!

Offer: A free 15 minute strategy consult to find out the why's of what is holding you back.

## Peaceful Paws

CARING AT HOME EUTHANASIA FOR PETS

### When it's time to say goodbye to your best buddy

Have them put to sleep peacefully where they are happiest and most comfortable - their own home surrounded by loving family.

Dedicated home euthanasia service provided by dr. Henriette, a caring and experienced vet.

Gentle, professional and supportive with no rush or pressure.

Cremation can also be arranged.

Servicing southern areas of Adelaide and Fleurieu Peninsula.

Call/text 0491 252 512 [www.peacefulpawsvet.com.au](http://www.peacefulpawsvet.com.au)

## YOUR LOCAL SOLAR CARE PROFESSIONALS

**Tony Mott**

**0433 124 363**

tonym@ecokleensolar.com.au

### INSPECTIONS

Regular inspections help to identify current or potential issues with your installation.

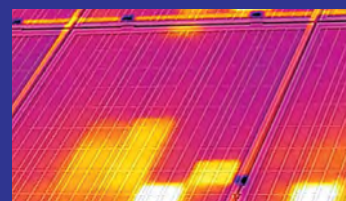

### CLEANING

Anything preventing sunlight entering your solar cells is costing you money.

### PEST PROOFING

Eliminate potential damage and health hazards with effective and secure pest barriers.

### THERMOGRAPHY

Fast, reliable, non-contact solar panel testing to see what the eye can't see.

# AFL INFORMATION IN 2021
